SANDERSON, TEXAS, FRIDAY, JULY 18, 1958

NUMBER 23

LISTEN TO LUKE

The citizens of Terrell County who paid their poll taxes this year are really getting their money's worth in voting opportunity. A school board election last April, a school district election at week, a tax approval election and water district confirmation election very shortly, plus possible bond issues, plus the regular Democratic Primary and possibly a run-off, then the general election in November, with telling what in between.

I wouldn't take twice the price of my poll tax for the privilege of using it. Did I say twice? I could raise that ten-fold or more, however many that is!

We were asked the question the other day as to what would happen if the electorate failed to approve the maintenance tax which was used by the common school district? Well it is relatively simple.

Of what use is a car if there is no money to buy gasoline and tires?

The wide majority of approval of the school district would lead me to believe that there was a slight possibility that the voters would approve the tax rate that was used under the old system of school government. The reason for the change of school systems in the first place was to eliminate raising operational expenses in tax revenue. So why approve the tax rate. The school has to have the money to operate and the only place they get it is from us. We might as well okay the tax rate.

Members of the new school board, school officials, and teachers have expressed high regard for the unity of the new board. We hope that their efforts for the common cause and for the majority will always be in a unified spirit.

There has almost always been praise of unity of some of the boards around here and it sometimes reminds us — not in the case of the school board, though — of a pen of hogs. They are united in their efforts to enjoy life following in their own slop and then in their efforts make a larger mess of things so that they will have a bigger wallow in which to wallow.

Unity, absolute! Affability, positive! Accomplishments, definite! If you have the ambition of a hog, gain, fatter, lazier, more comfortable, more wallow, more gentleness, Benefit to humanity: more fat for the fire!

Conservatism is a noble and commendable virtue to those without money, such as the school board and commissioners of water board. They have no other choice and they're not being hogs.

But when the hog-nature of a beast within us wallows out and slops over the progressive attitude that has been one of the God-given endowments of man, if it's time we, too, become fat for the fire.

The lecherous attitude of a pig in living on the ever-present benefits of other hogs, and getting fat on it, has become the policy of many men and women in their activities at home in the community, and with their fellow-men.

Even the lowly sheep, with his timid and non-individualistic ways, browses for his own food, walks miles for his own drinking water, and then pays his own way by individual production to maintain from what he can do for his own four feet.

How much do we contribute individually to community life? How much do we give individually toward the advancement of various activities of the community in which we live? How much time do you give toward

Auditors Okay County Records

An auditing firm has completed a check of records and bookkeeping entries of the various offices in Terrell County, according to County Judge R. S. Wilkinson.

Judge Wilkinson stated that the auditors had okayed the local records after completion of their audit Tuesday and noted that everything was in "tip-top" condition.

Incentive Wool Receipts Filed

Ninety producers filed in Terrell County for the wool incentive payment, April 1, 1957, to April 1st, 1958, was the 1957 marketing year for which incentive payments have been recently made.

Total pounds of wool on account sales filed in Terrell County was \$15,660. Net proceeds from the sale of this wool was \$463,649.64. Total incentive payment received by producers was \$63,558.66, according to F. M. Wood, Jr., local ASC office manager.

There were 79 producers filed in Terrell County for the incentive payment on unshorn lambs with the marketing year being the same as for shorn wool.

Total pounds of unshorn lambs sold was 2,379,706. The USDA estimates that, on an average, there is five pounds of wool for every 100 pounds of unshorn lambs sold which resulted in a net incentive payment of \$6,646.13.

Because the average mohair price of 88.6 cents per pound received by the producers was above the support price of 70c per pound, no payments will be made on mohair sold during the 1957 marketing year, according to Wood. However, it is anticipated that there will be an incentive payment made for the 1958 marketing year and producers are urged to file their account sales with the local ASC office as soon as sales are made. Wood stated.

C of C Directors Have Routine Meet

Nine directors and the secretary-manager of the Chamber of Commerce met Monday night at the courthouse for regular meeting.

Routine business matters were disposed of and discussions of various aspects of Chamber business and reports were discussed.

The group voted to remain affiliation with the West Texas Chamber of Commerce and remitted dues to that organization.

Fay Robinson Has Surgery

Fay Robinson, daughter of Mr. and Mrs. K. K. Robinson, underwent surgery Wednesday morning in the Texas Children's Hospital in Houston. Mr. and Mrs. Robinson left Monday for Houston to be with their daughter.

The little girl is a victim of the crippling effects of polio and the surgery was performed in an effort to enable her to walk without crutches and braces.

Terrell Ranchers Enter Suit To Stop Cloud 'Seeding'

Terrell County ranchers or a rancher has entered a suit filed Monday in Fort Davis against farmer groups of West Texas.

The suit is for \$500,000 damages and was filed by a Midland law firm against the company conducting cloud seeding in the area and against several officials of the company.

The suit represents some 30 ranchmen and a few farmers of Reeves, Jeff Davis, Pecos, Culberson, Winkler, Ward, Loving and Terrell Counties.

The ranchmen plan to combine this damage suit and one previously filed for a fight to finish with farmers conducting cloud seeding in the Fort Davis area.

The identity of the ranchmen in the suit was not revealed.

Defendants are the Southwest Weather Research, Inc.; E. K. Kouser, president of the company; John Hill Lewis, a pilot; Trans-Pecos Weather Control, Inc., of Fort Stockton; and Trans-Pecos Cotton Ass., of Pecos.

A spokesman for the ranchers stated that they were seeking temporary and permanent injunction against the cloud seeding.

The feud between the ranchers and farmers originated when the farmers in the Trans-Pecos area contracted with the Weather Research, Inc., to seed clouds in an attempt to decrease danger of hail and facilitate moisture.

The ranchmen contend the operation breaks up clouds and hails rain.

The Midland law firm of Russell, Dubberman, McRae, Sealy, and Laughlin is representing the plaintiffs in the suit filed Monday in Fort Davis.

Joint Bible School To End Friday

The Presbyterian - Methodist Vacation Church School is completing the second week of a successful session in the First Presbyterian Church on Friday night. There has been a total enrollment of 60 pupils and 19 helpers.

The Commencement exercises for the school will be at the Presbyterian Church at 7:30 Friday night, followed by a social hour in which there will be a display of some of the handwork done in connection with the school.

The Kindergarten Department Superintendent, Mrs. W. G. Downie, who has been assisted by Miss Colleen Pierson, Mrs. Jolly Harkins, Mrs. H. M. Petty, Mrs. Irvin Robbins, Miss Judy Denson, and Miss Joan Wood, has been studying "Children Learn From Jesus".

The Primary Department Superintendent is Mrs. J. L. Whistler and she has been assisted by Mrs. C. C. Mitchell, and Mrs. Lawrence Jones. The course of study was "Tell Me the Stories of Jesus".

The Junior Department Superintendent has been Mrs. Will J. Murrain, with Mrs. John W. Byrd, Mrs. G. E. Babb, and Mrs. L. G. Hinkle, as assistants. That department has been studying "Jesus is His Name".

Mrs. Hinkle was organist and assisted with the recreation and handwork in different departments. Mrs. H. E. Ezelle and Mrs. Bill Hill assisted with the nursery-age children of the workers.

Rev. John W. Byrd has been general superintendent of the school and has conducted the opening worship services each morning, at which time an offering has been received which will be divided equally between the Homes and Schools for orphans of the Presbyterian and Methodist Churches.

Each day refreshments of punch and cookies has been served by Mrs. H. C. Rock and Mrs. Gene McSparran.

At the Commencement exercises an offering will be taken to cover the expenses of the school. The public is most cordially invited to come to the final exercises at the Presbyterian Church Friday night.

Contract Let On Big Bend Tunnel

The Times received a telegram Monday from Cong. J. T. Rutherford relaying the information that the contract had been awarded to Cecil Ruby Co., Inc., for the construction of a 300-foot tunnel and grading and base-surfacing of about three and one-half miles of road in the Big Bend National Park. The contract was for \$524,000.

Conrad Wirth, National Park Service Director, told Rutherford when the work is finished the major roads from the park's Persimmon Gap north entrance to the new development area at Rio Grande Village will be completed, except for reconstructing short sections of the north entrance road. This will provide all-weather roads in that area.

Congressman Rutherford is a member of the House Interior Committee, which has jurisdiction over the nation's national parks.

Presbyterian Ladies Meet Monday Afternoon

Four members were present for the program when the Presbyterian Women of the Church met Monday afternoon in the church.

Mrs. C. C. Mitchell called the meeting to order and read Romans 12:14-21. Special prayer for the sick members of the church was led by Mrs. John W. Byrd.

Mrs. J. D. Nichols led the program on "A Suffering Church" with the members joining in the roundtable discussion and the reading of appropriate Bible passages.

Waiter Thorn Has Surgery

Waiter Thorn again underwent orthopedic surgery Tuesday on his leg which had been amputated above the knee several months ago. The operation was in an El Paso hospital and his wife is with him. His condition is reported to be satisfactory.

Drilling News --

Last week-end Richardson and Bass No. 1 M. H. Goode, section 6, Block R was reported preparing to cement seven-inch casing at total depth of 13,578. They resumed drilling in the Ellenburger and reported the first of this week to be at 13,586.

Texas Pacific 1-A Dunlap on the Hudson survey in Block 1, north and slightly east of the Goode well, was reported running logs at 7,269 this week.

Magnolia and Western Natural No. 2 Brown-Bassett was reported to be drilling out after setting casing at total depth of 14,300. This well is located on section 215 of Block Y.

Magnolia-Western Natural No. 2 Banner Estate on section 30 of Block 161 was reported waiting on cement at 599 after setting 13 3/8-inch casing at total depth.

Higher Postal Rates After August 1

Higher postal rates, decreed by the U.S. Congress during the present session, will go into effect August 1, Postmaster Clyde Griffith, has announced.

The new rates will affect all classes of mailings with the exception of parcel post, which experienced a rate raise a year or so ago.

First-class letters, long transported by the familiar purple three-center or the fancy memorial issues which you bought in sheets, will now require four cents and the three cent stamp will now be required on local mailings and post cards, heretofore costing only two cents.

Air mail stamps will be raised from 6c to 7c, the air mail not exceeding 8 ounces and air mail postal cards will sell at 5c each.

On the second class mail, transient rate, the first two ounces will be at 2c and each additional ounce at 1 c. Third class mail will be raised to 3c for the first two ounces and 1 1/2c for each additional ounce. Books will be mailed at 9c for the first pound and 5c for each additional pound or fraction.

With all the rate increases in other classifications of mail as provided in the new postal law, it is surprising to find a tremendous liberalization of the air parcel post overseas mailing maximum weight and size package. Under the old rules, air parcel post packages were limited to 2 pounds and in size not over 30 inches combined length and girth.

The new rules raise the maximum weight limit to 70 pounds and the maximum length and girth measurement to 100 inches.

ASC Election Board Meets To Name Nominating Group

The Terrell County Election Board met in the local ASC office on July 16. Members present were Ray D. Siegmund, district agricultural agent from Fort Stockton; Carroll R. Puzard, acting county FHA supervisor of Del Rio; L. D. Booker, local SCS work unit conservationist; and F. M. Wood, Jr., office manager of the Terrell County ASC office, acting as secretary.

The election board selected members of the community election board. The members are Herbert Brown, chairman; Herman Couch, vice-chairman; and R. N. Allen, Jr., member.

The community election board will meet August 6 for the purpose of selecting nominees to be placed on the ballots for the approaching election of a new Terrell County ASC Committee.

Braves To Play Barstow Nine Here

The Sanderson Braves will meet the Barstow team here Sunday afternoon at 2:30.

The Braves were successful in shutting out Fort Stockton on the local field last Sunday afternoon with a score of 8-0 when the Stockton aggregation gathered up their equipment and left the field in the sixth inning.

Fort Stockton and Sanderson players protested the game. Local players were accused of unnecessary roughness while running the bases, and Stockton players were accused of blocking bases from base runners.

Sunday afternoon's game will afford an interesting fray between two good teams.

Tax Rate Approval Vote Set for Tuesday, July 29

A petition presented to the Terrell County Independent School District for approval of a tax rate for that body was heard at a meeting of the board Tuesday night.

The board set Tuesday, July 29, as the date for the tax rate approval election.

Under the common school district, special legislation had set the tax rate at \$1.75 per \$100 valuation. This was broken down to give 38c for bond retirement and \$1.37 for local maintenance. Five cents of the 38c went into a sinking fund for the retirement of the Lamar School bonds, which will all be retired August 1, 1958.

With the 5c above mentioned subtracted from the 38c which was toward bond retirement, 33c remains which goes toward bond retirement.

The vote July 29 will ask for approval of \$1.50 maintenance tax. If approved this tax will be in addition to the 33c sinking fund, making total school taxes \$1.83 or 5c higher than last year.

This rate is on each \$100 valuation of rendered property.

Certainly the school board is seeking the cooperation of the people in this vote and asks for the support of the qualified voters.

Polling will be in all four precincts from 8 a.m. to 7 p.m. and only qualified property tax paying resident voters will be allowed to vote.

The board explains that a poll tax receipt or exemption certificate is not qualifications for voting in this election. The tax rolls and the poll list will be used in determining the qualifications of voters.

Lions Elect International President

Dudley L. Simms, a merchant of Charleston, West Virginia, has been elected International President of Lions International at the Association's 41st Annual Convention in Chicago, Illinois. Lions International with 577,000 members in 91 countries or regions, is the world's largest service club organization.

Lions International is especially known for its many youth activities and service activities in sight conservation and aid to the blind. Last year Lions Clubs around the globe completed more than 171,000 individual worthwhile community service projects.

Traffic Deaths Lower by 30 in Area

A good driving job is being done, said Capt. Ray Butler, of the Midland Highway Patrol District Office as he tabulated the first 6 months of activity and accident records for 1958.

Capt. Butler pointed out that 47 traffic deaths have occurred in the 24-county district through June, as compared to 67 for the same period of 1957.

"The fact that our citizens have done such a commendable job the first 6 months, gives us hope they will do a good job the rest of the year," Butler said.

Seven persons were killed in rural traffic accidents during June; 75 persons were injured in 43 personal injury accidents, and there was a total of 128 accidents with an economic loss of \$134,778 or an average loss of \$1,052 per accident.

The number of accidents indicate we certainly must not relax our traffic control efforts. The patrolmen in District 4-A contacted 4,005 drivers for hazardous traffic violations during June and found it necessary to prefer charges on 910 of those stopped," Capt. Butler said.

"As our vacation extends into summer, we must remain alert and cautious as we drive so we can maintain the record that has been established up to date, Butler concluded.

Methodist Picnic Postponed To Friday, July 25

The picnic and fellowship planned by the members of the Methodist Church for Friday, July 18, has been postponed to Friday, July 25. The change was made due to the conflict with the closing program of the daily vacation church school.

All members and friends of the church are invited to attend the picnic and bring a picnic lunch. Iced tea will be furnished at the church.

Reports Heard From Delegates to Austin Boys', Girls' States

The ice cream supper sponsored by the members of the Legion Auxiliary last Friday evening was considered a success in every respect by those attending and sponsoring the event.

Brucks Bader, who attended Lone Star Boys State, and Misses Peggie Cooke and Barbara Sudduth, who attended Bluebonnet Girls' State were present and told of their experiences at the Austin meetings.

The serving of home-made ice cream and cake began at 8 p.m. and continued until a late hour. A cake was sold at Chinese auction.

Mrs. Monte Goode, chairman of the supper, expressed the appreciation of the Auxiliary to the public and members for their cooperation and support.

Austin — Mid-way through the so-called "recession year" of 1958, Texas economic forecasters are turning their eyes upward again.

Statistical reports show steady improvement in overall business activity since the bleak blows of February and March. If the hoped-for pick-up in oil demand develops during the latter half, analysts say, "1958 may be a good year after all."

Some of the bases for the current atmosphere of cautious optimism are these:

Bank Deposits: — Folks have lots of money in the banks; in most areas, more than last year. Response to the Texas Banking Commission's mid-year call for condition of banks showed that most have higher deposits than last summer and some are at new record highs. Dallas County bank deposits increased by \$333,000,000. Harris County (Houston) by more than \$267,000,000 over a year ago. Towns with all-time high deposits were Amarillo, Tyler, Corpus Christi, Midland, Denton, and Port Arthur.

Retail Sales: — Despite sags here and there, Texas retail sales are expected to run some 7 per cent ahead of '57, says the University of Texas Bureau of Business Research. Because of low months early in the year, sales volume for the first five months of '58 were 1 per cent below the same period for '57. But a late spring gupsurge put May of '58 sales ahead of those for May, 1957. Apparently Texans are concentrating on essentials. Compared to last year, farm implement sales were up 27 per cent, food up 11 per cent, autos down 8 per cent.

Business Index: — BBR's latest report shows the 1958 level of general business activity 4 per cent below May 1957. But May of '57 was a dizzy pinnacle, the highest point ever reached by the Texas business index. Since the low in March the index has made encouraging progress, pulling up by 8 points. Fall will bring the tip-off, says BBR, as to whether recovery momentum is sufficient for a rise to a new crest.

Employment: — Although there were thousands more out of work than a year ago, Texas Employment Commission's most recent over-all survey showed a substantial shortening of the jobless lines. Like the general business index, employment seemed to be making a steady recovery from the early spring "trough." Number of unemployed dropped 4,200 during May, TEC reported, and non-farm employment rose to almost three million. Insured unemployment in Texas was only 4.1 per cent of the working force compared with the national average of 7.2 per cent.

Company Challenged: — A king-size clash is in prospect July 15 between the State Insurance Department and National Bankers Life Insurance Co. of Dallas.

Commissioner W. A. Harrison has ordered the company to prove fitness of its management or lose its license. National Bankers, regarded as one of the largest and most prosperous companies in the Southwest, claims more than \$19,000,000 in assets. Some \$5,000,000 of

these are discounted by the Department as unsound or unsuitable for an insurance company. Specifically questioned by the state are a number of mortgage loans made by the company to other firms in which the company's officers or directors have an interest.

Company president Lester F. Hall said the firm's financial footing is so sound it could raise \$5,000,000 in a matter of hours. He said the company had a premium income of \$10,000,000 last year and net earning of \$1,000,000.

Glad To Move Over: — Despite the prospect of losing "biggest state" honors, Texas officials say they're happy to welcome Alaska as No. 49. Sample comments: Gov. Price Daniel: "We still have the biggest navy." Sec'y of State Zollicoffer: "I'm glad another state will bear the brunt of the gags about being the largest state."

Atty. Gen. Will Wilson: "I suggest they nail down their offshore lands before they enter the union."

Semi-Westward Ho: — Redesignated Texas - tan uniforms have brought a new look to the Texas Highway Patrol. Semi-western in style, the uniforms sport black trim, black shoes, wide brim grey hats with western crease.

Only 380 patrolmen and other division members of the Department of Public Safety are outfitted at present. New uniforms for the rest will have to wait for another appropriation from the Legislature.

Taxpayers Get Wary: — Slump in federal income tax collections in Texas the past several months has been noted by Internal Revenue officials.

Cause has been attributed to recession-minded taxpayers lowering their estimates of income for the year. South Texas Collector Bob Phinney thinks, however, most will wind up making as much money as last year.

Last year Texans paid a record-breaking \$2,600,000,000 in federal income taxes, about \$128,000,000 more than in the year previous.

School Cost Climb Seen: — Texas counties expect cost of education to climb \$70,000,000 annually in the next five years.

This was revealed in reports of 251 counties to the Hale-Aikin Survey Committee on Public Education. Most of the increase would go for expansions necessary to keep up with increasing enrollment.

Counties differ as to how the money should be raised. Twenty-five per cent favored higher local taxes or increased valuation. Forty-four per cent wanted additional money from the state. Nine counties favored federal aid. Thirty-five recommended a sales or income levy.

My Neighbors: — Miss Winnie Mansfield, who was employed at the cafe at Slim's Truck Stop, is now residing in Del Rio.

Mr. and Mrs. W. E. Stavley and Jon are in El Paso for Mrs. Stavley to have a medical check-up.

Mr. and Mrs. Thurman White were in Fort Stockton Tuesday of last week for dental work.

Mrs. Winnie Magill and Mrs. Ray Hodgkins were business visitors in Fort Stockton Wednesday.

Mrs. Jack Turner took her daughter, Elizabeth, to an orthodontist in Odessa last week.

R. V. Spears of San Antonio visited here Sunday with his daughter, Mrs. Bob Wilkinson, who accompanied him home.

John Allen Freeman, 6-year-old son of Mr. and Mrs. A. T. Freeman, underwent an emergency appendectomy in a Del Rio hospital on Tuesday, July 8.

Mrs. E. E. Farley and daughters, Eloise and Beverly, went to Beville last week to visit with her father and other relatives for a few days.

Charles Bentley is employed at Joske's of Texas in San Antonio.

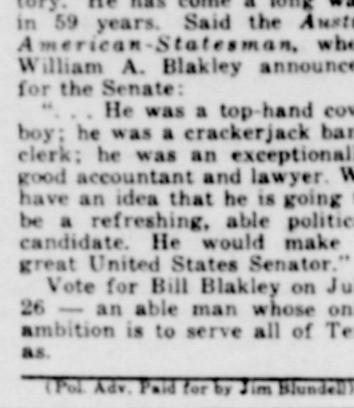

"I don't care what your silly stick says. When I order Size 4—I WANT Size 4!"

Blakley Story Is Typically Texan: — The typical American story is of the poor boy who made good through his own efforts. This is the story of Bill Blakley, born in a covered wagon while his parents were on their way to homestead in Oklahoma territory. He has come a long way in 59 years. Said the Austin American-Statesman, when William A. Blakley announced for the Senate: "He was a top-hand cowboy; he was a crackerjack bank clerk; he was an exceptionally good accountant and lawyer. We have an idea that he is going to be a refreshing, able political candidate. He would make a great United States Senator."

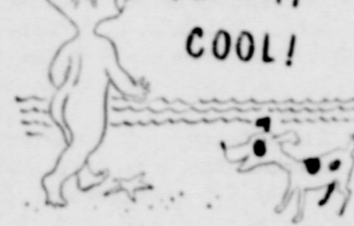

Vote for Bill Blakley on July 26 — an able man whose only ambition is to serve all of Texans.

Sure-footed Man Serves Texas: — The colorful language of the ranch and trail seems to fit Bill Blakley, who made his start in life as a working cowhand. He still rides and ropes with the hands on his ranch at roundup time.

Speaking of Blakley's service as U. S. Senator in 1957, the Dallas News said: "... If he was as unassuming as an old boot, it was nevertheless a well polished boot that never wobbled or wavered from its purposeful path. For this man Blakley is a sure-footed man who knows exactly where he stands and what he believes." Texans will vote to return William A. Blakley to the Senate on July 26 because he truly represents the spirit, traditions and views of all Texans.

Miss Grace Murphy Wed On July 9

Wedding vows were said at 10 o'clock Wednesday morning by Miss Margaret Grace Murphy of El Paso, daughter of Mr. and Mrs. J. D. Murphy of Jackson, Texas. Curtis Albert Litton, son of B. Litton of El Paso and the Mrs. Litton former Sanderson residents.

The ceremony was held at the First Baptist Church in Jackson where Rev. Wayne DeHoney officiated in a setting decorated with white gladioli, stock and lilies. White tapers in branched chandeliers and baskets of wood-gladioli ferns formed a background.

The bride, given away by her father, wore a white silk dress of tulle over pleats in slim mode with a white picture hat. She carried a white orchid atop a white bouquet.

The wedding was attended by Mrs. Joe Litton who wore a dress of white and pink cotton and lace and a bouquet of pink daisies. Little Mary Beth Overton, flower girl, wore a pink organdy dress and carried a nosegay of pink daisies.

Leon E. Murphy, the bride's brother, was best man. Another brother, Elton I. Murphy, Jr., and Gilbert Harrison were usher.

J. D. Thompson San Antonio Miss Wed Last Friday

In a candlelight ceremony in Houston Terrace Baptist Church in San Antonio last Friday, Miss Bobbie Jean Hardin became the bride of James Daniel Thompson, youngest son of Mr. and Mrs. J. D. Thompson of Yoakum, former Sanderson residents. The bride is the daughter of Mr. and Mrs. Charles W. Hardin of San Antonio.

S. D. Thompson served his son as best man and two of the bridegroom's brothers, Dick Thompson on Yoakum and Harvey Thompson of San Antonio were groomsmen.

The couple visited here with his brother, Gene Thompson, and family the first of the week after a trip to the Davis Mountains and left Tuesday for their home in San Antonio where he is employed by a chemical company.

Mr. Thompson is a graduate of the Sanderson High School and attended Southwest Texas State Teachers College in San Marcos after serving in the U.S. Navy.

Mr. and Mrs. Gene Thompson and children went to San Antonio Friday to attend the wedding.

BIRTHS

Mr. and Mrs. Jack Brunson of Chula Vista, Calif., former residents, have announced the arrival of a son, their second child on July 9. He weighed six pounds and 11 ounces and was named Stephen Dudley.

Mrs. J. R. Blackwelder, her granddaughter, Sharon Ann Hill, and her daughter and grand daughter, Mrs. J. R. Dunman and Ora Dee of Taylor, visited in Fort Stockton last week-end with her sons, Weldon and James Blackwelder, and their families. Another daughter, Mrs. J. C. Boyd, with Mr. Boyd of Midland joined them there for the visit.

New Senate Hand Aided Democrats

When William A. Blakley was appointed to the U. S. Senate in 1957, he was a political unknown in Texas. But Washington awaited his arrival with great interest. So close was the party balance in the Senate that Blakley's vote was the difference between Democratic and Republican control.

True to his Democratic tradition, Bill Blakley voted with his fellow Democrats. They have been in control ever since.

Now Bill Blakley seeks his first elective term in the U. S. Senate. A vote for Blakley is a vote for sound, Democratic government.

NOTICE OF ELECTION

THE STATE OF TEXAS)
COUNTY OF TERRELL)
TO THE RESIDENT QUALIFIED VOTERS OF TERRELL COUNTY WATER CONTROL AND IMPROVEMENT DISTRICT NO. 1.

NOTICE IS HEREBY GIVEN that an election will be held on the 1st day of August, 1958, in said District, in accordance with the provisions and upon the question contained in the following resolution and order passed by the Board of Directors of said District on the 30th day of June, 1958.

RESOLUTION AND ORDER
BY THE BOARD OF DIRECTORS OF TERRELL COUNTY WATER CONTROL AND IMPROVEMENT DISTRICT NO. 1 CALLING AN ELECTION ON THE QUESTION OF CONFIRMING THE DISTRICT.

WHEREAS, on the 19th day of May, 1958, the Commissioners Court of Terrell County, Texas, granted the petition of more than fifty persons owning land in the District, and upon hearing said petition, created and established Terrell County Water Control and Improvement District No. 1, and appointed five directors for said district; and

WHEREAS, said directors have taken the oath of office as such directors and have made bond as provided by law, and said directors have organized as provided by law;

IT IS THEREFORE RESOLVED AND ORDERED BY THE BOARD OF DIRECTORS OF TERRELL COUNTY WATER CONTROL AND IMPROVEMENT DISTRICT NO. 1:

That an election be held within and for said Terrell County Water Control and Improvement District No. 1, on the 1st day of August, 1958, in said District, for the purpose of confirming the organization of said District.

That for the purpose of said election the entire District is hereby constituted one voting precinct. The polling place for said election shall be the Terrell County Court House in said District, and the following named persons are hereby appointed to act as election officers:

John Byrd, Presiding Judge
Herbert Brown, Assistant Judge
Mrs. W. E. Stavley, Clerk
Mrs. G. E. Rabb, Clerk

That the ballots for said election shall have written or printed thereon:

"FOR CONFIRMATION OF DISTRICT"
"AGAINST CONFIRMATION OF DISTRICT"

Each voter shall scratch or mark out one of the above expressions, thus leaving the other as indicating his vote on the proposition.

Only qualified resident voters in said District shall be qualified to vote at said election.

Said election shall be held and conducted and returns made to this Board of Directors in accordance with the provisions of Chapter 25, General Laws enacted by the Thirty-ninth Legislature of its Regular Session in 1925, and amendments thereto, so far as the same make provisions for such election, and in matters not therein provided for by the election proceedings shall be in accordance with the general laws of Texas.

The officers holding said election shall make returns of said election to this Board within five days after the date of said election, and shall deliver the ballot box to the Secretary of this Board for safekeeping.

A substantial copy of this resolution and order, or notice containing the same, signed by the President and Secretary of this Board of Directors, shall constitute proper notice of said election, and the President and Secretary of this Board of Directors are hereby authorized and directed to cause such notice of said election to be given by publication of such notice once each week for three consecutive weeks in some newspaper having general circulation in Terrell County, the first publication to be at least twenty-one (21) days before the date of said election.

PASSED AND APPROVED this 30th day of June, 1958.

S. GREENE COOKE
President, Board of Directors.
