CHAMBER OF COMMERCE ORGANIZATION Turkey Shoot Set STARTED IN MEETING THURSDAY NIGHT

bers of the recently formed Travel posed by-laws and operating rules men have completed all plans for US 90 Association unit last Thursday night at the court house, it was decided by the members present to institute poceedings toward the organization of a Terrell County Chamber of Commerce.

The new organization, according to the plans outlined, will resume the highway activity under the guidance of a committee from the chamber, and will, at the same time carry on other projects which could only be carried out in chamber of commerce activities.

The meeting was called by Jimny Martin, chairman-delegate to the highway association. Various members expressed the desirability of having a chamber of commerce for this county in order that various projects for the communty might be better brought to a successful end. After a unanimous tote for the organization. Ray Hodgkins was named secr tary pro-tem to obtain necessary information for the completion of the organization. A by-laws committee, headed by Walter Downie.

business district of the town 1953 Hunting Rule:

Here is the general run-down on the big game season for 1953-

Black tail deer season will be from Nov. 20 to 25, both dates inclusive. Only one black tail with pronged horn per season.

Bear season, if you happen to ets have been brought to the find one, is the same as deer sea son. Bag limit, one bear.

A hunting license is required of everyone, regardless of age of county of residence. An exemption until there is an organized ef- license can be issued to any citi to bring these ideas to frui- zen under the age of 17 or any citizen who hunts on land on which he resides only. A license is re quired because they bear the deer it membership in this work. tags. It is a violation of the law to possess a deer carcass without a tag attached, or with all signs of sex removed.

Landowners or lessors wishing to take hunters for pay can purchase the shooting preserve license from the county clerk.

Open season on ducks and geese from November 6 to January 4. both dates inclusive. Exception: no open season on black-bellied tree ducks

Five ducks per day can be taken or 10 in possession. Geese and brant, 5 per day or in possesion, including not more than 2 Canada geese o r2 white fronted geese or one of each

Duck stamps can be purchased at the post office. A license will be needed to hunt outside county Catholics To View of residence, and residence hunt ing licenses are needed in som counties.

Mrs. H. E. Ezelle

The annual Christmas Seal Sale has, there should be others is planned to get under way next n. This country can do no week with the mailing of the seals M. Metzger, Bishop of El Paso g with the subversives if to Terrell County residents. The to continue as America, sale is sponsored by the Terrell County Tubercclosis and Health written, we think, when Association with Mrs. H. E. Ezelle statue of Our Lady of Fatima has

Lions Club Seeks Contributions For Kids' Christmas Party

Containers have been placed at ta Clause in his pre-Christmas visit to this area.

The date of the party has no been set as yet by the sponsoring ganization, but local Lions Club nembers will appreciate the support of all local citizens in helpng to pay for the annual party. The containers are slotted so

In past years apbour 600 bags of goodies have been distributed to local tots and an equally large crowd is anticipated this year.

r checks.

CONTRIBUTIONS SOUGHT TO TWO LOCAL PROJECTS

projects has gone out this week The Terrell County Tuberculosis and Health Association has been collecting materials for the new occupational therapy program re cently inaugurated in the Mc Knight Sanatorium. Anvone hav leave the articles at The Ker Mercantile Co. Articles requested include; embroider and crochet embroidery hoops, wool yarn, knit ting needles textile paints, clear nylon hose, wood burning sets needles, candlewick string, rib bons, felt pieces, sequins sma beads, reed, raffia, flower making sets mesh sacks patterns for em broidery or crafts, copper wire any tools or equipment for leatherwork wood craft or metal craft or any other discarded hobby ms terials or tools that anyone may have that are still usable.

The Legion Auxiliary has been colecting gifts for the veterans' Christmas shops, a yearly project to which the public has always given generous response in the past. Gifts are selected by the hospitalized veterans who do not have an opportunity to go to town to shop for their family. Each vetcran is permitted to select his gift free of charge from the genrous supply that is provided for the gift shops.

Gitfs are needed for members o immediate families of hospitalized veterans. They need not be wrapped and may be placed in boxes which are to be found at Spears-Duncan Drug Co. and a The Kerr Mercantile Co.

Local residents are requested to respond immediately to the plea for both projects in order that the sponsoring organizations may send their packages away. The rehabilitation program is already working and the Christmas gift shops are already open in the government hospitals.

Mrs. C. P. Finley, chief operator of the local telephone office, spent Monday and Tuesday in Marfa to attend a meeting of chief operators in this district.

Mrs. J. R. Blackwelder and her granddaughter, Sharon Ann Hill visited in Fort Stockton last week Mr. and Mrs. Weldon Blackwelder. D. Gray and James Word,

The Terrell County Drouth application through the local PMA

Briefly, the program will work as follows:

1. Ranchmen desiring hay will file application with the PMA of-

2. The application will be considered by the feed committee at its first meeting following the application, and approved if the application meets all the eligibility requirements.

3. If the hay is reecived, the ancher will then pay the dealer or the hav only. The dealer will freight charges from the Texas Department of Agriculture. If the will then pay for the hay and ap-The State Department of Agriculture will pay one-half of the freight based on the railroad rates from the nearest shipping point where the hav was received, to the shipping point nearest the destin-

ation of the hay. Hay as defined by the State Department of Agriculture, is any hay or roughage suitable for livestock feed. This includes all hav and bundle feed. At the present time cottonseed hulls and dehydrated alfalfa cubes are not considered as hay or roughage,

A dealer is anyone that sells hay or roughage suitable for livestock feed and he should understand all rules and regulations set out by the Texas Department of Agriculture.

Ranchmen are limited to a 60day supply of hay, bounds of hay per sheep or goat, per day, and 10 pounds of hay per cow per day.

The only function of the PMA office in the hay program is to process a rancher's application and to issue him a certificate to purchase hav when his application is approved. It will collect no money or be responsible in any way for the quality or delivery of the hav. Any new directives or changes that may occur on the hay program will appear in this paper. If further information is desired, it may be obtained through the local PMA office.

Funeral Services In Marathon For Mrs. Thos. L. Page

Funeral services were held in Marathon Sunday afternoon for Mrs. Thomas Lee Page, 47, who died in a Del Rio hospital Thursday after a short illness. Mr. and Mrs. Page moved from Langtry to Del Rio six weeks ago. He is emloyed by the T&NO Railroad.

Mrs. Page, formerly Elsie Franes Chandler, is a former Terrell County resident and well known

with BETTER LIGHT for home study

If your child is falling behind in his homework and failing to get good grades, it may be because of tired eyes, caused by poor lighting.

Help him make better grades with better light at his study table. Arrange two pin-up lamps with 100-watt inside frosted bulbs as shown. Or get a good table study lamp with a 150-watt bulb and a diffusing bowl to soften the light and prevent glare.

Either way, you'll be giving your child abundant eye-easy light to protect his eyes from strain and make his homework easier.

Your liet ing equipment dealer or our office will gladly help the proper light for home study. See about it today!

Voice Travels 3 Miles for a Penny

AUCH DOES YOUR TELEPHONE SERVICE actually ecently we asked a group of telephone customers to inswer that question by keeping a record of all the acy made and received for a week. One of the group. Felicia Littlejohn, made and received 58 local calls. timates that they covered a total of 345 miles. The according to Mrs. Littlejohn's figures - about three for a penny. "That's a real bargain," she added. WESTERN BELL A TEAM OF 28,000 TEXAS TELEPHONE AT YOUR SERVICE.

NOW IS THE TIME to Drive the car Check the price-Compare the deal

If you want the most for your money, Pontiac is the car to buy. You can prove it in one ride.

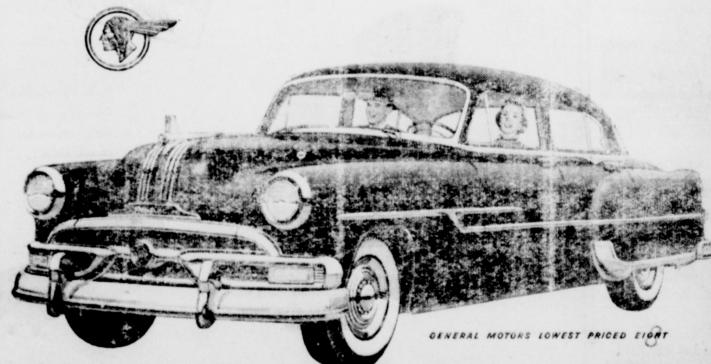

Pontiac's smooth, whisper-soft flow of power, quick response and flexibility guarantee a heart-warming experience-truly great performance delivered with a thriftiness and reliability that means dollars in your pocket.

This fine car action is combined with fine car comfort and luxury. It is a rich feeling just to sit in a Pontiac.

Yet the price is only a few dollars above the lowest! The difference is even smaller when you consider resale value. An independent research study reveals that Pontiac retains much more of its new car value than any other car in its price class.

Come in while your car is at its peak worth. Get the clinching proof that deal for deal you can't beat a Pontiac.
