VOLUME 53

SANDERSON, TEXAS, FRIDAY, DECEMBER 30, 1960

NUMBER 47

HAPPY NEW YEAR

LISTEN TO LUKE

There is no use of us writing a long list of things we would like to do in the year to come because experience has taught us that resolutions are something to be broken. We will keep our resolutions to ourselves and if we can keep them, well and good and if not, the world will not know of our faults and our weaknesses.

We are going to try to see that some things are brought to the attention of the proper officials. Some items of praise and some items of condemnation or criticism need to be aired from time to time.

During the year ahead, we all should keep in mind the year just ending, so that, in retrospect we can profit and benefit. It is also good to remember how things are to be so that we can know how to realize how good things are.

We, of The Times, are grateful to the people who have through the years, by their faith, their courtesies, their patience, their help, their kindness and all other benefits, made it possible for us to maintain homes here and be a part of the community.

There are a great many faults with this community, like any other one that we ever heard of, but the faults decrease as one becomes more of a part in everything toward the over-all good of the community.

We continue to see and hear of further development in the field in the eastern part of the county. That gas field seems to expand with each new hole that is drilled.

Now, just on the heels of the completion of the carbon dioxide extraction plant in that field, we have the news that the operator has received permission to increase the facilities out there to the tune of some \$10-million.

There is also a sound rumor that there will be additional housing facilities built out there to take care of more employees' families. Contrary to the belief of a lot of people, the beginning of the increasing gas through the field failed to cause any sudden and enormous boom in trade and life in Sanderson.

With the presence of construction crews in Sanderson, along with other allied newcomers, there has been a slight and noticeable growth. That is what we always hoped would happen, if only so that we could all get accustomed to one another in a sure and sure way, rather than a big increase all at once which would cause everything to be completely out of proportion.

Personally, in our imagination, just don't see the prospect of Sanderson ever being a thriving metropolitan. There is every opportunity for it to become a thriving town now because of the fact that a new industry that scope will just have to expand with it some amount of growth.

The county is slated to have an increase in road facilities soon with additions in black-top slated for the RM2400 between US 73 and State 349.

Improvements are also planned scheduled for US 90, making a better attraction to tourists through this area.

Sanderson is unique in that it has a group of dedicated people here who are interested in the welfare of the people, the

Charles Stavley is shown above with the crossbred lamb which was judged grand champion of the Terrell County 4H Club Livestock Show held here December 10. The lamb is owned by Charles and his brother, Bill Stavley.

Bonnie Fisher and her fine wool lamb, champion of its class and reserve champion of the Terrell County 4H Club Livestock Show on December 10.

Gas Facilities To Be Increased In Terrell County By Over \$10 Million

Two Announce For Directors of Water District

Only two candidates have announced as candidates for directors of the Terrell County Water Control and Improvement District No. 1, according to Edward Kerr secretary of the Board.

The two candidates are the two incumbents, Kerr and Don Anderson, whose terms expire this year.

The deadline for filing for the offices was last week.

The election for the offices will be on Tuesday, January 10, 1961. Balloting will be only in the court house, since the District is comprised of that territory included, roughly, in the town of Sanderson.

Allison Well Gets Gas In Devonian Tests

Texas Crude Oil Co. and Superior Oil Co. No. 1-22 Allison, in section 22 of lock B2 in the CCSD&RGNG Survey, 10 miles north of the Brown-Bassett Field in Terrell County, flowed gas on a second consecutive drillstem test in the Devonian.

On the three-hour test between 11,099-11,202 feet, gas surfaced in one hour and 43 minutes, with no estimate given as to volume. Recovery was 480 feet of gas-cut mud.

The project was drilling below 11,264 feet on a 11,700-foot contract.

A previous test of the Devonian between 10,748-11,009 feet flowed gas, no estimate given as to volume, and recovered 390 feet of slightly gas-cut mud.

Reports on recent tests are being released only from the Fort Worth office.

Strawn production was indicated earlier with the flowing of 155 barrels of 44 gravity oil to tanks in seven hours on a test between 10,245-267 feet, and with the flowing of gas at the daily rate of 1,320,000 cubic feet and oil at the rate of four to seven barrels an hour while drilling at 10,246 feet, and with the flowing of gas rated at 750,000 cubic feet daily and the recovery of gas-cut mud on a test between 10,310-406.

The well showed a third gas strike probably in the Fusselman formation in later tests. On a three-hour test between 11,323-402 feet, recovery was 418 feet of gas-cut mud.

Mrs. Ruth L. Adams Dies In Hospital In Alpine Tuesday

Mrs. Ruth Lock Adams died in an Alpine hospital Tuesday morning after suffering a cerebral hemorrhage at her home here a week previously. She had been in failing health in recent months.

Funeral services were held in Alpine from the First Baptist Church Wednesday afternoon and interment was made in that city.

Mrs. Adams was born in Polk County on February 17, 1874. She and her late husband, Charles A. Adams, moved to Sanderson from Fort Hancock in 1953.

Survivors include three sons: Dom Adams of Alpine, Ruel Adams of Sierra Blanca; two daughters, Mrs. Tom Yarbrough of Marathon and Mrs. G. E. Babb of Sanderson; also eight grandchildren and 16 great-grandchildren.

The Federal Power Commission has authorized El Paso Natural Gas Company to construct facilities to acquire, process, and transport natural gas from the Brown-Bassett Field in Terrell County according to an Associated Press story released last week.

The information received stated that facilities would include a purification and dehydration plant having a designed inlet capacity of approximately 221-180,000 cubic feet of gas daily and expansion of its pipe line system at a total cost of \$10,033,000.

It has also been rumored that the company will build additional housing facilities at the site of the gas plant to accommodate additional full-time employees for the operation of the plant.

Dismal Norther Hits This Area

A cold and dismal norther hit this area early Wednesday morning. The skies were cloudy and low-hanging clouds were prevalent.

There was a light mist fell for a short while about mid-morning and freezing weather made walking or driving hazardous for a while during the time the mist lasted.

Indications at noon Wednesday were that this area was in for more foreboding weather and colder temperatures.

Mother Of Local Men Dies In San Angelo

Funeral services were held in Eden Monday afternoon for Mrs. G. M. Sudduth, 71, who died in a San Angelo hospital Sunday morning after undergoing surgery the first of the week.

Mrs. Sudduth was born in Cumbe on September 2, 1889. She was married on December 19, 1906.

Besides her husband, she is survived by three sons, O. T. and W. W. Sudduth, of Sanderson, D. F. Sudduth of Lubbock; four daughters, Mrs. Olga Wood of Marble Falls, Mrs. Nilla Moore of West Orange, N.J., Mrs. Wynogene Unger of Big Spring, and Mrs. Doris Cahill of Dallas; also several grandchildren, including Miss Barbara Sudduth and Nelda Kay Sudduth of Sanderson.

Personals . . .

Mrs. C. P. Peavy returned to Sanderson Tuesday from Balmorhea where she had visited with her daughter, Mrs. Thurman White, and family during the holidays.

Mrs. Yancy L. James, who has been residing in Fairbanks, Alaska, arrived Sunday night to visit with her parents, Mr. and Mrs. S. J. Burchett.

Mr. and Mrs. Carl Cochran of Fort Stockton were holiday visitors in the home of their daughter, Mrs. E. E. Harkins Jr., and family.

Mr. and Mrs. Grady Wilson and children spent the holidays with relatives in Ennis. Their son, Pic Marlon Wilson, who is stationed at Fort Sam Houston, accompanied them home to visit here for a few days.

John Massie, University of Texas freshman, is visiting his mother, Mrs. C. H. Massie, and family and with friends.

Mr. and Mrs. Lee Black of Van Nuys, Calif., and Mr. and Mrs. Herman Halsell of El Paso were visitors in the home of the ladies' brother, Gene Litton, and family.

Mr. and Mrs. W. E. Lea Jr. visited in El Paso during the holidays with his mother, Mrs. W. E. Lea.

Mr. and Mr. Jim Higgins and son, Jeff, of San Antonio were holiday visitors with her parents.

Daniel Ochoa injured in Wreck

Daniel Ochoa was injured in a one-car accident here last week end. He was given treatment in a Fort Stockton hospital and released.

Ochoa was driving alone toward Sanderson when the accident occurred about three miles east of town, according to Texas Highway Patrolmen who investigated the accident.

Charges of driving at 75 miles per hour when the legal and posted speed limit was 60 miles per hour, and driving on a public highway without a valid operator's license were filed against Ochoa by Highway Patrolmen. He pleaded guilty to the charges and received a fine of \$100 and costs of court for each offense.

The charges were filed in Justice of the Peace Court.

Among Our Subscribers

New subscribers to The Times include Mrs. Ruben Hernandez of Odessa, Walter L. Geyer Sr., San Antonio; O. F. Oathout and Mrs. Alma Escue of Fort Stockton; Herman Chandler of Dryden; Mrs. Rosa Lopez, Sanderson.

Renewals have come from L. W. Antoine, El Paso; Ben Garcia, Olton; Mrs. J. H. Lochausen, Newport Beach, Calif.; J. H. Silverthorne, Atlanta, Ga.; Lee Kelly Fort Hancock; A. H. Zuberbueller, B. C. Hibbert, N. M. Mitchell, J. L. Hatchel, and Community Public Service Co. of Sanderson.

Calendar of Events

Saturday, Dec. 31 — Dance sponsored by Legion.

Monday — Baptist W.M.U.

Tuesday — Schools begin regular classes, Ranch H-D Club.

Wednesday — Wednesday Club Rotary Club.

Thursday — Lions Club, Thursday Club.

New Arrivals

To Mr. and Mrs. James Kerr of Fort Stockton was born their third child and daughter, Valerie Anne, in a hospital in that city on Friday, December 16. Her birth weight was eight pounds and four ounces.

To Mr. and Mrs. Flez Rankin of Sanderson was born a daughter, their first child, in a Fort Stockton hospital on Friday, December 16. She weighed eight pounds and 14 ounces and was named Elizabeth Nell.

Monday To Be Holiday For Some Businesses

Since New Year's Day falls on Sunday, Monday will be generally regarded here as a holiday. Most of the local businesses will observe the holiday, according to an announcement by Mrs. C. P. Peavy, secretary of the local Retail Merchants Association. The holiday will be observed by the postoffice, but the Sanderson State Bank will not have Monday as one of their scheduled holidays.

Classes in the Sanderson school system will resume Tuesday, January 3, completing 17 days for the Christmas holidays.

Sinclair Well Cements Casing To Wolfcamp Gas

Sinclair Oil & Gas Co. has cemented 4 1/2-inch casing at 6,733 feet after drilling to 7,000 feet in No. 1 Annie Spencer, located on section 53, Block 1, TCRR Survey, six miles west of the firm's No. 1 Poulter, an indicated Wolfcamp and Ellenburger gas discovery.

Two-hour drillstem test of the Wolfcamp at 6,473 to 6,525 feet surfaced gas in four minutes with the flow rated at 588,000 cubic feet daily at the start and being stabilized at 245,000 cubic feet daily after 45 minutes. Recovery was 93 feet of gas-cut mud.

Subsequent test at 6,579 to 6,618 feet returned 50 feet of mud with no shows in two hours.

Three Jailed After Accident

Three men were jailed after an accident here last week end. The accident occurred near the Conoco Truck Stop west of town.

According to arresting officers, the men hit a post near the truck stop and one of the men jumped out of the car and fled. The other two were jailed and later the third man was found and jailed.

Two of the men were fined in Justice of the Peace Court after pleading guilty to being drunk in a public place and the other man was charged with driving while intoxicated.

The defendant waived examining trial and bond was set at \$250 by Justice of the Peace J. A. Gilbreath. All three are being held in jail in lieu of the fines and the bond.

New Year's Eve Dance Stated For Sanderson

A New Year's Eve dance which is open to the public is to be Saturday night in the Sudduth Bldg. east of McKnight Motor Co. The dance is being sponsored by the local Legion post.

Dancing will begin at 9:00 o'clock with admission of \$3.00 per couple and \$1.00 for spectators.

Mr. and Mrs. Frank Rodriguez Jr. and children and her sister Miss Elida Cardenas, all of San Antonio, were holiday visitors with their father, Dario Cardenas, and their sister, Miss Antonia Cardenas.

Willard-Pierson Wedding Rites Read Here Friday

In a candlelight ceremony Friday evening in the First Presbyterian Church Rev. John W. Byrd, officiated at the double-wedding ceremony uniting in marriage Miss Colleen Pierson, youngest daughter of Mr. and Mrs. Earl F. Pierson, and Fred B. Willard, son of Mr. and Mrs. Fred C. Willard of Giddings.

For decorations white candles were in the seven-branched candelabra in the background of the altar space. In the foreground large red poinsettias and greenery were in the foreground. Large red poinsettias and greenery were in the foreground. Large red poinsettias and greenery were in the foreground.

The candles were lighted by W. J. Vaughn and Kight Lane of Brenham, brother-in-law of the bride, who also served as ushers. Mrs. R. S. Wilkinson, organist, played traditional wedding music and accompanied Miss Margaret Gregory, soloist, who sang "O Perfect Love".

Green in marriage by her father, the bride wore the wedding gown of her sister, Mrs. Kight Lane. Fashioned of white slipper satin, tiny satin-covered buttons were on the front of the fitted bodice with long, petal-pointed sleeves and a yoke of net on which was appliqued satin leaves.

The full skirt extended into a train. Her finger-tip veil of bridal illusion was attached to a tiara of seed pearls. She carried a bouquet of red rose buds and stephanotis tied with white satin ribbons.

Miss Elizabeth Massengill of Angleton, maid of honor, wore a street-length dress of red velvet, red velvet pumps, white fur hat and a spray of holly and red satin ribbons was pinned to the white fur muff which she carried.

The best man was the bridegroom's father, Fred C. Willard of Giddings.

The reception was in the Fellowship Hall immediately after the wedding. White mums, gladiolus, and carnations in a silver bowl formed the centerpiece on the bride's table covered in a white network linen cloth. The three-tiered cake, iced in white and topped by a miniature bride and groom, was decorated in white sugar-spun flowers and encircled with a ruffle of white net.

Cranberry punch was served from a silver punch bowl on a silver tray.

Mrs. Arthur Coats of San Antonio was at the bride's book to register the guests.

After a wedding trip to the Rio Grande Valley, the couple will reside in Houston where he is a partner at the University of Texas Dental Branch and she teaches in the Spring Branch Junior High School. She is a life-long resident of Sanderson and a graduate of the Sanderson High School.

Bride-Elect Is Shower Honoree

A tea and shower last Thursday afternoon in the home of Mrs. W. H. Savage complimented the bride-elect, Miss Colleen Pierson, who was married to Fred Willard Friday evening. Assisting hostesses were Mrs. R. S. Wilkinson, John W. Byrd, James Caroline, Joe D. Nichols, and A. H. Zuberbuehler.

Mrs. Savage greeted the guests and presented them to the honoree, her mother, Mrs. E. F. Pierson, and Mrs. Fred C. Willard of Giddings, mother of the bride-elect.

The Christmas motif was noted in the decorations in the party room.

A large gold candle centered a dried arrangement on the coffee table in the living room and on another table red lights shone through massed greenery.

Presiding at the bride's book to register the guests, were Mrs. L. Hinkle, Mrs. Web Townsend of Giddings, and Miss Elizabeth Massengill of Angleton.

Directing the guests to the gift display were Misses Susan Harsh, Paula Hanson, and Kay Williams.

'Dream Job' Helps Crippled Tots

Dorothy Buck is so happy today in her "dream job" as a top-rank physical therapist that she's given no serious thought to marriage.

But attractive Miss Buck is more than a physical therapist, fascinating as that field is to a young woman who loves children and has a particularly warm spot in her heart for those disabled by birth defects.

At famed New York University Medical Center in New York City she is administrative assistant in the Children's Division. The medical college of the University is aided by the New March of Dimes.

Hers is probably the only "dream job" of its kind in the nation, she says.

"With these tots, new problems arise every hour dealing with walking and crawling, and devising new ways of doing both. And that means a challenge every hour. There's nothing routine about my job," the brunette and hazel-eyed therapist says. "And for that I'm grateful."

She tells how she made a career in physical therapy and of her interest in The National Foundation's professional education program which, in this one field alone, offers annually 103 March of Dimes scholarships of \$500 each to applicants in all 50 states and Puerto Rico.

She studied first at McGill University, Montreal, Next, this enterprising young woman enrolled in the women's division of the Royal Canadian Air Force and taught physical education and rehabilitation at the Boundary Bay Base near Vancouver. She then obtained a bachelor of science degree in physical therapy at New York University; worked at Bellevue Hospital in New York City with patients stricken with a wide variety of disabilities; and later by attending night classes

Dorothy Buck extends encouragement to Bobby Schnurr, 10, of Staten Island, N. Y., a birth defects victim.

she telescoped a two-year course into one year in guidance and personnel administration.

"What is so satisfying about the profession of physical therapy," she explains, "is that we treat the patient as a whole. We don't restrict ourselves to the immediate disability at hand. And in the case of handicapped children, we also find ourselves 'treating' and 'teaching' their parents—telling them that when the great day dawns that Susie or Tommy can leave us, rigorous physical therapy must continue and that father

and mother must serve as home therapists.

"For any young woman with the normal desire to help others in difficulty, particularly children, there is no more desirable career than one in physical therapy," she says. "It's certainly far better than pulverizing a typewriter or taking someone's fractured dictation."

Finally, even if Dorothy Buck has no immediate thoughts about marriage for herself, she argues that there's no reason why a physical therapist can't have a career and a family too.

Court of Criminal Appeals will get a new judge also. W. T. McDonald of Bryan will succeed Judge Lloyd Davidson, defeated at the polls last summer. McDonald will be sworn in January 2 in Bryan where he has presided as judge for the past five years. His brother, Reed McDonald, a notary public, will administer the oath.

Already sworn in and ready to go when his term as land commissioner begins on January 1 is Jerry Sadler Mrs. Dorothy Hallman, chief clerk of the House of Representatives in which Sadler served three terms, gave the oath. Sadler was sworn in nearly two weeks ahead of time in order to be "ready". He defeated the incumbent, Bill Allcorn.

Home Work While they're still home, members of the next Legislature can take their minds off Christmas by studying Governor Daniel's proposed budget for state government.

It calls for spending \$376,000,000 from the general revenue fund for the 1962-63 biennium.

This is \$54,000,000 more than was appropriated for the present two-year period, but is 49 per cent less than the agencies requested. It does not include any funds for public-school-teacher pay raises, a recommendation which the governor said he will present after the legislature convenes.

Governor Daniel will propose a \$600-a-year increase per teacher, adding approximately \$94,000,000 to the state's two-year costs.

This \$94,000,000 plus the \$54,000,000 increase above, plus the \$76,000,000 general revenue fund deficit, adds up to a \$224,000,000 problem which the new legislature will face.

Maverick To Run Latest to announce for the U.S. Senate seat to be vacated by Sen. Lyndon B. Johnson is Maury Maverick of San Antonio, former member of the Texas House of Representatives.

The former legislator from San Antonio is a member of the State Democratic Executive Committee and son of the late Congressman

and Mrs. Maury Maverick of the Alamo City.

His great-grandfather was Samuel Maverick, also of San Antonio, one of the signers of the Texas Declaration of Independence.

Other announced candidates for the Senate seat are: Rep. Jim Wright of Fort Worth; Former Senator William A. Blakley of Dallas; State Senator Henry Gonzalez of San Antonio, and John G. Tower of Wichita Falls.

Colorado Dam Approved State Board of Water Engineers approved plans to build a \$21,690,000 reservoir on the Colorado River between LaGrange and Columbus.

Farmers, ranchers, and business men from the affected area had vigorously protested the flooding of what they described as a prosperous agricultural area. They estimated it would destroy an annual agricultural income of about \$1,500,000.

Proposed reservoir would be 27 miles long, with 160,000 acre feet of initial water storage space and 75,000 acre feet of reserve. Lower Colorado River Authority estimates it will save for use some 100,000 acre feet of water that now flows into the Gulf.

U.S. Bureau of Reclamation is planning the project which is to be operated by LCRA after construction.

Youth Program Goals Texas Youth Council will urge the next Legislature to enact a six-point program to cut down on the number of Texas youngsters who "turn out bad".

Goals are: 1. Adequate funds to operate the state training school and orphan homes; 2. A juvenile parole system to provide supervision for youngsters released from training schools; 3. A state home for dependent and neglected Negro children; 4. Local youth councils to work with delinquents and to help prevent development of delinquency; 5. Testing and guidance programs to spot problem children before they become delinquents; 6. More job opportunities for youngsters to keep them out of trouble.

No Horse-Trading Highway Department agents seeking to buy land for rights of way cannot "dicker" with land owners over prices.

Commissioner DeWitt C. Green re-stated this policy in reviewing an instance in which a landowner eventually got in court nearly four times what the Department

originally offered for the land.

Though dicker might have saved state money in this case, Highway officials feel that giving more than a thousand different agents authority to "barter" with state money would create many more inequities.

Commission policy is to have an appraisal made and offer the amount indicated by the appraisal. Landowners who do not feel this price is fair can seek a better one in court.

Short Snorts Women seeking to attend Texas A&M College have struck out again. U.S. Supreme Court refused to review a state court decision upholding A&M's all-male status.

Texas Employment Commission reports a creeping up of joblessness in Texas. Latest weekly figures show 80,458 claiming unemployment benefits, an increase of 8,241 over the previous week and 23,639 more than for a year ago.

State Capitol NEWS

Austin — Beginning of an odd-numbered year brings a "changing of the guard" at the statehouse. Actual number of turnovers this year will be few, with Gov. Price Daniel, Lt. Gov. Ben Ramsey, and Atty. Gen. Will Wilson continuing in their present offices. No. 1 change will be in the Supreme Court. Chief Justice John E. Hickman, 76, is retiring after a 50-year legal career, including 34 years of appellate court service. Judge Hickman will be succeeded by Robert W. Calvert now an associate justice of the Supreme Court. Succeeding Calvert will be Zollie Steakley, who has served as Secretary of State since 1957. He will be sworn in on January 3, in the Supreme Court room of the State Courts Building in Austin. A reception and informal open house will be held in the State Bar Building. The public is invited to both occasions.

TELEPHONE TALK by C. R. "Rusty" Lummas, Manager

The Christmas and New Year holidays have taken their toll of highway accident victims and other tragic accidents. It is unfortunate that at a time of the year when everyone should be so happy, there is such great misfortune.

Unfortunately, as is always the case, the cause of many accidents is carelessness, speed, and off-times over-indulgence in intoxicants.

The people of Sanderson are very fortunate to have the services and facilities of the Texas Highway Patrol in Sanderson. These men, Bill C. Cooksey and Carl L. Davis, both work for the protection and safety of all drivers through this area, and also are on hand to give aid to motorists in distress. They are to be commended for their interest in law enforcement, devotion to duty, and for their understanding and consideration in law enforcement.

And a special note of appreciation goes to those who gave up a holiday Christmas to work in their efforts at traffic safety during the time when we were celebrating and taking a day off.

Versatile Room Divider

An attractive room divider makes big improvements in many home situations — improvement in looks and improvement in livability by separating activities and creating an extra room where none really exists. One of the most versatile materials for constructing a divider is lumber. It allows you to create a design that will fit with any decorative scheme, and some of the most economical, easy to work and beautiful are the ten kinds of wood from the western pine region. Though dividers can fit into almost any room, some uses lead in popularity. For example, you can create an entrance hall in a home that has none with a divider that screens the front room. In a big, old-fashioned bathroom a broad divider between lavatory section and the rest of the room can provide cupboard space for linens. If you have two children sharing a bedroom, a divider can separate their "territories" and help keep the peace, or can create separate study and sleeping areas. For any of these locations, if you intend to use a natural finish and want to use a light wood, you might pick Idaho white pine or Engelmann spruce. In dark-toned species your choice might be inland red cedar or incense cedar. Knot formation varies, too. Ponderosa pine has large irregular knots, while in Idaho white pine and Engelmann spruce the knots are small and more numerous. Other western pine region species are larch, lodgepole and sugar pine, white fir and Douglas fir, each with distinctive characteristics. All respond to any finishing treatment and are good for constructing room dividers.

Rev. Femenia On Leave
Rev. N. Femenia, pastor of St. James Catholic Church, is on a six-months leave of absence and left December 7 for a visit with relatives in Argentina, S.A. He arrived safely and officiated at the wedding of a great-niece, according to word received by his friends here.
Rev. Luis de Francisco has come here from Florida to serve the local church while Rev. Femenia is gone.

Mr. and Mrs. L. D. Booker Jr. went to Paducah Wednesday and will return in a few days for their children, completing the move to that city. Mr. and Mrs. C. A. Golden and children will move to the Charlton rent house vacated by the Bookers.

Mr. and Mrs. Joe Fitch Sr. of Fort Stockton were holiday visitors in the home of their son Joe Fitch Jr., and family.
Mrs. Lawrence James was taken to Alpine Tuesday for medical treatment.

Mrs. Chester Darr's Father Dies
Funeral services were held in Del Rio last Thursday afternoon for James Herbert Stone, 84, who died Wednesday at his home in that city.
Survivors include his widow Mrs. Eva Stone; two sons, James Stone and David Stone of Del Rio; a daughter, Mrs. Anna May Darr of Sanderson; also three sisters. Mrs. Darr had been called to Del Rio several days before her father's death.

Week end guests of Mr. and Mrs. S. J. Burchett were her sister, Mrs. V. W. King, and family of Alpine.

A NEW LIFE — FOR A NEW YEAR

We face the CHALLENGE of a New Year. We will have opportunities, problems, possibilities, both joys and sorrows, and successes and failures! We are GLAD that we CANNOT know the FUTURE, but that we CAN KNOW the ONE who WILLS and HOLDS the FUTURE in His loving, omnipotent hands! We face the CHALLENGE of a New Life, too: "For IF any man BE IN Christ, he IS a New Creation." Is THIS not our desperate NEED today?

There are so MANY THINGS about us that are old, ragged, worn-out, selfishly sinful and unworthy of us. God GIVES us a holy DISSATISFACTION about OURSELVES. His SPIRIT convicts us and quickens us and leads us.

1. NEW LIFE IS ONLY IN CHRIST. "BE IN Christ." "I AM the DOOR." "The WAY" The church is a divine institution, but it is NOT the DOOR. The preacher points us and others to Christ, the only DOOR. The ordinances were given by our Lord, but they are not the DOOR. Good works are enjoined upon us, but they are not the DOOR. Christ Himself is the Only DOOR. "No man COMES to the Father, but BY ME."
2. NEW LIFE CREATES A NEW MAN. "A new creation in Christ." "He PUTS OFF the old sinful things and PUTS ON the new righteousness of God in Christ."
3. NEW LIFE BRINGS NEW STANDING WITH GOD. "IN Christ" "Old things have PASSED AWAY," JUSTIFICATION as if we had NEVER SINNED. New man with the New Life IN Christ has a New Righteousness — the righteousness of Christ "HEIR of God, JOINT-HEIR with Jesus Christ."
4. NEW LIFE IN THE NEW MAN HAS A NEW MOTIVATION FOR LIFE. "Love OF Christ and love FOR Christ CON-STRAINS or controls me." "LED BY the Spirit of God, they ARE the sons of God"
5. NEW MAN IN CHRIST NOW HAS A NEW MISSION. "YOU shall BE my WITNESSES" "Ambassadors FOR Christ" "NO longer live unto SELF, but unto Christ" "NO longer I that live, but Christ LIVES in me." Are YOU THIS New Man with New Life IN Christ with New Principles, New Purpose, New Perspective and New Power for your life YOU can BE, by God's grace!

IRL R. RICHARDSON, Pastor
First Baptist Church

Out-of-town guests in the home of Sheriff and Mrs. Buster Babb for Christmas were his mother Mrs. Coleman Babb, of Del Rio her parents, Mr. and Mrs. Ray Brotherton, of Dryden, his brother, Glynn Babb, and family of Sierra Blanca, her brother, Emmitt Brotherton, and family of Ozona.
W. L. Hope of El Paso is a holiday visitor in the home of his son, M. E. Hope, and family.

welfare of the schools, churches, the town, one another, etc.
With this type of beginning why would it be difficult to presume that during the year that lies just ahead, the people of Sanderson will join in their efforts to take advantage of the things we have and to better ourselves when and where possible without harm to our neighbors.

Only the month of January remains for the purchase of a poll tax receipt, enabling all qualified residents to vote in any election that comes up during the coming year.

The first election slated will be on January 10 when directors of the local water district will be elected. Two directors' terms expire this year: Don Anderson and Edward Kerr.

Everyone should take an active interest in the election by turning out to vote for the unopposed incumbents. It's a vote of confidence for them and a barrier against someone sneaking in or a write-in vote.

The residents of the district should be the ones who name the directors and not a small handful of people.
Be sure and get your poll tax receipt and be sure and use it.

Mr. and Mrs. Guy Mack Wilemon and children of Pecos have moved to Sanderson and are occupying the Downie rent house on East Kerr St. vacated by Mr. and Mrs. Jolly Harkins. Mr. Wilemon will assume the duties of L. D. Booker as work unit conservator in the local ASC office.

Mr. and Mrs. Ben Causey and Joe spent Christmas Day in Odessa with her parents, Mr. and Mrs. J. E. Healy, and other relatives.
Mr. and Mrs. Roy Deaton and son, Roy Jr., visited in Harper with her mother, Mrs. J. J. Deaton, during the holidays.
Carl L. Davis spent Christmas Day in Crane with his parents. His brother, Leland Davis, accompanied him back to Sanderson to visit for a few days.

Happy NEW Year

Meet Mercury Meteor... the new and better low-price car

MERCURY METEOR..
Priced to compete with the low-price field

NEW NAME! 2 ALL-NEW SERIES! NEW SUPER-ECONOMY "6" AND "8" ENGINES! FAR LOWER PRICES! • This year, with the Meteor 600 and 800 series, Mercury has 2 full series of low-price cars. • Prices start hundreds of dollars below last year. • Optional equipment and transportation cost far less too.

FULL SIZE! • There's more interior comfort than in last year's Mercury. Outside dimensions are trimmer for easier parking and garaging.

FAR MORE VALUE THAN OTHER LOW-PRICE CARS. • Mercurys are heavier (starting at 3708 lbs., curb weight) have a longer wheelbase (120 inches). • First with Cushion-Link suspension (absorbs small bumps you still feel in other cars). • More self-servicing features than any other low-price car... everything from a self-lubricating chassis to self-cleaning spark plugs. Why not get more, save more? Just see your Mercury dealer. (USCORA MERCURY DIVISION Ford Motor Company.)

1961 MERCURY PRICE COMPARISON CHART

1. MERCURY METEOR 600 Priced right in the heart of the low-price field.	2. MERCURY METEOR 800 Priced to compete with the top series low-price cars.	3. MERCURY MONTEREY Finest, most luxurious of all 1961 Mercurys.
