LISTEN TO LUKE

By Albert:---

This is Girl Scout week and is being observed locally by those who are members of that organization. The girls just completed two projects - selling cookies to support their camping facilities at Mitre Peak near Alpine and Hat A Ranch north of Sanderson to Ward Bakersfield, and the other-daughter supper on Thursday night of last week. Both of those projects were successes and so is the Girl Scout program here.

Almost as long as we have been in Sanderson the Girl Scout program has been active and there are many girls who have come under the influence of the program. It has only been in the past few years that the program has been expanded and now there are more who possibly will be under the influence of the organization.

One would have to look a long time and very closely to find something wrong with the Girl Scout program. If there is some shortcoming in the operation of one of the troops or some part of the area's efforts, it is not the fault of the program itself, but the fault of those concerned.

The way of life that is suggested by the program of Girl Scouting is the treatment of things by Girl Scouts on a level that has almost attained the status of "idealistic". But they will have taken an oath - not outgrown or abandoned - to try to do their duty to God and their country, to obey the Scout laws and to help other people, especially those at home. And their laws are: A Girl Scout is trustworthy, loyal, helpful, friendly, courteous, obedient, cheerful, thrifty, clean, and reverent.

This is a good code of ethics to go along with all the religious training that is "expected" to be given them in homes and churches. Girl Scouting does not try to give religious training since it tries to help girls of all faiths and creeds and is universal in character.

In areas such as ours where Christianity is about the only practiced religion besides agnosticism and atheism and complete indifference, stress is put on the girls to attend religious services in some church. This is further stressed by the attendance of all of the girls who will go to some church in a body during Girl Scout Week. This year the girls and their leaders will attend the Church on Christ to worship together.

For probably many reasons, the Girl Scout program has been more active in Sanderson consistently than has the Boy Scout program and we would not try to detract from the Boy Scout program and its usefulness and worthiness in our talking about the Girl Scouts. What applies to one of the programs applies to them both. We just happen to have been more closely associated with the GS program through the past several years and know more about its activities.

Harvey's Restaurant Re-Opens After Fire

Harvey's Restaurant re-opened last weekend following a fire in the kitchen that caused considerable damage to the business. The fire occurred Tuesday night of last week and the cafe re-opened Friday morning.

Grease caught fire in the area of the exhaust fan, the source of a previous blaze, and there was quite a bit of damage from the flames to the ceiling and kitchen equipment, also considerable damage to the cafe and to the beauty shop adjacent to the west.

Mrs. Wandah Hoffman and Mrs. Roxy Burge, owners and operators of the restaurant, stated that they had plans to completely remodel the interior prior to the fire, but that the resulting smoke damage caused them to begin plans for remodelling immediately.

They stated that they appreciated the concern of the people of Sanderson and their friendship displayed in so many ways was gratifying to them since they were strangers here and new to the business community.

The fire alarm was answered by volunteer firemen and the blaze was contained within the kitchen area of the cafe.

Miss Virginia Garcia and Pete Fuentes stood beneath an archway decorated with greenery and lilies of the valley to exchange their marriage vows in Sacred Heart Catholic Church in McCamey. Rev. Alvin Wilde officiated at the double-ring ceremony at 4:00 o'clock in the afternoon on Saturday, January 24.

Parents of the bride are Mr. and Mrs. Honorato Garcia, former Sanderson residents. The bridegroom is the son of Mr. and Mrs. Benserlado Fuentes of McCamey.

The bride, escorted to the altar by her parents, was attired in a floor-length satin gown featuring a round neckline, petal-pointed long sleeves, and a molded bodice of Chantilly lace accented with seed pearls. Her carpet-length train swept from the waistline. A cornet centered with jewels held her elbow-length veil of tulle. The bridal bouquet was of white roses with streamers of pearls and satin ribbons. The feminine members of the wedding party all wore rose headpieces and carried bouquets of roses with satin streamers.

A reception in the McCamey Park Building followed the wedding. The refreshments consisted of a five-tiered bride's cake, German chocolate cake,

Girl Scouts Have Supper for Dads

Last Thursday evening about 80 Girl Scouts and men attended a "Welcome Dads" supper at St. James Hall. The Scouts had invited their fathers or a proxy to the supper.

The menu consisted of beans, salads, Mexican casseroles, chocolate cake, and iced tea and was served on tables with green runners on white cloths. Gold trefoils and bottles holding a candle were on the tables where the guests sat.

A further decorative note was the three large trefoils on the paneled walls, two with the names of the Sanderson Girl Scouts and "Welcome Dads" on the other. The cake table had a "growing up tree" with symbols of activities and achievements on it.

A badge indicating which Girl Scout he represented was pinned on the men at the door.

Mrs. H. M. Petty, Neighborhood chairman, welcomed the guests and then the Cadettes and Seniors led a singing invocation and served the supper.

The Brownies presented the first part of the program. Wearing Indian beads and playing instruments which they had made, they sang two songs, Mrs. Charles Stegall playing the organ accompaniment. The Juniors sang three songs.

Miss Candace Cooksey told what being a senior Scout had

meant to her and also told of Counselor-in-Training program at Camp Mitre Peak.

A film: "This is Girl Scouting" was shown by Jack Cosby. The song, "One God" was sung by the Cadettes and Seniors in closing.

Those present formed a large circle and the girls who had sold 36 or more boxes of cookies during the recent Girl Scout cookie sale were awarded their "36" patches by Mrs. Petty.

To conclude the evening "Taps" was sung.

There is little waste in support of either one of the programs that are carried on according to their highest plans. Please try to see fit to continue to support both.

Those who had opinions to express seemed to be most numerous who were in favor of a sunrise Easter service outside. At least that is the opinion of the ministers who were collecting others' opinions to base their decision on the time and place.

Postal patrons should be interested in the survey that is being made to try to determine the wishes for delivery of mail of those who live more than 1/4-mile away from the post office. The survey is being made by the postal department after Yours Truly wrote his Congressman concerning a news release that was sent by Rep. Richard C. White giving some of the information about the home delivery possibility.

Following receipt of a letter from Congressman White Saturday, we feel as we did last week - personally - we would rather get our mail at the post-office. We think it is more in keeping with our other efforts to cut down on tax expense and unnecessary spending. Those who disagree have every right to do so, but they forfeit some of their right to gripe about taxes being high when they ask for services, goods, or conditions that cost tax money.
