LISTEN TO LUKE

By Albert ---
BE THANKFUL!
Maybe you feel you haven't very much to be thankful for this year.
What with the war, the riots, the corruption in high places, the thoughtlessness of some of the leaders of youth, the drug problem, rising costs of living, taxes, etc., etc.; etc. . . .
But, take another look. . . at the sunshine dispelling the clouds. You still have the greatest gift of all to be thankful for. You still have belief!
Belief in God, who created the light, so you could see the wrong and do something about it.
Belief in America, which still holds the torch of freedom high and carries it proudly over the world.
Belief in most people everywhere, who find happiness in kindness, reward in helping others.
Belief in your own community, the beauty that surrounds you, the pride that prods progress toward better living for all. And belief in yourself, the example you set for others, the confidence you show in Tomorrow, the rich inner life you find in Faith.
Yes, the good still overpowers the bad in this wonder-filled world of ours. You can give thanks. . . with Thanks-Living, at your place of worship this week.

Happy Thanksgiving!

There is little usually to be said in the way of reporting the football games to draw attention to some who are deserving much in the way of credit. We are talking about some of the unsung heroes of the Friday nite spectacles - the football players in the line who are in on the blocks and indirectly the tackles, those in the meat-grinder - as they have been called, and to those who suit out but spend little time in the game, the managers who help with the menial chores of fielding a football team. And there are those who "just" march in the band, behind the twirlers and drum major. The loyal fans who display their loyalty from year to year, year in and year out, who quietly support the teams and the band with their loyal presence; and those who support the team in a more active way, those whose loyalty shines through more apparently than some others, possibly. And for the players and the spectators, both at home and

Division II Earned By Band At Odessa Meet

The Sanderson High School Band were competitors in the annual University Interscholastic League marching contest in Odessa last Saturday. The rating awarded the bands is by a panel of three judges selected by the band directors of the region.
The Eagle Band received a rating of Division II or "excellent". The Van Horn unit was the only band to receive a Division I rating or "superior".
The twirlers competed in the solo contest and Nancy Maples and Mona Harris received Division II ratings. Alice Goldwire received a Division I rating. Estella Calzada was unable to compete because of illness.
The Band Boosters treated the group to a Mexican dinner at an Odessa cafe. Glen Wren, band director, read the judges' criticism sheets to the band and thanked the Boosters for the meal.
Mr. Wren stated that he was well pleased with the favorable showing made by the band and majorettes at the contest and their accomplishments were a proper ending to a successful marching season.

Mrs. H. C. Goldwire returned home last week from Ozona after visiting her sister, Mrs. L. R. Dorsey. She also went to San Angelo for her medical check-up.
Mrs. J. D. Nichols returned home last week from a visit in San Antonio with her daughter, Mrs. Bernice Peace, and in Uvalde with her grandson, W. J. Vaughn, and family.

SCHOOL'S DRESS POLICY IS CHANGED RECENTLY

After a new ruling was passed by the board of trustees of the Terrell County Independent School District last week, the girls may now wear pant suits and slacks to school. Deer Season Opens Saturday

Deer season in the Trans-Pecos area of the state opens on Saturday and runs through December 13.
The influx of hunters is expected to begin Thanksgiving Day.
The season this year permits the taking of no more than two whitetail bucks and only one blacktail buck, and antlerless deer under certain conditions.
Many ranchmen in Terrell County have leased hunting privileges, mostly on a season or weekly basis. There is some day-hunting available in the county, according to the information available.

The Eagle B-team won their first outing of the year in the defeat of their Marfa peers 49-48 in a double-overtime fray here Thursday night of last week. The regular time ended 41-41, the first overtime ended 45-45 and Sanderson was able to make one more point in the second extra inning.

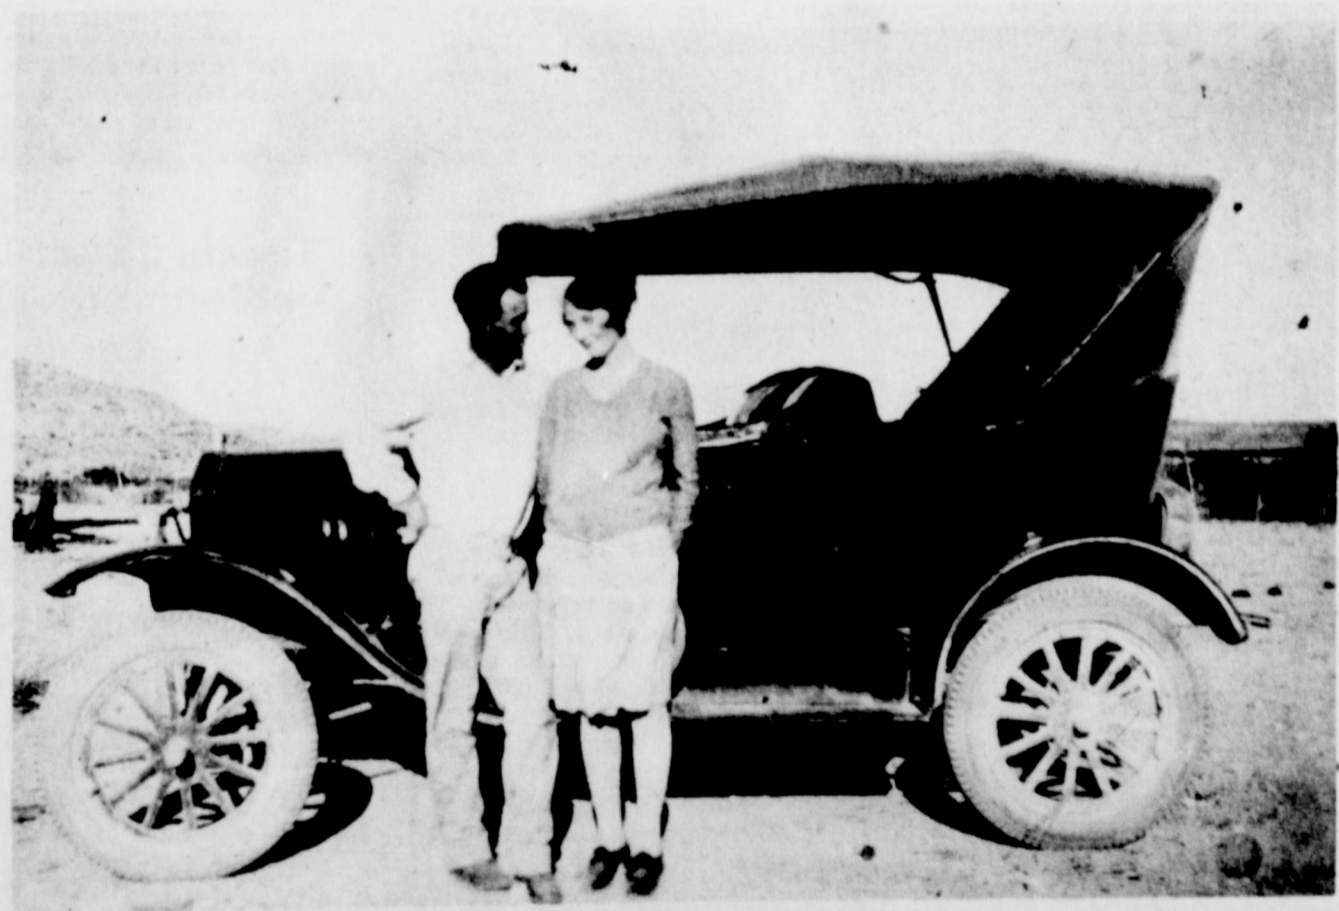

Bill Mott scored 19, Bob Murrell 12, Robert Kline 11, Jim Cash 3, and Raul Ybarra and Kendrick Harrell each had 2. Juan Saenz also saw action on the court.

Also on the team coached by Athletic Director Willie Myers: Pat Harris, Jake Murrell, Johnny Hodgkins, Jesse Calzada, Jimmy Davis, Darrell Cooke, and Kevin Phillips.

The Eagles lost 57-76 to the Shorthorns in the finale after a first quarter tie of 17-17. Bill Littleton scored 18, Blaine Chriesman 15, Leslie Hall 8, Ike Billings 4, Randy Louwien 3, Ronnie Stewart, Pat Mott, and James Druse each had 2, and Manuel Olivas 1. Other Eagles seeing action were Steve Litton, Damon Harrison, and Santiago Flores.

Since the football season was over there had been only four days of practice for the teams prior to their first game. Coach Tommy Hall is mentor for the Eagle cagers.

Mr. and Mrs. W. R. "Son" Turner are shown beside their "tin Lizzie" in the late 1920s. The touring car top folded down for fresh air and sunshine joy riding, and ising glass and canvas curtains enclosed the vehicle for inclement weather. Mrs. Turner loaned us the picture.

Mrs. R. A. Harrison Presents Program For Culture Club

Continuing the year's programs on "Fulfillment, Through Fine Arts", Mrs. R. A. Harrison gave the program on "The Beauty of Conservation Over the Centuries" when the Sanderson Culture Club met last Thursday afternoon in the home of Mrs. H. E. Ezelle. She also displayed conservation pictures showing terracing, skip-row-planting, etc.

The meeting opened with a poem "My Neighbor's Roses" read by Mrs. Harrison and the singing of the National Anthem.

The recommendations of the executive board were accepted and the club has paid for the posters, materials, prizes, and trash cans used in the recent clean-up campaign. This year instead of a basket of food for an underprivileged family, the members will bring cash contributions to the next meeting to be given to the Minister-

ial Alliance to be used in their relief work all year.

A TFWC Diamond Jubilee Pin brought back by the three Savage, and Ezelle, who attended the recent Western District Board meet in Big Lake, was presented to Mrs. Card. Upon hearing that Thursday was her birthday, the group sang the "Happy Birthday" song to her.

The Thanksgiving theme was noted in the decorations and refreshments served during the social hour. A cornucopia overflowing with fruits and nuts formed the centerpiece on the dining table which was covered in a hand-crocheted cloth over

yellow. Chrysanthemums on the buffet and in the living room were arranged in pottery vases which were replicas of roosters.

Mrs. N. M. Mitchell Jr. served the congealed chicken salad and Mrs. Card was at the silver tea and coffee service. Also on the table were relishes, mince meat, salad, salted bean halves, pumpkin pie, carrot and raisin bread.

Also present were Mmes. G. K. Mitchell, A. D. Brown, L. H. Gilbreath, R. A. Gatlin, N. M. Mitchell, E. H. Jessup, N. M. Mitchell Jr., and Mary Cox, who was co-hostess with Mrs. Ezelle.
