Fire Department Re-Organization Planned Soon

There will be a complete re-organization of the Sanderson Volunteer Fire Department at a special meeting to be probably next week, according to W. W. Sudduth, local fire chief. The meeting will be in the early evening and will be heralded by several short blasts of the fire siren. All local citizens that are interested in the fire department are urged to be present. All local citizens interested in belonging to the volunteer fire-fighting group are asked to be on hand.

Eagles Win 36-16 Friday; To Host Van Horn This Week

The Sanderson Eagles displayed a surprising amount of power here Friday night against the visiting Grandfalls Cowboys to win by a lop-sided 36-16 score. Grandfalls is a Class B team and Sanderson is in district 7-A. Sanderson received the opening kick and after making one first down punted. Grandfalls duplicated this sequence and Sanderson made two first downs and put the ball on the Grandfalls 35. Larry Kight took over from there and scored the first TD of the game. The extra point was scored by Felix Valles on a running play which netted two points.

The twirlers during a number by the band. The lights were extinguished during the number. Twirlers were Linda Morris, Linda Beckett, Darlene McDougal, Paula Hanson and Kay Williams, drum major. The Sanderson Eagles will host the Van Horn aggregation Friday night in another non-conference duel. Van Horn is a strong Class B team and is expected to give some opposition to the Eagles. Game time is 8:00 p.m.

Band Boosters To Meet

Mrs. John T. Williams, president of the Sanderson Band Boosters' Club has announced a meeting for Monday night, September 14, at the band hall. All parents of band students are urged to be present.

TB Assn. Meets Monday Evening

The quarterly meeting of the Terrell County Tuberculosis and Health Association will be Monday evening at 7:30 at the courthouse.

The case grew out of the forging and passing of a credit card at the Frank's Super Station approximately two months ago. District Attorney Douglas A. Newton and Court Reporter Mrs. Belle Sutherland were also present.

The purpose of the meeting is to kick-off the 1959-60 membership drive and plan the program for the year.

All students who are members of the 57 Club and prospective members are also requested to meet with the group, which sponsors the 57 Club, for important business pertaining to the teenage program and for the election of officers for that group. Any high school student from the 8th through the 12th grades is eligible for membership in the 57 Club. All interested parents are also requested to attend this portion of the meeting which begins at 8:30.

Mrs. M. W. Duncan, president is urging the attendance of all officers and members.

Miss Willhite has previously served two years as District Director in Odessa. During this period she served one year as assistant camp director of Mitre Peak Camp. During the summer of 1959 she accompanied two patrols from the Permian Basin to the National Round-Up, an encampment for Senior Scouts held near Colorado Springs, Colorado. Later she went to Mexico City with Troop 37 of Odessa. The group spent a week at the Cabana, a world center for Girl Scouts at Cuernavaca. While at the Cabana, the group had an opportunity to meet Scouts and guides from Europe, Asia and South America.

McDonald and Mrs. Bertha Robinson are the baby's great-grandmothers.

LISTEN TO LUKE

The Girl Scout Drive needs a little more boosting and we will do what we can to help them out, financially and boostingly. There just isn't any argument about the worthiness of such an organization or against why everyone shouldn't contribute to it. As long as there are girls and there should be strong support behind a Girl and Boy Scout movement.

If you haven't sent in your contribution, yet, please do so at once and if you have forgotten to send it, or if there is any reason why you wish to remain anonymous, take the money to the bank and deposit it to the local Girl Scout fund.

The Girl Scout organization of the girls of every generation will be glad you helped to keep the movement going.

We are told that there is a lot of money in the making to begin a drive for funds for the local fire department. Should I spend time and effort extolling the worthiness of this group?

We think that unnecessary, but we do have this to say: The Girl Scouts, Boy Scouts, Fire Department, and all other organizations should have their own drives for funds rather than waiting until those funds are depleted before beginning a drive.

We are not fussing at the officers or those responsible for the drive since they know it not to be a good idea. We are just reminding everyone that it has been a long time since you have been asked upon for help for some of these things, and we will all have to remember this when the time comes to kick in.

We do not need to make a production of asking for help for the local obligations. You know we have them and you know their worthiness, so when the time comes to do something in support of them, let's do it.

It doesn't take much from each person to support these local organizations if each person will contribute just a little.

Talk over the worthiness of the drives with your neighbor and let's not drag them out.

The accident toll locally was actually nil over the Labor Day weekend. We are glad that there were no injuries or loss of property due to an accident. Safe driving is a habit, just as reckless or reckless driving is a habit, and we can cultivate our habits as we wish. The Times appreciated the response of the merchants to our driving campaign in last week's paper and we appreciated the words of those who had something to say about it.

P.-T.A. Plans Yearly Projects To Boost Funds

Mrs. Roy Bogusch gave the invocation to open the initial meeting of the Sanderson Parent-Teacher Association for the 1957-58 school term. The meeting was in the high school auditorium last Thursday evening.

The group went into a business session immediately after Mrs. Jack Turner, president, had welcomed the new and old teachers and members. The main item of business was a decision on money-making projects for the year. There will not be a Halloween carnival this year and, instead, the P.-T.A. members will be in charge of the two concessions stands at the football field.

The P.-T.A. is also sponsoring and instituting a milk program for the children in the lower grades to take the place of the soft drinks machines.

Subscriptions to the two official magazines of the organization were solicited by Mrs. E. E. Farley. She also stated that ten copies of the magazines will be available for sale in the lobby at each P.-T.A. meeting.

Mrs. Bogusch, program chairman, announced that instead of yearbooks a monthly news letter will be mailed to each member.

Mrs. Turner solicited members for the educational relations committee whose duty it is to attend the school board meetings and report to the P.-T.A. membership. She announced the district workshop for October and the annual convention in Dallas in November when the fiftieth anniversary of the organization will be celebrated and officers elected.

Mrs. J. F. Tronson, membership chairman suggested that the P.-T.A. give a life membership to this year and she also is soliciting members for the organization.

Supt. Matt Bader introduced the 33 teachers on the faculty stating that there are three more this year than last and also 12 teachers in the system that are new here.

Mrs. Turner then introduced the officers of the P.-T.A.

The room attendance prize was won by Mrs. W. H. Grigsby, fourth grade pupils.

Those present were invited to the band hall where Mrs. Herbert Brown, hospitality chairman and her committee had arranged for a social hour honoring the teachers.

Mrs. Tronson served punch and Mrs. Bob Allen served the cake. The table was covered in a linen cloth and centered with an arrangement of yellow roses.

THIS VERY MINUTE... THE NEW-SIZE FORD IS ON ITS WAY TO YOU!

The Falcon, the New-Size Ford, already is the most thoroughly tested and proven new car in history. This week the new Ford Falcon starts EXPERIENCE RUN, U.S.A., over every mile of numbered U.S. highway

This is not a test run in the ordinary sense of the word. For in its 3 years of development and over 3 million miles of proving, the Falcon has already passed and repassed every kind of test that could be devised.

It's been dust-tested, heat-tested, and endurance tested on the test track at Kingman, Arizona. Wind-tested and rain-tested in the 300 mph wind tunnel at the University of Maryland. Shock tested, curve-tested, brake-tested, noise-

tested, paint-tested, stability tested, service-tested... everything tested on Ford's own proving grounds. The Falcon has already proved to engineers that it takes anything they can dish out.

Now, Experience Run, U.S.A. will show you what the Falcon can do over your kind of roads.

How many miles to the gallon? Records will be kept of every drop of gas used. Better gas mileage? The Falcon will average up to 30 miles per gallon!

On October 8, the New-size Ford will be at your Ford Dealer's... for you to experience. See your Ford Dealer today for more information on the Ford Falcon.
