LISTEN TO LUKE

It was a surprise to many local residents to see the initials LBJ on the side of the hill where SHS used to be. The sight greeted the eyes of the Sunday morning risers.

Some people may know, but we don't — if it was done by LBJ people or by someone who had it in for the kids of SHS who had to go up on the mountain and redo the SHS.

The Conservative headquarters had some of their decorations torn down last weekend.

It is our humble opinion that right now is the time for all of this to cease. Votes will not be won by such antics and somebody may get mad if it keeps up.

People who are zealous in their politics are like people who are zealous in other things, they are willing to take so much. And, really, do we have the right to misuse or destroy other people's property?

The original act, and retaliatory acts may all be meant in fun, but might not be taken that way.

There is enough argument and difference of opinion in the present political race without creating more by this kind of thing.

There was a nice crowd here last weekend for the amateur rodeo Saturday and Sunday.

The shindig seemed to be enjoyed by the fans and possibly there is an opportunity for a rematch soon.

The Reader's Digest story of the experience of Wink and the ARA Urban Renewal Plan revealed only what we knew a long time ago, and what a lot of people will not yet admit.

When you let the government get to messing around with your business, you get your business in a pretty big mess.

They are able to withhold favors, since they have been empowered with the ability to give them out, and if you don't toe the line they will want you to, you can be easily cut off.

It failed in Comfort and in Wink, and we hope it doesn't get a chance to fail here.

There has been some correspondence initiated trying to learn more about the Federal Aviation Agency's plans to build up the local air strip. We don't know any of the answers yet, but hope to know soon.

That agency has allocated \$1.2 billion for that purpose to be spent in 11 towns in Texas.

If it were split equally, and if those are the right figures, we will have about \$1-million spent here.

Absentee balloting is due to begin pretty soon for the general election. We will be glad when the day of the election comes and we can have no more of this politicking. People have long since grown tired of it, in our opinion, and we would like to get down to business straightening things out with whichever president is elected.

There has been enough charges and counter-charges, in the

Skin Tests Given Pupils Of 1st, 5th Grades

Under the supervision of Dr. W. R. McWilliams, 100 skin patch tests were given to the pupils of the first and fifth grades of the elementary school last week.

The project is annually sponsored by the Terrell County Tuberculosis and Health Association. Mmes Troy Druse, M. W. Duncan, H. E. Ezelle and Clyde Higgins were in charge of the project and made the tests.

If a positive reaction is found, through follow-up measures an attempt will be made to find the source of the tuberculosis germs which have invaded the child.

Punt, Pass, Kick Contests Slated Saturday Night

Punt, pass, and kick contests are planned for all area boys on Saturday night at Eagle Field.

The contests are open to all boys who will be eight years old before January and those whose 14th birthday will not be before January of next year.

Boys will compete in their own age group in the punt, pass and kick contests.

The athletic event is sponsored each year by the Ford Motor Co in cooperation with the schools and winners in each division will receive a prize and may progress to higher competition.

Masons Invited To O.E.S. Supper Saturday Night

The Sanderson Chapter of the Order of Eastern Star is honoring all local Masons with a supper to be served in the basement of the Masonic Hall at 7:00 p.m. Saturday. All local Masons and their families are cordially invited.

There will be short program after the supper.

Alpine Conservatives Invite Area People To Rally

A rally of conservatives of this area of West Texas will be staged in Alpine Saturday night at 7:30 at the Holland Hotel, according to information received Wednesday.

Thad Smith, El Paso, will be the principal speaker.

Mrs. W. W. Sudduth Had Surgery Tuesday in a Fort Stockton Hospital.

**YOUNG TEXAN FOR SEPTEMBER**—Gary S. Kempf of San Antonio, a freshman at Texas A&M, has been selected by Texas Optimist Clubs to receive the Troy V. Post Award designating him Young Texan of the Month. Gary, 18, is a June graduate of Robert E. Loo High School in San Antonio. He was all-district quarterback in football, a top honor student and a leader in youth activities at his church. Gary and the 11 other monthly winners will compete for three valuable scholarships to be awarded at a statewide banquet in early 1965. He was chosen Young Texan of the Month in competition with nominees throughout the state by a panel of state leaders headed by U. S. Supreme Court Justice Tom C. Clark.

Wool Sale Next Wednesday

The Sanderson Wool Commission will offer about 300,000 pounds of fall wool in a sealed bid sale next Wednesday, according to J. T. Williams manager of the warehouse.

Williams stated that he expected from 14 to 20 buyers here for the sale and hoped there would be a lot of interest shown in the fall clip.

Proper Uses Of Grass Important

Each year the successful ranchers of the Rio Grande-Pecos River Soil Conservation District are faced with the question: "How closely may a range area be grazed without damage to grass stand and to soil?"

The first step in solving the problem is to inventory the forage on the ground and attempt to balance livestock numbers so that proper use of grasses may be attained. Proper use requires that 45 to 65 per cent by weight, of the herbage produced by the better perennial grasses be left on the ground each year. This means that 30 to 50 per cent of the better perennial grass plants should be left ungrazed when growth begins next year.

In the very short period when moisture and weather conditions are favorable for growth, grasses must manufacture enough food to complete growth, produce seed, and store food for the remainder of this year and a part of next year.

Grazing leaves and stems too closely severely interferes with food production and storage and protection of dormant buds.

Large differences in forage production from one year to the next creates the problem of how to stock in order to attain this goal. One system that has worked well on grass-shrub ranges is to reduce the number of breeding animals in the herd to 60 to 75 per cent of the total. The excess forage during the above average years is utilized by holding over young stock or by purchasing growing animals from some other source. During dry years all except breeding animals are sold.

Six years of every 10 receive below average rainfall in the Rio Grande-Pecos River Soil Conservation District. Two years out of every 10 have received less than one-half of the average rainfall.

It's the rain you keep that counts, not the water that runs off bare ground and washes out water gaps.

Layman's Day For Methodists Is This Sunday

The annual Layman's Day in all Methodist Churches will be observed in the Dryden and Sanderson Churches Sunday, October 11.

Dan Riggs will preside at the 9:00 a.m. service at Dryden. J. A. Gilbreath will bring the message, speaking on "Meditations on Christianity."

J. A. Gilbreath will preside at the 11:00 a.m. service in Sanderson. H. E. Ezelle will speak briefly on the Landsman Home and Bill C. Cooksey, lay leader, will bring the message, speaking on the subject, "The Myth We Live By."

The choir, directed by Mrs. T. J. Stewart, will bring the anthem, "Rise Up, O Men Of God."

Song Workshop For Scout Leaders To Be Monday

There will be a song workshop for Girl Scout leaders of the Sanderson Neighborhood from 7:00 to 9:00 Monday, October 12. The workshop will be at the Scout House.

Leaders will be Mrs. H. M. Petty, Mrs. Irvin Robbins, and Mrs. J. A. Gilbreath.

All Scout leaders and Senior Scouts who plan to serve as program aides are urged to attend.

Haley Haynes To Enter UDT

Haley Haynes, son of Mr. and Mrs. Bill Haynes, who is in the U. S. Navy in San Diego, Calif., writes home that he passed his intelligence tests with a good average and has chosen underwater demolition team training as his future.

Haynes had to swim 30 meters without breaking the water in 11 minutes. He made it in 8 minutes. He said it was a very rigid 19-week training course and he says he has been told that 75 per cent of the boys fall out in "Hell Week", the worst of all.

He is expected to be home for 14 days on November 10 before reporting for duty at another station.

K. H. Stutes' Brother Dies

Mr. and Mrs. K. H. Stutes attended funeral services in Crowley, La., for his brother, G. Dewey Stutes, who died in a hospital in that city Tuesday, Sept. 29, of after effects of surgery performed nine weeks ago.

The Stutes went by plane from Odessa to Lafayette La., after receiving word of the death.

Billy Choice of Austin is visiting his grandparents, Mr. and Mrs. Jolly Harkins, and family. He came to Sanderson with Mr. and Mrs. J. T. Williams.

Monument Erected At Court House For A. W. Terrell

The monument noting the origin of the name for Terrell County, and the date of its establishment has been erected on the southeast corner of the court house block.

The inscription on the red granite marker denotes that the county was named for Texas Confederate General Alexander W. Terrell, 1827-1912, who was born in Virginia. He came to Texas in 1852 and entered the Texas Confederate service in 1863 as a lieutenant-colonel.

Gen. Terrell served in the Texas legislature, was a district judge, and a minister to Turkey.

The monument was erected by the State of Texas to relate the county's particular contribution to the history of Texas in the Confederacy.

The official Texas Historical Markers pertaining to the Civil War period are erected by the State Building Commission with the Texas State Historical Survey Committee selecting marker topics, handling research, writing inscriptions, and securing locations.

The marker stands five feet in height and has the Texas star and wreath incised at the top with the inscription below.

DPS Officials Bring Program For Rotary Club

Several Highway Patrol officers were in Sanderson Wednesday for the area meeting here and were guests at the noon luncheon of the Sanderson Rotary Club.

Capt. Ray Butler of Midland spoke to the club about some of the work of the men in his district and expressed pleasure for the opportunity to meet with the club.

Lt. Miller gave an inspiring talk on the value of leadership and shared with Capt. Butler the promise of continued cooperation with local officers in all law enforcement work in this district.

Danny Hodgkins and Billy McSparran of the Explorer Troop were also guests and announced the Halloween Variety Show which is being staged Oct. 31.

Local Ladies Attend School For Nat'l Foundation Drive

Mrs. H. E. Ezelle and Mrs. M. W. Duncan attended a meeting with representatives from the National Polio Foundation Thursday and Friday. The meeting was called in order that representative leaders from the cities and towns of Texas might receive instructions in stressing birth defects at the time of the drive for funds for the organization. With polio practically wiped out in our nation through the use of Salk and Sabin vaccine as preventative measures, the funds, research and education may now be directed toward the relief of prevention and cure of crippling birth defects was stressed at the Dallas meeting. Methods to relieve and cure arthritis are also on the Foundations commitments.

Mrs. Ezelle visited with her mother in Dallas and they returned home Saturday night.

U. S. Representative Candidate Richard C. White Campaigns

Mr. and Mrs. Richard C. White were in Sanderson Saturday in behalf of his candidacy for the U.S. Representative post from the 16th District of Texas.

The Whites were met here by James Kerr of Fort Stockton who accompanied Mr. White on an introductory tour of the business area while Mrs. White handed out campaign material at the front door of the post office.

Owl Power Gets Win; Sonora To Visit Here

The power of the Reagan County Owls through the depth of reserves was an effective weapon in the defeat of the Sanderson Eagles in Big Lake last Friday night.

Local fans and coaches stated that the final 45 seconds of the first half could have caused the difference in the outcome of the game if the Eagles had been able to score. A TD pass in the end zone was dropped and the Eagles were unable to put the

Amistad Work Is On Schedule

A U. S. representative of the International Boundary and Water Commission said in Washington Tuesday that reports of crevices at the site of the giant Amistad Dam on the Rio Grande near Del Rio were not true.

"In the preliminary work we are grouting for the foundation," the representative, Joseph Friedkin of El Paso, said. "This is a common practice where a dam is to be constructed on a limestone foundation."

Movement of equipment for grouting operation started last week. This work is to cover five miles at the rim of the huge reservoir.

This preliminary work, Friedkin said Tuesday, is proceeding on schedule with no unusual problems being encountered.

Grouting of the damsite is one of the bigger preliminary jobs. This safeguard is accomplished by drilling 3-inch holes 10 feet to 200 feet apart, deep into the limestone formation along the axis of the damsite and then pumping in concrete until the holes are filled.

"There is no danger to the dam," added Friedkin. "The project is not in question."

He estimated the grouting job would add about a million dollars to the project cost, but he declined to estimate how much Congress would be asked to provide next year, and said this is the subject of conferences which brought him here from his headquarters in El Paso. A total of \$7.5 million was appropriated for use in the 12 months ending next June 30.

The schedule which is being followed, Friedkin added, calls for bid openings November 6 in El Paso and Juarez, Mexico, on major construction phases of the project.

Actual construction of the dam is expected to begin next January. Conservation of water may begin early in 1968. The project is to be completed in 1969.

Total cost of the dam, not counting hydroelectric power facilities and right of way, is estimated at \$646 million. The United States' share of the cost will be 56.2 per cent and Mexico's 43.8 per cent. The division is based on the proportion of benefits to accrue to each country.

The dam will be a concrete gravity structure 2,200 feet long, with gated spillway in the river channel with a crest 254 feet above the river bed.

The created reservoir will be 74 miles long with an estimated capacity of 5,700,000 acre-feet of which 2,150,000 acre-feet will be for flood control and 3,550,000 acre-feet for conservation and silt detention. An acre-foot is the amount of water needed to cover one acre to the depth of a foot.

Installation of penstocks and the evacuation for future power facilities will be included in the initial construction work. The project has a potential power generating capacity of 30-million kilowatt hours annually on the average for the two countries.

ball across in two successive plays following Sanderson led 12-7 at half time and the extra TD points might have had a demoralizing effect on the host team.

Big Lake scored once in the first period and Tommy Weigand made runs of 15 and 37 yards in the second period for Sanderson's two tallies. The Eagles were not able to convert extra points.

Coming back in the third period, Big Lake scored on a 7-yard jaunt, and the Owls hit pay dirt three times in the fourth frame for the insurance score.

The fans were thrilled with some long runs in the game by both teams.

The Eagle coaching staff stated that words of praise were due to the offensive game of Weigand, the ball carrier on the two Eagle scores; to Travis Harkins for his job at quarterback; David Hardgrave for his offensive runs and defensive work prior to his injury, and to Jack Bogusch, Darrell Howard and Oscar Marquez for their defensive work.

David Hardgrave received an injury to his knee right after the second half began and he was out for the balance of the game. The other end, Ricky Felts, received a painful injury to his hand when it was stepped on, thus causing a weakening in the Eagle defenses.

Big Lake is rated fourth in the state in Class A and Ozona is rated 10, and Coach Jim Spann said that his team was associating in a good crowd recently and he had no apologies or excuses to offer since he thought the boys had done exceptionally well in both games, either of which might have gone the other way.

He stated that he was proud of the progress made by the Eagles since the season began.

In the game Friday night, Sonora will come to Sanderson with a weight advantage, but the Eagles are accustomed to spotting opponents weight, size, and speed, and still give a good accounting of themselves.

Agricultural Census Supervisors Named

Four district supervisors for the 16th Congressional District were appointed Monday following an examination for applicants conducted by the Regional director of the agricultural census, Douglas M. Kemp, San Angelo.

Applicants from the entire district met Mr. Kemp in Fort Stockton and took the examination. The following were selected: Dub Riley of Fort Stockton; Mrs. Gene Cartledge of Alpine; Stanley Helmers of McCamey; and Gary Stratton of Van Horn.

Mrs. Cartledge has Terrell, Brewster, and Presidio Counties.

The four district supervisors will attend a school of instruction in San Angelo for three days beginning November 4. They will then hold training courses in their districts for individual enumerators.

Enumerators will then begin the task of taking the census of farm and ranch activity — a project undertaken each five years by the bureau of the census.

Mrs. Chester Darr's Mother Dies

Funeral services were held in Del Rio Saturday afternoon for Mrs. Iva Stone, 84, who had been a resident of that city for 60 years. She died at her home on Thursday night.

Survivors include a daughter, Mrs. Chester Darr of Sanderson, and two sons, James C. and David Stone, both of Del Rio; also five grandchildren and 13 great-grandchildren.

By Vern Sanford, Texas Press Association

A top finance authority on state government is hopeful that the tax bill written by the 1965 Legislature will be smaller than many advance predictions have indicated.

Jim McBrew, research director for Texas Research League, said \$35,000,000 a year in new revenue ought to cover the bulk of Gov. John Connally's higher education program, teacher pay raises and about 40 per cent of the budget increases sought by state agencies.

McBrew, who addressed Austin's chapter of Sigma Delta Chi, professional journalism fraternity made these "guess-timates": About \$625,000,000 will be available for general revenue spending next biennium, including an \$83,000,000 surplus at the end of the present fiscal period. That's \$153,000,000 above the present level.

With no new taxes at all, the Legislature could provide up to \$120,000,000 in additional general revenue spending for higher education and maybe \$45,000,000 more for state departments and agencies.

An added \$60,000,000 plus in revenue (per biennium) would finance the state's \$74,000,000 share of a \$45-a-month pay raise for public school teachers as well.

Texas Commissioner on Higher Education recommended \$89,000,000 more for higher education from general revenue. Governor's Committee on Education Beyond the High School recommended an increase of \$165,000,000. But it suggested doubling tuitions to reduce the general revenue hike to \$120,000,000. State hospitals and Special Schools, the judiciary and other state agencies have put in for \$112,000,000 more than the current budget.

Asked where additional money likely would come from, both McGrew and his boss noted that restoration of the \$2.75 corporation franchise tax rate, removal of exemptions in the present sales tax or raising of the rate would be big revenue producers. They made no recommendation. A-G Opinions

Atty. Gen. Waggoner Carr clarified an earlier opinion and held that a county can spend money on transportation surveys for development of county road systems.

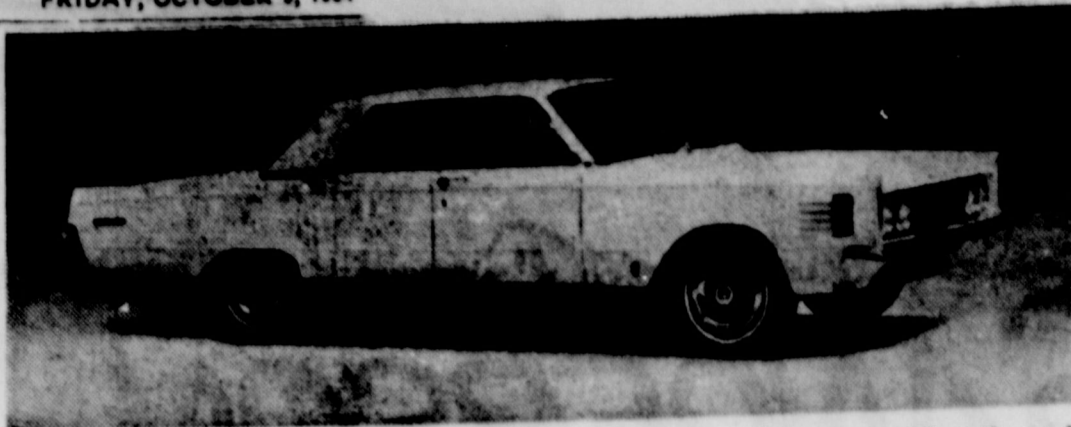

In a torrent of other opinions released recently, Carr held that County judges are required to call elections for creating mosquito control districts on peti-

Connally Applauds Report

The Warren Commission's Report on the assassination of President Kennedy has received Governor Connally's approval.

Connally, who was seriously wounded by the assassin, stated that reading the report brought back memories he had tried to put aside.

Carr's summation on the assassination followed the Warren report. Several volumes of ex-

hibits, consisting of evidence and information collected by Texas officials, are a part of the state report and will be displayed in the state archives.

Connally told newsmen he supports tighter security measures by state and local police guarding major public officials. A State Department of Public Safety investigation of Billie Sol Estes will continue "until all ramifications are cleared, Connally told a press conference.

Sen. Ralph Yarborough has challenged authority of the DPS to look into allegations that he received \$50,000 from Estes who now faces prison sentences for swindling.

Connally said of the DPS: "It has a clear duty and responsibility with respect to law enforce-

ment. It is not a political organization. It has not been used as such, and will not be used as such if I have anything to do with it."

"The sage who said, 'Go West' never had to figure out how to do it on a cloverleaf intersection."

### 'Fun Festival' For H-D Clubs Held Tuesday Here

The Ranch Home Demonstration Club was host club for a "Fun Festival" in which the Imperial and Iraan Home Demonstration Clubs also participated. Ms. E. H. Jessup, president of the local club, called the meeting to order at 10:30 a.m. at the Legion Hall. Rev. Bob Moon, pastor of the First Presbyterian Church of Sanderson, gave the invocation and County Judge R. S. Wilkinson extended a welcome. Mrs. Sam Potts of Imperial responded. Guests were registered by Miss Eva Billings.

Rev. Moon used "Family Life" as the topic for a talk in which he stressed three main points: "We must not take our family for granted, determine the purpose of family, and we must not underestimate the power of God in the family."

The Iraan Club brought the demonstration on the gilding of artificial flowers and foliage. Mrs. Ed Lee dipped and painted the flowers, assisted by Mrs. C. E. Dry.

Miss Billings gave the invocation before the serving of a Mexican dinner featuring beans, dips, salads, rice, tamales, a casserole, tortillas, pecan pie, and garlic bread.

In the afternoon, the president announced the program topics by months for next year, also that Imperial would be host for "Fun Festival" next year.

The reports from the state convention in Houston were interesting and informative. The three

delegates present and reporting were Mrs. M. P. McBee, general information and civil defense workshop; Mrs. N. B. Holder on recreation, health, and safety, and Mrs. E. H. Jessup on citizenship and family life.

The Imperial club brought the recreation. Mrs. Fred Zeither, assisted by Mrs. Sam Potts, was director of a number of games, some designed to acquaint those present, others for exercise, and all for fun.

The decor for the occasion was outstanding, the theme being "Fall Harvest". Sprays of orange pyracanthus were on the tables, tall orange candles in brass candlesticks were placed at intervals, interspersed with ceramic turkey gobblers, Mallard ducks, and flying geese, with an occasional cornucopia spilling out fruits and vegetables. All the glowing colors of fall were represented with orange, brown, and green predominating. The fireplace had a huge corn stalk as the focal point, and was banked with goldenglo, fir branches, and pumpkins.

Committee chairmen were Mrs. Greene Cooke for food, Mrs. O. J. Cresswell for decorations, assisted by Mmes. F. G. Grigsby, D. L. Duncan, H. P. Boyd, and others.

There were 19 members present and 17 guests. From Sanderson were Rev. and Mrs. Bob Moon, Judge R. S. Wilkinson, and Mmes. Laura Wallace of San Antonio; A. D. Brown; Nell Stokes; S. J. Burchett; Cecile Bell and L. R. Hall. Out-of-town guests included Mmes. N. B. Holder, Sam Potts, and Fred Zeither, Imperial; Mmes. Glen Lawrence, L. M. Bryant, M. P. McBee, E. A. Lee,

C. E. Dry of Iraan. Sanderson members present were Miss Eva Billings, Mmes. E. H. Jessup, H. E. Gatlin, C. F. Cox, M. W. Duncan, Jack Hardgrave, H. E. Ezelle, D. L. Duncan, F. G. Grigsby, O. J. Cresswell, Greene Cooke, J. W. Carroll, Clarence Chandler, J. W. Carruthers Jr., B. F. Dawson, Eddie McNutt, H. P. Boyd, J. Garner, and E. F. Pierson.

The Mizpah benediction was recited in unison to close the meeting.

### Mrs. F. M. Wood Has Bridge Party Last Wednesday

Mrs. F. M. Wood decorated the party rooms in her home with roses and white regina corona vine last Wednesday when she was hostess for the Wednesday Bridge Club.

In the card games following the luncheon served at 1:00 o'clock, high score prize went to Mrs. Jim Kerr, who with Mrs. Herbert Brown held the slam prizes, and Mrs. Bustin Canon was second high.

Also present were Mmes. Tol Murrain, Worth Odom, J. T. Williams, Hugh Rose, Web Townsend, S. L. Stumberg, E. J. Hanson, Roger Rose, and Kenneth Andrews of El Paso.

Ross Dunn, son of Mr. and Mrs. Carlos Dunn, was one of eight children confirmed by Right Rev. Charles Kinsolving, bishop of the New Mexico-Southwest Texas Diocese of the Episcopal Church, in special services in Marta last Monday night at St. Paul's Church.

### Wedding Saturday For Bob Beckett, Miss Sue Melugin

The wedding of Miss Lela Sue Melugin and Robert M. Beckett was Saturday evening in the home of Mr. and Mrs. Bob Kilcrease, Gainesville.

The bride, the daughter of Dr. and Mrs. K. T. Melugin of Ryan, Okla., is a step-sister of Mrs. Kilcrease, and the Melugins are former residents of Gainesville and Sanderson.

Mr. and Mrs. H. M. Beckett of Monahans, also former residents, are parents of the bridegroom.

Dr. Melugin, pastor of the First Methodist Church of Ryan, officiated for the double-ring ceremony. An altar space had been arranged of candles and greenery with baskets of yellow gladiolus and chrysanthemums. Robin Kilcrease lighted the tapers.

The bride was presented by her brother, Ramsey K. Melugin, of Dallas. She had chosen a blue crepe dress designed on Empire lines. Mrs. Kilcrease was her attendant and wore a yellow silk dress.

Joe E. Melugin of Dallas, brother of the bride, served as best man. Usher duties were performed by Jim Kilcrease and Bill Hudspeth, both of Gainesville.

The soloist sang "Whither Thou Goest" and "The Wedding Prayer".

A reception followed immediately and the tea table and other decorations featured the chosen colors of white and yellow. Mrs. J. E. Melugin of Dallas served the punch and Mrs. H. E. Holland of Gainesville served the cake.

Securing the guests' names for the bride's book was Mrs. Ronald Carroll of Sanderson, sister of the bridegroom.

For their wedding trip to Galveston, the bride changed to an avocado-colored suit with black accessories. The couple will make their home in Houston where Mr. Beckett is in the finance department of Graybar Electric Co.

He is a graduate of Texas A&M University and the bride was a senior at North Texas State University in Denton.

Mrs. C. P. Peavy is visiting in Las Cruces, N.M. with her daughter, Mrs. Thurman White, and family.

Mr. and Mrs. Monte Corjer have returned to San Angelo where he entered the hospital for treatment. En route to San Angelo from Sanderson, where they had visited their daughter, Mrs. Sid Harkins, and family, they visited in Pecos with their son-in-law and daughter, Mr. and Mrs. Ed Leatherwood.

### BUICK WILDCAT FOR 1965

The semi-fastback styling of two-door models in Buick's 1965 line is epitomized in the Wildcat with its longer hood, lower, longer rooflines and short rear deck. Three inches have been added to the hood by increasing the wheelbase from 123 to 126 inches for improved riding and handling. Overall length remains approximately the same as last year. A new cross-flow radiator design permits lowering the hood line on all models in LeSabre, Wildcat and

Electra 225 series. The stainless steel five-spoke wheels shown on the Wildcat are optional equipment. The Wildcat is powered by a 401-cubic inch high compression V-8 engine with four-barrel carburetor. Optional power plants—for outstanding performance—include a 425-cubic inch engine with either one or two four-barrel carburetors. The Super Turbine 400 torque converter transmission or floor-mounted four-speed gear box are optional on the Wildcat.

## Year's most talked-about new cars

'65 Chevrolet Impala Sport Sedan

## '65 Chevrolet Impala

It's '65's biggest, most beautiful change. There's striking new styling. New length, width and lowness. A roomier new Body by Fisher housing an interior that's a knockout. And a more serene Jet-smooth ride with a new Full Coil suspension system. Fact is, if you overlook just one thing you can easily convince yourself you're onto a big expensive car here. And that thing is its Chevrolet price.

New Corvair Corsa Sport Coupe

## '65 Corvair Corsa

There's never been anything like it from either side of the Atlantic. There's new thin-line hardtop styling for all closed models. More length and width, more entrance and shoulder room in all models. And a higher powered range of engines—with up to 180 hp available in the top-of-the-line Corsas. How sporty can a car get? Your dealer's got the Corvair that'll show you.

### Listen To Luke — Continued from Page 1—

present campaign, and enough non-sensical issues, that the real issues of the campaign are long-lost and probably never will return.

We wonder, actually, if it is always best to sit idly by in our complacency in our efforts to try to get along with people, and keep on letting them run over us.

Peace and harmony are fine, but sometimes the price is high. No one likes to be called a rabble-rouser, but no one likes to eat crow as a steady diet, either. People who like to feed crow like to call opponents rabble-rousers, but that's another definition of an extremist.

One of the "weeks" worth noting is "Fire Prevention Week" that will end Saturday.

We are always a little reluctant to call attention to some special occasion like fire prevention week for fear that we will no more than get it said, than we have to eat our words.

We claim no superstition is involved — just the luck of the Irish.

Sanderson has been blessed with a noticeable lack of fires in the past and it has been a long time since we had a serious fire.

We can appreciate fire prevention, because we have observed that week every week for a long time.  
 We commend the safety-mindedness that has been responsible for this lack of fires and we hope that it will continue.

 Tuesday was Jim Powers' birthday and Mrs. Powers invited the members of the Hobby Club and their husbands and several additional guests to their home at Dryden for a barbecue supper. Covered dishes were brought by the guests to add to the food provided by Mr. and Mrs. Powers. About 50 attended.  
 After supper the guests played dominoes and visited for diversion.

**Card of Thanks**  
 I am sincerely grateful to everyone who sent flowers and cards to me and came to see me while I was in the hospital and since I came home. Your kindness and thoughtfulness will never be forgotten.

Mrs. W. R. Turner and son, Tommy spent the week-end in Levelland with her daughter, Mrs. M. G. Northcut, Jr., and family. Enroute home Sunday with Tommy driving, their car overturned and Mrs. Turner was hospitalized in Levelland for observation for several days. Tommy returned home yesterday. The car was a total wreck, according to reports.

Mr. and Mrs. M. G. Northcut were business visitors in Fort Stockton, Wednesday.
