SANDERSON, TEXAS, FRIDAY, AUGUST 16, 1957

NUMBER 27

Brown-Bassel Conditioning Hole

The Magnolia Brown-Bassel No. 1 has been reported to be conditioning the hole at the depth of 12,407, bottom of the hole where the gas blew out of the hole some three weeks ago.

Unofficial and unfounded rumors are that the tools have been stuck in the hole since the blow-out and that drillers have been working trying to unscrew the toolsh for further operations. All but about 600 feet of the drillstem was recovered this week and operator put 200 sacks of cement into the hole to contain the gas while repairs were made to the casing and emergency at the top of the hole.

There has been no report available this week on the progress of the Chandler's El Paso Natural Gas well.

Legion, Auxiliary Joint Installation After Banquet

New officers were installed for the Clarence Hallie Mulkey Post of the American Legion and Auxiliary last Friday evening. Bill Lowry, Odessa, 16th District Commander, was the installing officer for the Legion, and Mrs. M. L. Hopson of Alpine, for the Auxiliary. Mrs. Hopson is president of the Alpine Auxiliary.

Monte Goode will head the Legion as commander; Lawrence Janes, vice-commander; Ross Stavley, adjutant; W. E. Lea, Jr., sergeant-at-arms; Troy W. Druse, finance officer. Mrs. Winnie Magill was installed for her second term as president of the auxiliary; Mrs. Jack Turner as vice-president; Mrs. M. W. Duncan, secretary-treasurer; Mrs. L. H. Gilbreath, chaplain; Mrs. S. L. Stumberg, historian.

The installation followed a banquet for the members of the two organizations, their families and several guests including three out-of-town guests, M. L. Hopson, Mrs. Elvie Williams and Mrs. Onah Brown of Alpine.

The banquet was served at 8 o'clock in the Legion Hall. On the menu were chilled tomato juice, combination salad, baked ham, green beans, candied yams, hot rolls, iced tea, and sherbet.

Arrangements of queen's wreath and snow on the mountain were on the mantel and the speaker's table.

Ross Stavley was master of ceremonies. The invocation was given by L. H. Gilbreath. Tommy Werneck, who attended Boys' State in Austin as a delegate from the Legion, reported on the meeting. Miss Diana Duke, delegate from the local Auxiliary to Girls' State, also gave a report of that meeting and then of the meeting of Girls' Nation in Washington, D. C., where she was a delegate from Texas.

Pictures and mementos of their trip were displayed after the meeting by both delegates.

ROGER ROSE INJURED IN CAR ACCIDENT

Roger Rose received a broken leg in a car accident Monday night about 10:30. The leg was broken in two places between the knee and hip, according to reports from the family.

Rose was returning from Del Rio and fell asleep while driving by himself. The car overturned 20 miles east of Dryden and was demolished. Rose was brought to Del Rio by ambulance and a physician and ambulance readied. He was brought on to Sanderson by Sam Bell, Jr., and, after receiving temporary treatment, was taken to a Fort Stockton hospital. Orthopedic surgery is planned for today.

Judge Ruel Walker Visits Sanderson

Judge Ruel Walker

Judge Ruel Walker, who has just completed his third year on the Supreme Court of Texas, was a visitor in Sanderson the first of the week. He was accompanied here by Maurice Bullock, a Fort Stockton attorney.

Judge Walker is touring this part of Texas while vacationing and went from here to Marfa before returning to Austin.

Schools Readied For Use Sept. 2

Work started this week readying the school grounds for use after school starts September 3.

Playground equipment was repaired and painted, and new see-saws were built to replace broken or worn and splintered boards. Weeds and trash clearing were started also on the school grounds as well as the bar ditches surrounding school property.

Crossing lanes at the intersections around the school block and between the band hall and school grounds were marked off and painted early in the summer.

All of the buildings' interiors have been repaired and, where necessary, refinished, with completion of interior repairs making the buildings now ready for occupancy of the pupils of the county.

Final straightening-up of the furnishings and equipment is under way this week and next so that everything will be neat and clean for the school opening.

Besides the improvements and repairs noted above, Supt. Bader reported the following:

Repainting of the exterior woodwork at the Lamar Ward School and all of the interior, including the blackboards; repainting of exterior wood at the band hall, bus garage and superintendent's house; painting of several rooms in the elementary building and high school; alteration of dressing rooms in the gymnasium to separate dressing facilities for P.E. classes from other athletic groups; lowering and repainting of see-saws at the Lamar School; addition of shelves in high school principal's office; and varnishing all floors in all of the buildings.

Bader, stated that changes in basketball rules necessitated the deletion of some of the lines on the gymnasium floor and these change were made, and the gym floor re-varnished.

RIGGINS SELLS BUSINESS IN FORT STOCKTON

Announcement was made last week of the change in ownership of the Riggins Jewel Box in Fort Stockton.

Delton Yarborough of Fort Stockton purchased the business from C. G. Riggins of Sanderson, who has operated the store there for the past two years. The business will now be called Yarborough's Jewel Box.

Mr. Riggins will now devote all of his time and interests to the local jewelry store.

Five Vacancies Filled On Faculty

Supt. Matt Bader reported this week that five vacancies had been filled on the local faculty.

Two vacancies remain, according to Bader.

Phillip Shafer has been hired as band instructor. He is a native of San Benito, North Texas State College graduate with one and one-half years experience as assistant band director and choral director. He has just finished two years of military service and is single.

Y. F. Boley of Lubbock has been hired as elementary school principal. Boley is a native of Lubbock and a graduate of Howard-Payne College. Boley has had no previous experience as a principal, but has been a teacher for four years. Boley will coach girls' basketball. He is married and has five children, one in the first grade; two in the second grade and two pre-school children.

Miss Ella Mae Stafford of Lampasas has been contracted to teach homemaking in the high school. She is a graduate of North Texas State College and has had several years' experience teaching homemaking.

Donald Phillips of Wichita Falls will be the social studies teacher for the 6th and 7th grades and will coach junior high football. He is a graduate of Midwestern University in Wichita Falls where he played four years of varsity football. Phillips is not married.

Mrs. John Powell will teach in the fifth grade. She has had two years' experience and is a graduate of South Texas State College in San Marcos. She is the wife of the vocational agriculture teacher.

Mrs. Jack Hayre, who was earlier slated to teach in the elementary school, will replace Mrs. Tom Parisher a 1st grade teacher in the Lamar School. Mrs. Parisher resigned her position on the local faculty last week.

The two vacancies remaining in the faculty are: fifth grade teacher and social studies teacher for the 7th and 8th grades.

Mrs. R. J. Charleville Goes To Hawaii

Mrs. R. J. Charleville left by plane Tuesday from San Antonio for Hawaii to join her husband who is stationed there with the U. S. Air Force. Mr. and Mrs. J. M. Jones took their daughter, who had been visiting here for several weeks, to San Antonio last week-end.

Mrs. F. K. Graham entertained with a farewell party in her home last Friday evening to honor Mrs. Charleville. A large assortment of gifts was presented to the honoree.

"Aloha Doris" was on the cake which was served with punch coffee, and individual cake squares to 25 guests.

W. D. McKEEN DIES FRIDAY NIGHT IN DEL RIO

Funeral services were held in Del Rio Sunday afternoon for W. D. McKeen, 76-year-old certified public accountant, who died in that city Friday night following a long period of illness.

Mr. McKeen had been a resident of Del Rio for 10 years. He was a frequent visitor here to attend to business matters. Survivors include two sons and a daughter.

Coming Events

Monday, August 19 — Baptist W.M.U., Altar Society.

Tuesday — O.E.S.

Wednesday — Rotary Club

Thursday — Lions Club, Culture Club

Construction On RM 2400 Begins

Construction has begun on the highway designated as RM2400 between U.S. 285 and Texas 349, connecting Dryden and Sheffield.

The highway originates in Pecos County, about 18 miles north of Sanderson on U.S. 285.

Strain Bros. of El Paso were awarded the contract for the construction project.

The construction will be for a distance of seven miles from the end of a present strip of six miles of topped road. The six miles of topped road takes off from U.S. 285 and now ends at the ranch home of Mr. and Mrs. Herman Couch.

Machinery was moved in Tuesday for clearing brush for the extended right-of-way which will be 120 feet.

Unofficial sources state that following completion of the seven miles of construction under contract, that the old construction of six miles in length will be widened four feet and re-topped.

This project, when completed, will afford a topped road for 13 miles northeast from U.S. 285 toward Sheffield.

TV Interest Climbs In Poll

Local interest in television reception climbed in the poll being conducted here, according to Mrs. H. P. Boyd. There had been 299 responses to the post card poll Wednesday.

Of the 299 responses, 187 of the cards voiced a favorable report for interest in television cable reception and 12 showed "not interested."

Mrs. Boyd stated that the response was not as heavy as was hoped for, but that the decisive percentage of the responses in favor of showing interest in a cable system was heartening.

She asked that another appeal be made to all local residents to send in their cards as soon as possible showing their desires as requested in the poll. She added again that the poll was not binding in any way, but was merely the expression of an opinion as to whether or not a person would, under any circumstances, be interested in having television in his home.

A group of men in the cable-transmission business in Van Horn were in Sanderson recently and made further tests near here to again consider the possibility of cabling the town for television reception. The same thing was also done recently by a group of men from San Angelo.

There have been no commitments from either of the groups but unconfirmed reports are that one of the two groups is expected to do something in the very near future to bring the reception into town.

There have been conflicting rumors concerning the actions and plans of the two groups, but no definite information is available to clarify any of these rumors since neither of the groups has contacted The Times.

WALTER THORN HAS FOOT AMPUTATION

Walter Thorn of Valentine underwent orthopedic surgery in an El Paso hospital Tuesday morning for the removal of his leg about four inches above the ankle.

The amputation became necessary after Thorn was shot in the leg in the accidental discharge of a 22-caliber pistol in Valentine about three weeks ago.

He has been receiving treatment in an El Paso hospital following the accident.

Mrs. Monte Goode is employed in the office of Dr. L. N. Sanders.

Andres Bustos Dies Here Sunday

Andres Bustos, 69, died here Sunday morning at his home following a lengthy illness.

Funeral services were held on Monday afternoon at St. James Catholic Church with Rev. N. Femenia officiating. Burial was made in Santa Rita Cemetery with the Janes & Magill Funeral Home in charge of the arrangements.

Bustos came to Terrell County in 1914 from Mexico. He was employed on the ranches of the late N. H. Corder, and Alexander Mitchell and later for G. K. Mitchell.

He had been married twice, both of his wives preceding him in death.

Survivors include a son at Pecos and a brother, Eljio Bustos, of Sanderson.

W. D. O'Bryant, Jr., Graduates From San Marcos Academy

William Doyle O'Bryant, Jr. received two awards in the graduation exercises at San Marcos Baptist Academy last Friday evening. One was for the outstanding student and the other for excellence in conduct.

There were 16 graduates in the summer graduation class. Attending the graduation programs were his parents, Mr. and Mrs. W. D. O'Bryant, his grandmother, Mrs. Mary Lou Kellar, and Mrs. Tom Parisher and her daughter, Tommy Kay Parisher, of Ozona.

Roping Events Slated Saturday

The Sanderson Roping Club is sponsoring roping events on Sunday evening, beginning at 8:00. The events will be in the roping arena east of town.

On the program for the evening are open and amateur ropings, jack pot ropings, a matched roping between Pinky Carruthers of Sanderson and Jiggs Davis of Alpine, four calves each.

There will probably be other matched events, according to Buster Babb, president of the sponsoring organization.

The public is urged to attend the events. Admission is \$1 for adults and 50c for children.

A daughter, their third child, was born in a Fort Stockton hospital on Saturday, August 10, to Mr. and Mrs. Sam Bell. Her birth weight was eight pounds. The mother and baby were returned to Sanderson Tuesday.

Mrs. Bertha Mansfield and Francis Mansfield are the maternal grandparents, and Mrs. Lena Stavley is the maternal great-grandmother.

To Mr. and Mrs. Troy Druse was born their second child, a daughter, in a Fort Stockton hospital on Friday, August 9. She weighed six pounds and 12 ounces and was named Debra Ann.

Mr. and Mrs. W. M. Druse are the paternal grandparents, and Mr. and Mrs. Pat Harris are the maternal grandparents.

Mr. Druse brought his wife and daughter home Tuesday.

IT SAYS HERE:—

Goodwill is as fragile as an orchid, but as beautiful; as precious as a gold nugget, but as hard to find; as powerful as a giant turbine, but as difficult to build; as wonderful as youth, but as hard to keep.

Good Clouds — But No Rain Locally

Rain clouds were visible all day Monday and Tuesday morning, but no rain fell locally.

The skies were overcast Sunday night, and there were strong indications of rain all day Monday. Some rain was noted falling to the east and there were strong indications of rain to the north-west.

Showers were reported Monday in the vicinity of the Roy Deaton ranch west of Sanderson, and on the Roger Rose ranch to the east of town.

A strong wind which lasted only a few minutes brought up heavy dust in the downtown and eastern part of town Monday afternoon.

Monday was cool all day.

There was little breeze blowing locally Monday night but the night was cool because of the subdued temperatures all day.

Clouds in the immediate vicinity of Sanderson were cleared away by noon Tuesday and the thermometer began a steady climb.

Some clouds were visible in the distance to the north and east.

Tuesday afternoon and Wednesday followed the pattern of higher temperatures and very little wind.

Some thunderheads were visible in the west Wednesday afternoon, but there was no precipitation resulting locally.

Willie Banner Inks Contract As Cardinal Scout

Willie Banner, Terrell County ranchman and life-long resident of this county, Tuesday signed a contract as baseball player scout for the St. Louis Cardinals team.

It was one of the fulfilled life-long ambitions of Banner — to be associated in some way with a major league ball team.

Banner, a former amateur and semi-pro pitcher, has been associated with the game for many years as a player, always an ardent fan, and televisioner, when possible, and radio listener in between. Though about 65 miles from Sanderson, he was a frequent Sunday visitor at local games and recently attended the Major League All-Star game in St. Louis.

Banner has always been up on the latest information concerning players' ability and watched the standings daily for his favorite team's rating in the national sport.

Willie was always ready to pitch an inning or two at a benefit game in recent years and has been known to put a mitt on one of his Mexican laborers just to keep his throwing arm in shape.

For the present, Banner said he would work West Texas, New Mexico and Arizona, but expected to accompany other scouts to Central America and Mexico in search of potential players for the National League team. He said his fluent knowledge of the Spanish and associated languages was in a great sense, responsible for his getting the contract, and that he would use his bi-lingual ability to best advantage when in the Spanish-speaking countries.

REV. JOHN W. BYRD TO BE HERE SUNDAY

Rev. John W. Byrd will be back in his pulpit at the First Presbyterian Church Sunday for both morning and evening worship services.

Rev. and Mrs. Byrd have been gone for several weeks, visiting with their daughter, Mrs. H. E. Schroegler, and family in Los Alamos, N. M., and with their daughter, Mrs. Ray Vissotzky, and family in Fairbanks, Alaska.

By VERN SANFORD
Texas Press Association

Austin — House members are rather short on enthusiasm for a special session of the Legislature according to Speaker Waggoner Carr.

In a poll of the House, Carr received 101 answers from 149 of the members. Seventy said they didn't feel a special session necessary. Seventeen said they thought it was necessary, and 12 said they were willing to leave it up to the governor.

In announcing the poll results, Carr emphasized that he's all for jobby control and water conservation, the two measures Gov. Daniel has said he wants passed. House members, Carr reminded, approved both lobby and water bills last session.

But, said Carr, he still isn't convinced that the state can afford the extra session without new taxes.

Outlook probably is this: A special session will be held. No open rebellion will be noted, but possibly a little legislative foot-dragging.

New Land Troubles

Who, if anyone, should pay the back taxes on and bought under the Veterans Land program, then forfeited by the purchaser?

State and local officials are in disagreement. Lack of specific legislation on this subject has resulted in two lawsuits.

In the early days of the land program a lot of veterans apparently bought and at more than it really was worth. When the drought came and things got tough, many fell behind on taxes and payments, finally had to give up and let the land go back to the Veterans Land Board. In time the board re-sold such tracts to other veterans.

Local taxing units, such as the Bexar-Atascosa-Medina Water District, say somebody has to pay the piper. It demands payment of the back taxes unpaid by the first purchaser and of the taxes that accumulated during the period when the land was forfeited to the state. Without this money, say district officials, they'll have a hard time paying off their bonds.

Viewpoint of the state, however, is that taxes ceased when the land returned to the board and that the resale was free of tax debt.

School "Wastes" Cited

Need for a little overhauling here and there in the Gilmer-Aikin school aid program is suggested in a new Texas Research League report.

Under the "minimum foundation" program the state contributes the money necessary to bring the smaller, poorer districts up to standard.

Research League pointed out (1) that under the scholastic apportionment formula (so much per pupil) some district actually receive more money than their minimum foundation needs. And (2) guaranteed state contributions discourage local efforts to improve by raising taxes.

It's a system, says the League that tends to perpetuate "educationally inadequate" districts.

Harrison Named

William A. Harrison, 47, apparently is to be the key man in a program designed to provide Texas with model insurance regulation.

Harrison, who has been working without pay since June 21, was named by the Insurance Board to a two-year term, beginning Sept. 1. Senate must confirm the appointment.

The former assistant state auditor moves into the second highest paid job in Texas government — \$20,000 per year.

One of his first tasks will be to expand the department's staff of insurance company examiners. Recent legislation provided for 26 new men, bringing the staff up to 65. Former department officials had complained they did not have enough examiners to keep tabs on the thousands of companies operating in Texas.

Business Plateau

Texas business activity for the first half of 1956 is up four per cent over 1955. This despite an 11 per cent drop from May to June, says the UT Bureau of Business Research.

UT analysts say it looks as if the breathtaking rise of the past few years has lost its momentum. But they see no "strong evidence of the beginning of a downward trend." They foresee, instead, Texas business continuing, with minor ups and downs, on its present high plateau.

It'll Cost Us, Too

Texans who think the federal government is going to take care of all of their highway problems now are due for disillusionment.

So says State Highway Commission Chairman Marshall Formby. Interstate highways paid for with federal funds will take care of only 16 per cent of the state's traffic load, said Formby. Bringing the other 84 per cent of state roads to first-class condition will cost \$2,000,000,000.

With present funds of \$80,000,000 to \$90,000,000 a year, it'll take 22 years, he said. "And by that time we'll need more four-lane roads."

Ask First

Various Departments of the State are playing it safe today. They don't want to run afoul of what has been termed "the new moral atmosphere in Texas."

Indicative of the new trend is the "ask first" attitude that has developed. Result: Many requests of the attorney general for rulings.

In an opinion given State Auditor C. H. Cavness it was ruled that it would be legal for a state college cafeteria to buy its milk from a dairy owned by a legislator.

Inasmuch as the Texas Constitution prohibits a lawmaker from receiving an office created during his legislative term, the Board of Pardon and Paroles asked if it would be legal for Rep. J. T. Ellis, Jr., of Weslaco to be director of the new adult parole supervision system set up by the Legislature.

"This is a job, not an office," rules the attorney general.

Short Shorts

O. B. Ellis, general manager of the Texas Prison System at Huntsville reports that the prison is in urgent need of more guards.

Capitol guards are not "peace officers," ruled Atty. Gen. Will Wilson. Therefore, they cannot issue parking tickets or make arrests except to prevent the consequences of a theft.

State Commissioner Henry A. Holle reports an outbreak of 32 cases of sleeping sickness in Cameron County. No statewide epidemic is expected.

Texas will enter the new fiscal year on September 1 with a cash balance of something like \$48,000,000 in the general revenue fund, according to figures from State Comptroller Robert S. Calvert. Fund had \$44,766,760 on August 1. Continued increase at the same rate as during July would add \$3,500,000 more this month.

Office supplies at The Times.

Asiatic 'Flu' Is Expected in Fall

Austin — An epidemic of Asiatic influenza will almost certainly lay siege to Texas this fall and winter.

It is possible to make this prediction because the State Health Department laboratory has already isolated the specific virus in throat washings from several patients. Many more specimens are being studied and some of them will undoubtedly yield the virus.

A vaccine against this type of influenza is being rushed into production and will probably be ready in quantity by mid-September. A goal of 60 million doses is expected by February.

Looking at the national picture, it is clear that the disease has already made serious inroads. More than 11,000 cases have been diagnosed in various states. Seven persons have died of flu or its complications. Surgeon General Leroy Burney has publicly announced the strong probability of a large-scale outbreak within the next few months.

This appears to be a brand new member of the family of influenza viruses, perhaps closely related to the type which caused the world-wide epidemic at the close of World War I. It started first in Hong Kong in the early spring, and by June had spread over the Orient and into India.

It entered the United States through a West Coast port. The first case in Texas was diagnosed in a Boy Scout who had attended the Jamboree in Valley Forge last month. Since then sporadic cases have cropped up at various points throughout the state.

Like all influenza, this is a highly communicable strain. Symptoms include a sudden fever lasting from one to six days, chills, aches, and pains in the back and joints, sore throat and a cough.

In the Far East the attack rate has been extremely high — approximately one in every five persons being affected. The death rate so far has been comparatively low — two deaths per 1,000 cases.

Cases experienced in Texas thus far have been relatively mild. But there is no assurance that the virus will not become increasingly virulent as it spreads from person to person.

Military experience indicates that the vaccine is 70 per cent effective. Therefore, thoughtful people will get themselves unimmunized as soon as possible after vaccine is available.

The State Department of Health will be unable to offer influenza vaccine for general distribution. Physicians will be able to purchase the material directly from commercial drug outlets.

Mr. and Mrs. Robert Carle and daughters have moved to Fort Stockton where he will be principal of the Butz School during the coming school year.

AMONG OUR SUBSCRIBERS

Renewals have come from Anita Cardenas, Tol Murrar, Mrs. Winnie Magill of Sanderson; C. A. Dishman of Del Rio; Mrs. Douglas Smith of Marathon; R. R. Clark of Dryden, A3C Matias Gutierrez, A.P.O. Seattle, Wash.; Bill Magill of Florence Junction, Arizona; Mrs. John Deaton of Comstock; Mrs. G. M. Sowden of Houston.

Miss Mary Jane Bentley is in San Antonio this week to make plans for attending a beautician's school in that city. She will visit with relatives in Del Rio en route home.

Mrs. Annie Krauss returned to her home in El Paso last week accompanied by her daughter, Mrs. T. W. McKenzie, who returned home with her husband Monday night.

Mrs. H. L. Surratt and children, Mike and Pam, of Monahans spent last week in the C. L. Surratt home. Mr. Surratt joined them over the week-end to visit with his parents and they returned home Sunday.

NUMBER ONE ON THE BALLOT

**PROPOSED CONSTITUTIONAL
AMENDMENT TO BE VOTED
ON AT AN ELECTION TO BE
HELD ON NOVEMBER 5, 1957.**

**HOUSE JOINT RESOLUTION NO.
37** proposing an amendment to Sub-
section (a) of Section 62, Article XVI
of the Constitution of Texas, relating
to establishment of a retirement, dis-
ability and death compensation fund
for officers and employees of the State.
**BE IT RESOLVED BY THE LEGIS-
LATURE OF THE STATE OF
TEXAS:**

Section 1. That Subsection (a) of
Section 62, Article XVI of the Con-
stitution of the State of Texas be
amended so as to read hereafter as
follows:

"Section 62. (a) The Legislature
shall have the authority to levy taxes
to provide a State Retirement, Dis-
ability and Death Compensation Fund
for the officers and employees of the
State, and may make such reasonable
inclusions, exclusions, or classifica-
tions of officers and employees of this
State as it deems advisable. The Legis-
lature may also include officers and em-
ployees of judicial districts of the State
who are or have been compensated in
whole or in part directly or indirectly
by the State, and may make such other
reasonable inclusions, exclusions, or
classification of officers and employees
of judicial districts of this State as it
deems advisable. Persons participating
in a retirement system created pursuant
to Section 1a of Article V of this
Constitution shall not be eligible to
participate in the Fund authorized in
this Subsection except as permitted
by Section 63 of Article XVI of this
Constitution. Provided, however, any
officer or employee of a county as pro-
vided for in Article XVI, Section 62,
Subsection (b) of this Constitution,
shall not be eligible to participate in
the Fund authorized in this Subsection,
except as otherwise provided herein.
The amount contributed by the State
to such Fund shall equal the amount
paid for the same purpose from the
income of each such person, and shall
not exceed at any time five per centum
(5%) of the compensation paid to each
such person by the State.

"All funds provided from the com-
pensation of such person or by the
State of Texas for such Retirement,
Disability and Death Compensation
Fund, as are received by the Treasury
of the State of Texas, shall be invested
in bonds of the United States, or in
bonds issued by any agency of the
United States Government, the payment
of the principal of and interest on
which is guaranteed by the United
States; or in such other securities as
are now or hereafter may be permitted
by law as investments for the Per-
manent University Fund or for the
Permanent School Fund of this State,
under the same limitations and re-
strictions imposed by the Constitution
for investment of those funds and sub-
ject to such regulations as the Legis-
lature may provide. However, a sufficient
amount of said Fund shall be kept on
hand to meet the immediate payment
of the amount likely to become due
each year out of said Fund, such
amount of funds to be kept on hand
to be determined by the agency which
may be provided by law to administer
said Fund.

"Should the Legislature enact enab-
ling laws in anticipation of the adop-
tion of this Amendment, such legisla-
tion shall not be invalid by reason of
its anticipatory character."

Sec. 2. The foregoing Constitutional
Amendment shall be submitted to a
vote of the qualified electors of this
State at a special election to be held
throughout the State on the first Tues-
day after the first Monday in Novem-
ber, 1957, at which election all ballots
shall have printed thereon the follow-
ing:

"FOR the Constitutional Amendment
amending Subsection (a) of Section 62,
Article XVI of the State Constitution,
relating to establishment of a retire-
ment, disability and death compensa-
tion fund for officers and employ-
ees of the State."

"AGAINST the Constitutional Amend-
ment amending Subsection (a) of Sec-
tion 62, Article XVI of the State Con-
stitution, relating to establishment of a
retirement, disability and death com-
pensation fund for officers and employ-
ees of the State."

Sec. 3. The Governor of the State of
Texas is hereby directed to issue the
necessary proclamation for said special
election and this Amendment shall be
published and the election held as re-
quired by the Constitution and laws of
this State.

**Butch McSparran
Honored at Party
By Grandmother**

Mrs. W. T. Frazier honored her
grandson, Butch McSparran, on
Tuesday, August 6, on his ninth
birthday.

Following a period of games,
the guests enjoyed a weiner
roast in the back yard. Punch
and ice cream were also serv-
ed with the birthday cake.

Those present were Sam Bell,
III, Pixie and Gwen Mansfield,
Karen and Mel Hovell of Hous-
ton, Laura Lee and Junior Allen,
Mrs. E. W. McSparran and Mr.
and Mrs. W. T. Frazier.

H. C. Gaither of San Angelo
is a guest in the home of his
daughter, Mrs. W. H. Goldwire,
and family.

Mrs. Robert W. Wilkinson of
Houston is visiting here with her
parents-in-law, Judge and Mrs.
R. S. Wilkinson.

NUMBER TWO ON THE BALLOT

**PROPOSED CONSTITUTIONAL
AMENDMENT TO BE VOTED
ON AT AN ELECTION TO BE
HELD ON NOVEMBER 5, 1957.**

**HOUSE JOINT RESOLUTION NO.
38** proposing an amendment to Article
VI of the Constitution of Texas,
relating to the limit on the amount
of state funds for the assistance of
needing persons from state funds
for such assistance to the needy aged,
needing blind, and needy children shall
never exceed the amount so expended
out of federal funds, and provided
further that the total amount of money
to be expended out of state funds for
such assistance to the needy aged,
needing blind, and needy children shall
never exceed the sum of Forty-seven
Million Dollars (\$47,000,000) per year.
The Legislature shall enact appro-
priate laws to make lists of the recipi-
ents of aid hereunder available for
inspection.

"Supplementing legislative appropri-
ations for assistance payments au-
thorized by this section, the following
sums are allocated out of the Omnibus
Tax Clearance Fund and are appro-
priated to the State Department of
Public Welfare for the period begin-
ning December 1, 1957 and ending
August 31, 1959: Four Million, Nine
Hundred Thousand Dollars (\$4,900,000)
for Old Age Assistance, One Hundred,
Seventy-five Thousand Dollars (\$175,-
000) for Aid to the Blind, and Five
Hundred, Twenty-five Thousand Dollars
(\$525,000) for Aid to Dependent Chil-
dren. Such allocations and appropri-
ations shall be made available on the
basis of equal monthly installments
and other wise shall be subject to the
making of currently existing laws
providing allocations and appropriations
for these purposes."

Sec. 2. The foregoing Constitutional
Amendment shall be submitted to the
qualified electors of Texas at an elec-
tion to be held throughout the State
of Texas on the 5th day of November,
1957, at which election there shall be
printed on each ballot the following
clauses:

"FOR the Constitutional Amendment
increasing the limit on the maximum
monthly payment to needy aged persons
from state funds from Twenty Dollars
(\$20) per month to Twenty-five Dol-
lars (\$25) per month subject to certain
conditions for payment in excess of
Twenty-five Dollars (\$25) per month
and on the total yearly expenditure out
of state funds for assistance to needy
aged, needing blind, and needy children
from Forty-seven Million Dollars (\$47,-
000,000) per year to Forty-seven Mil-
lion Dollars (\$47,000,000) per year,
and allocating and appropriating addi-
tional sums, supplementing current legis-
lative appropriations, for payment of
assistance grants."

"AGAINST the Constitutional Amend-
ment increasing the limit on the maxi-
mum monthly payment to needy aged
persons from state funds from Twenty
Dollars (\$20) per month to Twenty-five
Dollars (\$25) per month subject to
certain conditions for payment in ex-
cess of Twenty-five Dollars (\$25) per
month and on the total yearly expendi-
ture out of state funds for assis-
tance to needy aged, needing blind,
and needy children from Forty-seven
Million Dollars (\$47,000,000) per year
to Forty-seven Million Dollars (\$47,-
000,000) per year, and allocating and
appropriating additional sums, supple-
menting current legislative appropri-
ations, for payment of assistance grants."

Sec. 3. The Governor of Texas shall
issue the necessary proclamation for
the election and this Amendment shall
be published as required by the Con-
stitution and laws of this State.

Listen to Luke

(Continued from page 1)

He said that recent conferences he has had gave strong indications that future plans of oil companies' activities in Terrell County are promising, indeed.

Major oil companies are looking with interest on the potential of Terrell County as a major gas field, according to this source and are beginning to center their attention to this potential.

It could mean a major change in the activities of the people here, and a possibility that calls for a little foresight on the part of those who are endowed with that ability.

Few people here anticipated a change in anything material here within the past 50 or more years, and six months ago, little could be said or done to convince anyone of the most remote of possibilities of such a change.

There is a potential here that cannot now be hidden and cannot be denied. There are many who would not welcome a change of any kind under any circumstances, but when the rates that rule force a change upon us, then resistance is futile.

Such a change could be in the offing. Whether or not it would be good, is something that remains to be seen.

The people of this country are so accustomed to getting something from the government without paying for it that it has become impossible for the postoffice to keep pens for the public's use.

A large number of ball points was recently supplied the local postoffice and they were chained to the writing tables in the lobby. As soon as one was missing it would be replaced but now the entire supply has vanished to the unknown.

In mulling over the possible solution to the missing pens, we came to the conclusion that they are being taken by those who have no other means of getting something for nothing from the government. There are some citizens who have no opportunity of getting in on the give-away programs and they can hope for nothing more than a supply of ball-point pens.

The postmaster says he has a supply of ball point refills for the pens that are no longer in the postoffice. Those who have the pens might ask the PM to put the refills out where they can find them so that they may be put to use also.

Mr. and Mrs. N. M. Mitchell and Malone, Jr., returned last week from a trip to New Mexico to attend to business matters.

Mr. and Mrs. W. H. Grigsby returned home Tuesday from a vacation trip to San Francisco and Los Angeles, Calif.

PRESBYTERIANS HONOR VISITOR AT PICNIC

The members of the Presbyterian church and friends enjoyed a picnic Saturday evening to honor Dr. Mauze, pastor of San Antonio, who was visiting here with Col. and Mrs. W. T. Bondurant. Dr. Mauze also preached for both services at the local church Sunday in the absence of the pastor, Rev. J. W. Byrd.

The picnic supper was served on the church patio.

FORMER RESIDENT DIES IN DEL RIO

Mrs. B. C. Anthony died in a Del Rio hospital Sunday. With her husband, who was formerly a pharmacist at the local drug store, she had resided in Del Rio for nine years.

Her body was taken to Ennis for burial. Anthony is the only immediate survivor.

TWO DELEGATES TO ANNUAL H-D MEET

Mrs. Lewis Hill of Sanderson and Mrs. Cliff Pearce of Imperial were in Houston last week to attend the annual meeting of the Texas Home Demonstration Clubs. The ladies were delegates from the Ranch Home Demonstration Club.

Mr. and Mrs. John T. Williams and children left Monday for Skillman Grove near Fort Davis where they will attend Bloys Camp Meeting with the Epsy family who has a camp there.

Mrs. J. W. Caruthers and her daughters, Miss Eva Caruthers and Mrs. Virgil Ogle of Wink, returned home last week from a three weeks trip to California. They visited with relatives and friends in Whittington, Burbank, and Los Angeles, also visiting places of scenic interest.

PERSONALS . . .

Mrs. Chester Boyd is going to San Antonio Saturday to attend a round-up of associate matrons of the Order of Eastern Star. A dinner Saturday night and a breakfast Sunday morning in the home of Mrs. Katherine Poulis, grand conductress, will be featured during the round-up.

Mrs. H. C. Goldwire is leaving for Christoval to visit with her sister, Mrs. R. C. Kirby, for a few days before they go to Kerrville Monday to attend the annual Ashram there.

Mrs. Sam Harrell and her mother, Mrs. John Neal, went to El Paso Wednesday for Mrs. Neal to have her eye checked by an ophthalmologist. Mrs. Harrell's granddaughter, Julie Pendleton, who had been here for two weeks, accompanied them to her home.

Mr. and Mrs. Johnny Whistler of Del Rio spent Sunday here with Mr. and Mrs. J. W. Sessions. John Whistler, III, accompanied his grandparents to Del Rio for a visit.

James Word visited in Ozona Saturday with his step-father, J. W. Leatherwood, who is reported to be seriously ill.

Mr. and Mrs. Grady Wilson and children spent the week-end with relatives in El Paso, leaving Franice for a longer visit.

Mr. and Mrs. B. E. Rosenquist of San Antonio and Mr. and Mrs. W. O. Rosenquist of Maryland visited here last week with Mr. and Mrs. L. V. Rosenquist and G. E. Rosenquist.

Mr. and Mrs. C. G. Riggins have bought the home of Mr. and Mrs. J. S. Nance at 312 W. Hackberry. They have been residing there for the past two years.

Nelson Billings of San Antonio visited here last week with his mother, Mrs. Lizzie Billings.

NOTICE

Dr. Jack M. Sexton announces that his office will be open Saturday, August 17, from 10:00 a.m. to 3:00 p.m. for the purpose of giving smallpox vaccination to pre-school children.

NUMBER THREE ON THE BALLOT

PROPOSED CONSTITUTIONAL AMENDMENT TO BE VOTED ON AT AN ELECTION TO BE HELD ON NOVEMBER 5, 1957.

HOUSE JOINT RESOLUTION NO. 3 proposing an amendment to the Constitution of Texas adding a section to be known as Section 48c of Article III, providing for the issuance and sale of bonds of the State of Texas to create the Texas Water Development Fund to provide financial assistance to certain political subdivisions or bodies politic and corporate of the State of Texas in the conservation and development of the water resources of the State, providing for the payment of such bonds, creating an agency to administer said fund and to perform other duties prescribed by law, limiting the period during which financial assistance may be granted, and providing for the calling of an election and the publication and issuance of the proposition therefor.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Article III of the Constitution of Texas be amended by adding a new section thereto to be known as Section 48c, as follows: "Section 48c. There is hereby created as an agency of the State of Texas the Texas Water Development Board to exercise such powers as necessary under the provision together with such other duties and restrictions as may be prescribed by law. The qualifications, compensation, and number of members of said Board shall be determined by law. They shall be appointed by the Governor with the advice and consent of the Senate in the manner and for such terms as may be prescribed by law.

"The Texas Water Development Board shall have the authority to provide for, issue and sell general obligation bonds of the State of Texas in an amount not to exceed One Hundred Million Dollars (\$100,000,000). The Legislature of Texas, upon two-thirds (2/3) vote of the elected Members of each House, may authorize the Board to issue additional bonds in an amount not exceeding One Hundred Million Dollars (\$100,000,000). The bonds authorized herein or permitted to be authorized by the Legislature shall be called Texas Water Development Bonds, shall be executed in such form, denominations and upon such terms as may be prescribed by law, provided, however, that the bonds shall not bear more than four per cent (4%) interest per annum; they may be issued in such installments as the Board finds feasible and practical in accomplishing the purpose set forth herein.

"All moneys received from the sale of State bonds shall be deposited in a fund hereby created in the State Treasury to be known as the Texas Water Development Fund to be administered (without further appropriation) by the Texas Water Development Board in such manner as prescribed by law.

Such fund shall be used only for the purpose of aiding or making funds available upon such terms and conditions as the Legislature may prescribe, to the various political subdivisions or bodies politic and corporate of the State of Texas including river authorities, conservation and reclamation districts and districts created or organized or authorized to be created or organized under Article XVI, Section 59 or Article III, Section 52 of this Constitution, interstate compact commissions in which the State of Texas is a party and such other corporations, in the conservation and development of the water resources of this State, including the control, storage and preservation of its stream and flood waters and the waters of its rivers and streams, for all useful and lawful purposes by the acquisition, improvement, extension, or construction of dams, reservoirs, and other water storage projects, including any system necessary for the transportation of water from storage to points of treatment and/or distribution, including facilities for transporting water therefrom to schools, purchasers, or for any one or more of such purposes or methods.

"Any or all financial assistance as provided herein shall be repaid with interest upon such terms, conditions and manner of repayment as may be provided by law.

"While any of the bonds authorized by this provision or while any of the bonds that may be authorized by the Legislature under this provision, or any interest on any of such bonds, is outstanding and unpaid, there is hereby appropriated out of the first moneys coming into the Treasury in each fiscal year, not otherwise appropriated by this Constitution, an amount which is sufficient to pay the principal and interest on such bonds that mature or become due during such fiscal year, less the amount in the sinking fund at the close of the prior fiscal year.

"The Legislature may provide for the investment of moneys available in the Texas Water Development Fund, and the interest and sinking funds established by this Section shall be used for the purposes prescribed by the Legislature. The Legislature may also make appropriations from the General Revenue Fund, or paying administrative expenses of the Board.

"From the moneys received by the Texas Water Development Board as repayment of principal for financial assistance or as interest thereon, there shall be deposited in the interest and sinking fund for the bonds authorized by this Section sufficient moneys to pay the interest and principal to become due during the ensuing year and sufficient to establish and maintain a reserve in said fund equal to the average annual principal and interest requirements on all outstanding bonds issued under this Section for any year prior to December 31, 1962; moneys received in excess of the foregoing requirements then such amount shall be deposited to the Texas Water Development Fund, and may be used for administrative expenses of the Board and for the same purposes as provided for in this Section after December 31, 1962, and all moneys thereafter received as repayment of principal for financial assistance or as interest thereon shall be deposited in the interest and sinking fund for the bonds authorized by this Section except that such amount as may be required to meet the administrative expenses of the Board may be annually set aside, and provided, that after all State bonds have been fully paid with interest, after there are on deposit in the interest and sinking fund sufficient moneys to pay all future maturities of principal and interest, additional moneys so received shall be deposited to the General Revenue Fund.

"All bonds issued hereunder shall after approval by the Attorney General, registration by the Comptroller of Public Accounts of the State of Texas, and delivery to the purchasers, be incontestable and shall constitute general obligations of the State of Texas under the Constitution of Texas.

"Should the Legislature enact enabling laws in anticipation of the adoption of this amendment, such acts shall not be void by reason of their anticipatory nature.

"Sec. 2. The foregoing amendment to the Constitution shall be submitted to a vote of the qualified electors of this State at an election to be held on the 5th day of November, 1957, same being the 1st Tuesday after the 1st Monday in said November, 1957, at which election such ballot shall have printed thereon the following words:

"FOR the amendment to the Constitution of Texas adding a new section to be known as Section 48c of Article III, authorizing the issuance and sale of Two Hundred Million Dollars (\$200,000,000) in bonds by the State of Texas to create the Texas Water Development Fund to provide financial assistance to certain political subdivisions or bodies politic and corporate of the State of Texas in the conservation and development of the water resources of the State."

"AGAINST the amendment to the Constitution of Texas adding a new section to be known as Section 48c of Article III, authorizing the issuance and sale of Two Hundred Million Dollars (\$200,000,000) in bonds by the State of Texas to create the Texas Water Development Fund to provide financial assistance to certain political subdivisions or bodies politic and corporate of the State of Texas in the conservation and development of the water resources of the State."

"Sec. 3. The Governor of the State of Texas shall issue the necessary proclamation for said election and have the same published as required by the Constitution and if any year of the expense of publication and election for such amendment shall be paid out of the proper appropriation made by law.

Keeping Current... For Economy!

In the illustration above, you see a very happy man at a very wonderful moment.

The title, the keys and the car are his—and he's starting out on his first journey at the wheel.

Of course, there's not much doubt as to why he decided to purchase a new Cadillac.

Like everyone else who selects the "car of cars", he did it to "keep current", so to speak, on all of Cadillac's new miracles of performance and beauty and comfort.

But coming to Cadillac, as he did, at this particular time of the year, we also suspect that he was inspired by the added motive of practicality.

For in addition to the normal Cadillac economies of modest purchase price, low operating cost and

high resale value—Cadillac dealers are, at this time, seasonally prepared to make Cadillac ownership even more attractive than ever.

Because of the demand for used cars and because of increased production of the Cadillac car itself, the odds are that this gentleman received both a generous allowance on his previous car and prompt delivery of his new Cadillac.

Have you considered how wonderful it would be to step into a Cadillac of your own? Then, you should pay your dealer a visit—spend an hour on the highway in the luxury of Fleetwood coachcrafting—and get the facts for yourself.

You'll agree, we know, that the car is Cadillac—and the time is now!

VISIT YOUR AUTHORIZED CADILLAC DEALER
