MERRY CHRISTMAS

LISTEN TO LUKE

In this week's paper there are many greetings by merchants of Sanderson. These greetings are one of their many efforts to deserve the good will of the people of Sanderson and Terrell County. They are sincerely intended and we and they hope are sincerely received.

We join with our fellow business men in wishing the joys of the season to each and all of you. There is no time like Christmas to make us more aware of the need for increased good will among men. Among all men!

Good will among men is based on admiration, respect, kindness, understanding, interest, usefulness and other kindred attitudes, rather than a blow of force, or threat of a show of strength. We know of no peace among men than was gained by submission of fellow men through one means or another.

Secretary of Interior Stewart Udall made a lot of friends in West Texas recently when he told a vast majority of them that they had temporarily lost their sanity. Under any circumstances, we think such a statement reflects a very narrow attitude that is unbecoming a man in his position and with his responsibility.

No people, regardless of their intelligence, like to be told that they lost their sanity when they voted on any subject. It is no way to earn respect, understanding, and friendships.

We got a note or two from readers who told us of their appreciation of this column last week — sincerely. Now, in our opinion this is the way to gain friendship.

In our efforts at column writing, we know that we are going to say something at times with which a large number, maybe all of our readers will disagree. But we still want their respect and friendship, so we'll not tell them they are crazy for disagreeing.

We appreciate those bouquets we got and forever will be grateful for them.

We print the news this week of the election of three directors to the county's Chamber of Commerce. It will soon be time to pay dues to that organization.

We hope that people will cooperate by paying their dues. There are no immediate projects in mind by the Chamber, and there have been no earth-shaking accomplishments during the past several years. But there has been some good done, and above all, it is an organization that has been kept alive for any time that it may be used in the service of the people of the county within the scope of its possibilities.

There have been times when the Chamber was sorely needed and advantageously used. This week could come up again next week and the organization exists now to be of service.

Support your Chamber because it may be that you will want it to support you.

In another place in The Times there is the story of the coming election for directors of the water district. The incumbents have stated they are seeking re-election.

This is a non-paying job. There is no remuneration whatsoever. There may be other qualified men who seek a post on this

180 Deaths Expected In Holiday Toll

The director of the Texas Department of Public Safety reported that it is estimated 180 persons will meet violent death during the 11-day Christmas-New Year holiday season — 92 of them in traffic crashes.

Col. Homer Garrison Jr. said the estimate is based on past experience over many years. Purpose of the estimate, Garrison said, is to focus public attention on the dangers that accompany the holiday season.

He said that past statistics indicate that in addition to 92 "motoricides", 42 persons will be victims of suicide and homicide, and 46 will die violently in various accidents other than traffic.

The public safety director said that the cooperation of all law enforcement agencies of the state will be sought in a supreme effort to prevent deaths and that a stringent watch will be out for traffic violators during the holidays, particularly speeders.

He asked for the cooperation of the driving public in their efforts to eliminate traffic hazards through careful attention to the laws and join with the Department of Public Safety in their efforts to save human lives.

Mrs. F. E. Cautrell and her daughter, Miss Eva Bentley, will go to San Antonio Sunday to meet another daughter, Mrs. D. E. McPherson, and children who have been with their husband and father in Germany where he is with the U. S. Army.

Phone Your News To The Times

Dear Santa Claus:

Let's take time to look back over 1962. It really was a pretty good year — fair weather, some rain, and not too many dreary days.

My folks celebrated their golden wedding anniversary and we really had a wonderful time.

I have so much to be thankful for that one day of Thanksgiving is not enough. My customers are so loyal that getting up an order gets easier as the years go by. Really you should consider getting Mrs. Santa Claus an Avon territory when you retire. San-erson is an ideal place for you. We have the friendliest, kindest, most wonderful people on earth and you'd love it as I do.

Do hope this Christmas will be an old-fashioned one — with time for singing carols, visiting with old friends and enjoying the blessings of this Christmas season.

As ever,

Louise Causey

Mr. and Mrs. Ray Robinson of San Antonio are visiting her parents, Mr. and Mrs. J. T. Williams, and family through the holidays.

Mrs. R. A. Turner Jr and Mrs. L. P. Flammang with Larry and Mike Turner and Roxann Flammang were business visitors in Fort Stockton Saturday.

Austin — Study committees for the Texas Legislative Council — official bill-drafting body for the state — offered these recommendations to the 58th Legislature.

1. That the attorney general's job be limited to a "strictly legal" capacity by removing him from all ex-officio memberships on boards and commissions, except those created by the Constitution. He now serves on 14 boards, in addition to his duties as attorney for the state.

2. That health and accident insurance firms be required to refund premiums if the insured asks to cancel within 10 days after he receives his policy.

3. That state agencies be prohibited from denying jobs on the basis of age, except for certain law enforcement posts. A study revealed a great age barrier in most industries, with a special problem for workers in the 40-55 age bracket.

4. That the Legislature consider granting greater autonomy to local governments and that it remove from the statutes county and city laws no longer in force or effect.

5. That county officials convey court-committed, mentally ill patients to state hospitals immediately and not hold them in county jails.

Eleven committees offered some 50 pages of suggestions to the council. Many of the bills proposed already have been drafted.

Student Costs Upped
Committee of Governing Boards of State Colleges and Universities endorsed the Commission on Higher Education's recommendation for an increased

budget for the next two years.

But they also saw an even larger need.

Chairman J. M. Odom of Austin said he considered as "conservative" the commission's request for \$33,000,000 in additional funds to meet increased enrollment in the state's 20 colleges and universities. He said \$36,000,000 is a more accurate figure.

Auto Tag Metal

A contract for 2,200 tons of steel for 1964 automobile license plates has been made by the State Board of Control.

Sam G. Cook, chief of the purchasing division, said the contract for \$380,811.20 was awarded to Granite Steel Co. of Illinois, through its Dallas office.

Cook noted that in spite of rising costs, "that figure is about \$2 per ton less than last year".

Manufacture of the 1964 plates will begin about February 1, 1963, with convicts in the Texas Prison System doing the work, Cook said.

College Spending Urged

A proposed additional outlay for higher education is overshadowing Legislator hopes for a session free of tax increases.

A jump of \$83,700,000 in spending on state colleges and universities in the next two years has been recommended by the Commission on Higher Education.

Commission says the additional funds would go for increases desired by the commission's staff, and supplemental appropriations for maintenance and cus-

todial services for new buildings to be completed in 1963-65.

According to the commission, more money also is needed for teachers' salaries for the anticipated enrollment increases during the period.

Mrs. L. G. Hinkle Leads Program For Methodist WSCS

The Methodist Women's Society of Christian Service met Monday afternoon in Fellowship Hall in monthly business session.

During the business session, the group voted to take the painting of the hall as a project for the year with other alterations being discussed. Consideration was given to the matter of a class of instruction, to be taught by the pastor, pertaining to the projects and agencies supported by

the Methodist Church.

Mrs. L. G. Hinkle led the program titled "Gold, Frankincense and Myrrh." "Joy to the World" was sung to open the program and Mrs. W. O. Ray led in prayer. Mrs. L. R. Hall discussed "Gold", Mrs. M. W. Duncan "Frankincense", and Miss Eva

Billings "Myrrh". Mrs. H. C. Goldwire read the Bible passage.

A duet, "Come Ye Here in Adoration" was sung by Mrs. Irvin Robbins and Mrs. H. M. Petty, with Mrs. Hinkle playing piano accompaniment. The Mizpah Benediction dismissed the meeting after a group of Christmas carols had been sung.

Pictures were made of individuals and groups around the worship center. A tall white candle was in the background of an arrangement of red pyracanthus berries, pine boughs, and cones. Figurines of the wise men bearing their gifts to the Christ-child and their camels were on a crushed red velvet cloth.

Nylon net dish cloths stitched in red made the background for Christmas corsages which formed a beautiful tree which decorated a table and the corsages were later presented to each one present.

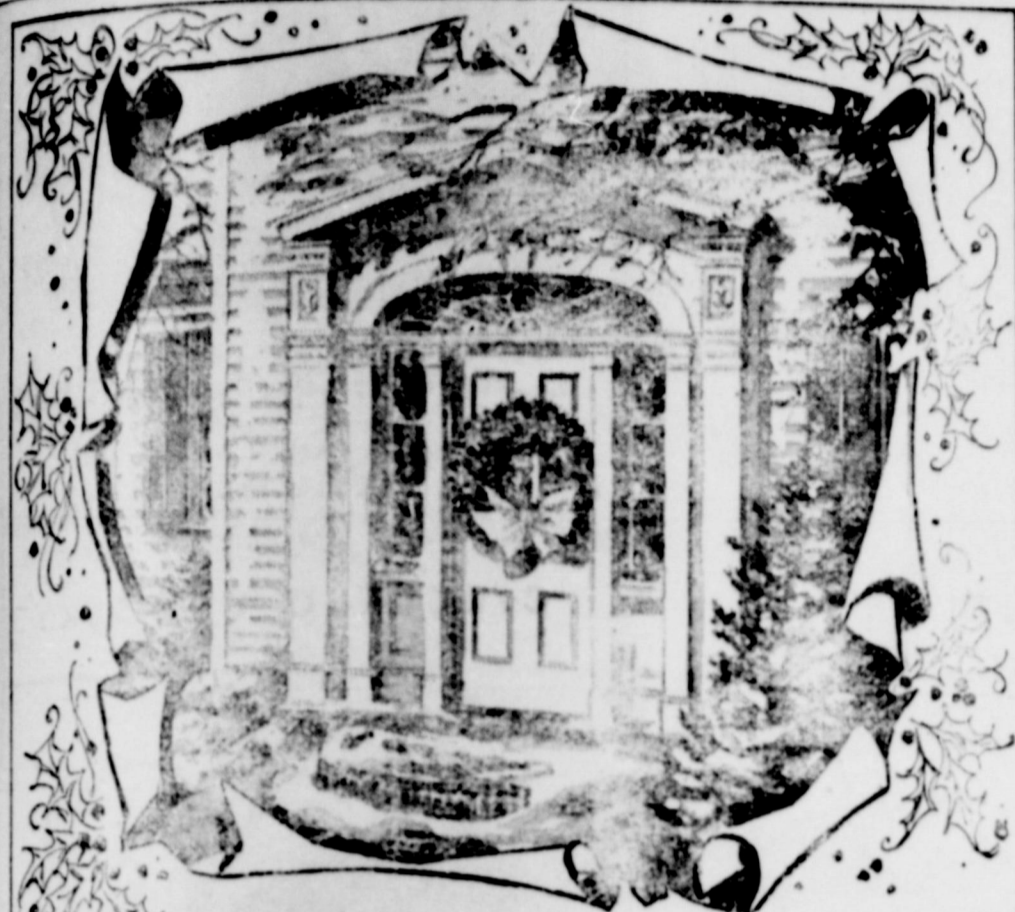

The tea table, covered in a lace cloth, had a centerpiece in the Christmas motif and was further decorated in the corsages and green grapes arranged with a red velvet streamer. Mrs. Petty served Noel salad loaf and Miss Eva Billings presided at the silver tea and coffee service. Assorted cookies and nuts were also served. Mrs. Clyde Higgins was the hostess.

Canned goods and other groceries were brought for a large basket for a needy family.

Also present were two visitors. Mrs. R. D. Treloar and Mrs. Lee Grigsby, and Mmes. M. W. Duncan, C. H. White, F. E. Curry, L. H. Gilbreath, Paul Hatem, W. F. Frazor, W. T. Attaway, Will J. Murrain, and C. F. Cox.

Mrs. Greene Cooke went to San Antonio last week end and her daughter, Miss Peggie Cooke, University of Texas student, met her there.

Mrs. B. F. Martin spent Monday in Marathon and Alpine with her daughter-in-law, Mrs. B. E. Martin.

Brownie Scouts and they demonstrated an old Mexican custom of breaking a pinata. There was much fun and laughter as blindfolded contestants armed with long sticks struck at the pinata which finally broke, scattering the goodies which were in it and ending in a scramble for them. Mrs. L. G. Hinkle played "The Pinata Song" for background music.

The Scouts were seated at a table covered in a poinsettia trimmed cloth with a silver tree for a centerpiece where refreshments were served to them.

The tea table was covered in a green felt Christmas cloth trimmed in Christmas motifs and over it was a red net cloth bound in green satin. The centerpiece was a large white spiral styrofoam Christmas tree surrounded by kumquat leaves and trimmed in tiny rosebud light and gar-

lands of small lighted roses. Tall white tapers were on either side. Mrs. Byrd presided at the silver tea and coffee service and Mrs. F. E. Curry served mince-meat and cranberry pies. Also present were Mes. A. D. Brown, E. E. Farley, W. F. Frazor, H. C. Goldwire, R. A. Gatlin, and N. M. Mitchell.

Feasts

Many foods for Christmas feasting have been traditional since early days of Yule merry-making, although roast peacock, the feature of the feast in medieval England, is rarely, if ever, seen today!

Mince pie, with its spices and fruits, is said to symbolize the riches of the East, from which the wise men came.

Legend says plum pudding began when an English king and his men were lost in a forest on Christmas Eve. The cook used foods he had on hand, including part of a stag, plums, eggs, flour, to make a single dish all could share.

Bells

Ring bells in churches, for solemn and glad ceremonial occasions, goes back to about 7 A.D.

In early Britain church bells tolled for an hour on Christmas Eve, announcing to Satan the coming of Christ. At midnight, joyous peals heralded Christ's birth.

TELEPHONE TALK

by Jim Brewer, Manager

Know who made the first Christmas tree lights? The two boards was "Peace on earth — find it fast in the Yellow Pages."

Well, considering the name of this column, the answer shouldn't be too much of a surprise — a telephone man. Here's how it happened:

Back in the early 1900s, Ralph E. Morris' little boy crawled under the Christmas tree, upset one of the wax candles and singed his hair. Morris promptly announced there would never be another flame near a Christmas tree in his house. Then, he got to thinking and remembered the switchboard down at the telephone office and how, at certain times of the day, it often reminded him of a Christmas tree.

So what did he do but buy several dozen switchboard lamps which he then soldered to wires to make a string of lights. He used colored paper to cover the lamps, and so it was — the first electric lights on a Christmas tree!

Too Bad You Can't Find It There

I read the other day about an unusual message that resulted when a storm tore away part of a Christmas billboard greeting. Underneath the greeting, part of a Yellow Pages billboard was revealed. The combined message of

Well, you can find a lot of things in the Yellow Pages and save yourself a lot of time and walking. It's just too bad the Yellow Pages can't lead us to that most wonderful commodity... peace.

What Do You Think Of?

When someone mentions the word "Christmas" to you, what do you think of? Shepherds on a hill... a bright star in the sky... mistletoe... I'm Dreaming of a White Christmas... holly... trees... gifts... children...

If you're like me, you think of all those and more. You also think of people you care about. Your folks, close friends, far-flung relatives, all sorts of people you've grown to know and like.

I hope you'll be able to be with your folks and friends during this holiday season. Still, if the miles keep you apart — remember you can get together by telephone.

One Last Thought

The surest way to have happiness and peace of mind is to give them to someone else.

Happy holidays from all of us at

board, but we know of no one who has done a finer job than those men who have served in that capacity since the inception of the Water District. And we know of no one who more deserves the vote of confidence than do these two young men. No, the district doesn't belong to them, nor does the job they have. But in our opinion, they are taking care of the business of the district like it did belong to them, and that is what we like, because they seemed to have used common sense in taking care of their own affairs.
