# SANDERSON TIMES

VOLUME XLVI

SANDERSON, TEXAS, FRIDAY, JUNE 26, 1953

NUMBER 19

## LISTEN TO LUKE

For the past several years it has never occurred to this column that the time would come when we might have to get out of bed at 2 a. m. to fight high water here in Sanderson.

When the telephone rang at that unusual hour Sunday we thought of a thousand things that might be happening to cause the alarm, but we thought of high water came to our half-awakened senses.

But sure enough, the water was pouring in from the second story of the building just above the office. Many theories of the cause of the deluge have been offered but to date we haven't been able to determine which was correct. Some say a cockroach, blinded by the sudden illumination in the bathroom, ran headlong into a water pipe and broke it off, while others say that some one connected with the local utilities company slipped and did some under cover work on the customer's side of the meter.

Whatever the cause, there was a downpour of many acre-feet of water in the Sanderson Times.

A good sample of subsidy by the government has been called to our attention by a local ranchman who is a member of the Southwestern Cattle Raisers' Association. This group in a recent meeting in Fort Worth had a new angle from which they could blast controls and subsidy payments. They have been unalterably opposed to the price supports program all along. They have realized that such programs may help some particular group but the overall effect is injurious to the free trade that has made America what it is.

The most recent example of subsidy effect was brought out in the open when it was learned that the government is trying to sell cottonseed meal delivered to ships for export for \$52 a ton. Less than 6 months ago cattlemen were having difficulty buying cottonseed cake and when they could buy it they were having to pay about twice the price now being asked for the meal offered for export.

One of the group in the Fort Worth meeting expressed what

## Jimmy Jones Receives Accidental Gunshot Wound in Teague

Mr. and Mrs. J. M. Jones received word Monday morning that their nine-year-old son, Jimmy, had been accidentally shot in the abdomen and had been rushed to a Teague hospital where his condition was regarded as critical.

Ben Causey took the parents to Teague and reports from the Jones family indicate that Jimmy's condition, while regarded as serious, is satisfactory, according to attending physicians, and the child is said to have a good chance for complete recovery.

The 22-calibre bullet penetrated the boy's liver.

The three older Jones boys have been visiting in Teague with their grandmother and the accident occurred in her home.

## New Rotary Officers Take Over Duties

The meeting of the Sanderson Rotary Club Wednesday at noon in the Turner Hotel marked the close of the 1952-53 official club year. The new officers have assumed their duties and the first meeting of the new club year will be on Wednesday evening, July 1, at the Kerr well when members and their families will enjoy a picnic supper.

R. S. Wilkinson was named chairman of the arrangements for the meeting.

New officers include L. H. Gilbreath, president; Troy Druse, vice president; M. W. Duncan, secretary-treasurer; Joe Kerr, Jr., is the retiring president.

## RANCHMEN SEEK AID TO LIFT BURDENS OF HIGH FEED COSTS IN DROUTH-RIDDEN AREA

Various organizations of stockmen, financiers, and individuals of drouth-stricken areas have started a movement to get livestock feed and financial relief for ranchmen in the drouth-ridden area of West and Southwest Texas. The various groups are all working for immediate and economical program of assistance from state and federal agencies and have not yet combined their strength and efforts in the plea for relief of the existing high cost of feed.

## Red Sox, Giants Topple Leaders In Little, Pony Leagues

Little League and Pony baseball last week went the route of the big league namesakes last week when the Red Sox toppled the Dodgers in Little League play and the Giants trounced the Browns in the Pony League. Both the losing teams were the winners in the respective leagues.

The Red Sox took their game 9-5 and the Giants shut out the Dodgers 16-0 to prove they were still in the game.

The standing in the Little League shows the Dodgers on top with 3 for 4, Red Sox and Yankees tied for second with 2 for 4 and the Phillies holding up the bottom of the order with 0 for 4.

The two teams in the Pony set are tied up at the present with 2 for 4.

Friday of this week the Dodgers and Phillies are scheduled to meet, but the Phillies are having difficulty in fielding a team because of the absence of so many of their players due to camps, vacations, etc.

The Pony leaguers will play their regularly scheduled game Thursday afternoon.

## Highway To Puckett Field Let To Cage

Cage Brothers and J. C. Ruby of San Antonio, with a bid of \$77,946.99 were low on the construction of a paved road from U. S. Highway 285 into the new Phillips gas field and gas extraction plant to be built on the Puckett ranch northwest of Sanderson.

The road will extend 8.696 miles from the highway and the contractor has 110 working days for completion. There were six bids on the work, with a range of approximately \$15,000 between the low bid of Cage Bros. and Ruby and the high bid of \$92,679.

Word has been received that the shortage of housing facilities in Fort Stockton is very acute and that workers on the highway construction project and also workers on the construction of the gas treating plant will be directed to Sanderson for the possibility of locating housing facilities for the workers and their employees during the proposed projects.

## Masonic Lodge Has Installation Service Wednesday Night

The Sanderson Lodge No. 988, AF&AM held their installation services at a called meeting on Wednesday night. W. H. Nessmith, past master of the local lodge and past district deputy grand master, acted as installing officer and Marion Batson, also past master of the local organization, was conductor.

Roger Rose was installed as worshipful master; J. A. Gilbreath senior warden, W. S. Forth, junior warden, Ruel Adams, treasurer; R. S. Wilkinson, secretary; W. M. Druse, tiler; S. D. Thompson, chaplain; H. M. Beckett, senior deacon; R. V. Spears, junior deacon and H. L. Surratt and F. G. Hardin as stewards.

A barbecue supper was served in the basement of the hall preceding the installation services, to members of the lodge, members of the Eastern Star Chapter and their families.

Mr. and Mrs. Tommie Billings and children returned home Sunday night from a vacation trip to Ruidosa, N. M.

A conference is planned for Saturday between Penrose B. Metcalfe, president of the Texas Sheep and Goat Raisers Association and Secretary of Agriculture Ezra T. Benson in Lubbock. A group of bankers and ranchmen from Del Rio has gone to Austin for a meeting with Governor Allan Shivers, and various requests for aid have been sent from organizations and individuals over all the drouth area of Texas to most of the state and national representatives and departments connected with the agricultural industry in any way.

The general plea from all sources, it was pointed out, was for the release of feed surpluses by the Commodity Credit Corporation to the ranchmen at a price which they could afford to pay to sustain their flocks through the prolonged drouth. The current price of feed as compared to the current price of sheep, it was pointed out, was too varied to permit the ranchmen to continue feeding, thus permitting the death and complete loss of breeding herds.

Another plea is for credit to finance the ranchman on an emergency basis. A group of representative ranchmen is expected to be given audience to Secretary Benson when he visits Lubbock to speak to the Cotton Congress in that city. Sanderson will probably have a representative at the conference.

Among explanations to be asked from Benson by the West Texas group will be the reason why cottonseed cake which costs the ranchman \$79 per ton is being exported by the government at \$52 per ton when the cake comes from the same mills.

## Special Sermons In Spanish For Meeting Scheduled June 29

A series of gospel meetings for the Latin-American residents of the community will begin on Monday, June 29, and continue through Wednesday, July 8, according to an announcement made this week by Lewis A. Wright, minister of the local Church of Christ.

Byrl Brockman of George West Texas, will do the preaching. The sermons at all of the services except on Sunday will be in Spanish.

A cordial invitation is extended to the Latin-American residents particularly to attend all of the services which will be held in the building of the Church of Christ and begin at 8 each evening except on Sunday when the regular services will be held.

## S. L. Stumberg Re-Named Director Of Wool Bureau, Inc.

Word was received here Tuesday that S. L. Stumberg, Terrell and Brewster County ranchman, had been re-elected a director of the Wool Bureau, Inc., at its meeting in New York City. F. Eugene Ackerman was re-elected president of the organization.

Stumberg left the first of last week for New York City to attend the annual meeting of the Bureau. Following the meeting of the Wool Bureau in New York City, Stumberg left for McCall, Idaho, to attend the meeting of the executive committee of the National Wool Growers Association, of which he is a director. He is also vice president of the American Wool Council, the American member group of the Wool Bureau.

W. R. (Son) Turner is able to be about some and is showing constant improvement following a heart attack several weeks ago.

## Segregation In Local Schools Is Charged Officials By Petitioners

The Times is publishing herewith all the complete information as given by Supt. Matt Bader concerning the challenging of the segregation question in the local school.

James Caroline, president of the Board of Trustees of the Terrell County Common School District No. 1, has been informed by J. W. Edgar, State Commissioner of Education, that a hearing is being called in Austin on July 8, 1953, for the purpose of determining whether or not segregation of children of Latin-American descent is being practiced in the schools of the district.

The hearing is a result of a petition received by J. W. Edgar from Cristobal P. Aldrete, attorney for Mrs. Refugio Perez and others, during the spring complaining that the trustees and the administrative officers of the Terrell County Common School District are practicing illegally the segregation of children of Spanish speaking ancestry.

Following is a copy of the petition received by Edgar from Aldrete: —

To the Honorable J. W. Edgar, Commissioner of Education: Now comes, Mrs. Refugio Perez,

Mrs. P. M. Arredondo, Olivia Salinas, Olivia Alvarado and Cruz Flores, who reside in Terrell County, Texas, and complain, through their attorney of the Terrell County Common School District, of Mr. Bader, superintendent of said school district, and of the Board of Trustees of the Terrell County Common School District, and of all administrative officers appointed by said Board of Trustees to administer said schools, and for cause of action state as follows:

1. The maintenance of a separate school, Lamar Elementary School, on a separate campus, for children of Mexican descent, when they first enter school and in the first grade.

2. The continued segregation, in the same segregated school, Lamar Elementary School, of these children through their second school year.

3. The operation of so-called homogeneous groups ("B" groups as contrasted with "A" groups) composed entirely of children of Mexican descent, in grades second, third, fourth, fifth and sixth at the Sanderson Elementary School.

4. Each and every one of these practices, based on policies established by the Board of Trustees

and administered by the superintendent and other administrative officers of said school district, is in violation of the terms of the Delgado judgment, and they all violate both the letter and the spirit of the instructions issued in that connection by the State Superintendent of Public Instruction in 1947, as well as of the policy set forth by the Texas Education Agency in 1950.

5. Wherefore, petitioners pray the Commissioner of Education of the Texas Education Agency that defendants be cited to appear and answer this petition; and that upon final hearing, petitioners have judgment enjoining said defendants from continuing said school policies and practices, and that defendants be ordered to comply with the Delgado decision and the rules and regulations of the Texas Education Agency made and established in connection with said Delgado judgment, and for such other and further relief, both general and special, in law and equity, that petitioners may be entitled to.

Signed: Cristobal P. Aldrete, Attorney for Petitioners

After receiving the petition, Dr. Edgar notified the local trustees that the local board should make immediate determination as to whether or not practices of illegal segregation exist, and if so, make immediate correction of such practices.

An investigation by the local board was made as requested by the Commissioner of Education. The local board also invited the petitioners and their attorney for a local conference on April 16 to discuss the matter. The petitioners failed to appear at the local conference, but were represented at the conference by Aldrete, their attorney.

No agreement between Aldrete and the local board could be reached at this conference on how the students from grades two through six should be grouped for instructional purposes. The Board informed Aldrete at this conference that a decision had been made by the Board earlier in the year to house all the first grade students in one building with the beginning of the 1953-54 school term. This was decided upon because it is believed that if all the small children are housed in a building, to themselves, better instruction can be given them. Playground equipment, building facilities, and teaching aids can be better supplied to the smaller pupils if they have a whole building to themselves. The Commissioner of Education was notified of the results of the local conference. Following is a copy of the letter from Aldrete to Edgar in answer to the local conference requesting a hearing in Austin:

Dear Dr. Edgar: In reply to your letter dated April 27, 1953, I wish to submit the following answer:

There are two issues in our complaint against the Terrell County Common School District No. 1. The first one was the existence of a separate and segregated first grade elementary school, Lamar. This issue has been accordingly settled on the local conference level, for, as your correspondence re-

## Four Local F. F. A. ers To Receive Lone Star Farmer Degrees Soon

Fort Worth, June 23 — Cowtown has the welcome mat rolled out for Texas Future Farmers.

When 3,000 boys swarm into Fort Worth next month for the 25th annual convention of Texas Future Farmers, they'll find a full program arranged for their entertainment and diversion.

More than 600 Lone Star Farmers will be honored at a banquet July 23. Lone Star Farmers are the FFA members who have attained the highest degree of proficiency in their work.

David Mitchell, Odell Carruthers, Glenn Chandler and Charles Stegall have been notified of their election as Lone Star Farmers. All are members of the Sanderson F. F. A. Chapter.

Web Townsend has returned home and Mrs. Townsend, who is recuperating from major surgery, will remain in San Antonio for three more weeks.

veals, the board of trustees admitted the violation and agreed to correct it beginning the 1953-54 school year.

The second issue remains unsettled. This involves a crucial point on the enforcement and interpretation of the Delgado decision. This issue concerns the practice of "homogenous" grouping of Spanish-speaking children. Upon the board's request asking my advice on a settlement of that issue, I sincerely recommend that we should be granted a hearing before you. Mr. Bader, the superintendent clearly admitted that he did employ a grouping system which placed some anglos in the homogenous group but that he proceeded further with other arbitrary factors to except said Anglos from being grouped with the Spanish-speaking homogenous class.

Petitioners should be given the opportunity to examine said grouping system before qualified expert witnesses in a hearing before you. As I said to the board of trustees, the granting of a hearing to consider the soundness of the homogenous grouping will allow Mr. Bader to justify his method of grouping before our witnesses and your court, and we, the petitioners, in turn, will have the opportunity to prove that it is arbitrary and capricious and that it results in a violation of the Delgado decision.

This is one issue that is crucial throughout the State and a decision is necessary for the sake of future complaints.

Therefore, in view of the fact that we, the Board of Trustees and the Petitioners, have failed to settle this second issue on the local conference level, we earnestly request that an immediate hearing be granted before you so that this remaining issue may be settled as soon as possible.

Signed: Cristobal P. Aldrete, Attorney for Petitioners.

A copy of the letter to James Caroline from J. W. Edgar notifying the local board of the hearing in Austin is given below:—

Dear Mr. Caroline: We transmit herewith a copy of a letter dated June 10, received from Mr. Cristobal P. Aldrete, counsel for petitioners in the above styled petition, which is in answer to this Agency's letter of April 27, 1953. Mr. Aldrete requests therein that a hearing be set by me concerning the complaint set out in his original petition in paragraph numbered 3, a copy of which has been heretofore forwarded to you for the reason that your school board and he could not come to an agreement in local conference thereon.

Your board, superintendent and counsel for petitioners are herein notified that a hearing on the complaint in paragraph 3 of the petition is hereby granted and set for July 8, 1953, at 8:30 a. m., in the office of the State Commissioner of Education, located in the State Office Building, 11th and Brazos Streets, Room 106.

Section 205, Procedure on Hearings and Appeals of the Texas Central Education Agency, provides in part as follows:

"At such hearing, any interested party to said appeal may file a typewritten, mimeographed, or printed brief in at least five (5) copies, may be represented in person or by counsel of his own choosing; may present reasonable oral argument and shall be afforded an opportunity to present any additional documentary or sworn oral testimony which has not been previously introduced at some previous hearing or appeal, provided that no additional testimony or documentary evidence may be presented to (at a hearing before) the State Board of Education."

Signed: J. W. Edgar, Commissioner of Education.

Caroline states that at no time have any of the petitioners personally appeared before the local board with their grievances. A conference was called by the board on April 16, 1953, for the purpose of conferring with the petitioners, but none of said petitioners appeared before the board. They were represented at the conference by their attorney.

To the best of the knowledge of the Board, one of the petitioners has not been a resident of the school district in almost two years.

It is the opinion of the board and the superintendent of the schools that the superintendent has the responsibility of grouping the children for instructional purposes in such ways as is best and will give the most efficient results in learning for all the children of all the parents of the school district and without regard to race or religion.

## PLANS MADE FOR ADDITIONAL PAVING IN SANDERSON

The County Commissioners have agreed to plans for further paving in Sanderson, subject to approval by the property owners of lots on the streets included in the proposal and the price for the work made by the contractor.

Present plans include the paving of the street adjacent to the railroad property south of Oak Street from the street east of the Kerr Mercantile Co. west to the storage tanks for gasoline in the extreme west end of town, paving the streets from Oak Street south to the street along the railroad property running beside the Kerr Mercantile Co., Automotive Super Service, Sanderson Gulf Station, north from the Sanderson Gulf Station to the present end of the pavement just to the O. T. Sudduth Funeral Home, the block running north to the home of R. V. Spears, the block north to the home of Clyde Higgins and the block north to the home of James Caroline in the extreme north part of town and the possible extension of radii at intersections and at the intersection of streets coming into the highway, or Oak Street. The extension of the radii along Oak Street would carry the topping out to the curb.

Also included in the proposal are plans to pave the courthouse block in the area that is now used for driving and parking.

It is expected that a price will be available soon from H. B. Zachry Co. for the work and property owners will be contacted for their approval of the work. It was revealed that the commissioneds had agreed to pay for half of the paving, as was done before, if the price was justifiable and the consent of the property owners could be obtained.

The commissioners undertook to have the work done while the contractor is working in this immediate vicinity, since long-range programs plans for highway construction in this area are not foreseeable for several years and the price of doing such construction will be considerably cheaper, it is presumed, since the construction crew has all of their equipment on hand for completing the proposed work.

Such a project would put the streets of Sanderson in much better shape, it is thought, that the streets of any town of comparable or larger size in the state and the comparative number of paved streets would also rank among the highest in the state.

## Teague Bros. Take Roping Show Honors

Earl Teague of Camp Wood took first money from a field of 27 of the nation's top ropers in a 4-calif match here last Saturday with a time on the four calves of 51.2.

Bill Teague, brother of the first-place winner, of Crane, came out of the fray with only 3 of a second more on his time — a total of 51.5 — for second money. The 4-calif jackpot entrance fee of \$45 drew most of the best record making ropers in this area and one of the largest gates recorded for the local roping club shows.

Louis Powers of Carlsbad, N. M. was third place with a 57.5 time, and James Lee Leonard of Del Rio was fourth with 57.9.

Bill Teague was top money winner of the day. His earnings on individual calf time placed him above the first place winner in the take for the day.

Ray Wharton of Bandera collected a string of winnings donated by local merchants for the fastest time of the day when he wrapped one of his calves in 11 flat. Toots Mansfield, world's champion calf roper, got an award for the slowest time when he took 46 seconds on a stubborn calf.

Winners of the four go-rounds, in order, were:

First go-round — Jim Bob Altizer of Del Rio; Earl Teague, Bill Lowe of Crane and Bill Teague tied for third and fourth.

Second go-round — Buddy Groff of Hondo; Steve Stevenson, Big Lake; Earl and Bill Teague tied for third and fourth.

Third go-round — Ray Wharton, Buddy Groff and Bill Teague tied for second and third; and Frank McMullan of Big Lake.

Fourth go-round — Riley Branch of Big Lake; Clifton Lowery of Del Rio; Buddy Groff and Mack Yates, Jr., of San Saba.

Lorelei McMullen of Big Lake won first place in the girls' barrel racing event with Dorothy Askins of Pumpville and Beverly Thorn of Sanderson, taking second and third respectively.

The big roping event was staged by the Sanderson Roping Club. Mr. and Mrs. Jack Riggs of Dryden are president and secretary of the club.

All members of the Sanderson Roping Club are asked to be at the arena at 9 o'clock Sunday morning to begin work on the lights so that some night roping may be possible in the very near future.

(Continued from page one)  
 this column would like to say when he said: "Let the meal accumulate until it runs out of their ears and then they may be willing to sell it to the cattlemen who really need it."  
 Joe Montague, association attorney, said Secretary Benson was not aware of the fact that cottonseed meal was being offered at a lower price for export than is being asked for domestic consumption.  
 In commenting on the above government "package" support program, it is only fair that we state that such a program was not sought, and in fact was frowned upon by the National Cottonseed Products Association, Inc., according to a letter from A. L. Ward, director of the association. Ward pointed out that his association has consistently urged those in positions of responsibility in the government against "dumping" and government-to-government trading which is directly opposed to the principles of free market. These pleas have gone unheeded and the unsound policy of government control and price support has been the result.  
 It is hoped that Secretary Benson will see the socialistic trend as practiced by his department before he took office and will get

the department, at least, back on a free-market basis. The cattlemen will benefit by it and so will the cottonseed producers and millers.  
 Around town we saw lots of out-of-town visitors here Saturday for the events of the day... and some donkeys making jackasses out of some riders Saturday night... a load of grass seed going out to one of the local ranches for planting as soon as it rains... some high school graduates about half-way wishing they hadn't "commenced"... Jimmy Caroline with a pick and shovel about 2 a. m. Sunday morning... and Ed Lacy, game warden, returning from somewhere Monday morning.  
**LOCAL GIRLS RETURN FROM BATON TWIRLING CLINIC**  
 Donna Wooten, Carlene Werneking, Teresita Marquez, Barbara Suddath, Tommy Kay Parisher Estela Flores, Diana Duke, Mary Ann Eicher and Olga Alvarado were among 225 students who completed a baton twirling clinic at Sul Ross College last week.  
 Mr. and Mrs. Seals Brown of Wickett came Sunday for their daughter, Betty, who had visited here in the home of her uncle and aunt, Mr. and Mrs. W. W. Sudduth for a week.  
 Joan Wood has returned home from San Angelo where she visited with relatives for three weeks.

**DRYDEN NEWS**

Mrs. Buddy Rogers and children returned home last week after spending several days in Brady at the bedside of her father.  
 Mr. and Mrs. Jim Powers spent Sunday in Fort Stockton.  
 Mrs. Raymond Farley left Wednesday for Uvalde to visit her daughter, Mrs. Eric Beecroft, and family.  
 Mr. and Mrs. Lonnie Cash of Alpine visited here Tuesday en route to Del Rio and Sonora.  
 Mrs. Bobbie Walsh spent the week end here with her parents, Mr. and Mrs. Jim Powers.  
 Mrs. Eva Harrell and daughter, Jo Ann left Friday for Brinkley, Arkansas, where they will spend most of the summer with her daughter and family.  
 Mrs. R. J. Ross and son returned home Tuesday after spending a few days visiting relatives near Lometa.  
 Mr. and Mrs. Jim Powers and grandchildren, Beth and Robert Walsh, spent Wednesday in Ozona visiting their son and family, Mr. and Mrs. J. W. Powers.  
 Mr. and Mrs. Henry Hoffman of Midland visited with R. E. Freeman last week end.  
 Charles Krupella was called to Shiner this week on account of the death of his father.  
 Charles Hill of Austin visited friends here Tuesday. He is a former resident of Dryden and will enter the armed forces Monday.  
 Mr. and Mrs. Troy Druse are moving to the Kerr Estate house recently vacated by Mr. and Mrs. G. C. Medley.  
 Thomas Albrecht, who is employed in San Antonio, spent his vacation here with his family, returning to San Antonio Friday.  
 Mrs. J. W. Haynes left Thursday for Amarillo to visit with relatives and from there will go to Phoenix, Arizona, where she will visit with her son, Bud Haynes. She will also visit brothers in Needles, Arizona, and Los Angeles, California, while away until September.  
 Tommy Mansfield and Odell Caruthers entered the high school state championship rodeo in Halsettville last week. Mansfield went into the finals in the calf roping event.  
 Pvt. Willie Wolfe of Amarillo AFB spent several days here this week with his parents, Mr. and Mrs. Joe Wolfe.  
 Mr. and Mrs. C. S. Cash of Pumphville spent the week end in the home of her sister, Mrs. Alfred Bendele.

**Pay more? What for?**

Fifty Years Forward on the American Road

You don't have to pay costly-car prices for costly-car comforts. Ford brings you everything [and we mean everything] you've ever wanted in a car, at a price that's well within your reach! And according to recent surveys, a Ford returns more of its original cost when sold than any other car at any price!

**Here are a few of the "Worth More" advantages you'll find in the '53 Ford:**

- 1. A V-8 engine—powerful and smooth!**  
 Ford's famous high-compression V-8 is a leader in quiet, flexible, economical performance. Ford, remember, has built more V-8's than all other makers combined—over 13 million!
- 2. America's most economical Six engine!**  
 If it's a Six you want, Ford offers you the high-compression, low-friction Mileage Maker... the engine which, with optional Overdrive, won over all other cars in this year's Mobilgas Economy Run!
- 3. America's finest and most versatile automatic drive!**  
 Fordomatic Drive is the "automatic" which gives you both the get-up-and-go of automatic gears and the smoothness of a fluid torque converter.
- 4. Automatic gas savings!**  
 Ford's Automatic Power Pilot (on Six and V-8) meters just the right amount of gas, times ignition precisely, burns fuel evenly and completely.
- 5. America's newest and finest power steering!**  
 Ford's Master-Guide power steering gives you new ease, stability and safety in guiding your car on smooth roads or rough. Steering is up to 75% easier.
- 6. Largest choice of models in the low-price field!**  
 Ford alone gives you a choice of 18 different models... a SIX or V-8... Fordomatic, Conventional or Overdrive... the widest variety of body, color and upholstery combinations.
- 7. A body that's the style-setter!**  
 Only Ford in its field gives you the advantages of a hull-tight Crestmark Body... the trend-maker in design and beauty. Ford's body is the longest and Ford's trunk, the largest.
- 8. Now driving conveniences!**  
 Ford's first in its field with "Worth More" features like... easier-acting, suspended pedals that eliminate floor holes... foam rubber cushions on front and rear seats in all models... and convenient Center-Fill Fueling.
- 9. An automatically controlled ride!**  
 The wide front tread (widest in the low-price field) takes ride out of turns... gives you a more-level ride. With new "balanced suspension," new spring and shock absorber action and new rubber compression bumpers, road shock in the front end alone is reduced up to 80%.

**10. It's worth more when you sell it!**  
 An impartial survey of used car prices proved that Fords return a greater proportion of their original cost than any other cars in America.  
 But don't take our word for it. Stop in and Test Drive the Ford for yourself. We predict you'll be sold before you're in second! It was true last year and it's even truer this year; you can pay more, but you can't buy better than Ford.

WORTH MORE WHEN YOU BUY IT...

WORTH MORE WHEN YOU SELL IT...

**JEFF BANNER'S MOTHER DIES IN MASON**

Funeral services were held in Mason Saturday for Mrs. Laura Pearl Banner, 106, who died in that city Thursday, following a lengthy illness.  
 Survivors include two sons, Jeff Banner of Sanderson, Clayton Banner of Mason; three daughters, Mrs. W. E. Rowe of San Angelo; Mrs. Alice Otte Norris of Brady and Mrs. Georgia Starks of Mason.  
 Mr. Banner attended the funeral services for his mother. His father died in Sanderson in 1938.

**MRS. W. C. CARGILE AND MARY LOU RETURN HOME**

Mrs. W. C. Cargile and Mary Lou returned home Saturday from Sabinal where they visited her mother, Mrs. J. W. Lane, and Mary Lou attended the Church of Christ Singing Normal for two weeks.  
 Mr. and Mrs. Cargile and daughter had just returned from a trip to New Orleans, Galveston and to Houston where they visited their son, Lee Cargile, who is employed by an oil company. Mr. Cargile returned to Sanderson, leaving his family in Sabinal.

**MRS. A. C. GARNER'S FATHER DIES**

Mrs. A. C. Garner's father died at his home in LaGrange Sunday night following a long illness. Mr. and Mrs. Garner were at his bedside when death came.  
 Funeral services were held Tuesday afternoon.

**AMONG OUR SUBSCRIBERS**

Renewal subscriptions to The Times have come from W. R. Turner, James Kerr, L. A. Wright of Sanderson and Mrs. W. A. Cochran of San Antonio.

A daughter, Elvia, was born on Monday, May 29, to Mr. and Mrs. Jesus Ramirez, their seventh child. She weighed seven pounds.

There's only one answer...

**Chevrolet trucks must be the best buy!**

Fleet operators, farmers, independent truckers—truck users everywhere—buy more Chevrolets than any other make. There can be only one reason for that: Chevrolet trucks offer more of what you want.

As the official registration figures keep rolling in, they keep telling the same positive story about truck popularity and truck value: Again in 1953, for the twelfth straight production year, truck buyers show a clear-cut and decisive preference for Chevrolet trucks. If you're a truck user, this fact is mighty

important to you. Why? Well, as you know, trucks are built and bought for just one reason—to do a job. So isn't it logical then that since Chevrolet trucks outsell all others, they must do a better job at lower cost? That's why it will pay you to stop in and see us before you buy your next truck.

MORE CHEVROLET TRUCKS IN USE THAN ANY OTHER MAKE!

**Presbyterian Women Meet Monday In Sid Harkins Home**

The Presbyterian Women of the Church met in the ranch home of Mrs. Sid Harkins Monday afternoon.

Mrs. J. W. Byrd gave the opening prayer and presided during a short business session after the group had sung the hymn, "Stand Up for Jesus." Members were reminded of the Bible study to begin the first Wednesday in July. The class to meet each Wednesday afternoon during July at 4 o'clock in Fellowship Hall.

Mrs. C. C. Mitchell was leader of the program on "My Church—Fosters the Home." After the singing of the hymn, "Jesus Loves Me," Mrs. J. W. McKee led in prayer. Mrs. Mitchell led the discussion of the things that distinctly mark a Christian home after reading the sixth chapter of Deuteronomy.

After repeating the Lord's Prayer in unison, the members enjoyed a social hour.

Mrs. Harkins served sandwiches, potato chips, cookies and tea to Mesdames J. J. Harkins, C. C. Mitchell, Herman Couch, J. W. Byrd, J. W. McKee, N. M. Mitchell, H. A. Rock and E. J. Hanson.

**'51 Bridge Club Meets In E. J. Hanson Home**

Mrs. E. J. Hanson entertained the '51 Bridge Club and additional guests in her home Wednesday afternoon, decorating the living room in arrangements of lavender blossoms.

High score prize was presented to Mrs. W. W. Sudduth, second high to Mrs. Joe Kerr, Jr., low to Mrs. J. S. Nance.

The hostess served refreshments of fresh peach ice cream and cake to her guests including Mesdames J. S. Nance, F. M. Roark, W. R. Stumberg, Joe Kerr, Jr., Hugh Rose, J. W. Pate, Vic Littleton, S. L. Stumberg, M. F. Bader, Lee McCue, H. A. Finger, Austin Nance, James Caroline, W. W. Sudduth, A. J. Hahn and S. H. Underwood.

**Mrs. W. W. Sudduth Hostess Monday For W. S. C. S. Meet**

The Methodist Womans Society of Christian Service met Monday afternoon in Fellowship Hall for the monthly business and social meeting. Mrs. Irvin Robbins presided during the short business session which was opened with a prayer by Mrs. L. H. Gilbreath.

Mrs. H. E. Ezelle led the program on "Laying Foundations and Working With Youth." After the Bible lesson had been read by Mrs. Gilbreath, Mrs. M. W. Duncan and Mrs. W. F. Frazor discussed phases of the subject and several hymns were sung with Mrs. L. G. Hinkle providing the piano accompaniment.

Mrs. W. W. Sudduth was hostess for the social hour. Pomegranate blossoms in a white pottery vase centered the table which was covered in a linen cloth with gold pattern. Cake and punch were served by Mrs. Ezelle and Mrs. Robbins.

Those present were Mesdames Harry Newton, C. H. White, Ida Bodkin, Gene McSparran, Ed Robbins, W. T. Attaway, L. H. Gilbreath, M. W. Duncan, A. A. McCleskey, I. B. Rusk, Irvin Robbins, John Neal, L. G. Hinkle, Clyde Higgins, W. F. Frazor, H. E. Tzelle, and W. W. Sudduth.

**BAPTIST W. M. S. HAS BIBLE STUDY MONDAY**

Rev. Claude Bridges continued the Bible study for the Baptist W. M. S. when the group met Monday afternoon in the church.

Those present were Mesdames Maude Sullivan, A. D. Brown, O. D. Gray and Roy Bogusch.

Mrs. Johnnie Whistler of Del Rio is visiting here with her sister, Mrs. Ray Thompson, and family.

Mr. and Mrs. Roger Bassett, their sons, Gary and Mike, and twins, Bobby and Becky, of Shreveport, La., have returned to their home after a visit with relatives in Del Rio. The Bassetts are former Dryden residents.

**PERSONALS**

You are commanded to appear by filing a written answer to the Plaintiffs' Petition at or before 10 o'clock A. M. of the first Monday after the expiration of 42 days from the date of issuance of this Citation, the same being Monday the 27 day of July, 1953, at or before 10 o'clock A. M., before the Honorable District Court of Terrell County at the Court House in Sanderson, Texas. Said Plaintiffs' Petition was filed on the 30th day of April, 1953. The file number of said suit being No. 2150. The names of the parties in said suit are: Garnett Andrews, Jr., Trustee for himself and Mrs. Betty Andrews Waters, as Plaintiff, and the above named parties to whom this citation is addressed, as Defendants. The nature of said suit being substantially as follows, to-wit:

Plaintiffs allege ownership as set out in their petition of all of Survey No. 7, Block R-4 on the waters of the Rio Grande, about 53 1/2 miles south 26 degrees east from Fort Stockton, the same having been granted by said State of Texas to Joseph Livey on the 21st day of January, 1884, by virtue of land scrip No. 3890, issued to GC and SF RW CO, Sept. 28th, 1881, and by said R. W. Co. assigned to J. S. Daugherty, September 29, 1881, and by him transferred to said Joseph Livey Nov. 5th, 1883;

Beginning at a pile of stones the NW corner of Survey No. 5, Blk 154, and the SW corner of Survey No. 6, Block R-4, Certificate No. 3889, GC & SF R. W. Co. Thence North 1900 varas to a stake and mound;  
Thence West 1900 varas to a stake and mound;  
Thence South 1900 varas to a

**PERSONALS . . .**

**with Reddy on the job as my "automatic chef"**

You, too, can take a vacation from kitchen cares when Reddy Kilowatt does your cooking the automatic electric way. Just place an entire meal in your electric range-oven... set the automatic controls and you're off for a day of fun... shopping, visiting, catching up on the things you've wanted to do. While you're away, Reddy will turn the oven on, cook the food to perfection, have a hot meal ready for the table when you return. You'll cook electrically some day... why not now?

**COMMUNITY PUBLIC SERVICE**

It costs much less than you think to cook electrically. See the new electric ranges at your appliance dealer's or our office today!

**Cadillac**

**He's Driving His Cares Away!**

There's a great industrialist in Detroit, and a well-known scientist in New York, and a famous statesman in Washington who will tell you that the best way to relax from the cares of the day is to get behind the wheel of a 1953 Cadillac.

And there are also thousands upon thousands of other Cadillac owners throughout America who will gladly add supporting testimony to these revealing statements.

For these motorists know, from their own personal experience, that there is no faster or surer way to relax and refresh than to take to the highway with a smooth, comfortable, quiet Cadillac car.

It makes a man feel good just to sit behind the wheel. As he glances about his Cadillac's gracious interior, he's reminded that he has made something out of his years—and that, in itself, gives a lift to his spirits.

And then, once he's out on the highway—well, in no time at all, he's as happy and contented and trouble-free as it's possible for a motorist to be.

He is surrounded with comfort—and his driving is so relaxing and effortless and enjoyable that his mind clears, as the miles go by—and his heart grows gay and his outlook bright and hopeful.

He has literally driven his cares away!

You really ought to try it sometime. Come to think of it, you ought to try it today... after your day's work is done.

The car is waiting—and so are we.
