# ISTEN TO LUC

By Albert:-

There were some upset people in the county Saturday about the election. We were sorry for the upset, but there was nothing we could do about it, except report what was told us.

Tuesday morning we were told that there would be voting in Precinct 1 only for all of the voters of the county, and that's the way that the story was. This was the decision of the Terrell County Democratic Executive Committee, according to what was told us.

Then Thursday morning, the day the paper was put in the mail, we learned that the local committee was told by a letter received from the Secretary of State that day to have the balloting in all four precincts, the same as in the first primary.

Certainly, it was too late for printing the change in voting places in the primary run-off for the benefit of our readers, but we did tell several people who live in the country, in hopes that they could get the word around a little.

\$\$

s

Many, many times in past years, there have been other instances where The Times was told something and then something changed so that by the time the paper got out the situation was different. And almost every time, we ust swallowed and bit our tongue, because there was nothing that could be said hat would be meaningful. We don't get a signed statement every time we are told something. We are not going to start doing that, either. We were told this time that the Democratic executive committee was admitting their "bust" to people who came to the courthouse from outlying precincts, so we are explaining it further. We don't tell the Democratic Executive Committee what to do any more than we tell somebody else what to do. But we spend a lot of time trying to get ourselves and others to try to do things correctly. We probably will make some other mistakes, too, but we've all got to try! Something that we were taught - or at least efforts were made - was: If there is any question about whether or not it should be done, it is better to not do it! There . is some good logic still in this practice.

Mrs. W. J. Morris ... teacher retires

Wednesday of last week marked the completion of 27 years of teaching for Mrs. W.J. Morris and her retirement. Fourteen of those years have been in Sanderson when she taught the fifth grade.

Her teaching career began in Kendall County where she was the only teacher in a rural school of eight grades for four years.

After completing two years at San Marcos State Teachers College, her next assignment was in Knox City where she taught the second grade for three years.

In Donna she taught the first grade a year and was principal of the elementary school for three years. For two years, 1950-1952, she was Dean of Women at Southwest Junior College in Uvalde.

# County's Run-off Election Returns

Unofficial but complete returns of the Democratic Primary Run-off Election are printed below.

The ruling by the county executive committee of the Democratic Party to hold the election only in Sanderson and the subsequent nullification of this decision by the Secretary of State caused several people to lose their opportunity to vote as they

had arranged their business to conform to what they thought was the proper place for them to vote.

Voting was much lighter in the county for this election, by comparison with the first primary, with most of the difference in numbers and percentage being in the absentee vote and in the vote in precinct 1.

# Legion, Auxiliary **Plan Activities For 4th Celebration**

Last Wednesday evening Commander J.A. Mansfield of the American Legion had a called meeting of that organization and the Auxiliary at the Legion Hall to formulate plans for the annual 4th of July celebration here.

Mrs. Walter Armstrong, as a representative from the Young People's Chamber of Commerce, and Mrs. Dalton Hogg, representing the Sanderson Rodeo Club, also attended the meeting so that all plans for the day's activities could be correlated. The YPCC is going to assume the responsibility of the parade this year. The barbecue dinner will be served at the Legion Hall beginning at 11:00 o'clock and the rodeo to follow begins at 1:30 p.m. Also in the afternoon there will be an old-timers' gettogether, a western arts and crafts exhibit, and an exhibit of relics, antiques, and junk. A reunion of the SHS classes of 1960, '61, and '62 is also planned for that date. There will be a dance with music by an out-of-town orchestra to complete the day's activities with a large crowd anticipated to join local residents in celebrating "Independence Day in the Old West"

# **Class Reunions** Planned for 4th

A further activity planned for the Fourth of July celebration here is a reunion of Sanderson High School classes of 1960, '61, and '62. Plans have been in the making since last fall for the reunion.

Questionnaires have been sent to all members of those classes whose addresses could be secured, and a goodly number have responded. They will hopefully take part in all activities planned with the very special get-together of all members of those classes and their families at an informal reception in room 1 of the junior high school building from 3:00 to 6:00 p.m.

# **Students Awards** Made by Schools

The Times is printing this week as space will allow, a list of awards earned by students in local schools. We are proud to acknowledge the accomplishments of the students and proud of the students who have a capability and desire to excel in certain areas. Pride is also for those who did not attain the highest levels in certain fields, but who pushed others on to the accomplishments attained.

In the junior high, the following awards were given to recognize the accomplishments of students during the year:

The Susie Jessup Award, 1st place, \$35.00 to Joanna James; 2nd place \$25.00 to Virginia Rivera.

American Legion Award for citizenship, to Kendall Billings and Patti Hope.

Outstanding Junior National Honor Society Award, \$10,00 to Paul Hinkle.

Texas History Contest, 1st place to Clay Mitchell; 2nd place to Chester McElhaney. Outstanding students in the

subjects indicated, 1st place received a medal: In the 6th grade, English,

New Methodist Minister Here, **Reception Planned** 

Rev. and Mrs. Richard White arrived here last week after his appointment as pastor of the Sanderson-Dryden charge at the annual meeting of the New Mexico Conference of the United Methodist Church at the Glorietta Assembly grounds near Albuquerque, N.M.

He is a 1968 graduate of McMurry College in Abilene and St. Paul School of Theology in Kansas City, Mo., on May 15. While in the seminary he served a student charge in Kincaid-Selma, Kansas, and most recently he served as a student pastor in Bates County, Mo. During the 1970-71 school year, Rev. White was a chaplain at Baptist Memorial Hospital in Sar. Antonio, participating in Clinical Pastoral Education, an interdenominational program for pastoral care. He has been a chaplain intern at St. Joseph's State Hospital in St. Joseph, Mo.

There will be a reception for Rev. and Mrs. White on Sunday night, from 7:30 to 9:00 and everyone in the community is extended a cordial invitation to attend.

The reception will be in the fellowship hall of the church.

## SAXAPHONE QUARTET GETS IV AT STATE

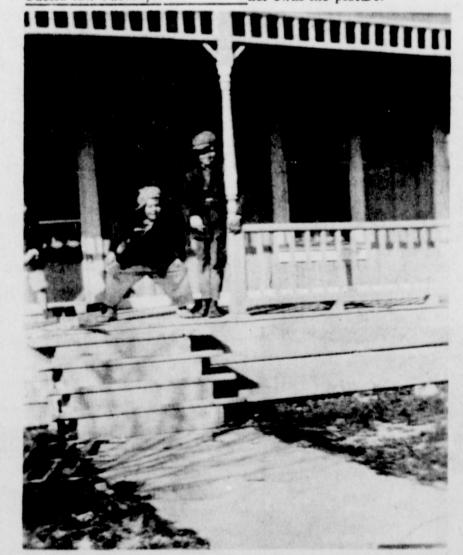

The saxaphone quartet of Sanderson High School earned a IV at the state meet in Austin last week. Supt. C.B. Card took Faye Muller, Mary Rodriguez, Emma Silvas, and Enriqueta Perez to the meet. Mrs. W.H. Goldwire took her daughter, Alice, to Austin for competition in twirling, but the results of that contest were not known in time for the story this week.

Miss Marilyn Morris of Denton arrived Saturday for a visit with her grandparents, Mr. and Mrs. W.J. Morris.

All SHS exes and friends are especially invited also.

Mr. and Mrs. Jesus Mancha were business visitors in Odessa lat Tuesday.

Chances are very small that there will ever be a choice of Ralph Yarborough again; and it is likely that we will never again have to consider Ben Barnes, Preston Smith, Gus Mutscher, Wayne Connally, all of whom previously held a state office. It seems that the voters were fed up with the way most of the encumbents were doing things and wanted to start all over again in many of the contested races of the state.

This should be useful information to those who were re-elected, too!

Any time an elected official begins to think that it doesn't matter what the electorate thinks, he is already in deep trouble!

To Mr. and Mrs. Bill Stavley of Juneau, Alaska, was born a son, their second

child, on Monday, June 5. His birth weight was eight pounds and 13 ounces and his name is Stuart Brian. Mr. and Mrs. Howard Stav-

ley are the paternal grandparents of the new arrival, Mrs. Lena Stavley is the paternal great-grandmother, and Mrs. Peiham Bradford of Alpine is the maternal grandmother.

CAR STOLEN HERE The new station wagon belonging to Mr. and Mrs. R.F. Kuethe was stolen from the down-town area Tuesday of last week. There has been no word of its recovery at the time of this writing, according to Mrs. Kuethe. Mrs. Kuethe was in a beauty shop on Oak Street at the time of the theft and discovered her automobile gone when she came out. About one hour had elapsed before the discovery of the theft, she estimated.

BEAUTIFICATION PROGRAM FOR 'Y' IN PLANNING

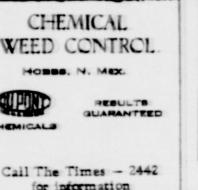

Roy Smith, agronomist for the Texas Highway Department, of Austin, was in Sanderson Thursday of last week to confer with W.H. Poitevint and Walter Armstrong. Poitevint is maintenance foreman of the Texas Highway Department in Terrell County, and Armstrong, an area rancher, is also vicepresident of the Young People's Chamber of Commerce. Smith is working on details of a beautification program for the "Y" intersection of

US90 and US285 just west of Sanderson. The project is expected to begin this fall.

## Relics, Antiques, JUNE 8, 1972 Junk Show Slated

An interesting exhibit of relics, antiques, and junk is planned for July 4th on the courthouse lawn between the hours of 10:00 a.m. and 5:00 p.m. Anyone having old insulators, coins, stamps, antique bottles, or other items that fit into this wide category is urged to contact Mrs. R.R. McDonald, Box 327, in Sanderson or call her at 345-2271 so that sufficient display room may be available.

This display is the first of its kind in Terrell County and members believe that the "untapped resources" throughout this part of West Texas will bring people from other towns to barter and trade as well as display their items, which might include flat-irons, railroad lanterns, arrowheads, antique weapon-

AGENCY

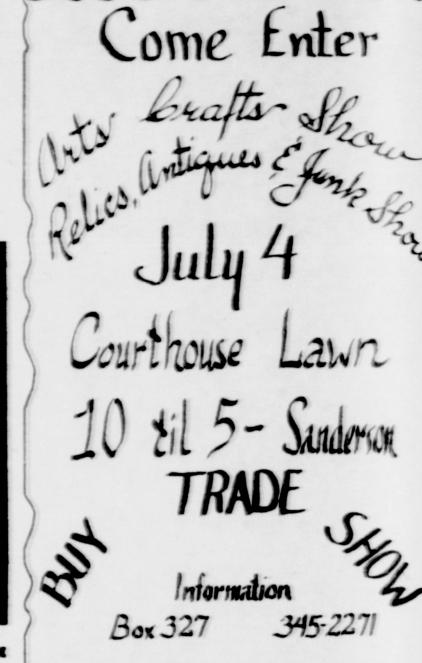

ry, cartridges, doils, quilts, etc.

Some exhibitors have already expressed intent to enter items for display and/or trade and it is hoped that more interest will be shown.

Mrs. W. W. Hicks Jr. and sor of Odessa were weekend visitors with her parents, Mr. and Mrs. H.G. Cates.

Miss Rosalie Kerr has enrolled at Texas Tech University in Lubbock, for the summer term. Her roommate is her cousin, SuSu Mitchell, of Fort Stockton. Miss Kerr is the daughter of Mr. and Mrs. Edward Kerr.

Mrs. J.E. Hasty Sr. and daughters, Katie and Stephanie Malinauski, have moved to Del Rio.

# MRS. ADAMS BROTHER

DIES IN HEREFORD FRIDAY Mr. and Mrs. Ruel Adams went to Hereford last Friday after receiving word of the death of her brother, Frank Beiger, 73, apparently of a sudden heart attack in his home while eating supper. Funeral services were in that city Saturday afternoon. Besides his widow, he is survived by a son, a daughter, three grandchildren, three sisters, and two brothers. The Adamses returned home Monday afternoon.

Annually Community Public Service Company sponsors a number of students and teachers to the Texas Nuclear Science Symposium held in Austin. The symposium is to help keep science-oriented youths and teachers up to date on the progress being made by the Texas Atomic Energy Research Foundation in the research program to obtain electricity by controlled nuclear fusion. The Texas Atomic Energy Research Foundation is a group composed of Community Public Service Company and nine other investorowned Texas utility companies in cooperation with the University of Texas.

She attended the University of Colorado in Boulder and Berkley University in California and received her B.S. Degree from Hardin-Simmons University in Abilene. She lacked only a few hours qualifying for her Master's Degree.

Mr. Morris was band teacher before his retirement several years ago. The couple plans to go to Knippa where they have property and will make their home there later in the summer.

"If I had it all to do over, I would not change one thing. I would do just what I have done in the teaching field," Mrs. Morris stated. "I have loved every minute of it although I realize that the time has come for me to retire." Local members of Delta

Kappa Gamma's Beta lota Chapter honored Mrs. Morris at a covered-dish luncheon Friday in the home of Mrs. W.H. Grigsby, president. The centerpiece on the dining table was of red roses. A book of poems was pre-

sented to her.

Also present were Mmes. W.H. Savage, Austin Chries-man, and E.E. Farley.

Wednesday morning at 10:00 o'clock, the members of the local TSTA honored Mrs. Morris at a coffee in the junior high building. Punch, cake, mints, tea,

and coffee were served. She was presented with a silver serving tray.
