

Life has returned to the Friona Schools in no uncertain terms.

One week ago, the halls of the buildings stood silent and vacant. The pungent smell of wax dominated the air and the silence was broken only by an occasional click or snap from some obscure part of the building.

Monday, as school began in earnest, the scene suddenly changed to one of orderly chaos. Lines appeared, apparently from nowhere, as mothers delivered their young offspring to the teacher's care, students received their impressive supply of books for the semester, and an unending chain of problems was presented to principals for a solution.

The smell of wax was smothered by that of pleasant perfumes and colognes as spruced-up students, mothers, and teachers whisked into the buildings to begin the nine-months session.

The sounds changed also. The soft creaks and clicks gave way to the low rumble of many voices coming from all points of the structures.

And smothered beneath the rumble, a young boy manfully tried -- and failed -- to smother back a sob and a small girl stared at the open door where her mother has just passed then looked back to the teacher with great tears spilling from her eyes.

Yes, life returned to the schools happiness, sadness, joy, agony all a part of the task of growing up a part of a way of life.

Deadlines for placing entries in the various Maize Days competitive events are drawing near.

Walter Cunningham, beard committee chairman, is accepting the brush entries now. There will be three prizes awarded to the beards picked as the top three by the judges. First prize \$10.

The only problem connected with winning the contest would be deciding who earned the biggest share of the prize money, the wearer or his wife.

Mrs. Eva Miller of the Queen contest committee reports that 11 girls have been entered in the pageant and that a black and white picture of each entrant is needed.

From all reports, the event will be even more attractive than ever. There was some advocates of discontinuing the appearance of beauties in bathing suits but the majority ruled and the bathing suits are in.

Football season is upon us. Even the weather has turned cool and crisp to set the stage.

The greatly enlarged Friona team will journey to Farwell Friday to meet the Steers in an attempt to change the tide for Chieftains records.

The Steers chalked up the big score last year but at a much slower rate than some fans had predicted. The Chiefs lost by 20 points which was much better than the 50 odd points which most people were predicting.

Coach Miller believes that his team has a much better chance of matching the Steers this year. One thing is sure, the team will go with one thought in mind and that is to win -- fairly.

A good crowd and plenty of support from fans at the first game would serve to let the team know that the community is behind the team through thick or thin.

Frionans To Appear On TV

A group of Frionans will present a 30 minute program in the interest of Maize Days on KGNC-TV about 4 p.m. Saturday.

Guest entertainers will be Mrs. William Beene and Don Lewis, included on the show will be some local talent, a bearded man and an appearance of last year's Maize Days queen, Kay Burleson.

A representative of Friona Chamber of Commerce and Agriculture and a member of the Maize Days publicity committee will also appear.

FHS MAJORETTES . . . Set for the opening football game Friday are the six Friona High School majorettes. They are, left to right, Merylene Massie, Sheryl Long, Linda Davis,

Carolyn Herring, Carol Struve and Charlotte Nettles. Merylene, Sheryl, Linda and Carol are sophomores. Carolyn and Charlotte are juniors.

TOTAL OF 1200 EXPECTED

Friona Schools Enroll Record 1180 Students

Friona schools enrolled a record number of students as classes for the new school term began Monday.

As of Tuesday, a total of 1180 students had enrolled in the 12 grades. The number represented an increase of 29 students over the number which enrolled at a similar time a year ago.

The enrollment at the close of the 1961-62 school year was 1154, or 26 less than had enrolled by Tuesday of this week. Last year's average daily attendance at Friona Schools was 1083.

"New students will continue to come in all this week. Our enrollment should top 1,200 by the end of the week," predicted Superintendent of Schools Alton Farr.

Farr said he especially looked for a few more first-graders to enroll. Already, 157 first year

students had enrolled by Tuesday, 16 more than Friona enrolled at the beginning of the school term last year. The system has added a first grade section since last year, and now

has six rooms for the beginning students.

The high school enrollment was likewise up from the figures at the beginning of school last year. Principal Raymond Cook

reported a total of 301 for the four grades, an increase of 20 from last year's beginning.

"Our enrollment Friday was highly successful," Cook said. "Monday was the easiest first day of school I can remember," he added, Cook explained that only 10 new students enrolled Monday, and two on Tuesday, pointing up the effectiveness of last Friday's enrollment sessions.

The freshman class is the largest in high school, with 97 enrolled. The sophomores are next with 82, followed by the juniors, 68, and the seniors, 54.

Other enrollments, by classes: second grade -- 114; third -- 107; fourth -- 104; fifth -- 115; sixth -- 103; seventh -- 92; eighth -- 87.

Those girls who have been entered so far include: Wanda Ready, daughter of Mr. and Mrs. (Continued on Page 2)

has six rooms for the beginning students.

FOURTH ANNUAL

Football Contest Starts This Week

The fourth annual football contest, sponsored by the Friona Star and ten local businesses, gets underway this week, with the beginning of the football season.

The grand prize for the contest is two tickets to the Cotton Bowl Game on January 1. Weekly cash prizes will be awarded to the winners, \$5 for first place, \$3 for second, and \$2 for third. A full page advertisement in this week's issue carries complete details of the contest, along with entry blank.

One again, the Star will carry the weekly forecast by Joe Harris, one of the top national football experts. Each week during the season, Friona fans will have a chance to match wits with the "pro" forecaster.

Also, Friona fans will have the opportunity of voting for the Chieftain football player of the week on their entry blank each week.

A picture of the player receiving the most votes will be printed each week. The player receiving the most votes during the year will be awarded an engraved plaque at the end of the season.

Friona merchants sponsoring the contest will buy the tickets to the game, plus one night's hotel lodging and \$55 expense money.

The ten businesses sponsoring the contest this year are Reeve Chevrolet, Friona Country Club Gin, Friona Motors, Friona Wheat Growers, Bi-Wize Drug, Ethridge-Spring Agency, Herring Implement, Chester-Fleming Gin, Friona Farmers Co-op Gin and Hub Fertilizer.

"Everyone is encouraged to enter the contest and stay with it while they have an equal opportunity to win," said Star advertising manager John Getz, director of the contest.

NEW CLASSMATES . . . Friona's two exchange students, Carlos Azofeifa, left and Eva Braunschweiger, indicate their respective homelands on a world globe. Carlos is a native of Costa Rica, Central America, and Eva hails from Switzerland.

Construction Begins On Local Farm Road

Construction work started Tuesday on a farm-to-market road connecting Farmer and Deaf Smith County highways.

The new road will begin on State Highway 214 six miles north of Friona, and will extend north and east 7.951 miles to FM Highway 1058, six miles east of State Highway 214 in Deaf Smith County.

Charles Schmidt, spokesman for the contractor, Cooper and Woodruff, Inc., of Amarillo,

said the construction would be completed in 120 working days. The construction will consist of grading, structures, base and surfacing.

Schmidt said that a crew was to begin working on drainage structures Tuesday. Grading will start in approximately two weeks, he said, with the hauling of caliche to begin about October 1.

"We hope to have the first course of asphalt completed by

Nov. 1," Schmidt said.

William V. York, Senior Resident Engineer of the Texas Highway Department, Canyon, will be in charge of the project. York pointed out that traffic will be routed through the project at all times during construction.

Barricades, warning signs, flares and other safety devices will be prominently displayed at all times. Cooperation of the

(Continued on Page 2)

AT FARWELL

Chiefs, Steers Clash In Season Opener

Two relatively inexperienced football teams will take the field at Farwell Friday night, to usher in the 1962 football season. Only five seniors are expected to be among the 22 lads who line up against each other for the kickoff at 8 p.m.

The Friona Chieftains, who will be out to snap a losing streak that has stretched over two seasons, will have two seniors in their starting lineup; the Farwell Steers will have three.

Both teams list inexperience as one of the big weaknesses it has to contend with. The Chiefs have returning six lettermen, including five starters, while Farwell has nine lettermen and only three starters.

"Our size is another disadvantage," says head coach Kenneth Miller of Friona. The Chiefs will average just around 150 pounds on the line. Farwell, while not a whole lot bigger, will average around 165 pounds on the line.

One big "plus" factor in Friona's favor is its spirit, which is said to be way ahead of last year. The Friona coaches have also been more fortunate in having a good number of gridiron candidates this fall than last. There have been some 30 to 35 varsity boys trying for the team since practice began almost three weeks ago, whereas there were hardly enough for two teams at the same stage a year ago.

"Our boys won't give up. They may be small, but they are aggressive," stated assistant Coach Vernon Scott this week. Farwell Coach Dempsey Al-

exander, beginning his fourth year as the Steers' head man, has 36 boys out for his team, 25 varsity members and 11 freshmen. The Steers last year

had a 7-3 season record and were third in district.

The game is steeped in rivalry to begin with, and every indication is that the two teams should

have quite a battle. Each team wants the victory in order to get off on the right foot.

Friona would like to snap a 17-game losing streak. "A win

for us Friday would help the team's morale 100 per cent."

commented a Chieftain coach this week.

Farwell seeks a win as it

embarks upon a rugged non-conference schedule. To be met on successive Fridays by the Steers are Bovina, Seagraves, Portales, Morton and Plains,

all powerhouses in their respective districts.

"If we get through our non-conference schedule without getting hurt too badly, we might do all right in district," Coach Alexander said. The Kress Kangaroos, state quarterfinalists last year, are expected to repeat as district champs in Farwell's district wars.

The Friona team is in fair physical condition. David Carson, junior candidate for an end position, injured a leg in practice this week, and won't see much action Friday. Jackie Clark, a defensive end, will be out of action about five weeks with a broken foot bone.

The only seniors who will be in Friona's starting lineup are tackle Max Reeve and guard Dwight Bates. There will be four

FRIONA CHIEFTAINS . . . The 1962 edition of the Friona Chiefs, who meet Farwell Friday night are (front row, left to right) Milton Hargus, Dale Milner, Numan Loanman, Dwayne Holland, Billy Thomas, Max Reeve, and Dwight Bates. Second row -- George Rushing, Danny Murphree, Mickey Wilson, Glenn

Herring, David Carson, Danny Black and Jackie Stowers. Third row -- Joey Taylor, Ronnie Brookfield, Jimmy Snead, Gary Renner, S. D. Baize, Larry Buckley and Doug Dodd. On the back are Tex Phipps, Ronald Awtrey, Everett Gee and Tommy Baxter.

Amarillo Woman Is Injured

Karolyn Parker Langham, 19, of Amarillo, sustained a broken jaw as a result of an accident north of Oklahoma Lane on Farm Road 1731 Sunday afternoon.

Mrs. Langham was injured when the small foreign car she was driving overturned. She was taken to Parmer County Community Hospital in Friona.

The woman told investigating officers that she was attempting to cover her young daughter with a blanket. The youngster, who was riding in the back seat, was uninjured.

The car apparently went off on a shoulder, and when Mrs. Langham swerved, it overturned. The car was found resting on its wheels on the west side of the highway.

Mrs. Langham's husband was following his wife in a pick-up truck at the time of the accident.

Rummage Sale Planned

Members of the American Legion and Auxiliary have completed plans for a rummage sale to be held during Maize Days. All proceeds from the sale will be used by the two organizations for a worthy cause.

Anyone having items to donate for the sale is asked to leave it at the City Hall or at J. P. Sims Texaco Station.

Donors may also call Mrs. Earl Drake and arrangements will be made to have saleable items picked up.

Meeting Postponed

The regularly scheduled meeting of the Parmer County Community Hospital Auxiliary has been postponed from September 13 to September 20. This postponement was deemed necessary due to a Maize Days conflict. Mrs. Marty Martinez, president, encourages all auxiliary members to remember this announcement and make preparations to attend the Sept. 20 meeting.

Careless driving can wreck a fender—or a family.

Can you top this? Edward S. White Jr. is pictured here holding a cantaloupe he grew in his backyard. The vine produced a number of above average sized cantaloupes, but this one, which weighed more than seven pounds, was the largest.

Construction--

(Continued from Page 1)

public is requested in obeying these warnings at all times.

It was explained that the first course of asphalt will be completed prior to the cold weather months, so that the public could use the road at that time, and the final course will be applied sometime after April 15, 1963. The new Farm Road, which will not have any extensions except that it connects two existing highways, will be designated Farm Road 2298.

Chiefs --

(Continued from Page 1)

sophomores and five juniors on the starting eleven.

Farwell will counter with three seniors, two sophomores and six juniors.

Quarterbacking for Farwell will be 190-pound junior Leon Lovelace, last of the Lovelace brothers. Older brothers Johnny and Jerry will be playing for the Texas Tech Red Raiders this fall.

Frionans Attend Boys Ranch Rodeo

Among the more than 4000 spectators at the Sunday performance of the annual Boys Ranch Rodeo were Mr. and Mrs. Calvin Martin and Larry Martin of Friona.

The Frionans were met at a park near the ranch by a group of relatives and friends for a picnic lunch before the rodeo.

Others present were Mr. and Mrs. Herbert Nidey and Harold and Mr. and Mrs. Eugene Nidey and daughters of Campo, Colo.; Mr. and Mrs. Worth Poteet and children of San Diego, Calif.; Mr. and Mrs. Arthur Nidey and family, Elk City, Oklahoma; Mr. and Mrs. Robert Orndorff and children, Lamar, Colo. and Glenda Hicks, Sunray.

ALL LOCAL . . . Friona golfers scored a sweep of the first flight in last weekend's tournament. From left to right are Pudge Kendrick, winner, Wright Williams, runnerup, and Eddie Coronado, consolation champion.

Clovis Golfers Steal Show At Friona Meet

Jack Bowman of Clovis ran away with the first annual Friona Invitational Golf Tournament last weekend, shooting a 71-66-70-207 to finish ten strokes ahead of the second place golfer. It was an all-Clovis finish, since Terry Hicks shot 217 for second and Brooks Jennings had 222 for third. Both are from Clovis also.

Local golfers scored a clean sweep of the first flight tournament, however, Pudge Kendrick was the flight winner. Wright Williams was second, and Eddie Coronado won consolation. Doyle Edmonston of Wilmon was the second flight winner, Harold Sneed of Muleshoe was second and Jay Claiborn of Friona took consolation honors.

The third flight winner was Carroll McDonald of Earth, with a 3-2 decision over Lee Renner of Friona, who was second.

Other scores in the championship bracket included: Russell Bryant, Muleshoe, 73-79; Vernon Scott, Friona, 78-76; Paul Jones, Moreson, 78-73-75-226; John Renner, Friona, 74-77-75-226.

Fred Pendergrass of Olton led his team to victory in the pro-am tournament last Thursday. Other members of his team were George Redinger, Olton, Truett Johnson and Betty Reuctor, Friona.

Three teams tied for second, led by professionals Ken Shields of Littlefield, Horace Moore, Plainview and Ray Hardy, Muleshoe.

Host pro Joe Coronado stated that it was the first pro-am in the West Texas Professional Golfers Association this year in which every winning team had a pro as a member.

Over 100 golfers were on the course Thursday. Fifty-six of them played through the four-day tournament.

NEW COACH MAKES BOW

Lazbuddie Opens Season Against Wilson Friday

The Lazbuddie Longhorns open their football season at Wilson Friday night, and new head coach Charley Walton hopes that he will get the most mileage possible out of his small squad.

Walton, who took over the head coach's job after a one-year stint by Bobby Crooks, says the Longhorns will be hard-pressed to better last year's 2-7 record.

The Longhorns, with ten lettermen returning from last season, had their lettermen list lowered by two through transfers and ineligibility.

Lazbuddie was especially hit hard at the center slot, where it lost two men. Last year's all-district center Calvin Mason moved from the community prior to school starting, as did Clark King, another senior.

Glendale King, an end, failed ton, 78-73-75-226; John Renner, Friona, 74-77-75-226.

Fred Pendergrass of Olton led his team to victory in the pro-am tournament last Thursday. Other members of his team were George Redinger, Olton, Truett Johnson and Betty Reuctor, Friona.

Three teams tied for second, led by professionals Ken Shields of Littlefield, Horace Moore, Plainview and Ray Hardy, Muleshoe.

Host pro Joe Coronado stated that it was the first pro-am in the West Texas Professional Golfers Association this year in which every winning team had a pro as a member.

Over 100 golfers were on the course Thursday. Fifty-six of them played through the four-day tournament.

to pass his required physical examination.

Two players are currently out with injuries. They are Ricky Hassle, an end who has a broken arm and will miss at least five games, and Hoppy Jennings, a freshman quarterback who has a broken hand.

One of the returning starters is guard Harrol Redwine, a 170-pounder who is captain of the team. Redwine has lettered two years. Twin brother Carrol joins him at the other guard spot. He is also a returning letterman.

Walton expects to have adequate speed in his starting backfield.

"Three of the backfield men will be on our sprint relay team in track," the coach pointed out. Two of the boys can run 100 yards in around 10.7. They are halfback Terry Darling and fullback Mike Bean.

Darling is expected to be the best running back. He was second last year to halfback Jimmie Dale Seaton, who along with fullback Donnie Smith are the two backs lost by graduation. In all, the Longhorns lost eight by graduation.

Walton indicated that the Longhorns might throw the ball quite a bit. In quarterback Kenneth McGhee, Lazbuddie has the second best chucker in the district to Bovina's Don Cumpston, ventured the new Lazbuddie coach.

With just 25 men on the squad, lack of depth is the main weakness cited by the Lazbuddie coaches. Walton is assisted by Carol Stepp, who is likewise in his second year at Lazbuddie.

Lack of experience is shown in the number of sophomores who are plugging for starting assignments. Gary Eubanks is gunning for the center position. He is a sophomore, along with tackles Theron Vaughn and Lewis Seaton.

Another sophomore, Buddy Embry, will see a lot of time at end. Sophomore Johnny Mabry is waging a battle for one of the halfback slots.

Walton listed two freshmen who should play a good deal during the season. They are H.W. Moore and Johnny Mitchell.

The Longhorns have had just one scrimmage, against Three Way. "I'm real proud of the way we hit, although we made a lot of mistakes, which were expected," the coach said.

Lazbuddie's lettermen returning are Jerry Engelking, an end; tackle Lewis Seaton, the Redwine brothers at guard; McGhee; halfbacks Mac Brown, Darling and Mabry, and fullback Bean.

The complete squad list includes: Ends--Jerry Engelking, Steve Young, Buddy Embry, Beanie Watson, Leon Watson.

and Bobby Morris. Tackles--Theron Vaughn, Lewis Seaton and Eugene Houston; guards--Harrol Redwine, Carrol Redwine, Fred Owens, Johnny Mitchell, H. W. Moore and Max Eubanks; centers--Gary Eubanks and Sammy Harlan.

Quarterback--Kenneth McGhee; halfbacks--Mac Brown, Terry Darling, Johnny Mabry; Lloyd Bradshaw, James Koelzer, Craig Shumann and Gary Coker; fullback--Mike Bean.

The Longhorns' schedule reads:

Sept. 7 Wilson, there
Sept. 14 New Deal, here
Sept. 21 Open Date
Sept. 28 Cooper, here
Oct. 5 Amherst, here
Oct. 12 New Home, here

Teachers To Be Honored

Guests of honor at a get-acquainted meeting in the school cafeteria Monday evening will be all teachers and school personnel. This meeting, which is being sponsored by the Parent-Teacher-Association, will begin at 7 p.m.

Parents are asked to bring salad, dessert and meat for members of their families and three extra persons.

A nursery will be provided in the gym for pre-schoolage children.

Mrs. Doyle Cummings, president, urges all parents to attend this meeting.

Mrs. G. E. Shackelford and children, Terry, Danny and Molly, were weekend guests in the home of Mr. and Mrs. Ber Shackelford, G. D. Anderson of Farwell, who is Mrs. Shackelford's brother, was a Sunday visitor.

Something To Think About

6th. Street Church of Christ
Box 515 -- Friona, Texas

Lots of people think they have convictions when they only have prejudices. Convictions grow out of opinions formed after considering both sides. Prejudices grow out of opinions formed without taking the trouble - or really wanting - to hear the truth about both sides. All of us have our full share of both. Sometimes it is pretty hard to tell which is which. We cling stubbornly to inherited or self-evolved, opinions believing that we believe they are right. But few of us dare to make the acid test-the test that will tell us in a hurry whether the thing about which we are so emphatic is a conviction or simply a prejudice. Someone said, "Prejudice is a loose opinion tightly held," and another observed that a conviction is something we can explain without getting angry! We need to be sure that we not only know what we believe, but also why we believe it. In order to arrive at real conviction on religious matters, as is true with all matters, it is necessary that we become informed. God reminds us repeatedly, "Study," "Give heed to reading", "Add to your faith, knowledge," etc. To hold loose ideas tightly is to be on loose ground. One of the most urgent needs of our day is for people to study the Bible. Only then can we have that conviction so essential to our salvation.

What Really Counts?

The last will and testament of Patrick Henry was closed with these words: "There is one thing more I wish I could give you, it is the religion of our Lord Jesus Christ. With it, if you had nothing else, you could be happy. Without it, though you had everything else, you could not be happy."

The Christian religion is the one supreme essential of human life. He who has not found peace with God through faith in Jesus Christ is of all men most miserable, no matter what may be the size of his bank account and no matter how high his rung on the social ladder.

And by the same token, he who has found full and free forgiveness for all his sins through faith in Christ's atonement has found the supreme assurance and satisfaction of life--no matter how little he may have of this life's goods and no matter which side of the tracks he may live on.

As William Penn once said, "The true end of life is to know the life that never ends." That is the life that is lived by faith in Jesus Christ. Have you found that life?

MORE FISH . . . George Taylor displays the three miniature fish he caught in his irrigation system this week. It is the third instance reported this year, but Taylor is now the "champ" fisherman with three to his credit. He plans to keep the fish alive as long as possible, and then send them to Texas A&M College, for possible study for identity and so forth. Then maybe we'll get some light on the "fish mystery."

School is now in its first week and preparations are being made by the different classes for participation in Maize Days activities. Adults in the community are doing likewise. It seems that all of us have to get busy doing something for a project before we become very enthusiastic about it.

Time is running short and whatever any of us plan to do will have to be done in the very near future. Members of Friona's American Legion and Auxiliary are making plans for a rummage sale and are desirous of obtaining any item of rummage anyone would care to donate for the sale.

Proceeds of the sale will be used for a worthy project and anyone who has clothing or other items that are merely taking up space in closets, garages or other storage areas is encouraged to assist these two groups in making a success of this project.

The J. W. McMahan's have more dogs than they want or need. In addition to their own, they have one extra. He is a black Manchester with brown feet and appears to be a full grown dog. If this dog belongs to you or one of your friends or acquaintances, you may contact the McMahan's by dialing 6-2448.

Friona is going to miss the Bob Croziers, who are moving to Canyon. Bob has been with the Soil Conservation Service several years and Jackie has been employed by the local school system. They and their young daughter, LeAnn, have lived on West Grand Street.

Bob and Jackie have both been most helpful in assisting Star staff members gather information for news stories and were going to miss having them on hand to call on when we need assistance.

With the beginning of school it seems that things always begin to fall into a more definite pattern. Of course, there's something about the comparative freedom of summer that we miss, but it is always good to get back into the groove. It always gives me a great deal of pleasure to observe first graders starting to school for the first time. There are always some that are so excited they

can hardly wait and some that would prefer going home and deferring the beginning of their formal education as long as possible.

It shouldn't be long before Johnny Wilson's new building is completed. It will house an automotive supply house and will be located between Farmer County Pump and Galloway implement out in the west part of town on highway 60.

Think Panciera Tire and Supply Company plans a formal opening very soon. Their new building and grounds are very attractive. Panciera Tire and Supply is also on West Highway 60.

Bill Ellis and I need some help on our Maize Days edition, which will be the next issue. We would like to have pictures that were made a long time ago. Any black and white picture of Friona as it was years ago can be reproduced and will be taken care of and returned to the owner.

We plan a special picture feature for this year's edition and would like to borrow any picture you have available.

At least two of Friona's merchants must have been laboring on Labor Day. In spite of the fact that neither Foster's nor Hurst's was open for business, Wesley Foster and Andy Hurst were both downtown. Upon doing some checking I learned that Wesley was taking advantage of a working day without customers to do some needed cleaning.

Don't know for sure what Andy was doing, but judging from the clothes he was wearing, he was probably engaged in the same activity.

Much comment has been heard up and down the street about the large number of persons on the local golf course

Saturday and Sunday. There were a lot of spectators around every green Sunday afternoon and participation in the tournament must have been very good.

Mr. and Mrs. Dave Allen have started construction of a new home in the 1300 block of West Sixth Street and will move in as soon as possible. They will be next door neighbors of the Rene Sneads and are moving from Hereford.

Looks as if this year's beard growing contest is going to have to be conducted without Mrs. Os Lange. Due to a daughter's illness in Chattanooga, Tenn. it was necessary for Rose to go down there and it is doubtful that she will be able to return before Maize Days.

If there's anything Rose enjoys helping with more than an election it is a beard growing contest, so she will be sorry to miss this one.

A horse can't pull while kicking. This fact I merely mention. And he can't kick while pulling. Which is my chief contention.

Let's imitate the good old horse and lead a life that's fitting; just pull an honest load, and then there'll be no time for kicking.

Ph. 3521 Friona

Father Of Frionan Buried At Amherst

Funeral services for Hue D. Dutton, 70, longtime resident of Amherst were conducted at 3 p. m. August 29 at First Methodist Church there. Rev. E. R. McGregor, pastor, officiated. He was assisted by Rev. R. D. Heard, pastor of Rocky Ford Baptist Church.

Dutton died Monday at South Plains Hospital following an illness of six weeks. He was born in Arkansas and lived at Knox City before moving to Amherst with his family in 1933. Prior to his retirement in 1959 he was a farmer.

Survivors include his wife, Affie; two daughters, Mrs. Dorothy Muncy and Mrs. Doris

Louis Parsons Visit Here

Louis A. Parsons, son of Mr. and Mrs. John Allen Jr. recently spent two weeks visiting relatives and friends here. He has returned to his naval base in San Diego.

Present plans indicate that Parsons will spend the next two years in Japan, where he works in the personnel division as an identification card and leave clerk.

Williams, both of Amherst; one son, Floyd of Friona; two brothers, W. H. Dutton of Knox City and Scott Dutton of Tacoma, Wash.; seven grandchildren and two great-grandchildren.

Booth Opens Monday P.M.

Spoonburgers, pies, cakes and bazaar items will go on sale at the Rebekah booth in City Park at 4 p. m. Monday. This booth will be open from 4 p. m. until closing time Monday through Wednesday then will remain open all day on Thursday, Friday and Saturday.

Home made pies and cakes will be on sale and can be bought in slices or as a whole. Many beautiful hand made items will make beautiful and practical gifts, for the home will also be available.

Mr. and Mrs. Gail Wright and daughters of Stratford were Monday guests in the home of Mr. and Mrs. Gerald Wright and son.

Mrs. Jerry Don Gleason

Margaret Mabry Weds Jerry Gleason

In a candlelight service at Lazbuddie Church of Christ at 6 p.m. August 11 Margaret Ellen Mabry became the bride of Dr. Jerry Don Gleason, Mr. and Mrs. James D. Mabry and Mr. and Mrs. T. L. Gleason, all of Lazbuddie, are parents of the couple.

Dr. F. W. Mattox of Lubbock read the double ring ceremony before an arch of ferns interspersed with white gladioli and flanked by baskets of gladioli and candelabra holding white candles.

The bride, escorted to the altar and given in marriage by her father, wore a formal gown of white silk peau de soie designed with a molded bodice, three-quarter length sleeves and a decollete neckline. Features of the skirt were a controlled front panel with unpressed pleats at sides and back. It flowed into a chapel train. Her veil of silk illusion was attached to a crown of orange blossoms. Her bouquet was of cumbidium orchids, stephanotis and lillies of the valley accented with rhinestones, seed pearls and satin love knots.

Mrs. Jimmy Mabry of Lubbock, sister-in-law of the bride, was the matron of honor. Bridesmaids were Gayla Hodge, Lubbock; Janet Snead, Friona; and Linda Gleason, sister of the groom. Terri Sue Mabry, sister of the bride, and Belinda Mabry, cousin of the bride, were junior bridesmaids.

Bridal attendants wore blue satin dresses with basque bodices, brief sleeves and shallow bateau necklines. The wrapped lined bell skirts were joined to the bodices with self cord piping for decoration.

Dr. John Foster of Muleshoe was the best man. Candelighters were Bobby Gleason, brother of the groom and Ronald Mayfield, cousin of the groom.

Groomsmen were Johnny Mabry, brother of the bride; Rollins Bilby, Abilene; Nelson Shipman, Bobby Gleason and Ronald Mayfield, Ushers were Mabry and Nelson Shipman.

Marcella Mayfield, pianist, presented traditional wedding music and accompanied Dennis Smith as he sang "Because" and "Bless This House."

Guests at the reception in Fellowship Hall of Lazbuddie Methodist Church were registered by Barbara Achtelk. Punch and cake were served from a table covered with a cloth of blue nylon organza over taffeta by Mrs. Albert Clark, Sharon Parham and Eva Dean Ivy.

Special guests were Mr. and Mrs. F. L. Gleason, grandparents of the groom.

For a wedding trip to Red River, N. Mex. and points of interest in Colorado, Mrs. Gleason wore a beige lace dressmaker suit with matching accessories and a corsage from her bouquet.

Mrs. Gleason is a graduate of Friona High School and Lubbock Christian College. She received her bachelor of arts degree from Harding College at Searcy, Arkansas this spring.

Dr. Gleason, who is connected with Muleshoe Animal Clinic, is a graduate of Lazbuddie High School and Texas A & M College at College Station.

Mr. and Mrs. Gleason are home at 924 West First Street in Muleshoe.

Of Interest To ★ THE WOMEN ★

Sunday Dinner Honors Mrs. Floyd Reeve

Mrs. Floyd Reeve, who was observing her 78th birthday, was guest of honor at a family dinner at Friona Country Club at noon Sunday. Twenty-four members of the family were present for the dinner and then went to the family home on Euclid Avenue for an afternoon of informal visiting.

Highlight of the afternoon was reading of a tribute to Mrs. Reeve by Mrs. J. H. O'Rear of Amarillo. The tribute was written in poetic form by her husband. Birthday cake and coffee were served during the afternoon.

Those present were Mr. and Mrs. F. W. Reeve Sr., Mr. and Mrs. Glenn E. Reeve Sr., Joe and Max, Mr. and Mrs. Glenn E. Reeve Jr., Glenda and Jana and Mrs. Fay Reeve, Floyd, Sharon, David and Carol of Friona.

Also Mary Reeve, Pampa; Mr. and Mrs. J. H. O'Rear, Joyce and Gene and Mr. and Mrs. Curtis O'Rear of Amarillo.

Afternoon visitors were Rev. Hudson Phillips, Mrs. Malinda Schlenker and Mrs. Elmo Dean.

Family Gathering Honors Visitors

Mr. and Mrs. Lloyd Bratcher and children, Donna and Randy, of Oklahoma City spent several days visiting relatives here. A family gathering in the home of Mr. and Mrs. Richard Perkins Sunday honored the visitors.

Others present were Mrs. Eugene Guinn and Larry and Mr. and Mrs. Urschel Perkins and daughters, Teresa Gayle, Susie and Kandie of Hereford; Mr. and Mrs. C. W. Perkins, Darla, Leslie and David.

Also Mr. and Mrs. Cecil Floyd, Clarissa and Patricia and Larry Crow.

Osborns Have Austin Guests

Mr. and Mrs. Doug Whatley, of Austin, returned home Sunday after a short visit with her parents, Mr. and Mrs. Sloan Osborn. Mrs. Whatley is former Sally Osborn.

Mrs. Joe Osborn, returning home to Austin after a California trip, picked up two of the Osborns' grandchildren, William and Claire, whom they had been keeping.

Breakfast Honors Ella F. Holcomb

Mrs. Ella Faye Holcomb, former society editor of the Star, who has moved to Amarillo was guest of honor at a breakfast at Golden Spread Restaurant at 6 a.m. Wednesday.

Those attending were Mesdames Matt Brown, J. V. Houser, David Carson, Johnny Hand, Eugene Boggess, Lucy Welch, Ralph Price, D. L. Carmichael, John Blackburn, R. L. Bates, Glen Stevick and Truett Johnson.

Also Mesdames Steve Struve, J. M. Watson, James Proctor, Leonard Nettles, Elvin Wilson, Bill Wooley, Bob Riethmayer, R. E. Snead, J. B. Taylor, Nelson Welch, John Hays, Loyd Shackelford and Harold Lillard.

Second Son Born To Emmett Days

Mr. and Mrs. E. R. Day, Jr., of Lubbock became parents of a baby boy August 27 at 10:30 a.m. He was named Emmett Drewshaw and is the second son for the couple.

He has a sister, Debbie, 8, and a brother, Danny, 5. Grandparents are Mr. and Mrs. P. L. London and Mrs. I. V. Day. Mr. and Mrs. Day are both former Friona residents.

Connellys Visit

Sunday visitors in the home of Mr. and Mrs. Curtis Murphree were Mr. and Mrs. Doug Connolly and family of Spearman. Carolyn Murphree, who has been visiting in the Connolly home, returned home.

Other visitors were Mr. and Mrs. Johnny Mars and sons.

New Baby Has More 'n Moore Grandparents!

Young Detrica Kay Miller, daughter of Mr. and Mrs. John C. Miller, may not have more grandparents than any other baby, but she surely has more Moore grandparents.

She was born August 23 at Farmer County Community Hospital and weighed six pounds, seven and one-half ounces. She is the first child for the couple.

In addition to having eight Moore grandparents, Detrica has four grandparents who are not named Moore. This unusual situation was brought about by both her maternal and paternal grandmothers being named Moore before their marriage.

Grandparents are Mr. and Mrs. Claude Miller, Friona, and Mr. and Mrs. S. C. Moore, Clovis; great-grandparents are Mrs. Ira Miller, Friona, Mr. and Mrs. David Moore, Roswell, Mr. and Mrs. A. T. Moore, Seymour and Mr. and Mrs. T. A. Moore, Ontario, Calif.; J. C. Peek, Munday, is the only great-great-grandparent.

MYF Sponsors Breakfasts

Members of the Youth Fellowship of Friona Methodist Church sponsored a 7 a. m. breakfast Tuesday morning. Guests of honor were members of the 1962 graduating class.

Guest speaker was Don Lewis, former Friona resident, who is directing the singing during the meeting now in progress.

Lingerie Shower Honors Mrs. Jesko

Mrs. Lee Jesko, the former Brenda Collier, was guest of honor at a lingerie shower in the home of Mrs. Bill Baxter recently. Mrs. Jerry Rankin was co-hostess.

The serving table was covered with a white lace cloth over gold and centered with a fall floral arrangement of fruits and flowers interspersed with gold colored satin ribbon.

The guest of honor was presented a corsage of miniature lingerie items.

Those attending and sending gifts were Mrs. James B. Collier, mother of the honoree, Mrs. A. J. Jesko, her mother-in-law, Mrs. Jimmy Chesher, Sandra Hoover, Joy Ingram, Sharon Reeve, Dixie Chitwood, Jimette McLean, Pam Roden, Kay Burleson, Beth Akens, Mary Ann Boggess, Linda Castleberry, Carol Coffey and Betty Drake.

Local Couple Makes Tour

Mr. and Mrs. Raymond Adams returned Thursday afternoon after a two week tour of several western states. They were accompanied by Linda Salazar of Kress.

On the way to Boise, Idaho, where they visited in the home of Mr. and Mrs. Troy Harrell and Karen, they toured a number of places of interest. Then returned home by a different route.

Mrs. L. Taylor Visits Relatives

Mrs. Lillie Taylor returned home Monday after spending two weeks visiting relatives in Texas and Georgia and touring places of interest in several southern states.

After visiting her sister, Mrs. Dora Deyo in Waco, Mrs. Deyo and a daughter, Mrs. Bill Oliver joined Mrs. Taylor on her way to Albany, Georgia. They were guests in the home of T Sgt. and Mrs. Bill Young and children, Vikki, Valli, Mark and Necia.

The group went to Chattanooga, Tenn. on a sightseeing tour then returned home by way of Little Rock, Ark., where they were guests in the home of Mr. and Mrs. Howard Morris, former Friona residents.

HAVE VISITORS

Mr. and Mrs. David Piper of Stillwater, Oklahoma, spent the Labor Day Weekend in the home of Mr. and Mrs. Pete Mace of Friona. Sunday the two couples went to Fort Sumner for a picnic and sight-seeing drive.

Crozier Honored

A going away reception for Mr. and Mrs. Robert Crozier and daughter, LeAnn was held in the Sixth Street Church of Christ annex Sunday evening.

The Croziers, who are moving to Canyon, were presented a gift.

Ice cream and cake were served to approximately 150 persons.

Britt A Pounds Born Recently

Mr. and Mrs. Neil Pounds of Clinton, Oklahoma, became parents of a baby boy at Oklahoma General Hospital August 24. He was named Britt Alan.

Maternal grandparents are Mr. and Mrs. Claude Blackburn of Friona. Mr. and Mrs. E. B. Pounds of Adrian are paternal grandparents. Mr. and Mrs. T. E. Blackburn, also of Friona, are great-grandparents. Britt has a sister, Beth. His mother is the former Carol Blackburn.

County Farmers Vote "Yes" In Close Wheat Balloting

Parmer County farmers, like those in the rest of the nation, voted in favor of the 1963 wheat quotas last Thursday, but also like the nationwide vote, the margin was a close one.

With a two-thirds majority required in order for the quotas to pass, the national election carried with a "squeaking" 68 per cent majority.

Parmer County voters, while giving the quotas a bit more of an edge with a 73 per cent majority, showed some degree of reversal to past elections, such

as last year when the measure carried by 87 per cent.

Several area counties failed to give the referendum the required 66 and two-thirds per cent majority, and in seven counties the vote failed to carry even a majority.

The seven counties where the issue did not carry were on the North Plains-- Dallam, Sherman, Ochiltree, Oldham, Gray, Hutchinson and Donley.

In ten counties, the referendum carried, but not by a two-thirds majority. These counties were Potter, Randall, Hansford, Lipscomb, Hartley, Armstrong, Floyd, Bailey, Hardeman and Wilbarger.

Since the North Plains counties are predominately dryland wheat-growing areas, the voting trend seemed to be against quotas in dryland areas, and for them in the irrigated counties.

Although Parmer County's vote was 150 short of last year's record 702, the county's wheat-growers maintained their record

as "most patriotic," as more voters turned out than in any other county in the state, for the second straight year.

The total vote in the county was 405 for the quotas, and 147 against. One county ballot box voted against the measures, the Rhea box, which voted 20-16 against quotas. Another box, at Oklahoma Lane, carried, but not by two-thirds majority, 27-15.

The vote for the county, by precinct, was:

Friona	141	42
Rhea	16	20
Lazbuddie	103	27
Bovina	49	13

Farwell 69 30
Oklahoma Lane 27 15
Totals 405 147

The vote on a statewide basis carried by approximately 70 per cent. The vote in Oklahoma dipped below the required majority, with only 61.4 per cent supporting the quotas. New Mexico voters approved the measure by 69.3 per cent.

By approving the quotas, Parmer County will lose 774 acres from its 1962 crop, a reduction of .7 of one per cent. The national average support price for 1963 wheat has been announced as \$1.82 per bushel, or 75 per cent of parity.

WHAT A DIFFERENCE fertilizer makes, John Littlefield (left) tells T. O. Lesley, as the two farmers compare height of cotton which failed to receive fertilizer to cotton which had a normal application. Littlefield's farm was one of the places visited on the Lazbuddie area tour sponsored by the Soil Conservation Service last Thursday.

Lazbuddie FHA Has Breakfast

The Lazbuddie chapter of the Future Homemakers of America held a come-as-you-are breakfast recently as a part of the fund raising program for the 1962-63 year. Approximately \$20 was collected. The girls were charged for the garments they wore.

The officers were in charge of the breakfast. Some of the officers cooked while the others picked up the girls that had no available transportation.

The parents were notified the day before, however the girls knew nothing of it until the morning of the breakfast.

Brief Is Filed In Water Test Case

The main brief in the groundwater depletion case, styled "Marvin Shurbet, et ux, v. The United States of America," was filed on August 6 with the U. S. District Court in Amarillo, Texas. The suit is being sponsored as a test case by the High Plains Underground Water Conservation District.

On August 27, attorneys for the Water District filed with the Court what they term a "reply brief." This brief is a reply to the Government's main brief.

The suit seeks to establish ground water in the Southern High Plains of Texas as a depletable natural resource within the definition of the term as used in the Federal Internal Revenue Service's tax code.

Should the Court rule in favor of Shurbet, and such ruling is upheld on appeal, then he and other ground water owners throughout the area will qualify for a federal income-tax deduction during those years when a decline in ground water levels is experienced. Only those who can show a cost in their water and who are using the water to produce income would be eligible.

The Water District will make public additional information concerning progress of the case as developments become known.

Kay Burleson In Contest

Kay Burleson, daughter of Mr. and Mrs. T. I. Burleson of Route 1, Friona, is the Parmer County entrant in the "Miss Grain Sorghum of the Nation" contest Thursday night in Dimmitt.

Miss Burleson, who recently represented the county in the "Miss Texas Rural Electrification" contest, and reigned as Friona's "Maize Days Queen" last fall, is one of 32 entrants in the contest.

There are 10 entrants from Dimmitt and 22 from other counties, as opposed to only four out-of-town entries at last year's contest, which was the second annual event.

A \$500 scholarship is to be awarded to the winner. Trophies will be given to the top three finishers.

A total of 13 counties in the area are represented by the beauties, who range in age from 16 to 21.

Rural Telephone Coop Sets Meeting

The annual meeting of the membership of the West Texas Rural Telephone Cooperative, Inc. is to be held September 11, 1962, in the Community Center, Hereford, Texas, at 7:30 p.m.

The cooperative has completed the engineering survey in regard to improvements to the cooperative's system. The membership will decide which proposal of service modification the membership would desire.

All members of the Cooperative are urged to attend this important meeting.

Rogers Will Speak At SCD Banquet Saturday

Walter Rogers, U. S. Representative for the 18th Congressional District, will be the featured speaker for the Farmer County Soil Conservation District's eighth annual banquet Saturday night at Lazbuddie.

Activities will begin at 7 p.m., with a cafeteria-style banquet at the school cafeteria. After the meal, the program will move to the High School Auditorium. Highlight of the evening will be the naming of the "Conser-

vation Farmer of the Year." Four farmers have been nominated for the county award, as a result of being selected by their community.

Nominees are Burt Williams of the Farwell-Oklahoma Lane area; John Littlefield, Lazbuddie; Tom Caldwell, Bovina; and M. A. Black, Friona. Last year's recipient of the award was Bob Riethmayer of Friona.

Also on the program is to be the awarding of plaques for the District's essay contest winners. Those to be awarded plaques are Patricia Ann Crawford, Bovina; John Agee, Lazbuddie; Terry Dwight Darling, Lazbuddie; and Billy Minter, Bovina.

Winners in the county's essay

contest are entered in the Fort Worth Press' regional contest. Last spring, four of the top ten winners in Region I, comprising 51 counties, were from Farmer County. They were Kay Burrenson of Lazbuddie, fourth; Terry Darling, Lazbuddie, fifth; John Agee, Lazbuddie, sixth; and Jimmie Dale Seaton; Lazbuddie, eighth.

Winners of this year's land judging contest will also be recognized. Gilbert Dale was the first-place winner; Greg Jarrell was second; Eric Rushing third and Gary Renner fourth.

In teams awards, Friona took first place in the land contest, Farwell was second and Bovina third.

IT WAS shearing time for approximately 2200 sheep at the Roy Clements farm west of Friona recently, as the herd, one of the largest in the area, received its annual shearing.

TFU Prexy To Speak At Hub Meeting

Jay Naman, president of the Texas Farmers Union, will speak at a meeting of the Farmer County Farmers Union at the Hub Community Center Thursday night, September 13, beginning at 8 p.m.

The meeting has been planned to include every member of the family.

There will be a special organizational meeting for the youngsters, so they are encouraged to attend.

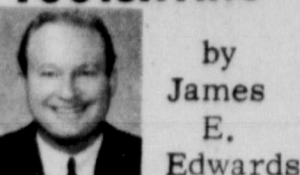

Naman will bring the organization up to date on activities of Farmers Union, legislation and so forth.

A door prize will be given away, which requires registration at the door.

"We are urging all farm families who are interested in farm organizations that truly represent the farmer to attend this meeting," a spokesman for Farmers Union said.

Home-made pie and coffee will be served, and entertainment will be provided.

FOOTSAVING

by James E. Edwards

Did I Get A "Lemon?"

(One pair of shoes from a manufacturer whose shoes he knows are good gave very poor service. Should she complain to the retailer?)

To keep your conscience clear, first consider the circumstances. If the child was learning to ride a bike or had just begun to ride the merry-go-round at the playground maybe it was a case of unusually hard wear. I know from your letter that you are fair-- you don't expect the shoe dealer to keep your child in shoes.

If the abuse of the shoes was just normal I would certainly show them to the dealer. The selection of leather in shoe manufacturing is a time-honored profession-- handed down from father-to-son. I'll never know how they can tell from the look and feel of leather whether it will wear or not. Very, very rarely, a poor hide or a weak section of a hide slips by and is used. Drought-time animals, for instance, have an inferior hide. Shoemakers and manufacturers know that some inferior leather is bound to slip through and they would much rather replace the shoes than have you change brands.

HD Agent's Notes

BY MISS LITTLE MUSIL

Isn't research great? Long years ago our grandmothers thought they had all the modern conveniences of their day. Little did they know the conveniences their daughters would have just within the next generation. Now in their granddaughters' generation still more research has found better and quicker methods of homemaking.

For instance homemakers of today can find more attractive, and bruise-free products on the market just because of modern packaging of perishable fruits and vegetables. The very latest development is shrinkable film overwraps for tray-packed fruits and vegetables.

This film is applied at the time of harvest to hold the produce tightly on the tray so that it arrives at the supermarket field-fresh and virtually bruise-free.

Researchers find that tray packs with the shrinkable overwraps carry produce better than bulk shipments in crates and cartons. And there is no need for further packaging at the supermarket.

Shrinkable film wraps are now being used for apples, peaches, and pears. Wherever tested, fruit and vegetables wrapped in film and packed on the trays have proved popular with homemakers. They are able to readily see the condition of the produce.

Another product of research is for the packaging of foods for the home freezer. Foods can be packaged in heat-and-serve polyester pouches. Now the homemaker can package prepared foods in the pouches for freezing and heat the food in the same container ready for serving.

A new electric appliance is available to heat-seal the open-

ing of the package making it airtight and moisture-proof, so that original quality and flavor are retained. This packaging method is supposed to be well suited for all kinds of prepared foods, from soup to beef Stroganoff.

Grandmother would never believe her eyes if she would see the improvements made in the latest type of can made of aluminum foil and paper. It is leak-proof, inexpensive, lightweight, and dent-resistant.

The body of the can is a spiral-wound combination of a solid, heavy-gauge, aluminum foil liner, a middle section of separate layers of paper-board, and a printed foil label. The thick, creaseless aluminum liner prevents leakage. The layers of material in tightly sealed combination provide strength and seal out humidity and moisture.

Ends of the can are aluminum and come with two easy-opening tops. One end is opened by pulling a tearstrip and the other is lifted off with a hook opener.

This can is designed only for items that do not involve heat processing or internal pressure. These include frozen juice concentrates, cooking fats and oils, spices and seasonings as well as a number of nonfood items.

Research has also found that cleanliness can go too far. Never wash eggs before storing them. Washing the eggs removes the natural protective coating which keeps air and foreign odors from entering the shell.

What's this about man-made fabrics stealing the show of fashions? According to U. S. Department of Agriculture's Economic Research Service cotton is still king with U. S. consumers. They report that 22 pounds of cotton per person was used last year. This was compared with 11 pounds of synthetic fibers and three pounds of wool used per person.

The USDA says that the label "imitation" need no longer be used on ham and other pork products that contain less than 10 percent excess water. However, they must be properly labeled as to the amount of water they contain and the label must be easily readable.

The HAPPY HOMEMAKER

BY JUNE FLOYD

One thing too many of us overlook when buying new garments is the label on the garment. This label generally describes material in the garment and gives instructions about laundering or dry cleaning.

If these instructions are read and followed carefully, many times life of garments as well as their beauty can be preserved. Another thing that is very important is that ironing or pressing be done with irons that are the proper temperature for the particular garment.

Most of us enjoy eating roasting ears that have been cooked with shucks still on them when they've been cooked outdoors. But, did you ever try cooking them in the shuck in your oven?

The following recipe, a real old one, is being written exactly as it has been handed down from one generation to another.

"Use good fresh corn. Strip the shucks on the ear, but do not remove them. Clean off all the silks and wash the corn. Dry it and wrap your best bacon sliced around each ear.

Put the shucks back over the ears, tying them at the ends. Put the corn into an extra thick baking pan, one that will not burn. Bake the corn slowly for about an hour. Serve it in the shucks."

If there's a beginning cook at your house or you want a "hurry up" tray of cookies, try making coconut macaroon treats, which can be made in ten minutes.

Mix together 2/3 cup condensed milk, 3 cups shredded coconut, 1 teaspoon vanilla extract and 3/4 teaspoon almond extract.

Drop by tablespoons, about 1 inch apart, onto a well-greased baking sheet.

Bake in 350 degree oven 8 to 10 minutes or until delicately browned around edges. Remove from baking sheet immediately.

This molasses cake recipe is one of the prize possessions of Mrs. Sam Lewis of Kendall County, Texas.

2/3 cup shortening
1 1/4 cups sugar
3 eggs
2 1/2 cups sifted flour
1/2 teaspoon soda
2 1/2 teaspoons double-acting baking powder
1 teaspoon salt
1 teaspoon cinnamon
1/2 teaspoon cloves
1/2 teaspoon nutmeg
1/2 teaspoon allspice
1/3 cup molasses
2/3 cup mashed bananas
1/2 cup milk

Heat oven to 350 degrees. Blend shortening and sugar and beat until fluffy. Add eggs, one at a time, beating well after each addition. Sift dry ingredients together and add alternately with molasses, bananas and milk.

Beat well. Pour into two nine inch layer cake pans which have been greased with melted shortening and lined with brown paper. Bake for about 40 minutes.

Cool cake in pans on cake rack for at least ten minutes. Remove from pans and let cool thoroughly before frosting.

FLUFFY FROSTING
2 egg whites
1 1/2 cups brown sugar, lightly packed
1/3 cup water
1/8 teaspoon cream of tartar
pinch of salt
Combine all ingredients in top of double boiler. Place over double boiler and beat with sturdy beater or mix at high speed of electric mixer until frosting "peaks." Remove from water and frost top and sides of cake.

Before the days of mechanical refrigerators and deepfreezers, raisin pie was a stand by of most cooks and each one had her favorite recipe. Those of us who don't make raisin pie occasionally are missing a treat in good eating.

RAISIN PIE
2 cups sugar
1/2 cup butter or margarine
1 teaspoon ground cinnamon
1 teaspoon ground allspice
3 or 4 eggs, well beaten
3 or 4 tablespoons vinegar
1 cup raisins
Unbaked pie shell.

Cream sugar, butter or margarine, cinnamon, and allspice. Add well beaten eggs, vinegar and raisins. Pour filling into an unbaked 8 or 9 inch pie shell. Bake at 400 degrees for 35 to 40 minutes.

Just think how many poor people were denied a horse and buggy in the olden days because nobody had thought of this convenient dollar-down idea.

Announcements of the professor's new book and his wife's new baby appeared almost simultaneously. The professor, when he was congratulated by a friend upon "this proud event in your family," naturally thought of that achievement which had cost him the greater effort and modestly replied: "Well, I couldn't have done it without the help of two graduate students."

We favor pay television--they should pay us to watch it.

Citizens' Committee Commended For Its Work

As a result of waste notices and petitions for injunction being served in Parmer, Castro and Deaf Smith Counties by the High Plains Underground Water Conservation District, a group of 50 to 60 irrigation farmers in Parmer County organized a Citizens' Committee to assist the District in finding solutions to problems of waste that plague some Southern High Plains farmers.

The Citizens' Committee is agreed that irrigation "tailwater" should be used to grow crops rather than run into harditches or playa lakes and from there evaporate or be used by weeds.

T. L. Bursleson of the Hub Community, an irrigation farmer, has been selected as chairman of the Citizens' Committee. Bursleson states, "We want to work with the Water District. They realize that we're busy with our crops right now and recommend that after we're through harvesting this fall we decide what needs to be done on each farm to avoid having runoff water

and then do something about it." Waste of irrigation water has long been the unwanted companion of many farmers. Solutions to this problem have not always been so apparent as have been the results of waste.

Tom McFarland, Water District Manager, has stated that the District is prepared to cooperate in every way possible in alleviating waste problems, and that the District's staff is ready and willing to work with anyone in finding an answer to his individual problem.

Management Course Scheduled

Latest range management practices will be discussed at the first annual Ranch Management Conference to be held on the Texas Tech campus September 7.

During the one-day conference expected to draw 200 people, range management problems will be discussed. This includes the latest methods in brush control, grazing systems, stocking rates, wildlife management, poisonous plant problems, and other problems which concern Texas ranchers.

Registration will begin at 9 a.m. in the Tech Union Ballroom. Sponsoring this year's program are Texas Tech; American Society of Range Management, Texas Section; U. S. Soil Conservation Service; Texas A&M College System; West Texas Chamber of Commerce; and the Lubbock Chamber of Commerce.

WANTED TO RENT
1/2 to 1 1/2 sections good irrigated land. Good equipment. Can furnish references from present landlord. Have grown cotton, vegetables, rowcrop and certified seed. Call W. H. (Gene) Awrey Jr., Hub 2699 Collect, tnc

HERE'S WHAT'S SUPER ABOUT THE SUPER 92

Super handling . . . the Massey-Ferguson Super 92 Combine is never top-heavy or cumbersome but sure-footed and smooth.

Super dependability . . . it's a real bargain on upkeep. Maintenance costs are low. Ask the custom operators who know.

Super grain-saving capacity . . . none comes close to the Super 92's record. It tanks all the grain it cuts--clean and free of dockage.

For handling, dependability, capacity--the Massey-Ferguson Super 92 is in a class all its own. Call or come in now. Your choice of a Massey-Ferguson Retail Time Payment Plan, too.

Rhea Church Installs Pastor Sunday Night

Sunday evening, at 7 p.m. Rev. Ervin A. Binger will be installed as pastor at Immanuel Lutheran Church in Rhea Community.

The Rev. David P. Bergmann of Clovis, vacancy pastor of the congregation since last January, will be in charge of the service. A welcome reception for the new pastor and family will follow the service in the Parish Hall.

Pastor Binger's last parish before coming to Immanuel was Zion Lutheran and Trinity Lutheran Congregations of Harbine and Jansen, Nebraska. Other parishes of the new pastor were in Minnesota and Nebraska. He was a missionary among the Apache Indians in Arizona one and one-half years.

Pastor and Mrs. Binger have four children. Their oldest daughter, Gardenia is a school teacher and will begin her sixth year of teaching this fall. Other

REV. ERVIN A. BINGER

children in the family are Eugene, Madalyn and Bernhard, all planning to attend school in Friona.

Pastor Binger was born October 30th, 1906 at Renville (rural), Minnesota. After elementary school, he received his high school training at Dr. Martin Luther College, New Ulm, Minnesota and his theological training at Concordia Seminary, Springfield, Illinois, graduating in 1934.

The duties of Pastor Binger will also include being in charge of the beginning of Lutheran Mission Work in the town of Friona. These plans call for services to begin sometime in October. During September Lutherans from Hereford and the Rhea congregation intend to canvass Friona for people interested in being a part of this new mission.

BLACK NEWS

BY BRENDA DEATON

School days, school days, dear ole golden rule days! Sometimes we wonder just how true this saying really is. I guess by now most of the mothers are recuperating from the frantic first days of school. Or are they! School may be starting but our community is still bustling with activity.

Mrs. Byrl Fish and infant son, Robert Thomas were honored with a coffee shower last Wednesday morning. Those attending were Mrs. Fish's mother, Mrs. Holloway, Mrs. Travis Stone, Mrs. Gene Welch, Mrs. Ralph Price, Mrs. Fern Barnett, Mrs. T. J. Presley, Mrs. George Frye, Mrs. Clyde Hays, and Mrs. Bill Carthel.

Guests in the Travis Stone home this past week-end included Mrs. Stone's sister and her family, Mr. and Mrs. R. L. Hall of Odessa, his parents, Mr. and Mrs. Mart Stone of Lamesa, and Mr. and Mrs. Harlan Stone also from Lamesa.

Mrs. Howard Elmore, a former resident of our community, is visiting with the T. J. Presleys this week. Mrs. Elmore, now a resident of Arizona, has donated a lovely wool afghan and pillow to the community which is now in the Black window at Fosters. There will be a drawing for this lovely prize the last day of Maize Days. All those interested may buy tickets at Fosters.

Also visiting in the Presley home were Mr. and Mrs. Jesse Stanford of Hereford. The Stanfords visited with the Presleys Sunday afternoon.

SWIMMING WINNERS . . . Three of the winners in Friona's second annual City Swim Meet are shown admiring their ribbons. Winners in the 50-yard race, they are, left to right, Darrell Anthony (third) Gary Shackelford, first, and Tommy Sherley, second.

Sunday afternoon.

Guests in the Ellis Tatum home this past week-end were his brother and his wife, Mr. and Mrs. Otis Tatum of San Antonio, Texas.

A week-end visitor in the John Benger home was her cousin, Mrs. May Lindauer of Oklahoma City.

Week-end guests in the Harry Lookingbill home were Cecil and Ellen Lookingbill.

Mrs. Gene Smith of Oklahoma City visited with the J. R. Braxtons this past week-end. Mrs. Smith is Mrs. Braxton's sister. The Braxtons and Mrs. Smith visited with Mr. and Mrs. P. O. Southall, Mrs. Braxton and Mrs. Smith's parents.

Recent guests in the Gene Welch home were her parents, Mr. and Mrs. F. B. Harkins of Plainview. Also guests in the Welch home were her brother and his family, Mr. and Mrs. Earl Harkins.

Mr. and Mrs. Ralph Price attended the wedding of Donnie Lovett in Farwell Sunday afternoon.

Mr. and Mrs. Les Gibson attended the funeral of her mother, Mrs. Stella LaFaitt in Terril last week. Mrs. LaFaitt

resided in Fort Worth.

We would like to take this opportunity to welcome Mr. and Mrs. Clyde Sherrieb to our community. Mr. Sherrieb is associated with Tri County Elevator.

Recent visitors in the Loyd Prewett home include Mrs. R. L. Bray, Mrs. Prewett's sister and her cousin, Mrs. John Clark. Both ladies are from Lubbock.

The community will be glad to know that Mr. Prewett is rapidly recovering from the surgery he underwent Thursday of last week.

A member of the younger set in our community could be considered quite lucky. Jeffery Price won the lucky ticket at a recent Gold Sox Baseball game in Amarillo, and received the chance to win twenty nine dollars. Although Jeffery failed to win the grand prize, he did win two free tickets to a later Gold Sox game. Congratulations, Jeff.

Just an added note to let everyone know I plan to continue to write the Black news. Since school has started, I may be pressed for time some, so

if I fail to contact each of you during the week, and if you do have some news, I would appreciate it if you could contact me. Thank you again for all the help I have received.

City Swim Meet Had 25 Entrants

A total of 25 young swimmers took part in the second annual Friona City Swimming Meet last Saturday night. The number was quite a bit lower than entered last year's first meet, when around 60 swimmers entered.

"There wasn't near as much interest as last year," commented Truett Johnson, owner of Dive-Inn Pool. He was at a loss to explain the disinterest, unless the youngsters "knew who would win the various races, so didn't enter."

Baker Duggins once again served as meet director, and as starter for the races.

The complete meet results:

- BOYS**
- Six years old -- 20 yards -- 1. Ricky Johnson; 2. James Ray Stevick.
- Eight and nine years, 25 yards -- 1. Mike Taylor; 2. Ricky Jennings; 3. Johnny Bingham. 50 yards -- 1. Mike Taylor; 2. Johnny Bingham.
- Nine and ten years, 25 yards -- 1. Billy Procter; 2. Joe Bog-gess; 3. Miles Lillard. 50 yards -- 1. Billy Procter; 2. Joe Bog-gess; 3. Miles Lillard.
- Baker Duggins once again served as meet director, and as starter for the races.
- The complete meet results:
- GIRLS**
- Nine years, 25 yards -- 1. Debbie Burton; 2. Jan Mas-sie, 50 yards -- 1. Jan Massey; 2. Debbie Burton.
- Eight years old -- 20 yards -- 1. Chrissy Mast; 2. Brenda Hall.
- 13-14, 25 yards -- 1. Gail Varner; 2. Glenda Mingus, 50 yards -- 1. Gail Varner; 2. Glenda Mingus.
- 14-15, 25 yards -- 1. Jeanne

Taylor; 2. Merylene Massie, 50 yards -- 1. Jeanne Taylor; 2. Merylene Massie.

FHA Party Draws Sixty-Eight Girls

A get acquainted party at the home of Mr. and Mrs. J. E. Knight Thursday evening was sponsored by the Friona Future Homemakers of America. Primary purpose of the meeting was to introduce freshmen and other new students to members of the organization.

Martha Knight read a poem and the group participated in singing a number of songs. Cookies and ice cream were served to 68 girls.

Boost small-grain yields with
Monsanto Anhydrous Ammonia

from
RHEAGRAIN And FERTILIZER

Rt. 2 Friona Ph. Parmer 3196

You know how important nitrogen is to your small grain. Monsanto Anhydrous Ammonia packs more nitrogen per pound and per dollar than any other type of nitrogen fertilizer. It is guaranteed 82.2% nitrogen.

Monsanto Anhydrous Ammonia resists leaching . . . remains "locked" in the soil, ready to work when your crops need it most . . . and you put it right in the root zone.

It's easy to apply . . . saves time and labor. Applicator tanks are quickly filled. No bags to tote, tear or tip. You can apply all you need for the entire growing season in one operation, or you can use it before planting, followed by an early side-dressing of ammonia. Let us help you build your fertilizer program around Monsanto Anhydrous Ammonia.
