LISTEN TO LUKE

The local water district has been anxiously awaiting news from the engineers and attorneys concerning the pending election. But so far, no news has come this week.

The board stated that they had everything now within their power prior to the election and action now depends upon the attorneys and engineers.

There has been little talk in recent weeks about the pending water utility purchase, and this may be considered good or bad news, but we don't know which. But we know that — from what they tell us — the water board members are not in good position to know — favor the purchase without reservation. All of the information we can get points to the fact that it is a good thing if it will be a good buy for the district. It will be a good buy for all of the citizens of the district for years to come.

We are not trying to change the minds of anyone on this issue — we think everyone should look for himself.

Speaking of that — we wonder if cigarette manufacturers do now for filter cigarettes. They have done everything and tried all sorts of gimmicks to try to sell their products.

Another thing the world needs is a ball point pen that will not run when writing on margarine. Reports show that the sale of margarine is exceeding the sale of butter.

Well, too, are getting so life-like that they will soon have to be "doll-sitters" when the little girls are out to a party, etc.

We have thought up a good idea for Sanderson boosting. We will have a "hunt" somewhat similar to the one they had near here this week.

Old cows don't bring very much on the market, so let's have a hunt. An old jersey head would be a valuable trophy in the sportsman's den, and it would be as sporting as shooting those buffalo bulls.

Sportsmen came for miles to over the front of a pickup with a 5-power scope five of huge bulls fell in one day — a 50-yard range.

We saw the pictures in a news magazine of the marksman taking while three other bulls came trotted within easy range of the hunter.

Most everyone in this section of the country has seen this kind of buffalo and it is just like a herd of cattle. The sport of hunting wild buffalo might have a thrill when they were but with a herd as domestic as these, we could not imagine the sport of such a hunt.

The news last week of the proposed school plans has created interest over some cups of coffee.

The school board is holding meetings at least every 2 weeks more often on occasions to their best to stay up with the proposals or stay ahead of them in their planning.

With the setting up of the tax there are also lots of things to be worked out in department.

Proposals will have to be made all property in the county school taxes. Renditions will be made, tax statements sent out, board of equalization set, and a thousand forty-seven other details attended to during the next few weeks or months.

The wheels of such workings slowly at times, and it is sometimes good that they do, so the details, when completed, be as near to the point of action as is possible for human hands.

Robert Kiteley arrived Monday to visit with his mother, Mrs. Ruby Kiteley. He is a merchant seaman.

Saturday Last Day For Your Taxes -- Property and Poll

Saturday, January 31, is the last day for property owners in the county to pay their taxes for 1958 without a penalty. It is also the last day to buy poll taxes for this year.

All taxes on real and personal property are due and payable by January 31, 1959, and will be delinquent after that date. Property owners are urged to pay their taxes during this week.

Several items already on the agenda for voting this year is sufficient reason for all residents who are qualified to pay their poll taxes. This year promises to be an important year for voters and all who are otherwise qualified to vote are urged to pay the \$1.75 voting privilege fee.

Dog Registration Deadline Feb. 1

The deadline for registering all dogs in Terrell County is Saturday, January 31, according to Sheriff Lee Billings. Registration of all dogs is required, according to a law passed by the vote of the people, according to Sheriff Billings, and the law will be enforced, he said. All owners of dogs may get their registration tags and a receipt for same at the courthouse for \$1 per dog.

It has been pointed out that dogs found without tags after February 1 will be considered as strays and will be picked up and destroyed, Sheriff Billings stated.

Enforcement of the law was pushed by ranchmen around Sanderson who have suffered high financial loss of their sheep during recent years because of dogs running in their pastures.

It is hoped that enforcement of the registration law will make possible the elimination of stray or unwanted dogs, thus eliminating some of the possible sources of the destruction of the sheep.

J. R. Coker Transfers To Sanderson As Highway Foreman

J. R. Coker is now stationed in Sanderson with the Texas Highway Department as highway foreman. He has been with the highway department for over 14 years. After being stationed at Andrews for four and one-half years, he moved to Seminole where he resided for 10 years, part of the time serving as county commissioner.

Mr. Coker has a wife and two children and is residing at 316 W. Oak St. Their son, Randall, 15, has remained in Seminole for the remainder of the school term and the daughter, Gayla Kay, is four years old.

K. E. Dick, former highway foreman, has been transferred to Pecos. He has been undergoing medical treatment in an Odessa hospital for several weeks.

Among Our Subscribers

Renewal subscriptions to The Times have come from M. B. Stroud of Orcutt, Calif.; Mrs. E. W. Hardgrave of Abilene; A. S. Dunkelman of Shreveport, La.; Harry Smith of Los Angeles, Calif.; John Harrison of Dryden; James D. Harrison of Ft. Worth; Gene Banner of El Paso; Mrs. J. E. Fuller of Tyler; Jackson Cox of Fort Worth; George W. Miller of Big Bend Park; Mrs. J. W. Dewees of Floresville; Mrs. Dorothy Cunningham of Sheffield; Lee Kelly of Fort Hancock; N. W. Carroll, E. C. Earwood, H. E. Gatlin, Walter Kessler of Sanderson.

Robert Kiteley arrived Monday to visit with his mother, Mrs. Ruby Kiteley. He is a merchant seaman.

Mothers To March For 'Dimes' Drive

Tonight (Thursday) is the night that the members of the Evening Study Club will conduct the Mothers March for Dimes.

Much publicity has been given to the fact that the money contributed to the National Foundation is being used not only for polio research and rehabilitation but also for extensive study and research in regard to the treatment of arthritis and crippling birth defects. Only a portion of the funds collected in each locality goes to the National Foundation, the remainder being retained for use by local committees.

W. W. Sudduth, county chairman of the March of Dimes, announced the appointment of Mrs. E. R. Seary, president of the Evening Study Club, as head of the Mother's March this year.

Mrs. Amelia Marquez, president of the G.I. Forum, has announced that her organization will take collections in the Latin-American section of Sanderson.

The house-to-house canvass is the traditional climax of the drive for funds for the National Foundation for Infantile Paralysis locally, and it is hoped that all residents will cooperate to their absolute best ability to boost the funds raised this year.

"Our Mother's March, aimed at the four target areas of the NFIP program, must be bigger and more vigorous than ever before," the chairman said. "We must assure early development of patient-aid programs for children suffering from arthritis and birth defects (congenital malformations), keep faith with disabled polio patients and speed research to prevent these and other afflictions."

This effort gives up the opportunity to do more than just look wistfully forward to a time that scientific discoveries will prevent crippling diseases from attacking our children. We can speed that hopeful day by demonstrating the strengthening of our partnership with the men of science. We can — and we must — support their efforts with greater voluntary contributions to the March of Dimes in January, the chairman stated.

Jimmy Caroline, local treasurer for the drive, stated that contributions to date have been very small although solicitations have not been sent out by mail this year. Contributions may be mailed to either Mr. Caroline or Mr. Sudduth.

Roadrunners Nip Marfa Fems 26-21

The Sanderson Roadrunners nipped the Marfa girls on the local basketball court Tuesday night in a real thriller.

The game was a conference fray and turned out to be a defensive game, with some excellent work displayed by the guards of both teams.

Roadrunner guards were Anabella Flores, Patty Gray, Linda Shurley, and Gwyn Carter; forwards were Lupe Garza, Vicki Littleton, Susan Harkins, Barbara Sudduth, Kathleen Robbins and Angie Salinas.

The score by periods — Sanderson 9 13 23 26 Marfa 3 12 16 21

Friday night of this week the Roadrunners will host the Fabens fems in a cage duel.

Local sports fans are urged to come out and see the basketball games for some real thrills and entertainment.

Junior Class To Have Bake Sale Saturday The Junior class of the Sanderson High School is sponsoring a bake sale Saturday in the Band Hall. The sale will begin at 9:30 and last until all the food is sold. The patronage of the public will be appreciated.

Notes of Action Of School Board Meeting Tuesday

The school board of the Terrell County Independent School District met Tuesday night of this week to discuss developments in various phases of their program of building and expansion.

A representative of a bonding company was interviewed and his suggestions for financing and his application as a bonding agent were heard.

Reports were heard from various committees that had been named to obtain information on possible land for the school in its building program. No decisions were made following the reports, since there was no action that could be taken on any of the proposals yet.

The board decided to ask different architects to meet with them to discuss plans, fees, and hear suggestions and criticisms.

O.E.S. Instruction School Brings Many Visitors Here

Approximately 100 were in attendance at the School of Instruction for District 5, Section 4 Order of Eastern Star, held here Tuesday with Mrs. E. R. Bailey of San Antonio, District Deputy Grand Matron, presiding.

Eleven chapters in Section 4 were represented, with three members also present from San Antonio, and one member each from chapters in Laredo, Big Lake, Oklahoma, and Okinawa.

The meetings were in the chapter room of the Masonic Hall and the social meetings were in the basement of the hall. Mrs. Byron Poulis of San Antonio, Worthy Grand Matron of the Grand Chapter of Texas, and L. T. Davis of Kerrville, Worthy Grand Patron of the Grand Chapter of Texas, conducted the school.

Mrs. Chester Boyd, worthy matron of the Sanderson Chapter and her officers were host and hostess Monday evening for a spaghetti supper honoring the out-of-town visitors.

Coffee and doughnuts were served before the school opened Tuesday morning and a luncheon was served at noon.

Seventy-eight attended the banquet served Tuesday evening to honor Mrs. Poulis and other Grand officers. The Methodist Woman's Society of Christian Service catered the banquet. Mrs. Poulis made her fraternal visit to the Sanderson Chapter after the banquet.

Mrs. Lee Grigsby of the Sanderson Chapter was honored with a Grand Appointment during the school session, being named as Grand Representative to the Grand Chapter of Illinois from the Grand Chapter of Texas.

The school officers included Mrs. Poulis and Mrs. Bailey; Mrs. Carl Mertz of Del Rio, Grand Examiner of District 5; Mrs. Frances Pfeif of Hondo, Deputy Grand Matron of District 5; Mrs. W. F. Easterling of Del Rio, past Grand Matron of the Grand Chapter of Texas; Mrs. Nancy Stevenson of Big Lake, Deputy Grand Matron of District 2; and Mrs. Bernice Sawyer of Sabinal Grand Representative of Missouri, all of whom were guests in the home of Mrs. Grigsby during their stay here.

Mrs. Batson Hostess To Bonhomie Club

The Bonhomie Club met in the home of Mrs. Marion Batson Wednesday afternoon. The members enjoyed fancywork and conversation before the hostess served refreshments of Paradise cake, tea and coffee.

Those present were Mesdames A. B. Gates, James Caroline, B. F. Dawson, J. W. Carruthers Jr., H. P. Boyd, J. Garner, Lewis Hill, and E. F. Pierson. Mrs. L. H. Gilbreath was a tea guest.

CO-2 Plant Requested In Brown-Bassett Field

El Paso — A market outlet for gas wells completed in the promising new Brown-Bassett field of Terrell County may be provided in the near future if an application now pending before the Federal Power Commission is approved.

The application was filed recently by El Paso Natural Gas Co. as

Well Site Set In North County

Location has been staked for another drilling venture in Terrell County. Location is 660 feet from the north and 1,320 feet from the east line of section 5 Block A-2, TC RR Survey.

The prospector is just south of the Pecos County line and approximately 30 miles north of the Brown-Bassett gas field.

Shell Oil Co. and Humble Oil & Refining Co. will drill the hole to be known as No. 1 J. E. Smith which is scheduled for a 12,000-foot test.

This is the eighth project now under way in Terrell County.

Rev. Irl Richardson To Begin Pastorate Of Baptist Church

Rev. Irl Richardson of Houston has accepted the call of the First Baptist Church of Sanderson to become its pastor. He and Mrs. Richardson will arrive this week-end and he will preach at both services Sunday. The parsonage is being readied for their occupancy.

Rev. and Mrs. Richardson visited here with their son, Dr. Gene Richardson, during the holidays and he was a guest minister for the Sunday services at the church.

Rev. Richardson attended Southeast Missouri Teachers College at Cape Girardeau, Mo., and the University of Houston in Houston. He was a pastor for several years in Kennett, Mo., before moving to Houston.

The pastor and members of the church are extending an invitation to everyone in the community to worship with them at the services Sunday.

After the evening service, there will be an informal reception to honor Rev. and Mrs. Richardson. A cordial invitation is extended to everyone to attend and meet the new pastor and his wife and enjoy an hour of fellowship with the members.

Report Given On Clinic Fund

Carlos Dunn, treasurer for the local fund for the Terrell County Hospital and Clinic, made a financial report this week for the information of interested citizens.

An incubator was purchased for \$398.00, delivery table for \$180.00, operating table for \$225.00, and an electrocardiogram for \$225.00, with the balance of expenditures being \$1,028.00, according to Mr. Dunn.

He said that there was a balance on hand of \$289.74.

The group plans for the purchase soon of crutches for the delivery table and meter for the incubator.

Gifts or memorials may be made to Mrs. Ben Causey, Mr. Dunn or left on deposit at the bank. Mr. Dunn stated.

The committee stated they felt that the purchase of the articles above greatly increased the services and facilities available to people of Terrell County and would mean much to those who happen to be in need of one or more of those items at some time in the future.

part of a general expansion program designed to increase its pipeline capacity by 100 million cubic feet per day.

Facilities proposed by El Paso Natural Gas Co. in the Brown-Bassett area call for the installation of a 114 million cubic feet per day carbon dioxide removal plant and a 50 million cubic feet per day dehydration plant.

Wells so far completed in the field have shown indications of being prolific producers during production tests but the gas contains a relatively high percentage of carbon dioxide which must be removed.

The type of CO2 removal plant the company will install has not yet been determined. However, El Paso is now operating a small pilot plant in the field to determine the most favorable process to use in the event its application is approved.

To deliver the gas into its existing transmission facilities, El Paso proposes to build 108.5 miles of 20-inch trunk lines. Included is a 51.3 mile stretch extending from the proposed Terrell plants to the discharge side of El Paso's dehydration plant in the Puckett field near Fort Stockton.

From the Puckett area, the gas would travel through El Paso's existing 20-inch pipeline which originates near Fort Stockton and extends 55 miles to a point of connection with the company's Upton County pipeline near Crane.

The remainder of the proposed new line includes a 34.2-mile section originating near El Paso's McElroy-Crane treating plant and extending to its Goldsmith plant in Ector County and 32 miles of 20-inch which would loop parallel, for the most part, an existing 20-inch pipeline between the company's Goldsmith plant and its Eunice-to-Plains 30-inch main transmission line.

Construction of the new facilities will probably start this year provided the company's application is approved by the FPC. The cost estimates on the proposed expansion were not available.

Source of gas for the expansion includes 50 million cubic feet per day from the Brown-Bassett field; 10 million from the ca. N.M. area and 40 million cubic feet per day from the various fields in the San Juan Basin northwestern New Mexico and southwestern Colorado.

El Paso proposes to sell this gas to Pacific Gas and Electric Co. as a supplement to that which PG&E already receives. PG&E a distribution firm serving northern California, would take deliveries of the gas at Topock, Ariz., on the Arizona-California border.

Wolfecamp sand pay and Silurian gas was indicated in drill-stem tests during drilling operations.

Wolfecamp production was gauged at 4,290,000 at 9,215 feet and Silurian gas was gauged at 4,300,000 cubic feet daily at 12,145-250 feet.

It is reported that the operator will perforate opposite the Ellenburger and test that pay, although there has been no information released to indicate pay gas in that formation.

Top of the Ellenburger formation was picked up at 13,475 feet. No information has been released as to intentions of producer to rafter gas from Wolfecamp and Silurian both, but if so, it will be the first dual producer from those levels.

Great Western, Blue Danube and Ben Harwit No. 1 Chapman Ranch was last reported bottomed at 9,099 pulling out fish.

Location is on section 64 of Block Y.

Magnolia No. 1 State-Brown is at 2,560 feet in lime and shale on section 32, Block 161.

Gulf No. 1-A McCue is at 5,272 feet in sand and shale on section 9, Block R-2.

Pan-American No. 1 Corder is at 9,347 feet in lime and shale on section 30 of Block 2.

Ohio 1-TA Ohio-Pure-University is at 3,540 feet in lime on section 14, Block 37.

ities will probably start this year provided the company's application is approved by the FPC. The cost estimates on the proposed expansion were not available.

Source of gas for the expansion includes 50 million cubic feet per day from the Brown-Bassett field; 10 million from the ca. N.M. area and 40 million cubic feet per day from the various fields in the San Juan Basin northwestern New Mexico and southwestern Colorado.

El Paso proposes to sell this gas to Pacific Gas and Electric Co. as a supplement to that which PG&E already receives. PG&E a distribution firm serving northern California, would take deliveries of the gas at Topock, Ariz., on the Arizona-California border.

Drilling News -

Magolia Petroleum Co. is setting 5 1/2-inch liner on total depth of 13,777 feet in the Ellenburger at their No. 1 Bassett-Goode, in section 228, Block Y of the TCRR Survey in Terrell County.

Wolfecamp sand pay and Silurian gas was indicated in drill-stem tests during drilling operations.

Wolfecamp production was gauged at 4,290,000 at 9,215 feet and Silurian gas was gauged at 4,300,000 cubic feet daily at 12,145-250 feet.

It is reported that the operator will perforate opposite the Ellenburger and test that pay, although there has been no information released to indicate pay gas in that formation.

Top of the Ellenburger formation was picked up at 13,475 feet.

No information has been released as to intentions of producer to rafter gas from Wolfecamp and Silurian both, but if so, it will be the first dual producer from those levels.

Great Western, Blue Danube and Ben Harwit No. 1 Chapman Ranch was last reported bottomed at 9,099 pulling out fish.

Pan-American No. 1 Corder is at 9,347 feet in lime and shale on section 30 of Block 2.

Ohio 1-TA Ohio-Pure-University is at 3,540 feet in lime on section 14, Block 37.

J. R. Goodykoontz Dies In El Paso

J. R. Goodykoontz, 69, a retired T&NO engineer, died in a hospital in El Paso last Friday. He was a resident of that city.

He had resided in El Paso for 18 years and was a former Sanderson resident. He married Miss Bess Brown while here and the present Clyde Carter home was built by the couple as their home.

Goodykoontz had been a locomotive engineer for the T&NO for 38 years. He was a member of the Temple Baptist Church and of the B. of L. E. Division 192.

Besides his widow, he is survived by a son, James R. Goodykoontz, Jr., of Santa Monica, Calif.

Austin—Texas lawmakers face the old "chicken or egg" problem as they come into the session's main issue — money.

Is it best to decide first how much the state must spend to keep its various programs going and then scrape up tax money to cover them? Or should the tax be set first and the pie sliced up accordingly?

Thus far, both problems are being juggled at the same time. Already the mathematical acrobats are spreading jitters among spectators — both appropriations seekers and tax worriers.

Governor Daniel is prescribing a two-pronged, \$210,000,000 plan to cure state fiscal ailments.

First prong is to raise \$656,000,000 to pay off the debt expected in the general revenue fund by the end of this fiscal year. Second prong is to raise \$72,000,000 a year \$145,000,000 for the next biennium to cover spending from the general revenue fund.

Sources for this money would include: (1) a natural gas severance tax, (2) an increase in levies on motor vehicle sales, tobacco and corporation franchises and (3) unclaimed bank deposits insurance policies and property which the state would take over.

Governor Daniel increased his previous recommended budget by nearly \$20,000,000 to include appropriations for retiring state bonds, providing medical care for people on welfare rolls, a driver education program and advertising for tourists and industry.

Total two-year spending from general revenue would be \$320,000,000.

Smaller Pie Compared to the governor's proposal, the Legislative Budget Board's recommendation for general revenue fund spending looks modest — only \$285,000,000.

Though the board's spending would be nearly \$45,000,000 less than the governor's, it would still be some \$4,600,000 higher than the 1958-59 appropriation. Budget Board suggests slight increases for the judicial system executive and administrative departments, hospitals and special schools, public schools and highways. Small cuts were recommended for junior colleges and higher education.

Spending from all funds for state government would total \$2,351,347,479.

Seeligson Plan Rep. Frates S. Seeligson of San Antonio has prepared an extensive plan to overhaul and beef up the state's tax collecting. Topping the list would be a 1.5 per cent sales tax with food, feed and fertilizer exempted. It would bring an estimated \$67,000,000 annually.

Another Seeligson bill would recodify present tax laws. It would do away with some regarded as obsolete (such as on clock peddlers, street cars) and others called inequitable (on chain

stores, stock transfers, radio and TV, cosmetics, etc.). Same bill would eliminate certain exemptions and revise other taxes mostly upward, on motor vehicle tobacco, and liquor sales. Net gain from the revisions would be \$11,500,000 a year gain in revenue.

Like Daniel, Seeligson recommends that the state take over unclaimed money and property.

Seeligson was vice chairman of the State Tax Study Commission the State Tax Study Commission that spent the between-sessions

Fair Warning Governor Daniel and Lt. Gov. Ben Ramsey both declared at their inauguration that they have sympathetic hearts for Texas taxpayers.

Governor Daniel proposed greater efficiency and economy by combining some of the 175 separate agencies and 213 special accounts operated by the state.

Ramsey promised there would be "no stringing up of the unfortunate taxpayer by the heels to shake out enough money to give everyone everything he desires."

Added Ramsey, "I refuse to admit that the success of a legislative session, or an administration, depends solely on the sum of money it can spend."

No Pay, No Work House and Senate agreed easily on an automatic shut-off of the regular session at 6 p.m. May 12, but had more difficulty deciding where to get their salary money.

House members shied from a Senate plan to take from a surplus in the fund to aid the permanently and totally disabled. Future campaign fodder, for sure, reasoned representatives.

Instead, they proposed borrowing from the Insurance Department Building fund. Both houses agreed to tap the drivers license fund.

A definite adjournment resolution this early in the session is unprecedented in recent legislative history. So is a session of only 120 days, the period for which legislators can be paid. Both are regarded as reflecting disgruntlement over the defeat of the legislative pay raise amendment last fall.

Already three new pay raise proposals have been introduced: (1) to pay \$50 a day for 150 days (2) \$40 a day for 120 days, \$20 a

Presbyterian Ladies Have Meeting In Mrs. Byrd's Home

The Presbyterian Women of the Church met Monday afternoon in the home of Mrs. J. W. Byrd.

After the hymn "Trust and Obey" had been sung, Mrs. G. K. Mitchell led in prayer.

Mrs. C. C. Mitchell, president announced the World Day of Prayer to be observed on February 13 with a meeting and program at the Methodist Church.

Mrs. N. M. Mitchell led the program on Christian social relations which was titled "The World Telling Us." Members assisted by reading Bible passages Prayer by Mrs. N. M. Mitchell and the singing of the hymn "A Charge To Keep" closed the meeting.

The hostess served pie and coffee to Mmes. Sid Harkins, J. H. Lochausen, E. H. Jessup, C. C. Mitchell, J. D. Nichols, J. L. Whistler, Sue B. Moseley, N. M. Mitchell, R. S. Wilkinson, A. H. Zuberbueler, and G. K. Mitchell.

Bentley-McTherson Wedding Set For February 15th

Mr and Mrs. H. C. Rock have announced the engagement and approaching marriage of her daughter, Miss Mary Jane Bentley, and Sgt. Daryle E. McTherson of Liverpool, Ohio. Sgt. McTherson is stationed at Brooks AFB in San Antonio and Miss Bentley is employed in that city.

The wedding will be on Thursday, February 15, in the chapel at Brooks AFB at 7 o'clock. The reception following the wedding will be at the NCO Club.

day thereafter and (3) \$4,200 a year.

Present scale is \$25 a day for 120 days only.

Flood begins Dozens of new bills — and old bills dusted off — are flowing into legislative hoppers. Already introduced or ready for introduction are measures that would:

Tax Gross Receipts of manufactures and importers of manufactured products by Rep. Jerry Sadler of Percilla, estimated by author to raise \$400,000,000 a year.

Revise Juvenile Laws to allow prosecution of youths, 16 and over, for felonies, by Reps. Joe Ed Winfree, Houston, and Ben D. Suddeth, Gustine.

Give REA Coops the right for 10 years to build and operate lines in an area annexed by city, to be sponsored by Rep. Alonzo W. Jamison of Denton.

Require a Two-Thirds Vote of both houses to pass a tax measure, a constitutional amendment proposed by Rep. Bill Jones, Dallas.

Mrs. L. H. Gilbreath Leads Program For Methodist Ladies

The Methodist Woman's Society of Christian Service met Monday afternoon in Fellowship Hall with 19 members present and answering roll call with Bible verses.

During the business meeting the secretary of supplies, Mrs. W. T. Attaway, was instructed to send a cash offering of \$3.00 to Harwood School for Girls in Alibonue, N.M. Plans were completed for the banquet which the organization catered for the O. E. S. School of Instruction Tuesday evening. Announcement was made of the zone meeting in Fort Stockton Friday and the annual conference in Hobbs, N.M., on March 24, 25, 26, also of the World Day of Prayer on February 13. Mrs. Virgil Franks was welcomed as a new member.

Mrs. L. H. Gilbreath led the program on "Rekindling the Faith." After a piano prelude by Mrs. L. G. Hinkle, the hymn "We've A Story To Tell" was sung and Mrs. Gilbreath led in prayer. The Bible passages were read by Miss Eva Billings. Islam, Hinduism, and Buddhism, the three principal religions of the Near East were discussed by Mesdames M. W. Duncan, Irvin Robbins and H. C. Goldwire. Prayer by Mrs. W. W. Sudduth closed the meeting.

During the social hour, a sandwich plate with tea, coffee and home-made chocolate fudge was served by Mrs. Clyde Higgins and Mrs. Eddie Autery.

Those present were Mmes. A. B. Gates, K. T. Melugin, John Neal, W. E. McSparran, H. C. Goldwire, H. E. Ezelle, Lewis Hill, L. H. Gilbreath, W. W. Sudduth, Ida Bodkin, W. T. Attaway, Susie Blanton, Irvin Robbins, L. G. Hinkle, M. W. Duncan, and Virgil Franks, and Miss Eva Billings.

Buffet Supper Sunday Honors Sanders' Family

Dr. and Mrs. L. N. Sanders who are moving to El Paso were honored at a buffet supper on Sunday evening, January 18th. The supper was served in the Legion Hall and the hosts and hostesses included Messrs. and Mesdames C. G. Riggins, P. G. Harris, Jr., J. R. Hodgkins, Lawrence Jones, D. R. Elrod, Irvin Robbins, E. R. Searcy and Mrs. Winnie Magill.

Barbecued chicken was featured for the supper which was served to approximately sixty guests.

A place setting of china was presented to the honored couple by the hosts and hostesses and gifts were also presented to the Sanders' children, Ricky and Bobby.

Sharon Ann Hill Has Party For Ninth Birthday

Mrs. J. R. Blackwelder entertained with a party at her home Tuesday afternoon to honor her granddaughter, Sharon Ann Hill on her ninth birthday.

After the honoree had opened her gifts, a period of games was enjoyed. A prize was given to Dawn Harrell for pinning the tail on the donkey.

Cake and punch were served for refreshments. Favors were bubble gum and balloons.

The guests included Kay Northcut, Gweneth Thomas, Judy Beth Berry, Shary Stavley, Sharon Lane Jones, Linda Schmidt, Susan McSparran, Sharon Mayfield Dawn Harrell, Gina Hardgrave Rena Mae Nunn, Boyd and Jack Wood, Nelda Kay Sudduth, Sandra Rogers, Christine Downie Lois Deaton, Stephanie Hibbert, Pam Surratt and Georgeann Jones.

Mmes. Lawrence Jones, O. T. Sudduth, F. M. Wood, Aubrey Harrell and C. L. Surratt were present and assisted the hostess in entertaining the children.

Thursday Club Meets In Home Of Mrs. A. J. Hahn

The Thursday Bridge Club met in the home of Mrs. A. J. Hahn Jr., last week.

Making up the guest list for three tables of bridge were Mmes. G. E. Babb, M. F. Bader, E. J. Hanson, H. E. Fletcher, W. E. Stavley, J. A. Gilbreath, M. H. Goode, Jr., Vic Littleton, F. M. Wood, Roger Rose, C. H. Stavley and Gene Litton.

High score prize went to Mrs. Littleton and Mrs. Wood was low Slam prizes were held by Mrs. Fletcher and Mrs. Rose.

Spice cake, fruit salad, tea and coffee were served by the hostess.

Mrs. W. W. Sudduth visited her mother, Mrs. E. L. Brown, and other relatives in Fort Stockton Wednesday.

Mrs. Jack Riggs Hostess Tuesday At Bridge Club

Mrs. Jack Riggs was hostess for the meeting of the Tuesday Bridge Club this week.

Vehicle Inspection Due Before April 15

Austin — The Texas Department of Public Safety warned motorists of the inconveniences of a last-minute rush at safety inspection stations before the deadline April 15.

More than 3,000,000 of the 4,000,000 motor vehicles have yet to receive their 1959 safety inspection sticker.

The safety department stated that all who fail to comply with the vehicle inspection law will be subject to traffic summons after April 15. The average cost of this safety inspection since the program began six years ago is \$1.19 for needed repairs and \$1 for the inspection fee.

Brakes, lights, horns, mirrors and windshield wipers are among the items checked and it has been noted that 39 per cent of the vehicles have needed some adjustment or repair.

There are two inspection stations in Sanderson.

STUMBERG RE-ELECTED TO NATIONAL WOOL POST

S. L. Stumberg, Sr., was re-elected vice president of the Wool Council at a meeting of the National Wool Growers Association in Portland, Oregon, this week.

Stumberg has held the post for several years.

JP Cases Heard

Four cases were heard in the Justice of Peace Court during the week just past.

Two men pleaded guilty to charges of fighting and disturbing the peace at a local beer hall and were fined \$25 and costs.

One man was fined \$5.00 for disturbing the peace after a plea of guilty.

One man was fined \$1 for being drunk in a public place after a plea of guilty.

Local officers filed all four of the complaints.

Mr. and Mrs. Jolly Harkins were in San Antonio for two days last week for him to attend a meeting of Texaco consignees.

New License Plates Go To Public Feb. 2

New license plates for 1959 will go on sale in all county court-houses February 2, State Highway Engineer D. C. Greer announced this week. The plates will be the reverse of 1958's, and will have black letters and numerals on a white background.

Greer stated that four and one-half million motor vehicles were registered by Texans in 1958. "Do not be at the end of that long line. Get your vehicle registered early," Greer urged. "The registration deadline is April 1, but we hope car and truck owners will put on their new plates as soon as possible."

Greer stressed the importance of registering all automobiles and trucks in the home county of the vehicle owner.

"Take your certificate of title and your last year's registration receipt to the tax collector in your home county. Penalty for improper registration of a vehicle can be as much as \$200. Do not risk an illegal registration. Remember, too, that a portion of all registration fees stays in your home county to benefit your local community."

Terrell County tags will bear the letters CU and begin with the numerals 9100.

'Ten Commandments' Coming

Carlton White, manager of the Princess Theatre, announced this week that the film "The Ten Commandments" would show at the local theatre on February 17, 14, 15, 16.

White stated that the show was rated and had proven to be one of the most popular films of this generation and he promised complete satisfaction of his theatre patrons with the film.

More details of the film will be announced later. White stated.

Garden Club To Meet Saturday

The Sanderson Garden Club will meet Saturday afternoon at 2 o'clock in the home of Mrs. J. R. Hodgkins. All members are urged to be present.

New Arrivals

A daughter was born here on Monday to Mr. and Mrs. Tex Martin of Meridian. The baby's birth weight was 7 pounds and 5 ounces and she was named Georgine. The Martins have two other daughters.

Mr. and Mrs. C. F. Cox are the maternal grandparents.

A son, Eloy, was born here on Saturday, January 24, to Mr. and Mrs. Pedro S. Pando, their third child. His birth weight was eight pounds and 12 ounces.

Barbara Jolene Houchin is the name given to the daughter and second child born here Wednesday, January 28, to Mr. and Mrs. A. A. Houchin. Her birth weight was six pounds and 13 ounces.

Bustin Canon Improves

Word has been received that Bustin Canon continues to improve and is having little discomfort this week. He is in a Houston hospital where he had a portion of his leg amputated two weeks ago and expects to come home soon.

Mr. and Mrs. Jack Riggs were in Denver, Colo., last week for him to participate in the rodeo there. He was in the calf roping events.
