

By now, all of the leftover dressing from Thanksgiving dinner has been consumed, all that was left of the turkey or chicken has been devoured, in many different "leftover" styles, perhaps, and it's time to think seriously of Christmas. Yes, Christmas will be here before long, although our weather this fall would lead you to believe it's still a long way off.

We've had a near-perfect fall harvest season. The cottons are now beginning to get behind, as the county's number two fall crop rolls to market.

After two weeks, the assassination of President Kennedy has moved from the state of "shock" which gripped the nation at first to one of acceptance, and returning to normal.

It's still hard to fathom that we're living so close to such a tragic historical deed. When you hear an announcer say something about the "assassination," you get the feeling that here is someone talking in everyday tones about something which will fill history books in the future.

Many people have commented about the sadness of the birthday of John Kennedy, Jr. falling on the date for the funeral of his father. This was a bit more personal at our house, since our three-year-old was born the same day that John Jr. was.

It sort of took away the laugh that we had at the time -- how our new arrival didn't get near as much headlines as the birth of John Jr., which stole the show that day.

We received the following letter recently from David T. McVey, vocational agriculture instructor at Friona High School.

We thought it was very appropriate, and so are reprinting it for all to see. McVey entitled it "An open letter to the Girl Scouts of Friona."

Dear Girl Scouts:  
I read about your memorial service to veterans in a recent Friona Star. It is with great appreciation that I write this letter to you and your leaders. Such an act has become insignificant to many, and quickly forgotten by some. To you, Girl Scouts, it is for you and your kind that we, the veterans of the wars, endured hardships and made sacrifices. We were interested in your future and that of our then unborn children. I, for one and I probably speak for many, cannot let your type of remembrance go unnoticed. Your long life of freedom is now our pleasure.

Thanks,  
David T. McVey  
(A veteran)

Now some people are claiming, just as they did after last year's referendum, that the wording on the poll tax amendment which was defeated November 9 was confusing, so that some voters may have thought they were voting "for" or "against" the poll tax, rather than for or against an amendment to repeal the tax.

This may be the case, but we would point to the fact that the only amendment which carried (increase in welfare assistance payments) was passed by a 330,922 to 192,050 margin, very similar to the vote (316,775 to 243,120) by which the proposal to ban the poll tax was defeated.

We submit that of all the amendments, the welfare increase must have been the one which found a tender spot with the voters. We don't think these same voters would become utterly confused while voting on another amendment on the same ballot.

Then, too, if a person is so naive as to cast his vote without reading the proposition through, then he has no business voting in the first place. This is a "dangerous" voter, and if the poll tax will guard against this type, we say let's start a movement for all the states to have them, rather than let the other states force Texas to abandon the tax, just because they don't have it and don't believe in it.

**SIGNS OF CHRISTMAS . . .** One of the sure signs of Christmas in Friona is the Modern Study Club's Christmas Card project, where money usually spent for Christmas Cards is donated, to benefit Parmer County Community Hospital. Deadline for donations, which are accepted by Friona State Bank, is December 20. Shown putting up posters are Mrs. Guy Latta, project chairman, and Mrs. Ernest Osborn, committee member.

**CHANCE TO ADVANCE**

**FFA Teams Seek Area Honors At Plainview**

Leadership contest teams of Friona High School's Future Farmers of America chapter will compete in the Area I contests Saturday at Plainview, with a chance to advance to the state finals riding on the outcome.

Three teams will compete in the six contest divisions from

**New Pastor Is Announced**

Paul A. Mohr, 37, is the new pastor of Friona's Union Congregational Church. Mohr comes to Friona from Albuquerque, where he was pastor of the Church of the Good Shepherd there. He has had two other pastorates in Texas, at Riesel and Marion.

A graduate of the University of Texas in 1946, Mohr attended Eden Theological Seminary in St. Louis, Mo. He is a native of Coupland, Texas, near Austin. Mohr has been a member of Lions and Optimists clubs.

"I feel my first obligation is to conduct a meaningful worship service, with a sermon that stimulates thinking; secondly to be of service to the members of the church and thirdly, to be of service to the community in any way that I can," Mohr states.

**Club Offers Shotgun Prize**

The Friona Booster Club will give away a 12-gauge Browning Automatic shotgun at its next regular meeting Monday, December 16, announces Jay Claiborn, president.

Claiborn states that tickets for the gun, which are selling at \$1 each, may be purchased from Booster Club members. The meeting December 16 will be at the high school auditorium. Coach Baker Duggins is to bring a program following the drawing.

After the next meeting, the club has announced that it will meet just once monthly, on the first Monday of each month.

Friona, having won the right to advance to the area contests by placing first in the district contests some three weeks ago. Only first-place winners are eligible to advance, both at the district and area level.

At Plainview, the Friona teams will be competing against teams from all classifications, representing the entire Texas Panhandle, and as far south as Slaton. They will compete against teams from such schools as Lubbock Monterrey, Abernathy, Frenship, Hereford, Tulla, Wellington, Lakeview, Dumas, White Deer, Follett and Hart.

Each of the contest divisions will have six teams which won their respective district contest. There 16 FFA chapters in the Littlefield district, which Friona represents, and some 92 chapters in Area I, which is the largest in the state.

Teams entered in the area contest from Friona High School will be in Senior Farm Skills, Junior Farm Skills and FFA Quiz. Last year the local chapter took four teams to the area contest and won two first places. One of these, the Senior Farm

**Teams Compete In WT Tournery**

Both the Friona Chieftains and Squaw basketball teams will be in action tomorrow and Saturday, in the West Texas State University Basketball tournament.

The Chieftains will square off against Hereford at 4 p.m. tomorrow in the first game of the tournery, followed directly at 5:30 p.m. by the Tulla-Friona girls game.

Friona boys could be hampered somewhat by the fact that three starters may be missing from the lineup. They are juniors Larry Buckley and Dale Milner, and sophomore Gene Weatherly. Because of failure to meet grade requirements by Friona High School, they may be unable to leave school early, which will be necessary because of the 4 p.m. starting time of the game.

Coach C. W. Dukes said that since Buckley's replacement, Wayne Jones, is also on the list, he may be forced to do some further shuffling, with sophomore Travis Graves probably starting at the pivot position. Senior Gary Renner will probably see more action also.

Dukes said he expected Hereford to be about the toughest team in the tournament.

For the Squaws, it will mark their first meeting with rival Tulla since they nipped the

**THE FRIONA STAR**

VOLUME 42, NUMBER 10 14 PAGES SECTION 1

**GOAL \$7,000 United Fund Kicks Off Annual Fund Drive Here**

The Friona United Fund Drive for 1963 had its annual kickoff breakfast at the Methodist Church at 6:30 a.m. today. The goal for the United Fund has been raised this year from \$6,000 to \$7,000 so that the community as a whole may participate in the Foreign Exchange Student Program.

In the past most of the money for this program has come from the student body, but \$1,000 has been allocated for the Foreign Exchange Student Program from the United Fund this year.

This is the fifth year that Friona has been participating in the United Fund. The money collected in Friona will be spent by the various organizations in the following ways:

1. Girl Scouts -- This money is spent on workers for girl scouting who help Friona workers organize and plan the work for the girl scouts.
2. Boy Scouts -- this money is largely spent on projects like Camp Don Harrington so that any boy wishing to go to camp may go for a very reasonable fee.
3. Red Cross - 40 per cent of their allotment stays in Parmer County to help with emergencies that occur in the County and for County residents who apply to the Red Cross for assistance when they are traveling.

4. Salvation Army Service Unit -- This is a local unit of volunteer workers who assist indigents with physical necessities. Many times the volunteers may acquire the services

required at a discount because of their connection with the Salvation Army, e.g., Bus fares may be purchased for 20 per cent off for Salvation Army needs.

5. Texas United Fund -- This fund is used in Texas in various ways. One example; This fund enables Texas medical students and researchers to do research in heart, cancer, hearing and many other fields of medical inquiry.

**NEW MANAGER . . .** Co-owner and new manager of Friona Lanes is Eddie Irwin, formerly of Morton. Other owner is W. H. Graham of Farwell.

**EDDIE IRWIN MGR. New Owner, Manager Announced For Lanes**

Friona Lanes, Inc., has undergone a change in ownership and management.

Ed Hicks, who owned the business, has sold it to Eddie Irwin of Morton and W. H. Graham of Farwell. The change was made effective December 1, and Irwin took over management of the firm Monday morning.

In making the announcement, Irwin said, "We feel that Friona is a sound, prosperous, growing community and that bowling has a good future here."

"Friona is fortunate to have a bowling house that is far above the average for communities of this size, and we feel that the business will play an important part in the recreational and social life of the community and our trade territory."

Irwin is publisher of The South Plains Kesting, a weekly bowling paper, and has owned

and edited the sporting publication for three years. He is a former editor and co-owner of the Morton Tribune, a weekly newspaper.

Until his Friona assignment, Irwin was also employed on a part-time basis at the bowling lanes in Morton.

Irwin has a wife and three children but will not move the family to Friona until school is out. He is now living at a local motel.

Friona Lanes was built in 1960. Ed Hicks, then of Muleshoe, who had an interest in Tri-County Lanes there, was instrumental in building the Friona business, and was joined by Dean Bingham and Doyle Elliott in financing the business.

Hicks and his associates incorporated the venture and erected one of Friona's largest

(11,250 square feet) business buildings. The investors went "first-class" all the way with a modern brick, tile and steel building.

Twelve lanes were installed and AMF equipment was chosen. The business featured a snack bar, nursery and ample spectator seating as well as bowling lanes.

Hicks purchased the stock interest of Bingham and Elliott last year and became sole owner. He also purchased the snack bar equipment which had been leased.

Hicks sold Friona Lanes to devote his full time to selling real estate. He is associated with Joe Douglas at Douglas Land Company and says that activity will require his full attention.

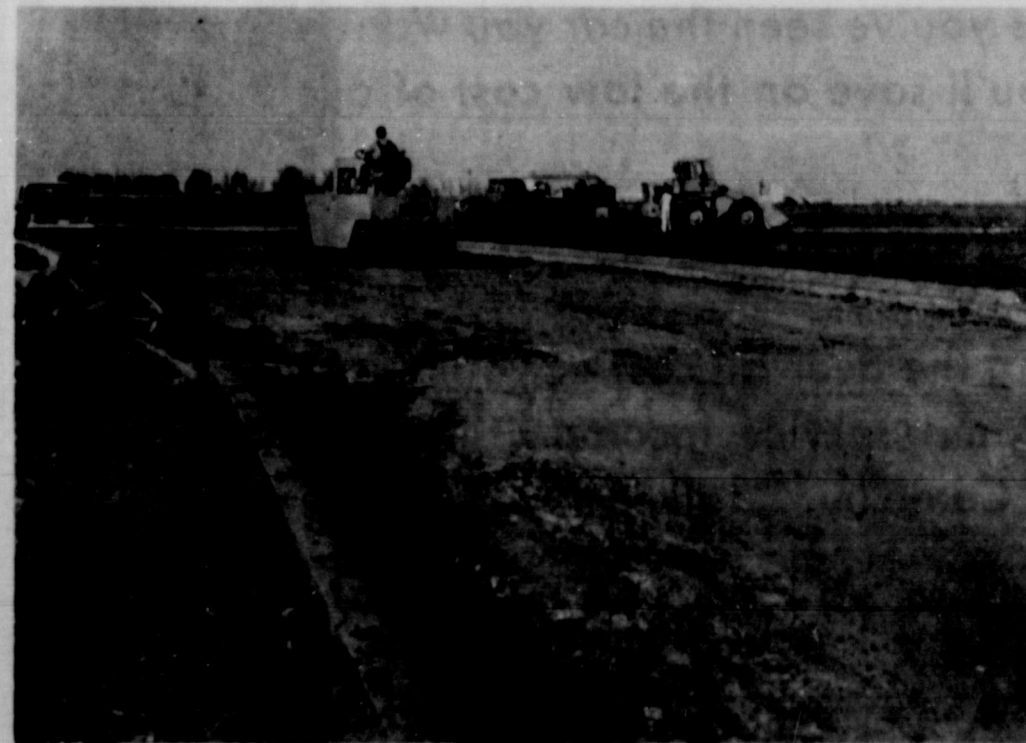

For a time this year it appeared that Friona Lanes might be closed. It was closed during the summer months of 1962. Irwin says he and Graham feel that Friona needs and the area will support a bowling establishment.

The new owners indicate they hope not only to rekindle an interest among bowling groups and individuals who formerly enjoyed the sport, but they feel that new bowlers, especially young people, can be introduced to the game.

"Bowling is the No. 1 indoor sport in America," says Irwin. "It's one of the few sports that is competitive but yet can be participated in by everyone. Bowling can fill the need not only for social contact and recreation, but it has important health benefits as well."

"It's a good, clean, sport, and we intend to run a good, clean bowling establishment," he added.

See an advertisement in the Farm and Home section for further details.

**NEW PAVING . . .** Work is progressing rapidly on the new paving project in Friona. Workers are shown preparing the base for extension of streets in Staley Addition Number three in western Friona, as curb and gutter have already been installed. Work is also progressing in the Drake addition. Two other full blocks have been secured for paving in town, and several "leave outs" are to be paved while the construction crew is here.

## SECOND SIX WEEKS Seventy-Seven Named To FHS Honor Roll

A total of 77 students were on the honor roll announced by Friona High School principal Raymond Cook for the second six-week period of school. The number compared to 72 who made the list the first six weeks. Eleven made the straight-A list. They included Myrna Bennett, Dennis Howell, Nan Lillard, Lois Moyer, Karen Osborn, Manuel Pacheco, Tex Phipps, Tommy Sherley, David Smith, Terri Lynn Wilson and Mike Wooley.

Others on the list included: All A's with One B: Madalyn Binger, Billy Burton, Brownie Cole, Don Collier, Linda Fallwell, Patsy Hough, Dianne Jennings, Gail McGlothlin, Cheryl Neil, Rex Nelson, Gary Renner, Janet Stevick, Shirley White, Lynn Wilson, Mary Ethel Wilson, Mickey Wilson.

A's with Two B's: Pat Burton, Lyda Buske, Jerry Cass, Jerry Coker, Julia Dennis, Lonnie Ellis, Dennis Fallwell, Randy Farr, Janice Goggans, Travis Graves, Darla Howell, Jim Bob Jones, Sheryl Long, Janie Lovett, Martha Martin, Portia McGee, Linda Outland, Lynn Phipps, Joyce Rodgers, Mike Smith, Robert Stewart, Diana Taylor, Darlene Wilson. A's with Three B's: Cathy Bailey, John Baker, Lou Cochran, Carolin Guinn, Carolyn Herring, Frieda Floyd, Judy Phipps, Eric Rushing, Jimmy Snead, Carol Struve, Monte Welch, Kenneth White. A's with Four B's: Susie Carmichael, Sharon Dean, Brian Evans, Eldon Long, Merylene Massie, Roger Nelson, Ann Prewett, Connie Schlenker. All B's, One A: Terry Fite, Shirley Phipps, Becky Turner.

## Maurers Attend Show

Mr. and Mrs. Carl Maurer were among three thousand Minneapolis - Moline dealers and their wives who attended a farm machine show in the City Auditorium in Minneapolis recently.

More than 100 new tractors and farm implements were

shown. The Maurers also visited in the home of the R. E. Cleavelands at Anamosa, Iowa. Mrs. Cleaveland is the former June Maurer.

Hogs need adequate amounts of water during the winter or they will limit their intake of feed.

**Immanuel Lutheran Has Ground-Breaking**

Immanuel Lutheran congregation, Rhea Community, broke ground for a new church edifice on Thanksgiving Day, in connection with the morning worship service.

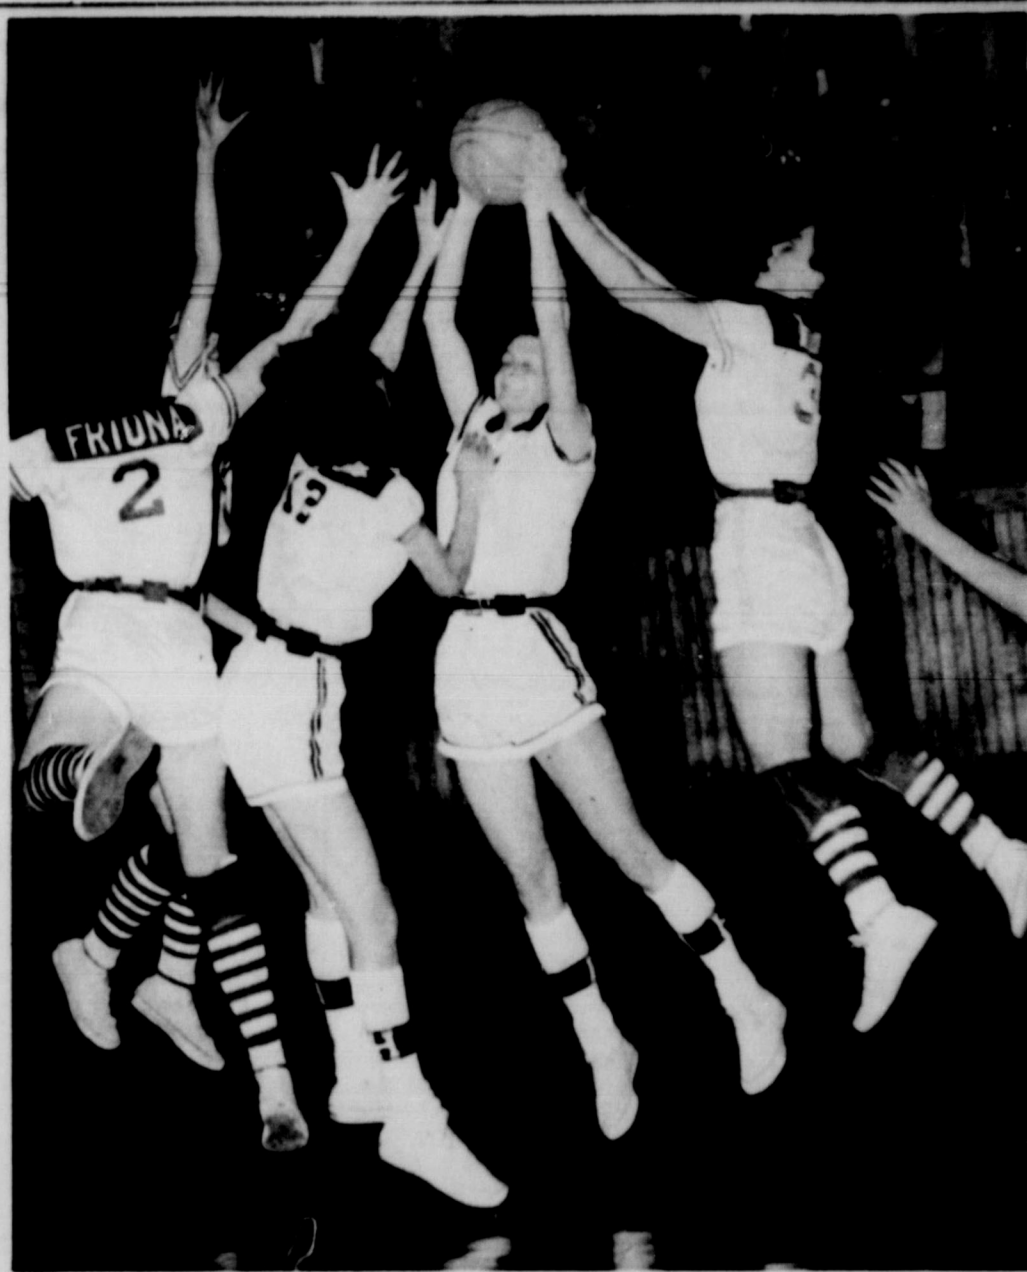

**BREAK GROUND . . .** Shown during ground-breaking ceremonies at the Immanuel Lutheran Church at Rhea are, left to right, Chris Drager, Franklin Bauer, Rev. E. A. Binger, Raymond Drager and Bernhard Binger.

First to use the ground-breaking spade was Franklin Bauer, chairman of the Building Committee. He was followed by Chris Drager and Raymond Schueler, the other members of the building committee.

Also taking their turns to break ground were: Robert Schueler, Herman Schueler, Roy Zieschang, Gilbert Schueler, Walter Schueler, Herbert Schueler and Robert Schueler Jr.

The new church building will be erected directly west of the old building. Phillips Bros. of Amarillo, the contractors, will begin construction within a few days.

Mrs. Glenn Floyd and daughters, Frieda and Susan, visited in the home of Mr. and Mrs. A. R. McCown at Erick, Okla., Saturday and Sunday. The McCowns are Mrs. Floyd's parents.

**BATTLE FOR BALL . . .** Some five players went for this loose ball in the Friona-Happy girls game. Friona players are Merylene Massie on the far right, and Glenda McClellan on the left.

Firemen Have Two Farm Fires

Two tractors were damaged in butane fires on Monday and Tuesday of this week.

On Monday, the Friona Fire Department was called to the Dalton Caffey farm nine miles south and four west of Hub, to put out a fire on a tractor belonging to Deon Awtrey.

Tuesday, the firemen went 10 miles northwest of town where a blaze did about \$150 damage to a tractor belonging to Clarence Martin.

Ashford Hill Buried Here

Funeral services for Ashford Hill, who died at his home Thursday, were conducted from First Baptist Church Saturday, with Rev. Audye Wiley officiating. Rev. Bill Burton assisted. He was born December 22, 1893, near Eureka, Kansas, and moved with his parents, one brother and five sisters to a farm near Gage, Okla. in 1905. He was married to Carrie Nadine London at Woodward, Oklahoma, Dec. 8, 1923. The couple moved to a farm near

Friona in 1930 and have lived there since that time. Survivors, besides his wife, include one brother, Quimby Hill, Miles City, Montana; four sisters, Mrs. R. O. Schaub, Fort Collins, Colo., Mrs. E. H. Ball, and Mrs. C. R. Drake, both of Gage, Okla., and Mrs. J. E. Norman, Amarillo. Burial was in Friona Cemetery under direction of Claborn Funeral Home.

CARD OF THANKS

We wish to take this way of expressing our deep and sincere gratitude to each and everyone who so kindly helped in any way during the death and burial of our husband and brother, Ashford Hill. To all who came to the house, who brought food, the lovely floral tributes. Everything was truly appreciated. May God bless you all.

Mrs. Carrie Hill Mr. and Mrs. R. O. Schaub Mr. and Mrs. E. H. Ball Mr. and Mrs. Rodney Drake Mr. and Mrs. Everett Norman Mr. and Mrs. Quimby Hill and other relatives. 10-1tp

Mr. and Mrs. Bill Baxter Mr. and Mrs. Ronnie Castleberry and Mr. and Mrs. Jerry Rankin spent the weekend visiting in the home of Mrs. Baxter's parents, Mr. and Mrs. John Adams, Davidson, Okla.

POLITICAL CALENDAR

The Friona Star is authorized to make the following political announcements subject to action of the Democratic Primary in May, 1964:

FOR SHERIFF, Farmer County Chas. Lovelace (Re-Election)

come to church sunday. The Christian is not required to exclude joy from his earthly life. Pursuit of holiness is quite compatible with the rational desire to be happy. The one barrier to the wide liberty enjoyed by the children of God is their obligation to accept the standard of value established by Jesus. We may not choose earthly happiness as our final aim, nor exalt pleasure over duty, nor make self the central interest.

## Junior High Teams Launch Cage Seasons

Friona Junior High has launched its basketball season, with several games being played so far.

In the seventh grade's first game at Portales, they lost a close one, 23-18. Friona led 9-7 after one but fell behind 15-14 at the half. Mike Dukes had 12 points to top Friona.

At Farwell on November 25, Friona won, 27-23. The Braves led at halftime, 16-12. Dukes

scored 12, and Ramey Beene had nine.

At Portales in the opener, Portales swamped the local eighth grade team, 46-21. Delbert Davis' 13 points led Friona. Jackie Claborn scored six.

The team dropped a 55-35 decision at Farwell. Halftime score was 21-16. Larry Graves had 13, Rickey Hurst had eight, and Eddie Wood had seven.

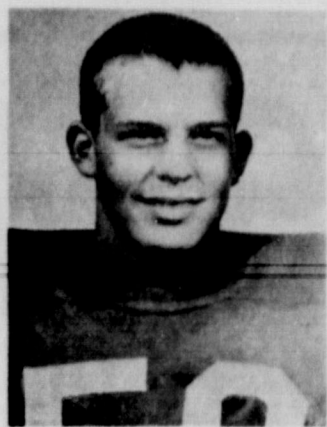

The seventh, eighth and ninth grade boys play Gattis Junior High School here Saturday beginning at 2 p.m. in the high school gymnasium.

In girls games so far, the seventh grade beat Farwell, 32-14, led by Pam Turner's 10 and Shirley Johnson's eight points. The eighth grade lost to Farwell, 25-16. Patti Ragsdale scored eight points, and Karene Milner had six.

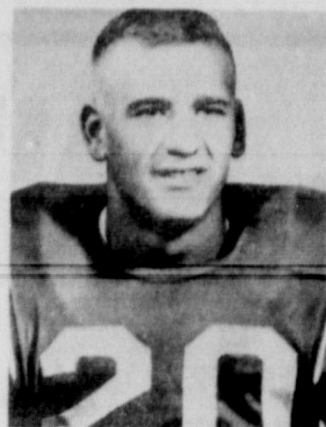

Thanksgiving Day dinner guests in the home of Mr. and Mrs. E. E. Deaton were Dale Rule, San Perita, Texas; Mr. and Mrs. Jerry Bradshaw, Farwell; Mr. and Mrs. Jim Rule and family and Mr. and Mrs. Morris Deaton.

### TWO FIRST TEAM DEFENSE

## Six Chieftains Gain All-District Mention

Six members of the Friona Chieftain football team were on the all-district 3-AA football teams announced this week, selected by district coaches. Friona, which placed third in district with a 2-2 record, failed to place a man on the first team offense, but gained two positions on first team defense, four on second team defense, and one on second team defense.

Named to the first team defense were Dale Milner and Ronald Awtrey, named as a tackle and guard respectively. Friona and Dimmitt grabbed

most of the spots on the second offensive team, both getting four berths. Those making the team for Friona were fullback Everett Gee, halfback Doug Dodd, end S. D. Balze, and Milner, who was the only Friona player to be named to both an offensive and defensive team from Friona.

Quarterback Gary Lou Renner rounded out Friona's all-district selections by being named to the second team defense as a linebacker.

District champion Muleshoe naturally dominated the all-district selections. The Mules had six of the 11 players on the first team offense. They had four players on the first team defense.

Second-place Olton also did well, with four players on the first team offense, and two on first team defense. The Mustangs also grabbed five spots on the two second teams.

Dimmitt, surprisingly, since

the Bobcats did not win a district game, had as many players on the all-district teams as did Friona, which beat Dimmitt, 20-0. The Bobcats had four players second team offense, one first team defense, and two second team defense.

Olton's brilliant sophomore quarterback, Joe Priest, was one of two Mustang sophomores to make the all-district squads. Priest was on both the second team offense and defense. Don Mitchell, sophomore tackle from Olton, was on the first team defense. Ronnie Swint, Muleshoe tackle, was the only other sophomore to make a squad, named to the second team offensive unit.

Four players made both first team offense and defense. They were quarterback Kenny Heathington, halfback Scott Oliver and end Larry Allison of Muleshoe, and halfback George Jones of Olton.

### BUT CHIEFTAINS FALL

## Squaws Romp To 75-30 Victory At Farwell

Friona High School's varsity basketball teams had to settle for a split in games at Farwell Tuesday. The Squaws posted their third season win without a loss, coasting to a 75-30 win, but the Chieftains suffered their second defeat, 60-40.

In a B-team boys game, Friona took a 48-33 win, to make it two out of three for the night. Travis Graves had 19 points to pace this win. Bobby Sims added 12 and Milton Hargus nine.

Friona's girls, now 3-0 for the season, were never in trouble, although starting slowly. Farwell took an early lead, but the Squaws came back for a 5-3 lead midway of the first quarter. In a game which featured mostly free throws, Friona's first field goal came with just 2:48 to play in the first quarter. Tito Jennings got it on a hook shot.

Linda Joe Davis sparked the team in the latter stages of the first quarter, as the Squaws raced to a 19-9 lead.

Friona really got hot in the second quarter. Charlotte Nettles did most of the scoring, mainly from the free throw line, as the Squaws broke the game open for a 42-15 halftime lead. It was more of the same in the third quarter, as substitutes began to enter the scene. Score after three quarters was Friona 56, Farwell 22.

Substitutes played the entire fourth quarter, and still outscored the Farwell team, 19-8. Janet Rushing, Sheryl Long and Lois Moyer made up the offensive lineup during the quarter, and divided up scoring pretty evenly.

Nettles, torrid from the free throw line, hitting 21 of 26 attempts, or 80 per cent, was Friona's leading scorer with 29 points. The Squaws scored 43 of their 75 points from the foul line. Officials called a total of 64 fouls, 36 against Farwell and 28 against the Squaws.

As a team, the Squaws connected on 43 of 58 free shot attempts, an excellent shooting percentage of 74 per cent. All of the forwards broke into the

scoring column, as seven players shared scoring chores.

The Chieftains were hot and cold in their battle with the Steers. Farwell jumped off to a 7-0 lead before Friona could break the ice. Friona's first basket finally came with just 3:45 remaining in the first quarter.

Farwell led, 13-5, after the first period. Neither team did a lot of scoring in the second quarter, but the Steers outscored their county neighbors, 11-6, for a 24-11 halftime lead.

The Steers took a 15-point lead, 26-11 as the second half began, but Friona began to click, and sparked by guard Danny Murphree, cut the margin to seven points, 33-26, after three quarters. Murphree scored six straight points for Friona while Farwell went scoreless the latter part of the quarter.

Things looked good for the Chiefs as the final quarter opened. Murphree stole the ball and drove the length of the floor for a basket to cut the margin to five points, 33-28. Farwell rallied for a 41-30 lead, but Friona came back for a 43-38 deficit with 3:53 to play in the game.

The roof caved in, as far as Friona was concerned in the last three minutes of the game. From just five points

behind, the Chiefs went to 16 points back (54-38) before they could score again. By the time the quarter ended, the Steers had poured 27 points through the hoop, and iced away the win.

Buckley and Murphree paced Friona scoring, with 15 and 14 points respectively.

## SQUAWS WIN, 48-39 Teams Split Games With Happy In Home Openers

Friona basketball teams swapped nine-point victories with Happy in games here last Tuesday. The Squaws won, 48-39 in the first game, but the Chiefs fell victim to the Cowboys, 53-44.

Charlotte Nettles paced the Squaws' win with 27 points, backed up by Linda Davis' 12.

Doug Dodd led the Chieftains with 10 points.

In a boys' B-game, Friona took a 50-23 win, with Travis Graves and Tim Herring each scoring 12 points.

In the girls' game, Happy started out as though they would run the Squaws out of the gymnasium. The visiting girls took

advantage of a cold Friona start to rack up a 10-1 lead midway of the first quarter.

Nettles finally scored Friona's first field goal of the game on a set shot with 2:45 to play in the quarter, but Happy still had a comfortable eight-point lead at the end of the first period, 13-5.

The Squaws turned the tables during the second quarter. With Nettles hitting set shots, the locals pecked away at the Happy lead, until with 2:30 to play in the half, Davis gave Friona its first lead in the game, 22-21, with a set shot of her own. She added a free throw later to give Friona a 23-21 halftime lead, as Happy failed to score in the last four minutes of the half.

The third quarter saw more of the same coldness for Happy, and Friona added to its lead, which was stretched to 13 points, 37-24 after three quarters. In that third quarter, the Squaws had scored 14 points, to just three for Happy.

Friona had its longest lead of the game, 16 points, at 42-26, early in the fourth quarter, as Coach Baker Duggins began using substitutes liberally, and the visitors were able to cut the lead to its final margin of nine points.

The Chieftains, although making an interesting game of it, held just one lead in their battle with the Cowboys, add that was 1-0 in the early seconds, thanks to a free shot by Danny Murphree.

The Chiefs also had trouble registering their first field goal in the game, finally made by Larry Buckley midway of the quarter, to pull the team to within two points, 7-5, but Happy roared to a 14-7 first-quarter lead.

The Cowboys took an 11-point lead at 20-9 early in the second quarter, but Doug Dodd earned a jump shot and later hit a layup to help the Chiefs stay ten behind, 30-20 at the half.

Friona started off cold again in the third quarter, and Happy

Teams-- (Continued from Page 5)

raced to its longest lead of the game, 35-20, But Buckley hit a jump shot, and Dodd came through with two more baskets, to trim the lead to 37-27 after three quarters.

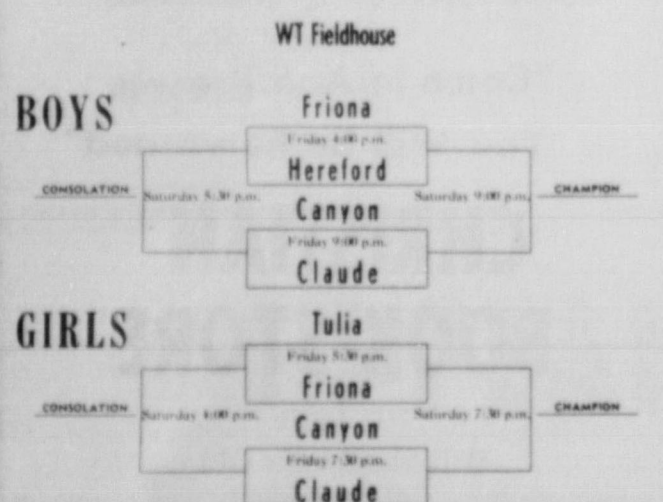

Happy increased its margin to 14 points, 45-31 as the final quarter began, but as S. D. Baize hit a pair of baskets, Murphree a jump shot and Buckley a jumper, Friona got back into the game, to trail by just six points, 45-39, but this was to be as close as the Chiefs could come.

Happy answered the challenge, took its 10-point lead again at 49-39, and held Friona off for a 59-44 victory.

## Of Interest To THE WOMEN

ANOTHER GIRL SCOUT -- Mrs. Olive Massie, Neighborhood Chairman; Nergis Yazgan, newly invested Girl Scout; and Mary Anderson, Girl Scout from Lubbock are pictured following the investiture service of Miss Yazgan. International Girl Scouting is depicted by the maps of Texas and Turkey connected by gold and green streamers.

## Nergis Yazgan Invested Monday

Nergis Yazgan, exchange student from Turkey, who is working with Girl Scout Troop 93 was invested into the organization Monday afternoon at Sixth Street Church of Christ annex.

Mrs. Olive Massie, Friona Neighborhood Chairman, conducted the ceremony. She welcomed Nergis into the international organization of Girl Scouting by lighting three tapered candles representing the three phases of the Girl Scout promise.

The candidate then responded with her Girl Scout promise and repeated the Girl Scout laws. Upon completion of these requirements, she was pinned by Mrs. Genevieve Riethmayer, troop leader, who welcomed her into the troop.

Focal point on the table which held the tapers was an arrangement made up of miniature maps of Texas and Turkey joined together with a green streamer. Following the investiture ceremony, Miss Mary Anderson of Caprock Girl Scout Council of Lubbock gave a talk on international friendship in Girl Scouting.

Three members of the troop, Janey Mingus, Kelly Barber and Kay Riethmayer, presented a flute trio then played "Taps." Refreshments of cold drinks and cookies were served and a Girl Scout circle was formed.

Guests were eighteen members of Troop 268 and their leaders, Alice Whaley, Mamie Lou Welch and Anita Pearson.

Mr. and Mrs. Earsel Taylor

## Gale Asher Weds Morris Deaton

Gale Asher, daughter of Mr. and Mrs. H. G. Asher, and Morris Deaton, son of Mr. and Mrs. E. E. Deaton, were married at 11:30 a.m. Saturday, Nov. 23

by Justice of The Peace, C. E. Miles in Hereford.

Attendants were Mr. and Mrs. Mark Asher and Pat Pounds, all of Friona.

The bride wore a white wool knit suit and gold accessories. After a wedding trip to South Texas and a visit with the bridegroom's brother, Bernie Deaton, at Gonzales Warm Springs, the couple is at home in Friona.

Mr. and Mrs. Deaton are both former students of Friona High School. He is employed by Adams Drilling Company.

## Relatives Honored With Dinner

A Thanksgiving Day dinner in the home of Mrs. A. O. Drake honored Mr. and Mrs. Carl Hughes, Neer Market, Iowa, and Mr. and Mrs. Lowell Klepinger, Marcia and Jane, Marshalltown, Iowa. Mrs. Hughes is a sister of the late A. O. Drake and Mrs. Klepinger is her daughter.

Others present were Mr. and Mrs. Bud Minor, Sue and Dale, Hereford; Mrs. Frances Howard, Abernathy; Mrs. Treva Reece, Canyon; Mr. and Mrs. Earl Drake, Owen, Larry and Bobby, Mr. and Mrs. Jerry Brown and Janna, Mr. and Mrs. Arthur Drake, Betty and Peggy all of Friona.

## First Baptist WMU Honors Senior Class

Members of the senior class of Friona High School were guests of honor at a banquet in Fellowship Hall of First Baptist Church Monday evening. Hostesses were members of Woman's Missionary Union. Christmas decorations were used. A huge unisphere hung in the center of the room and was inscribed "Destination World." Places were marked with white styrofoam globes.

Dr. Roy McClung, Plainview, was guest speaker. Kenneth Neill served as master of ceremonies. The invocation was given by Danny Black. Mrs. Johnny Mars welcomed guests and Gary Lou Renner gave the response.

Special music was presented by the Rayettes. Members of this group of singers are Lois Moyer, Diana Taylor, Myrna Bennett, and Cheryl Neill. The benediction was pronounced by Ronald Atwey.

About 80 persons were present.

## Pearl Kinsley Has Visitors

Mr. and Mrs. Fred Kinsley, Corona Del Mar, Calif., have been visiting in the home of his aunt, Mrs. Pearl Kinsley.

Others present for Thanksgiving dinner were Mr. and Mrs. J. T. Guinn, Mr. and Mrs. Roy Slagle, Mr. and Mrs. Mike Pavalus and Mrs. Ed Boggess.

## Reception Honors Earsel Taylors

Mr. and Mrs. Earsel Taylor, who were observing their Golden Wedding Anniversary, were honored with open house in their home from 3 to 5 p.m. Sunday, December 1.

Host couples were their children Glenn, Ralph, Clayton,

Mrs. T. A. Williams and Mrs. Billy Joe Sachse and their husbands and wives. They have eleven grandchildren and one great-grandchild and all of them were present except one grandson, Keith Taylor, who is stationed at Fort Carson, Colo.

The serving table was covered with a lace cloth over gold and centered with an arrangement of gold mums and yellow daisies. The tiered cake was decorated with gold leaves and white bells.

Cake, nuts, coffee and punch were served during the receiving hours. Guests were registered by Tresa Taylor, granddaughter of the couple. Gifts were received and opened by Jeanne Taylor, another granddaughter.

Out-of-town guests were Mr. and Mrs. D. D. Taylor and Mr. and Mrs. Don Glasgow of Arkansas City, Kansas; Mr. and Mrs. B. F. Bocock, Clovis and Mr. and Mrs. Claude Carroll, Port Lavaca, Texas.

Mr. and Mrs. Taylor are long-time residents of this area and he was engaged in ranching and farming before his retirement in 1955.

## National Honor Society Honors Members, Parents

New members of the Friona chapter of National Honor Society and parents of all members were honored guests at a party at Friona Country Club House Monday evening.

Guests were welcomed by Marla Lynn Massie, president. She also led the group in singing Christmas carols. Purposes and goals of the organization were explained by Myrna Gay Bennett, Lois Moyer, Rex Nelson and Tex Phipps.

Sponsors of the honor society, Mrs. Pearl McClain, Mrs. Carmaleet Truitt and Mal Manchee, were recognized. Principal Raymond Cook and Miss Joy Morton, English teacher, were also present.

Other members present were Mary Ethel Wilson, Diana Taylor, Fortia McGee, Mikey Wilson, Lynn Phipps, Dennis Howell, Karen Osborn, Carol Struve, Nan Lillard, Julia Dennis, Lynn Wilson, Sharon Dean, Shirley Phipps, Sheryl Long and Cheryl Neill.

Also Madaline Binger, Sandra Schilling, Sandy Beene, Monte Welch, Janet Stevick, Frieda Floyd, Linda Outland, Tommy Sherley, Lonnie Ellis, Brian Evans, and Gail McGlothlin. Members unable to attend were Rose Ann Greeson, Joyce Rodgers, Ronnie Brookfield, Jackie Clark and Don Collier.

Parents present were Mr. and Mrs. W. M. Massie, Mr. and Mrs. J. B. Taylor, Mr. and Mrs. O. B. Moyer, Mr. and Mrs. T. A. Sherley, Mr. and Mrs. W. H. Evans, Mr. and Mrs. Eugene Ellis, Mrs. Elvin Wilson, Mr. and Mrs. Ernest

Thursday dinner guests in the home of Mr. and Mrs. Robert H. Osborn and son were Mr. and Mrs. L. J. Jones, Hereford, and Mr. and Mrs. W. S. Ingram and family.

## Holiday Suggestions Highlight Program

"To Dazzle - To Delight" was the theme of the program at the Tuesday evening meeting of Progressive Study Club at Federated Club House. Highlight of the program was a display of centerpieces, door wreaths, candles, tree ornaments, candles to make, place mats and greeting cards.

Mary Sheehan and Gay Cranfill presented "Baubles, Bangles and Balls." This portion of the program was a display of various Christmas articles borrowed from citizens of Friona. Favorite centerpieces, wall hangings and tree ornaments were loaned to the Club for this program. Mrs. Sheehan and Mrs. Cranfill also displayed a number of table arrangements and decorations they had made.

"Really new and easy to do," was presented by Carol Ellis and Joy Lindeman. They displayed Christmas items they had made of various household "throw away" articles found in every home. They featured a "Family Table", showing how to make place mats of used Christmas cards, place favors and easy-to-do centerpieces. Various other simple decorations were demonstrated such as a rose wreath made of tissue paper and a wall hanging of construction paper cut-outs.

Festive foods for the holiday season were served by hostesses, Peggy Monroe and Dixie Smith. They served Christmas candy, sweetbreads, tea, coffee and nuts. The serving table was cen-

tered with a Christmas arrangement and flanked by candles in the form of Christmas bells. A silver service was used.

Guests present were Joy Osborn, Melba Hughes, Juanita Roubineck, Ann Spring, Glenna Galtum, Betty Young, Maxine Owens and Wanda Jones. Twenty three members were also present.

During a brief business session it was reported that during American Education Week 160 books were sold in the first four grades of Friona schools.

## Ed Whites Host Thursday Dinner

Mr. and Mrs. E. S. White Sr. was hosts at a Thanksgiving Day dinner in their home Thursday. T. J. Crawford was a special guest.

Family members present were Mr. and Mrs. Verney Roberts and children, Amarillo, Mr. and Mrs. Raymond White, Amarillo, Mr. and Mrs. John Cannon and daughters, Dumas, Mr. and Mrs. Edward White and sons and Lois and Richard White.

## Garths Return

Mr. and Mrs. Herbert Garth returned late Sunday after spending a week visiting in the home of Mr. and Mrs. Chester Hunt and sons at Longview. Hunt is Mrs. Garth's son.

## Rev. Paul Mohr Speaks To Women

Announcement has been made of completion of plans for the Friday afternoon meeting of Interdenominational Church Women, which was postponed last week.

Rev. Paul Mohr, new minister of Union Congregational Church, will be guest speaker. The meeting will begin at 2:30 p.m. at Calvary Baptist Church.

All women of the area are invited by Mrs. R. B. McKee, spokesman for the group, to attend the meeting.

## Henry Whites Have Thanksgiving Guests

Dinner guests in the home of Mr. and Mrs. Henry White and Donnie were Mr. and Mrs.

E. D. Matlock and Mr. and Mrs. Jim Matlock, Plainview; Mr. and Mrs. Frank Matlock and Thomas Matlock and son, Kirk, Lubbock; and Elma Smith, Willow Springs, Mo.

## Party Honors Don Maynard

Don Maynard, son of Mr. and Mrs. Jimmy Maynard, was honored by his mother with a party in the family home Monday. He was observing his fifth birthday.

Favors were Fly-Backs and balloons. Refreshments of individual cup cakes with single candles and ice cream were served.

Guests were Bobby, Julie and Terry Carroll, Cris Beck, Karen Maynard and Tammy Williams.

Treva Rolon of Lubbock spent the weekend with her parents, Mr. and Mrs. Albert G. Rolon.

## Rebekah Lodge Initiates Three

Three new members, Mr. and Mrs. C. B. Eddins and Mrs. Lillie Taylor, were initiated into Friona Rebekah Lodge Monday evening. During the business session reports were made of 12 convalescent cards being sent and 17 sick visits being made.

After the meeting a salad supper was served. Twenty-two members were present.

### William Hadley Buried Saturday

William Hadley, Stinnett, a former Friona resident, died at St. Anthony's Hospital in Amarillo at 11:00 a. m., Thursday.

Funeral services were conducted Saturday in Brown Funeral Home in Borger. Burial was in Stinnett Cemetery.

Local survivors include his father, F. H. Hadley; two brothers, A. H. Hadley and Carl Hadley; two sisters, Mrs. Gibble Trigg and Mrs. L. D. Cannon, Muleshoe. The father was unable to attend the services.

There are many insecticides that can be used on beef cattle but only a few that are safe for dairy cattle.

### Coffee Honors Former Resident

Mrs. Paul Smith, Salida, Colo., a former Friona resident, was guest of honor at a coffee at Sixth Street Church of Christ from 3 to 5 p.m. Friday November 22.

Refreshments of coffee, hot spiced tea and assorted nut

breads were served by the hostesses, Mrs. Ed Boggess, Mrs. Ennis Cummings, Mrs. Newman Jarrell Sr., Mrs. Daisy Miller and Mrs. Lucy Welch.

### Guests In Lange Home

Weekend guests in the home of Mr. and Mrs. O.F. Lange were Mrs. Kay Jonte, Mrs. Carolyn Lynn and Bob Cone-way, all of Houston, and Johnny Lynn, a student at Peacock Military Academy at San Antonio.

The visitors are all former Friona residents.

### Martins Have Weekend Guests

Weekend guests in the home of Mr. and Mrs. Calvin Martin were Mr. and Mrs. Eugene Nidey and daughters, Campo, Colo., and Mrs. Valeta Ivey and Charly of Brownwood.

Thanksgiving Day dinner guests in the home of Mr. and Mrs. Larry Martin and family were the Calvin Martins, Nideys, Iveys and Mr. and Mrs. Clarence W. Martin and children.

### Council Elects Officers

At a meeting of the Community Educational Council at the Community Room of Friona State Bank at 2:30 p. m. Sunday Dr. Lee Cranfill was elected president of the organization.

Other officers elected to serve with him were Bill Sheehan, vice-president; Mrs. Louis Welch, secretary - treasurer; and Mrs. Glenn Floyd, reporter.

Committees elected were as follows: James Procter, Carl Schlenker, Leonard Coffey and Bill Wooley, finance; Bill Sheehan, John Renner, C. J. Horton, Louis Welch, Audye Wiley, Clayton Taylor and Andy Hurst, planning and steering.

Dr. Loyd A. Shackelford, Ernest Osborn, Bill Burton, Charles Howell, Paul Hall, Marca Lynn Massie, Joey Taylor, Diana Wilson and Kay and Becky Coffey, community research.

Dr. Shackelford, committee chairman, urges any teen age person in the community who is interested in working with this committee to attend the meetings.

A report was made concerning the previous meeting of the group. After Dr. Hugh Pennal's talk in the auditorium, questionnaires were passed out requesting parents to indicate interest

### Guests In Hardesty Home

Weekend guests in the home of Mr. and Mrs. Wesley Hardesty were Mr. and Mrs. James Smith and daughters, Anita and Darla Faye of Fluvanna, Texas.

Relatives and friends joining the Hardestys for Thanksgiving Day dinner were Mr. and Mrs. Charles Hough and Doris Ann, Mr. and Mrs. Leon Coffey, Roger and Janice and Mr. and Mrs. Spencer Hough and Patsy.

Thanksgiving Day guests in the home of Mr. and Mrs. Joe Lewellen and children were Mr. and Mrs. T. A. Kelley, Audrey Ann and Randy Lou, Friona, and Mr. and Mrs. Don Chambers and son, Dwayne, Center, Colo.

This is the manufacturing portion of Gifford-Hill Western's new concrete irrigation tile plant in Farwell, which will be open to the public this Saturday. Pipe-making in the new plant

is highly mechanized. The equipment that stands above the building conveys the raw ingredients of sand and gravel and cement from bulk delivery outside.

Mr. and Mrs. J. W. Baxter and Mr. and Mrs. Louis Baxter were weekend visitors in the home of Mr. and Mrs. Clarence Baxter at Rye, Colorado.

Mr. and Mrs. Hurley Jenkins and son, Russ, Dallas and Donna Baker of North Texas State University at Denton, were weekend visitors in the home of Mr. and Mrs. J. G. Baker and John.

**Gifford-Hill's New Plant Open House Saturday**

Open house for Gifford-Hill Western's new plant in Farwell will be Saturday, December 7, announces Buck Clarke, manager of the Farmer County Industrial firm.

Gifford-Hill has manufactured concrete pipe in their plant in Farwell since July of 1955, but they have just completed a move into new facilities and are expanding their operations.

To spur attendance at the open house, the company is offering a prize of \$1000 worth of concrete irrigation pipe line. Some lucky farmer will win it.

The new facilities include office space for the manager, bookkeeper and receptionist, dispatcher, office clerk and an inventory clerk; the plant which is equipped to manufacture not only the old mortar-type concrete pipe but the newer "Lock-Seal" pipe, and a shop where fabrication work and equipment maintenance is done.

The plant sprawls over 24.2 acres between the Amarillo and Lubbock branches of the Santa Fe Railroad.

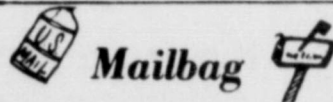

The operation has expanded until at this time three salesmen are employed to cover most of a five-county area and addi-

tional offices are maintained in Hereford, Muleshoe and Portales. Other key men in the operation are a plant foreman, two foremen of the installation crews and a dozer operator, with plans calling for a second with the completion of the new plant, in addition to the office personnel.

At the present time a crew of approximately 55 men is employed during the slack season with an additional 30 men employed during the busy season, November through May.

Other Gifford-Hill Western Co. plants are located in Plainview and Lubbock in Texas and in Roswell. Main office for the company is in Lubbock.

The Gifford-Hill company has plants which cover a five-state area, including Kansas, Texas, New Mexico, Nebraska and Colorado which manufacture other types of pipe and construction needs.

(Editor's note: Eve Braunschweiger, Friona's Exchange Student from Switzerland for the 1962-63 school year, this week sent her regrets about President Kennedy's assassination. Her letter follows.)

Dear Editor:  
With violent emotion I have heard about the tragic death of your President John F. Kennedy and I want to express my sincere sympathy to you, dear friends.

Yours,  
Eve Braunschweiger

# THE HIGH PLAINS FARM AND HOME

## Research Foundation Presses Study Of Midge

Delbert Langford, agronomist for the High Plains Research Foundation at Halfway, reports that a long-term research study of the overwintering habits of midge has been set into motion at the Foundation.

On November 16, Delbert made selections of heads of grain sorghum that contained larva and pupa of midge. Some of the heads will be put into cold storage at temperatures ranging from above freezing to below freezing, as well as field conditions.

The purpose of the study is to find at what stage or stages midge can over-winter under field and experimental conditions. Delbert said that this study will help to determine the time of hatching after overwintering occurs, and thus will be able to get an idea of the size of the population of midge for the next year.

Langford reports that this project will give information as to how long midge can live and at what temperatures the insect will survive or die. This will give research information for further studies of control measures. From this, predictions can also be made as to how far north the midge can live as well as midge movement in other areas. This report will aid in the prediction of the possible seriousness of the midge problem for the next

growing season. Dr. Earl H. Collister, director of the High Plains Research Foundation, said, "This research on midge is something that the area must have

now. If some control measures are not found soon that can successfully eradicate this insect, the economy of the entire state of Texas will be seriously affected."

## Mrs. Meryle Massie Homemaker Of Week

Chosen as homemaker of the week by the Farm and Home staff is Mrs. Meryle Massie, a member of the Northside HD Club at Friona.

She is serving for the second consecutive year as president of the club and has held the same office on another occasion as well as having filled most of the other local club offices.

In addition to serving in the local club as an officer she has also been a member of the County HD Council. She explains that the Northside club is the old Green Acres Club with most of the present members of the organization members of that club when HD work was begun in Farmer County.

Mrs. Massie, who was born in Dickens County, first came to Farmer County and the Friona area in 1946. She met her husband, Meryle, while she was attending Texas Tech in Lubbock and he was stationed with the air force in that city.

Following their marriage she chose to leave school and travel with her husband as he was moved from bases in Georgia, Kentucky, other parts of Texas and New York.

Following his discharge from the armed services they returned to Friona to make their home on a farm north of town.

The Massie family had been residents of the area since 1914 and "we simply came home," she explains. Mr. and Mrs. Massie now operate a 1700-acre farm and ranch northeast of

# Referendum Issues Explained

Cotton farmers will go to the polls this coming Tuesday and cast the vote that will decide whether marketing quotas will be in effect for 1964 crop cotton. It is felt that each eligible voter should be fully informed about the allotment-quota program, so that the outcome of the referendum will represent the opinion of all voters, says Prentice Mills, ASCS manager.

The facts relative to the referendum are as follows: 1. This is not a question of whether allotments will be in effect. Allotments will be in effect regardless of a favorable or unfavorable vote.

2. The vote to be decided in the referendum Tuesday are (A) quotas or no quotas, and (B) the level of price support (guaranteed price or loan rate) to be available for the 1964 upland cotton crop.

3. If the vote is favorable, quotas will be in effect for the crop -- with penalties on any cotton produced on "excess" acreage on the farm, and price support will be offered to growers who comply with their farm allotments at a level of from 65 to 90 percent of parity.

4. If the vote is not favorable, there will be no quotas or penalties applicable to the coming year's cotton crop, and price support to growers (who stay within their allotment) will be at 50 percent of parity.

5. Persons eligible to cast ballots are all those (including wives in Texas) engaged in the production of the upland cotton crop in 1963. This would include landlords as well as farm operators and tenants.

Cotton acreage allotment notices were mailed to Farmer County cotton producers on this past Monday.

The polls will be open from 8:00 a.m. to 6:00 p.m. Polling places are located as follows:

Bovina Gin Co., Chester-Fleming Gin Inc., Clay's Corner Gin Co., Farmer County ASCS Office, Country Club Gin, Fleming & Son Gin, Friona Farmers Co-op Gin, Lariat Gin Inc.,

Lewis Gin Co., McBride Gin, Rhea Elevators, North Lazbuddie Gin Co., Oklahoma Lane Farm Supply, Farmer County Gin (Smith Bros.), Black Grain Co., West Hub Gin Co.

Farmer County cotton growers have led the state for the past several years in "turning out the vote" in these refer-

endums and it is hoped that this year will be the biggest of all. All eligible voters are urged to be sure to cast their ballot this coming Tuesday.

Any person having a question concerning the referendum are urged to contact the ASCS office.

Hats, shoes, undergarments --even furniture upholstery -- may soon be made of a single piece of cotton fabric that has been permanently molded into shape. The new process which makes this possible comes from the U. S. Department of Agriculture.

## Shop For These Food Items

Biggest produce news this week is in citrus fruits, reports Texas A&M University consumer marketing specialists. Tangelos and tangerines have made their appearance in local markets, and quality of all citrus appears to be excellent. However, supplies are shorter than last year, so prices reflect this smaller supply.

Mrs. Gwendolyn Clayatt, Extension consumer marketing specialist, also suggests cranberries for holiday menus. Apples, grapes, bananas and pears are other good fruit choices, she adds.

The production of edible tree nuts is expected to break records this season, with the pecan crop likely to be the largest ever recorded, according to the U. S. Department of Agriculture. Nut prices should be relatively low in comparison with past seasons, and homemakers may want to freeze some for later use, Mrs. Clayatt reminds.

A typical scene in the Massie home is Mrs. Massie busily engaged in preparing a meal for guests.

## EVERYTHING YOU WANT IN A ROLLOVER PLOW!

• UNEQUALED STRENGTH -- New Case 200 rollover main frame has twisting strength 40 times that of channel iron with same weight per foot!

• ULTRA-SIMPLE DESIGN -- Tubular frames permit clean design minus clumsy braces. Plow levels quickly -- easy-to-adjust stop pads. Cuts full width on curves. Separate hydraulic controls raise and turn plow... lift it over waterways without plow turning, or need for special lockout. Simple hydraulic actuator turns plow.

• NON-STOP TRASH CLEARANCE -- More clearance than any comparable plow -- 28 1/2 in. under beams! No braces or bolt heads. Sharp 40° slicing angle lets trash flow thru. pulls easier.

• FITS CASE AND OTHER TRACTORS -- 3 and 4-bottom rollover plow fits Case 630, 730, 830 tractors with Eagle Hitch and dual hydraulics; other tractors with ASAE Category I or II hitch and dual hydraulics.

Ann, says Mrs. Massie, could hardly wait to have her hair styled in the American "duck tail," while Negris chooses to keep her hair in the shoulder-length style to which she is accustomed. Only on rare occasions does she curl the ends of the long straight hair.

Young people are one of the hobbies of Mrs. Massie. They are always welcome to come to the Massie home after dates for a snack, which can be cooked for the individuals themselves or by Mrs. Massie ahead of time if she knows they are coming.

Like any proud mother, Mrs. Massie related that one of her daughters had been chosen Miss Friendship and FFA Plowgirl in the Friona School this year. "We are especially proud of our family," she says.

Mrs. Massie, who worked as a secretary during the summers while she was attending college and while her husband was in the armed services, is a busy person with her club work, Girl Scout work and church activities. She has served as a girl scout leader for the past ten years and at the present time is neighborhood chairman for the group. She especially likes to camp out with the girls and

to go quail and pheasant hunting with her husband.

She does much work in the Methodist church of which she is a member. She has taught in the children's department for a number of years. Is WSCS children's representative and is teaching a Junior MYF group each Sunday night. In addition she serves as a teacher in the summer vacation church school.

With all of these activities Mrs. Massie still finds time for all of her hobbies, including flower arranging, basket weaving, coppercraft, sewing, cooking, gardening and experimenting with many other kinds of crafts, the latest of which is making seed pictures.

Displayed in the home was a coffee table with a mosaic tile top, made by Mrs. Massie. The floral arrangement in the hall of the home is changed to fit the season and the arrangements are made by Mrs. Massie from any available seasonal material.

With this busy schedule she still manages to assist her husband with farm duties, driving a truck during the harvest season and keeping the farm record books.

She cooks for hands during the busy season and says "there is nothing I had rather do than cook for a group."

"Home is what we make it," said Mrs. Massie and from all indications this is truly a lively, happy home in which to live.

Rabies is often found in wild animals such as skunks and in domestic ones like dogs and cats. The disease, a virus infection spread in the saliva of infected animals, can be guarded against by vaccinating pets.

### Search Begins For Best Conservation Homemaker

The search for Texas' champion conservation homemaker for 1964 is getting underway, reminds Claudia G. Williams, Texas Agricultural Extension Service program specialist and state judging committee chairman.

Each county in a Texas Soil Conservation District may nominate one woman who lives on a conservation farm or ranch by submitting a record of her conservation accomplishments to the county home demonstration agent, Miss Williams explains. Records of all nominees should be ready for county judging committees by Feb. 1.

The top Texas homemaker will be selected, along with five regional winners, from among the outstanding district and regional candidates whose records are to be submitted to Mrs. Florence W. Low, assistant director for home economics with the Texas Agricultural Extension Service.

The annual judging activity is sponsored by the Fort Worth Press, in cooperation with Soil Conservation Districts, the Agricultural Extension Service and other groups. It offers recognition for achievements of Texas women in the area of conservation in the home and on the farm.

All homemakers -- whether they live in the city or in the country -- are land users in their own right if their home has a plot of land, and they have the opportunity and need to practice soil and water conservation, as well as conservation of time, energy and family finances. "Active attention to the care of your land may help to refresh your partnership with the nation's farmers and ranchers as stewards of the land," Miss Williams reminds homemakers.

### FOOTSAVING EDUCATION

by James E. Edwards

#### How Will We Find The Time?

The weak feet of many children need the wonderful exercise of running barefoot in sand. We often hear that doctors recommend this exercise in addition to corrective shoes or whatever therapy they prescribe but when we mention it, the parents protest that they are too busy. Other parents promise but never get around to doing it.

It probably won't do much good but we suggest that if the child had a condition that required visits to the hospital three times a week time would be found.

Could it be that down through the years we have acquired the idea that remedies must be distasteful or expensive to be effective? Exercise is certainly not distasteful to children, bless 'em, and no amount of money can buy the strengthening of weak muscles.

Many Parmer County area farmers are plumb surprised--and downright proud--of their 1963 cotton crop which has made an amazing recovery after a slow, slow start this year. This field east of Farwell is producing over a bale-and-a-half per acre, according to the custom stripper. The field looks like it's every bit that good, too.

### 4-H Club Congress Delegates Meet

Texas 4-H Club members will be represented at the 42nd National 4-H Club Congress, Chicago, December 1-5 by 35 of their most distinguished members, 19 girls and 16 boys.

The delegation will assemble in Dallas on November 29 and will be guests of the First National Bank in Dallas for a noon luncheon and a get acquainted meeting before boarding the train for Chicago and America's number one 4-H meeting. Their all-expense trips are provided by donors from business and industrial concerns and organizations in Texas and the nation.

The delegates first were named winners of the various award programs offered annually through the National 4-H

Service Committee in their home counties. Were later adjudged district winners and still later were named state winners, and they still have a chance for national honors. One of the group, Margie Lux of Comal County was only recently named a sectional trip winner in the dairy foods program.

Official chaperons for the delegation -- they will meet the group in Dallas -- include Floyd Lynch, state 4-H Club leader, two assistant state leaders, Marshall Crouch and Margie Sellers and Miss Gena Brazeele, home demonstration agent in Hale County and Don Kachtki, assistant county agricultural agent in Hidalgo County. The two county Ex-

tenant agents were selected on the basis of their county 4-H programs and both have members in the official delegation.

Texas 4-H Club members have participated in the "blue ribbon" 4-H meeting almost from its beginning and few awards are more eagerly worked for by 4-H members than are the trips to Club Congress, the state 4-H leaders said. Almost every section of Texas will be represented by the delegation and they will join some 1,500 other state winners for an unforgettable five days of entertainment, educational experiences and fellowship. More than 200 will receive college scholarships and national recognition for their outstanding achievements.

### December Foods Assure Ample Holiday Supplies

Ample food will be the least among problems for Texans, this December, as they plan festive get-togethers. Producers and processors, together, are keeping trade channels full of holiday grocery needs.

Seven foods are particularly abundant. They make up the U.S. Department of Agriculture's December plentiful foods list, points out the Texas Agricultural Extension Service.

Beef and pecans -- two important Texas products -- are featured on the list. Pork, turkeys and peanuts, also grown extensively in Texas, will be plentiful all month. Apples and cranberries complete the list.

Beef takes a top spot on the list because of its abundance and favorable prices for consumers.

The all-time record pecan crop of 297 million pounds for the nation is 66 per cent above the 1957-61 average; four times more than last year's small crop. Prices being paid to growers are lower, and therefore, more favorable for increased use by consumers.

Similar reasons stand behind the listing of pork, turkeys, peanuts, apples and cranberries. USDA's Agricultural Marketing Service, that keeps in constant touch with available supplies of all farm-produced foods, says consumers will find it to their advantage to shop the "plentiful route." Food markets regularly promote these items with special prices and a wide choice of quality.

Research scientists with the U. S. Department of Agriculture have developed a new way to process jelled applesauce. The sauce holds its firmness at temperatures up to 120 degrees Fahrenheit, and can be served on the same plate with other foods, even warm foods, without spreading. Molded desserts or attractive salads can be made by heating the jelled applesauce to liquefy it and pouring it into a mold dish over pieces of fruit, berries, vegetables, nuts, raisins or meat.

Foods -- whether fresh, frozen or canned -- lose nutrients if not properly handled by the homemaker. Methods for conserving these nutritive values are described in a new bulletin, written by USDA nutritionists. Single copies are free from the Office of Information, U. S. Department of Agriculture, Washington, D. C. 20250. Ask for "Conserving the Nutritive Value of Foods," HG-90.

## High Plains Prepares Against Boll Weevil

The dreaded boll weevil is a definite and ominous threat to the entire High Plains cotton industry and a million-dollar "diapause" control program has been recommended to prevent threat from becoming reality.

This conclusion and the recommendation came from some of the foremost experts in the field of entomology November 26 when they met with the 13-member High Plains Boll Weevil Steering Committee in Lubbock under the auspices of Plains Cotton Growers, Inc. While it has not yet been determined that weevils hibernate on the High Plains, Technical Advisory Committee member Dr. J. C. Gaines, Head of Entomology Department at Texas A&M, said "The weevil is obviously a threat to the area. He was here in 1963 and will come again."

Dr. Gaines said he felt the "real program to knock the weevil off the High Plains is the diapause program." In further discussion it was generally agreed that such a pro-

gram would not only set up a barrier to prevent the further westward encroachment of the weevil, but would also effectively deter weevil damage in those areas already infested.

The recommendation of the Advisory Committee was accepted by the Steering Committee, and will be discussed further at the first meeting of the Area-wide Boll Weevil Committee, scheduled in January. The Area-wide Committee is composed of one member from each of the 23 counties represented by Plains Cotton Growers. Current plans call for initiation of the diapause control program in the Fall of 1964.

Other Advisory Committee members, all of whom concurred in Dr. Gaines' appraisal of the seriousness of the problem and with the recommendation for a diapause control program are: Dr. J. C. Gaines, Head, Entomology Department at Texas A&M; Dr. James Brazzel, Department of Entomology at State College, Mississippi; Dr. Sloan Jones, Head of the

Insects Research Division, Agricultural Research Service; Dr. H. G. Johnston, Entomologist for the National Cotton Council; Dr. Gerald Thomas, Dean of Agriculture at Texas Tech; Dr. R. E. Patterson, Dean of Agriculture at Texas A&M; Welton H. Jones, Lubbock District Agent of TAES; Charles Fisher, Superintendent of TAES #8; Ralph Griffiths, Lubbock and Crosby County FHA Supervisor; D. H. Russell, U.S.D.A. Plant Pest Control Division, Lubbock; Gene Cupp, Texas Department of Agriculture; Charlie Scruggs of the Progressive Farmer Magazine; Walter Labay, District Superintendent of Vocational Agriculture Teachers; Byron Frierison, Manager of the Texas Prison Farm; Joe Ramsey, President of the Texas Aerial Applicators; Dr. Perry Adkisson, Texas A&M Department of Entomology; Dr. Theodore B. Davich, Director of the Federal Boll Weevil Research Laboratory at State College, Mississippi; and Dr. W. H. Cross, Staff Entomologist at the same laboratory.

### On The Farm In Parmer County

By DERYL COKER  
 County Agent

A great number of grain sorghum fields this year were infected with head smut. This is a serious disease, even though our losses have been fairly light. The seriousness of the disease lies in the outlook for its future and its potentially heavy losses which it may cause.

The black dust which you see on the smutted heads is a large number of spores of the fungus. These spores will be carried in the soil for up to ten years while retaining their viability. When susceptible plants, grain sorghum, corn, or sudangrass, are grown in the infected soil, the seedlings will be infected and will produce only smutted heads. Thus a trace of infection this year may multiply to 1 or 2 per cent next year and so on until a high degree of infection is reached.

The per cent of loss from the disease will equal the per cent of infection observed by counting infected plants in a row. The only control for this disease is the use of resistant hybrids. There will be some resistant hybrids released for commercial culture in 1964. Rotation of crops always helps in slowing down a disease, and we should rotate our crops

when possible. There is no seed treatment for head smut that has proved effective.

If you notice any head smut in your grain sorghum while harvesting, now is the time to start to work, to keep it from multiplying on your farm.

In talking with ginners and farmers, I find that cotton yields are turning out better than we all thought they would. Of course this is due to the extremely good fall. There are still green leaves on trees in Farwell.

### At Home In Farmer County

By CRICKET B. TAYLOR  
County HD Agent

As the season for "giving" draws near there will be many shopping for small electric appliances.

Appliances are versatile, but they are only as useful as the place in which they are stored.

When considering another appliance be sure to think about how often it will be used, where it will be used and where will it be stored. Would the appliance cause more labor or would it really be a labor-saver?

The point of first use and size will help determine the home for each. How often do you use the appliances you now have? Before buying another small cooking appliance stop and think what can be done by those you have on hand. Take the electric sauce pan, it will cook: Pot roasts, bake beans, stews, soup and chili, deep fried foods, casserole combinations and puddings.

The fry pan can be used for cooking: Some baked foods, Pot roasts, deep fried foods, pancakes, casserole combinations, puddings, grilled meats and eggs.

The kind of cooking you do will help determine the appliances that you will need and use. Any appliance not used is expensive. How often will you use it? Other questions to consider are: Is the wiring in your home adequate? Do you have conveniently located outlets? You know some people think that if they have a lot of outlets in which to plug appliances that they have plenty of power--the wiring is sufficient. This is not necessarily true. An appliance circuit will carry only about 2300 watts. Many of our heating appliances, like the fry pan will use 1500 to 1800 watts.

Check the wattage on the appliances to make sure you do not overload the circuit.

Just another word about using appliances - never use an extension cord on an appliance, it decreases the efficiency of the appliance.

If further information on small appliances is desired call the Home Demonstration Agent's office, 481-3619.

### Attention Farwell Homemakers

Homemakers in Farwell and the surrounding area interested in modern information in homemaking are invited to a coffee 9:30-11 a.m. Tuesday, Dec. 10 in the home of Mrs. C. M. Meeks, 210-2nd St. in Farwell.

A home demonstration club will be organized. Homemaking information is a part of the extension service program.

If you are interested in being in a club where you have an opportunity to learn and to be a leader, receive home-making information in foods and nutrition, clothing, management of time and energy, child care, housing, landscaping and many others you will want to attend this meeting.

The HD Council Educational Committee will be in charge of the meeting, assisted by the County Council Chairman, Mrs. J. D. Sanders and the County HD Agent, Cricket B. Taylor.

An exhibit of Christmas gifts made by HD Club homemakers will be on display during the coffee.
