LISTEN TO LUKE

By Albert:---
We had a nice comment or two about the ecology motto we ran last week: "We have met the enemy and he is us." It reminds us of what we have as news for this week about the action of the U. S. Congress in approving the appropriation for funds for the construction of the flood prevention dams on Sanderson Watershed: All we are waiting on now is us!"
During all the time that the application was in the hands of others, we could say - and with all truth - we're waiting on them. That is not still the case.

According to our understanding of a conversation with Herb Senne, local Soil Conservation Service work unit supervisor, the money is now in the hands of - or available to - the Soil Conservation Service to pay for the construction of the dams but the construction cannot begin until the contracts are let and the contracts cannot be let until they have been submitted for bids and they cannot be submitted for bids until easements for the land have been secured. There is a step or two or an action or two that has been omitted from the process above-mentioned, but the point is that the next thing is the securing of the easements to satisfy the SCS that everything is in readiness prior to the spending of any money.

The easements consist of an agreement between the landowner and the Terrell County Commissioners Court about what is to be done and what is to be expected by each party prior to, during, and following the construction of the dams.
According to Senne, when the easements are secured, say on the 3-Mile side of the watershed, then the contracts will be submitted for bids and subsequently let, and then work will begin.
We are now just waiting on us.

According to what we understood when action first started on the securing of flood control dams, it would take about 10 years. June is the anniversary month of that 1965 catastrophe, and this makes six years since the flood occurred. The 10-year figure may be a real good one, at that. We now have four years in which to get done all of the actual work of the construction of the project.

We have heard no estimate on the amount of time that will take, but it is our guess that if everything goes well from now on, it will take pretty close to that length of time to complete all of the dams.

The picture we published about three weeks ago of the large group of students of the elementary school brought an interesting letter from Mrs. Rose Baer Ketchum, who was a teacher in Sanderson in 1918-1919 and who will be continued to second page.

Rubiola-Polio Clinic Today

Dr. A. N. Clanton, Terrell County Health Officer, told The Times Friday of last week that he would conduct a rubiola and polio clinic Thursday, July 1, at the elementary school, beginning at 1:00 p. m.

The clinic will be free of any charge.
Rubiola vaccine will be given all children ages 1 through 12, and oral polio vaccine will be given all children 1-19.

Both the vaccines are among those that will be required of all students who enter a public school this fall and all parents are urged to take advantage of the clinic to see that their children comply with the law and also help to wipe out the diseases.

Dr. Clanton stated that rubiola was the name for "hard" measles, not German Measles or rubella, and he considered it very important for children to receive this vaccine. He stated that there was no lessening of the stress for the oral polio vaccine, but that the immunization had been more widely publicized than for rubiola.

Dr. Clanton added that if anyone wanted to make a contribution of 50¢ to the Sanderson Emergency Squad for supplies and equipment, that it would be graciously accepted, but it would not be requested at the clinic nor would there be any charge made or mention of a charge or contribution made at the clinic by him or his helpers.

AVIS ANN COCHRAN IS 'MISS LOUISIANA'

Mrs. E. E. Harkins Jr. received word Saturday night that her niece, Miss Avis Ann Cochran, daughter of Mr. and Mrs. W. R. (Bill) Cochran of Shreveport, La., was selected as "Miss Louisiana". She is now eligible for competition in the "Miss America" contest.

Mr. Cochran was reared in Sanderson and Mrs. Cochran is a niece of Mrs. R. S. Wilkinson.

Rain Covers Most Of Terrell County

Low-lying and moisture-laden rain clouds hung over Sanderson and much of Terrell County during the weekend and the first part of this week, leaving nearly 1 1/4 inches of rainfall in gauges here and varying amounts over most of the county. Over two inches has been reported in some parts of the county.

A heavy mist and intermittent showers during all of Saturday night gave everything a good wetting locally and there were some light showers again on Saturday and Sunday nights. There was no run-off reported in any part of the county.

Several areas contacted indicated that the moisture was general, but varying in amounts.

Money Ready For Dam Construction

The Times received word last weekend from the offices of Sen. John Tower and Rep. Richard C. White that the way had now been cleared for the beginning of construction on the flood control project for the Sanderson Canyon Watershed. The Senate and House Public Works Committees each approved the appropriation of \$4,000,484.00 for the project.

The approval of the appropriation was for the Soil Conservation Service's application for the funds to construct 11 flood control structures with associated brush clearing and channel clearing to assure the best possible control of water falling on the watershed. The money is retained by the Soil Conservation Service and spent in paying contractors for their work on the watershed project as it is approved by engineers from the SCS.

The application was made by the Soil Conservation Service at the request of the people of Sanderson and Terrell County working through the Commissioners Court and the Rio Grande-Pecos River Soil & Water Conservation District. They were joined by the Commissioners Courts of Pecos and Brewster Counties and the Soil and Water Conservation Districts that include those counties.

No further action by Congress is needed and the Department of Agriculture has authorized the Soil Conservation Service to proceed with the work as is possible.

Saturday Set As Celebration Day Here

The American Legion and Auxiliary and the Sanderson Rodeo Club are joining in plans for a full day of activity on Saturday, July 3 in Sanderson.

At 11:30 a. m. there will be a parade beginning at the Sanderson State Bank and it will proceed east to the American Legion Hall where a barbecue lunch will be served immediately following the parade.

All local persons, organizations, and businesses are urged to have some sort of entry in the parade and horseback riders and bicycle riders are also encouraged to enter.

At 1:00 p. m. roping events will begin at the arena on the Fort Stockton highway and a large group of out-of-town ropers are expected to be on hand. This is the third in the series of roping events in competition for silver and gold buckles for the summer's contests.

There will be a dance at the V. F. W. Hall Saturday night beginning at 9:00 and ending at 1:00 a. m. Sunday. An out-of-town orchestra will play for the dance which is sponsored by the American Legion.

SCREWWORMS FOUND

C. C. Mitchell reported to The Times last weekend that several cases of screwworms had been found in Terrell County and all ranchmen are advised that fly drops had been made.

No date is available on the picture below, but it can safely be classified as "an old one". Ed Burdwell, Dick Lewellen, and Pete Peterson are the three men on the ground, according to Mrs. Earl Stirman of Midland, who loaned us the picture taken in the local yard. The man on the engine and the two in the engine are not known. We noted in the original picture the brass bell has a "new" shine to it.

remembered by some. The published picture was in 1920 and she said included many students that she remembered. Anyone wanting to get in touch with her may get her address from us.

A big parade is being planned for Saturday and there will be a big meal at noon at the Legion Hall, sponsored by that organization and the Auxiliary, there will also be a roping in the afternoon.

Many people use July 4 as sort of a home-coming for Sanderson and it is good to see all of the visitors that come back just to see old friends and to visit relatives. It is well to remember this fact when expecting company from out of town and if it is convenient for them and for you, ask them to come over the 4th so that they can see other old friends.

The Texas Department of Public Safety estimates 48 lives will be lost in traffic accidents over the July 4th holidays. Please try not to be one of the ones involved in an accident!

MISS PIXIE MANSFIELD ON EUROPEAN TOUR

Miss Pixie Mansfield is on a six-weeks tour of Europe with two other teachers. They arrived in Luxembourg on June 7 and expect to leave that city on July 20. She is the daughter of Mr. and Mrs. J. A. Mansfield and taught school last year in Cleveland.

So far, the trip has been to Paris, Bordeaux, Marseille, Nice, Monte Carlo, in France; Madrid, Spain; and Florence, Rome, Sorrento, Capri, Italy; and Athens and the Greek Islands.

They are riding a train and stopping where they want to stop and for the length of time they wish to stay in each place.

They report the courtesy of the Italians far surpasses the treatment received in any of the other countries.

Jerry Jones, son of Mr. and Mrs. J. M. Jones, is attending the Community College in San Antonio. He was a May graduate of Sanderson High School.

Mrs. Mario Cantu
... Miss Janie Sanchez weds Saturday

Miss Juanita (Janie) Sanchez became the bride of Mario Cantu Saturday evening in a double-ring ceremony by candlelight at 7:00 o'clock in St. James Catholic Church with Rev. John Pierce officiating at the nuptial Mass.

The bride is the daughter of Mr. and Mrs. Otilio Escudero and the bridegroom's parents are Mr. and Mrs. Amador Cantu of Langtry.

White carnations and greenery decorated the altar.

Mrs. R. S. Wilkinson was the organist and she also accompanied Miss Rosie Calzada of Monahans who sang "Ave Maria".

The bride was escorted to the altar by her father. Her carpet-length gown of white bridal satin, princess style, had a round neck and long petal-pointed sleeves fastened at the wrist with satin-covered buttons. A pearl centered each small diamond-shaped piece of the satin forming a front panel that was edged in heavy lace. Her train was attached to the back of the bodice and the nylon net veil edged in lace and attached to a coronet of pearls cascaded over the train. She carried her rosary and prayer book and a small bouquet of white flowers.

Misses Margie and Mary Escudero, sisters of the bride, were the maids of honor. The bridesmaids were her sisters, Misses Petra and Rosie Sanchez of Chicago, Ill., Lupe Bustos, Sylvia Olivares, Virginia Falcon, and Lali Luevano. Fred Dutchover of Fort Stockton, Sal and Vicente Cantu of Chicago, Ill., Robert Fisher Jr., Charlie Garza, Juan Saenz, Frank Lopez Jr., and Joe Garcia Jr. of Fort Stockton were groomsmen. Tumbly Escudero, sister of the bride, was the flower girl; and the train-bearers were Diana Cano of Midland and Roland Cantu of Del Rio; Robert Martinez of Florida was the ring-bearer.

Mrs. Reynaldo Cantu of Langtry was the matron of honor and Mr. Cantu was the best man. Other members of the wedding party were Mr. and Mrs. Tony Cantu of Del Rio; Mr. and Mrs. Manuel Flores of San Antonio; Mr. and Mrs. Henry Valdez of Kermit; Mr. and Mrs. Frank Arredondo of Pecos; Mr. and Mrs. E. R. Montalvo; Amador Cantu Jr. of Langtry; and Miss Susanda Miranda of San Angelo.

The maids of honor wore

formal gowns of white peau de soie over taffeta with long sleeves and coral colored lace outlining the bodice and neckline. They wore a coral bow of the peau de soie trimmed in two lace medallions in their hair, and carried a single long-stemmed coral carnation tied with white satin ribbons.

The other feminine members of the wedding party wore gowns of coral peau de soie over taffeta in Empire-style with long cuffed sleeves trimmed in white lace and pearl buttons. They also carried coral colored carnations. The flower girl carried a white lace-covered basket filled with coral and white petals.

Three tables were arranged in the parish hall for the reception and dance following the wedding. Mrs. Pete Diaz of Lorain, Ohio, aunt of the bride, was at the bride's book to register the guests. The bride's table covered in a white lace-edged cloth was centered with the bride's cake baked by Mrs. Juan Escalante of Fort Stockton. The four tiers were separated by white columns and each was decorated with yellow roses, white bells, gold leaves, and other sugar-spun flowers edged in gold. A miniature bride and groom stood in a flower-decorated heart on the top layer. Gold dragees and a net ruffle decorated the base of the cake.

Blue roses decorated the lace cloth on the bridegroom's table which held a chocolate cake decorated in white. Punch was served with the cakes. Mr. and Mrs. Manuel Parada Jr. of Alpine and Mr. and Mrs. Armando Fuentes of Fort Stockton presented the couple with the wedding cake and Mrs. Tony Rangel assisted in serving. "Janie and Mario, June 26, 1971" was printed in gold on white napkins.

Music for the dance was furnished by an orchestra from Fort Stockton. Miss Petra Sanchez and Fred Dutchover led the grand wedding march.

When the couple left for San Antonio and from there to Mexico City by plane on their wedding trip, the bride was wearing a lime double-knit pant suit, white accessories, and an orchid corsage. They will visit here the last of the week before returning to Chicago to reside.

The bride graduated from Sanderson High School and attended Angelo State University. She has been employed

Methodist W.S.C. Meets on Monday

The Methodist Women's Society of Christian Service met in fellowship hall Monday afternoon. Mrs. L. C. Hinkle opened the meeting by reading a poem and a prayer and an article "We Work With Him" from the magazine "Division".

Announcement was made of the School of Missions at Sacramento in August. The quarterly news letter from the district president, Mrs. M. L. Anderson, was read.

Miss Eva Billings and Mrs. H. E. Ezeille gave a report on missionary work.

Dr. B. C. Goodwin, new district superintendent of the Carlsbad district, will make his first visit here on July 6.

"A World Without Work, Who, What, Where" was the title of the program with Messdames Mark Duncan, Wayland Tallafem, and Hinkle giving three different viewpoints of the program.

The hymns "Work for the Night is Coming" and "Open My Eyes" were sung.

Mrs. Ezeille, hostess, served white cake with fresh strawberries, nuts, and tea and coffee.

Mrs. J. C. Halbert was also among the six present.

Presbyterian W.O.C. Have General Meeting

The Presbyterian Women of the Church met Monday afternoon in Fellowship Hall at the church. Mrs. R. A. Gatlin opened the meeting with a prayer and led the devotional on "Be of Good Courage" from the June "Presbyterian Woman" and based on Joshua 1:9. The group then sang the hymn "Wonderful Words of Prayer".

The theme for the Women of the Church programs for 1971 and 1972 will be "God Rules" and the intensified Bible study will be on the book of Jonah.

Mrs. N. M. Mitchell presented the program on the life of Phillip P. Bliss, who was the author of many of the familiar hymns of the church.

She was also hostess for the meeting and served fruit salad, pickles, olives, chips, pound cake, brownies, and iced tea to Mmes. Herman Couch, Gatlin, J. A. Gilbreath, Jolly Harkins, E. E. Harkins Jr., E. H. Jessup, C. C. Mitchell, G. K. Mitchell, N. M. Mitchell Jr., J. D. Nichols, E. F. Pierson, and W. H. Savage.

in Chicago, Ill. Mr. Cantu graduated from Comstock High School and attended DeVry Technical School in Chicago. He is employed in Naperville, Ill.

On Friday evening, the parents of the couple hosted a barbecue supper and dance in the Parish Hall following the wedding rehearsal. Barbecue, beans, potato salad, Spanish rice, and iced tea were served.

Out-of-town relatives and friends who were here for the wedding were: Mrs. Pete Diaz of Lorain, Ohio; Mrs. Genaro Valdez Sr., Mr. and Mrs. Frank Mender and children, Austin; Mr. and Mrs. Felipe Arredondo and family, Pecos; Mr. and Mrs. Beto Martinez, Florida; Mrs. Lorenza Cantu, Langtry; Mrs. Matiana Hidalgo, Mario and Cesar Hidalgo, Mr. and Mrs. Salome Cantu, Mr. and Mrs. Vicente Cantu, Mr. and Mrs. Clemente Ortiz Jr., of Del Rio; Mr. and Mrs. Jesus Cantu, Langtry; Mr. and Mrs. Chon Cantu, Mr. and Mrs. Gustavo Flores and daughter, Fort Stockton; Mr. and Mrs. Manuel Escamilla and family, Corpus Christi; Mr. and Mrs. Pete Fuentes, Mr. and Mrs. Honorato Garcia, McCamey; Mr. and Mrs. Pablo Valles, Mr. and Mrs. Alonzo Vasquez, Mr. and Mrs. Pat Escamilla, Monahans.

Bonhomme Club

Mrs. S. C. Humell was hostess for the meeting of the Bonhomme Club last Wednesday afternoon.

Girls Return From 'State' Meeting

Rosalie Kerr, a citizen of the American Legion Auxiliary Bluebonnet Girls State, in Seguin, at Texas Lutheran College, was elected as Nationalists Party Nominee for Commissioner, Place 4, Kid- ding County. She was a member of the House of Representatives and served on the Criminal Jurisdiction Committee, and was appointed chairman of the Chamber of Commerce of Indian City. She is a daughter of Mr. and Mrs. Ed Kerr.

Vangie Calzada, daughter of Mr. and Mrs. Alberto Calzada, served in the House of Representatives and was appointed chairman of the city planning board.

Their trip to Girls' State was under the sponsorship of the American Legion Auxiliary Unit No. 160 of Sanderson. Girls State was organized as a National Americanism activity in 1937 by the American Legion Auxiliary. Non-partisan and non-political, the purposes of the Girls State program are to provide citizenship training for girls of High School age, to afford them an opportunity to live together as a self-governing group and to inform them of the duties, privileges, rights, and responsibilities which they will assume when they become adults. They learn the problems of Government by simulating the duties of City, County, and State officials. Each year citizens are selected at local levels from students who have just completed their Junior year in high school. The selection is based principally on character, leadership, and scholarship.

The 1971 session of the American Legion Auxiliary Bluebonnet Girls State has grown from an experimental conference of ninety-four girls, held at Baylor University in 1941, to become the largest single extracurricular educational program for high school girls in Texas. This year 484 girls are in attendance, plus two girls from Mexico making a total of more than 9,250 girls in Texas who have participated in this top-level citizenship program.

Carlton White and Sam Harrell were business visitors in Fort Stockton last week.

Mr. and Mrs. Gene Black and children, Aubby and Shanna, returned home after vacationing with relatives and friends in South Texas.

PURELY LOCAL

Mr. and Mrs. W. W. Shoemaker and daughter, Brenda, of El Paso visited his brother, W. G. Shoemaker, and family recently.

Mr. and Mrs. David E. Wright Jr., and son are moving to College Station and he will be a professor at A&M University. She is the daughter of Mr. and Mrs. Jess McDonald and they have been living in Starkville, Miss.

Mr. and Mrs. Ray Clifford and Beth attended a reunion of the Hector family at Carlsbad, Texas, on June 18. Her grandmother, Mrs. Leona Hector, and her son-in-law and daughter, Mr. and Mrs. T. R. Ballard, were hosts for the reunion.

Mrs. Elton Loden was flown to Dallas the first of the week and had open-heart surgery on Wednesday. Her condition was not known at this writing.

Mr. and Mrs. L. R. Hall have returned home from their vacation trip to Phoenix, Ariz., to visit his sister and to Stroud, Okla., to visit his brother and mother.

Word was received last week of the death of Mrs. John F. Nichols of Greenville Texas, a former resident and sister-in-law of Mrs. Joe Nichols. Burial took place in Greenville.

WATCH FOR TOMMY

he'll be watching out for you

This July 4th week-end many Texas families will be out enjoying themselves. But Department of Public Safety Officer Tom May and hundreds of other patrolmen will be working. They'll be watching out for you, trying to make your party safer. It's a tough job... and you can help make Tommy's job easier today by DRIVING FRIENDLY. That means getting on and off expressways cautiously... not driving and drinking... keeping within speed limits (particularly on rural roads)... observing all warning signs on roads under construction and getting plenty of rest before travelling.
