Magnolia Petroleum Co. and Western Natural Gas Co. No. 2 Brown-Bassett venture in section 216. Block Y, east-central Terrell County, continues speedy holemaking and is reported to be drilling below 8,000 feet this week, making over 2,000 feet of hole since last week. Operator is drilling with gas, and, according to their recommenations, this process of drilling accounts for the speed in drilling.

Richardson & Bass No. 1 M. H. Goode, on section 6 in Block R. is reported to be below 10,000 feet this week and is also reported to be drilling with mud. Operator was using compressed air until just recently and is now using mud for drilling, accourding to reports.

Formations in the Richardson and Bass hole were said to be running high in early stages of drilling and supposition was they would continue high all the way down.

Unofficial reports are that another venture is slated by Magnolia Petroleum Co. in near vicinity of Brown-Bassett No. 2. Location has been established, but information is not complete or official

After 2-Day Search

A posse comprised of about 20 men on horseback and about 70 men and young men on foot joined local officers. Immigration officers and a Texas Ranger in a search for Bobby Sid Wood, 17, the first of the week. He is the son of Mr. and Mrs. Sid Wood of Sanderson.

Young Wood, disappeared early Sunday and was found about 10 a.m. Tuesday on the E. E. Harkins, Jr., ranch, at a windmill approximately 2 miles from Sander-

The search began Monday morning early and posse members were stationed that afternoon at various waterings around Sanderson where they stayed until early Monday night.

Tuesday morning more help was summoned and air fields at Del Rio and San Angelo were alerted for helicopter and airplane assistance but windy and unsettled weather Tuesday prevented their joining the searchers. Bloodhounds from Midland were obtained but young Wood was found before the dogs arrived.

Mr. Wood's sister, Mrs. Ernest Sweatt of Eldorado, arrived here Wednesday and left Thursday afternoon with Bobby Sid and his mother for San Angelo where he will have a medical check-up.

Sheriff Lee Billings asked The Times to express his appreciation to all men who helped in the search, to school officials for permitting high school boys to participate, and to the boys themselves for their interest and help

Postponement of Flower Show Told

The annual flower show sched uled for Saturday, May 3, has been postponed, according to an announcement made this week by Mrs. T. R. Arrington, flower show chairman.

The early spring rains caused the flowers to bloom earlier than usual this year and hot temperatures of the past two weeks have brought them into full bloom so that no acceptable flowers will be evailable for the show Saturday at planned.

The postponement of the show is a disappointment to the members of the Sanderson Garden Club, sponsors of the show, as well as local residents who always look forward to it.

Eagles Win Here Over Big Lake 7-1

The Sanderson Eagles baseball team took another district game here Tuesday from Big Lake by a 7-1 score. The game was played in high wind and cold weather. The Owls got their run in the second inning and the Eagles tied it up in their half of the same frame

A rally later in the game added the winning and insurance runs. J. T. Herring did the mound duty for the Eagles with Jerry Monroe catching. Nine Students Take Scholarship Test

Nine students at the Sanderson High School took the National Merit Scholarship Qualifying Test, Thurman White, Principal. announced this week. The test was administered Tuesday.

An estimated \$5 million in merit scholarships and other awards are at stake in the national competition

Merit Scholarships are provided by 80 corporations, foundations, professional societies and individuals, as well as by the National Merit Scholarship Corporation itself, which conducts the competition.

Emphasis is on broad intellectual skills, and on understanding and ability to use what has been learned, rather than on sheer knowledge of facts.

Competing students are eliminated according to grades and advanced for future tests with highest scorers competing. The test results allow the students to evaluate their strength and weakness academically.

Local juniors who took the test were Peggie Cooke, Barbara Sudduth, Ana Calzada, Linda Shurley, Anabelia Flores, Petrita Thorn, Patty Gray, Maria Fuentez, and Elizabeth Lopez.
