Weather? Yep, We've Had Some

This week we listened to two "sad stories" and agreed with the parties involved that should we ever start a "sad story" column, theirs would head the list.

So, sooner than they probably expected, here are the two stories.

Robert Taylor, former junior high coach, was the first on the list. Robert has a 1964 Oldsmobile which he has owned less than a month. The car has been hit by other automobiles three times, and Robert has yet to be on the scene when it has been hit.

Once, a car rolled downhill and grazed his car's fender. (However, very little damage). Next, it was hit while parked downtown in Friona. Some damage, although the person involved didn't report it.

The last occasion actually has a "good ending." While in a local cafe the other night when it was raining pretty good, Albert B. Robertson backed into Robert's car and tore up the fender.

Robertson proved that good will isn't a thing of the past by coming back in the cafe and asking whose '64 Oldsmobile he had hit. Taylor claimed the car, and Robertson gladly offered to pay for the damage.

The irony of the situation was that the last incident was the most costly to repair, and yet the responsible one was quick to make amends.

J. L. Witten, another Friona teacher was next in line on the "stories." Seems Witten and his family left Friona soon as school was out for a short vacation. First off, he says he narrowly missed the head-on collision near Muleshoe as he headed south.

At Abilene, a car crashed into his brother-in-law's car, which then hit his, as both were parked. Later at a drive-in, a youngster crashed into the back

(Continued on page 3)

A series of thundershowers, spiced with tornadoes and tornado warnings, buffeted the Friona area Wednesday through Saturday of last week, postponing the wheat harvest, and inflicting some damage to small row crops.

However, the rain, which varied from around two inches to as much as eight in remote areas, was the first "big" moisture of 1964, and more than matched the entire output of the entire year previously.

In Friona, the four-day total (Wednesday through Saturday) came to 3.74 inches. Biggest amount of the four was on Wednesday, when 1.27 was measured. A fall of 1.16 was

recorded by the official rain gauge on Saturday. Thursday's shower was .57 inches, and Friday's amounted to .74 inches.

That stamped June as the "wet month" of 1964, since May rounded out with 1.07 inches, all coming the latter week of the month. Only .43 was recorded in the official gauge during the first four months of the year.

The totals at the Friona station, through June 13 included: January, .03; February, .28; March, .12; April, .00; May, 1.07 and June, 3.74.

Some cotton and maize evidently will have to be replanted. However, it appeared that most of the small crops

might make it, and that the percentage requiring replanting would be low.

(After this was written, new thundershowers hit Tuesday and Wednesday night. Extent of any new damage was not known at the time.)

Bovina was the center of weather talk following last Thursday afternoon's tornado cloud. Several thousand dollars in damage was blamed to twisters. One passed to the north of Bovina, and "another" did considerable damage on Main Street there.

The roof was blown from the Farmer County Farm Supply store. Trees were uprooted, a trailer house was blown over, and a farm building north of town was destroyed.

On Friday, funnel clouds were reported near Farwell. Only confirmed damage was a frame house 25 miles north of Texico.

Then Saturday, a twister struck the North Lazbuddie Gin at Lazbuddie, demolishing a barrack building, and narrowly missing residential buildings and the gin proper. (See detailed story, this issue.)

Accompanying just about every shower, along with the tornado warnings, were high sur-

TORNADO DAMAGE. . . James Mabry points to wreckage of a barrack building on the North Lazbuddie Gin property, demolished by a funnel cloud last Saturday. The gin itself,

seen in the background, escaped unharmed, as did labor quarters and other residential buildings on gin property.

JUDGING SATURDAY

Kay Bureson In Miss Wool Finals

Kay Bureson, 1963 graduate of Friona High School, will be one of 13 finalists in the 1964 Miss Wool of Texas pageant to be held Saturday in Odessa. Daughter of Mr. and Mrs. T. I. Bureson of the Hub community, Kay is sponsored in the event by her sorority at Texas Tech, Gamma Phi Beta. She is a sophomore English major at Tech.

While at Friona High School, Miss Bureson won many honors. She was selected "Maize Days Queen" her junior year, and also was chosen "Miss Deaf Smith County Electric Co-op Queen."

Other honors won by Kay while in high school were FFA Sweetheart, "Most Beautiful" at FHS and football queen candidate. She served as co-captain of the Squaws' state class AA runnerup basketball team, and was named to the all-state team as a guard.

More recently, Miss Bureson was first alternate in the 1964 South Plains Maid of Cot-

ton contest at Lubbock, being chosen runnerup from a field of 18 finalists and over 40 entrants. She also served as "Ertigade Sweetheart" of Texas Tech's ROTC the past year.

Kay will be staying at the Lincoln Hotel during the event. Activities for the finalists actually began yesterday. They continue today, tomorrow and Saturday, with finals of the contest beginning at 8 p.m. Saturday at the Ector High School Auditorium.

Included in the repertoire of the finalists are civic club luncheons, breakfast gatherings, a swimming party, a visit to Sand Hills State Park and dress rehearsals.

The pageant is sponsored by the Odessa chamber of commerce and the Texas Sheep and Goat Raisers Association. This is the first time in the history of the pageant for the state finals to be held outside of San Angelo.

Star Classifieds Lauded By Users

Friona Star classifieds get results! In the past week, we have had these reports!

Paul Hall, who advertised for a farm hand, said: "I had looked around for several weeks without any luck. I decided to try an ad, and the results were great. I had four or five come by the house, and others called. I hired a man from among the applicants."

E. D. Matlock, a newcomer to Friona, wanted saw-filing business, so ran a small want-ad for three weeks. According to reports, he received several requests.

Clyde Fields wanted to buy a bicycle, so ran an ad in the Star classifieds. One 50-cent ad which ran one time turned the trick.

Then, A. H. Hadley had a house for rent, and ordered an ad for three weeks. After only one run, however, he cancelled the ad, since the house rented. (That cost us money, but you can't beat the results.)

Whenever you have anything for sale or rent, or if you want to buy, why not call 2291 and try the Star classifieds?

SECOND ANNUAL

Reading Program Begins Saturday

Friona Public Library's second annual Summer Reading Program will begin Saturday, June 20, with registration at 9 a.m. The program runs through August 29.

Students reading as many as 12 books in their age group will be awarded certificates from the Texas State Library.

The program, sponsored by the Modern Study Club, is conducted at the club's public library, located in the Friona Federated Women's Clubhouse, at the corner of Ninth and Pierce Streets in Friona.

There is no cost to taking part in the program. Students are able to check out two books per week. A fine of five cents

per library day, or 12 cents per week will be imposed on late books. Users of the library will be required to pay for repairs to damaged books, or replace them.

The library will be open from 9-11 a.m. on Tuesdays, and 9-11 a.m. each Saturday.

Friona teachers will be notified of the students who complete the program.

Included in the books which will be available this summer are the following titles:

Easy reading division: "One Small and Me" by McLeod; "A Child's Book of Nonsense" by Cameron.

Junior division: Fiction -- "The Nobel Doll" by Coatsworth and "Rabbit--A Tale of Tails," by Lawson. Non-fiction -- "Wonders of the Ant-hill" by Lavinn and "The Wonders of Seeds."

Young adult, non-fiction: "How Music Grew," by Bauer and "Poems for Youth" by Bennett. Fiction: "Swift Water" by Annixter and "The Shortstop" by Maule.

Adult, non-fiction: "Stories from Modern Russia" by Snow and "The Story of My Life" by Helen Keller.

Mrs. Bill Stewart is chairman of Modern Study Club's

(Continued on page 3)

Tragedy Narrowly Missed In Lazbuddie Twister

Of the numerous reported tornadoes in Parmer County the past week, perhaps the one which struck North Lazbuddie Gin Saturday night came the closest to reaching tragic proportions.

That funnel cloud, which completely demolished a barrack building being used for storage, narrowly missed other barracks, containing 35 bracero laborers, and also chose to miss the gin itself, which lay right in the twister's path.

James Mabry, owner of the gin, said there were at least two eye-witnesses to the twister, which hit around 7 p.m. Saturday night. One was Pablo Mendoza, 35, who is a year-round resident of the gin's labor quarters.

Mendoza said the funnel "swished down" out of the clouds, picked the 15x96-foot

barrack building up from its foundation, took it several feet in the air, then dashed it to the ground nearby, with a crash that sounded like an explosion.

The material which composed the building resembled firewood. Oddly enough, most of the supplies, including bedding and mattresses, remained stacked up on the building's foundation, as the four walls and roof were taken up.

"We feel real fortunate to escape with no casualties and as little damage as we had," Mabry said. He pointed out that ordinarily this time of year that particular barrack was filled with workers also, stating that the group which usually lived in it had not as yet arrived in Lazbuddie.

Mabry, who himself lives less than 100 yards from the spot the tornado struck, said that he

was looking southward out his front door at the time the twister hit, and wasn't aware there was one close.

"All of a sudden I saw a cowboy boot and some tar paper come flying through the air, and I knew something had hit," he said.

The funnel cloud also was blamed with uprooting a power line about a mile west of the gin. After dipping down for the barrack, the funnel disappeared. It missed the inhabited barracks, less than 100 feet to the south, the gin cafe to the southeast and the gin itself, less than 50 yards due east.

Other tornadoic wind damage was also reported in the Lazbuddie community. Such a wind may have "toyed" with a cotton trailer on the Harvey Blackstone place north of Lazbuddie.

IN FINALS. . . Kay Bureson, right, 1963 graduate of Friona High School, is one of 13 finalists in the "Miss Wool of Texas" pageant in Odessa this weekend. Miss Bureson, a Texas Tech student, is shown with another Tech coed, Bunnie Sloan of Lubbock, another of the finalists. (Photo courtesy Lubbock Avalanche-Journal).

Merchants Set Breakfast Meet

A group of Friona's retail merchants have scheduled a breakfast at 6:30 a. m. next Thursday, June 25 at the Bowling Alley cafe.

Purpose of the meeting is to discuss ways of promoting Friona, according to Chamber of Commerce president Raymond Cook, spokesman for the group.

All merchants are invited and urged to attend.

THE VICTORS. . . Mrs. Ruben Taylor, president of the Firemen's Auxiliary, and Ralph Shirley, captain of the men's pumper team, are all smiles about the showing the two Friona teams made at the contests at the state convention. Both teams placed second in the statewide competition.

STATE MEETING

Firemen, Women Win Honors At Convention

Some 1400 firemen and their wives attended the three-day meeting at Dallas' Statler-Hilton Hotel. For placing second, the men's team was awarded \$150. The women received \$24 for their efforts. The convention will be held at Laredo next year. Earl Phillips of Hereford is currently the third vice president of the state association.

Friona Fire Department's two pumper teams brought home second place in both men's and women's contests at the annual Texas Firemen and Fire Marshalls Association convention June 9-11 in Dallas.

The men's team, composed of Ralph Shirley, Glenn Reeve, Jr., Ruben Taylor, Lee Campbell, J. C. Blankenship and Joe Mann tied for second among 36 teams entered from throughout the state. Friona's contest time was 17.2 seconds. A team from Edinburg took first, barely edging Friona's time by a tenth of a second.

The women's team, composed of the wives of the above men, placed second in a field of 16 teams, posting a time of 19.8 seconds. Shirley, captain of the men's team, stated that the Friona group was the first to perform, and held the top time for almost two hours before it was finally beaten.

This is only the second time for the local team to enter in the statewide competition. They compete against all classes of fire department personnel, including paid employees.

Also attending the convention were Mr. and Mrs. Walter Cunningham.

Ivy Takes Part In Army Games

Army Specialist Four Ronald K. Ivy, 24, son of Mr. and Mrs. Fred J. Ivy, Route 1, Friona participated in Exercise "Desert Strike", a joint Army and Air Force maneuver involving 100,000 troops, held in the tri-state area of California, Arizona and Nevada, ending May 30. Specialist Ivy is an ambulance driver in Headquarters and Company A of the 2d Armored Division's 48th Medical Battalion regularly stationed at Fort Hood, Tex. He entered the Army in August 1961.

Ivy is a 1958 graduate of Friona High School. His wife, Lynda, lives in Killeen, Tex.

Current Comments From . . .

BOVINA . . .

This community's "New Bovina" project progressed no further following a week of work on it by a committee from Bovina Chamber of Commerce and Agriculture. The project calls for constructing new buildings along a block-long stretch of Main Street.

A total of eight property owners are involved with five of these ready to begin construction. Three, however, have stipulations in regard to the project, want to sell their property or are not interested in the change.

--THE BOVINA BLADE

MULESHOE . . .

The Muleshoe area cotton crop has been invaded by an army of thrips.

The crop damaging bugs first made their appearance here June 5th and the buildup has reached serious proportions, according to a report from County Agent J. K. Adams.

--THE MULESHOE JOURNAL

HEREFORD . . .

Melvin Young writes in his column, "The Brandin' Iron."

Leo Forrest brings us another postal card, and this time he's bragging on the postal service. The card, mailed at Friona, contains no address whatsoever; completely blank on the address side with the message side of the card reading only: Light meter, \$244, June 4, 1964; read by Mrs. Rex Blackburn. The card was delivered post-haste, without delay.

And this one didn't even have a ZIP Code Number.

--THE HEREFORD BRAND

PERRYTON . . .

To follow their team to all regular games next year, Perryton Ranger fans will need to travel a total of 1320 miles, or an average of 270 miles per ball game.

The distances to be traveled range from a mere 64-mile trip to Pampa in the September 11 opening game of the season, to a 205-

mile jaunt to Vernon on October 2. Travel also will include a 90-mile trip to Woodward, Okla., on September 18; 180 miles to Hereford on October 30, and a 137-mile drive to Canyon on November 6.

--OCHILTREE COUNTY HERALD

CANYON . . .

An additional \$1,000 is needed to complete a Canyon community project to provide a home for Mrs. C. B. "Brownie" Cable and her seven children.

This information came this week from Bill Wilson, chairman of the project.

The drive started in mid-April after the death of Mrs. Cable's husband of accidental gunshot wounds.

--THE CANYON NEWS

CANADIAN . . .

Ben Ezzell discusses the tourist trade in his column, "Spur of the Moment;" Canadian is fortunate enough to be located at the intersection of two major US highways . . . US 60 and US 83 . . . and so we get a substantial share of the tourist traffic through town.

And not all of it just goes through . . . a lot of tourists stop to look around, to buy gasoline, to buy food, to stretch their legs, and even to do a little shopping. It's just possible that, from the standpoint of Canadian business-owners, tourists are one of our major crops. Towns which are not on major highways, at any rate, are acutely aware of their absence.

Texas Governor John Connally says that a community which can stop just twelve carloads of tourists daily, year around, has the equivalent of a \$100,000 industrial payroll. And the Governor has the fact to back up his claims. That's putting tourist development . . . something which the State has undertaken for the first time on a major scale . . . into terms everyone can understand. It takes a fairly good-sized industry to produce a \$100,000-a-year payroll.

--THE CANADIAN RECORD

Three Killed In County Accidents During May

The Texas Highway Patrol Wells, Highway Patrol Supervisor of this area,

investigated seven accidents on rural highways in Farmer County during the month of May, according to Sergeant W. E.

property damage of \$7,425.

The Rural Accident Summary for Farmer County from January through May of 1964 shows a total of 45 crashes resulting in six persons killed, 17 persons injured, and an estimated property damage of \$44,653.

The Sergeant expressed serious concern over the increase in fatal motor vehicle traffic accidents and deaths throughout the state.

"For the first five months of 1964, 1025 persons have died in traffic, compared to 871 for the same period of 1963," the Sergeant stated. "This 18 percent increase is very alarming and when you realize our heavy volume traffic months are still ahead, we must anticipate increasing problems in the accident picture. There is an increase in all types of accidents throughout the state and it is something that merits our greatest concern," he said.

"The driving public must assist in the reduction of this trend if we are to turn it downward. Otherwise our death count at the end of the year will far exceed the record number of 2,729 deaths in Texas traffic during 1963. If you are driving, your life literally is in your own hands, so won't you help yourself and others by resolving not to become one of our statistics?" the Sergeant asked.

Young Demos Hold Meeting

Farmer County Young Democrats met Tuesday night of last week at Hub Community Center Building.

Leon Smith, Jr. presided in the absence of the President Joe Bullock.

Jerry Rankin, Young Democratic state committeeman, and Mrs. Rankin, of Lubbock, were special guests.

Deborah Bullock was elected secretary, taking the place of David Smith who is attending summer school at West Texas State University.

The organization welcomed Patsy Fuller as a new member.

Next meeting of the Farmer County Young Democrats will be an ice cream supper, July 14, at 8:30 p. m. at Hub Community Center.

The public is invited to attend.

IN FRIDAY SESSION

Board Acts On Teachers; Hears Building Report

The Friona Independent School Board of Trustees received resignations from three teachers and hired a new one during its regular meeting last Friday night. In addition, paper work was presented toward the school building program.

Teachers submitting their resignations were Mr. and Mrs. Tommy Paris and C. W. Dukes. Paris plans to attend International Business Machines (IBM) school at Oklahoma City, where his wife will teach.

Dukes has accepted a scholarship to do work toward a Master of Education degree at Louisiana State University. He taught mathematics at Friona High School in addition to coaching boys basketball.

Paris also taught math at FHS, and Mrs. Paris taught first grade.

Employed was Mrs. D. H. Stephenson, a first grade teacher with nine years experience. Mrs. Stephenson taught the past year in Vernon. Her husband is a cattle buyer at Friona Feed Yards.

Hired since the board meeting was Miss Beth Asberry of Greenville as Home Economics teacher to replace Mrs. Dave Eddington. Miss Asberry is a May graduate of East Texas State, and this will be her first teaching assignment.

Current teaching needs include a fourth grade teacher, a junior high coach, an elementary music or art teacher, a math teacher in high school and two coaches.

In other business at the board meeting, Herbert Brasher, the school's architect, presented his final drawings on the school's building program. They were approved by the board.

The "working drawings" are now being prepared, to be presented to contractors for bids. It is estimated that contracts will be let sometime after August 1. This will enable the new high school building to be completed by September of 1965, according to Superintendent of Schools Alton Farr.

"We had originally had a target date of July 1 for completing everything prior to bids, but this still will leave us enough

time, the architect assured us," Farr stated.

Also present for the meeting was Bill Boykin of Columbian Securities Corporation, the school's bond representative.

Bids were opened for two 1955 school buses which have been advertised for sale. High bidders on the buses were P. W. Hughes and Golden Spread Labor Association.

School tax assessor-collector Porter Roberts reported that a total of \$494.14 in delinquent taxes were collected in May. Roberts also presented the new tax roll in the amount of \$24,341,460.

Farr presented his regular monthly reports on the activity, cafeteria and transportation funds, as well as the school budget. May bills were approved for approval.

There are 3 times when insuring your car or home thru Ethridge-Spring may save you big money

Because we are independent insurance agents, we can give you the benefits of The Big Difference in insurance:

1. When you buy a policy

As independent agents, we are free to select the best policies for you from those offered by several strong, reliable insurance companies. We can and will make sure you get the right insurance for your individual situation.

2. When you have a loss

As independent agents, we are

free to be on your side in dealing with the insurance company. We make sure you get paid promptly and fairly.

3. Any time in between

We keep your coverage up-to-date with the cost of replacing your home or business . . . and inform you about new policies. You won't lose big money because of insufficient insurance or incomplete knowledge.

Why take the chance of losing big money? Come in and see us today.

Star Lites...
 (Continued from page 1)
 of the Witten car.
 Meanwhile, back in Friona while all this was going on in the Abilene area, a car crashed into a pickup parked next door to the Witten home, and the pickup was thrown into their yard fence, which was torn down.
 Any more sad stories, anyone? I'm afraid to be serious, or this space could be filled to overflowing each week with "my sad experience," etc.
 We've had a few replies on our request for copies of the February 27 issue of the Friona Star, but still need more. Our offer still holds good to make it worthwhile by paying 50 cents each for usable copies.

Weather...
 (Continued from page 1)
 face winds. Many farmers expressed the opinion that the high wind and driving rain hurt small cotton more than any hail damage.
 Rainfall totals varied from around two inches in parts of the Black community to an estimated eight inches at Lazbuddie. Most farms around Friona reported close to five inches. Near Hub, a fall of six inches was reported.

Kay Burleson...
 (Continued from page 1)
 previously has been conducted at San Angelo each year, which is headquarters for the TSGRA. However, officials there decided to give other cities opportunity to stage the pageant in order to spread interest in the Texas wool industry.
 The national competition will continue to be staged in March at San Angelo.
 Current "Miss Wool of Texas" is Peggy McNair of Wichita Falls, who was a recent visitor to Friona.

Reading Program...
 (Continued from page 1)
 Library Committee this year, and as such is coordinating activities of the reading program. She states that plans are being worked out for a "story hour" for pre-school youngsters similar to last year, and details will be forthcoming.
 Other members of the committee are Mrs. V. J. Zeman, Mrs. Sloan Osborn and Mrs. Ross Ayers. Mrs. H. K. Kendrick is club president.

Gas was first commercially produced and consumed in Texas at Corsicana in 1901. In the early days East Texas Indians bathed in oil seeps to relieve rheumatism.

Ten Officers Attend Area Workshop

Mrs. Dalton Caffey, local FHA advisor, and the ten officers of the organization for the coming year, spent three days this week attending a workshop on the Texas Tech campus at Lubbock.
 Purpose of the workshop was "to give officers of local chapters an opportunity to learn how to be better officers." All officers of Area I Future Homemakers of America were eligible to attend.
 Local chapter officers attending the sessions were Karen Osborn, Frieda Floyd, Sharon Dean, Janet Rushing, Janet Stevick, Sheryl Long, Susie Carmichael, Linda Outland, Donna Fulks and Judy Phipps.

Fellowship Officers Installed

At the morning service of Union Congregational Church Sunday morning, June 7, the Rev. Paul Mohr installed newly elected officers of the Women's Fellowship of the church for the following year.

Those installed were Mrs. R. B. McKee, president; Mrs. Bert Shackelford, vice-president; Mrs. L. F. Lillard, secretary; Mrs. O. F. Lange, treasurer and Mrs. Walter Lovelless, reporter.

Meetings of the organization are held the first and third Wednesday afternoons of each month.

Dinner Honors Visiting Kin

Mr. and Mrs. O. W. Nichols and Mrs. Gary Nichols and sons, Brent and Bryant, were guests in the homes of Mrs. Florence Buske, Mr. and Mrs. W. F. Buske, Mr. and Mrs. J. B. Buske and Mr. and Mrs. G. B. Buske last week. Mrs. Nichols is the daughter of Mrs. Florence Buske.

Sunday Mr. and Mrs. G. B. Buske were hosts at a family dinner in their home honoring the visiting relatives. Thirty-six relatives and friends were present.

Out-of-town guests, besides

WEDDING PLANS ANNOUNCED... Mr. and Mrs. L. G. Taylor have announced the engagement and approaching marriage of their daughter, Dianne, to Tommy Tatum, son of Mr. and Mrs. Ellis Tatum, Black. The couple plan to exchange wedding vows in the Taylor home August 21.

Young Reunion Draws Crowd

The annual Young family reunion began at Hub Community Center at noon Sunday with a covered dish luncheon. Mr. and Mrs. Noah T. Young were joined by 103 other relatives for the get together.

The afternoon was spent visiting and playing games.

The early Greeks drank their wine mixed with water.

Of Interest To THE WOMEN

CAKE DEPICTS THEME... A beautifully decorated cake carried out the theme of a program of work for Friona Rainbow Assembly by its new Worthy Advisor, Mary Ann Roberts, right, who has chosen "Faith" for her theme. Pictured with her is Kay Coffey.

Rainbow Officers Formally Installed

In a formal ceremony at 3 p.m. Saturday in Masonic Hall Mary Ann Roberts was installed Worthy Advisor of Friona Rainbow Assembly. Her theme was "Faith." Colors used were yellow and white, and Sheryl Long sang her chosen song, "It is No Secret."

Installing officers were Kay Coffey, Worthy Advisor; Merylene Masste, marshal; Cynthia Boatman, chaplain; Thelma Coffey, recorder; Gladys McVey, pianist.

Other officers installed were Sheryl Long, Worthy Associate Advisor; Karen Osborn, charity; Terri Lynn Wilson, hope; Sharen Awtrey, faith; Becky Coffey, chaplain; Lark Jarrell, love; Jennisu Fallwell, religion; Kara Beth Sides, fidelity; Linda McVey, patriotism; Patsy Rule, service; Pam Hartwick, confidential observer; Sandra Beene, musician.

A reception at which cake and punch were served following the installation.

Those signing the guest register were Mary Jane Wilson, Mary Coffey, Martha Coffey, Pat Taylor, Melissa Pruett, Linda Langston and Donna Dunn, members of Bovina Rainbows.

Also Mrs. James B. Collier, Mr. V. W. Roberts, Mrs. Joe Talley, Mr. and Mrs. Deon Awtrey, Mrs. Wes Long, Mrs. Newman Jarrell Jr., Mrs. J. P. Fortenberry, Mrs. B. C. Hartwick, Mrs. W. M. Masste and Mr. and Mrs. Claude Miller.

Also Marie Short, Diana Taylor, Tommy Roberts and Paula Fortenberry.

Mrs. Donnie Smith Feted With Shower

Mrs. Donnie Smith, who was Donna Blackburn before her marriage, was guest of honor at a miscellaneous shower in the home of Mrs. L. R. Hand recently.

Other hostesses were Mesdames D. L. Carmichael, C. W. Tannahill, John Burrow, Jim Baxter, Leo Balls, Bob Wyly, Leonard Pope, L. W. Loafman, Frances Hillel, Charles Myers Jr. and A. L. Black.

A pink and white color scheme was used in the entertaining rooms and the serving table, which was covered with a white cloth, was centered with a pink floral arrangement.

Refreshments of pink punch and cookies were served by the hostesses.

Those attending and sending gifts were Mesdames Dalton Caffey, Rene Snead, Jack Patterson, Roy V. Miller Sr., James Pope, T. A. O'Brian, Russel O'Brian, Bill Filppin, Raymond Milner, Paul Strickland, G. B. Buske, Frank Truitt, C. A. Meyers Sr., Ralph Taylor, Noyle Wood and Lester Dean.

Also Mesdames Jerry Loflin, Clyde Weatherly, J. E.

Senior Class Members Visit Colorado

Members of the graduating class of Friona High School returned recently after making a tour of points of scenic and historic interest in and around Colorado Springs, Denver and Canon City, Colorado.

One of the highlights of the trip was a tour of Colorado's famed Royal Gorge. Here they crossed the world's highest bridge, which is 1100 feet above the roaring Arkansas River; rode the world's steepest incline railway and viewed some of the Rocky Mountains' most magnificent scenery.

Sponsors on the tour were Principal Raymond Cook, Wayland Ethridge, Mrs. Frank Truitt, Mr. and Mrs. Elvin Wilson and Mr. and Mrs. Dave Thompson. Lawrence Jordan was the bus driver.

Students making the trip were Cathy Bailey, Carolin Gunn, Brenda Woodruff, Helen Stowers, Dianne Taylor, Pat Floyd, Dianne Jennings, Joyce Rodgers, Patsy Hough, Lois Moyer, Mary Ethel Wilson, Kay Neel, Wesite Hand, Cheryl Neel, George Grant, Gary Lou Renner and Numan Loafman.

Also David Carsen, Tommy Baxter, Billy Edelson, Judy Kirby, Linda Beaty, Jerry Parker, Ronnie Awtrey, Bobby Hodges, Eric Rushing, Tex Phipps, Rose Ann Greeson, Charlotte Nettles, Kay Coffey, Diana Taylor and Bob Welch.

Also Lynn Frye, Carolyn Herring, Nergis Yazgan, Lynn Phipps, Mickey Wilson, Greg Jarrell, Rex Nelson, S. D. Batze, Edwin Taylor, Russell Scales, Larry Stevick, Ronnie Procter and Aaron Drager.

Family Dinner In Lubbock

Mr. and Mrs. G. B. Buske were hosts at a dinner at The Johnson House in Lubbock Monday evening for members of their family and Mrs. Gary Nichols and sons, Brent and Bryant.

Others present were Mrs. Don Max Vars and daughter, Mayla Dawn, Lubbock; Mr. and Mrs. Rick Styles and sons, Mike and Scott, Lubbock; and Mr. and Mrs. Philp Weatherly, Park, Pepper and Penni, Friona.

Past Matrons Club Installs Officers

At a recent meeting of Kinsley Past Matrons Club in the country home of Mrs. J. T. Gunn, Mrs. U. S. Akens was installed president for the coming year and Mrs. Ed Bogges was installed vice-president. Installing officer was Mrs. R. B. McKee, outgoing president. During the business sessions plans were made for a covered fish luncheon in Masonic Hall. Guests were to be members of the Hereford Past Matrons Club.

Mrs. Bogges presented the devotional based on I Cor. 20-

31 and directed the opening prayer. A gift was presented to Mrs. McKee.

Those present were Mesdames Bogges, Akens, Bert Chitwood, McKee, Pearl Kinsley and Gunn.

Following close of the meeting by prayer, guests were escorted on a tour of the Gunn chicken ranch.

Mrs. Robert B. Collier and Rita spent the weekend visiting Jimmie Sue Brooks at Lovington.

Mr. and Mrs. Dennis Venable Marie Esquivel Weds Dennis Wayne Venable

Wedding vows were exchanged between Marie Esquivel, daughter of Mr. and Mrs. Santos Esquivel, 406 Prospect Street, Friona, and Dennis Wayne Venable, son of Mr. and Mrs. Chester Venable, Amarillo, at 1 p. m. Sunday, June 7.

The double ring ceremony was at Sixth Street Church of Christ by C. J. Horton, minister, before a floral arrangement interspersed with greenery.

The bride, escorted and given in marriage by her father, wore a formal wedding gown of tulle and lace over slipper satin. The fitted bodice was designed with a scalloped neckline and long fitted sleeves which tapered to points over her hands. Her shoulder length veil of illusion was attached to a tiara of rhinestones. She carried a cascade arrangement of white stephanotis centered with a white orchid. Her only jewelry was a string of pearls.

Honor attendants were Mr. and Mrs. Donnie McCurry, Amarillo.

Bridal Shower Courtesy For Mrs. Carroll Bennett

Fellowship Hall of First Baptist Church was the scene of a miscellaneous shower honoring Mrs. Carroll Bennett, who was Barbara Fallwell before her recent marriage.

The serving table was cov-

ered with a white cloth and centered with a floral arrangement of yellow and white. Refreshments of cookies and punch were served.

Hostesses were Mesdames Jack Shirley, Paul Daniel, Clifford Crow, A. E. Cannon, Arthur Drake, O. B. Moyer, Joe Talley, Van Nichols and A. L. Black.

Those attending and sending gifts were Mesdames Bill McClothlin, Leo Bails, I. V. Day, John Wright, Leon Hart, Dale Hart, Bill Flippin, Ernest Osborn, Ralph Taylor, G. W. Fleming, L. B. McClain, Stan Benge and W. D. Stringer.

Also Mesdames Cayson Jones, Wes Long, W. F. Cogdill, Glen Williams, Mack

Bainum, N. E. Wood, G. E. Tannahill, George A. Jones, Dale Williams, Charlie Short, Pat Busby, Bill Stephens, Pat Fallwell, Sam Menefee, Joe Fallwell, Gene Bracken, P. W. Hughes, C. W. Dixon and James Pope.

Also Mesdames Louis Baxter, T. F. Bennett, L. D. Pope, Sloan H. Osburn, Hank L. Outland, Curtis Murphree, Dessie Fallwell, Larry Jesko, Artis Fallwell, Jean Bentley, J. C. Claiborn, Bobby Fulks, James Cunningham, Ralph Smith, Joe Boechman, Lee Cranfill and David Eddington.

Also Mesdames W. S. Ingram, Claude Blackburn, T. I. Burleson, Joe McLellan, Ellen Spence, Mary Grace Jackson,

George Taylor, Grace Hart, Wanda Hart, Bernard Carter, Clyde Hays, John Hand, Neal Fulks, Andy Hurst, Glendel Jones and Becky, Buck Fallwell and Debbie, A. A. Crow, Sam Rule, Bill Burton and M. P. Bennett, Mary Beth and Diane.

Also Jeanne Taylor, Patsy Rule, Sheryl Long, Janell Wood, Gail McClothlin, Pat Burton, Becky Bells, Karen Osborn, Kay Burleson, Elda Hart, Suzanne Taylor, Virginia Fulks, Karen Hughes, Wanda Hart, Donna Fulks, Janice Cunningham and Myrna Gay Bennett.

Dinner Honors--

(Continued from page 4)

the guests of honor, were the Charles Buskes of Amarillo, Mr. and Mrs. J. F. Buske and family, Abernathy and Beth Brown, Farmington, New Mexico.

WELCOME TO FRIONA

Mr. and Mrs. Dale Wortham recently moved into their home on Pierce Street. They have two children at home, Vince, a junior in high school and Marlene a sophomore. Dale is employed by Lang Transit as their new station agent. The family moved to Friona from Levelland where they had lived for just a month having just recently moved to West Texas from Brewster, Washington.

The Oregon Blue Cross News Letter printed the following item: "There shall be no card playing or dicing and such patients as are able shall assist in nursing others, washing and ironing linen and cleaning the rooms and such other services as the matron shall require. Sound harsh? It's from a list of rules at Philadelphia General Hospital . . . published in 1790 . . . a far cry from the modern patient service offered today."

A railroad spokesman says nothing less than total effort to strengthen and improve our national railroad system will suffice if we are to provide the kind of transportation that America must have to keep pace with its growing economy.

Records are made to be broken, and for the New York Stock Exchange, 1963 was a year for breaking them. The most prominent of the all-time highs reached last year was reported volume of trading. It totaled 1,146,310,342 shares, topping the previous record of 1,124,800,410 shares set in 1929.

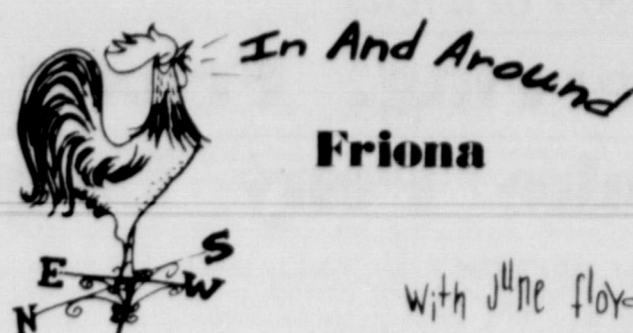

Youth Director Is Appointed

Nancy Wiseman, a spring graduate of West Texas State University, has been named summer youth director for the Friona Methodist Church.

Nancy, a native of Dimmitt, will work with the junior high and senior youngsters, as well as the junior department. She taught at the Hamlet Elementary School in the Amarillo school systems the past semester.

NEW DIRECTOR . . . Nancy Wiseman, left, is the summer youth director for Friona Methodist Church. She is shown making plans for the summer with Travis Graves, president of the senior high MYF, Troy Bass and Sheryl Long.

"Then Came The Rains" would have made an appropriate caption for any picture made anywhere in this area late last week. We just never have any moderation in weather here. Either we have a prolonged dry spell or the entire countryside looks like a lagoon. Recently we have been in the "lagoon-ish" stage. Surface lakes everywhere have been filled with water, every row in every field looked as if it was time for the water to be changed and the Frío Draw has been running. Of course, there was some rain damage and hail in some spots but overall the change in weather was most beneficial to farmers.

If the member of the graduating class who lost the tassel off a cap the evening of commencement exercises will contact Mrs. James Procter at 4151, it can be reclaimed. Think one of the Procter boys picked it up beside the curb in the area of the swimming pool.

In spite of the fact that the Floyds regret to learn that Coach Dukes and his family is moving from Friona, we certainly wish them well in their new location.

Being chosen for the grant is quite an honor and will provide him with an opportunity to continue his education and equip

"LET'S GO!" . . . to a hidden world in General Telephone Country

Carlsbad Caverns National Park

Renowned throughout the Nation, Carlsbad Caverns is proclaimed by millions to be the world's first natural wonder. Created through countless centuries by giant earth upheavals and water erosion, the Caverns have rooms as big as 14 football fields and ceilings as high as a 22-story building. Several tours are offered visitors. There is even elevator service, to a lunchroom deep in the heart of the cave. Overnight accommodations in hotels, motels and trailer courts are nearby. Shops, restaurant, nursery and kennels are at the service of visitors. Situated in Southwestern New Mexico, open the year 'round, Carlsbad Caverns is readily accessible by major highways from any point. It is an underground fairyland — one of the truly great places to go and things to see in General Telephone Country.

Final Grade School Honor Roll Given

Thirty-four students of the first four grades were on the "straight A" honor roll for the final six weeks of school, announced this week by J. T. Gee, principal.

Of the number, 14 were first graders, eight in the second grade, and six each in the third and fourth grades.

The complete honor roll is as follows:

FIRST GRADE
All A's: Vicki Dunn, Hope Mayes, Beverly Schueler, Becky Walker, Pamela Wilcox, Clay Cudd, Lisa Cummings, Tonna Morgan, Tip Nunn, Fontella Cox, Kimberly Young, Connie Lindeman, Jeannie Jarboe and Clay Bandy.

A's with one B: Janice Hayes, Kevin Welch, Ronnie Reed, Loren Walters, Garvin Thorn and Carol Schueler.

A's with two B's: Pattison Talley, Devonn Light, Holly Hart, David Fish, Darlene Schueler, Judy Melton, David Blackburn, Brad Beene Vicki Dement, Sandra Fulks, Harvey Burnett and John White.

SECOND GRADE
All A's: Dorothy Johnston, Cheryl Oxford, Annette Reznik, Beverly Bailey, Teresa Ingram, Beth Cranfill, Mary Beth Bennett and Rhonda Rhodes.

A's with one B: Bobby Lewellen, Janice Bandy, Susan Jarecki, Tom Barber, Glenda Reeve, Jay . . . Rex Shelton, Lee A. Jarlene Cearley, Jeannie Bandy, Bill Fallwell, Pamela Lewel-

len, Chris Sanders, John Sheehan, Kay Cochran, Lisa Taylor and Flostilla Rutz.

A's with two B's: Trip Horton, Libby Lyles, Shera Finley, Mickey Harrelson, Ricky Harper, Josie Perez, Randall Snyder, Tena Day and LaGayla Self.

THIRD GRADE
All A's: Benita McAllister, David Sanders, Carol Ann Reeve, Doris Schueler, John Lee Rule and Carolyn Murphree.

A's with one B: Karen Clausen, John Cole, Michael Martin, Betty Sachs, Teresa Bingham, Gail Parkey, Debbie Horton and Nancy Martinez.

A's with two B's: Jayson

Grimsley, Mark Walters, Bruce Bandy, Vandra Nichols, Wanda Price, Tracy Barber, Gary Mingus, Donna Lewellen and Cynthia Barnett.

FOURTH GRADE
All A's: Kathy McLean, Sally Kendrick, Joni Cannon, Vicki Beck, Sheila Struve and Alesia Raysdale.

A's with one B: Cynthia Gable, Carleen Schlenker, Larry Sanders, Dave Buske, Deanne Schueler, Carolyn Martin and David Sides.

A's with two B's: Jeannie Thompson, Jill Riethmayer, Janice Milner, Denise Frazier, Kathy Horton, Janie Melandez and Andrea Hurst.

Why is foreign trade so important to American agriculture? We now export the product of about one out of each six of our crop acres as much as half of our wheat and a third of our cotton.

Herring, Friona Motors Take Pony Loop Wins

Danny Balze pitched a one-hitter, and Herring Implement romped to a 13-1 win over Sherley Grain of Bovina in the Pony League opener at Reeve Field Tuesday night. In a game at Bovina, Friona Motors had two big innings to defeat Charles Oil, 12-9.

Balze struck out 11 men in coasting to the win. Herring erupted for nine runs in a big fifth inning, and the game was called due to the 10-run rule.

Herring grabbed a 2-0 lead in the first inning when Glen Goggans singled and Eddie Wood walked. Both scored on passed balls. The same two players scored in the third to make it 4-0.

Then in the fifth, the Bovina team got in trouble with walks. Wood and Balze walked, and Joe Perez' hit over third base scored a run. Joel Osborn's fielder's choice ended up scoring another when the throw home didn't catch the runner.

After a pair of singles by Joe Garcia and Rickey Hurst, and walks to Randy Balze, Goggans and Wood, Danny Balze sewed up things with a three-run homer, after which the game was called.

Jay Potts, Don Ready and Bobby Sims each had two base hits for Friona Motors in its win. The winners scored four runs in the second, helped by hits by Potts and Ready.

Then after Charles Oil took a 6-4 lead in the fourth, the Motormen came back for six runs in the fifth. They were

aided by five walks by Bovina pitching, and a double by relief pitcher Bobby Jordan. Larry Graves started and was the winning pitcher.

Tryout Camp Scheduled In Amarillo June 26-7

The Baltimore Orioles Baseball Club will conduct a clinic and try-out camp at Potter County Stadium in Amarillo June 26 and 27. Players between the ages of 16 and 23, who are interested in the camp should report to Potter County Stadium at 10 a. m. on Friday, June 26.

Players must furnish their own uniforms and equipment and pay their own expenses to and from camp; however, any player signed during the camp will be refunded all his ex-

penses. There is no fee charged for attending this camp, and balls and bats will be furnished by the Orioles.

Players reporting to camp should be prepared to work in camp from 10 a. m. through most of the afternoon.

Camp will be conducted by Dee Phillips, former major league infielder and now a scout for the Baltimore Orioles, and Gus Hrnclir, baseball coach at Amarillo High School.

Players who are now in American League programs should obtain permission from their coaches to attend this camp. Participation in the camp in no way effects a player's high school or college eligibility.

Bankers, Reeve Take Opening Wins Here

Friona State Bank and Reeve Chevrolet scored victories in the Intermediate League's opening games, featuring high-scoring contests.

The Bank edged Brookfield Drilling, 11-10, while Reeve romped over Star-Hurst, 14-3. The Bank scored a run in the bottom of the seventh for its win. Reeve came up with a seven-run third inning to highlight its victory.

Butch Watkins pitched for Friona State Bank. Bernhard Binger and Ray Peace hurled for Brookfield. Gary Pope and

Jeff Price each had two hits for Brookfield. Larry Fallwell had two hits for the Bank team. Donnie Meason and Rickey Meason pitched for Star-Hurst. Jerry Shelton started for Reeve Chevrolet. Johnny Hoover collected two hits, a single and a double for Reeve. Reeve pitching struck out 13 Star-Hurst batters.

Changes Given For Schedule

S. D. Balze, summer baseball director for Friona, this week announced changes to the summer baseball schedule published last week in the Star. Balze pointed out that these changes were made necessary in order to help him better coordinate the baseball activities. A copy of the schedule as amended is published in this issue of the Star.

School Calendar For 1964-65 Is Approved

The school calendar for the 1964-65 school year was approved at last Friday's meeting of the school board.

The first day of school has been set for Monday, August 31. A holiday will be recognized on Labor Day, Monday, September 7. The students also will be dismissed on Friday of that week for Matze Days. Other school holidays include November 26-27, Thanksgiving; December 23-January 3, Christmas holidays; March 12, district teachers' meeting; and April 16 and 19, Easter holidays.

As the schedule is set up, 175 teaching days have been allotted, which is the minimum required by the Texas Education Agency. Tentative graduation dates have been proposed as Saturday, May 22 for grade school and Monday, May 24, for high school.

The American Medical Association puts it this way to young people: "To smoke or not to smoke is, of course, a matter of individual choice. Certainly, if you haven't started the habit, you should carefully consider all the facts concerning your future health before doing so."

The safety manager for an American oil company says, "Mile for mile, highway travel is now three times safer than it was 25 years ago and twice as safe as it was 15 years ago." This is good news, but there is still a lot of disaster on the road. America's automotive safety record can be improved even more -- without horror and hysteria -- by the conscientious application of the principles of safe driving.

The Missouri Public Expenditure Survey says the Federal government lacks both fiscal discipline and adequate fiscal machinery to reduce swollen federal spending. It has been computed that since the New Frontier took over in 1961, federal spending has increased by \$16 billion a year; the national debt has increased \$19.1 billion.

Pony League Mothers Meet

A meeting for mothers of Babe Ruth League players has been planned for 2:30 p. m. Friday, June 19, in Community Room of Friona State Bank. Mrs. T. A. Williams, general chairman, urges all mothers to be present at this meeting.

TO LEAVE FRIONA

Dukes Gets Scholarship For Work On Master's

C. W. Dukes, who served as boys basketball coach and mathematics instructor at Friona High School the past two years, has resigned to accept a grant from the National Science Foundation to further his education.

Dukes has been awarded a grant which will enable him to complete post-graduate work in mathematics at Louisiana State University. Upon completion of the work, Dukes would have a Master of Mathematics degree. "We sincerely hate to leave Friona because we have come to like it so well. Also, we hate to leave our boys basketball team, which we think will have a real fine year," Dukes says.

At Friona the past year, Dukes compiled a personal "low" mark as a head coach when the Chieftain basketball team won only four games of a 24-game schedule. Prior to coming to Friona, he had three consecutive state championships with the girls team at Sundown, and a three-year record of 93-10.

"That's another reason we hate to leave Friona. The team was much better than its record indicated last season, and has the material for a winner next year," Dukes states. The Chiefs will have returning its top six scorers of the past season. Two of the players will be juniors next year.

Dukes explained that the grant would enable him to accomplish

C. W. DUKES

was learned, Dukes will be one of 45 in the nation participating. He received his on the first application.

what otherwise would take six to eight years of work during the summer. He pointed out that LSU is rated as one of the top 10 math schools in the nation.

The resignation of Dukes leaves Friona High School with two coaching vacancies. Still to be named is a girls basketball coach to replace Baker Duggins, who went into full-time counseling at FHS.

Dukes will remain in Friona through the middle of August. He will begin his orientation at LSU about the first of September.

Grants such as the one Dukes received are not very easy to come by, and many times it takes several applications, it

Flippins Host Outdoor Supper

Mr. and Mrs. Bill Flippin were hosts at the Monday evening meeting of Friona Antique Club at their home north of town. Feature of the evening was an old fashioned outdoor supper.

Mrs. Charles Russell, Mr. and Mrs. Walter Loveless and Uncle John White.

Members present were Mr. and Mrs. Dick Habbings, Mr. and Mrs. Tommy Jones, Mr. and Mrs. O. C. Jones, Mr. and Mrs. Raymond Adams and Mr. and Mrs. Leo Balls and Becky all of Friona and Mr. and Mrs. W. H. Hardage, Farwell.

Fried potatoes, beans, steak and biscuits were cooked in cast iron utensils over an open fire and served with pickles and onions. Special guests were Mr. and

IT WAS RUNNING. . . "Running Water Draw," lived up to its name, as proved in this shot at the bridge south of Friona. The shot was taken on Sunday, showing the water running swiftly near the bottom of the bridge.

Wilson Evans Ends Training

Army Pvt. Wilson H. Evans, son of Mr. and Mrs. Wilson H. Evans, 1201 W. Sixth, Friona, completed eight weeks of advanced infantry training with light weapons at Fort Polk, La., June 5.

During the training, Evans received instruction in the use of the automatic rifle, the light machinegun and the 3.5 inch rocket launcher. The 22-year-old soldier is a 1959 graduate of Omda (S.D.) High School and attended West Texas State University, Canyon. He is a member of Alpha Psi Omega fraternity.

BULL WILLIE SEZ:

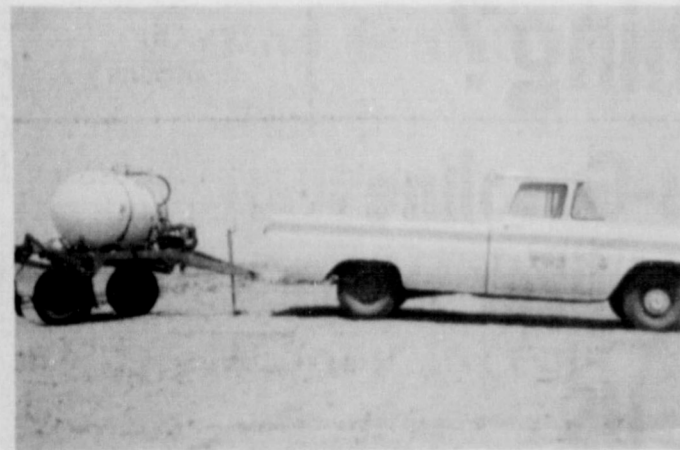

I'm all for Mr. L. B. J. if on ole poverty he's goin' to war. I been fightin' that sucker for thirty years and ain't got very far.

It seems ever time I take a step that booger'll push me back two. I'm beginin' to wonder if I hadn't oughta holler for some help from you.

Then maybe at last I'd have a chance to blast his mangey hide. But up to now it's been a one sided fight, 'cause my competitors are all on HIS side.

So, buy YOUR fertilizer ALL from us this is our tearful plea. And strike a blow against that cuss that's known as Povertee!!

THE FRIONA FARM NEWS

FHA Office Agronomist Discusses To Be Closed Bindweed Program

Farmer County Farmer's Home Administration office will be closed Monday and Tuesday, June 22 and 23rd. All personnel will be attending a meeting in Lubbock on those dates.

Alan Wiese, agronomist for the Texas Agricultural Experiment Station in Bushland, discussed bindweed control at a meeting of the Farmer County Weed Control committee last Thursday.

Wiese discussed the various chemicals to use, amounts to use and so forth in the control of bindweed. Anyone may obtain this information by contacting Wiese at Bushland, or from the county agent.

Also discussed were herbicides to use on cotton and grain sorghum.

Herman Gerles, chairman of the committee, outlined the structure of the weed control committee, which was established in 1953. The committee was started by the Farmer County Farm Bureau, which also furnished a director for the committee.

Prentice Mills, office manager of Farmer County Agricultural Stabilization and Conservation Service (ASCS) discussed the bindweed control "cost-share" arrangement through which the ASCS pays 50 per cent of the cost of materials for controlling bindweed.

A question and answer session was conducted during the meeting. About 29 people attended the meeting, held in the hospitality room of the new Security State Bank in Farwell.

INSPECTS MAIZE. . . County Agent Joe VanZandt inspects young maize plants near Friona which held up fairly well under large amounts of moisture the past week. Most of the crops are expected to make it, with damage being limited to certain areas.

Three Elevators Get First Wheat Loads

At least three elevators in the Friona area have received their first loads of wheat. The earliest in the area, as far as we can determine, was marketed at Black Grain Company last Tuesday (June 9).

Selling the wheat at Black Grain was E. C. Schilling, who cut the wheat from a field two and one-half miles northeast of Black. This load actually beat the load at Lazbuddie by a day. That load was erroneously termed the "first load for Farmer County" by the Star.

The first load of wheat for a Friona elevator was marketed Monday of this week by E. M. Jack, who farms 10 miles north and nine west of Friona. He brought it to Friona Wheat Growers.

This wheat tested at 59 pounds to the bushel, and had a good moisture reading of 14.80 per cent, despite receiving rain Saturday night. It was Tascosa variety.

The load of wheat at Lazbuddie was sold by Jack Smith, and marketed Wednesday, June 10. This wheat tested at 60 pounds to the bushel, and had a moisture reading of 14 per cent.

County Sets Board Meeting

The Farmer County Commissioner's Court set the date of the county equalization board meeting as Monday, June 22 at its last regular meeting.

In other business, the court approved purchasing a hospitalization insurance program for county employees from South Coast Life Insurance Company, through O. J. Beene, Friona.

The action came at the last regular meeting of the commissioners. Cost for the program will be \$5.93 per employee per month.

FIRST FRIONA LOAD. . . Larry Evans, cutting wheat for E. M. Jack, brought the first load of wheat to Friona, marketing it at Friona Wheat Growers on Monday.

Bits and Tidbits - by Bill Hannold

Littlefield Is Named To Wyoming Position

Carroll Littlefield, son of Mr. and Mrs. John Littlefield of the Lazbuddie community, has been employed by the Bureau of Sport Fisheries and Wildlife in Laramie, Wyoming for the summer.

Littlefield, a 1959 graduate of Lazbuddie High School, will be a senior at Colorado State (Fort Collins, Colo.) this fall. He has attended Eastern New

Mexico University and Texas Tech.

According to Lee Marlatt, manager of the bureau, Littlefield will take part in waterfowl census work, development on Hutton Lake and Pathfinder refuges and will gain practical experience in wildlife management.

Littlefield was listed on the honor roll at Colorado State the past two semesters.

Miller Accepts Vega Position

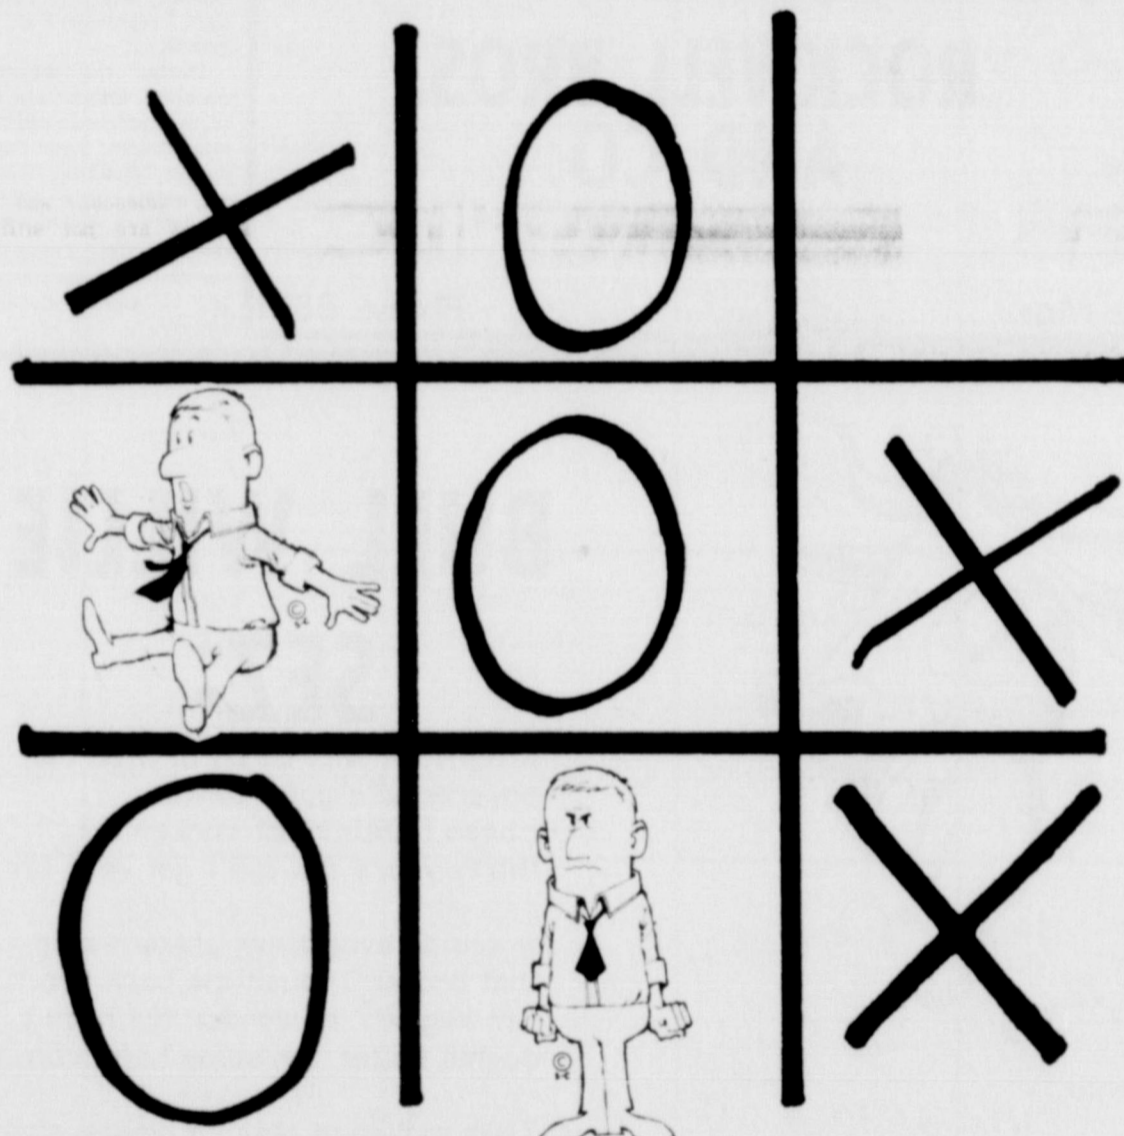

Kenneth Miller, former head coach at Friona High School, has accepted the position of head football coach at Vega High School. It was announced recently.

Miller, whose team won the district championship at Groom before he came to Friona, served as assistant coach at Kress the past year.

He was coach at Friona two years, the 1961-62 and 1962-63 seasons.

FIRST COUNTY WHEAT. . . Paul Fortenberry of Black Grain (right), is shown presenting a premium check to I. C. Schilling for bringing the first load of wheat to the Black elevator, and also first in the county. It was cut Tuesday, June 9.

Everybody benefits when food is fresher... more plentiful—thanks to America's Rural Electrics

Rural power is a wellspring of America's food abundance.

Thanks to his consumer-owned rural electric system, America's farmer does his work faster and more efficiently.

Electricity helps him feed and water more cattle and hogs, hatch and care for more chickens, milk more cows. It lights his barns, cools milk and cream, and keeps food fresh and safe. The end result is fresher, healthier food on your table. And it takes less of your family budget than ever before.

Consumer-owned rural electric systems—in most cases cooperatives—help guarantee that America's farmers will be able to meet all of this nation's growing demands for food. These rural electrics were built with the help of Rural Electrification Administration loans—and they are owned and directed by the people they serve.

As farmers use more and more electricity to produce more and better food, REA loans continue to help the rural electrics keep pace with the growing demand—and everybody benefits.

Deaf Smith County Electric Co-operative, Inc.

A soil test is the only source for finding the exact amount to apply. When the testing lab knows what grass crop is being used, they give fertilizer recommendations for managing the crop for the following two years.

Extension agronomist at Texas A&M point out that one problem they are having in giving fertilizer recommendations is that applicants fail to indicate the yield they are hoping to attain when they send in the soil sample.

Topdressing not only increases yield, but it also increases the protein content of the hay.

If Midland is not topdressed and is, instead managed like common Bermuda, yields can be expected to be no better than with common Bermuda.

Information and materials on sending in soil samples are available at the County Agents office in Farwell.

To get maximum yields from high producing forage crops like Midland Bermuda and hybrid sorghum-Sudan, topdressing after each harvest is a necessity.

Nitrogen is the main element required when topdressing grasses. Topdressing is needed by crops that are grazed as well as for those cut for hay.

The amount of nitrogen to use for each topdressing varies from 30 to 100 pounds per acre.

In And Around...
(Continued from page 7)

himself to do a better job in his profession. But . . . I surely am sorry to see Friona High School lose such an outstanding coach and math teacher.

Watching workmen put up new lines on the REA poles west of town has been an interesting experience. Until recently I had not realized that men who put up telephone and electrical lines are not still climbing poles.

It is interesting to watch workmen being taken up to work on poles in a bucket type lift powered by motors and operated by another man in a truck. From the ground it looks as if working on poles would be much more simple than it used to be.

It looks as if a workman can make necessary connections just as if he were standing on the ground and working at a level of about three feet or so. I'm wondering how much the accident rate has been reduced since these devices have been put into operation.

The same type device is being used by telephone linemen in town.

Surely it will not be long now until we have the new telephone numbers and more efficient service.

Another change that is being made in telephone service that all residents of this area will enjoy is the change over from ten party lines to five party lines on the rural exchanges.

Of course, this will involve number changes, but in the long run we will all enjoy the added convenience.

It hasn't been long since homemakers were welcoming the idea of one dish meals. Now we're learning a lot of new combinations for whole meal sandwich quickies for lunch or supper.

One of the most attractive ones I've seen is a triple-decker with an open face. Toast one side of bread, spread untoasted side with butter. Add a spoonful of baked beans, cover with a slice of cheese and top with thin slices of onion. Place the sandwich under the broiler until cheese melts.

A necessary evil is one that we like so well that we do not want it abolished.

Attend Funeral

Five Friona residents flew to Lometa, Calif. last week to attend funeral services for Mrs. Bill Schlenker, who was Frances Reeve, before her marriage.

Mrs. Schlenker died Monday June 1 and funeral services were conducted the following Wednesday.

Friona relatives attending were Mr. and Mrs. Carl Schlenker, Mrs. Cordie Potts, Mrs. Floyd Schlenker and Mary Reeve.
