# Homecoming Activities Get Underway Tonight

Homecoming activities will get underway at Friona High School tonight, with a snake dance downtown, and a bonfire- pep rally at Reeve Field.

The festivities will climax on Friday with the Dimmitt Bobcat-Friona Chief football game at Chieftain Field, beginning at 7:30 p.m.

Thursday's snake dance parade will form at the high school, and move uptown to Main Street, through the business section and back to high school.

Students and fans will then proceed to Reeve Field, for the bonfire and pep rally.

The senior class will sponsor a chili supper Friday beginning at 5 p.m. at the School Cafeteria. Admission will be 50 cents for children up to 12, and \$1 for persons 12 and older.

Tickets for the supper may be bought from any senior class member, or purchased at the door. The senior class is also

selling homecoming mums, ranging in price from \$2.50 to \$4.50.

A special pre-game ceremony will be presented by members of Friona High School. The prayer will be given by Max Reeve, president of the Student-Faculty Congress.

The flag-raising ceremony will be under the direction of freshman president Joe Mabry and sophomore president Danny Murphree.

The call to colors will be played by Wayne Cason, Danny Carmichael and Robert Stewart. The Pledge of Allegiance will be

led by Larry Potts, senior class president. The Friona High School Band, under the direction of Lowell Bynum, will play the National Anthem.

Mickey Wilson, junior class president, will officially welcome the Friona ex-students. The football queen will be

crowned in halftime ceremonies. Five girls have been chosen by the team as the finalist, one of which will be named queen Friday.

The girls are Janet Buckley, Mary Ethel Wilson, Sandra Hoover, Marca Lynn Masie and Kay Burleson.

SECTION I

Looks like a bunch of us had better dig out the old seabag. Prior to Monday, afternoon, I thought the big word this week would be Politics, but our president changed the picture by moving in on Cuba.

For once, I can do nothing but applaud the move to cut off arms shipments to Cuba, I (and a lot of other people as well) believe that even more strong moves should have been made long ago. If what then seemed like drastic steps had been taken when it became apparent that Castro was in cahoots with the Reds, the present taut situation would not exist.

In fact, the blame for the present "mess" with the Communists cannot be placed on one person because it began way back in the 30's. I could and will say that the present struggle between the free nations and Russia can be credited to a lack of strong, forceful moves by the last four presidents.

Berlin situation is a result of wrong moves during WWII. From there, things have become progressively worse and appear to be fast approaching the point of no return--if it hasn't already been reached. But not even presidents can see the future result of a decision.

Ah, for another Teddy and a big stick.

-TH-  
Politics are in the air though. Bill Clayton (D) and Frank Ford (R) candidates for state representative, and Walter Rogers, (D) candidate for U.S. Congressman, have all been in to see us during the last few days.

It looks like the most highly contested race in the immediate area is going to be the one between Clayton and Ford. Both are working for the office, in addition to personal appearances, they have a number of sides out campaigning for them.

Not only is the state representative race shaping up as the hottest one in this area, it is also the one where a decision will be hardest for me to make. In the governor's race, there is no question, so far as I am concerned, I am certainly not for Connally, so I will have to be for Cox. I don't particularly like the way Cox leans in a number of matters, especially in the oil industry, but I do not believe there should be too strong a tie between the federal and state governments.

I feel sure that if Connally is elected, Lyndon B. Johnson will have a great influence on his actions. And, in my opinion, Johnson has given up the right to represent Texas or Texans. In fact, I would not be offended if he chose to move his residence to some other state. If moving his residence is no harder than moving his allegiance, it shouldn't be too difficult. He proved his allegiance was easily moved during the national elections.

As for Ford and Clayton, it seems that there are two items which should work in favor of Ford. He appears to be sincere.

PLAN DRIVE . . . Veveca Welch, Friona fifth-grade student, points to October 31 on her calendar, which is Halloween. If the decorations didn't tip you off, it's also the night Friona students will make collections of wrapped candy for the Abilene

State Hospital. Looking on is Mike Wooley, an eighth grade student, (center) and Mickey Wilson, a member of the Friona High School Student - Faculty Congress, which sponsors the event.

**IN SPEECH HERE**

## Rogers Says Opposition Paying Him Compliments

"I've been highly complimented by my opposition," said Congressman Walter Rogers at a Democratic Party rally Tuesday afternoon in Friona.

"Out of some 2,000 votes which I cast in Congress, he has only found eight votes to challenge me on, and many of these charges have been stretched completely out of context," Rogers said.

The Democratic congressman, campaigning for re-election as representative for the 18th Congressional District, which comprises Farmer County, added "I've really made more mistakes than that, I'm sure. After all, I'm only human."

Rogers spent most of his time discussing the Cuban crisis. He described the United States' quarantine blockade of the island as part of the general offensive plans of the country.

"There has been some misunderstanding in the past as to whether the U. S. has been on the offensive or not. But we can't very well advertise these things," he said.

## Rain Total Is Reported

Last Wednesday's rainfall in Friona totalled .71 inches, according to figures from Friona City Hall. An additional .03 inches was received on Thursday.

Temperatures varied from a low of 36 Sunday morning to a high of 78 Monday.

WHICH WILL REIGN? . . . One of these five finalists for Football Queen at Friona High School will be crowned in halftime ceremonies at Friday night's Friona-Dimmitt football game. They are (back, l to r) Kay Burleson, Janet Buckley, Sandra Hoover, Marca Lynn Masie, and Mary Ethel Wilson.

**BACKFIELD SHUFFLED**

## Crippled Chiefs Host To Bobcats

The Friona Chiefs, with an 0-6 non-conference record and with a patched-up backfield due to injuries, host the strong Dimmitt Bobcats in the Homecoming Game for the Chiefs Friday night, Gametime, which will also be the case for the remaining games, will be at 7:30 p. m.

The Chiefs, who are now losers of 23 straight games starting with the fourth game of 1960, would have been hard-pressed for an upset chance at full strength, which they are not.

Quarterback Gary Renner, injured in the Bovina contest, will be out of action for probably two weeks. Replacing him in the starting lineup will be sophomore Jim Snead, who has been outstanding defensively for the Chiefs, but has seen limited duty offensively.

Fullback Everett Gee and halfback Tommy Baxter, both victims of freak pre-game injuries on successive Fridays, have had no contact work during the two weeks the Chiefs have had to prepare for Dimmitt, and likely will see limited action.

The probable starting backfield will be composed of Snead, quarterback; Doug Dodd, fullback; Danny Murphree, halfback

and Milton Hargus, wingback. Friona Coaches Kenneth Miller and Vernon Scott saw Dimmitt power to a 22-2 win over Olton last week, and held out

little hope for an upset win by Friona this week. "Dimmitt has a powerful defense. They are big, strong and fast," said Miller.

**HALLOWEEN NIGHT**

## Students' Drive Benefits Hospital

Students from Friona Schools will go trick-or-treating Halloween Night for a worthy cause once again this year.

As was the case last year, students in the first eight grades will collect wrapped candy to be shipped to the Abilene State Hospital.

The drive, which is sponsored by the Student-Faculty Congress of Friona High School, brought in a total of 310 pounds of candy for the children at the hospital.

"We'd like to remind the parents that we can accept only wrapped candy for shipment," stated Raymond Cook, Friona High School Principal.

Classrooms in the first eight grades in Friona school will

compete to see which room can bring in the most candy. Cash prizes will be awarded the top three classes in two divisions.

A prize of \$5 will be given to the room collecting the most candy in grades one through four. Second place room will be given \$3 and third place \$2. The same prizes will be awarded grades five through eight.

The candy will be sorted and collected for packing by members of the Student-Faculty Congress on Thursday, November 1, the day after Halloween.

This year's drive is the fourth one to be undertaken by Friona Schools on behalf of the State Hospital since the first one in 1958.

## Commissioners Oppose "De Novo" Amendment

The Parmer County Commissioner's Court in its regular meeting Monday in Farwell, went on record as opposing the proposed constitutional amendment number 14, known as the "Trial de Novo" amendment.

The commissioners expressed the feelings of all law-making-bodies in the county when they passed the following resolution:

BE IT REMEMBERED that on this 22nd day of October, A. D. 1962, at a called meeting of the Commissioner's Court of Parmer County, with all

members thereof present and voting, there came on to be considered, among other items, the following for consideration: "Whereas, the proposed Constitutional Amendment known as the "Trial De Novo Amendment", being proposition No. 14 on the November 6, 1962 General Election Ballot, will be presented to the people for approval or disapproval; and

"WHEREAS, it is believed that the effect of this proposed Constitutional Amendment would be very harmful to the best interests of Parmer County

if it is approved; and "WHEREAS, said Constitutional Amendment would be very harmful to the best interests of Parmer County if it is approved; and

"WHEREAS, said Constitutional Amendment, if adopted, would paralyze all Commissioner's Courts, City Commissions, School Boards, and all similar Administrative Agencies in the State of Texas; and

"WHEREAS, said Constitutional Amendment would, if adopted, be very harmful to the best interests of Parmer County if it is approved; and

## HASTE MAKES WASTE?

# Taylor Is Winner In Star Football Contest

Haste doesn't always make waste. At least, that's the way Robert Taylor, an assistant coach at Friona sees it.

Taylor won last week's Friona Star Cotton Football contest with eight correct games to win the weekly first prize of \$5.

"I was on my way out of town, and I rushed through the entry blank without giving it much thought, just to get it in on time," Taylor said.

That must have been the secret, since Taylor was the only

entrant to get as many as eight correct. One of the misses was the Post-Frenship game, which everyone missed, since it was a tie, and the other was the Houston Oilers--Denver Bronco game, which 90 per cent of the entrants missed.

Tying for second and third place were Abel Covarrubias and Milton Hargus, both with seven right, and both missing the tie-breaker score on the Bovina-Hart game by 32 points. They each received \$2.50.

Both missed the aforementioned pro game, Covarrubias incorrectly picked Morton over Muleshoe, while Hargus guessed wrong by tabbing Farwell to beat Kress. Ten other entrants correctly picked seven games, but were farther down the list due to the tie-breaker.

Taylor, who missed the first two weekly contests, has had a score of seven or better ever since. But his score of 37 is 11 behind the current leaders, who gave a 48 score in the race for two free tickets to the Cotton Bowl Football game January 1 in Dallas.

IT'S EASY . . . says Robert Taylor, center, winner of last week's football contest. Taylor won with eight correct games. Tying for second were Milton Hargus, left and Abel Covarrubias.

Current leaders, with four weeks remaining in the contest, are Maynard Agee, C. H. Veazey and Jack Clark, who are tied at 48.

One point back at 47 are Mar-tell LeVeque and Waymon Wilkins, Kenneth Watkins and Jarrell Wright each have a 46 score, while Mrs. Jack Clark and Eugene Ellis have 45. Four points behind the leaders at 44 are Covarrubias, Jimmy Norwood and Thelma Watkins.

Arriving late at his son's fraternity house, the father banged on the door. "Does Jim Smith live here?" he asked. "Yeah," came a shout from upstairs. "Carry him in."

## GROUNDING

## Mailbag

Dear Editor:  
 My friends who know that I am a strong supporter of John Kennedy, ask me how I can believe that the Texas Democrats will be better off if John Connally is defeated in the Governor's race.

The answer is simple. I want Texas Democrats to have candidates that are Democrats. I am through with professional politicians who take the good name of the Democratic Party and use it to destroy the Democratic Party's program. I have watched Texas Democrats vote against the President's medicare Plan, aid for education, etc. for far too long even while running on the Democratic Ticket.

I know that the defeat of Connally will help build a two-party Texas. There will be a Democratic Party of people who support the Democratic Platform. There will be a Republican Party with people who support the policies of that Party. There will be honest discussion of policy matters in each election. Texas graft and corruption will be exposed and a two-party press will again inform the voters.

No longer will the voters in the Democratic Primaries be fooled by an A. Shivers, a P. Daniel or a J. Connally who all claimed to be Democrats while supporting Eisenhower for President. (See Congressional Record Jan 21, 1961, page 1016.

-TH-  
 Although not exactly political in nature, politics probably had something to do with the following item, which has been in Jake Lamb's pocket several months in spite of repeated efforts by Castin' to lay hands on it. Since Jake is one of the city's most outspoken Democrats, I can say, "This never could have happened if you'd voted Republican in the last election."

## Demonstrating new '63 Chevrolet truck features the hard way!

When we came to a river we got wet. This river bed was paved with rocks the size of melons. What a test for new light- and heavy-duty suspension systems this was!

Conventional light-duty units have coil-spring independent front suspension--easier on truck, load and driver.

**New engines, suspensions, frames and narrower front ends show their stuff on Mexico's tough Baja Run!**

With months of proving-ground tests under their belts, why did new Chevrolet trucks take on the rugged Baja (bah'hah) Peninsula? This is the toughest line of trucks Chevrolet has ever built. Sending them over the most punishing terrain in North America (a road totally unlike the fine highways on the Mexican mainland) was double proof of this fact. Frames, engines, suspension systems were subjected to stresses far greater than trucks normally encounter. You can be sure that trucks that can handle this kind of beating can handle any kind of work.

This week we would like very much to be able to reunite one family with a pet Boston bulldog. The Eldred Browns, who live out west of the Bootleg Corner in Deaf Smith County, are very anxious to learn the whereabouts of a black and white male Boston bulldog.

He is about two years old and is housebroken. The Browns took the dog to Hereford to a veterinary and left him for some treatment. Apparently he got impatient waiting for someone to come after him, so escaped and tried to walk home. It is possible that some of our readers who live in the Bootleg-Westway area have seen the dog. If anyone who reads this knows where there is a stray answering the above description, we will appreciate it very much if you will call the Browns at Avenue 9-4479 or notify the Star office.

Indian Summer has never been more beautiful in this area. Any direction you chose to look you can see an array of beautiful colors and with the lovely sunny days we are having as this is being written weather just couldn't be more ideal. Think cotton farmers would like to see a light frost before a killing freeze comes. Maybe we will get just that, but then again, we may not. Demand agreement with your own views on everything.  
Sulk if people are not grateful to you for favors shown them.  
Never forget a service you may have rendered.  
Be on the lookout for a good time for yourself.  
Shirk your duties if you can.  
Do as little as possible for others.  
Love yourself supremely.  
Be selfish.

### Book Review Presented At Study Club Meeting

Highlight of the Tuesday evening meeting of Modern Study Club was a review of John Steinbeck's "The Pearl" by Carmaleet Truitt. This meeting was a federation tea and all members of federated clubs in Friona were invited to attend.

Mrs. Wesley Hardesty, president of Friona Woman's Club, directed the invocation, Mrs. W. M. Beene, soloist, presented "The House I Love In", and "Mah Lindy Lou". She was

accompanied by Mrs. Roy V. Miller Sr. Mrs. Truitt was introduced by Mrs. Sloan H. Osborn, Modern Study Club president. Mary Stewart's Collect was sung by the club sextet, Deke Kendrick, Declmae Beene, Fay Reeve, Thelma Ford, Jane Williams, and Tom Lewis.

Refreshments of cookies, nuts, mints, coffee and tea were served by members of the social committee, Deke Kendrick, Mary Lou Cason, Leta Tannahill, Fern Awtry, Fay Reeve and Juanita Dickson.

## Of Interest To THE WOMEN

### Geraldene Day Weds Robert Sumrall Sunday

Geraldene Day, daughter of Mrs. Vera Day and the late Carroll Day, and Robert Sumrall of Amarillo exchanged wedding vows in the Day home at 3:30 p.m. Sunday. The groom is the son of Mrs. Lula Sumrall of Fort Stockton.

The double ring ceremony was read before an arch covered with greenery and topped with a white wedding bell by Rev. Bill Burton, pastor of First Baptist Church. Bouquets of fall flowers completed the setting.

The bride, who was given in marriage by R.A. Hays of Amarillo, wore a street length

dress of gold colored moire satin, which was designed by her mother. She carried a cascade arrangement of white carnations atop a white Bible.

Rosamond Sherley of Lazbuddie was the maid of honor and Jake Hackler of Amarillo served as best man.

Others attending the ceremony were Mrs. Day, mother of the bride, Mr. and Mrs. Jim Huffstickler, Libby and Linda, Mrs. Elwood Vaughn and Dorothy, Mrs. Carolyn Krueger, Mrs. Ollie Bea Rodgers, Mrs. Clifton Rodgers, Diann and Janet, Mrs. Joe Carlisle and Lee Miller, all of Friona.

Also Mr. and Mrs. Jake Hackler and daughters and Mrs. R.A. Hays of Amarillo.

Mr. and Mrs. Sumrall will be at home in Amarillo following their wedding trip. Mrs. Sumrall attended Friona schools and her husband attended school at Fort Stockton.

MR. AND MRS. ROBERT SUMRALL.

### Activities Planned At PTA Meeting

Friona's PTA chapter had its first regular meeting Thursday evening at 7:30 in the school cafeteria. Principal Raymond Cook opened the meeting with prayer. Mrs. I. T. Graves, secretary, read meetings of the September get acquainted program. Statement of the treasurer was ready by Mrs. W. M. Beene due to the absence of the treasurer. Mrs. Lee Renner.

Superintendent Alton Farr and Principal Cook gave reports on the foreign exchange student program and outlined assistance needed by the program in the local school.

Plans are being made for members of the Friona chapter to sponsor a fund raising drive for this project by calling persons and outlining the program to them. This drive will be on a voluntary basis.

Two projects for benefit of local schools will be carried out by members of the organization this year. One of them will be for a speaker for the auditorium and the other will be a public address or loud speaker system for the cafeteria.

Major fund raising event of the year will be a talent show in November. Kenneth Livingston, junior high teacher, will be chairman of the talent show.

Officers of PTA are Mrs. Doyle Cummings, president; Mrs. Curtis Murphree, vice-president; Mrs. I. T. Graves, secretary; Mrs. Lee Renner, treasurer; and Mrs. Leonard Coffey, parliamentarian.

Delegate to the state convention in Fort Worth November 14, 15 and 16 is Mrs. Doyle Cummings and Mrs. Curtis Murphree is the alternate.

Those serving on committees are: projects, Mrs. Elvin Wilson, chairman, Raymond Cook, Mrs. Thomas Rhodes; program, Mrs. Curtis Murphree, chairman, Mrs. Aubrey Rhodes, Mrs. Deon Awtry; membership, Mrs. W. M. Massie, Mrs. Estis Bass, Mrs. Glen Mingus;

Historian, Mrs. V. J. Zeman; budget and finance, Mrs. Ralph Price, chairman, Mrs. W. M. Beene, Mrs. R. E. Snead, Kenneth Livingston; publication, Mrs. H. K. Kendrick; yearbook, Mrs. Loyd Shackelford; hospitality, Mrs. J. C. Claborn; publicity, Mrs. John Bingham.

Refreshments of cookies and coffee were served by the hostesses, Mrs. Bob Noyes and Mrs. Clifton Rodgers.

### WSCS Meets In Fellowship Hall

The regular monthly business session of Woman's Society of Christian Service of Friona Methodist Church was held Wednesday morning in Fellowship Hall. Mrs. Howard Ford, president, opened the meeting with a scripture reading followed by prayer.

Minutes of the September meeting were read by Mrs. J. W. Baxter and Mrs. G. E. Tannahill presented the treasurer's report. Following unanimous election of Mrs. W. M. Massie as secretary of children's work, circle reports were given.

### Class Meets In Roberson Home

Mrs. Eva Roberson was hostess at the Wednesday meeting of the Rebekah Sunday School class of First Baptist Church in her home. The study was taken from the book of Proverbs. Mrs. C. W. Dixon led the opening prayer.

During the social hour refreshments were served to Mesdames Dixon, Bill Cogdill, L.R. Dilger, Bert Chitwood and E. E. Taylor.

### Demo Women Have Coffee

Mrs. Wylie Bullock, senatorial district committeewoman, presided over a coffee meeting Monday morning at hospitality room of Friona State Bank.

Bill Nichols opened the program with a dissertation on the 14th amendment after which a question and answer period followed.

Others on program were Mrs. Leon Smith, who gave a comparison on Democratic and Republican platforms; Mrs. O. D. Spitzer highlighted the Democratic farm program and Mrs. Freeman Davis concluded the program with outlining women's activities and ways to get voters to polls.

Approximately 30 women from Farmer County were present for the coffee with women from Bovina, Farwell, Friona, Lazbuddie and Oklahoma Lane represented.

Mrs. Bullock expressed her thank you to the group and encouraged women to be more active and informed in politics.

Estes Beaton returned home Tuesday from Deaf Smith County Hospital. He was hospitalized with a ruptured disc. At present he is reported doing fine.

Mr. and Mrs. Delbert Smith and son of Floydada were weekend guests in the home of Mr. and Mrs. Jimmy Smith and sons.

"Christmas in October" was the title of a devotional presented by Mrs. Jerry London. Miniature felt purses were given each member, who in turn placed her cash contribution to supply work inside and placed it on a Christmas tree. Lengths of dress material, to be given to the Wesley Center, surrounded the tree.

Others present were Mesdames W. C. Osborn, U. S. Akens, H. C. Kendrick, J. L. Shaffer, David Moseley, Myrtle Crow, A. W. Anthony, Kenneth Cass, Billy Sides, Clyde Fields and Earnest Anthony.

Also Mesdames Frank Spring J. G. McFarland, Howard Love, E. S. White, Jake Lamb, W. M. Stewart, Ralph Shelton, Arthur Drake, Dorothy Hough and J. K. Anthony. Mrs. Jimmy Patton was a guest.

Refreshments of coffee and fruit cake were served by the hostesses, Mrs. Ralph Shelton and Mrs. Arthur Drake.

### LLL Class Meets In Kelley Home

The regular monthly business and social meeting of the LLL Sunday School Class of First Baptist Church was held in the home of Mrs. Fred Kelley Tuesday evening. Mrs. Jim Dixon assisted Mrs. Kelley in duties of hostess.

During the social hour refreshments of Halloween cupcakes, spiced tea and coffee were served to Mesdames McFarland C. Osborn, Charles Allen, Dale Hart, Clyde Tims and Sam Mears.

### Flemings Return

Mayor and Mrs. Raymond Fleming returned home Saturday after spending several days sightseeing in the vicinity of Dodge City and Salida, Kansas and visiting Fleming's father, O. D. Fleming at Alamosa, Colo.

### Mrs. P. Kinsley Returns From Ohio

Mrs. Pearl Kinsley returned last week after spending about three weeks visiting relatives in the Middlewest section of the United States.

At Upper Sandusky, Ohio she visited relatives. Then on October 7 she attended the wedding of her great niece, Penelope Stuckey at Bacyrus, Ohio.

On October 14 the Samuel Kuenzli family held a reunion at the Fairgrounds in Upper Sandusky. Relatives were present from Detroit and Warren, Michigan; Gross Pointe, White House, Bucyrus and Hamilton, Ohio and Chattanooga, Tenn.

### PUMPKIN PIE — a picture story

In the cornfield, where they were planted to save vacant space, the pumpkins have turned golden orange — ready for pies.

In the kitchen the pies are made. Cookbook recipe reads: 1 1/2 cups cooked and strained pumpkin, 1/2 cup sugar, 2 tablespoons butter, 2 tablespoons molasses, a teaspoon each of ginger and cinnamon, 1/2 teaspoon salt, 2 eggs, and 1 1/2 cups of scalded milk. Soon delicious odors will arise from the oven. Yum! Yum!

### AT VEGA FRIDAY

## Longhorns Open District Play At Full Strength

The Lazbuddie Longhorns, with a 2-4 season record, will open the District 2-B football race Friday at Vega, and expect to be as near to full strength as they have been all season.

Quarterback Kenneth McGhee received an ankle injury in the fading seconds of the Longhorns' 28-8 loss to powerful Whitharral last week, but is expected to be able to play on offense Friday.

With ends Rickey Hassell and Buddy Embry suiting up this week for the first time, Laz-

buddie Coaches Charley Walton and Carol Step found themselves in the dual roles of "coaches and managers" this week, since their injured players had been serving as managers.

Walton said he was pleased with Lazbuddie's showing in the team's loss to highly-rated Whitharral last Friday. The strong Panthers, whose only blemish so far this season has been the 14-14 tie against Bovina, scored twice in each of the first and third quarters to

achieve the win.

"We lost the ball four times on fumbles, and had one pass intercepted, to hurt our chances," Walton said. Still, he thought the Longhorns played probably their best game of the season, considering their opposition.

Lazbuddie's touchdown came in the fourth period following a 65-yard drive, capped when halfback Terry Darling, plunged a yard and Mike Bean ran the two points, to cut the margin to 28-8.

McGhee was injured with just 12 seconds left in the game, following an interception of a pass he threw. Angered at the interception, he threw a hard tackle into the Whitharral man, after fighting through several other defenders, and came out with burst blood vessels in his ankle.

In addition to his touchdown, Darling turned in a spectacular 65-yard punt to get the Longhorns out of the hole at one point.

Mr. and Mrs. E. H. Daughtrey of Pawhuska, Okla. and Mrs. Joe Proctor and Cindy of Bartlesville, Okla. have been visiting in the home of Mr. and Mrs. Dave Allen. The Daughtreys are Mrs. Allen's parents and Mrs. Proctor is her sister.

### THROUGH SIX GAMES

## Chief Opponents Hold Advantage

Friona Chieftian opponents have compiled a statistical advantage over Friona through the first six games, leading in almost every department.

In first downs, for instance, opponents have racked up a total of 107 first downs to 57 for the Chiefs, or a per game average of 17.8 to 9.5.

For yards rushing, opponents have moved the ball a total of 1897 yards to 808 for Friona, an average of 316 to 135. In passing, the advantage is a bit less, 402 to 257, or 67 to 43 yards per game.

Friona has just lately begun to exploit its passing attack. This can be seen that a total of 157 of their 257 yards passing came in the last two games, against Happy and Bovina.

The Chiefs hold one advantage over season opponents, in that they have completed 23 passes to 19 for the opposition, or an average of four per game to three.

Friona opponents, as a matter of fact, have a very poor passing record against the Chiefs. They have completed only 19 of 66 attempts, for a 28.5 per cent average. Friona has completed 23 of 60, for a 38.3 per cent average.

Friona has intercepted seven passes, the same number that their opponents have picked off. One statistical department that shows to have hurt the Chiefs is the fact that they have lost 14 fumbles in six games.

The punting figures are another bright side of the ledger. Friona's punter, S. D. Balze, has booted the ball 19 times for 698 yards, an average of 36.7 yards per kick.

Fullback Everett Gee, who missed the Bovina game because of an ankle injury, is the team's leading ball carrier with 236 yards on 54 carries, an average of 4.4 yards per carry.

Tommy Baxter is second in rushing on the team with 175 yards on only 29 carries, a six-yard-per-carry average. Gary Renner, whose 88-yard touchdown run against Bovina is the longest play from scrimmage this year, is third with 158 yards on 54 carries, or about three yards per carry.

End Billy Thomas is the team's leading receiver, with five passes caught for 111 yards, including a touchdown in the Happy game.

### SCHOOL MENU

LONGHORN BRASS . . . Apparently in good spirits are the Lazbuddie coaches, Charley Walton, left, and Carol Step, and team captain Harrol Redwine. Perhaps it's because they expect to beat Vega Friday in their opening district game.

### FIRST OF YEAR

## Eighth Grade Chalks Up Win Over Morton

Friona's seventh and eighth grade football teams split a doubleheader last Thursday against Morton, winning the eighth grade contest, 28-0, but losing a close contest, 12-8 in the seventh grade battle.

The eighth grade win marked their first win after three losses. Friona broke the game open with two touchdowns in the second quarter, and led 28-0 at one point.

The Braves' first touchdown, in the first quarter, was set up by a 50-yard pass play from Ted Renner to Don Hoover. Johnny Gonzales ran for the touchdown from four yards out, and Jimmy Grimsley ran across for two points and an 8-0 Friona lead.

Early in the second quarter, Gonzales ran 30 yards for another touchdown, and added the points on a run, for a 16-0 Friona advantage. Still in the second quarter, Renner ran eight yards for a TD, and the halftime score was 22-0, then ran the two points across

and Friona led, 8-0 at half time.

The Braves added to their lead in the third quarter when Bobby Jordan ran 25 yards. The point try failed, but Friona led, 28-0.

Morton got into the scoring column with a 60-yard touchdown play, and made two points running for the final margin of 28-8. Jordan and Gonzales, in addition to being offensive stars, were cited for their defensive play by Tom Gee, eighth grade coach.

Reserve quarterback Randy Farr, played in the final quarter, completed three of four passes.

A blocked punt in the final quarter cost the seventh grade a win, as they led by 8-6 up until the final couple of minutes.

Friona took the lead on the final play of the first half, when Larry Graves connected on a pass to Delbert Davis, covering some 45 yards. Davis then ran the two points across

and Friona led, 8-0 at half time.

There was no scoring in the third quarter, but Morton broke the ice midway in the final period, but was halted on the point attempt, and Friona still led, 8-6.

Then, with about two minutes to play, a Friona punt was blocked, and a Morton player recovered it in the end zone, to steal the win, 12-8.

Seventh grade coach Kenneth Livingston credited John McFarland and Ruben DeLeon with good defensive play.

## Commissioners Re-Allocate Funds In Rules Compliance

The Farmer County Commissioners Court met Monday in their regular monthly session at the County Courthouse in Farwell.

Among the items of business, the court worked out a re-allocation of the county's tax money in order to comply with state laws.

In the re-allocation, the General Fund will receive 77 cents out of the \$1.25 per hundred dollars evaluation, rather than the 80 cents originally allocated.

Otherwise, the Right of Way fund gets 15 cents, the jury fund one cent, permanent improvements fund one cent, road and

bridge fund one cent, and the special road and bridge fund, 30 cents.

## Exes Reminded Of Annual Reunion

Ray Landrum, president of the Friona Ex-Students Association, this week reminded everyone of the annual Ex-Students Reunion the day after Christmas, Wednesday, December 26.

The annual affair is for everyone who ever attended Friona Schools, or taught here, or anyone else interested in attending.

Gertrude Murphree, secretary of the association, would like to have names and addresses of former students that she might be able to advise them of the reunion.

Anyone knowing addresses of former students who might be able to attend the meeting is asked to give their names to Mrs. Murphree.

"We're also trying to generate some interest in the reunion among local people," Landrum said. He pointed out that many times the visiting exes make up

the majority of the crowd that attends.

### TAXABLE

FIATH S.D., INDEPENDENT: "Don't whistle or sing while you work or you may be subject to a ten per cent excise tax . . . students got to singing on the job and . . . made the Mount Rushmore dining room a must on the list of most persons visiting the shrine of democracy. Then the music stopped on August 2nd when a tax agent of the Aberdeen office of the Internal Revenue office informed the operators of the concession that singing on the part of the help without paying the excise tax, constituted a violation of the IRS code . . . it is ironic that this should happen at Mount Rushmore, a monument that is supposed to be a symbol of democracy and free enterprise."

## Students Recognized At Wayland Dinner

Proud Heirs Dinner at Wayland Baptist College, Plainview, will give special recognition to 82 students from families which have made attendance at Wayland something of a family tradition. The group, which has increased by 27 over last year's membership, met at 6 p. m. Thursday, Oct. 18 in the Heritage Room of Van Howling Memorial Library for a dinner in their honor.

Among those who have brothers, sisters or parents who have attended Wayland is Tommie Sanders, son of Mr. and Mrs. John D. Sanders, Friona.

To carry on the Wayland tradition Proud Heirs have come from New Mexico, Oklahoma, Washington, West Virginia, Colorado, and Utah, in addition to Nigeria and Cuba.

On the program is a talk by the Rev. Tommie Allen, president of the Association of Former Students, who is now pastor of the First Baptist Church, Hale Center. Election of officers is also on the schedule. Last year's officers were: President, Arthur Boynton, Austin, a 1962 graduate; vice-president, David Shepherd, Broomfield, Colo., a 1962 graduate whose two brothers are now Wayland students; secretary - treasurer, Nancy Bidle, Vega, a sophomore.

Planned by Walter Lassiter, executive secretary of the Association of Former Students,

God gave Moses ten commandments, but it takes a million laws to make them work.

the dinner is sponsored by the officers and the board of directors of the organization. Among those on the guest list are Wayland president, Dr. A. Hope Owen, and Mrs. Owen and other members of the administration and their wives.

## Homecoming Is Saturday For Raiders

Texas Tech, with its alumni returned for homecoming, will engage Southern Methodist in a Southwest Conference football game in Jones Stadium at 2 p. m. Saturday.

More than 30,000 fans are expected to watch the Red Raiders try for their first victory of the season. SMU gained its initial triumph with a 15-7, regionally-televised upset of Rice University in Dallas last week.

Texas Tech is hoping to rebound from a 28-6 loss handed the Raiders by Baylor in Waco last week.

SMU has a 5-4 margin in the rivalry, the edge being attained via an 8-7 triumph last year in Dallas.

With Johnny Lovelace and James Ellis apparently sidelined for the season with leg injuries, Richard Mahan and Doug Cannon will do most of the quarterbacking. In reserve is Allen Shuler.

HOLDS TROPHIES . . . Charlotte Seaton proudly displays two of the trophies she won at the State Fair last week for her Grand Champion barrow.

AT STATE FAIR

# Lazbuddie Girl Shows Grand Champion Barrow

Charlotte Seaton of Lazbuddie entered the Grand Champion Barrow at the State Fair of Texas. Miss Seaton's 204-pound Hampshire barrow won the honor over 600 other entries in the gigantic Junior Barrow show.

The selection of the top barrow came late Thursday afternoon. Earlier in the day it had been chosen champion of the Hampshire breed.

Miss Seaton sold her champion barrow for the premium price of \$600.

Other Lazbuddie entries at

the State Fair also placed well with their livestock.

In the Lamb Show, Darrell Mason won the Suffolk Fat Lamb class with a 110-pound lamb. His lambs, also placed 10th, 12th and 14th in this class. In the Cross Bred Class, Darrell had lambs which placed 13th and 29th.

There were some 500 lambs entered in the Fat Lamb Show. Richard Gordon had the only other lamb which placed, a Dorsett entry which placed 11th. Gary Eubanks won second and

14th with his Hampshire entry in the Junior Barrow show. Rickey Hassell's Berkshire barrows placed sixth and 22nd in the lightweight class.

Jerry Engelking's Chester White placed 15th in the middle-weight class.

Larry Eubanks' lightweight Hampshire placed 28th, Jimmie Dale Seaton placed fourth, seventh and ninth in the medium weight Hampshire class won by his sister, Charlotte. This gave the Seaton's five of the top nine places in the Hampshire division.

Besides her first place entry in the medium weight division, Miss Seaton had the second place as well, and also had the first place heavyweight Hampshire.

All of the animals were entered by Lazbuddie FFA, Scotty E. Windham is Vocational Agriculture instructor at Lazbuddie, and FFA sponsor.

THE LOOT . . . Lazbuddie students display their ribbons and trophies won at the State Fair. Front row, left to right are Richard Gordon, Larry Eubanks and Gary Eubanks. Second row is comprised of Darrell Mason, Jerry Engelking and Rickey Hassell. In the back are Charlotte Seaton, holding her championship trophy, and Lazbuddie Vocational Agriculture instructor Scotty Windham.

## Brownie Troop 268 Reports Activities

September 10 was organization date of Brownie Troop 268. Brownies and their mothers met at Friona Methodist Church. Tenderfoot requirements and plans for the year were discussed.

Committee members for the year are Mrs. Paul Spring, Mrs. Lee Campbell, Mrs. W. M. Masie and Mrs. Aubrey Rhodes. Troop leaders are Mrs. Watson Whaley, Mrs. Louis Welch and Mrs. David Smith.

On September 17 troop officers for the first semester were elected. They are Glenda Deaton, president; Jayn Masie, vice-president; Gay Welch, secretary and Patsy McVey, reporter.

This troop attended the court of awards of Troop 93 on October 1. Members of the troop have studied the promise and laws.

A cookout at the home of Mrs. Lee Campbell was the October 8 meeting. Plans for a party were made at the Oct. 22 meeting. Trails were laid and followed by the different patrols.

The 20 members are divided into three patrols. Patrol leader #1 is Patsy McVey, Nancy Seales is her assistant. Regina Duke leads Patrol #2 and Pam Gilliam assists her. Patrol #3 is led by Gay Welch with Sheila Awtry as the assistant.

## Senior Scouts Reorganized

A reorganizational meeting for a Senior Girl Scout Troop was held at Fellowship Hall of Friona Methodist Church at 4 p. m. Wednesday of last week. Leaders for the troop are Mrs. Russell O'Brian and Mrs. Herschel Johnson.

Scouts present were Carla Phillips, Carolin Gunn, Linda Fallwell, Lou Cochran, Martha Martin, Cindy Ingram, Shirley White and Glenda Mingus.

Meetings will be held regularly on Wednesday afternoon from 4 to 5:30. Leaders report there is room for more girls in the troop and any girl from the eighth grade through high school is invited to join in activities of the group.

## Chili Supper Is Friday

The Senior class of Friona High School will sponsor a chili supper Friday beginning at 5 p. m. at the School Cafeteria.

Admission will be 50 cents for children under 12, and \$1 for persons 12 and older. Tickets may be purchased from any member of the senior class or bought at the door.

## Outland Gets 32nd Degree

City Manager Arley L. (Jake) Outland attended the fall reunion of the Scottish Rite Masons in El Paso last week.

Outland became a 32nd degree Mason at the meeting, receiving his 19th through his 32nd degrees. He had received his fourth through 18th degrees at a similar meeting last spring at El Paso.

Outland, who joined the Khiva Shrine of Amarillo, completed his Blue Lodgework in San Antonio.

## Cub Scout Has Meet

Seven members of Cub Scout Den II met Monday afternoon at the home of Mr. and Mrs. Lowell Bynum for their regular weekly meeting. Mrs. Doyle Cummings and Mrs. Bynum assisted the cubs in making paper mache Halloween masks.

Skits for the pack meeting were practiced. Refreshments of cold drinks and cookies were served by Kirk Cummings to Tommy Long, David Bynum, Steve Houston, Brian Hall, Don Fortenberry, Billy Horn, Mrs. Bynum and Mrs. Cummings.

## Highlights and Sidelights From Your State Capital

AUSTIN, TEX. -- Enrollment at the 19 colleges and universities which are fully state-supported almost exactly doubled during the past decade.

Texas Commission on Higher Education reports that registrations increased from 53,634 to 109,998, from 1952 to 1962.

Head-count gain per school was:

- University of Texas, from 12,772 to 21,390;
- Texas Western College, 2,334 to 5,449;
- Texas A&M College, 6,277 to 8,126;
- Arlington State College, 1,258 to 9,116;
- Tarleton State College, 663 to 1,514;
- Prairie View A&M, 2,491 to 3,282;
- Texas Tech, 5,160 to 11,181;
- North Texas State University, 4,422 to 9,921;

Lamar State, 2,504 to 7,090; College of A&I, 1,928 to 3,517;

- Texas Woman's University, 1,767 to 2,979;
- Texas Southern University, 2,065 to 3,831;
- Midwestern University, 1,235 to 2,346;
- East Texas State College, 1,816 to 3,844;
- Sam Houston State, 1,603 to 5,270;
- Southwest Texas State, 1,562 to 3,463;
- West Texas State, 2,019 to 3,733;
- Stephen F. Austin, 1,217 to 2,737;
- Sul Ross, 541 to 1,199.

PAROLE SYSTEM--Confidence is expressed by officials that delinquents are being rehabilitated under the Texas parole system which was set in motion in 1957.

Program provided for an eventual organization of 70 parole officers which is now coming into being on schedule.

Last 30 trainees, studying to take up their tasks, will complete the group whose activities are expected to reduce the work load for each parole officer in the field from 100 to 75 cases.

Parole system is under the direction of Ray W. Williams, acting in the absence, on leave, of Vincent O'Leary who is serving with the National Council on Crime and Delinquency.

Officials of the Pardon and Parole office feel the public doesn't fully appreciate the fact that, if Texas didn't have a parole system, prisoners would serve their time and be released without any supervision whatever.

LIBRARY JOB TAKEN--New assistant director of the rural library services division of the State Library is H. Kenneth Jackson of Fort Worth, former head of the Kilgore Public Library.

Jackson will be assisting Mrs. Emily H. Welty in promoting library development in areas not served by a public library.

POLIO COUNT -- Latest polio count by the State Health Department showed 229 cases in Texas so far this year, with 174 of them paralytic.

Last year at the same time there were 29 paralytic cases on record. One new case each was recorded in Bexar and Coryell Counties.

A-G-RULINGS -- Rep. Don Kennard, chairman of the Texas House interim committee on migrant labor, has been advised by the attorney general that members serving on the committee may not receive State funds for travel reimbursement.

Kennard had asked for a legal opinion on the subject.

In another opinion, requested by Jerry DeLana, county attorney of Travis County, the attorney general held that motorboats are not permitted to be sold on Sunday.

TRUCK HEARING -- Truck operators who have applied for permits to haul fruit and vegetables over the State were cross-examined by attorneys for common carriers at a hearing before a Railroad Commission examiner here.

Some felt the hearing would last until Christmas. It is a continuation of similar sessions

held earlier at San Antonio, Lubbock and McAllen.

More than 130 operators are seeking the permits authorized by the Legislature in 1961. Common carriers oppose granting the permits on the ground that there is no need for them.

ESCHEAT LAW -- Reports to the State treasury department indicate there is approximately \$3,140,000 in personal property in Texas subject to the new escheat law.

So far the State has collected \$108,000 through three suits. But 346 reports of this kind of property have been certified to the attorney general, involved is \$678,724 more.

It may turn out that the \$3,140,000 estimate is too high, so far as the state's expectations of getting the money are concerned. This since a lot of owners of the property are being found.

In other instances it was discovered that some property is not subject to escheat, or at least not yet.

Seven years have to elapse before the State can make a claim. At this stage, it appears that the best "mining" country will be old meter deposits.

TEXAS GROWTH -- Industrial growth of Texas in the next 15 years is being projected by the State Industrial Commission in a brochure called "Goals for Texans."

It will be several weeks before the brochure is finished and ready for distribution. But Commission officials feel it can be adapted to the needs of any area or community with benefits for all.

Commission based its plan on National Planning Association studies, and got assistance also from the University of Texas Bureau of Business Research.

HONOR FOR TEXAN -- DeWitt C. Greer, State highway engineer, is one of the "top ten public works men-of-the-year" for 1962.

Announcement of his selection was made by Kiwanis International and the American Public Works Association, co-sponsors of the annual awards.

A plaque was presented to Greer at a meeting of the Austin Kiwanis Club at which John S. Redditt of Lufkin, former chairman of the Texas Highway Commission, described the engineer's accomplishments which won him the national honor.

With characteristic humor, Greer accepted the award "with all the humility that a Texan can muster."

Greer has been an employee of the State Highway Department for 35 years, the last 22 of them as the No. 1 engineer. He is a past president of the American Association of State Highway Officials, and in 1953 received the George S. Bartlett Award for outstanding contributions to highway progress.

CRUDE DEMAND UP -- Texas Railroad Commission reports that purchasers' nominations for Texas crude oil in November have increased.

November requests average 2,524,186 barrels daily. This is 33,853 more than for October.

Commission is expected to keep its 8-day schedule for prorated wells in November. This would increase the daily average permissible by almost 50,000 barrels.

October is the ninth consecutive month on 8-day production.

INTEGRATION VOTE -- Texas' governor apparently won't be plagued with integration nightmares like Arkansas and Mississippi.

University of Texas students in Austin will vote on the subject on November 14.

Vote will be on integration of living and dining facilities and the school's athletic teams.

Currently, Negroes take part in intermural contests, but there are no Negroes on varsity teams.

University cafeteria facilities are integrated and 15 Negro students live in an integrated men's dormitory.

University has one dormitory for Negro women but they are excluded from all other women's dormitories.

HIGHWAYS ON SCHEDULE -- Texas is on schedule with its 3,033-mile portion of the 41,000-mile Interstate Highway System.

Program is reportedly running behind in other states.

Texas has consistently led all other states in completion of its portion of the superhighways since the program was initiated in 1956.

Texas' program also has operated at costs substantially below the national average.

PARKS A MESS -- Texas State Parks are a mess.

Some of them have no excuse for existence.

That's the jarring report given the Texas State Parks Board by a newspaper reporter who toured the parks system.

Paul Timmons, associate editor of the Amarillo Globe-Times and News, reports that none of the parks are properly planned and many of them are little more than city parks in rural -- and sometimes remote -- locations. Others serve only to give access to lakes or streams. Some don't equal the competition of nearby resorts.

Planning now is being done at Texas Technological College under a \$70,000 contract with the State Parks Board.

SHIVERS MUM -- Former Gov. Alan Shivers is having nothing publicly to do with the November election for governor of Texas.

Shivers says he plans to make no public endorsement of any candidate. He is a friend of both candidates.

"I've stayed out of this so far," he says. "And I think I can for a few more weeks."

Shivers openly supported Jack Cox, this year's Republican nominee for governor, when Cox ran unsuccessfully two years ago in the Democratic primaries against Gov. Price Daniel.

Cox changed parties this year.

SHORT SNORTH -- Texas Supreme Court has upheld an opinion that this state's anti-trust laws supplement federal anti-trust laws and can be enforced simultaneously. State auditor's report discloses that it cost the state more than twice as much to maintain the House Speaker's office than it did that of the Lieutenant Governor's during the last legislature.

### Texas Needs John Connally!

Only John Connally can provide our state the caliber of strong, responsible leadership to meet the problems and opportunities ahead.

A VOTE FOR JOHN CONNALLY IS A VOTE FOR:

- Educational opportunity.
- Better job opportunity.
- Economy in government.
- Increased attention to our elderly and dependent.

REMEMBER!  
Democratic Texas has the lowest total per capita taxes of any major state in the nation. Vote to keep sound economical government.

MASON CITY ILL., BANNER TIMES: "Albert Einstein was once asked what kind of weapons would be used in World War III. 'I don't know', he answered. 'I don't know what they are developing, because things are progressing so rapidly, but I can tell you what they'll use in the fourth world war. They'll use rocks.'"

"Anger is only one letter short of danger."

## WHY, Mr. Congressman?

(A letter to Mr. Rogers)

### Someone must speak up!

Why do you say, "It doesn't do any good to holler and scream about the problem of increasing bureaucracy"? Unless you can offer something better, don't knock the hollering and screaming a few men in Congress have courage enough to do. People of the Panhandle are disturbed about "increasing bureaucracy", about wasteful government spending and the national debt, about the Kennedy-Freeman farm plan you supported, and the Arms Control and Disarmament Agency you voted for. Someone must have the courage to speak up, Mr. Congressman. And here is where you have failed the people who elected you. That's why the citizens of the Panhandle will vote for Jack Seale, a man who does have the courage to speak up.

From the incumbent's speech before the Panhandle Chapter of the National Association of Bank Auditors and Comptrollers.

## Rebekahs Plan Important Meet

At the Monday evening meeting of Friona Rebekahs plans were made for the Monday, October 29, regular session. A program based on the 23rd Psalm will be presented and Mrs. Thelma Gage of Needmore will be present for a special part on the program.

Joyce Wilkins, noble grand urges all members to attend this meeting. During the business session there will be a discussion pertaining to raising dues of the lodge. Guests present were Helen Brown, Lucille Dollar and La Deene Carmichael, members of

Dimmitt Lodge #54. Eleven local members were also present. Reports were made of 16 sick visits and 13 cards being sent. Refreshments were served by Geneva Williams.

She'd just returned from a car ride in the country and her mother noticed that one of her shoes was muddy. "Why is your right shoe muddy and your left shoe not?" the mother asked. "I changed my mind," she said.

## COX TO APPEAR ON TV

Jack Cox, Republican candidate for governor, will appear on a question and answer program on Station KGNC radio and television Wednesday, October 31 from 9 p.m. to 10 p.m.  
The program, entitled "Call Jack Cox," will be moderated by Tad Smith.

## NOW IS THE TIME

In the cathedral of Lubeck in Germany there is an inscription which our almost 200,000,000 Americans might well ponder. It reads:

"Ye call Me Master and obey Me not;  
Ye call Me Light and see Me not;  
Ye call Me Way and walk Me not;  
Ye call Me Life and live Me not;  
Ye call Me Fair and love Me not;  
Ye call Me God and fear Me not;  
If I condemn you, blame Me not!"

Roughly, half of our population claims no church affiliation of any kind; and of the remaining half, perhaps only one third takes part in public worship on Sunday morning with any degree of regularity.

"Ye call Me Fair and love Me not; ye call Me God and fear Me not." A nation as great and as enlightened as ours should perceive that it is high time that we return to the God of our fathers in penitence and faith - repentance over our terrible guilt, and faith in the power of Christ to save.

There still is time to turn our lip service into heart worship. There still is time to "repent and believe the Gospel". But the time is NOW!

## Something To Think About

6th. Street Church of Christ  
Box 515 -- Friona, Texas

Sooner or later, a man, if he is wise, discovers that life is a mixture of good days and bad, victory and defeat, give and take. He learns that it doesn't pay to be too sensitive, and that he should let some things go over his head

like water off a duck's back. He learns that carrying a chip on his shoulder is the easiest way to get a fight. He learns that the quickest way to become unpopular is to carry tales and gossip about others. He learns that it doesn't matter so much who gets the credit so long as the job is done right. He comes to realize that the world would run along very well without him. He learns that no man ever got to first base alone, and that it is only through cooperative effort that we move on to better things. He learns that most of the other fellows are as ambitious as he is, that they have brains that are as good or better, and that hard work and not cleverness is the secret of abiding success. He learns that there is a higher power and that he is accountable to that great power. He learns that Christ is God's Son, and that he came to this earth to save the lost. He learns that he is lost and needs this saviour. He learns that this Saviour left a will in which is revealed to conditions of salvation, and will allow nothing to keep him from rendering full obedience to His Lord and Master.

# come to church Sunday

"Then answered Peter, and said unto Jesus, Lord, it is good for us to be here:" (Matt. 17:44). These were the words of Simon Peter upon the Mount of Transfiguration. There were a number of reasons why Peter made this great declaration. First, because the fellowship was so sweet and wonderful. Second, because of those who were present, Peter, James, and John who accompanied the Master to the Mount of Transfiguration but there also appeared on the scene Moses and Elias. Third, God expressed Himself as being well pleased with His Son and commanded the disciples to "Hear Him." Fourth, and perhaps one of the greatest reasons was because Jesus was revealed in His glorified state thus preparing His disciples for the experience of the Cross and His Resurrection. To the disciples who were on the Mount of Transfiguration that day it was truly a great experience. However we too may share a similar experience by taking advantage of the opportunity afforded us each Sunday at the church where we worship. We can enjoy the sweet Christian fellowship, find His Will for our lives and feel His Divine Presence.

# 4-CENT CHRISTMAS POSTAGE STAMP

AVAILABLE AT YOUR LOCAL POST OFFICE  
**November 2, 1962**

A special 4-cent Christmas stamp will be first placed on sale at Pittsburgh, Pennsylvania, on November 1, 1962, in conjunction with the annual convention of the National Association of Postmasters of the United States.

This stamp will serve a dual function—it will make available an issue that is seasonably decorative and at the same time provide preferred handling for greeting cards. It will remain on sale at post offices through December 31, and will be available at the Philatelic Sales Agency, Post Office Department, Washington 25, D.C., indefinitely for the benefit of collectors.

The Christmas stamp, designed by Jim Crawford, a Post Office Department artist, depicts the traditional holiday symbols—burning tapers and an evergreen wreath adorned with a red bow. It will measure 0.75 by 0.87 of an inch, arranged vertically, and will be issued in panes of 100. A total of 500 million Christmas stamps will be printed on the Giori presses in green and red on white paper.

Collectors desiring first day cancellations may send addressed envelopes, together with remittance to cover the cost of the stamps to be affixed, to the Postmaster, Pittsburgh 19, Pennsylvania. A close-fitting enclosure of postal card thickness should be placed in each envelope and the flap either turned in or sealed. The envelope to the Postmaster should be endorsed "First-day Covers 4¢ Christmas Stamp." Orders for covers must not include requests for uncanceled stamps. Cover requests must be postmarked not later than November 1, 1962.

# County's Harvest Continues After Rain-Caused Delay

Harvesting operations resumed in Farmer County Monday after being interrupted by rain last week. Many farmers were resuming maize combining, which was estimated around three-quarters complete before the wet weather halted what was until then a

very short and ideal grain season. Some few farmers were having their cotton handpulled the first time over, although most preferred to wait until the entire crop matures, for a "once over" process by the strippers. The maize crop has been described in different manners. Some say it will be the "best ever," while others say they are not making as good a yield as they have the past year or so.

Farmers and elevator operators in the Lasbuddie-Farwell area termed this year's crop one of the best ever. Those in Friona and Bovina were a bit more conservative, saying it "compared" with the best while some areas, such as around Black, it appeared the yields would be lighter than some had hoped, although there was still some grain to cut.

## County Records Ten Rural Accidents During Month

The Highway Patrol investigated 10 rural accidents in Farmer County during the month according to Sergeant W. E. Wells, Patrol Supervisor of this area. These wrecks accounted for two persons injured and an estimated property damage of \$6,005.00. "Accidents Go Up When the Sun Goes Down," is a slogan so true. Darkness hides danger, giving the driver a false sense of security. That is the reason traffic accidents increase during October's shorter days and longer nights. National statistics show that the traffic death rate at night is three times the daylight rate, and more than half of all accidents occur after sundown, despite reduction in the volume of traffic. At sundown, long shadows and fading light makes it increasingly difficult for drivers to spot traffic hazards and stop in time. The veteran patrol supervisor said, "make it a habit to turn on your driving lights at the first hint of dusk and always use them properly."

Last year's banner yield for Farmer County was 14,610,000 bushels, an average of 82.5 bushels per acre. The cotton crop is also expected to be one of the best ever, with estimates ranging around 40,000 bales expected to be harvested.

GRAIN ABUNDANCE in Farmer County is reflected in this elevator scene at Farwell. The scene is a common one for elevators throughout the county, as storage space became sapped by the abundant maize crop.

## THE HIGH PLAINS FARM AND HOME

## Homemakers Enjoy Furniture Tour

Fifty-four Farmer County homemakers will be better buyers of furniture as the result of a series of furniture store tours. Seven tours were conducted this month with all county homemakers invited to attend. These homemakers saw many new fabrics fashionable in upholstery. Cotton and nylon were the most popular on sofas and chairs. A variety of fillings were used in the cushioning. Each of these homemakers compared the feel and appearance of polyurethane (polyfoam), foam rubber, polyurethane wrapped with dacron, marshall unit coil springs in the cushions.

Construction of different quality and priced range furniture were seen. Bubbles and defects were checked in all furniture for good quality. Design of furniture was discussed to meet the needs and wants of the individual families or individual family members. Each day the tours began in the office of the home demonstration agent, Miss Ettie Musil, who discussed what to look for in selecting furniture. She discussed common mistakes made in buying furniture. Miss Musil stated that homemakers commonly choose furniture that does not fit the space needed for the piece. Sometimes furniture is "too good" or uncomfortable for the family who is to use it. Always check all of the construction of the frame as well as the finish, wood, dresser drawers, or upholstery fabric and cushioning. Tours were made to S&S Furniture in Texico, McDaniel's Furniture, Slesmore Furniture, Home Beautiful, and Bryson's Furniture.

# 4-H Council Announces Achievement Program Plans

Parmer County 4-H Council has announced plans for the annual 4-H Achievement Program to be held Saturday, November 10 at 6:30 p.m. in the Hub Community Center. This year the 4-H Council planned for a covered dish supper to be served for all 4-H Club members, parents, and guests in the county.

These plans were made during the meeting of the 4-H Council Saturday, October 20 at 9:30 to 11:00 a.m. in the District Courtroom of the Courthouse in Farwell. Gary Foster, chairman, presided and Katie Blackstone served as acting secretary.

Bruce Billingsley led the 4-H Pledge and Dale Blackstone led the Pledge to the U.S. Flag. Reports of the 4-H Bake Show, Favorite Foods Show, 4-H Boys Camp, and 4-H Dress Revue were made by 4-H Club members and adult leaders.

For the 4-H Achievement Day, November 10, Council

members voted to serve the covered dish supper. Following the meal 4-H achievement awards medals will be presented to all eligible members who entered their record book in August for judging.

After the awards presentation each of the 4-H Clubs will present club talent as skits, musicians, vocalists or choruses, or comedies. This is the first time for 4-H members to present talent as the program.

Different responsibilities were given each club for the Achievement Program. Farwell 4-H Club is in charge of registration, Lazbuddie 4-H Club will decorate the building, Rhea 4-H Club and Friona 4-H Club will be on the clean up committee. Junior 4-H Leadership will assist in clubs in which they are members. 4-H Council will furnish tea, coffee, paper plates, cups, napkins, and decorations.

D. H. Foster was elected council chairman for 1963.

Bruce Billingsley and Katie Blackstone were elected co-vice chairmen. Secretary is Gary Foster and treasurer is Reba Lesly. Judy Koelzer was elected reporter.

Parmer County becomes part of the District 4-H Council through elected delegates. Elected Keith Black and Kathryn Guber will attend District Council and report district business to the County 4-H Council. Danny Miller and Linda Gleason were elected alternate delegates.

County 4-H Council is composed of the president and council delegates of each of the five 4-H Clubs plus the officers who are elected from the previous year's council members. Council is the connecting link of all the 4-H Clubs. Its purpose is to discuss and make plans for county-wide 4-H events and activities.

Attending the Council meeting were Gary and D. H. Foster, Katie and Dale Blackstone, Bruce Billingsley, and Reba Lesly. Mrs. Leon Billingsley and Mrs. Harvey Blackstone attended as visitors. Also attending as advisors were Extension Agents, Miss Ettie Musil and Deryl L. Coker.

# WITH THE COUNTY AGENT

DERYL COKER

LP gas, or liquified petroleum gas, is now being used more and more on Texas farms and ranches as a fuel for tractors and for household purposes. As with any combustible fuel, safety precautions are necessary when using LP gas to prevent injury and damage by explosion or fire.

About two months ago a farm house was destroyed by an explosion caused by butane and the life of one person was taken due to the explosion.

Here are some precautions that we should consider.

One important precaution is to locate the tank at least 50 feet from any major building and 20 feet from other tanks containing flammable liquids. Also, the tank should be located so that it is isolated from open fires, sparks and other sources of ignition.

If a pump is used on the tank, erect a low fence around it to prevent accidental damage to

the pump, hose connections, and the pipe fittings which may cause dangerous leaks.

Low spots and holes around the tank should be filled because LP gas is heavier than air and gas that leaks from the tank will settle in these low spaces and become a fire hazard.

If leaks are suspected in the tank they should not be detected by using a flame, keep away from the tank and call the local service man.

LP gas is a fuel and should never be used for cleaning purposes or to inflate tires.

LP gas is a safe fuel and can be used without fear of explosion or fire if proper care and safety practices are observed.

Since we are in harvest I am going to list average figures on some crops. It should be of interest to you to see if you are above or below average on the different recommendations listed below:

Per-Acre Production and Production Requirements for Crop Enterprises\*

Item	Irrigated				
	Dryland	Preplant only	Preplant plus 1 postplant	Preplant plus 2 postplant	Preplant plus 3 postplant
Cotton					
Yield (lb.)	130	350	575	700	750
Water (ac.in.)		5	9	13	17
Nitrogen (lb.)			30	40	60
Phosphorus (lb.)				1.00	1.00
Early poison (no. appl.)				2.00	2.00
Late poison (no. appl.)	0.33	1.50	2.00	2.00	2.00
Hoing (times over)	1.20	1.20	1.50	2.00	2.00

Water (Ac.in.)		5	9	13	17
Nitrogen (lb.)			40	80	120
Phosphorus (lb.)				40	

\*Yields shown are based on experimental tests conducted by the Texas Agricultural Experiment Station on hardlands soils. They reflect the production potentials that can be attained by better managers following recommended practices, assuming no damage from hail. Losses from hail damage are handled by including a charge for hail insurance in the budgets.

# Co-op Gin Schedules Grand Opening Sunday

The Friona Farmers Co-op Gin will hold a Grand Opening Sunday afternoon from 1 p.m. to 5 p.m. Refreshments will be served, and door prizes will be awarded.

"We'd like to invite everyone in the area to come out and see our new plant, whether they are cotton farmers or not," said Jimmy Fletcher, gin manager.

"Anyone who has pride in his community and county will want to come and see its newest addition," Fletcher continued. The gin is located two and a half miles south of Friona, off State Highway 214.

The gin, which was completely installed by Continental Gin Company, features three high-

speed gin stands. The capacity of the gin, when operating at full speed, is estimated at from 10 to 12 bales per hour.

The gin is ready to receive cotton, and has already ginned its first bale. C. D. Nolan, who farms near Lazbuddie, had the honor of ginning the first bale at the new gin, on Tuesday, October 16.

Members of the board of directors for the gin are Ellis Tatum, president; Keith Brock, Secretary-Treasurer; Charles Howell, R. J. Renner, Jr., D.L. Carmichael, vice president; A. W. Anthony, Jr., Raymond Scheuler and Fletcher.

Head ginner is James Jenkins, who has had some 10 years experience in the ginning industry, and he is assisted by Bob Mullins. Buford Hartwick is bookkeeper.

# TUESDAY-- Wheat Topic Of FU Meet

Prentice Mills, Parmer County ASC manager, will be guest speaker at a Farmers Union meeting Tuesday, Oct. 30, at Hub Community Building.

Mills will outline the wheat program in detail and will offer information on the entire farm program, announces Leon Smith, Jr., Parmer County Farmers Union president.

The meeting will begin at 8 p.m.

The public is invited and urged to attend, Smith says. Refreshments will be served.

# Lazbuddie 4-H Elects Leaders

The Lazbuddie 4-H Club met Thursday, October 18 to elect organizational leaders for the club.

President Danny Miller called the meeting to order and Katie Blackstone led the 4-H Pledge.

Mrs. Ruth Miller and Gerald Ramage were elected organizational leaders. County Agent Deryl Coker presented the program on "Wildlife of Texas."

Three new members were present. They were Doyle Crim, Royce Barnes, and Terver Ford. A total of 23 original members were present, along with 20 guest, including parents and small children.

# Producers Okay Wool Referendum

In a nationwide wool referendum recently, producers voted 91 per cent for and nine per cent against on the basis of total sheep owned for the government to withhold one cent per pound for the promotion of wool and mutton.

On an individual basis, the vote was 87.7 for and 12.3 against the proposal. The ruling will be in force for 1963, 1964, 1965 and 1966.

THE COTTON HARVEST is barely underway in Parmer County. Only a few farmers are having their cotton hand-pulled at this time. Some have defoliated, while others prefer to wait for nature to take its course.

## Pros And Cons Of Chemical Use Discussed By Specialist

As the High Plains cotton harvest gets into full swing, many growers are weighing the pros and cons covering the use of chemicals to prepare their crops for machine harvesting. Each grower will need to evaluate his situation and decide whether defoliation will pay, points out Fred Elliott, cotton specialist for the Texas Agricultural Extension Service. He offers these guidelines for making the evaluation.

Best results are obtained with mature cotton with a heavy boll load and where the irrigation cut-off date has been followed; leaf moisture is normal and growth about stopped. At least 60 percent of the cotton bolls should be open before a true defoliant is applied and 80 percent before a desiccant is used. Harvest-aid materials used under these conditions have not reduced either yields or quality, says Elliott. Top

bolls expected to mature should be 30-35 days old at time of application, he adds.

Cool weather slows up the defoliation process, explains the specialist. This is listed as weather when night temperatures are constantly below 50 degrees F. and day temperatures are below 70 degrees F.

Maturity is not speeded up by the use of defoliants, points out Elliott. For all practical purposes, maturity of the cotton fiber stops when defoliants or desiccants are applied, depending upon the coverage obtained. Bolls have been noted to open sooner in treated fields, but fiber from the treated cotton was not more mature, Elliott said.

Some growers have found that if frost has not occurred by about October 20 and if plant and weather conditions are normal, the use of a defoliant or desiccant about two weeks ahead of the average first frost -- usually the first week in November -- can be considered. This leaves the cotton in a dehydrated condition at the time of the first frost and permits earlier stripping after frost. One of the regular chlorate defoliants used at the upper rates plus water and emulsifiable

pents as an additive for increased top growth kill for these late applications has proved successful, Elliott said.

Experience has shown, he added, that proper use of harvest-aid chemicals on older, mature cotton permits earlier harvest before exposure to weather has reduced grades or caused actual field losses of lint.

The president of the Blue Cross Association announces that the over - 65 age group will be able to obtain hospitalization insurance without physical examination, and regardless of physical condition. He also says that the Blue Shield is "travelling in a parallel path" in plans to provide doctors' services for the elderly.

## Farm Facts

Of 12 to 13 inches of average annual precipitation in the 17 Western states, only about 30% contributes to the fresh water supply.

According to J. S. Robbins of the Agricultural Research Service, much of the moisture evaporates from soil, water, and plant surfaces. The rest infiltrates the soil and is transpired back into the atmosphere by vegetation.

An additional inch of water for plant use could increase Western wheat production up to five bushels per acre.

Scientists are studying plastic or mechanical barriers to control water or vapor flow to the soil surface and are testing chemical or physical treatments of soil to inhibit water loss.

At Tempe, Ariz., they're experimenting with sprays to sterilize the soil and kill weeds, stabilize it to prevent water infiltration.

## NEWS FROM THE FARM BUREAU

BY RAYMOND EULER

"Society cannot leap into Communism from Capitalism without going through a Socialistic stage of development", said Nikita Krushchev, as he addressed the 21st Communist Party Congress on February 9, 1959.

"An immediate attack upon the sanity of the attacker (of any Communist activity) before any possible hearing can take place is the very best defense. The by-word should be built into the society that paranoia is a condition in which the individual believes he is being attacked by Communists". It will be found that this defense is effective.

This quote is from writings of the head of the Russian Secret Police in which he outlines effective methods of overcoming opposition to Communist infiltration in the United States by "psychopolitical" means; that is, by declaring any effective leader opposing Communism insane, thus destroying any confidence the public may have placed in the individual.

Texas and American Farm Bureau policies state that the organizations will oppose Communism whenever and wherever it is found. Your local county Farm Bureau has similar

policies on record as voted by the membership in convention. It is recognized that the greatest defense against Communism is a strong Christian community, composed, of course, of faithful Christian citizens, the exact opposite of Communist communities composed of Communist individuals.

Delegates to the Texas Farm Bureau Convention in San Antonio November 11-14 can look forward to hearing Paul Harvey, noted radio and TV commentator speak words of wisdom and interest regarding America's past, present and future. Your Farm Bureau has purchased fifteen tickets to the banquet where Harvey will speak, and they will be used by delegates and their wives. If there are any left over, and you are there, you can have one, too.

A good time to file for refund of state road tax paid on tractor and other non-highway used gasoline is right after maize harvest when most of it is used in combines. Don't forget to come in for this service.

CONSIDER THIS: The fanning pot is for silver, and the furnace for gold; but the Lord trieth the hearts, Proverbs 17:3

County Agricultural Agent Deryl Coker and Home Demonstration Agent, Miss Ettie Musil, attended the District meeting of the Extension Service on Monday and Tuesday of this week in Amarillo.

## Fertilizer Course Asks Registration

Fertilizer Dealers, Agency Personnel and members of the County Program Building Committee are invited to register Course to be held in November, states County Agricultural Agent Deryl Coker. Detailed programs and registration forms are now available in the Agent's office.

There will be a series of three night meetings at each of the following locations; Lubbock, Plainview, Dimmitt, and La Mesa, and individuals are encouraged to attend the one nearest their place of business.

Subject matter to be handled by both Industry and College Personnel will include nitrogen, phosphorus and potassium, soil testing, and fertilizer use in sound soil management practices.

The \$5 registration fee includes a notebook of the material presented, a diploma for those completing the course and a dinner the last night the meeting is held.

The deadline for registration is November 2, Coker concludes.

"Going to the dance," replied Slim.

"You going to the dance?" asked his friend. "You don't know nothing about dancing."

"That's true, all right," replied Slim. "I can't dance a step, but I sure like to hold 'em while they do!"
