NUMBER 2

LISTEN TO LUKE

A man's wealth is measured in direct proportion to the number of things that he can live happily without.

Unless someone does something about the weather, there is going to be a drought resulting from the past several months of completely dry weather.

A drought doesn't begin out in this area until several months after ranchmen in other areas are completely whipped by dry weather.

When the ranchmen were in the beginning stages of lambing season, the exploration crews soon pulled out to await the end of lambing so that they can return to exploration work in this area. This annual exodus of the exploration crews is nothing new to the people here; it has been going on ever since the first crew came in here. It probably will continue to go on as long as there are any crews or any lambs in this area.

Certainly, there is a slump in business following the departure of the crews, but there will be a pick-up in the local business when they begin coming back.

It's kinda like the drought and a lot of other things. We have to take the bitter with the sweet.

It looks like the fall-out scare is here to stay — for a long time at least. And we suppose that we should do something about it.

Our plan for participation and cooperation is something like what was mentioned before and was picked up by another newspaper in this area as a good idea. Neither of us has been able to sell the idea to anyone who can do something about it, but we still consider it a good idea.

This area of the Big Bend has been listed on maps over the nation as being that area with the most natural protection against fall-out. With the prevailing winds and the mountainous terrain being what they are in combination, we have naturally what a lot of folks are spending literally thousands of dollars to get.

And being that it is a natural protection to some degree, and a long distance from any prime military targets, which is also an added benefit, there is liable to be a lot of people coming to this area, if and when they try to outrun a nuclear blast and subsequent fall-out.

We need to dig out a lot of holes in these mountains and use those holes to store a lot of food and water for the world to use for survival after this fall-out is dissipated.

Do you notice how they have gotten us to making statements of a positive nature — just as though this fall-out is inevitable.

After we run out of food to put in the caves, we could use some more holes in the mountains to put people in. It seems that we have a bunch of kinfolks that already have promised to spend a spell with us in case they think themselves threatened, and since

Survey Planned Locally For Fallout

A survey is planned in Sanderson next month to evaluate local facilities and needs for adequate fall-out protection, according to information received this week by County Judge R. S. Wilkinson. The survey will be made by or under the auspices of the Corps of Engineers of the U.S. Army.

A preliminary survey of Sanderson has already been made, according to the County Judge, but only a "windshield" appraisal and certainly inadequate for an evaluation.

Judge Wilkinson, Sheriff Bill C. Cooksey, and Chamber of Commerce President C. C. Mitchell were in El Paso Thursday of last week to attend a Civil Defense meeting for this section of the nation. It was learned at the meeting that the survey of Sanderson was slated, along with a similar survey of towns to the west of Sanderson as far as Van Horn.

The survey is a part of the extensive plans being made by the Civil Defense Agency in regards to fall-out protection, nuclear blast protection, and first aid and emergency work prior to and after such a catastrophe.

It was learned that the agency is seeking local storage facilities — at no charge — for canned food, etc. and water in plastic bottles, to be used in case of emergencies. The water in the bottles must be changed every two weeks, according to information received at the meeting.

Charles C. Lane, Del Rio Trainman Buried Friday

Funeral services were held in the First Christian Church of Del Rio Friday afternoon for Charles C. Lane, 56-year-old T&NO brakeman, of that city.

He was stricken Wednesday night while en route from Del Rio on a freight run to Sanderson. He was taken from the train at Langtry and put in an ambulance which had been called from Del Rio, but died a few miles from Langtry.

Burial was in the Masonic Cemetery following Masonic rites at the graveside. He was a member of the First Christian Church, a past master of the Del Rio Masonic Lodge and active in Masonic work in this area.

Survivors include his widow, Mrs. Hazel Lane, and two sons, Charles R. and Sam R. Lane of Del Rio; a daughter, Mrs. Helen Smith of Denton, two brothers; five sisters, and two grandchildren.

Accident Damage Is \$2900 in County

Property damage in Terrell County was \$2,900.00 as a result of three accidents in the county during the month of January of this year. The information was released by the Texas Department of Public Safety statistician in the Midland office.

There were two persons injured in accidents in which three persons were injured, according to the report.

Ector County led the district in property damage, totaling over \$20,000.00.

Howard County led the 24-county district with two fatal accidents in which two persons died.

"The full cooperation of the motoring public is earnestly solicited in order that we can maintain the reduction in traffic deaths on our rural roads that we experienced last year, Capt. Ray Butler stated.

Mr. and Mrs. John Huey left Wednesday for San Antonio on a business trip.

Sanderson Teams Plan Bi-District Cage Games

Probably a first was achieved this year for the Sanderson High School when the boys and girls' teams go into bi-district competition in basketball.

The boys cinched their district title last Friday night when they took their cage game in Wink by a 45-39 score. They lost only one game during the season, one of a two-bill played in Fabens.

The boys took their game in Rankin Tuesday night by a 37-28 score, the lowest scoring game in this year's competition.

The games with Alpine have been called off, according to the local coaches, because of conflict with the bi-district games.

The girls captured the crown in Rankin Tuesday night when they beat the feds there by a 40-38 score. The girls had cinched a tie earlier in the season after their win over Van Horn.

Both the boys and girls have one game left this season, with Van Horn, and both games will be played on the local floor Friday night. Prestige is the only thing to be gained by a win by either team.

The opponents for the boys will be decided between Big Lake and Ozona who play Friday night. Big Lake has lost one conference game and Ozona is unbeaten. If Big Lake wins, they will have a sugar game to play Saturday to decide the winner.

The boys' bi-district game will be played either Monday or Tuesday night at a place to be decided after a winner is known in District 6-A.

The contestant against the Roadrunners for the bi-district title is not known as yet, nor is the site of the bi-district game.

Social Security Dependents Not Barred from Earning

One of the recent changes in the Social Security Act is important to all persons who work between the ages of 62 and 72, according to H. P. Thomas, manager of the Odessa Social Security office.

"This change concerns the earnings test — the amount one may earn and still receive some payments," he said. "Earned income of \$1200 or less in a year has no effect on the benefits. Now, however, only \$1 in benefits is withheld for each \$2 earned between \$1200 and \$1700 in a year.

"When earnings are more than \$1700, one dollar of family benefits is withheld for each dollar earned in excess of that amount," he continued.

"This means that in some cases where a man and wife are both of retirement age, he can earn as much as \$3,000 a year and still receive some old age insurance. When there are three or more beneficiaries in one worker's family, it is possible for him to earn as much as \$4,000 and receive some family payments for the same year."

Even when annual earnings are too high to permit any payments, benefits are payable for any month in which a beneficiary does not work in his own business or earn wages of more than \$100.

After age 72, there is no retirement test. Thomas believes that there are many workers in this District between age 62 and 72 who should apply for the benefits. The address of the Social Security Administration is 1428 East 8th St., Odessa, Texas.

Mrs. Jim Kerr's Sister Dies

Mrs. Jim Kerr left by train Sunday night for San Antonio after receiving word of the death of her sister, Miss Matilda (Tillie) Tarrillion, 81, in a hospital in that city.

Funeral services and burial were in San Antonio Wednesday. Besides Mrs. Kerr, other survivors include three brothers, Isidore, Henry, and Paul Tarrillion, all of San Antonio.

Tamale Sale Saturday

The ladies of El Buen Pastor Methodist Church are having tamale sale Saturday from 2:00 to 5:00 p.m. The sale will be at the former parsonage at 213 3rd St. and tamales will sell for 65c per dozen.

Unusually Warm Is Weather Here 1-Inch Rain Falls,

The weather in this section of West Texas is said to be unusually warm, and dry as usual.

Temperatures locally have been in the mid-80s during the past several days, with the nights only chilly.

Some fog was seen two days in the week past, but very little, if any, moisture benefitting from the fog.

Ranchmen of the area are complaining of an extreme need of moisture to give the grass and weeds a start for the spring growing season.

Lambing season has begun on many of the ranches of the county and some shearing of goats is being accomplished.

Nearly 1 inch of moisture fell here Wednesday afternoon late, as a surprise to all local citizens. There had been some heavy clouds in the area most of the day, but there were no forecasts for rain.

All reports available indicate the rains were general over this area.

Thursday dawned bright and clear with forecasts for more warm weather.

Buddie Joe Hahn Is Third Alternate For West Point

Washington, D.C. — Buddie Joe Hahn, 17-year-old Sanderson High School senior has been named by Congressman J. T. Rutherford as third alternate nominee for the U.S. Military Academy at West Point, N.Y.

Active in athletics and other student affairs in the Sanderson High School, young Hahn is a life-long resident of Terrell County.

"Buddie Joe is to be congratulated on his accomplishment," Congressman Rutherford said. "In achieving the score that he did on the competitive examination. Competition was conducted throughout the 19 counties making up the 16th District and many outstanding young men participated. His friends and relatives may take justifiable pride in his record."

Rutherford said that if the principal appointee or other alternates should be found ineligible for admission to West Point that the Sanderson youth would have the opportunity to enter July 1st of this year.

TB Assn. Meets Tuesday Afternoon

With the postponing of the January meeting of the Terrell County Tuberculosis and Health Association, Mrs. James Caroline, president, called a meeting of the Association Tuesday afternoon.

Mrs. H. E. Ezelle, in giving a report of the Christmas Seal sale, stated that 120 families were noted in making the contribution of \$290.80.

Mrs. M. W. Duncan was named chairman of the nominating committee with Judge R. S. Wilkinson and Mrs. L. H. Gilbreath to assist.

A letter was read from the State Department of Health in regard to a recent request made for a mass chest X-ray survey for Terrell County. The letter stated that with the low incidence of cases in the county located by the X-ray surveys of the past and with the surveys being limited to only those areas of population segments prone to develop the disease, the skin testing program in the schools was thought to be adequate.

Plans will be made at the March meeting for the testing of pre-school children this summer.

School Board Vote Slated April 7

Election of two board members to fill vacancies which expire this year will be held on April 7. The members whose terms expire are Jack Hardgrave and John T. Williams.

At the same time, the voters will name successors to the office of county school trustee in precincts 1 and three and trustee-at-large. These positions are held by G. E. Babb in precinct 1, G. K. Mitchell in precinct 3 and John Harrison is the trustee-at-large.

Filing must be on or before March 7, one month before the date of the election.

Funeral Services for Joseph W. Wolff Here Saturday

Funeral services were held in the Methodist Church last Saturday afternoon for Joseph William Wolff with the pastor, Rev. F. E. Curry, officiating. Burial was made in Cedar Grove Cemetery.

Mr. Wolff died in a Houston hospital on Wednesday, February 7, following an illness of the past six months. He had been employed as a car inspector for the T&NO Railroad for many years.

He was born near Dryden in what was then Pecos County on January 27, 1900, the son of Joseph and Mary Jane Burdwell Wolff. The family later moved to Sanderson and, aside from 12 years' residence in Mexico, Mr. Wolff had resided in Terrell County all of his life.

He was married to Frances Torres on October 7, 1927.

Besides his widow, who was at his bedside when death came, he is survived by a son, Joe W. Wolff Jr., of Salina, Kansas; a daughter, Mrs. Charles Tiseth of San Antonio; a grandson, Joseph William Wolff III, of Salina, Kansas; a brother, Henry Wolff of Belmont, Calif.; two sisters, Mrs. Theresa Dawson of Sanderson and Mrs. H. G. Bilbo of Alpine.

Pallbearers were H. G. Mullings, L. T. Lee, R. R. Clark, Carl Werneking, H. E. Fletcher, and Ernest Couch.

Among out-of-town relatives here for the funeral were Mrs. Alice Ziehr, Mrs. Angelina Brickneck of San Antonio; Raymond Wolff and Mrs. Emil Wolff of D'Hanis; John R. Watts of Fort Stockton; Mrs. H. G. Bilbo of Alpine; and Mr. and Mrs. Rex Ogburn and two sons of San Antonio, close friends of the deceased.

Retail Merchants Group Disbands

At a meeting called by the manager, Mrs. C. P. Peavy, last Tuesday evening, the members of the Sanderson Retail Merchants Association voted to withdraw their membership from the Association and turn all assets over to Mrs. Peavy.

She will continue to operate the association under her name and under a new system whereby charges will be made for all reports requested locally or out-of-town, the charges or fees to be based on the type of report requested. Mrs. Peavy will retain affiliation with the national and state organizations.

Ellis McDougal Dies Monday, Is Buried Here

Ellis McDougal died in an Alpine hospital Monday night following a long illness. His body was brought to Sanderson Tuesday and funeral services were in the First Baptist Church Wednesday afternoon with Rev. Irl Richardson, pastor, officiating. Burial was in Cedar Grove Cemetery.

Pall bearers were Willis Harrell, James Word, L. E. Muller, W. J. Ferguson Jr., J. D. Nichols, and Ben Causey.

He was born February 29, 1904, in Hamilton County, the son of George Alfred and Laura Alice Tweedle McDougal. He came to Sanderson from San Antonio over 20 years ago. He trapped on the river and worked on ranches until overtaken by crippling arthritis and for the past 18 years he has owned and operated Mac's Package Store. He was an ardent fisherman until recent years. When he became a victim of hepatitis several months ago he continued to show his independence and dauntless courage, making frequent trips to an Alpine hospital for blood transfusions and treatment.

Survivors include a son, Ivan McDougal of San Antonio; a daughter, Mrs. Dorothy von Garder of Ingram; two brothers, Wallace McDougal of Austin and Eddie McDougal of San Antonio; three sisters, Mrs. Mettie Leader of Sanderson, Mrs. T. W. Fusselman of San Antonio, and Mrs. Myrtle Johnston of Houston; also five grandchildren. Mrs. Carl Davis of Sanderson is a niece.

Among out-of-town relatives here for the funeral were Mrs. Wade Fusselman, Mr. and Mrs. Eddie McDougal, Mr. and Mrs. Ivan McDougal, Mr. and Mrs. Francis McDougal, all of San Antonio; Mr. and Mrs. Verner Glover of McCamey; Mrs. Nettie Patterson of Lampasas; Mrs. Wallace McDougal and Mrs. Mae Walker of Austin.

Jessie Gonzales Convicted On DWI Charge Wednesday

Jesse Gonzales, local youth, pleaded guilty to charges of driving while under the influence of alcohol in county court Wednesday. He received a fine of \$75 and costs, the minimum three-day jail sentence and suspension of his driver's license for six months.

County Judge R. S. Wilkinson heard the case filed by the sheriff's department.

According to information received, the driver was seen coming toward Sanderson from the east and ran several cars off the road. He was reported to local officers who made the arrest.

Kenneth Moses is Finalist In National Merit Program

Kenneth Moses, Sanderson High School senior, has advanced from semi-finalist to finalist in the National Merit Scholarship Corporation's Merit Program. The 1962 Merit Scholars will be selected from the group of 10,000 finalists and public announcement of the winners will be made April 26.

He is the son of Mr. and Mrs. Ira Moses.

T. A. Herring To Begin Basic Conservation Plan

T. A. Herring has recently completed the decisions for a basic conservation plan on his ranch located south of Dryden. Herring based his plan on site information and forage inventory of the ranch furnished by the Rio Grande-Pecos River Soil Conservation Service.

for governor who announced for the GOP months ago — got two opponents at the countdown. One was Amarillo rancher-publisher Roy Whittenburg, who polled 185,926 votes when he opposed Ralph Yarborough for the U.S. Senate in 1958. The other was Harry Diehl, Houston, factory representative, who was one of the 71 who ran for Lyndon Johnson's Senate seat last year.

Republican line-up for the House and Senate seats is imposing. Fourteen Republicans are campaigning for 10 of the 31 Senate seats. And 74 Republicans have filed for 70 of the 150 representative offices. Two already are members of the House.

Valley Freeze Creates Food Shortage

Agriculture workers "frozen" from jobs by the recent freeze in the Valley caused a stir of activity in the commodity distribution division of the State Department of Public Welfare.

Division Director W. M. Herndon has just returned from two trips to the Valley to talk to the county commissioners in Cameron, Zavala, Willacy, and Hidalgo counties. There, the need for emergency distribution of government surplus foods is desperate.

DPW is distributing food for 5,000 in Cameron County, 4,000 in Willacy County, and 2,500 in Zavala County. Also it is adding 20,000 people to the program at Hidalgo County, which provides food for 600 needy people on a regular basis.

Most commissioners look for the emergency to end within 30 days when business in that area is expected to recover.

University Housing Battle

Attorney General Will Wilson has more windmills to tilt at than Don Quixote.

In his "spare time," he's fighting five opponents in the governor's race.

On a current job basis, he's engaged in a battle with the University of Texas' Board of Regents and the three outside attorneys UT hired to defend the school in a housing suit brought by Negro students.

Wilson, as attorney general, also is defending the University and mightily opposing the intrusion of outside help. He filed a brief, citing Supreme Court ruling and legislative authority to prove his contention that only the attorney general can represent the state in appellate courts. UT's private attorneys pointed to another regents' case where they noted "with much interest that a distinguished array of counsel headed by former Gov. Dan Moody represented the Board of Regents."

Wilson produced evidence that Governor Moody was the Attorney General of Texas at the time of the suit referred to, and the "distinguished array of counsel" were his assistant attorneys general.

Sales Tax Rulings Keep Coming

Governor Daniel's announcement that he hopes to amend the sales tax structure probably caused groans in the Comptroller of Public Accounts' office, where they're constantly busy interpreting the two per cent sales tax as it now stands.

Most recent interpretation involves advertising agencies that finance their operation on a 15 per cent commission basis, rather than by charges.

Comptroller ruled that the tax does not apply to intangible services and therefore excludes the commission from taxation.

But clients must pay tax on drawings, paintings, lettering and printed matter, and with the fantastic volume of this type of production involved in a campaign year, the state ought to net a fair-sized income from advertising agencies.

Texas Crime on Upswing

Col. Homer Garrison Jr., director of the Department of Public

HAM ROLLS FILLED with quick-frozen whole green beans—those aristocrats of frozen vegetables... make a delicious and easy-to-fix luncheon or dinner dish. Cheese sauce gives added protein and slivered almonds a crisp touch of elegance.

- HAM AND GREEN BEAN ROLL-UPS**
- 1 package (9 ounces) quick-frozen whole green beans, cooked and drained
 - 6 thin slices pre-cooked ham
 - 2 tablespoons (about) prepared mustard
 - 2 tablespoons butter
 - 2 tablespoons flour
 - 1/2 teaspoon salt
 - 1/2 teaspoon pepper
 - 1 1/2 cups milk
 - 1/2 cup grated Cheddar cheese (optional)

Divide whole green beans into 6 portions. Spread each slice of ham lightly with mustard; roll up a portion of the beans in each ham slice. Arrange rolls in a shallow 6x10-inch baking dish. Meanwhile, melt butter in a saucepan. Add flour and seasonings and blend. Add milk; cook over low heat until thickened and smooth, stirring constantly. Add grated cheese, stirring until blended. Pour over ham rolls and sprinkle with almonds, if desired. Bake in a moderate oven (375° F.) until hot and bubbly. If desired, brown lightly under broiler. Makes 3 servings.

Safety, stated that major crime in Texas increased 2.2 per cent in 1961 over 1960, with an estimated 203,285 offenses for the year.

Murder and homicide cases increased from 1,080 to 1,808; theft from 108,869 to 117,619; rape from 1,196 to 1,264; and aggravated assault from 12,128 to 12,166.

Garrison said this means that in Texas during 1961, "there was a murder every eight hours, a rape every seven hours, an aggravated assault every 43 minutes, a robbery every 10 minutes, a theft every four and one-half minutes."

He said it also indicates a 60 per cent increase in major crime in the state since 1955.

Mrs. J. W. Byrd, missions chairman, gave a report on Latin-American countries and announced two current studies "The Land of Eldorado" and "The Crusaders".

Announcement was made of the World Day of Prayer to be observed by the churches of the community at the Presbyterian Church Friday, March 9.

A call has gone out for used and outgrown clothing to be shipped for overseas relief.

Mrs. R. A. Gallin, moderator led the Bible lesson taken from James 3:1-12 titled "The Tongue Though Little, Is Powerful". She also led the dismissal prayer.

Mrs. J. D. Nichols, hostess, served cake, coffee, and tea.

Also present were Mmes. L. W. Welch, E. H. Jessup, Sid Harkins, W. H. Savage, and E. E. Farley.

Brownie Scouts Have Valentine Tea For Their Mothers

Troop 5 Brownie Scouts, honored their mothers at a Valentine tea Tuesday afternoon in the Scout Hall. Mrs. H. M. Petty and Mrs. Carlton Smith are the leaders.

Red roses and carnations were in a milk glass bowl on the table which was covered in a red cloth. On one end of the table was a white Valentine tree with red felt hearts forming the background for each Scout's photo.

Red hearts and flowers decorated the plates and napkins, a project of the Scouts.

Hot spiced punch and assorted cookies were served.

Mrs. J. A. Gilbreath Is Hostess For Tuesday Club

Mrs. J. A. Gilbreath was hostess for the meeting of the Tuesday Bridge Club this week. The Valentine motif was used in the decorations and refreshments with an unusual centerpiece for the dining room table being furnished by Mrs. S. L. Stumberg.

In the bridge games, Mrs. J. T. Williams won high score prize. Mrs. Fred Barrett was second high with Mrs. Austin Chriesman and Mrs. Hugh Rose holding the slam prizes. Others present were Mmes. C. I. Hunn, C. H. Robinson, Willie Banner, Bustin Caron, John Harrison, Gene Litton, Austin Nance, Jack Riggs, Roger Rose, S. H. Underwood, G. E. Babb, and Weldon Cox.

Culture Club Officers Meet

There was a called meeting of the officers and department chairmen of the Sanderson Culture Club last Saturday morning in the dining room of the Oasis Restaurant. Mrs. C. F. Cox, president, called the meeting for the making of annual reports.

Coffee, tea, and sweet rolls were served.

Also present were Mmes. W. H. Savage, H. E. Ezelle, L. G. Hinkle, S. D. Harrison, R. A. Gatlin, F. E. Curry, L. H. Gilbreath, W. J. Murrain, John W. Byrd, and N. M. Mitchell.

Mrs. S. J. Burchett was in Alpine for medical treatment for several days last week and visited with her daughter, Mrs. Sue James, and her sister, Mrs. V. W. King, and family. Mr. Burchett and Mrs. Sue James will take her to Houston Saturday and she will probably undergo surgery there.

Mrs. H. E. Ezelle Is Hostess For Duplicate Club

The Duplicate Bridge Club met Thursday afternoon in the home of Mrs. H. E. Ezelle. Cherry-almond torte was served with coffee and iced tea preceding the games.

Mrs. James Caroline made high score with eight and one-half match points and Mrs. S. H. Underwood was second with seven and one-half points.

Others present were Mmes. A. J. Riess, Virgil Franks, John Huey, M. W. Duncan, and Carlton Smith.

B. of R.T. Auxiliary Meets

The B. of R.T. Auxiliary met Monday afternoon in the basement of the Masonic Hall in regular monthly business session.

Plans were made for the annual anniversary banquet which will be on Monday, March 19.

After adjournment, the members went to the home of Mrs. F. G. Grigsby where cake and coffee were served.

Also present were Mmes. A. C. Garner, H. E. Ezelle, Dick Sullivan, Gene Litton, and Ed Robbins.

Al Thornberg Jr. Has Surgery

Mrs. E. H. Jessup received word yesterday that her son-in-law, Al Thornberg Jr., of Omaha, Neb., will be in the recovery room for at least 30 days following surgery last week when 69 per cent of his lung was removed. Later he is to undergo surgery on his other lung.

He is in the Great Lakes Naval Station Hospital in Great Lakes, Ill.

Mrs. R. A. Turner Jr., cashier for the Terrell County Water Control and Improvement District No. 1, is at home for the next two weeks with her son, Mike, who is ill. Jimmy Caroline will work in her place during her absence.

Here's what **QUALITY** has done:

At last count there were 1,499,927 Chevrolet trucks over 10 years old still working—424,381 more than any other make.

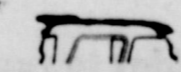

1962 CHEVROLET JOBMASTER TRUCKS

built better...work longer!

When Chevrolet builds a truck, it builds a *quality truck*. This policy makes sense. Chevrolet trucks work a long time . . . cost less than many other makes to operate and maintain over the years . . . consistently bring a higher trade-in price . . . and, as a result, are bought by more people.

We invite you to come in and

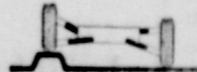

examine this quality closely and to take a 1962 demonstrator out for a good long test drive. Note the cab comfort, the good visibility, the smooth ride, the solid feel of its quality. Compare Chevrolet truck features with those of other makes. Then decide which are your wisest investment. We're sure it will be Chevrolet's.

Note how this Chevrolet cab roof is made of two sheets of metal, instead of one, with a layer of felt in between as insulation against cold, heat and noise.

A Chevrolet truck tailgate is sturdier because it has double-wall construction and strong steel chains in tough rubber casing to support it.

Quality independent front suspension fights road shock more effectively than other types—provides more protection for the truck, load and driver.

The standard 235-cu.-in. 6-cylinder Chevrolet Truck engine has worked more miles than any other. There are nine more engines to choose from.

See your Chevrolet dealer for trucks that keep running and running!

there's not room in the house for all of them, and probably all the motels and such will be full, we are going to have to put them some place. Or go there ourselves and give up our house to the company.

If the storage of food is never needed and the caves are never used for shelter, the dirt out of the caves will go a long way toward leveling up some of this country for a golf course or something like that.

Since all the furor has been publicized about the context of school books — pro and con, we thought it interesting to note that one great educator stated "No man is smart enough to censor a school book." Now that sounds like a real sound statement that would get a lot of "amens" from a lot of people. But not from me. Does not the writer censor? Does not the editor censor? Somebody, some time, censors every book before it's printed.

Range Survey Made On S. L. Stumberg Ranch
A range site and condition survey and forage inventory on the S. L. Stumberg ranch are being completed by the Sanderson work Unit of the Soil Conservation Service. This information, which is furnished through the Rio Grande-Pecos River Soil Conservation District, will be used by Stumberg in developing a long-range plan which will meet the needs of the land for protection and improvement.

Den 7 Cub Scouts Meet
Den 7 Cub Scouts met Monday at the home of their Den Mother, Mrs. Raul Escamilla, for their weekly meeting. Their project for this week was a picture decorated string holder made from an empty salt box. Cubs present were Narciso Lira Jr., Hector Villarreal, Oscar Escamilla, and Rudy Villarreal.

Eagle Band Attends Meet
The Sanderson High School Band attended the band meet in Del Rio last week end and participated in the marching and concert phases of the meet. W. J. Morris, director, stated that there were no places other than first awarded to any of the bands, but Sanderson had 14 of its members in the all-star band.

Juley Purple Plums Enhance Dessert
It's hard to find a better—or more inexpensive—treat than "Society Dessert" to serve at a club meeting in your home. If there's any left over, the family will go for it, too. Graham cracker crumbs form the base and topping for a filling of canned purple plums, chopped pecans and whipped evaporated milk in a lemon gelatin mixture. A luscious purple plum half atop each chilled serving provides an elegant touch. Rich-looking canned purple plums, which have been scarce for the last two years, are now available in good supply in grocery stores to add delightful flavor to many desserts and entrees.

Society Dessert
1 can (14 1/2 oz.) evaporated milk
1 can (1 lb. 15 oz.) purple plums in extra heavy syrup
1/2 cup chopped pecans
2 packages lemon gelatin
3 cups hot water
1/4 cup fresh lemon juice
1 tablespoon grated lemon rind
1 cup sugar
1 1/2 cups graham cracker, ginger or vanilla cookie crumbs
Pour evaporated milk into refrigerator tray; chill until icy cold and partially frozen. Drain plums. Pit and cut into small pieces. Add nuts. Dissolve gelatin in hot water and chill until partially set. Whip until light and fluffy. Add lemon juice, rind and sugar. Whip chilled milk and fold into gelatin mixture. Line bottom of 13 x 9-inch pan with crumbs, reserving 1/4 cup for top. Pour in half of gelatin mixture. Arrange plum mixture over it. Spoon in remaining gelatin and sprinkle with remaining crumbs. Chill until firm. Cut into squares to serve. Garnish with purple plum half, if desired. Makes 15 servings.

Corder. Mr. and Mrs. G. H. Carter and children who were residing in the Hayre rent house on West Mansfield, have moved to the Hayre home on West Hackberry.

Mr. and Mrs. W. M. Keene of Pecos were weekend visitors with their daughter, Mrs. George Turner, and family. A. J. Riess, high school principal, has been out of school all week and is receiving medical treatment.

This is the Ford Fairlane's new Challenger "260" V-8.
There's no other V-8 like it. It's the latest in a series of Ford V-8 triumphs that started back in 1932 when Ford introduced the world's first popular-priced V-8. Today—30 years and 30 million V-8's later—the Challenger "260" adds new fuel to the hottest performance record in V-8 history. It gives you all the time-tested toughness of iron—with a lightness and compactness iron never had before. A muscular 164 hp, this new Challenger "260" V-8 is all snap, sparkle and smoothness. *It runs on regular, yet gives you better gas mileage than any standard-size 6-cylinder car.* Price it and you're in for a surprise—a Fairlane V-8 carries a smaller price tag than some compact Sixes. And, of course, a Fairlane gives you big-car room and fine-car quality you'll find in no other car anywhere near Fairlane's amazing low price. There's never been a buy like Fairlane because there's never been a car like Fairlane; that's why this all-new car from Ford is now out-selling every other "new-size" car!
