SANDERSON, TEXAS, FRIDAY, SEPTEMBER 23, 1960

NUMBER 33

### ISTEN TO LUKE

Capt. Ray Butler called us tell the news of two Highway Patrolmen being stajoned here after October 15. We at the fault of the Department. ers of the injury to two local bors involved in an accident last mday, we will say now and we sill say again, more power to e Highway Patrolmen.

The stationing of two patrolnen will make many changes loally, for sure, and probably will event no telling how many ac-

We get to thinking about such things as what happened Sunday morning and how and why and it all seems so foolish at times. Why should it be necesary to have law enforcement officers, breathing down our necks order to make us behave?

Why should it be necessary for Highway Patrolmen to be on and to keep us from endangerng our own lives and the lives

The answer's simple - some eople just have a hard time livg within any of the laws and of us have trouble living with-

We could do more night huntg if it weren't for these dern t-rodders burning up the highsys at night. We need to get em stopped from breaking the

Or the speedster would say, "If wasn't for those night hunters would have the road to our es that hour of the night and wouldn't be bothering any Why doesn't the law stop

The only thing that keeps us om passing on main street is the double stripe, but the that some stupid yahoo will a stop sign and get in our

We wouldn't have been caught h 18 dove and six quail if that pid jerk on the highway hadbeen poking along on the ls at 55 m.p.h. the other night. is our guess that all of us become much better drivers tween now and October 15. many of us probably will im--Continued to Page 4

### orker Urges Adult eadership Interest r Local Scouts

s. Ben Causey of 114 W. Pine asked The Times to urge citwho want to see Boy Scout Cub Scout programs availto the young boys here, to ise contact her at her home ween the hours of 11:30 a.m. 1:30 p.m. any day between and Monday.

irs. Causey has been active this work for several years and been unable to get adult inest aroused sufficiently for nteers to assist in the work. has a large number of boys ed up for Scouting and needs to complete the registration. is imperative that leaderbe obtained at once, if the fram is to be put in opera-Mrs. Causey said. "Most ple contacted have felt the d for the Scout work here," said, "but they all seem to be busy to assist." Mrs. Causey ts volunteers in order that youngsters may have the adages of the worthwhile proto utilize some of their time to give the boys some trainthat wil, in a great measure. hem for later days.

aders are asked to contact Causey at the above address hone her between the desighours before Monday If rested in the youth of Terrell ty, whether or not you have of that age group.

E. J. Hanson (right) of McKnight Motor Co. in Sanderson, and Edward C. Kennard, general sales manager of Buick, examine an engine block at the Buick plant in Flint, Mich., where he previewed the 1961 Buick and inspected the new assembly plant for producing the new-sized Special, the small car that company will introduce next month.

# **Keep Records** On Lamb Sales, Ranchmen Are Told

Sheep producers who market unshorn lambs this fall should maintain full records of their sales in order to make proper application for payment next spring under the wool incentive program, according to ASC Chairman Clarence Jessup.

Failure to keep full records in the past has prompted difficulties for producers in obtaining their unshorn lamb payments under the program. Mr. Jessup stated. The sales records for lambs sold must include the name of the buyer, his signature, and the number and liveweight of lambs sold, plus the description "un-

Persons who buy lambs should also keep accurate records of all their purchases of unshorn lambs including dates of purchases and the number and liveweight when purchased. Adequate records must be maintained by producers in order for them to certify to the accuracy of the information contained in payment applications. Inadequate reporting of lamb purchases on payment applications has presented problems in administering the wool program. Records should be kept in a safe place or be filed at the county ASC office for safekeep-

Lamb payments are made only on lambs that have never been shorn to encourage the customary practice of selling lambs with the wool on Lamb payments are made to producers who have owned lambs 30 days or more The payments are based on the wool incentive payment. The amount paid to each producer is based on the weikht gain of the lambs during the period of his ownedship. Full information is necessary so that each producer can be given his proper share of the payment on a lot of lambs.

Baptists To Have Church Dinner All families and friends of the First Baptist Church are invited to a church family dinner Sunday at noon after the morning wor-

ship service.

At this service all members will be given an opportunity to pledge their definite weekly support of the new church budget. The church will elect seven active deacons for the new year.

Mrs. G. R. Petersen took her infant son. Vincent, to Fort Stockton, Wednesday for a medical check-up.

# Six Gridders In Accident Sunday

Six Sanderson High School boys, all memebrs of the Eagle football team, were in an accident about 18 miles west of

Langtry about 1:30 a.m. Sunday. The boys are Kenneth Moses. driver of his family's car, Bob Little, Bill Stavley, Buddy Joe Hahn, Dee Gray, and Bobby Lit-

The boys had been to a football game in Del Rio Saturday night and were returning to San-

Edward Cooney of Andrews was the driver of the other car in the collision. Horace Pate was a passenger in the Cooney ve-

According to reports, the vehicle driven by Cooney crossed onto the wrong side of the highway and Moses swerved to the left to avoid hitting it. The report continued that Cooney then cut back to his right and the vehicles collided near the center of

Pate received head and neck lacerations when he was thrown through the windshield of the Hahn received a broken right

arm and severe bruises of the back and internally. Littleton who had received head and neck injuries in the football game Friday night, received additional head injuries as a result of the accident. Hahn caught a ride to Sanderson with passing motorists and was taken to an Alpine hospital after receiving treatment for the broken arm here. Stavley caught a ride into Langtry and call for an ambulance out of Del Rio for Littleton, who was unconscious as a result of his injuries. Bob Little accompanied the ambulance and his friend back to Del Rio and the other boys were returned to Sanderson and checked for injuries before being released.

Littleton was in a semi-conscious state after the accident until Tuesday morning and is under the care of a brain specialist in a Del Rio hospital, according to reports. His parents, Mr. and Mrs. Vic Littleton, are in

Del Rio with him. Mrs. A. J. Hahn has remained in Alpine with her son, Buddy Joe, and his father visited with him all day Monday.

Rev. and Mrs. F. E. Curry and Mrs. A. B. Gates were in Fort Stockton Tuesday evening for a meeting of the evangelism committees of the Methodist Churches of this area.

# **Mobil To Drill Ellenburger Test** On Banner Ranch

Socony Mobil Oil Co. will drill an outpost to Ellenburger production on the southeast edge of the Brown-Bassett gas field in Terrell County.

Location is on a 640-acre lease and is 1,616.6 feet from the north and 2,588 feet from the west lines of section 332 in the TW&NG Survey.

Contract depth is 15,000 feet. The project will be known as No. 1 Banner-State.

### **Two-Man Station** Of Highway Patrol Promised Oct. 15

Sanderson will be a two-man station of the Highway Patrol of the Texas Department of Public Safety on October 15, according to word received Monday from Capt. Ray Butler, with the DPS in Midland

Capt. Butler relayed this information to The Times by telephone Monday. He said that he and Maj. Wilson Speir, chief of the Midland office, were sending a newly-graduated officer and a seasoned veteran to be stationed in Sanderson.

Patrolman Cooksey, now stationed in Waco, is a veteran officer and comes with very high recommendations from other officers and the DPS officials. The new graduate was not known

The Midland officers stated that they were happy to have of ficers in Sanderson for the safety and protection of the travelers of this area and hoped for the cooperation and good will of the people of Terrell County and Sanderson in the efforts of the Patrolmen at law enforcement.

Mr. Cooksey has a wife and three school-age children.

### **Exterior Work** Completed On **Peavy Building**

Exterior work is practically completed on the Peavy Building just west of the Pierson-Hodgkins property on Oak Street. The building will be occupied by the Peavy Insurance Agency, Mrs. C. P. Peavy, owner, and will have other office space available.

The front of the building is white stone with the entrance recessed on the west side of the building. Transluscent material will be installed at the top of a portion of the front, above which the letters "Peavy" will each be in one of five spaces. Inside the reception room will be a planter of the white stone.

The building is of hollow tile construction with a tar and gra-

Work is now progressing on the interior partitions, electrical wiring, etc.

The building will be centrally heated and air conditioned.

#### Lions To Sell Fruit Cakes Again This Year

The sale of Duncan-Hines fruit cakes met with such success last year that the Sanderson Lions Club will sponsor the sale of the cakes again this year. The cakes will be \$3.35 for 3-lbs; and \$5.30 for the 5-lb. cake.

Your order will be welcomed by any Lions Club member and the cakes will be delivered the first week in December.

Mr. and Mrs. C. G. Riggins went to Gonzales Sunday and he returned home Monday, leaving her for a longer visit with her brother who is ill and with other

### Legion, Auxiliary Officers Installed At Joint Meeting

Pete E. Turner

Pete E. Turner of Midland. commander of the Department of Texas, American Legion, was the installing officer for the installation of the Legton officers of the local organization. The event was Wednesday evening in the Legion Hall when the Legion and Auxiliary met in joint session.

P. G. Harris Jr. was installed as commander: L. E. Muller, vice commander; J. R. Hodgkins, adjutant: Gene Litton, sergeant-atarms; Monte Goode, service officer; W. H. Savage, chaplain; executive committee members are Lawrence Janes, Lee Dudley. and Newt Harper.

Mrs. P. G. Harris Jr. was installed as president of the Auxiliary; Mrs. Monte Goode, vice president; Mrs. J. R. Hodgkins secretary-treasurer, Mrs. L. H. Gilbreath, chaplain; Mrs. Clyde Higgins, historian; Mrs. W. Dishman, sergeant-at-arms

Mrs. James Lamothe of Pyote, 16th district auxiliary president, was the installing officer.

A barbecue supper was served on the slab by the Legion Hall prior to the installation with a large crowd of Legion and Auxiliary members and their families present. Mrs. Turner accompanied her husband to Sanderson, and Mr. Lamothe, commander of Zone 4 of the 16th District, was also present.

Commander Turner made an inspiring address to the group and announced the appointment of Mr .Goode to head the rehabil-

itation work in Division 4. The showing of a film concluded the meeting.

### Schools Buys New Ultra-sonic Machine For Athletic Dept.

The athletic department of the Sanderson High School has a new ultra-sonic machinge to be used for therapy on sore muscles and bruises, according to Coach Carlton Smith.

The school is also selling stickers to put on car bumpers and windows to help defray the cost of the machine.

Local football fans and school patrons are asked to purchase a sticker which will be of double benefit to the football team.

Coach Smith stated that he was pleased with the effects of the machine since football season began, and it would be useful during all of the athletic seasons of the school year in speeding the mending of certain types of in-

### Rummage Wanted

If you have rummage of any kind which you will contribute to a sale to be held by the Legion Auxiliary beginning Monday, October 17, we will be glad to have it. Bring it by to Mrs. A. C. Garner's or Mrs. P. G. Harris Jr.'s, or The Times or phone either lady if you want it picked up. Clothing of all kinds, books (paper back and funny books), anything that may be of use to someone is wanted for the sale.

# **Eagles Spill San Felipe** 12-6 In Last Period Win

The Sanderson Eagles pulled a win out of the hat here last Friday night to down the San Felipe Mustangs 12-6. The Eagle's winning score was the result of a sustained drive that began with less than five minutes on the clock from the Sanderson 35yard line

Sanderson's first score came early in the first period when Larry Harrell broke loose from the 30-yard line and went all the way. The extra point try by Felix Vales no good.

In the second period both teams butted heads up and down the field without a serious threat coming from either foe.

In the third period Angel Vitela received a punt on his own

### **Highway Project Bids To Be Let** In October

Letting of bids on two highway projects in Terrell County is expected next month, according to County Judge R. S. Wilkinson.

The projects are: 13 miles of construction on RM 2400 northeastward beyond the present end of the black-topping; and the job on U.S. 90 from about three miles west of Sanderson westward to the Pecos County line.

These two projects, along with the proposed widening of U.S. 90 from east of Dryden to the Val Verde County line, will probably be done successively, it is pre-

Work will probably begin on the first-mentioned two projects

The laying of the hot-mix on the U.S. 90 project in Pecos County is expected to get under way this week end and comple tion is expected this fall.

Resident Engineer Rusell Walker of Fort Stockton, Judge Wilkinson, and Precinct 3 Commissioner Sid Harkins went over the RM2400 project site Tuesday so that each could be familiarized with the proposed route and details of construction.

The bidding on the RM2400 project will call specifically for 13.2 miles of grading, structures, base and surfacing on RM 2400 from 12.9 miles east of U.S. 285 northeast 13.1 miles, and on U.S. 285 Dead Sheep Draw bridge. October 18 is set for the bid date and 125 working days will be allowed for completion.

### Work on Homes Shows Progress

Work on homes under con struction in Sanderson is showing considerable progress.

The home of Mr. and Mrs. T O. Moore on the corner of Persimmon and Hackberry has been virtually completed with inside finishing work now under way. Landscaping the yard has been completed and the home will be ready for occupancy in a very short time, according to reports.

Most of the exterior work has been completed at the new home of Mr. and Mrs. Jolly Harkins on the corner of Kerr Street and Third St. Work is now in progress on the interior. The house is being built of hollow tile with an adjoining garage.

### Calendar of Events

Tuesday - Tuesday Club Wednesday - '51 Club, Rotary

Thursday - Lions Club, Duplicate Bridge Club

# 42-yard line and went all the way

first and only San Felipe score. The try for the extra points was no good. In the final frame Valles broke loose on a first down and went on a 20-yard gallop which sparked the Eagles into life to give them the determination to make

to the Eagle goal line for the

the scoring drive which gave the margin for the win. Determination and ability were the deciding factors in the push in the closing minutes of the ball game and it seemed to the fans that the Eagles were destined to cross the goal line for the win-

ning score The try for extra points was a pass play which was no good.

San Felipe had about three minutes left to get back in the scoring column. They went to the air and made one first down and lost the ball on downs late in the period. Sanderson used up the clock in running plays to clinch the win.

The Eagles will have an open date this Friday night and will meet Brackettville here the following Friday night.

### Not'l Merit Tests To Be Given Students

Ninth and tenth grade students at Sanderson High School will get an objective insight into their scholastic development by participating in the National Educadrew J. Riess, principal, said this week. The tests will be given at 9:00 a.m. Tuesday, March 7, 1961, at the same time the National Merit Scholarship Qualify Tests

will be written by juniors. Prepared and administered by Science Research Associates in Chicago, the annual three-hour NEDT examination provides scores in English, social studies, mathematics, natural sciences. and word usage.

The evaluation of educational strengths and weaknesses helps students plan their high school and college courses and make career decisions. The tests also enable teachers to spot talented students, so that they may receive realistic guidance and motivation early in their educational career, Mr. Riess said.

At the same time, all 1962 graduates who wish to enter the 1961-62 National Merit Scholarship competition will be given a National Merit Scholarship Qualifying Test. Students requiring this test are requested to register now at the office of Mr. Riess. To be eligible for this test, local students must be second-semester juniors or first-semester seniors at the time of the examination.

Awards are granted on the basis of intellectual merit, but students financial needs determine the size of individual stipends which are renewable each year without further testing.

### New Arrivals -

Mr. and Mrs. John H. Silverthorne announce the arrival of their first child, a son, John Hellyer Silverthorne Jr. The baby was born at 9:45 a.m. Monday, September 19. He weighed eight pounds and four ounces. The maternal grandparents are Mr. and Mrs. Hugh Rose of Sanderson and the paternal grandparents are Mrs. James Lawyer of San Francisco, Calif., and George M. Silverthorne of Terrell. The four great-grandmothers are Mrs. Judith Striegler, Mrs. Landon Rose, Ms. Thornton Dixon, and Mrs. George M. Silverthorne.

Mrs. Hugh Rose has been in Atlanta for the past three weeks and Mr. Rose will join her there later for the trip home.

1960-TEXAS APRESS ASSOCIATION

Austin - With all the hoopla over the national elections, many Texans may get to the polls before they realize they have other important decisions to make that

Four proposed amendments to the Texas Constitution will be voted on at the general election. Voting to approve or reject alterations in the state's basic law is one of the most important responsibilities a voter has. It is the average citizen's one and only opportunity to participate directly in the lawmaking process.

Here, in brief, are the proposed amendments (in the order they will appear on the ballot) and what they would do:

Amendment One: Would authorize the creation of special hospital districts in Lamar County Hidalgo County, and Commissioners Precinct No. 4 of Comanche County.

Approval of this amendment would not actually create these hospital districts, but would give local voters authority to do so in a local election.

Amendments such as this one which apply only to the areas specifically mentioned, usually are passed on the grounds that they give local voters authority to take care of local affairs. Because it is permissive rather than mandatory, local voters can decide for themselves whether they want to carry it through.

Some argue against such proposed amendments on the ground that such details as this should not be added to an already overly-long Constitution.

Amendment Two: Would permit a rate of interest not to exceed three and one-half percent benefit of the Veterans Land Fund. Present constitutional ceiling is three percent

Veterans Land Board is authorized by law to sell bonds and use the money from these sales to buy land which is re-sold to qualified Texas veterans Law provided for the sale of \$200,000. 000 in bonds, but the Board has not been able to sell the last \$62, \$00,000 of these bonds because in today's market, 3 percent interest does not make them an attractive investment.

Financial experts think that raising the permitted interest rate to three and one-half per cent should be sufficient to make the bonds salable again.

Amendment Three: Would change the pay scale of members of the Legislature to give them annual salaries of \$4,800 plus \$12 a day for each day in session. It would limit regular sessions to 140 days (present limti is 120 days). Lawmakers would receive \$12 a day for each day of a 140day regular session plus \$12 a day for each day of a 30-day special called session.

At present, legislators receive no annual salary. They get \$25 a day for each day, up to 120 days of the regular session plus \$25 a day for each day of a 30-day called session. They receive no pay in years the Legislature does not convene (such as 1960). Under this proposal, they would receive \$4,800 a year base pay whether they spent any time in session or

Present provisions for travel expenses would not be changed. These provide for the lawmaker to receive \$2.50 for each 25 miles of the round trip between his home and Austin once each ses-

This amendment is essentially a compromise between the present arrangment and the constitutional change proposed in 1958 Last time the proposal was for annual salaries of \$7,500 and no per diem. It also provided for annual sessions which, many think contributed to its defeat.

Proponents of the current plan say that it will make it possible for better qualified people to serve in the Legislature without having to make so much of a personal financial sacrifice to do so

Opponents argue that it will create "profesisonal legislators" They contend that it is better for the lawmaker to have another job in private life to keep him closer to the problems of the peo-

If the amendment is passed, a Texas legislator would receive for his two-year term of office minimum pay of \$9,600. In other states, the pay for a two-year term ranges from \$200 in New Hampshire to \$15,000 in New York. The average is about \$3,600 Amendment Four: Would give

the Legislature authority to

Free Enterprise?

### Deer Hunters **Need Permits** To Kill Does

Austin - "Hunters must have special permits to kill does or antierless deer," warns the assistant director of law enforcement. Texas Game and Fish Commission. "There seems to be some confusion on this subject," he says. "However, it's very simple. If you don't have a special permit issued by the Commission you can't legally shoot or take doe or antlerless deer in any county of the state."

The general law states that it is unlawful to kill doe, fawn or spiked buck anywhere in the state. However, in regulatory authority areas, in order to maintain a healthy balance of the deer population in those areas, biologists recommend that surplus doe and anterless deer be removed by hunters.

In such instances, landowners or operators are issued a quota of permits based on deer census reports and observations by the biologists and wardens of the Commission. Hunters then must contact the landowners and obtain their permits to hunt doe or antlerless deer.

Permits will also be required of all hunters who wish to take pronghorned antelope this season. When a hunter purchases his privilege to hunt on a piece of land, the landowner will give him a permit to hunt and take either a doe or buck, depending again on the condition of the herd and biologists' recommendations.

"The best thing to do if you are in doubt about game laws, seasons, or bag limits," said the assistant director, "is to check with your local game warden before going hunting."

clasify loans and lenders to license and regulate lenders, to define what part of the charge made on loans should be considered interest and to fix the maximum rate of interest which should be charged.

This is generally known as the "anti-loan shark" amendment and is being supported by a blue ribbon committee of citizens from over the state.

At present the Constitution provides that the maximum rate of interest shall be 10 per cent. This is widely, almost universally, violated by the small loan industry, usually through additional charges besides the interest "handling charges, service charg-

Attorney General's department investigations have turned up cases of flagrant abuses by loan companies, making charges that totaled altogether as much as 30 per cent of the amount loaned. On the other hand, the investigat ors themselves admit that a loan company making short-term highrisk personal looms cannot stay in

the black on 10 per cent. If this amendment is passed, it will be up to the Legislature to decide what is a fair charge. Even those legislators who voted for this proposal admit they now dread the prospect of having to decide what rates are fair.

Highway Slowdown Due Public highway work in Texas will be cut back about one-half for the months of November and December, the State Highway

Department announces. This is a seasonal drop, according to State Highway Engineer D. C. Greer. Spring and summer

### Zone 2 Supervisor For SCD Will Be Named October 4

On October 4 an election will be held to name a soil conservation District Supervisor for Zone 2. The election will be at a mass meeting held at an hour and place set by the supervisors of the Pecos River-Rio Grande Soil Conservation District.

Zone 2 of the Pecos River-Rio Grande-Pecos River Soil Conservation District includes the following territory: Beginning at the mouth of Sanderson Canyon, Grande, thence in a northwesterly direction along the bed of Sanderson Canyon to the intersecthe T&NO RR east of Feodora: the T&NO RR to the intersection southward along the western district boundary to its intersection (corner) with the southern diseastward along the southern district boundary and the Rio Grande River to the mouth of Sanderson Canvon

All persons who own land in Zone 2 and live in a county all or some part of which is in the District who are 21 years of age are eligible to vote. Nominations are made from the floor and the person receiving a majority of the votes of the qualified voters present is elected for a term of five years. The present supervisor for Zone 2 of the District is Tol Murrah

Supervisors serve without pay except for a small allowance for expenses. The Supervisors constitute the administrative and policy forming body of the District.

To be a supervisor a person must be 21 years of age and a landowner in the zone from which he is elected. He should be practicing conservation on his own ranch and be willing to spend sufficient time to fulfill the responsibilities of the office.

are the "rush season" for highway work because the weather is good. They are also the months when revenue from gasoline taxes runs high.

Sale of license plates next spring will bring the annual bounce-back in money to the Highway Department, and a rise in highway contract lettings is expected about the same time.

Troop 8 Girl Scouts Meet

Troop 8 of the Girl Scouts had their first meeting Tuesday afternoon in the Scout Hut with Mrs. J. L. Hatchel as leader and Mrs. H. D. Orr as assistant.

New officers were elected and include: Patricia Dishman, president; Beverly Farley, secretary; Kay Hatchel, scribe.

Wanda Orr was welcomed as a new member.

### CARD OF THANKS

Our hearts overflow with sincere appreciation to all who expressed their love and sympathy in so many ways during our recent sorrow. We are deeply grateful to all of you.

Mr. and Mrs. Lewis Hill and

Mrs. Jesse Dotson and girls.

### CARD OF THANKS

I want to thank the many friends who have been so kind and nice to me during and since my stay in the hospital. The gifts. flowers, cards, prayers, and visits were greatly appreciated and have been of much help to me For your interest in my welfare my husband joins me in expressing our sincere thanks. Mrs. Austin Nance.

Listen To Luke -Continued from Page 1-

prove considerably even after

Remember, the good citizen always criticizes the officer for doing his job. If it weren't for law violators, there wouldn't be law enforcers.

Speaking of things needed in Sanderson - and we were have you noticed the need for repair to our local streets? There are the beginnings of some chug holes in some places, and water recently caused some wash-out damage to the edge of the blacktopping. We don't say this to start a stink, nor are we being critical, we are just pointing out a way that some money could be spent profitably, by protecting the investment of the county and the property owners who paid for the original paving project.

And even though we are not being critical, something is going to have to be done soon to prevent the necessity for a real big expenditure later.

Everyone we have talked to about the news of the coming of the two Highway Patrolmen to Sanderson have expressed their pleasure to this news. We think that it is good for the citizens of the county to want law enforcement and for them to be willing to cooperate with the law enforcement officers.

Cooperation of this nature can lead only to a happier and cleaner town and county. It will also make for greater safety, too, to drivers and pedestrians.

We won't be surprised if the noose doesn't close on our neck the very first thing. We have always worked for driving safety and have contacted the Department of Public Safety on several occasions concerning the placement of a patrolman here. We might even be the "proud" recipient of the first ticket issued by the new patrolman, but he's going to have to have an eagle eye. because I'm going to try to be a better driver than he is a look-

### Youths of County Off To Colleges And Universities

Many Terrell County young men and women are now enrolled in institutions of higher learn-

ing for the current term. Sul Ross College at Alpine is claiming the largest group, ten, including Ana Calzada, Jessie Mae McDonald, Darlene McDonald, and Roland McDonald, Barbara Wilcox, Chris Hagelstein Charles Stavley, Richard Carroll, Higinio Pena Jr., and Mary Dun-

Four young men returning to Texas A&M College were W. J Vaughn, Jerry Monroe, Bob Beckett, and Brucks Bader.

John Massie. Peggie Cooke and Darrell Cox are at the University of Texas. Elton Carroll is attending San

Angelo Junior College and Miss Judy Denson is at the Shannon School of Nursing in that city. Buddy Monroe has enrolled at Southwest Texas State College

San Marcos. Buddy McDaniel is at the University of Alabama.

Frankie Turner has joined five other students who are going to Texas Tech in Lubbock. They are Joe Beth Chandler, Barbara Sudduth, Charlena Chandler Don Little, and Julian Rodriguez.

Kenneth Stutes is back at Texas Western College in El Paso planning to take his degree at mid-term, and Tommy Werneking has returned for his sophomore year.

Misses Irma Martinez and Betty Flores are attending Incarnate Word College in San Antonio.

N. M. Mitchell Jr. has enrolled at Oklahoma State University in Stillwater for his senior year. Mrs. Diana Duke Steelman has

enrolled at Baylor University for her junior year. Ray Carter has enrolled in

North Texas State College, Denton, for his freshman year, and Lynn Auld at Eastern New Mexico University, Portales, for his sophomore year. Claudio Villegas, Phillip Han-

son, Andrew Marquez Jr. and Alberto Hernandez are attending a San Antonio business college.

### Summer Weather Returns To Area

Summer weather has returned to this area with no signs of letting up any time soon.

There was a brief respite of the so-called Indian Summer weather, but recently days and nights have been hot with temperatures ranging up near 100 in the heat of the day.

The skies recently have been cloudless with no sign of relief from the hot and scorehing sun and winds.

Dust has been most noticeable in the open pasture land and the dirt in Sanderson powders easily of late

There is no apparent heralding of fall weather by the turning of leaves or the cessation of growth of plant life, usually occurring about this time of the year.

The presence of rattlesnakes and copperheads in this section has been large, according to reports, and area citizens are warned that this is the time of year for the birth of young snakes which, according to all records are poisonous from the time of birth and a little more difficult

#### Methodist W.S.C.S. Observes Birthday

The Methodist Womans Society of Christian Service will meet Monday at 3:00 o'clock in Fellowship Hall to observe the twentieth birthday of the organization.

All members of the society and friends and members of the church are invited to attend.

Mr. and Mrs. W. R. Stumberg were business visitors in Alpine
