there are others that won writein campaigns that were not recgnized as winners. We have always been of the pinion that write-in votes were good votes in any election, and that if good in one election, good

in all elections. The laws governing elections specifically set out and like other laws of the state, are for all of us, and not a separate code of ethics for one group, one occupation, or one person.

Mrs. Maggie Banner Harrell Retires After 48 Years **Pioneer Resident**, With Railroad Dies in San Antonio

Mrs. Maggie Musgrave Banner a pioneer Terrell County resident, died in a San Antonio hospital Monday night. Her body arrived by train Wednesday evening and funeral services were held Thursday morning at 10:00 o'clock in the First Methodist Church of which she was a charter member. Rev. F. E. Curry officiated and burial was ." the family plot in Cedar Grove Cemetery. Born in Floresville November

14, 1874, she spent her childhood days in Pleasanton. She moved with her family to Devil's River where she met her late husband. Wililam Jacob Banner, and they were married in Ozona February 18, 1897. They established restdence in Terrell County in 1900 residing first on a ranch north of Dryden and later moving to Getty's Canyon on the Pecos. They had a town house on West Oak across from the McKnight Motor Co., and it was recently razed. Mr. Banner died in June 1942 and since that time she has made her home with her children, rcsiding in San Antonio in recent years with her daughter, Mrs. Jerry Bell, and Mr. Bell.

Survivors include three son William A. Banner of Sanderson. C. Wilson Banner of Dryden, and Gene Banner of El Paso; the daughter, Mrs. Bell; three grandchildren, Mrs. Jack Turner of Sanderson, Cy Banner of Dryden and Mrs. Odell Brotherton of San Antonio; also seven great grandchildren. She also reared three of her sister's children. Grover, Janie, and Earl King. Pallbearers were Jack Turner. Cy Banner, Jerry and Buddy Monroe, Bill Turner, and R. S. Wilkinson.

Stavley High In Total Points At Iraan Meet

Bill Stavley won high-point honors last Saturday at the Iraan track meet. His individual scoring of 40 points gave Sanderson a second place at the meet losing only to McCamey.

Stavley's high points were for winning the high hurdles, the 440, the discus.

Larry Harrell was third highscorer in individual honors, trailing Kennedy Mosley of Grandfalls - Royalty by only one-half points .Harrell's total of 24 points was for winning the 100 and 220vard dashes.

Stavley, besides winning the high hurdles, the 440 and discus. placed third in the shot put.

Harrell, besides his wins in the 100 and 220-yard dash, was on the 440-relay team, along with Stavley, Dee Gray, and John Robbins

Shower and Hail Falls Wednesday

Two light showers fell in Sav derson Wednesday, one in the morning and one in the mid-afternoon. Some light hail accounpanied the afternoon shower.

Wednesday morning dawned humid and cloudy, with some low clouds or fog lying in the headers of surrounding mountains. The sprinkle fell about 10 30 a.m.

A large dark bank of clouds approached Sanderson from the west and at about 2:30 the hail and light rain fell, the hail lasting only a few minutes and bing light in size and density.

According to area ranchmen. local range conditions are considered bleak and rainfall was badly needed to bring forth the spring weeds and grasses to .nake feed not only for the future but for right now. Earlier outcropping of brush, grass and weeds were nipped by a heavy frost, causing a severe set-back to the early spring growth.

All indications and reports are for a wet spring and summer and stockmen from the entire section of Southwest Texas have anxiously awaited the beginning of such a season

The rain which came to Sanderson seemed to go to the north in the main and moving eastward. As has been heard in these parts on previous occasions: "It ain't going to rain on nobody tha

don't need it-"

absentee ballots had been cast in this election on Wednesday. according to Ruel Adams, county

According to all records, this is an extremely high figure for absentee balloting in general elections, and indicates an excessively high interest in the

posts to be filled Saturday. On the independent school district ballot, the names of five candidates appear: W. G. Downie, Jack Hardgrave,Edward II. Kerr, J. A. Mansfield, and Bob Norred, but not in alphabetical order, as listed here.

Voters are cautioned to mark out at least three names and indicate the two of their choice by leaving those names unmarked. A ballot with more than two names left not marked out will not indicate the choice of only two candidates and thus will be a voided ballot since the judges will not be able to interpret the intent of the voter.

In the balloting for county trustee-at-large, a post now held by John Harrison, the ballot will be blank and will require that a name be written in to express the choice of the voter. The same is true of the balloting for the posts of county board members in precincts 1 and 3, posts now held by G. E. Babb and G. K. Mitchell, respectively.

The ballots for the independent school board members and the county board members are on separate ballots and each qualified voter in all four precincts should receive two separate ballots.

The

. . after last run Willis Harell made his last run

as a conductor on the T&NO last Friday from Valentine to Sanderson. He had been on that run since 1920.

Harrell began working for the T&NO as a laborer in the round house in 1914. He went to work as a brakeman in 1920, and was made conductor in 1929.

He stated that as a laborer he worked from 7:00 a.m. to 7:00 p. m., seven days a week and his wages were \$1.50 for a day's work.

Harrell stated that he has always liked railroading and he remembers many changes in the operation and methods since he began working. He stated that in his early career as a railroader. there was more physical effort during a day's work than now. the meeting. but he felt that the job now was more difficult, since there is more anxiety, and more physical

We saw a report this week to the effect that Jackie's Jaunt cost between an estimated \$400. 000 and \$700,000, not counting the cost of the plane to pick up her gifts. This figure was supposed to have included \$2,000 a week for a personal cameraman besides all the news agency cameramen - to record her trip from a personal viewpoint rather than a newsworthy angle.

We doubt the trip was worth that to the U.S. Government and us tax payers.

We saw her pictures in several mags before the Taj Mahal and on the elphant, etc, and we think the swans in front of the edifice would have been as beautiful without her presence.

And also along the vein of voting and elections, it would seem to us that all of the voters in precincts two and three should get together and elect a precinct chairman in the Democratic Party. The importance of this job is comparable to that of county school trustees. And they are alike in that when they are supposed to do something, it is intportant that there be a person so named and one who will act in his official capacity with some degree of efficiency.

Each of the four precinct chairman make up the county Democratic executive committee headed by the county chairman, and all of them can have some very important decisions to make and they can also be an influential body in dealings with politicians on a state and national level

There are announced candidates for the county chairmanship. and one candidate will be on the ballot in precinct 1 and 4 for precinct chairmanships, but there will be only a write-in line for the posts in precincts 2 and 3.

Mr. and Mrs. J. A. Pulliam of Alva, Okla., arrived Sunday for a visit with their daughter. Mrs. R. A. Turner Jr., and family.

punishment because of the longer trains. Mr. Harrell recalled that it formerly took 12 to 16 hours to make the run to Valentine and it was not uncommon for some employees to carry a shotgun on the train and shoot a mess of quail

or dove en route. He also said that the trips, though long, were more enjoyable than now because there was more fellowship among the train crews and everyone on the crew had many friends all the way between Sanderson and Valentine and were closely acquainted with most of the people in Marathon, Alpine, and Marfa This was due, he said, to the fact that they had meal stops of a longer duration and longer switching stops, etc. Harrell never married and lives in the home he occupied with his parents, the late Mr. and Mrs. Felix N. Harrell, when he was a

child Fishing is the most important hobby to Mr. Harrell and he enjoys working in his yard, also. both hobbies being noticeable at his house which has a well-improved yard and two boats and trailers parked in the back. He is planning his first fishing trip since his retirement and he

says he is going to come back when he runs out of food or when he catches all the fish, whichever comes first. Mr. Harrell said that he con-

sidered all people his friends and that he had enjoyed the acquaintances he had made over the years as an employee of the railroad, appreciating the friendships and holding them very dear. Methodists To Have Conference

Lemons Abstract Co. Moves Offices After Sale To Mrs. Peavy

The Lemons Abstract Co. is moving this week from the present location in the Terrell County court house to the Peavy Insurance Building at 119 Oak Street

The abstract business is among the older businesses in Sanderson which has remained in continuous operation for over a 50year period. It was established in 1905, the year that Terrell County was organized, by the late W. H. Lemons, with Mrs. Lemons operating the business after his death. At the time of Mrs. Lemons' death in 1943, her daughter, Mrs. Carlton White, who had been employed in the office for several years, assumed management of the business.

US 90, & 285 Slated To Get Seal Coating

The Texas Highway Commission this week announced that a contract for \$298,993 has been awarded to the Jones Brothers Dirt & Paving Contractors, Inc., of Odessa

The contract is for 278 miles of seal coat work on highways in 11 counties, including 19.9 miles on U.S. 90 and 10.3 miles on U.S. 285 in Terrell County, District Engineer Archie J. Sherrod of Odessa said the projects are exepected to take about 75 working days. W. A. Davis of Monahans will be the Highway Department Engineer in active charge of the projects.

Correction

In last week's Times, the name of Mrs. W. H. Savage was listed among the teachers who had presented their resignations to the school board. Mrs. Savage, high school English teacher, filed the notice of her intentions to retire with the board on February 1. She will retire at the close of this semester.

For Cancer Society

Mrs. C. P. Peavy has been named chairman of the American Cancer Society's 1962 Cancer Crusade in Terrell County.

The Chairman said that 1962 had been designated as Cancer Progress Year by the American Cancer Society and the National Cancer Institute in recognition of the "remarkable progress made in the last 25 years against cancer in the laboratory, the hospital, the doctor's office and in the

public's attitude. The annual education and fund-raising drive will begin on April 9th and letters will be put in the mail to Terrell County residents this week, asking for contributions

According to figures available. 25years ago about 160,000 persons in the United States were alive. cured of cancer. If present rates continue there should be 1,100,-000 in 1962. This improvement 's due to two major factors:

1. Developments in the research laboratories which have resulted in improved treatment by surgery, radiation, chemicals. 2. Public and professional education, combined with more general use of the best methods of diagnosis, tratment, and prevention, has contributed much to saving lives.

Mrs. Peavy said that over the last few years there has been a pronounced trend toward earlier diagnosis which means a far bettr chance of cure. Some believe that more can be done against cancer through eduaction than against any other disease.

Memorials received by the local unit of the American Cancer Society not only are made as remembrances of those who have died of cancer, or other ailments. but frequently are made in honor of happier events such as birthdays and anniversaries. Each memorial gift is acknow-

ledged with a dignified white card naming the person in whose honor the gift is made. This card is sent to the person designated by the donor. It does not state the amount of the gift. Memorials should be sent to
