LISTEN TO LUKE

Sander-son should be very easily cleaned up this week and what all the hail we had late Monday afternoon, followed by high winds Tuesday and Wednesday. The hail beat off all of the old growing limbs from trees and bushes, then the strong winds would have blown them all away against fences so that they could be easily gathered and burned.

The wind had suddenly stopped Tuesday morning there would be plenty of good rich farm land soil to further enrich the old worn drouth-beaten land we have found here. But then without rain that good could that possibly do? Some ranchmen were busy the week repairing water pipes for the first time in years. I went out to look at their rain pipes and found more than 10 inches of moisture in them. It all depends, but mother nature has a way of caring for her own and we wonder sometimes if we are not backward step-children.

Strawberries grow lush in Terrell County, too.

This column had the opportunity to look at that statement last week. Monte Wallace brought in a big carton of nice large fresh strawberries which he said Mrs. Wallace grew on the ranch. Monte properly gave her credit for the work and the very charitable thought of bringing them in to the family. Thank you, Mrs. Wallace, for a most delicious sample of the fruits of your efforts.

There's no telling what she could do out there if she could get out to help her work her garden.

We noticed in an area paper that a subscriber had paid his subscription in full to November of 1953.

Now we think that is a splendid and would like to pass it on to our readers. All renewals, even a year, are appreciated by The Times, but we would really get on our knees for such a payment as that.

A check was received from a subscriber this week and a note was attached stating that they welcomed the news of the folks around this town but added that he could not read.

Eagles Lose Game With Kermit 7-6; Beat Wink Here 8-7

The Eagles baseball team threw a game away last Friday in Kermit and came out on the short end of a 7-6 score. According to Coach C. W. Snowden, the Eagles got too hasty on several throws and allowed extra bases to build up the score for the host team and failed to come across with sufficient hits and runs to offset their errors.

Tuesday of this week Wink came to Sanderson and took a beating at the hands of the locals by a score of 8-7.

Wink made 1 run in the first inning after the first batter got on by an error, stole second and scored on a single by the clean-up man who died on first. They tallied 2 runs in the third frame when the first batter singled and got to third where he was squeezed in and the third batter singled, advanced to third and scored on a squeeze play.

In the fifth inning Wink scored 4 runs on 3 hits, a base on balls two errors committed by the Eagle infield.

The Eagles scored four runs in the bottom half of the fifth inning on an error and base on balls putting runners on in front of a single, a double and a fielders choice. They left a baserunner on third when the side was retired.

In the sixth inning two successive bases on balls, a single, followed by a strike out, a single, a strike out another single and the third strike out retired the side after four runs had scored, leaving a man on third.

Sander-son had only 6 hits to 7 for Wink, but errors accounted for the difference in the runs.

Olivares and Ochoa was the battery for the Eagles and Turner and Ensey delivered and received for Wink.

The leading batter for the Eagle squad was Higinio Pena who batted 1000 by getting three singles for three times at bat.

Sander-son runs were scored by Pena, 2; Silvas; Olivares; Ochoa; Ramirez, 2; and Ruben Escamilla.

The next home game will be on May 12, when Kermit plays the Eagles here. The last game of the season will be on May 15 against Fort Stockton here.

The Eagles defensive team has undergone very noticeable improvement in the past two weeks and are expected to put up a good battle against opponents in the balance of the season.

Baseball fans who have missed any of the home games have missed a real show of ability and sportsmanship on the part of the Eagles. x

Near Disastrous Blaze Extinguished Here Saturday Night

The volunteer firemen were called out Saturday night to extinguish a blaze at the James Word Service Station, but good fortune prevented what could have been a disastrous fire and the firemen had little to do to extinguish the flames.

The underground tanks were being filled by the wholesale gas dealer and one of the employees at the station went into the grease room and turned on a light switch which was situated just below the top of the vent pipes from the underground tanks. The small spark caused from turning on the switch caused the vapors to ignite and burned the wrist of the employee of the station and set fire to two brooms which were standing up in the corner near the switch.

When the truck operator shut off the flow of gas into the underground tanks to get his truck out of the drive to prevent possible further explosions and confagurations, the flow of the vapors out of the vent pipes ceased and the fire from the vent pipes went out immediately, leaving only the brooms burning.

The brooms were extinguished before the fire trucks arrived at the blaze.

**MISS BETTY COOKE
APRIL BRIDE OF
LT. JAMES CHAPPEE**

Tall floor baskets of white wicker filled with calla lilies, lemon and huckleberry leaves flanked the large arched candelabra which was arranged before the art glass windows in the First Presbyterian Church Sunday afternoon for the wedding of Miss Betty Jean Cooke and Lt. James Hayden Chappée. The chancel was entwined with Plumosus and Brake fern. White Ester Reed daisies were tied in the bows and streamers of white satin ribbon which marked the steps.

Using the double-ring ceremony, the marriage rites were read by the pastor, Rev. John W. Byrd, at 4 o'clock.

The bride, given in marriage by her father, wore a floor-length gown with fitted bodice and long, petal-pointed sleeves of white imported Alençon lace and panels of the lace were on each side of the full-gathered skirt of nylon tulle. Her finger-tip veil of illusion cascaded from a headress of tulle and pearls. She carried a bouquet of lilies of the valley centered with an orchid.

The candles were lighted by Peggie Cooke, sister of the bride, who wore a formal gown of white net and lace. Miss Margaret Gregory sang "The Lord's Prayer" and a background of traditional wedding music was provided by Mrs. R. S. Wilkinson who also played the professional and recessional marches on the organ.

Other feminine members of the bridal party were Mrs. Dudley Harrison, sister of the bride, matron of honor; and the bridesmaids included Mrs. Marshall Cooke, sister-in-law of the bride, Miss Carey McGuire of San Angelo and Miss Joan Byrd. Their gowns were identical, being fashioned with strapless bodices of Chantilly lace and bouffant skirts of blue net over taffeta. The fishus of blue lace were softly knotted in front and were scalloped and fitted in the back to resemble large collars. The half-hats were of net and taffeta with pink carnations on each side. The bouquets of pink carnations were tied with blue net and pale pink satin ribbons.

Ushers were Kip Gathin, Mar-

shall and Bobby Cooke, brothers of the bride, Dudley Harrison, a brother-in-law of the bride, and Jimmy Harrison. Hayden B. Chappée, the groom's father, was best man.

An informal reception in the Fellowship Hall of the church followed the wedding. Peggie Cooke presided at the bride's book to register the guests.

The bride's table was covered in a white organza cloth and centered with an arrangement of gardenias, lilies of the valley, and snapdragons. The bride's cake, beautifully decorated in pink and green sugar-spun roses and silver dragees was at one end of the table and the crystal punch bowl on the other. Mrs. Jim Fox, the bridegroom's aunt, ladled the punch and the cake was served by Mrs. Jim Snelson, the bridegroom's aunt, and Mrs. John Harrison.

M.; the groom's parents, Mr. and Mrs. H. B. Chappée, his aunts, Mrs. James L. Snelson and Mrs. James E. Fox, and his grandmother, Mrs. George L. Chappée, all of Granite City, Ill.

Mr. and Mrs. Dudley Harrison and Mr. and Mrs. Marshall Cooke were hosts for the rehearsal dinner served to twenty-five guests Saturday evening in the banquet room of the Turner Hotel. Gifts were presented to the members of the wedding party by Miss Cooke and Lt. Chappée.

**JUNIOR - SENIOR
BANQUET HELD
LAST THURSDAY**

"Starlight Time" was the theme of the annual Junior-Senior banquet served in the band hall last Thursday evening.

The ceiling of the hall was covered in star-studded blue crepe paper which was also draped around the lights. A beautiful wishing well was arranged in front and entwined with red roses. Red roses were also banked on one side.

Spring flowers in varied colors were placed at intervals on the white linen covered tables, the containers being wagons, complete with wheels, and fashioned of blue and silver paper. The colors were repeated in the nut cups, place cards, napkins, favors and programs.

Following the invocation, given by Humberto Arredondo, Dorothy Hill gave the toast of welcome from the juniors to the seniors, and Mary Landon Rose responded for the seniors.

Two songs, "Stardust" and "Stars of the Windows of Heaven" were sung by Mary Lou Cargile with piano accompaniment by Mary Ann Belcher. Jack Savage gave the class prophesy and Yolanda Esqueda played "Blue Moon" as a piano solo.

Rodney Cathey, high school principal, and Supt. Matt F. Bader gave short speeches to the group.

agree with this column's ideas only about 30 per cent of the time. Now if we can get at least two more readers who would be so agreeable, that would make our average come up to 90 per cent of public agreement, which would be excellent for any column.

It has been our very good fortune to be a spectator at all of the high school's local baseball games this year and it would be most opportune at this time to state the reason we consider it good fortune.

These boys have displayed the highest type of sportsmanship during all of the games. We wish that we could say that about the visitors. We do not mean to be un-sportsmanlike and intimate that because they are visitors, they are not good sports and our boys can do no wrong. This is just my observation.

The local boys have dutifully and willingly bowed to the will of authority in every respect.

We think there are three reasons for this: the upbringing of the boys, the wishes of the fans and the action of the coach. We hope that baseball fans never demand a winning team, regardless, and that the coach will never sanction such un-sportsmanlike conduct as had been displayed here on several occasions.

Around town . . . we have noticed Russell Dyer carrying his car

keys around in his hand . . . and Nessmith's face showing a little embarrassment . . . New Mexico, Arizona dust blowing through here Wednesday . . . teachers looking down their noses at our legislature and their lack of a pay raise . . . W. A. Davis going three ways at once trying to keep up with all of his highway work . . . the umpires catching the devil at the high school ball games . . . a pretty good looking automobile up at Jim Nance's boarding house and car lot . . . a few small truck loads of wool coming into town . . . R. V. Spence working in solid comfort.

MOBILGAS ECONOMY RUN FLASH!

FORD BEATS ALL IN ECONOMY!

MILEAGE MAKER "6" WINS SWEEPSTAKES!

Score a blazing victory for Ford's dollar-saving gas economy! Ford's high-compression Mileage Maker "6" with Overdrive beat every car entered in this year's Mobilgas Economy Run, regardless of size or weight, to sweep the sweepstakes! Ford's winning average was 56.70 ton-miles per gallon* And Ford's high-compression 110-h.p. Strato-Star V-8 with Overdrive was right up there in economy, too, with a record of 48.55 ton-miles per gallon!

The winning Ford was a regular production car, just like thousands of other '53 Fords you see on the road every day. This 1,206-mile trip from Los Angeles to Sun Valley covered all types of driving conditions. The route threaded through city traffic, where stop-and-go driving tests an engine's fuel economy under the toughest conditions . . . and out along the highways of four western states.

The Ford Mileage Maker "6" took all this in stride, maintaining a speed above the required 44.25 m.p.h. minimum, to finish. Let in the sweepstakes! What better proof is there that Ford is the thriftest car of all? What better way to show why Ford is worth more when you buy it . . . worth more when you sell it!

TON-MILES PER GALLON*

Ford is the best car in its weight class . . . to win top honors in ton-miles per gallon over all other cars regardless of size or weight.

*The AAA Contest Board determines the winner by a "ton-mile per gallon" formula to insure equal chance for all cars in each class regardless of size and weight. Ton-miles per gallon equals the car weight (including passengers) in tons, multiplied by number of miles traveled, divided by number of gallons of gasoline consumed.
