## LISTEN TO LUKE

By Albert---

The run-off election in the Democratic Primary is to be on Saturday of next week and absentee voting in the run-off began yesterday.

Both of the races to be voted on in Terrell County are important to the people of Sanderson and should draw the interest of every eligible voter in the county. The run-off is between Preston Smith, an arch conservative; and Don Yarborough, an avowed liberal, seeking the party's nomination for governor; and between Frank Weigand, incumbent commissioner of Precinct 1, and Joe Little, aspirant to the post.

There seems to be little doubt that the Democratic nominee in both instances will be elected one in the balloting on November, due to the fact, in the governor's race, there is so little turn-out of Republican voters in comparison to Democratic voters, plus the fact that the American Party under the leadership of George Wallace of Alabama, cut a big piece of voters out of both of the other parties. And in Terrell County the Democrats far outnumbered the other two parties' voters.

One must take into consideration the fact that in Texas, and has been, when the voters thought it was time, to jump over the ballot in the general election and vote for the man other than sticking to party lines, and this could happen this year in the governor's case. In fact, it happened in the case of a commissioner in Precinct 4 not too long ago, that a candidate lost in the Demo Primary and won as an independent in the general election by a write-in.

But in the run-off, as we understand it, there is a necessity for a turn-out of all eligible Democratic voters, since those who cast their votes in either the GOP or American Primary will not be eligible to vote in the run-off of the Demos. Now this does make a difference to candidates and to the voters. The gubernatorial candidate for the Precinct 1 nominee could be named by a minority of the eligible voters.

If you can - VOTE!

We would not take issue by means with anyone who did not cast their vote in either of the primaries. There is no doubt their voice could have been heard otherwise. And they have the right to be heard.

But this choice of voting in the run-off of the other primaries, like most every other choice that we face, carries with it a consequence.

This one happens to disempower them from expressing their opinion in the run-off and in some cases a lack of a choice is made on the general election ballot.

Some day this situation may change in Texas, but right now the nomination in the Demo Party is almost the same as election. But that is one reason why we are those who are working hard to get a second or third try going in Texas.

The gown worn by Miss Suzanne Downie, pictured above in the window of The Kerr Mercantile Co., will be on display several more days. At the request of Miss Downie and her parents, Mr. and Mrs. W. G. Downie, the gown was not displayed in San Antonio, but brought here for their friends to enjoy. Miss Downie wore the gown in the Fiesta San Antonio as the Duchess of Mighty Explorations and was a member of the queen's court. She is the first Sanderson girl to be a member of the court at the Fiesta.

### TO THE VOTERS OF PCT. 1:

I think we would all like to have a swimming pool, but I cannot see where we could pay for the construction and upkeep on a voluntary basis as there were 195 local families or businesses who did not pay their part for hauling trash and for the maintenance of the fire department last month.

### Legion Auxiliary Considers Project Of Repose Room

The Legion Auxiliary met in the home of Mrs. G. W. Kyle Tuesday evening of last week. After the National Anthem was sung, the members recited the Preamble to the Constitution to open the meeting.

Mrs. Farley, president, reported that the first alternate girl selected to go to Bluebonnet Girls State, Viola Fisher, would be sent as a delegate with Christine Downie, the delegate named several weeks ago, making two representatives from the local Auxiliary. Oralia Munoz is the alternate delegate now.

A steering committee was appointed to consider the proposition made by W. W. Sudduth for a repose room at the building where he operates a washateria. The rooms on the north side of the building could be made available for a body in repose until time for burial or even for a small funeral. Mmes. Kyle, Jim Kerr, and A. C. Garner comprise the committee to report back to the Auxiliary at the next meeting.

A letter of thanks from AIC Miguel Perez was read. He is one of the servicemen receiving The Times as a gift from the Auxiliary.

The "song of the month", "Sweet Hour of Prayer" was sung before the closing prayer by Mrs. H. E. Ezelle.

Refreshments of cheesecake and iced tea were served after adjournment.

Those present were Mmes. A. C. Garner, Clyde Higgins, L. W. Welch, L. H. Gilbreath, Farley, Ezelle, W. H. Savage, D. L. Duke, Mark Duncan, Jim Kerr, E. McSparran, and W. T. Frazier.

Rainbow Tissue at The Times

Hauling trash is not an obligation of the commissioner of Precinct 1, but is done through the cooperation of the other commissioners and by those who are willing to help defray the cost voluntarily. And as long as only 304 families and businesses are carrying their share of the cost the balance is being borne by tax money.

Voluntary contributions to the maintenance of the fire department - which is a worthy cause - and for the hauling of garbage - also a very worthy cause - has not proven to be satisfactory.

Besides the service of trash hauling, your commissioner has the obligation of the upkeep of 140 miles of dirt roads, bridges, culverts, and cattleguards in this precinct, the upkeep of the local streets, culverts, ditches, etc.

Since the flood in 1965, we have been hauling off trash and trying to clean up debris locally as time and funds permit. And there is much more of this to be done, too.

Besides these duties and services, we also have the maintenance of the courthouse as an obligation of this commissioner.

We can think of a lot of things we would like to do, but we cannot find a convenient source of revenue to get them done.

An understanding of the raising and control of tax money in the county and its distribution into the precincts will also give an understanding of how difficult it is to do some things and why all of our wants are not satisfied.

I will appreciate your continued support of my efforts to get things done as finances permit.

## Dance Honors Grads Last Saturday

Several mothers planned a dance for Saturday evening in the Legion Hall, inviting a large crowd of the high school set and several young folks from out-of-town. Music was provided by an out-of-town orchestra.

The theme of the decorations was "The New Generation" and decorations stressed the theme. Posters, pictures, placards, huge roses suspended from the ceiling by a stem, huge cans representing soft drinks, and boxes representing candy, moles, etc., all exemplified the chosen theme. Blinking lights and lights throwing large dots on the ceiling added to the decor. Cookies and punch were served throughout the evening. About 80 were in attendance, including several visitors, former classmates: Sandra Rogers of El Paso, Vernon Munson of Odessa, and Diane Stoeber of Austin.
