LISTEN TO LUKE

By Albert--
Some very beneficial rains fell during the past week on part of the county and some of the water that fell caused some damage to some areas, especially near Dryden. The people who had high water in their homes at the road camp west of Dryden had some damage to their household goods and personal belongings, and we are sure there was some anxiety along the way. To think about that much water running up on the Dryden flat seems almost unbelievable.

All of the ranchmen are talking about the good effects of the follow-up rains that they have been hoping for. The country that we have visited during the past several days does show the pretty green results of the rains that have fallen recently.

Another tragedy struck the county last week in the form of an accident just this side of Dryden that took the lives of five members of one family.

It seems that most of us don't stop to think about these things until they happen to someone close to us. The mayhem that occurs on the highways of our nation is an appalling thing and we should all be alert to the possibility of such things happening to us if we relax too much.

The act of driving for days on end, night and day, getting only what little rest one is able to get in a moving automobile, over long stretches of road with little traffic, especially during the early-morning hours, accounts for some of the accidents that we have. In this area, fortunately, there has been no other vehicle involved in those accidents which have been so tragic---but there could have been!

We are happy to see something being done about the riots finally! We are afraid, though that during the year that the investigations are being made, the nation could be burned.

We saw a late movie the other night on TV which reminded us of the current situation so very much.

The name of the movie was "Viva Zapata".

The hero, in his efforts to aid a minority group, forced his way into a position of authority so that he could get something done. During his climb to power he enlisted the aid of all of the oppressed with his promises.

After obtaining his goal, he became a man of such distinction and prestige that he forgot his purpose and fell into the life of an anarchist.

And the odd part of it was that when the people saw they had been duped, they turned to another leader who would destroy the anarchist and give the people back their rights.

It was a repetition of an old story: the rich got richer and the poor got poorer.

Time has not shown some people that you can't take from the rich and give to the poor and have an independent society. And it's been tried by people before and after Robin Hood, and by the use of long bows, taxes, laws, etc., etc., etc.

And it hasn't worked yet!

J. M. Salazar, 60, Buried Monday

Funeral services were held in St. James Catholic Church Monday afternoon for Jose M. Salazar, 60, and interment was made in Santa Rita cemetery. Rev. Daniel Dierschke officiated at the rites.

He died Friday in a Fort Stockton hospital after spending the past several months in the hospital there, in Del Rio and in Odessa for medical treatment.

Born in Mexico on July 12, 1905, he had lived in Dryden where he was a railroad employee and later a ranch hand until he moved to Sanderson about three years ago. He was married to Enriqueta Sandoval in Dryden in 1935.

Besides his widow, he is survived by a son, Indalecio; two brothers, Beto and Jesus Salazar of Del Rio; three sisters, Mrs. Mercedes Fernandez of Ciudad Acuna, Mexico, Mrs. Olivia Leal and Mrs. Blaza Cardona, both of Del Rio.

Commissioners Approve Seeking Ambulance Bids

The Terrell County Commissioners Court in regular session Monday authorized the advertising of bids for a new ambulance for Terrell County. Recommendation for the purchase came from the ambulance committee: Judge R. S. Wilkinson, Troy Druse, and Herbert Brown.

The committee is now securing information to determine the specifications for the type of vehicle needed and will advertise for bids as soon as the specifications are worked out.

The present ambulance has been in service in Terrell County for four years and the Committee feels that since it is used mainly in emergencies, it would be feasible and practical to replace the existing vehicle with a new one to assure the greatest possible assurance for the safe transfer of patients.

It was stated that the ambulance service had not been a money-making venture and was not intended to be, and the revenue received from its operation would come very close to matching the cost of operating the vehicle.

Heavy Rain In Dryden Area Damages Highways, Railroads, and Homes

Up to six inches of rainfall was reported early Friday morning, causing considerable damage to the highways in the Dryden area, damage to railroad roadbeds, and the families at the Texas Highway Department camp west of Dryden had to be evacuated because of high water--up to three feet--in their homes.

About four and one-half inches was reported at Dryden, most of the rainfall coming in the early morning hours. Ranches west of Dryden reported up to six inches of rainfall and heavy rains were reported north and south of Dryden also.

Highway damage was mostly on US 349, north of Dryden toward Sheffield, but there was some damage on US 90. Highway and rail traffic was halted for a short time due to the high water.

In the Sanderson area, rainfall to the east was heaviest, up to five inches reported by E. E. Harkins Jr., with about two and one-half inches falling locally. The showers here began soon after midnight, lasting until after sun-up. Heavy lightning and thunder accompanied the rain.

Five Are Killed In One-Car Accident West of Dryden Last Thursday Morning

Five members of a Uvalde family were killed Thursday morning when their car hit a bridge abutment about 16 miles east of here on US 90. The driver of the car, also in the same family, was the only survivor in the wreck.

Those killed outright in the accident were Antonio Moreno, 58; his wife, Aurelia Moreno, also 58; and a daughter, Reyes Moreno, 17. Dead on arrival at a Fort Stockton hospital were Juan Moreno, 16, and Joe Moreno, 24. Cruz Moreno, 20, was treated locally and hospitalized for a short time Thurs-

day in a Fort Stockton hospital, and then released.

Sheriff Bill C. Cooksey, who investigated the accident along with Texas Highway Patrolman Dean Watson of Iraan, stated that the driver of the 1959 station wagon apparently fell asleep and lost control of the car when it left the highway. The vehicle was pulling a small trailer loaded with personal belongings and some household goods, as the family was returning from a vacation trip to California.

Justice of the Peace W. G. Shoemaker pronounced three of the victims dead at the scene of the accident as a result of injuries received in the accident.

The impact of the car on the bridge tore loose the bannister which demolished the right side of the car and the trailer added to the destruction of the vehicle.

The bodies were taken to a funeral home in Uvalde.

Surviving members of the family include a son in the U. S. Navy, a son in Wisconsin, and several daughters in California.

A similar accident occurred just this side of Dryden about seven years ago taking the lives of five in one car.

SEASON PARKING AVAILABLE STILL AT EAGLE FIELD

Season parking spaces are still available at Eagle Field, according to Mrs. C. O. C. h, school secretary.

Interested fans may secure them on a "first come, first served" basis.

Mr. and Mrs. J. C. Birkhead and children of El Paso visited here last week with her aunts, Mrs. Grace Wheeler, Mrs. J. C. Halbert, Mrs. Carlton White, her uncle, L. H. Lemons, and their families.

Ray Caldwell loaned us the picture below which shows him in the middle of the group standing by the engine. On his left is H. Q. Sharp and on his right is S. E. Petersen. Gus Collins is on the running board and the two in the cab are unidentified. The picture was taken in 1919 and the low number on the locomotive indicates its vintage. The locomotive was used as a switch engine in the local yards for a number of years.

Proposed CONSTITUTIONAL AMENDMENT NUMBER THREE ON THE BALLOT

HOUSE JOINT RESOLUTION No. 17 proposing an amendment to Section 49-b, Article III of the Constitution of Texas, so as to authorize an increase in the total amount of bonds or obligations that may be issued by the Veterans' Land Board to Four Hundred Million Dollars (\$400,000,000); providing for the issuance of said bonds or obligations and the conditions relating thereto and the use of the Veterans' Land Fund; and providing for an election and the issuance of a proclamation therefor.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Section 49-b, Article III of the Constitution of Texas, be amended so that the same will hereafter read as follows:

"Section 49-b. By virtue of prior Amendments to this Constitution, there has been created a governmental agency of the State of Texas performing governmental duties which has been designated the Veterans' Land Board. Said Board shall continue to function for the purposes specified in all of the prior Constitutional Amendments except as modified herein. Said Board shall be composed of the Commissioner of the General Land Office and two (2) citizens of the State of Texas, one (1) of whom shall be well versed in veterans' affairs and one (1) of whom shall be well versed in finances. One (1) such citizen member shall, with the advice and consent of the Senate, be appointed biennially by the Governor to serve for a term of four (4) years; but the members serving on said Board on the date of adoption hereof shall complete the terms to which they were appointed. In the event of the resignation or death of any such citizen member, the Governor shall appoint a replacement to serve for the unexpired portion of the term to which the deceased or resigning member had been appointed. The compensation for said citizen members shall be as is now or may hereafter be fixed by the Legislature; and each shall make bond in such amount as is now or may hereafter be prescribed by the Legislature.

"The Commissioner of the General Land Office shall act as Chairman of said Board and shall be the administrator of the Veterans' Land Program under such terms and restrictions as are now or may hereafter be provided by law. In the absence or illness of said Commissioner, the Chief Clerk of the General Land Office shall be the Acting Chairman of said Board with the same duties and powers that said Commissioner would have if present.

"The Veterans' Land Board may provide for, issue and sell not to exceed Four Hundred Million Dollars (\$400,000,000) in bonds or obligations of the State of Texas for the purpose of creating a fund to be known as the Veterans' Land Fund, Two Hundred Million Dollars (\$200,000,000) of which have heretofore been issued and sold. Such bonds or obligations shall be sold for not less than par value and accrued interest; shall be issued in such forms, denominations, and upon such terms as are now or may hereafter be provided by law; shall be issued and sold at such times, at such places, and in such installments as may be determined by said Board; and shall bear a rate or rates of interest as may be fixed by said Board but the weighted average annual interest rate, as that phrase is commonly and ordinarily used and understood in the municipal bond market, of all the bonds issued and sold in any installment of any bonds may not exceed four and one-half per cent (4½%). All bonds or obligations issued and sold hereunder shall, after execution by the Board, approval by the Attorney General of Texas, registration by the Comptroller of Public Accounts of the State of Texas, and delivery to the purchaser or purchasers, be incontestable and shall constitute general obligations of the State of Texas under the Constitution of

Texas; and all bonds heretofore issued and sold by said Board are hereby in all respects validated and declared to be general obligations of the State of Texas. In order to prevent default in the payment of principal or interest on any such bonds, the Legislature shall appropriate a sufficient amount to pay the same.

"In the sale of any such bonds or obligations, a preferential right of purchase shall be given to the administrators of the various Teacher Retirement Funds, the Permanent University Funds, and the Permanent School Funds.

"Said Veterans' Land Fund shall consist of any lands heretofore or hereafter purchased by said Board, until the sale price therefor, together with any interest and penalties due, have been received by said Board (although nothing herein shall be construed to prevent said Board from accepting full payment for a portion of any tract), and of the moneys attributable to any bonds heretofore or hereafter issued and sold by said Board which moneys so attributable shall include but shall not be limited to the proceeds from the issuance and sale of such bonds; the moneys received from the sale or resale of any lands, or rights therein, purchased with such proceeds; the moneys received from the sale or resale of any lands, or rights therein, purchased with other moneys attributable to such bonds; the interest and penalties received from the sale or resale of such lands, or rights therein; the bonuses, income, rents, royalties, and any other pecuniary benefit received by said Board from any such lands; sums received by way of indemnity or forfeiture for the failure of any bidder for the purchase of any such bonds to comply with his bid and accept and pay for such bonds or for the failure of any bidder for the purchase of any lands comprising a part of said Fund to comply with his bid and accept and pay for any such lands; and interest received from investments of any such moneys. The principal and interest on the bonds heretofore and hereafter issued by said Board shall be paid out of the moneys of said Fund in conformance with the Constitutional provisions authorizing such bonds; but the moneys of said Fund which are not immediately committed to the payment of principal and interest on such bonds, the purchase of lands as herein provided, or the payment of expenses as herein provided may be invested in bonds or obligations of the United States until such funds are needed for such purposes.

"All moneys comprising a part of said Fund and not expended for the purposes herein provided shall be a part of said Fund until there are sufficient moneys therein to retire fully all of the bonds heretofore or hereafter issued and sold by said Board, at which time all such moneys remaining in said Fund, except such portion thereof as may be necessary to retire all such bonds which portion shall be set aside and retained in said Fund for the purpose of retiring all such bonds, shall be deposited to the credit of the General Revenue Fund to be appropriated to such purposes as may be prescribed by law. All moneys becoming a part of said Fund hereafter shall likewise be deposited to the credit of the General Revenue Fund.

"When a Division of said Fund (each Division consisting of the moneys attributable to the bonds issued and sold pursuant to a single Constitutional authorization and the lands purchased therewith) contains sufficient moneys to retire all of the bonds secured by such Division, the moneys thereof, except such portion as may be needed to retire all of the bonds secured by such Division which portion shall be set aside and remain a part of such Division for the purpose of retiring all such bonds, may be used for the purpose of paying the principal and the interest thereon, together with

the expenses herein authorized, of any other bonds heretofore or hereafter issued and sold by said Board. Such use shall be a matter for the discretion and direction of said Board; but there may be no such use of any such moneys contrary to the rights of any holder of any of the bonds issued and sold by said Board or violative of any contract to which said Board is a party.

"The Veterans' Land Fund shall be used by said Board for the purpose of purchasing lands situated in the State of Texas owned by the United States or any governmental agency thereof, owned by the Texas Prison System or any other governmental agency of the State of Texas, or owned by any person, firm, or corporation. All lands thus purchased shall be acquired at the lowest price obtainable, to be paid for in cash, and shall be a part of said Fund. Such lands heretofore or hereafter purchased and comprising a part of said Fund are hereby declared to be held for a governmental purpose, although the individual purchasers thereof shall be subject to taxation to the same extent and in the same manner as are purchasers of lands dedicated to the Permanent Free Public School Fund.

"The lands of the Veterans' Land Fund shall be sold by said Board in such quantities, on such terms, at such prices, at such rates of interest and under such rules and regulations as are now or may hereafter be provided by law to veterans who served not less than ninety (90) continuous days, unless sooner discharged by reason of a service-connected disability, on active duty in the Army, Navy, Air Force, Coast Guard or Marine Corps of the United States between September 16, 1940, and the date of formal withdrawal of United States troops from the present armed conflict in Viet Nam, and who, upon the date of filing his or her application to purchase any such land is a citizen of the United States, is a bona fide resident of the State of Texas, and has not been dishonorably discharged from any branch of the Armed Forces above-named and who at the time of his or her enlistment, induction, commissioning, or drafting was a bona fide resident of the State of Texas, or who has resided in Texas at least five (5) years prior to the date of filing his or her application. The foregoing notwithstanding, any lands in the Veterans' Land Fund which have been first offered for sale to veterans and which have not been sold may be sold or resold to such purchasers, in such quantities, and on such terms, and at such prices and rates of interest, and under such rules and regulations as are now or may hereafter be provided by law.

"Said Veterans' Land Fund, to the extent of the moneys attributable to any bonds hereafter issued and sold by said Board may be used by said Board, as is now or may hereafter be provided by law, for the purpose of paying the expenses of surveying, monumenting, road construction, legal fees, recordation fees, advertising and other like costs necessary or incidental to the purchase and sale, or resale, of any lands purchased with any of the moneys attributable to such additional bonds, such expenses to be added to the price of such lands when sold, or resold, by said Board; for the purpose of paying the expenses of issuing, selling, and delivering any such additional bonds; and for the purpose of meeting the expenses of paying the interest or principal due or to become due on any such additional bonds.

"All of the moneys attributable to any series of bonds hereafter issued and sold by said Board (a series of bonds being all of the bonds issued and sold in a single transaction as a single installment of bonds) may be used for the purchase of lands as herein provided, to be sold as herein provided, for a period ending eight (8) years after the date of sale of such series of bonds; provided, however, that so much of such moneys as may be necessary to pay interest on bonds hereafter issued and sold shall be set aside for that pur-

pose in accordance with the resolution adopted by said Board authorizing the issuance and sale of such series of bonds. After such eight (8) year period, all of such moneys shall be set aside for the retirement of any bonds hereafter issued and sold and to pay interest thereon, together with any expenses as provided herein, in accordance with the resolution or resolutions authorizing the issuance and sale of such additional bonds, until there are sufficient moneys to retire all of the bonds hereafter issued and sold, at which time all such moneys then remaining a part of said Veterans' Land Fund and thereafter becoming a part of said Fund shall be governed as elsewhere provided herein.

"This Amendment being intended only to establish a basic framework and not to be a comprehensive treatment of the Veterans' Land Program, there is hereby reposed in the Legislature full power to implement and effectuate the design and objects of this Amendment, including the power to delegate such duties, responsibilities, functions, and authority to the Veterans' Land Board as it believes necessary.

"Should the Legislature enact any enabling laws in anticipation of this Amendment, no such law shall be void by reason of its anticipatory nature.

"This Amendment shall become effective upon its adoption."

Sec. 2. The foregoing constitutional amendment shall be submitted to a vote of the qualified electors of this state at an election to be held on November 11, 1967, at which election all ballots shall have printed thereon the following:

"FOR the amendment to ex-

tend the Veterans' Land Program, by authorizing the sale of bonds to increase the Veterans' Land Fund for the purpose of purchasing land in Texas to be sold to Texas veterans who served in the Armed Services of the United States between September 16, 1940, and the date of formal withdrawal of United States troops from the present armed conflict in Viet Nam, which amendment would amend Section 49-b, Article III of the Constitution of Texas, and provide for an additional \$200,000,000 in bonds, such funds to be expended in accordance with instructions and requirements that may be provided by law."

"AGAINST the amendment to extend the Veterans' Land Program by authorizing the sale of bonds to increase the Veterans' Land Fund for the purpose of purchasing land in Texas to be sold to Texas veterans who served in the Armed Services of the United States between September 16, 1940, and the date of formal withdrawal of United States troops from the present armed conflict in Viet Nam, which amendment would amend Section 49-b, Article III of the Constitution of Texas, and provide for an additional \$200,000,000 in bonds, such funds to be expended in accordance with instructions and requirements that may be provided by law."

Sec. 3. The Governor of the State of Texas shall issue the necessary proclamation for the election and this amendment shall be published in the manner and for the length of time as required by the Constitution and laws of this state.

"All moneys received from the sale of said bonds shall be deposited in a fund hereby created with the State Treasurer to be known as the Texas Park Development Fund to be administered (without further appropriation) by the said Parks and Wildlife Department, or its said successor, in such manner as prescribed by law.

"Such fund shall be used by said Parks and Wildlife Department, or its said successor, under such provisions as the Legislature may prescribe by general law, for the purposes of acquiring lands from the United States, or any governmental agency thereof, from any governmental agency of the State of Texas, or from any person, firm, or corporation, for State Park Sites and for developing said sites as State Parks.

Income from such investment shall be used for the purposes prescribed by the Legislature.

"From the moneys received by said Parks and Wildlife Department, or its said successor, from the sale of the bonds issued hereunder, there shall be deposited in the interest and sinking fund for the bonds authorized by this section sufficient moneys to pay the interest to become due during the State fiscal year in which the bonds were issued. After all bonds have been fully paid with interest, or after there are on deposit in the interest and sinking fund sufficient moneys to pay all future maturities of principal and interest, additional moneys received from admission charges to State Parks shall be deposited to the State Parks Fund, or any successor fund which may be established by the Legislature as a depository for Park revenue earned by said Parks and Wildlife Department, or its said successor.

"All bonds issued hereunder shall after approval by the Attorney General, registration by the Comptroller of Public Accounts of the State of Texas, and delivery to the purchasers, be incontestable and shall constitute general obligations of the State of Texas under the Constitution of Texas.
