SANDERSON, TEXAS, FRIDAY, JANUARY 17, 1964

NUMBER 50

LISTEN TO LUKE

We laud and praise the action of the county commissioners in their authorizing the purchase of an ambulance and the appointment of the committee to take care of its operation.

Everyone who has had any knowledge of the troubles that Wesley Munson has had in trying to maintain that service for the people of this area, has nothing but appreciation for his efforts and understanding in his failure in those efforts. And we add our word of thanks to others that have been expressed to him.

We feel that the operation of the vehicle under the direct control of the commissioners court is the only way to assure our having that service from now on. Mr. Munson knows, the court knew, and most everybody else could have found out, that the operation of the ambulance had not been a success financially and had been a constant drain financially on Mr. Munson. We don't blame him for giving it up.

Since the ambulance had been taken to Houston in an effort to sell it, there were some who were trying to start some kind of an emergency vehicle service here in an effort to take care of — to some degree — a local need. This became unnecessary when it was learned that Munson's vehicle could be purchased, so that was done.

We feel that the ambulance committee will do everything it can to see that the vehicle is operated efficiently and properly, with the least possible expense to the taxpayers.

Munson has also agreed to do what he can when he can to help in any way in time of need of his services or ability in the operation of the ambulance.

We don't know how the situation could have worked out any better for all concerned.

In listening to portions of and reading the entire text of President Johnson's State of the Union message the other day, I was reminded that soon a political campaign will be in full swing.

The message was so like a campaign speech or a political platform that one could scarcely believe that he was talking about the present state of the United States. It sounded more like President Johnson was speaking of some Utopia—some long-hoped-for place of perfection.

It was amusing to note in one of the dailies that comes to our desk there was a full column under big headlines which quoted all the fine services that this administration has outlined for the people. There will be no poverty, no illiterates, no slums, no unemployment—no mention was made about droughts—everything will be provided from Washington. Even after cutting taxes. Then in the adjoining column was a story of the House endorsing the expenditure of \$21 million toward building a national cultural center in honor of the late President. That is a rather large expenditure for a memorial.

Mr. Kennedy favored this culture center but wanted it financed by private contributions, not at government expense. Among the things Mr. Johnson remembered to mention was his intention to form a domestic peace corps active here in the United States. Of course that would be used at government expense to promote the candidacy of those who would go along with the present administration.

Mr. Johnson did not, however, mention the fact that in the near future the Senate Housing subcommittee is expected to investigate reports that private apartment projects have been

—Continued on Page 4

George Proctor
... Eagle Lbr. Co. manager

George Proctor, who has been employed as assistant manager of the local Eagle Lumber Co. became manager January 1. He has been here three months and replaces Donald E. Anderson, who moved to Eagle Pass.

Mr. Proctor, who came here from Junction where he was in the employ of a lumber company, began his association with the lumber business in 1947 in Lampasas and has followed the work for the past 17 years.

Headquarters for the local firm is in San Antonio.

Mr. Anderson became the assistant manager of the Eagle Pass lumber yard upon his moving there.

Eaglettes Bow To Might of Balmorhea Girls

The Sanderson Eaglettes took sound drubbings from the girls of Balmorhea here last Tuesday night.

The B team lost by a 47-16 score, with an eight-point first period being their best effort. The last period was scoreless for the Eaglettes. Vicky Rogers hit eight points for the Eaglettes and Inez Villarreal had six points, with Mary Pena, a converted guard, and Rosa Chalam-baga, each accounting for two points. Other forwards were Silvia Olivares, Anabella Escamilla, Guards were Belia Barron, Beverly Farley, Virginia Garcia, Mary Pena, Judy Riggs, Irene Spencer, Nikki Northcut, Caterina Picasso, Tony Salas.

In the A game, the Eaglettes lost 24-47. At one time they were only six points behind—in the third quarter, but were unable to close the gap. Balmorhea controlled the backboards on both ends of the court and had a height advantage on the forward end to account for better accuracy.

Pam Stavley had nine points; Pixie Mansfield, 8; Linda Babb, 4; Jody Tronson, 3, and Suzanne Downie, 1. Arabella Lopez a regular guard, saw some action on the forward end. Other guards were Eloise Farley, Susan Couch, Irma Galvan, Carla Dunn, and Bonnie Fisher.

Mrs. H. E. Gatlin's Son Gets Honor at Rice University

Thomas Wilson, son of Mrs. H. E. Gatlin, has been elected to membership in Gamma Chapter of Tau Beta Pi at Rice University in Houston. Only three seniors were chosen.

Mrs. Gatlin received a congratulatory letter from the president of the university: "The attainment of the Tau Beta Pi Bent comes to very few and then only after years of diligent effort. I would like to take this opportunity to congratulate you for the leadership you obviously gave to a son capable of this outstanding scholastic achievement."

Attending a meeting of the Methodist churches of the Carlsbad District in that city Tuesday were Rev. Miller Stroup, pastor, Mr. and Mrs. C. F. Cox, Mrs. H. C. Goldwire and Mrs. L. R. Hall.

Rainfall Record Shows 10.55 Inches In 1963 Locally

A record of the rainfall in Terrell County for 1963 shows another dry year over the county as well as in West Texas.

The total rainfall in Sanderson for 1963 was only 10.55 inches which is a little better than the previous year with 7.13 inches. The records have come from Ervin Grigsby, official weather reporter for many years.

While some parts of the county may have had a little more rain than Sanderson, there are some areas that also received less.

The heaviest rainfall locally was on Sunday, September 15, with a total of 1.86 inches. The last recorded moisture was on December 14—0.07 inches.

The local rainfall records show the rainfall averages dropping steadily through recent years, particularly since 1947. The rainfall patterns continue to show drought conditions.

Meanwhile winter is taking its usual terrific poke at West Texas and ranchmen are pouring out feed to all livestock, hoping for an early and wet spring and moderate, wet summer. So far in this county, there has been no let-up in the winter weather that got off to a late start in early December. The past week has seen temperatures going down to as low as 10 degrees at night and then not raising above the mid-30s all day with the sun out bright and clear.

Personals

Mrs. Dorothy Bristol of Waco is visiting here with friends for a few days and with her sister, Mrs. J. N. Brown.

Sheriff and Mrs. Bill C. Cooksey and family have completed the move to the house which they bought from Mr. and Mrs. Don Anderson. Mr. and Mrs. F. T. Baker are moving into the apartment in the Mitchell house vacated by the Cookseys.

Mrs. Lee Grigsby returned home Saturday after attending an O.E.S. School of Awareness in Eagle Pass for District 5, section 4. While there she was a guest of Mr. and Mrs. J. C. McDuff, having first visited in Del Rio with Mrs. W. J. Easterling and accompanying her to Eagle Pass.

Weldon Werneking returned home Tuesday from his vacation after visiting in several places including Houston where he was a guest of Bobby Beckett.

Mr. and Mrs. Carl Werneking went to Del Rio Monday and Miss Sue Vaughn Haynes, who had been visiting here with her parents, Mr. and Mrs. Bill Haynes, and family for several days, accompanied them on the trip.

Mr. and Mrs. W. E. Lea Jr. visited in Del Rio with his brother-in-law and sister, Mr. and Mrs. M. H. Goode Jr., Saturday. The condition of Mr. Goode, who has been receiving medical treatment in a Del Rio hospital, is not changed, according to reports.

Last weekend Mr. and Mrs. J. F. Tronson and Dwight were in San Antonio to attend the Father-Daughter Association of Incarnate Word College. There was a banquet for the fathers and a buffet supper for the mothers followed by a dance Saturday evening. Miss Diane Tronson, their daughter, is district chairman of the association.

Glynn Chandler arrived Friday from Hobbs, N.M., and took his wife and children to the ranch to visit his parents, Mr. and Mrs. Clarence Chandler, before all returned home Sunday. Mrs. Chandler and the children had been visiting here with her parents, Mr. and Mrs. Carl Wer-

Bev C. Farley, 91, Dies Tuesday Night

Beverly Carter Farley

Funeral services for Beverly Carter Farley, 91, who died here early Tuesday evening are planned for Thursday afternoon at 4:30 o'clock in the local Church of Christ with Wilfer L. LaFleur, minister, officiating. Burial will be in Cedar Grove Cemetery with the Lawrence James Funeral Home of Ozona, in charge of arrangements.

Mr. Farley had been in declining health in recent years and in a serious condition in recent weeks. His death marked the passing of another of the rapidly thinning ranks of Terrell County residents who have lived here since before the turn of the century.

Born in Karnes County on July 7, 1872, he moved with his family to Del Rio the same year. When he was 14 he went to Alpine where he worked for a dirt contractor for a few months before going to Dryden where he went to work as a cowboy for the Pecos Land and Cattle Company, an Eastern concern controlling several sections of land west of the Pecos and north of the Rio Grande. After the company sold out in 1895, he bought the Reagan Bros. brand and cattle of "Lost Nigger Mine" fame. He had "taken up" eight sections of school land in the vicinity of Dryden and in 1912 he bought the section that included the town, thus becoming the owner of the entire townsite. He had built the Dryden Hotel in 1908 and also built and operated a general merchandise store there. Later he donated the land for and built the first school in Dryden.

He has made his home in Sanderson since 1917 and had acquired several pieces of rental property, also still owning property in Dryden.

He was married to Miss Sarah Jane Jeffers of Del Rio in 1896 and she died in 1945. His son, the late Ernest Farley, and his wife had made their home with him at the Farley home since their marriage. Mrs. Farley and their two daughters continuing to live with him. He had managed his rental property, the repairs, and upkeep, until recent years.

Of seven children born to Mr. and Mrs. Farley, five survive, including three sons and two daughters: Raymond Farley of Sanderson; Van Farley, Odessa; Joe Farley, Burbank, Calif.; Mrs. Inez Nutter, Big Lake; and Mrs. C. A. (Ann) Brotherton, Del Rio; ten grandchildren and 14 great-grandchildren; a brother, Jim Farley of Sedona, Ariz.; a sister, Mrs. Ida Ryan, Long Beach, Calif.

neking for two weeks and accompanied Mrs. Werneking on a trip to East Texas to visit relatives.

Mr. and Mrs. George Turner are visiting in Graham with their son, Frankie Turner, and family and his brother, Dave Turner, and family. They took his mother, Mrs. Alice Turner, and her house trailer to Graham and Mrs. Turner will make her home there.

S-Sgt. and Mrs. Bill Knight and children left Saturday for a

No Contests In Balloting For Water Board

There were no contests to the incumbents in the race for directors of the board of the Terrell County Water Control & Improvement District No. 1 on Tuesday.

James Caroline, Greene Cooke and M. W. Duncan were re-elected to the posts.

An exceptionally light vote was noted with only 61 ballots cast in the district.

These directors will serve for a three-year term. Cooke is presently president of the board and Caroline is manager of the district.

G. C. Mathias Dies Friday On Chandler Ranch

Grover Cleveland Mathias, 72, died on the Joe Chandler ranch early Friday morning of last week. He had been working at odd jobs on the ranch for several months, off and on, according to Joe Chandler, operator of the resort on Independence Creek.

Mathias was found dead in bed early Friday morning by E. J. Holub, son-in-law of Chandler's, who with his family, had been visiting at the ranch for several days.

Sheriff Bill C. Cooksey and Justice of Peace J. A. Gilbreath were called about 9:30 a.m. Friday and notified of the death. An inquest determined death due to natural causes.

The body was taken to Odessa for burial Monday in Sunset Memorial Gardens with Hubbard-Kelly Funeral Home of Odessa in charge of arrangements.

Survivors include a daughter in Odessa.

Out-of-County Grain Handlers Are Approved

Terrell County ranchmen can buy government-stored yellow, shelled corn and yellow milo in quantities less than carload lots through approved handlers, as soon as the initial supplies are received. Approved handlers for Terrell County are in neighboring Val Verde and Pecos Counties.

According to ASC Chairman Clarence Jessup, this improved system of selling grain should benefit many ranchmen who need small amounts of grain at a time or who would prefer to feed milled products instead of whole grain.

Feed may be purchased for within-county delivery in carload lots in the same way as heretofore. Eligibility to buy will still be established by the local ASC County Committee. All orders regardless of size and delivery point will be placed and paid for at the ASC County Office at 112 Persimmon Street. Further details are available from personnel at the office.

The present drought feed program is approved through March 31st and purchased feed required to be fed to eligible livestock by April 30. It is expected the program will be extended if sufficient moisture is not received in the area soon.

three-year stay in Tokyo, Japan. Sgt. Knight is with a weather squadron in the U.S. Air Force and they were residing in Bellevue, Neb. The Knights had visited here with her mother, Mrs. A. T. Freeman, and family and in Del Rio with relatives for three weeks.

Mrs. Frances Wolfe returned home Saturday from San Antonio where she had visited her daughter, Mrs. Charles Tiseth, and family for two weeks.

and children left Saturday for a

Purchase Of Ambulance Authorized By County

Terrell County Commissioners authorized the purchase of an ambulance and equipment at the regular meeting of the group on Monday morning.

The purchase, operation and maintenance of the vehicle will be under the direct supervision of County Judge R. S. Wilkinson, Troy Druse, named by the commissioners, and Herbert Brown, designated by Judge Wilkinson and Druse, under authorization by the commissioners.

The act resulted from the discontinuance of ambulance service by W. V. Munson about two months ago, and his announcement of his desire to sell his vehicle and equipment.

Mr. Munson told the court that collection for his services were poor and that his operation of the service, even with the guarantee of all emergency accident trips by the county, was not on a profitable basis and he had offered his equipment for sale. He added that he would continue to do anything he could to help in the operation of the service by the county and would offer his services at any time he was available when needed.

The ambulance committee completed plans for the purchase

of Mr. Munson's equipment Monday afternoon and he left by train Monday night for Houston, where the ambulance has been for the past two months, to return it to Sanderson.

It is expected that the vehicle will be put into operation and be available immediately upon its return Tuesday night.

The purchase price of the ambulance and equipment was \$1,500.00.

G. K. Mitchell Comments On Soil Conservation

"Proper management on range or pastureland pays," says G. K. Mitchell, soil conservation district cooperater, who ranches north of Sanderson. Mitchell has found that breeding livestock do better on range which has been properly managed than on rangeland that has to be supplemented heavily with costly feed during the winter and early spring.

Mitchell says that he hasn't fed for about 10 years since he reduced his livestock numbers to the actual carrying capacity of his ranch and started a program of deferred grazing. He maintains about 50 per cent, by weight, of his grasses at the end of the grazing season in February and March, at this time the spring growth begins, thus keeping the grasses from ever becoming used much over 50 per cent.

Deferment in some pastures during the growing season each year helps to maintain and improve the vigor of his grasses.

Grasses such as bush muhly, plains bristle grass, and side oats gramma have moved from the brush and protection of larger rocks and range condition has continued to improve or maintain itself during the dry years.

Terrell County's First 1964 Baby Born Tuesday

Terrell County's first 1964 baby was born Tuesday to Mr. and Mrs. Felix Costilla. She weighed eight pounds and four ounces and was named Alma Romelia.

There are three other children in the family and the father is a ranch laborer.

Four Elections Due This Year

Four elections are sure to be held in Terrell County this year, calling to mind the strong desirability of every qualified citizen paying his poll tax. The final date for paying the tax is January 31.

Already on the docket for elections are the following elections: school board election on April 4; first primary May 2; second primary June 6; and the general election on November 3.

Mrs. Tol Murrah deputy tax collector, stated that poll tax payments had been exceptionally light, only 261 paid to date, and the indications are that the voting strength of Terrell County will be much lower than previously.

Mrs. Murrah also reminded voters that only husband, wife, parent, or child may buy a poll tax receipt for someone else and application for a poll tax payment may be made by mail or by coming to the court house.

The fee for the poll tax is \$1.75 as always.

It is interesting to note, Mrs. Murrah said, that the school fund receives \$100, the general fund receives 50c and 25c is retained by the county.

Persons who became 21 after January 1, 1963, have an exemption from the poll tax this year.

A person must be a resident of Texas for one year to be eligible to vote in a state election and a resident of a county for six months before he can vote in a county election.

Calendar of Events

- Saturday — Junior Duplicate Club
- Sunday — Senior Scouts 2 p.m.
- Monday — Baptist W.M.U.
- Tuesday — O.E.S.
- Wednesday — Rotary Club, 51 Club, Bonhomie Club
- Thursday — Lions Club, Duplicate Club, Kiwanis Club

New Manager At Morrison's Store

A. A. Wharton of Odessa is the new manager of the local C. G. Morrison Co. store. He was formerly connected with a discount store in Odessa where his wife is still maintaining their home.

The Whartons have a son in the U.S. Navy and a daughter, Mrs. C. J. Spangler, of Odessa.

Keneth Davis, the former manager, has returned to El Paso and plans to enter college this semester.

Glenn Haynes Traps 2 Bobcats

Glenn Haynes, who has been running traps on the E. E. Harkins Jr. ranch, caught a 35-lb. female bobcat in one of the traps Sunday. He killed the animal by beating it with a sotol stick, unaware of the danger involved in his close contact with the cat.

Monday afternoon he found another female cat in a trap set near where the first one was caught. He is using bait of his own making and appears to be having good luck with it. Glenn is the 13-year-old son of Mr. and Mrs. Bill Haynes.

Methodists To Have Revival Last Week in February

Announcement has been made by Rev. Miller Stroup, pastor of the First Methodist Church, that Rev. J. J. Spurlin of Jal, N.M., a former pastor, will hold a week of special services here beginning Sunday, February 23, and lasting through Friday, February 28.

Mrs. C. P. Peavy is in Abilene to assist her son-in-law and daughter, Dr. and Mrs. Elliott Mendenhall Jr. in moving to a new home.

Presbyterian Circle Meets Monday

Circle I of the Presbyterian Women of the Church met Monday afternoon in Fellowship Hall. Ms. R. A. Gatlin presided and the hymn based on Psalms 100: "All People That On Earth Do Dwell" was sung.

Mrs. Gatlin led in prayer and followed with scripture read from an article on "Christian Action" from the "Presbyterian Woman".

The roll was called with 11 members answering with Bible verses.

Mrs. David Mitchell told of plans for a family night for world missions book review.

Mrs. Jessup announced a need for plans for flowers for the church and the project will be taken up at the executive board meeting.

Mrs. Gatlin was moderator of the Circle study of Psalms with this lesson using hymns of praise from Psalms 96, 100, 117, 145, and 150. Mrs. J. D. Nichols gave the closing prayer.

During the social period, Mrs. Nichols served apple sauce fruit cake and whipped cream with tea and coffee to Meses. E. E. Farley, Gatlin, Leola Hill, C. C. Mitchell, N. M. Mitchell, E. F. Pierson, W. H. Savage, Charles Stegall, E. H. Jessup, David Mitchell, Pinky Carruthers, Bob Moon and W. E. Hill.

bowl on a small table laid with a Christmas green cloth.

The bride, a graduate of Artesia High School, is a speech major at Sul Ross College where she is a senior. The bridegroom, a biology major and senior at Sul Ross College, is a graduate of the Sanderson High School.

Others from Sanderson who attended the wedding were Mrs. Lena Stavley, grandmother of the bridegroom; Mr. and Mrs. Joe Chandler, uncle and aunt of the bridegroom and their daughter, Miss Charlena Chandler, who is at home on vacation from Hawaii; Mrs. Bertha Mansfield, aunt of the bridegroom; Miss Shella Lynn Cox, and Miss Beverly Bradford of Pumpville.

Mrs. H. E. Fletcher, who underwent surgery in Fort Worth Thursday, is at the home of her sister, Mrs. T. E. Bryan, and is recuperating satisfactorily.

Baptist W.M.U. Elects Officers

The members of the Baptist W. M. U. have resumed their weekly meetings and plans for them were made at the called meeting at the church on Monday, January 6.

The watchword for the year, Psalms 51, was read in unison and Mrs. O. D. Gray read the Call to Prayer.

Mrs. James Word, chairman, gave the report of the nominating committee and the following officers were elected by acclamation: Mrs. T. O. Moore, vice-president; Mrs. H. G. Cates, secretary-treasurer; Mrs. Ross Stavley and Mrs. C. L. Hancock, junior G.A. leaders; Mrs. W. R. Balkum and Mrs. Gray, intermediate G.A. leaders; Mrs. Gray, program chairman; Mrs. H. W. Cole, community missions; Mrs. James Word, missions and stewardship.

Hereafter the group will meet every Monday evening at 7:00 p. m. at the church unless otherwise noted. On the first Monday of the month, there will be a business meeting and mission study; on the second Mondays, Bible study; on the third Mondays, Royal Service program; on the fourth Mondays, circle program.

The members voted to have the annual banquet honoring the graduating seniors and Mrs. Moore named the committees for the occasion. Mrs. Hancock led the dismissal prayer.

Alos present were Meses. W. E. Brown, and H. G. Cole.

Last Monday evening Mrs. Hancock led the opening prayer for the meeting. For the mission study, Mrs. James Word reviewed the book "Mandelbaum Gate" by Leo Edlemann.

Mrs. Hancock reported on the meeting for youth directors at Alpine Thursday.

The theme of the Bible study will be "Young People of Destiny".

Those present were Meses. H. L. Richardson, H. G. Cole, Hancock, H. G. Cates, O. D. Gray, Word, T. O. Moore, and W. E. Brown.

Mrs. Bustin Canon Is Hostess For Tuesday Club

The Tuesday Bridge Club met in the home of Mrs. Bustin Canon this week. The guests and members included Meses. C. E. Litton, W. A. Banner, Austin Nance, Mary Lou Kellar, Fred J. Barrett, John Harrison, Roger Rose, Weldon Cox, J. T. Williams, Robert Hunn, W. J. Murrah, and F. M. Wood.

High score prize went to Mrs. Nance, second high to Mrs. Brown, with Mrs. Murrah and Mrs. Hugh Rose holding slam prizes.

The hostess served dips, sandwiches, tea, and coffee.

Mrs. Bolinger Entertains For Bridge Club

Mrs. Malcom Bolinger entertained the Junior Duplicate Club in her home Saturday afternoon, January 4.

Mrs. Bob Moon was a new member and three guests were present: Meses. Cliff Wilson, H. E. Ezelle, and Austin Nance. Also present were Meses. Paul Hatem, Gene Thompson, and A. C. Garner.

High score of nine and one-half points was held by Mrs. Nance and second high, eight and one-half points, by Mrs. Ezelle.

Pecan pie, tea, and coffee were served for refreshments.

Mrs. Greene Cooke was in a Fort Stockton hospital last week for a medical check-up. Mrs. Aubry Harrell was hospitalized in Fort Stockton overnight last week for observation.

Mrs. Charles Howard Stavley

Mr. and Mrs. Charles H. (Butch) Stavley Jr., are at home in Alpine following a wedding trip to Cloudercroft, N.M.

The bride, Miss Kay Beth Siegenthaler, and Mr. Stavley repeated the double-ring vows in ceremony on Friday, December 27, in the home of the bride's parents, Mr. and Mrs. William L. Siegenthaler, in Artesia, N.M. The bridegroom's parents, Mr. and Mrs. Charles Howard Stavley, attended the wedding.

The rites were read before an improvised altar decorated with poinsettias and greenery. On each side of the altar was a seven-branched candelabra holding white tapers. The Rev. Fr. Nicolas Femenia, pastor of St. James Catholic Church in Sanderson, officiated at the ceremony as the couple knelt on a white satin prie dieu which was adorned with gold rope.

Preceding the wedding, James McDaniel lighted the tapers at the altar. Mrs. Victor Johnston was the organist and Mrs. Pete Jesse the soloist for the wedding.

Mr. Siegenthaler accompanied his daughter to the altar. She wore a white peau de soie wedding gown with appliques of lace and pearls on the bell-shaped skirt. The sculptured bodice had a round neck and long tapered sleeves. A Queen Anne's crown of lace accented with pearls held her finger tip veil of silk illusion. She carried a cascade bouquet of orchids and stephanotis.

The Christmas theme was carried out in the decorations throughout the house and was further noted in the frocks of kelly green worn by the bridal attendants who carried bouquets of red roses. Attending the bride as maid of honor was Miss Judy Irby of Corpus Christi. Miss Judy Gray of Loreno, N.M., and Mrs. Cynthia Teague of Portales, N.M., were the bridesmaids.

Bill Stavley, brother of the bridegroom, was best man. The groomsmen were Albert (Buddy) Monroe and Bill Siegenthaler, brother of the bride, of Artesia. The flower girls were Donna Calvert and Kathryn Craig, and they were dressed in red velvet dresses with white fur trim.

The reception was held in the home immediately following the ceremony. The centerpiece on the table, laid in a cutwork cloth, was the three-tiered wedding cake decorated with pink roses and white wedding bells and flanked by white candles in silver candelabra. Nonnie and Nancy Lamb presided at the silver punch bowl and Sondra Hickman served the cake. Mrs. Richard Valentine served champagne punch from a milk glass

reaping excessive profits through inflated appraisals of land values. The projects in question are insured by Federal Housing Administration mortgages.

Some of the disclosures: One out of 11 projects has gone bankrupt and been foreclosed.

The value of the foreclosures exceeds 700 million dollars. In a large number of the projects the FHA had appraised the land at more than four times the actual purchase price.

In 59 of the projects, FHA appraisals exceeded the original cost of the land by 4.6 million dollars.

In 75 per cent of the projects checked, land tracts had been owned by the sponsors of apartment projects for less than three years.

If we are to be told that everything will be furnished to everybody by the government we should also be assured that the shysters who profit at our expense will be weeded out and driven from the gravy train trough.

We believe that we speak with millions of other citizens who

Seal Sales Total \$306.50

The contributions to the annual Christmas Seal Sale to date have totalled \$306.50, according to Judge R. S. Wilkinson, seal sale chairman. The project is sponsored by the Terrell County Tuberculosis and Health Association.

Local citizens who received the stamps and who have not turned in their contributions are urged to do so at once in order that the final report of the sale may be made.

feel that we should be told the truth instead of being given all these pretty promises. In the field of education, we can say that any boy or girl now has an opportunity to get an education. He may not be able to have all the luxuries he expects while doing this but he can get an education.

And concerning poverty, many families are in that shape because they lack the initiative, desire or drive to improve their lot.

The state of the union message turned out to be a description of Utopia as far as we are concerned.

Treasurer's Quarterly Report

Report of Ethel Harrell, County Treasurer of Terrell County, Texas, of Receipts and Expenditures from Oct. 1 to Dec. 31, 1963, inclusive:

THE STATE OF TEXAS) COUNTY OF TERRELL) Before me, the undersigned authority, on this day personally appeared Ethel Harrell, County Treasurer of Terrell County, Texas, who being by me duly sworn, upon oath, says that the within and foregoing report is true and correct.

ETHEL HARRELL
County Treasurer

Sworn to and subscribed before me this 13th day of January, 1964
RUEL ADAMS, Clerk County Court,
Terrell County, Texas.

leges in Texas

The National Education Association has said the country should add the first two college years to the present system of free public education.

Texas Research League has advised the State Board of Education that there are at least 17 counties in Texas which could qualify for new junior colleges: Angelina, Brazos, Dallas, Denton, El Paso, Hale, Hidalgo (when Pan American becomes a State college), Jefferson, Jim Wells, Lubbock, McLennan, Tarrant, Taylor, Wichita, Tom Green (when San Angelo College joins the State system), Orange and Midland.

In Travis, Grayson, Liberty and other counties, junior colleges already have been authorized but local taxpayers haven't yet supplied the financing.

Other counties might join together and qualify for a junior college, if suggestions of the Research League are passed into law.

Texas Agriculture
Lt. Gov. Preston Smith, speaking to the State Association of Young Farmers in Austin, said that agriculture in Texas will continue to progress despite population shifts and changes in land use.

Smith said there are 224,000 farms in Texas today, with total value exceeding \$14,500,000,000; that \$2,500,000,000 worth of farm products were marketed in Texas last year; and that another 2,000,000,000 in farm machinery, seed, fertilizer, and other farming necessities were sold in Texas.

Screwworm Count Zero
Texas stockmen did not report a single case of screwworms from Dec. 20 through the first week in January, according to Dr. R. G. Garrett of the Texas Animal Health Commission.

Dr. Garrett said the 17-day stretch without a case reported was a record breaker, and recalled

that 157 cases were reported in Texas last January.

At the same time, he urged stockmen to inspect their animals carefully to make sure the screwworm doesn't get a new start.

SHORT SNORTS

State's general revenue fund showed a \$23,800,000 deficit at the end of December. Total cash in all state funds was \$235,300,000. House Speaker Byron Tunnell of Tyler announced for re-election to his House seat . . . George W. Busby, chief of the inspection and planning division of the Department of Public Safety, is the State's Vehicle Equipment Safety Commissioner, under a new law designed to exercise control over vehicle safety equipment and expedite approval . . . Agriculture Commissioner John C. White, who has held office since 1951, has announced for a seventh term . . . Republican State

Executive Committee will meet in Houston on January 18 to approve budget plans, survey its 1964 candidates and beef up its poll tax drive.

Stated meeting of OES Chapter No. 136, next Tuesday, 8:00 p.m. Mrs. F. M. Howard, W. M.

Ford Wins Motor Trend's "Car of the Year" Award

January 8: Motor Trend magazine's "Car of the Year" Award goes to an engineering breakthrough! It honors all the '64s from Ford "For engineering advancement in the concept of Total Performance, proven in open competition."

Thunderbird, Falcon, Super Torque Ford, Fairlane (reading counterclockwise); winners of Motor Trend's "Car of the Year" Award

Here's what the Motor Trend Award means to you . . .

The editors of Motor Trend, America's largest general automotive magazine, watched Ford's total performance in open competition . . . saw competition-modified Fords win every 500-mile stock car race in the last year, saw Ford-built engines end an era at Indianapolis and sweep the sports car circuits.

Then they drove the 1964 Fords, Falcons, Fairlanes and Thunderbirds and discovered how the lessons of open competition have helped breed into them a new kind of total performance for the open road, for your kind of driving. And then they made their award!

The "Car of the Year" Award is an impressive testimonial, but see for yourself—take the wheel of a '64 from Ford. These cars speak for themselves with their ease of handling in a supermarket parking lot or their greater stability on a rain-slick blacktop.

Before you buy any new car this year, test-drive total performance in a Solid, Silent Super Torque Ford, now hundreds of pounds more car than anything in its field. Try America's only total performance compact, the Falcon V-8, totally new, totally changed. Or, any of the '64 Cars of the Year from Ford!

TRY TOTAL PERFORMANCE FOR A CHANGE!

FORD
FALCON • FAIRLANE • FORD • THUNDERBIRD

That's Total Performance!
