## LISTEN TO LUKE

By Albert: ---

The long-awaited planning party for the construction of the flood-control dams on the watershed above Sanderson arrived Monday and got to work immediately.

They did not bring bulldozers or picks and shovels, because that is not their job.

But they did bring the technical skill necessary to do the best work possible in controlling the flow of water on the two canyons. And that is what we want.

If we had the money, getting a dam built would be a small problem, but controlling water in that quantity would be something else.

We are happy to see them here and hope their stay here is as pleasant for them as it is fruitful for us!

---

Sanderson residents were much concerned over the welfare of Tommy Hodgkins since his accident last Saturday morning and we are glad to hear that he is doing as well as the reports indicate.

We are glad that his injury was no more serious.

---

Some progress is being seen in the plans for the new junior high school building, although they are not complete by any means. The building is getting a lot of going-over by those who are responsible for its construction with the full realization that changes now are the least expensive.

As soon as the board and administration settle on some definite plans we will let you know.

Some erroneous or faulty information has been given concerning the proposed building and it is hoped that this will not be confusing to the interested school patrons when a definite plan is worked out.

Consideration is being given to the use of the house on the ground acquired by the school, the one on the east end of the block, for an administration building, which would make a few changes in the proposed new building necessary, other considerations are room arrangement and use in the octagon-shaped building.

---

Sanderson football fans were privileged to see a very well matched game here last Friday night. While inexperienced play was noticeably present, it was a privilege to see the reaction of the fans to the game, which was as a group of interested spectators watching two teams of athletes playing a game.

There is no greater advocate of sports than this writer, who even at this advanced age had no better sense than to re-take up tennis, and encourage S. W. to do the same. Enthusiasm expressed over a game, as a spectator or participant, does not have to include a belligerent attitude toward the opponent or fellow spectators who happen to be for the opposition.

---

We are still in need of some more old pictures of happenings or things around this area.

## Sheriff, Ranger Rewarded By Postal Department

Sheriff Bill C. Cooksey and Texas Ranger Alfred Y. Allee Jr. were rewarded by Postal Inspection Service for their efforts in apprehending a man who had robbed a post office and once seriously wounded Cooksey.

Each was presented a check for \$200 by Lester Biggers, postal inspector from San Antonio. The presentation was made last week at the regular meeting of the Sanderson Rotary Club.

The reward was for the capture of Alfredo Amador Hernandez, the "cave man", who had been accused of robbing the Pumpville postoffice and shot P. R. Bradford in the leg at the time. Bradford was the postmaster at Pumpville.

Hernandez was apprehended in Dryden in August of last year and is currently serving a 99-year sentence for armed robbery.

Biggers also pointed out the dangers law enforcement officers face in the fulfillment of their duties.

**R. G. Brown**  
... Boy Scout executive

Ronald Gene Brown is the new Boy Scout District Executive in the Permian Basin, according to Bob Napier, institutional representative for local Boy Scout units.

Brown is a native of LaMarque where he has served as a volunteer Scouter for several years as both a leader and administrator.

He is a graduate of the University of Houston with a Bachelor Degree in psychology.

Following completion of the national training school in New Jersey in October, he will reside in McCamey.

## Sanderson Ties Imperial 6-6 In Opener; To Play in Van Horn On Friday Night

The Sanderson Eagles wound up the first game of the football season in a tie with Imperial in a game full of mistakes and penalties.

The final score was 6-6.

Sanderson's score came in the first quarter when Jerry Flowers, who plays left end, came around the right end after getting the ball from the quarterback, Carlos Garza, and ran 29 yards for the TD.

The try for the extra point was not good.

In the second period, the Imperial Longhorns worked their way down the field in a drive that began on their 22. Sanderson got the ball on downs on their own 1-yard line and fumbled, with Imperial recovering on the 5. In three plays Junior Esparza went over from the 1-foot line for the visitors' score.

Their running play try for the extra point was no good.

There were no serious threats to score in the last half of the ball game.

The Eagles, playing with a small number of returnees and some inexperienced players, have some potential to put together a combination that will give some competition to some of the district teams this year under Coach Carroll Eggleston and his assistants, Roger Goertz, Norman Gladson, and Lawrence Barber.

The Eagles went two seasons without a win or tie and this is a new hope for the team.

During the half-time interlude and following a marching demonstration by the visiting band, the Sanderson High School Band was introduced by Kirke McKenzie, director. They were led by Christine Downie, drum major, and Donna Petty, Gwyn Mansfield, Sharon Hill, and Nekia Sudduth, twirlers, all of whom were in new uniforms. Recognition was given by McKenzie to all who had helped in the purchase of the new uniforms for the band, twirlers, and drum major.

Leading the Sanderson fans in a welcome for the visiting Imperial fans and team were the pep squad leaders: Sandra Rogers, Amelia Escamilla, Yolanda Parada, Sherry Stavley, and Nancy Yeary.

## Planning Party For Flood Control Dams Project Arrives Here Monday for Work

Seven men arrived in Sanderson Sunday evening to begin work on the planning of sites for the construction of water-flood control structures on Sanderson and 3-Mile Canyons above Sanderson.

Philip B. Grazier, acting watershed work plan staff leader, of San Marcos; Charles D. Clarke, geologist; Joe B. Camp, civil engineer; Allan B. Colwick, hydraulic engineer; Robert Rubel, economist; Terry Reynolds, and John W. Hart, cartographic technicians, all of Fort Worth, are currently working on the project.

A preliminary site for twelve structures on both watersheds above Sanderson have been established and on-site survey and coordinated aerial photographs will determine feasibility and possibility of each site. A study to determine distances and elevation of the entire watershed

will also be made to aid in the planning of the structures.

Besides the need for retaining water, each dam will be built with the consideration of accumulation of silt for the next 100 years.

It is again pointed out that no site will be considered where a highway or railroad will be affected by the retained water.

Mr. Grazier, in an interview Monday morning, stated that he had been in Sanderson for the hearing with the Corps of Engineers and was happy to be back in this area. He said that all of the planning party were employees of the federal government and that their work was continued to second page

## School Enrollment Down To 518 Pupils

Enrollment in the Sanderson schools is 518 this year, down 17 from last year's figure of 535.

There are 30 pupils in the pre-school classes, which are not figured in the total.

The enrollment by grades is:

1st	50	
2nd	46	
3rd	43	
4th	37	
5th	49	Total 205
6th	48	
7th	54	
8th	39	Total 141
9th	36	
10th	43	
11th	42	
12th	31	Total 152
Grand total	518	

The picture this week is sent to us by Harold Robitsch, a former resident of Sanderson. No. 122 switch engine in the picture was last known to be in Austin in 1948. The picture was taken in 1912 about a mile east of Sanderson on a Sunday afternoon, the occasion being a baptism at a gravel pit on the west side of the track. The boy was A. W. Tessman, "Fatty" Young, and Steve Bodkin are the first three in the picture and the man on the right is unknown. Mr. Robitsch resides in San Antonio.

## TB Assn. Plans Student Patch Tests

The quarterly meeting of the board of directors of the Terrell County Tuberculosis and Health Association was Monday evening in the county court room with Mrs. H. E. Ezelle presiding. Ten were present.

Dr. J. M. Flowers announced that the materials to give skin patch tests in the schools were available and Mrs. E. J. Hanson, school nurse, will make the tests in the near future in the first and seventh grades.

There was a discussion of the organization meeting for Area 6 of the Texas TB Association at Indian Lodge in Fort Davis Saturday, October 7, and several members of the local association plan to attend.

C. G. Riggins was named chairman of the Christmas Seal project and Mrs. Pete Veliz will prepare the seals for mailing again this year.

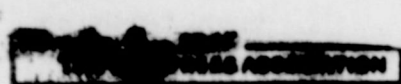

We are still in need of some more old pictures of happenings or things around this area.

**Airplane Prop Injures Youth Saturday Morning**

Tommy Hodgkins, 20-year-old son of Ray Hodgkins, narrowly escaped death or serious injury when he was hit in the back by an airplane propeller about 4:00 a.m. Saturday on the Jack Deaton ranch just west of Sanderson.

According to a story related by Sheriff Bill C. Cooksey, Hodgkins and Don Deaton, son of Mr. and Mrs. Jack Deaton, were in an airplane belonging to the Diego Ranch Enterprise of Mexico and piloted to Sanderson by Jimmy Merritt of Ciudad Acuna. They saw headlights approaching the landing strip and when Hodgkins jumped from the airplane he was somehow hit in the back by the prop.

Hodgkins was brought to Sanderson where Dr. J. M. Flowers attended him and he accompanied the ambulance, driven by Cooksey, to San Antonio where Hodgkins received surgery.

The latest report is that the young man is recovering satisfactorily from the surgery.

It is reported that the propeller barely missed the spine, but cut some ribs and muscle and nerve damage resulted.

Ray Hodgkins went to San Antonio Saturday to be with his son and returned home Sunday night.

**ASC Balloting Due By Sept. 20**

Clarence Jessup, chairman of the Agricultural Stabilization and Conservation county committee, has announced the election of two members of the committee will take place this month. Ballots have been sent to voters of record and must be returned to the county office by 5:00 p.m. September 20.

Eligible voters who have not received a ballot may obtain one by contacting the ASCS office in Alpine.

Nominees include Bob Allen, Herbert Brown, Lee Dudley, Reginald Monroe, Will J. Murrain, and Austin Nance. Terms of office will be designated by standing in votes received, and first and second alternates will be named also.

Ballots will be tabulated at the Terrell County Court House at 1:30 p.m. September 22 and interested members are urged to be present.

Special attention is directed to the certification on the election envelope. It is a certification that the ballot was marked personally by the voter without any undue influence. If the statement is not signed the ballot will not be counted. Voters must sign their legal signature, which for women in Texas is: eg. "Mrs. Mary A. Doe", rather than "Mrs. John Doe", according to information received.

being paid for by the federal government. All of the costs of the actual planning and construction of the dams, including fencing and vegetation, would be borne by the federal government, with the state government assisting in some phases of the cost of easements, land purchases, if any, and other details other than actual planning and construction.

It will be the duty and obligation of the local sponsoring organizations to maintain the structures following their completion.

Information on progress of the planning will be released each week.

Grazier pointed out that the planning party was only one of the steps in the chain of work necessary for the completion of the project. As in the securing of the planning party, priorities are established for each project and there are three other projects which are currently being accomplished with this one. He said that following the completion of the planning, it would

**Band Boosters Plan Activities for Year**

Mrs. Jack Riggs presided at the meeting of the Band Boosters last week. With the resignation of Mrs. W. H. Goldwire as president, Mrs. Riggs was elected president and installed in August. Mrs. Ramona Olivares is secretary-treasurer.

The standing committees for the concession stand at the football field were named and include: money, Mrs. T. J. Stewart; ordering, Mrs. C. W. Kyle; cold drinks, Mrs. C. O. Cash; chairman of workers, Mrs. Aubrey Harrell and Mrs. Utimio Rodriguez; sandwiches, Mrs. Bill C. Cooksey; chili, Mrs. Gene Kline; ice, Mr. and Mrs. Ernest Couch and Mrs. Marshall Cooke; snow cones, Mrs. Thomas Corbett; popcorn, Mrs. C. E. Litton; coffee, Mrs. Reg Monroe.

Mrs. Herbert Brown was named chairman of the Birthday Calendar project; uniform committee, Mrs. H. M. Petty, Mrs. Ramona Olivares, Mrs. J. R. Blackwelder, Mrs. L. E. Muller, and Mrs. Pablo Ochoa Jr.; telephone committee, Mmes. O. T. Sudduth, L. G. Hinkle, and Susano Munoz.

The organization agreed that they would endeavor to send the band to a festival this year.

probably be at least six to nine months before the publication of the specifications and plans for the actual construction process.

Mr. Grazier met with the Terrell, Pecos, and Brewster County Commissioners, and the Rio Grande-Pecos River Soil Conservation District directors on Tuesday morning to go over the details of their part in the project.

**Iraan Teams Beat Local Teams**

The Junior High School football boys lost their game in Iraan last Saturday by a 22-6 score. Kendrick Harrell made the lone score on a kick-off return in the second period and the score at half-time was 8-6 in favor of the hosts.

Coaches Norman Gladson and Lawrence Barber stated that the boys were fairly evenly matched, but their inexperience was evident against Iraan.

Boys on the team and making the trip included: Kevin Phillips, Ismael Yanez, Eddie Arredondo, Larry Hernandez, Martin Petty, Condie Rogers, Bill Mott, Patrick Harris, Darrell Cooke, Johnny Hodgkins, Robert Kline, David Valles, Eddie TenEyck, Floyd Watson, Jake Murrain, Tommy Corbett, Bobby Spence, Pedro Lomas, Dale Harrell, Ted Flowers, Danny Garcia, Juan Lomas, Dennis Haynes, Nick Falcon, Juan Garcia, Juan Sanchez, Ike Billings, Chago Flores, Ramon Villarreal, Nelson Cooke, James Cash, Hudson Kerr, Tommy Flowers, Blaine Chriesman, Oscar Lopez, Jack Deaton, Raul Reyna, Randy Louwien, Richard Hodgkins, James Druse, Juan Valles, Ernest Pepeda, George Rubio, Damon Harrison, Steve Litton, Leo Andrade, Lloyd Goldwire, Ronnie Stewart, Bob Murrain, Hector Villarreal, Robert Fisher.

An extra quarter was played, in which Iraan scored one touchdown, to give all who made the trip, an opportunity to play.

In the B-team game, Sanderson lost 50-8 with the only Eagle score coming in the second period on a pass play from Leslie Hall to Manuel Olivas. Hall ran the extra two points over.

Players making the trip and playing were Frank Villarreal, Olivas, Hall, Raymundo Arre-

**SUNSET SIESTA COURTS SOLD TO HOLLISS HALEY**

Announcement is made this week that Mr. and Mrs. Hollis Haley of Fort Stockton have purchased the Sunset Siesta Motel from Mrs. G. W. Kyle and moved their household goods here Monday. They recently sold their business, The Dairy Mart, in that city.

Mr. and Mrs. Kyle and her son and daughter, Bill and Elizabeth Turner, have moved to the Dunn home.

**CANDELARIO BARRON JR. ESCAPES INJURY IN ACCIDENT**

Candelario Barron Jr. escaped injury when his 1962 Corvair overturned on US 285 about 10 miles south of Fort Stockton.

It was reported that a deer ran in front of the vehicle causing Barron to swerve to the right and lose control of the vehicle. The car went through the fence and overturned.

## Learning God

"... And they shall be all taught of God."  
— Isaiah 54:13

How much do you know about God? How often do you think about God? Is your entire life guided by awareness of the fact that God is an ever-present reality?

Or, do you perhaps, believe in a part-time God? Do you turn to God only with a prayer for help, never with a word of thanks?

Become more aware of God. Seek for yourself a new and greater purpose in life. The more you learn about God, the more you bring God into every facet of your daily life, the brighter your world will become.

### Miss Susie Robinson, Barry Pendleton Wed Here Tuesday

In the presence of relatives and close friends, Miss Susie Robinson became the bride of Barry Pendleton in a double-ring ceremony Tuesday morning in the First Methodist Church. Rev. Melvin A. Walker, pastor, officiated at the rites at 11:00 o'clock.

The bride is the daughter of Mr. and Mrs. K. K. Robinson of Sanderson and the bridegroom is the son of Mr. and Mrs. W. P. Pendleton of El Paso, who with their daughter, Julie, were here for the wedding.

White gladiolus and mums decorated the altar.

Mrs. L. G. Hinkle, organist, played the nuptial music and the traditional wedding march.

The bride, escorted to the altar on the arm of her father, wore a two-piece pink street-length dress, a shoulder-length veil attached to a white pillbox and carried a bouquet of two white orchids tied with satin streamers.

Miss Patricia Lee, the bridesmaid, wore a white brocade dress and white accessories. The bride's sister, Mrs. John Sandifer, the matron of honor, wore a pink whipped cream dress and pink accessories.

Mr. Sandifer was the best man.

The couple left on a wedding trip to California and upon their return will reside here where he is employed as a brakeman on the SP Railroad.

The bride attended the Sanderson High School.

The bridegroom is a graduate of the Ysleta High School. He has made his home here for the past two years with his grandparents, Mr. and Mrs. Sam C. Harrell.

Miss Laura Lee Allen of San Antonio and the bride's sister, Mrs. Charles Hutchinson, and son, Wade, of Del Rio were also out-of-town guests here for the wedding.

## Would you clean a dirty oven for 7 cents?

### AN ELECTRIC RANGE WITH A SELF-CLEANING OVEN WILL!

Now, for only about seven cents worth of electricity, you can skip the dirty work of oven cleaning by hand. A wonderful bargain that frees you from one of your most disagreeable chores. With a self-cleaning electric oven you simply close the oven door and set the automatic controls. The cleaning job is done thoroughly in two to three hours, including those hard-to-reach corners and stubborn burned-in spatters and spill-overs. Make it easy on yourself. See your dealer soon for a new electric range with an oven that cleans itself.
