LISTEN TO LUKE

Next week all Terrell County citizens will have their doors open to visitors from far and near. It will be a gala occasion.

There is joy in meeting old friends of other days. We will see groups get together for the first time in many years. Many friendships will be renewed after years of separation have dimmed some of the memories that were precious.

We will pay tribute to those who came first to blaze the trail for the present generation so that we may live in comfort in the greatest land on earth. That is as it should be. Those who pioneered the country came here seeking something that was only in their dreams at the time. They knew full well that there would be times of discouragement, times of disappointment, yes there would also be sorrows almost beyond human endurance. Many of those brave people prospered; many built up a start in life for their children.

But... listen, that only began the history of what is now Terrell County. The prosperity and life of Terrell County is now in our hands. The future — success or failure — depends on how we who are here now are able to carry on. We cannot live on and prosper by the history of those who cut the path for us.

A reasonably accurate history of the county has been compiled and will be published in next week's edition of The Times. This history, we know, is not complete, and possibly inaccurate in some places. But with the assistance of the best authority we could get, it was made as nearly accurate as possible.

All those who had a part in the building of this area are due proper credit. I'm sure that there were some in the early life of the county, as today, who would "ride the" and let the other fellow carry the load. We have present day problems in civic endeavor which will be history some day. There are some who "live" here and will not be remembered as "old timers" in the years ahead, but they have little or no interest in the welfare of the community they live in or no time to the efforts in promoting prosperity and growth in Terrell County. They are just "blowing a ride" on down the road, and many times criticizing the efforts of the driver.

Sander, as the county seat, has always had the cooperation of citizens in any promotion moves which would benefit the entire county. The two towns have common interests in the betterment of highways and industries. We are

Mrs. W. H. Savage with TSCW Class Traveling Workshop

Denton — Students of the Traveling English Workshop at Texas State College for Women will visit Mrs. W. H. Savage and her family in Sanderson on August 19. Among those on the trip are Mrs. W. H. Savage and her family.

The tour includes the old South and the East. The students will visit Itechee, Miss.; Mississippi Delta Country; Lookout Mountain, Ashville; Williamsport; the Grand, Mt. Vernon, Washington, D. C.; Gettysburg and Valley Forge; Philadelphia; New York; Boston; New England Coastal Drive; Niagara Falls; Stratford, Ont.; Chicago; the Salem; and Hannibal, Mo.

The group will visit among other things, the home of poet Thomas Wolfe; U. S. Capitol; Betts Home; Edgar Allan Poe's home; the United Nations Building; Rockefeller Center; the home of Washington Irving; Paul Revere; Henry Wadsworth Longfellow; Louisa May Alcott; and the home of Seven Gables.

R. G. Stegall Dies Early Wednesday, Funeral Thursday

Funeral services were held Thursday afternoon at 5 o'clock in the First Methodist Church for Robert Graefing (Bob) Stegall who died at his home here early Wednesday morning.

Rev. J. J. Spurlin, pastor of the Methodist Church and Rev. John W. Byrd, pastor of the First Presbyterian Church conducted the funeral services and burial was in Cedar Grove Cemetery. The James-Magill Funeral Home was in charge of the arrangements.

Mr. Stegall was born in El Paso on September 3, 1910. He was the son of Mr. and Mrs. Edward Stegall, who were long-time residents of Valentine when his father was roundhouse foreman there for many years.

He was married to Miss Virginia Jones of Marathon on July 9, 1933, and they resided in Valentine until coming to Sanderson nine years ago. He was a T&NO engineer.

Death came suddenly to Mr. Stegall about 5 a. m. Wednesday, although he had been under the treatment of physicians for some time. He was preparing to return to Houston for a medical check-up.

Besides the widow, he is survived by a son, Charles Stegall, of Sanderson; an aunt, Miss Mamie Stegall of Chattanooga, Tenn., and several cousins.

LAST CALL

Any person wishing an extra copy of The Times next week is asked to place their order now so that a copy can be saved for them.

All copies not going to subscribers through the mail will be sold for 10 cents each.

Your order now will hold an issue of Terrell County's 50th Anniversary issue.

FIRE WEDNESDAY DOES LITTLE DAMAGE

Sander, volunteer firemen were called out Wednesday afternoon about 6:15 to extinguish a blaze in Herman Paul's home. A refrigerator motor had caught fire and the blaze was confined to the bottom of the unit with little damage to the rest of the house.

Mr. Paul was not at home when the motor caught fire and Austin Nance, who lives nearby, had the blaze under control when the firemen arrived.

MRS. TROY DRUSE RESIGNS FROM CPS

Thursday, June 30, marked the last day of Mrs. Troy Druse's employment with the Community Public Service Company as bookkeeper-cashier, a place which she has held for the most part of 15 years. While Mr. Druse was stationed in San Antonio during the war, she took a year's leave of absence and also a six months' leave at the time of the birth of their son, Dusty.

Mrs. M. L. Butler went to work in June to train for the position after Mrs. Druse's resignation.

WERNEKING UNDERGOES OPERATION THURSDAY

Carl Werneking underwent an operation for the removal of a gall stone in a Houston hospital last Thursday.

Mrs. Werneking and children returned from Houston Sunday and reported him as doing well after the operation.

He had gone to the hospital for a physical check-up and his condition proved to require immediate surgery, Mrs. Werneking said.

Mr. and Mrs. Austin Nance spent the week-end in Marfa with her sister, Mrs. E. W. DeVolin and family. Miss Vannah Jo Nance who had visited there for several weeks, returned home with them.

Anyone having any old relic or antique that may be used in the American Heritage display by the Culture Club in the exhibits next Saturday is asked to bring them to the high school building on Friday, July 15, between 9 and 12 a. m. Someone will be there to accept and catalogue the articles.

Any household article or furnishings, clothing, anything that was used at the turn of the century—all will be accepted and their use will be appreciated.

Mrs. J. W. Byrd, Culture Club president

Producers To Vote Wool, Lamb Issue

F. M. Wood, office manager for the Terrell County Agricultural Stabilization and Conservation Committee, said June 22 that all Terrell County wool growers will have an opportunity to vote in a referendum to decide whether or not deductions will be made from wool payments to provide a means of financing the wool marketing development program.

In the referendum wool growers will have an opportunity to vote for or against putting into effect an agreement recently made between the Secretary of Agriculture and the American Sheep Producers' council under Section 708 of the National Wool Act of 1954.

The agreement provides for deductions from wool incentive and lamb and yearling sheep (pulled wool compensating) payments made to producers under the National Wool Act of 1954. These deductions will provide for advertising, and other promotional activities to enlarge and improve the market for wool and lambs. Before the agreement can be put into effect, producers owning at least two-thirds of the sheep and lambs represented by those voting in the referendum must vote their approval.

Producers who have owned sheep 6 months of age or older for at least 30 days since January 1, 1955, will be eligible to vote. Volume of production will be based on the number of sheep 6 months of age or older owned for at least 30 days since the January 1 date. The number of sheep will be noted on the ballot.

If the referendum is approved, deduction from payments of the 1955 incentive program to be made in the summer of 1956 will be 30 cent per pound from wool payments and at the rate of 5 cents per one hundred pounds liveweight from lamb and yearling payments.

The Terrell County ASC of 1954 will mail ballots to all known wool producers in the county and Wood assures any producer who does not receive a ballot that he can get one by writing to or calling at the ASC office.

All ballots must be returned to the ASC office not later than Aug. 19. Since the results of the referendum will be based on the number of sheep represented by the growers, the outcome of the referendum will not be available until about September 1.

BIRTHS

A son was born in Midland Sunday afternoon to Mr. and Mrs. C. E. Harkins, former Sanderson residents. The Harkins have three other boys and a daughter.

A son, weighing seven and one-half pounds was born in an El Paso hospital Friday morning, July 1, to Major and Mrs. Lee Jensen, their first child. Mrs. Jensen is the former Miss Roberta Loehausen. Mrs. J. H. Loehausen is in El Paso with her daughter and new grandson.

BRIDGE ON US285 AT BIG CANYON IS APPROVED

The construction of a bridge and approaches on U. S. Highway 285 about 25 miles north of Sanderson was approved Friday by the State Highway Commission.

The construction will eliminate future flood damages at that point which has been the location of a severe wash-out caused by recent rains in that area. Each of the wash-outs has caused a halt of travel over the Sanderson-Fort Stockton road until the detour could be repaired by local maintenance crews.

The draw is designated by the Highway Department as one of the Big Canyon draws, but local designation is Clett Draw.

The highway was paved in 1945 but the draw was not bridged at that time because of the lack of funds.

The structure which is planned will be just beyond the turn-off to the Web Townsend ranch and Pecos County.

Present plans are for a bridge approximately 400 feet long and 10 feet high from the bottom of the draw.

O. T. SUDDUTH SELLS BUSINESS TO JANES-MAGILL

O. T. Sudduth announced Tuesday of this week that he had sold his business, O. T. Sudduth, Inc., to Lawrence "Bud" Janes and Mrs. Winnie Magill. The sale was effective July 5.

Sudduth stated that his entire business, furniture store, funeral home and coaches went to the new owners in the deal.

The business will be known as Janes-Magill.

Mr. Janes and Mrs. Magill stated that they would continue the business as in the past with approximately the same lines of merchandise, and that their efforts at all times would be to please their customers with efficient and courteous service.

Sudduth stated that he was confident of the manner in which the new owners would operate the business and of their ability to give satisfactory service in all phases of the business.

Mrs. Magill has worked in the store for several months and Mr. Janes has been operating a ranch in the central part of the county. He is moving his family to the G. K. Mitchell home for the rest of the summer.

Sudduth is a former editor and publisher of The Sanderson Times. He bought out Joe Oberkamp's butane, appliance and funeral home, changing the name to O. T. Sudduth, Inc., later selling the butane and part of the appliance line to Roger Rose, adding a line of furniture to his business.

He stated that he planned to help the new owners of the business for several weeks, then take a vacation.

Pecos Encampment To Open Friday

The twelfth annual Pecos River Encampment sponsored by the Church of Christ will open on Friday, July 8, and close on Sunday, July 17. The encampment is six miles north of Sheffield.

Walter A. Brown of Robstown will be the visiting evangelist during the encampment with Holland L. Boring, Sr., of Portland, Oregon, directing the singing. Several local families camp at the place for the entire period and others go by for short visits and worship periods.

There are Bible classes for all ages and preaching services twice daily. Meals are served on the grounds.

C. P. Finley, who is employed in Pecos, spent the week-end here with Mrs. Finley.

Maximum Benefits Of Incentive Plan From Best Prices

With wool marketing just past its peak in Terrell County, Chm. Tol Murrah of the County Agricultural Stabilization and Conservation Committee reminds wool growers that if they are to get maximum benefits under the new wool incentive program, they must sell their 1955 wool for the best possible price.

Payments to individual producers, he explains, will be a fixed percentage of the net return from their sales of the 1955-clip wool. The percentage-rate-of-payment will be the percentage needed to bring the average price all growers receive for their 1955 wool up to the incentive price of 62 cents per pound. Because the same percentage rate is applied to what each grower gets for his wool, the higher the return from the sale of wool, the larger the payment to the individual grower.

The incentive price of 62 cents per pound for the 1955-clip is nearly 1 1/2 percent above the average support price of 53.2 cents per pound for the 1954-clip. This means that through a combination of the sales returns and wool incentive payments to be made next summer, the average producer should receive more for his clip this year than last.

Murrah explains that for the first time in several years, wool is being sold on the open market without specific government support prices for the different grades and classes of wool. While this transition to a free market is causing some problems, it is believed that demand for wool goods should be good in view of the present level of the nation's economy. Because of this, wool marketing specialists urge producers to follow orderly marketing practices and to get the best possible price for their wool.

Rev. M. Murillo New Pastor of Local Latin-American Group

Rev. and Mrs. Martin Murillo arrived in Sanderson last week for him to assume the pastorate of the Latin-American Methodist Church. He was appointed to this charge at the annual meeting of the Rio Grande Conference in Austin in June.

Rev. Murillo has been active in evangelistic work in the Methodist Church and this is the first pastorate he has held in several years. He and Mrs. Murillo are attending Pastors' School in Kerrville this week.

The Murillos have five married sons in Socorro, N. M., and that area and visited with them before coming to Sanderson.

Rev. Ramon Navarro, with his wife and four children have located in Van Horn where he was assigned as pastor at the annual conference in Austin. He had served the local church for two years. Natives of Cuba, they had been in the Rio Grande Conference for a year before coming to Sanderson. During the last few weeks of his pastorate here, extensive repairs were made to the church building. A bell tower and steeple were erected and new red brick corners were added after the building and roof had been painted. Mrs. H. C. Goldwire donated paint for the job and much of the work was done by volunteer labor from the church as well as by men of the First Methodist Church.

Assisting Rev. Navarro and his son, David, in the work were Rev. J. J. Spurlin, Ben Causey, Jose Maldonado, Sr., Fernando Lozano, Neal Hufford, W. S. Forth, and others who volunteered their help in both the construction and painting.

Plans Completed for Full Day Here on Anniversary July 16

Sanderson is a beehive of activity this week as preparations go forward for the county's birthday celebration which is only a week off. Final details have been worked out by the central planning committee from the Chamber of Commerce headed by Dudley Harrison and the details are now in the hands of committees who are making the most use of the time left to whip their projects into shape for the visitors' pleasure and enjoyment.

A registration booth will be provided in the area adjacent to the high school building and the

Funeral Sunday For Juan Zepeda, Sr.

Funeral services were held in the local Latin-American Methodist Church Sunday afternoon for Juan Zepeda, Sr., 80, a long-time resident of Sanderson, who died in a Fort Stockton hospital early Saturday morning after being hospitalized for twelve days. Burial was made in Santa Rita Cemetery.

Rev. Munoz, pastor of the Fort Stockton Latin-American Methodist Church officiated for the funeral rites.

Zepeda was born in Coahuila, Mexico, on January 6, 1875, and came to Sanderson at the end of the century to work on a section gang. He later brought his bride here from Mexico and she preceded him in death six years ago. He was a ranch laborer in this area for many years until his age forced his retirement.

On May 20, with two other members of the board of stewards of the Latin-American Church, special services of recognition were held for them as founders of the church and members of the board of stewards for over 50 years.

Survivors include eleven children: Santiago Zepeda, Mrs. Frank Arredondo, Juan Zepeda, Jr., Mrs. Pres Escamilla, and Mrs. Gus Flores of Sanderson; Pedro Zepeda of Pecos, Mrs. Jose Garcia and Sam Zepeda of San Antonio; Mrs. Cruz Marquez of Fort Stockton; Mrs. Ross Long of England; David Zepeda of California; thirty-two grandchildren; three great-grandchildren. Two children, Roman Zepeda and Mrs. Miguel Garcia, preceded him in death.

Jack Riggs Subs For Jim Bob Altizer In Mansfield Match

Jack Riggs lost a matched calf roping to Toots Mansfield by only 3 seconds on his nine calves at the Pecos Rodeo last week. Jim Bob Altizer had been matched against Mansfield for the events, but was injured the first night of the show when his horse fell with him and Riggs was asked to substitute in the match.

Altizer's time was 78.9 on his three calves and Mansfield's was 69.5 for the first three.

Riggs time on his nine calves was 216.6 to 222.8 for Mansfield on the last nine.

M. E. Sullivan Dies in Dallas

Funeral services were held in Dallas Tuesday for Martin Edward Sullivan, 56, and burial was made in that city. He had resided in Sanderson until 1949.

Mr. Sullivan died in his sleep Saturday in that city where he was employed, the victim of a heart attack.

He is survived by his widow, Mrs. Peggy Sullivan, and two sons, Miles and Stanley of Sanderson; a daughter, Mrs. D. B. Phillips of Greenville, Mississippi; a brother, G. C. Sullivan of El Paso.

gymnasium where members of the Ranch Club will register the visitors, pin a badge on them, and provide them with a schedule of the exhibits and events of the day. The registration will begin at 9:00 a. m. Saturday.

The exhibits which are being arranged in the library and rooms on the main floor of the high school building will be open from 9:00 a. m. to 7 p. m. and also during the noon hour but will not be open during the parade. The members of the Sanderson Culture Club will monitor all of the exhibits but each club is responsible for the arrangement of the display assigned to them and is also expected to have someone with the exhibit at all times.

The parade will form at the power plant and start moving at 10:30. Colors carried by mounted horsemen and cars carrying county officials will lead the parade which will include several floats and mounted units.

The barbecue will be served by the American Legion and V.F.W., beginning at noon at the courthouse.

At 1:30, a reunion of former students of the Sanderson schools will be held in the high school auditorium with places for the different classes indicated on posters in the auditorium.

A ball game and roping events are scheduled for the afternoon, the ball game at 3:00 and the roping to begin at 2:30.

Saturday night there will be two dances, one in the V.F.W. Hall and sponsored by that organization, and the other on the school ground and sponsored by the American Legion. The Vasquez orchestra of Monahans will play for the V.F.W.-sponsored dance and Jimmy Fletcher and his Drifting Ranch Hands of El Paso, will furnish music for the Legion-sponsored dance.

The decorations for the stores and streets will be put up Saturday. Joe Little is chairman of that committee.

The welcome mat is out and everything seems in readiness for the 50th birthday celebration. Everything that could be thought of by the local committee to add to the enjoyment of the visitors, has been undertaken and accomplished.

Two days of roping events are planned for the week-end of the birthday celebration, according to plans announced this week by Mrs. Jack Riggs, secretary of the organization.

The roping on Saturday will begin at 2:30 and the one on Sunday at 1:30 p. m.

There will be a jackpot roping for junior boys, also barrel races for boys and girls under 12. Jackpot roping, ribbon roping and barrel races will make up the program for the two separate days of events.

Boys and girls of the county are urged to ride horseback in the parade if they have access to a mount. Bicycle owners are being asked to decorate their bicycles and ride in the parade, also. A prize will be given to the best entry in all of the divisions, including bicycle and horse riders and participation in these as well as all other entries of the parade is being solicited.

AN AMERICAN CONCEPT

One of the basic concepts that shaped the formation of our American government was that individual initiative, when free to seek its opportunities, would generate a great progressive force. And it has. The progress of our nation, when compared with other nations, proves the soundness of this concept. Yet there are many citizens who do not clearly understand the basic governmental concepts which have given Americans the highest living standards in the world. This lack of understanding is not good for our country.

In China and other areas of Asia I spent 10 years examining the causes of their great poverty. Ninety per cent of the people were barely existing, each living for a month on what an American could buy for one dollar. Yet China has vast resources in soils and minerals and forests. What was the holdback? In brief, here was the trouble: The people were afraid to venture because of the lack of adequate and equitable laws, equitably enforced. Let me illustrate.

Raidity Everywhere

A group of Chinese wanted to open a coal mine. They had capital and workers were plentiful. The coal deposit was unlimited. And the market was there. The only question was, "Would it be advisable?" One of the group said, "Well, you know the group of people down the river. They have quite a few soldiers. If we got the coal mine producing they'd come and take it away from us." Another of the group said, "Yes, and the Governor is in league with that group." They had to forget the idea of opening a coal mine. Their governmental structure provided no protection.

Another example: A town in the China inland installed an electric light plant. An envious group in another town, burning peanut-oil candles, overpowered the authorities and took away the electric plant. But they couldn't carry some of the heavy pieces on their shoulders, so when they put the plant together it wouldn't operate. They were consoled anyway: they still had no electric lights, but neither did the other town. Individual initiative throughout the population is not possible, for want of equitable laws, equitably enforced.

England's Socialism

I've had the opportunity twice to study conditions in England first-hand. From 1945 to 1951 the Socialist-Labor Party operated the government. The government took over ownership of the major industries — the coal mines, the transportation systems, the utilities, the iron and steel industries, and so forth. The government also took over control, ultimately, of employment, and enterprise. No one could obtain work or change jobs, build a chicken house or go

all working for the good of all. We have found that to be friendly and affable and show an interest in the visitors who come our way, we make new friends who feel welcome and show a desire to come our way again. For the past few weeks, after most of this country was blessed with good rains, we have enjoyed pleasant — if not cold — nights. This is the topic of conversation heard next morning by early morning coffee drinkers as the traveling visitors chat about the lovely cool night spent here. Many of those people will be coming our way again. They will tell others and we will do well to go out of our way to welcome any strangers coming this way.

If you want to be remembered in 2005 when the next celebration probably is held here, we would suggest that you contribute some of your efforts and time and money to the things which will cause Sanderson and Terrell County to prosper and grow.

No community can endure and prosper on the history of the past. It must awaken to new responsibilities of citizenship and plod in new fields of pioneering as new problems arise. Pioneers of yesterday did their part and did it well. You and I are the pioneers of tomorrow. What will we leave?

INTERESTING FACTS ABOUT TEXAS

MOUNTAINS OF SULPHUR

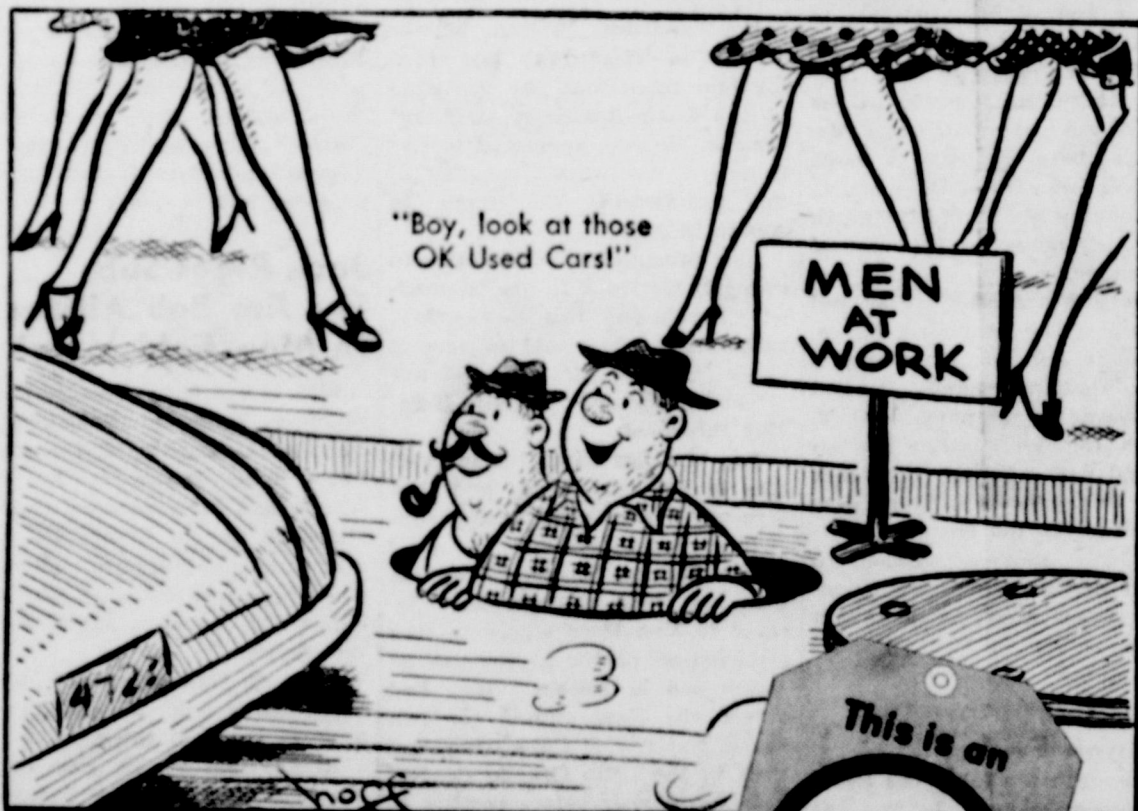

Sulphur occurs in Texas at the tops of the salt domes that are found under the Coastal Plain. The first sulphur deposit in Texas was discovered in 1901. The discoverer was Captain A. F. Lucas, who also discovered Spindletop, the first great oilfield in Texas. Sulphur production from a new source began early in 1931, when an oil company produced 1,108 tons from sour gas. Four-fifths of the world's sulphur comes from the Texas coastal area.

Mrs. L. G. Hinkle Hostess Tuesday for Ranch Club

The Ranch Home Demonstration Club met in the ranch home of Mrs. L. G. Hinkle Tuesday morning with Mrs. Don Allen as co-hostess.

After cold lemonade had been served, nine members answered the call. Mrs. Hinkle gave the report of the recent Pecos County Council meeting in Fort Stockton. Plans were completed for the float parade. Chairmen for the parade were Mrs. James Carroll, general chairman, and Mrs. E. F. Pierson, chairman of hostesses and Mrs. J. W. Byrd, chairman of clerks.

Recreation time was spent in looking pictures of the group. Miss Vera Thormann, demonstration agent, gave a very informative discussion on becoming a model. She discussed the importance of choosing costumes, accessories, and the care and storage of accessories. Plans were made for the annual picnic on August 2. Ice cream and cookies were served before adjournment.

A beautiful arrangement of desert spoons in a black vase and balliards in a large gourd provided interesting decorations in the living room.

Members present were Meses J. Garner, James Caroline, J. W. Byrd, E. H. Jessup, E. B. Holland, M. Mitchell, E. F. Pierson, Lee Briggs and guests, Mrs. Jessie Garner and Miss Barbara Garner of Water Valley, Mrs. Leola Hill of Fort Stockton, and Mrs. Clyde Aggins.

Mr. and Mrs. Vic Littleton and children were Del Rio visitors last week.

Twin Pipes that play sweet music!

Chevrolet's "Super Turbo-Fire V8" with 180 hp.

You can spot this one by the twin tailpipes. No matter what you drive, you're going to see twin-exhaust Chevrolets pulling away—in traffic, on the toughest hills, on the long straightaways.

Unless you have a "Super Turbo-Fire V8" of your own. And then you'll know what it's like to pilot the car that sets the pace for everything else—and doesn't pause to read the price tags!

What makes the Super seat? Chevrolet's superb valve-in-head V8, with the shortest stroke in the industry, the most power per pound, and the only 12-volt electrical system in its field—all this plus a four-barrel carburetor and free-breathing twin exhausts.

Want to sample this silk-lined cyclone? Just give us a call, any day this week, and we'll be proud to show you just how hot a V8 can be.

*Optional at extra cost.
†Station wagon models have single exhaust pipes.

JAMES WORD MOTORS

An Announcement To Our Friends . . .

It is with a tinge of regret that we announce the sale of the business known as O. T. Sudduth, Inc., to Mr. Lawrence Janes and Mrs. Winnie Magill Lacy. Regret that we will not be able to make homemakers happy by supplying them with new home furnishings, and all the new and modern home appliances which go to lighten the duties of the housewife and making better living for the husband. Regret because we will not be able to be of as much service to our friends in their sorrows, as we hope we have been during the past years.

Yet, it is with pride also that we make the announcement. A pride derived from the fact that people still have faith and believe in the future of Sanderson to the extent that they will put their money and their efforts into a new business so far as they are concerned. A pride in knowing that they have faith in themselves — that they believe with their efforts they can make of Sanderson, and Terrell County, a good and prosperous place in which to live and thrive.

We want to express to each and every one of our friends and our customers our sincere thanks for the patronage with which you have seen fit to favor us, and we hope with all our heart that you, as well as all other residents of this section, will continue to give the same support to the new owners. We know that to do so will be to your advantage, and we also know that they will well deserve such support by the gracious and prompt manner in which you will be rendered service when you call upon them.

THE O. T. SUDDUTHS

Announcing New Ownership . . .

We wish to announce that we have purchased the furniture and appliance business known as O. T. Sudduth, Inc., and assumed management on July 5th, and we wish to extend to former customers of the firm a cordial invitation to continue their patronage. We also extend to individuals who have not taken advantage of the many bargains offered by Mr. Sudduth, to come by for a visit to see what we have in our store.

It will be our desire to render prompt, courteous, and efficient service whenever you call upon us, and we will strive to keep at all times, adequate merchandise that is of good quality and fairly priced for your inspection. We fully realize that to prosper a business firm must keep alive to the needs and desires of its customers . . . We realize that when a customer walks into our store for service he is granting us the privilege of serving him. We sincerely hope that you will give us opportunity to prove our willingness and show our appreciation in being of service to you and your family.

We have many of the top lines of merchandise, including Maytag appliances of all kinds, Philco appliances and radios, Zenith radios, RCA radios, Coleman heating and cooling units, James dish washers and many others which will mean better living for your family. We invite you to stop by and visit with us at any time . . . We'll be glad to see you . . .
