## LISTEN TO LUKE

This columnist was at the American Legion installation last Thursday evening and heard the honorable Pete E. Turner, judge advocate of the Department of Texas, for the American Legion, as he propounded the merits of the great organization, using as his subject "The New Discovery".

Judge Turner's words mean a great deal to those of us who have been Legionnaires for many years and who have tried to inculcate the great teachings and principles that are set forth in the Legion's constitution and practices.

It is therefore our privilege and pleasure to yield this week's column to print the text of his speech. Read every word of it and see if it is what this country needs. Yes, we need more men like Pete to get up and tell the people what their own eyes fail to see.

I wish to take the liberty of telling you a personal story, one that has begun but which is not ended. Prospects are that it will never end.

At the close of World War II after taking up the reins of my profession where I left off, it began to appear to me and people with whom I associate that all was not right in the affairs of our country.

There was an idea among people that it was sound economy to spend beyond the taxable income. That we could spend ourselves into prosperity. That government had the right to tax the people to support the plans of socialists throughout the world. That it was morally and morally right for government to own, manufacture and produce in competition to its citizens and tax payers. Remembering all American history and the rights enshrined in our Constitution, I rebelled against the thought. I wrote letters to my Congressman, Senators and to the President. I know that others were doing the same.

As time passed the tide toward creeping socialism was not stopped, but accelerated. It was evident that our two great political parties were offering more socialism and special privileges to minorities in exchange for their votes. Both were bidding for the votes of farmers, colored people and organized labor. Bidding high with the fruits of excessive taxation.

Against this tide of socialism the man feels lost. His voice is like the cry in the wilderness, only the wind hears.

It was at this time I picked up and read with interest the Legion Magazine. There was an article by Dan Daniels, National Commander of the American Legion speaking out in positive statements against these things and in favor of constitutional government. There was a man and an organization with the courage and fortitude to stand up and be counted and work for 100% Americanism. Though I had long been a member, it was not until then that I discovered the American Legion. I knew that time my efforts have been rewarded in personal satisfaction for a worthy cause.

The American Legion is many things to many people. To some it is "to preserve the memories and incidents of our association in the great wars", but to all of us it is "to foster and perpetuate 100% Americanism." It is about this subject that I want to talk to you tonight.

On June 28, 1787, Benjamin Franklin, in addressing the Constitutional Convention said: "How has it happened, Sir, that we have not hitherto once thought of humbling ourselves to the Father of Humankind? I have lived, Sir, a long time, and the longer I live the more convincing proofs I see of this truth: That God governs the affairs of men. And if a narrow cannot fall to the ground without His notice, it is probable that an empire can rise without His aid? I believe that without His concurring aid we shall succeed in this political building no better than the builders of Babel."

The Constitution of the United States of America was fathered by men who believed in the Christian faith and invoked the blessings of Almighty God. In the outset it is well that we recognize that there were several outstanding features of this document.

That the people had inalienable rights, rights that were God-given which government Continued to Page 2

## Safety Asked During Week-End

Governor Price Daniel Saturday called for "an all out effort to save lives on the Texas streets and highways during the Labor Day week-end and in the preceding week." The request was in the light of a 6 per cent increase in traffic deaths for the first half of the year.

"I am asking all of Texas — the law enforcement agencies, the civic organizations, the traffic safety councils, but most important of all, the drivers — to help in this most important of all Texas efforts, the saving of human life," the Governor said.

"After looking over the statistical reports from the Department of Public Safety, there is only one conclusion: the slaughter on our streets and highways should be stopped."

It was also revealed that the number of persons hurt in auto accidents was up 20 per cent, the number of crashes jumped 23 per cent, the number of cars wrecked increased 21 per cent, estimated economic loss jumped 21 per cent.

It was pointed out that these figures proved that the chances of being injured in Texas traffic were considerably greater than last year.

## Joint Installation Held Thursday For Legion, Auxiliary

Judge Pete Turner

The Clarence Halley Mulkey Post of the American Legion and Auxiliary met last Thursday in joint session for installation of officers.

Pete Turner of Midland, judge advocate of the Department of Texas, installed the Legion officers including: — Lawrence James, commander; Joe N. Brown as vice-commander; J. R. Hodgkins, adjutant; E. J. Hanson, chaplain; Ross Stavley, finance officer.

Mrs. Carl Flack of Odessa president of the 16th District Auxiliary, installed the following officers for the local unit: president, Mrs. Monte Goode, vice-president, Mrs. W. H. Dishman; secretary-treasurer, Mrs. Ray Hodgkins; chaplain, Mrs. L. H. Gilbreath; sgt.-at-arms, Mrs. Billy C. Hibbert; historian, Mrs. H. E. Ezelle.

Mr. Turner, a Midland attorney, gave a very interesting address to the group using the subject "A New Discovery".

Miss Elodia Garza, 16th District nursing scholarship winner who has graduated from Hotel Dieu School of Nursing, was introduced and made a few remarks. On behalf of the Auxiliary, Mrs. Goode presented her with a gift.

During the social hour, a committee headed by Mrs. Winnie Magill served punch, coffee and cake.

A large arrangement of summer flowers was on the mantel and roses and greenery formed the low arrangement in a bowl on the speaker's table.

Mrs. Turner, Mrs. Gene Adams of Midland and Mr. Flack of Odessa were also among the out-of-town guests.

## George Sholley Dies Saturday

George H. Sholley, formerly chief park ranger in Big Bend National Park, died following a heart attack Saturday night in South Dakota at the Badlands National Monument. Burial services were in Fresno, Calif., on Monday.

Sholley, 48, served from 1944 to 1955 in the Big Bend National Park as chief ranger.

Joe Mussey who has been employed in Anchorage, Alaska, is visiting with his parents, Mr. and Mrs. R. B. Mussey.

Mr. and Mrs. Pete Billings and children of Del Rio visited here Wednesday with his mother, Mrs. Lizzie Billings.

Mr. and Mrs. R. B. Dyer returned home Monday from a three-weeks' trip when they visited friends in San Angelo. Sweetwater and San Antonio and with her brother and family in Oklahoma City.

Oscar Bendele visited in Carta Valley last week with his son-in-law and daughter, Mr. and Mrs. Walter Carruthers.

Mrs. Sam Bell, Jr., and children of Dryden will move to Del Rio next week for the school term. Their oldest son, Sam Bell III, will enter school for his first year.

## School Ready For Opening

Friday marks the last day of registration for the pupils of the Sanderson High School and eighth grade and everything is in readiness for the opening of school on Tuesday, September 1, according to Supt. Matt Bader.

Pupils from the first through the seventh grade will register on the opening day of school and a regular schedule of classes will be followed on that day.

A fourth teacher, Mrs. Orba Court, has been employed to teach the first grade and the additional class will be placed in a room available in the building, a room which has been used for storage.

A general faculty meeting will be held on Monday morning at 9:00 a.m. Following this meeting principals will have meetings with their teachers.

## Examining Trials Bind Two For Called Grand Jury

Examining trials were held Tuesday afternoon before Justice of Peace J. A. Gilbreath in connection with alleged felony embezzlement and receiving and concealing embezzled property.

Francisco Cruz was charged with felony embezzlement and Samuel Guadarrama was charged with receiving and concealing embezzled property. Both complaints were signed by Texas Ranger J. S. Nance of Sierra Blanca.

The complaints grew out of the discovery of a butchered beef in the car belonging to Guadarrama and his statement of the origin of the beef, according to Ranger Nance.

Bond of \$1,000 was set by Gilbreath on each defendant.

Texas Rangers Arthur Hill and F. G. Hardin were working on the case with Nance.

It was reported that the grand jury would be called for Tuesday, September 8, to hear testimony on these and possibly other cases.

## An Open Letter To Ed Sullivan:

From the Wink Bulletin

Dear Ed: I am writing this letter to you because you have become my God. Instead of going to church on Sunday nights, I have stayed away and listened to you. It took so little effort to relax on Sunday evenings and watch you.

Now, understand that I am not lazy, for I always go to work on Monday morning. Then, too, I don't get convicted listening to you like I might if I were at church.

Ed, I am in the hospital now and I need your help. I can't go to the pastor, for in substance I have slapped him in the teeth every Sunday night as he preached when by my absence I said in effect, "What you have to say doesn't interest me one bit." Why should I lower myself to allow him to pray for me now?

And I can't go to God, for I have put Him "second fiddle" to you so many times that surely He wouldn't help me now.

He knows that whenever I get well I will do Him as I have always done Him, and keep listening to you on Sunday nights. Surely He wouldn't expect me to give up my favorite program just to worship Him.

Please, Ed, will you help me get well? Also my bills are piling up. Will you help me meet my obligations? And if perchance I should die, will you see that I get to heaven?

If I do get well, you can count on me to be in my place on Sunday nights supporting your program. So please, Ed, don't let me down.

A Devoted Supporter.

## Ballots Mailed For Referendum Vote of Ranchers

Ballots will be distributed to all known Terrell County wool and lamb producers by mail Friday of this week to determine their approval or disapproval of an agreement with the American Sheep Producers Council, Inc. Ballots may be voted during the period, Sept. 1 through 30. The extended period of voting is aimed at encouraging as large a number of sheep producers as possible to vote. Preliminary referendum results will be announced early in October.

A new agreement would provide for the continuation of deductions from incentive payments on shorn wool and from payments on unshorn lambs made to producers during the 1959, 1960 and 1961 marketing years. The outcome of the referendum will in no way affect the continuation of the incentive payment program. Under the original agreement, deductions have been made from the payments at the rate of 1 cent per pound for shorn wool and 5 cents per hundredweight for lambs. Under a new agreement, the deductions could not exceed these rates. Funds obtained from the deductions would be administered, as in the past, by the Council and used to finance activities of the Council to enlarge or improve the market for products of the industry.

The agreement will not be put into effect unless approved by producers owning two-thirds of the sheep and lambs represented by votes in the referendum. In determining whether or not the referendum results adequately reflect producer approval on a representative basis, consideration will be given to the number of votes cast for and against and to the volume of production represented as for and against. It is stipulated the requirement of approval shall be complied with if either producers having two-thirds of the volume of production represented in the referendum or two-thirds the total number of producers voting indicate their approval.

All producers who have owned one or more sheep or lambs, 6 months of age or older, for any one period of at least 30 days since January 1, 1959, will be eligible to vote. Each producer will be required to report the number of his sheep and lambs on his ballot. Any eligible voter, who does not receive a ballot by mail, may request one in the ASC office. A ballot box is provided in the ASC office for voting in person, or ballots may be returned by mail.

## Drive-In Grocery Opened Thursday

The Circle-C Drive-In Grocery, a new business, was opened today. Mrs. Violet M. Corie is the owner of the business located on Cargile Street west of the Lawrence James home.

A ready-built building was moved to the lot several weeks ago and the installation of fixtures and counters was made.

Mrs. Corie has previous experience in similar businesses. She came here from Corpus Christi and is making her home with her mother, Mrs. D. O. Bosworth, and Mr. Bosworth.

The store is open from 9 a.m. to 10 p.m. seven days a week and she extends an invitation to everyone to come by her store and is assuring the appreciation of all business.

## Dove Season Begins Sept. 1

Season opens for North Texas dove hunters Tuesday, Sept. 1 with perhaps one of the best crops in years, according to the assistant secretary of the Game and Fish Commission, although there will probably be a shortage of targets in Terrell County, according to all available information.

New licenses should be available now and they will be effective September 1.

Persons over 65 years of age are not required to have a license.

The season is open in Terrell County until October 20, according to information received. The shooting hours are from noon until sunset with a 10 dove limit per day.

Everett Townsend of Del Rio visited here last week with Mr. and Mrs. Web Townsend.

Mr. and Mrs. Sam Harrell are in El Paso for him to receive medical treatment.

Mrs. Irvin Robbins took her children to Fort Stockton Tuesday for dental work.

## Friday Is Last Day For Roundup Of All First Graders

On Wednesday, Thursday and Friday afternoon of this week Dr. Gene Richardson is offering a free physical examination to all children entering the first grade for the first time. From 2 to 5 p.m. Friday is the last opportunity for this service.

The Terrell County Tuberculosis and Health Association has made materials available for a free tuberculin skin test to be given each child.

A birth certificate and a certificate showing that the child has been vaccinated against smallpox is required of all children entering the first grade.

Mrs. Jack Turner, P.T.A. president, urges all parents to take advantage of the opportunity to have their child examined and vaccinated and to have any sub-normal physical condition corrected before the opening of school. The summer round-up is a project of the P.T.A. and some of the members are assisting in the doctor's office.

## Two Kindergartens For Pre-Schoolers To Be Available

Two kindergartens will be available again this year for the small children of Sanderson.

The Musical Kindergarten under the supervision of Mary Nell Hinkle will open Wednesday, Sept. 9, but registration will be Friday, Sept. 4 at 9:30 a.m. in Fellowship Hall of the Methodist Church. Classes for children between three and six will be on Wednesday mornings from 9 to 10 in the church basement.

The Sun and Fun School, directed by Mrs. Dudley Harrison is for children five years of age. Mrs. Harrison is holding open house at the school at her home Saturday from 4 to 7 p.m. for all prospective pupils and their parents.

## States Exploration Crew Moves Here

A new exploration crew, the States Exploration Co. moved here from Alpine last week. They have opened offices in the Brown building at the former location of the G.S.I. Company.

J. R. Everett heads the crew and with his wife is residing in Mrs. Eleanor Cooper's rent house. Three other married members of the crew are Fred Hill who has moved to the Clark Apartments, W. J. Maupin who with his wife and child are residing in the Robertson duplex, and Ben Peifer who has moved his trailer to Ben's Trailer Park. There are several single men on the crew.

## Wreck Victim Dies In Del Rio

Mrs. Mary Milton Hogue, 74 of Fort Worth died in a Del Rio hospital Friday morning from injuries received in a car accident near Dryden last week.

Her daughter, Mrs. Maria Rankin, also of Fort Worth, was hospitalized after the accident and is said to be in serious condition. George Watkins of Fort Worth driver of the car, was uninjured.

The accident occurred Wednesday of last week about 10 miles east of Dryden. No other vehicles were involved.

was bound to respect. 2. That the division of granted powers between executive, legislative and judicial was a protection against usurpation. 3. That the government was a limited power, having only the power incident to the binding of the states in the Union and against a common enemy. 4. That in all matters directly affecting the domestic affairs of the people, the several states, and the people were the sovereign power. 5. That it would be amended by the will of the people. created which was the servant of the people instead of the master where freedom was abundant and it was for this principal that emigrants came from all parts of the world. It was this principal that made America great. One hundred and seventy years have now passed and we find a great country in place of the 13 original colonies. Yet today we find a confiscatory tax upon the fruits of labor and capital. A farmer cannot grow wheat for his own use without the consent of the government. . . . Today we find the federal executive branch has invaded the State of Arkansas and making treaties without the consent of the Senate. The Supreme Court has legislated in the field of criminal evidence, civil rights and natural resources of the state. . . . Today we find the central government making treaties with the United Nations, surrendering our sovereignty as Americans to the world planners. . . . We find today a central government in competition to its tax-paying citizens in the manufacture of hydro-electric power, and other businesses holding tax-free property of a value of fifty billion dollars and operating on a deficit. . . . We find that the 4th Amendment has been nullified by the Supreme Court allowing a health inspector to search without a warrant, that the 5th Amendment has been nullified in regard to taking of property for public use by urban renewal. That the 10th Amendment has been nullified by the usurpation of the Supreme Court subjecting the states to the will of the central government. And the most dangerous yet is the holding that these government commitments to the United Nations supersedes the Constitution. All this, my friends, without a vote of the people. We find people who in large measure, have turned from the inevitable truth and are repeating the history of the Roman Empire. In 8 1/2 centuries the Roman Em-

pire committed suicide from within in through moral and political decay. How long will the American Republic last? That is our problem. We pledge ourselves, our fortunes and our sacred honor to "uphold and defend the Constitution of the United States of America". Now, let us set about to do this with study and deliberation. It is on these premises that I will talk to you about different subjects affecting our Constitutional form of government. International Communism In 1848 Karl Marx wrote the Communist Manifesto. On page 32, 33 and 34 the platform for the destruction of world capitalism is set forth. This platform contains ten planks: 1. Abolition of property in land and application of land to public purposes. It is well to note that an estimated 25% of the area of the United States is owned by the United States. 2. A heavy graduated income tax. In our country this was begun in 1913 and has grown heavier ever since. 3. Abolition of all rights of inheritance. Though we have not adopted this plank we have taxed inheritance up to 75%. 4. Confiscation of the property of immigrants and rebels. 5. Centralization of credit in the hands of the state. Though we do not recognize it the control of interest rates is in this direction. 6. Centralization of the means of communication and transportation in the hands of the state. 7. Improvement of the soil generally according to a common plan and ownership by the state of the means of production. 8. Equal liability to labor, industrial armies, especially for agriculture. 9. Government planning in agriculture and industry. I am sure this has a familiar ring to all of you.

10. Government controlled schools. This is at our door step today. My friends, these are the diabolical plans for the destruction of our form of government. Some of these you will recognize as being partially adopted today. I can say to you with all sincerity, that Communism has an arch foe in this country from the first time it asked for recognition, and that foe is the American Legion.

The American Legion is directly responsible for the creation and continuation of the House Un-American Activities Committee which has done and is doing a great service to this country in exposing Red front organizations. There is a great battle being waged today over the virtue or lack of virtue of Communism. It behooves me to say to you that we are better prepared for this battle when we simply and effectively tell our children and our children's children the American story. Tell them of the Mayflower Compact, the Declaration of Independence and the Constitution. Teach a respect for the flag of the United States and the Pledge of Allegiance.

Federal Aid To Schools Last year the 16th District presented a resolution against federal aid to schools which was adopted by the Department of Texas and by the National Convention of the American Legion. The Supreme Court has announced that "what the government subsidizes it not only has the right but the duty to control". Federal aid to our schools is the end of states rights and a realization of the tenth plank of the Communist platform. Each post should annually in convention, reaffirm this stand. Foreign Aid Last year the 16th District presented a resolution in opposition to foreign aid to Communist and Communist-dominated countries. This resolution was passed by the Department convention and modified in the National convention

to exclude Poland and Yugoslavia. This year the 2nd District reasserted our resolution taking exception to the exclusion. This was passed by the department convention and is now ready for the national convention. Balanced Budget: The 16th District this year presented a resolution in Department Convention in favor of a balanced budget and in opposition to deficit spending. This was passed and is now ready for national convention.

Scholarship To Jenks: The 16th District presented a resolution in opposition to the Ford Foundation granting to Clinton Jenks a scholarship after his conviction in the El Paso Federal Court where he lied about being a Communist. This was a scathing resolution and was passed with directions for immediate action by the National Executive Committee. The Supreme Court: The Constitution contemplated that lawyers of outstanding ability and high integrity would be appointed to constitute the Supreme Court. In the last thirty years we have seen presidential appointments made of lawyers because of political expediency, and as a reward for political favors. The end result of this is that we have a line of decisions which appear to give Communists a victory over the American people. In the matter of states rights the Supreme Court has undertaken to completely disregard the original concept of sovereignty of the states and has nullified the ninth and tenth amendments, reading into the fourteenth amendment concepts never intended by the people. It is significant that this court has disregarded its original purpose in interpreting an already existing law, but has embarked in the field of legislation to make rules of evidence authorizing Communist defendants to see the secret files of the F.B.I. declared that the Smith Anti-Sedition Act deprives states of the right to prosecute sedition cases. The action of this court in 1954 is not the question of integration or segregation that alarms the lawyers throughout the country. It is the simple statement that this court can legislate to broaden the scope of the 14th Amendment without submitting it to you for a vote. Because of the wanton disregard of precedent, the American Bar Association has by resolution condemned this practice. The 16th District of the American Legion has followed suit, and its resolution was adopted by Department convention. It is now ready for National Convention.

Remember also your American Legion as a war memorial to those who have given their full measure of devotion in this hour of need for Christian patriotism, for God and country, are you to be counted with the righteous and patriotic, or are you to be weighed and found wanting? Mr. and Mrs. L. G. Arledge of Rankin will move to Sanderson next week and he will be employed by Commissioner Sid Harkins in Precinct 2 for roadwork. I could go on and on telling you of the activities of the American Legion, three million strong, exerting their influence upon the President, the Congress and the Supreme Court. To what end? That we might secure the blessings of liberty to ourselves and our posterity. This is what I have discovered in the American Legion, and at each meeting and convention, I learn more. Of this I can assure you, if you will work for your Legion yourself in the meetings, send adequate competent delegates to conventions, the wishes you express will be heard. In turn, the strength of three million men and women is behind you in this battle for survival. Now, I am asking you to discover, as I have, what the American Legion is.

In closing, I strongly urge you to bring into the American Legion every eligible man and woman. Have them speak before your schools, churches, and in the Legion Hall, telling the glory of our American heritage. The tools for this task are the Bible and American history. Tell this story as often as you can and wherever you can. Remember also your American Legion as a war memorial to those who have given their full measure of devotion in this hour of need for Christian patriotism, for God and country, are you to be counted with the righteous and patriotic, or are you to be weighed and found wanting?

Mr. and Mrs. L. G. Arledge of Rankin will move to Sanderson next week and he will be employed by Commissioner Sid Harkins in Precinct 2 for roadwork.

### W.S.C.S. Meets Monday at Church

The Methodist Woman's Society of Christian Service met on Monday afternoon in Fellowship Hall.

Mrs. Irvin Robbins led the program on "I Love Thy Church" and Miss Eva Billings read the meditation "The Local Church" from The Methodist Woman. Mrs. K. T. Melugin answered the question "What is the Church?" and Mrs. Robbins discussed "The Local Church - Within". The program opened with the playing of the hymn of the year "Christ For the World We Sing", by Mrs. L. G. Hinkle at the organ and the Call to Worship read in unison.

During the business meeting the society voted a cash contribution toward the purchase of lawn furniture for the district parsonage. Mrs. Clyde Higgins program chairman, distributed new year books.

Mrs. Bustin Canon and Mrs. Hinkle served refreshments from a dainty tea table covered in a cutwork linen cloth and centered with an arrangement of Peace roses in a crystal bowl. Mrs. Higgins served the frosted lime punch. Sandwiches, cookies and salted nuts were also served.

Also present were Meses John Neal, C. F. Cox, A. B. Gates, H. M. Petty, L. H. Gilbreath, Virgil Franks, W. W. Sudduth, W. T. Attaway, M. W. Duncan, H. E. Ezelle, Lewis Hill and Miss Eva Billings.

### MRS. LEOLA HILL HAS KIN VISITING

A large crowd of relatives of Mrs. Leola Hill and her daughter, Mrs. N. M. Mitchell, were visitors at the Mitchell ranch last week to have a celebration of Mrs. Hill's birthday.

The visitors included Mrs. Hill's brother, A. A. ### District Officers Here Thursday For Culture Club Meet

The Sanderson Culture Club met Thursday afternoon in the home of Mrs. H. E. Ezelle for the first meeting of the new club year.

Mrs. R. A. Gatlin, president, extended her welcome to the new members and guests and outlined her desires for the club accomplishments for the year. She opened the meeting with prayer and the group sang "The Star Spangled Banner".

During the business meeting the date of the September meeting was changed to Thursday, Sept. 24, on account of the conflict with the District 8 Board meeting in McCamey on Sept. 17.

Mrs. Ezelle passed out the new year books and the subject of this year's programs is "Alaska". "Alaska's Flag" was read by Mrs. S. D. Harrison and later a recording of the song was played.

Two guests of the club were Mrs. B. F. Seay of Andrews, president of District 8 T.F.W.C., and Mrs. P. B. Storey of Andrews district secretary. Mrs. Seay made a very interesting talk about federation, stressing the apathy among Americans in all walks of life.

Dainty refreshments were served from the tea table covered in a hand-crocheted cloth over pink and centered with an arrangement of fruit and autumn leaves on a tray and flanked by pink tapers in silver holders.

Mrs. Harrison presided at the silver tea and coffee service and Mrs. W. H. Savage served the molded chicken salad. Salted nuts, a relish tray, potato chips crackers, cookies and mints were also on the table.

Members present were Meses A. D. Brown, E. H. Jessup, R. A. Catlin, L. H. Gilbreath, John W. Byrd, L. G. Hinkle, S. D. Harrison, T. R. Arrington, E. E. Farley, J. W. McKee, W. H. Savage, H. A. Smith, and three other guests, Mrs. Carlton Smith, president of the Evening Study Club, Mrs. Thelma Crouch of Arnett Okla., and Mrs. Kip Gatlin of Lubbock.

### Personals . . .

Mrs. Ramona Olivarez and daughter, Oralia, and Miss Manuela Rodriguez attended the graduation exercises at Sul Ross College Thursday and then went to Odessa for Oralia to have a check-up, accompanied by Miss Clotilde Pena. They also visited with Mrs. Olivarez' brother, Higino Pena, Jr., in Andrews and returned home Sunday.

Mr. and Mrs. C. H. White took their grandson, Mel Hovell, who had been visiting here, to Lytle Saturday and his parents, Dr. and Mrs. Frank Hovell met him for the return trip to Corpus Christi.

Mr. and Mrs. Kip Gatlin of Lubbock and her mother, Mrs. Thelma Crouch, of Arnett Oklahoma, left Sunday for their home after visiting here with Mr. Gatlin's parents, Mr. and Mrs. R. A. Gatlin.

Mrs. Lee Grigsby left Tuesday for McCamey where she will visit with her son, L. R. Grigsby and family and attend the initiation service of the Eastern Star Chapter in that city Thursday.

### Attention Members

A meeting was called for Thursday evening, August 20. Only 4 members of the Association were present for the meeting.

This is to advise that another meeting is being called for Tuesday, September 1, at 8 p. m.

The local bureau is interested in assisting the merchants in better credit controls for their own protection. This is in the interest of the entire community and each merchant will be benefited no end by assisting in the program.

Mr. R. B. Wood has contacted most of you, and some fifty stated they were interested in this program, yet only four were present for the meeting.

Remember, this program is for the benefit of the merchants of Sanderson, not only to protect them from credit losses, but to encourage "buying at home" among the patrons.

(This is an advertisement, paid for by the local Retail Merchants Association.)

H. L. Surratt of Alpine spent Sunday with his parents, Mr. and Mrs. C. L. Surratt, and returned his wife and children who had been visiting here for several days.

Mrs. Alice Turner returned home last week from a trip which took her to Houston to visit with her son, David Turner, of Graham, who was leaving for Alaska, to Alice and Dallas to visit relatives, and to San Antonio to visit her daughter, Mrs. Perry Dawson, and family.

Mrs. W. E. Lea, Jr., returned home Monday from El Paso where she had visited with her mother-in-law, Mrs. W. E. Lea for several days.

Mrs. J. R. Blackweider and granddaughter, Sharon Ann Hill returned home Friday from a visit with Sharon Ann's mother Mrs. J. C. Boyd, and Mr. Boyd who brought them home and returned to Midland Sunday.

Mr. and Mrs. Y. P. Bowley and children have returned from Lubbock where they had spent the summer. He is principal of the elementary school.

Mr. and Mrs. Jimmie Fuller of Austin were week-end visitors with his aunt, Mrs. Keith Mitchell, and family.

Mr. and Mrs. Greene Cooke arrived home Sunday from a vacation trip through the Ozarks. Mrs. Cooke was visiting with their daughter, Mrs. J. H. Chappie, and family in Florissant Mo., when Mr. Cooke joined her for a visit before making the trip home.

Miss Bessie Moore will arrive Friday from Dialville where she has spent the summer with her mother and other relatives. She will be in Mrs. McKee's home again this year.

**TEXAS CHAMPIONS OF FREEDOM**

**CAPTAIN JOHN YORK**  
*Gallant Pioneer and Defender of His People*

Among the many "tall Texans" who lived too courageously ever to be forgotten, and too quietly to make the headlines of history, the name of Captain John York stands out. In 1829 John York came to Texas with his family, settling near San Felipe de Austin, at the future site of Industry, in what is now Austin County.

First, there was Indian fighting to be done. Then, there was Texas independence to be won. John York led a company of his neighbors, volunteers, to San Antonio where he joined Ben Milam in the historic siege of Bexar. Home again, he was given a half-interest in a league of land in the new Republic of Texas which he had helped to create. Later he was to do more for the new State of Texas. In 1846, for a sale price of just \$1 cash, his land became the site of Yorktown, in the newly formed county of DeWitt.

But Captain John had only a few weeks in which to watch the settlers and their families coming in to build his town, and his dream of the new Texas. Marauding Indians soon threatened little Yorktown, and the Captain's leadership was needed again. He didn't return from the first retaliatory expedition. Captain York was killed on October 11, 1848—a champion of freedom to the last.

Today Texans still demand and get their right to choose the way they want to live. In this vigorous and freedom-minded homeland, "Beer Belongs" and this is why the United States Brewers Foundation works constantly, in conjunction with brewers, wholesalers and retailers, to assure the sale of beer and ale under pleasant, orderly conditions. Believing that strict law enforcement serves the best interest of Texans, the Foundation stresses close co-operation with the Armed Forces, law enforcement and governing officials in its continuing Self-Regulation program.

**TELEPHONE TALK**

by Richard Turner, Manager

We hear a bustle around town with parents preparing the children for another school term. The children are getting anxious and excited. And, of course, during the excitement little ones may dart into the street without any warning whatsoever. Let's all deliberately slow down when driving through a residential area as well as near a school zone. We, as drivers, may be able to stop in time to prevent a serious injury or even death to a child here in Sanderson. When you are under the wheel, think of your driving as a case of life or death.

**A New Hat or a Color Phone**

A friend of mine remarked the other day that August is a pretty hectic month around his house.

The kids are getting a little restless for school to start even though they never own up to it. And this restlessness doesn't exactly help his wife's attitude, either.

I know how restless the small fry can get, and it's hard to solve that one. But I DID have a tip to offer my friend that would perk up his wife's morale.

"Since it's too early for her to buy a new fall hat," I said, "why not order an extension telephone in her favorite color?"

The happy ending to this story is that he parked up his wife's morale AND brightened their kitchen with a new color telephone.

P. S.: It was an easy sale, because my friend is like most men. He's not exactly crazy about women's hats.

**The Call That's Appreciated**

About this time of year, most of us are back from vacation with memories of good times fresh in our minds.

I've always thought that the best way to relive a summer vacation — and be courteous at the same time — is to call the people who helped make your vacation so much fun.

If you spend it with other members of your family, they'll be glad to know you arrived home safely. If you vacationed with friends, they'll enjoy hearing your voice again.

So why not make the call tonight that's really appreciated? Rates are lower after 6 p.m., and you can talk longer for less by placing your call STATION-TO-STATION.

Call by number. It's twice as fast.
