

STAR Lites

As the holiday season begins, the following piece is made perhaps even more appropriate. We quote it here for our readers' examination:

"We have witnessed in recent years a concerted attack upon many long-accepted practices and established traditions in our nation by 'Johnny come lately' troops who have suddenly decided that it is out of date to believe in God. An especially vocal and, to us, obnoxious group is the American Association for the Advancement of Atheism, which merits anything but an AAAA rating in our estimation.

Although present day actions by many of our citizens sometimes appears to belie the claim that the United States was founded on a belief in God, the Declarations of Independence and the Constitutions of both the United States and of the Republic of Texas specifically recognized the need for dependence upon a Divine Providence to guide the destinies of the new republics.

It is even true that in that day some of the founding fathers and staunchest patriots were known to be deists and even atheists, but the vast majority of leadership had a profound respect for and belief in God, and the nation was launched and prospered because of its Christian principles and God-fearing approach to life.

Of course, atheism is nothing new. Even in early biblical days, the writer of Psalms reminds us: 'The fool hath said in his heart, there is no God.' And though we feel sorry for him we respect the right of any man in this day and time to blindly close his eyes to facts even apparent to the most simple soul and say with the fool of old, 'There is no God.'

What does concern us in the efforts of this small group toward trying to destroy the faith and great foundation principles long established in our country, honored and hallowed by the large majority of our people. It appears that it is not enough for them to demand the 'right' to be atheists, which no one denies them, but they wish to carry their demands even further to require that all others operate by their code!

1. Taxation of church properties.

2. Elimination of chaplains and sectarian institutions from the public payroll.

3. Repeal of laws restricting rights of atheists and those enforcing Christian morals.

4. Abolition of oaths in courts and inaugurations.

5. Nonissuance of religious proclamations by chief executives.

6. Erasure of the superstitious inscription 'In God We Trust' from our coins and the removal of the church flags from above our national flag on battleships.

7. Exclusion of the Bible as a sacred book from the public schools.

8. Suppression of the bootlegging of religion, through dismissing pupils for religious instruction during class time.

9. Secularization of marriage, with divorce granted upon request.

10. Repeal of anti-evolution, anti-birth control and censorship laws.

When we see such groups in action, it makes us wonder just what there would be to life and just what kind of a nation we would have if they had their way about things. Communism would be tame in comparison."

NOVEMBER 30

Bond Election Called By Lazbuddie School

Lazbuddie Independent School District has called a bond election to be held Monday, November 30, 1964.

The Lazbuddie School board, after seven months of intensive study of problems relative to the modernization of the school program and housing facility needs, is asking the public to support a building program sufficient to house the courses now being offered.

The new \$235,000 building will provide a modern all-purpose science laboratory, a new cafeteria and kitchen, a new homemaking department, three classrooms and related service and administrative facilities.

The school board, in its efforts to meet the demands for an upgraded curriculum, has already provided six courses in modern foreign languages.

a four-year math and science program, in addition to improved offerings in English and liberal arts.

This was accomplished without increase in cost to the taxpayers of the school district. The board is now asking for a new school building to replace the old red building which has stood on the Lazbuddie campus 36 years, and is totally unsuited for the modern program.

Cost for this facility can be met by an increase in school taxes of one-seventh of the current tax rate, without any change in current evaluations. The bonded indebtedness of the district, including the new building, will be retired in 17 years.

All citizens who live in the school district, who have property duly rendered for school taxes, either personal or real, and who have paid their poll taxes are eligible to vote in the election.

According to E. A. Farham, president of the board, the acceptance of the bond issue on the part of the patrons of Lazbuddie Independent School District will in no wise affect the tenure of teaching personnel or administration, and what the board is asking is a minimum necessity without frills or fads.

The student who enters college two years from now is expected to have an educational background equivalent to that of last year's college junior, and the school board has no choice but to try to meet these needs," Farham continues.

Former City Man Gets Job Promotion

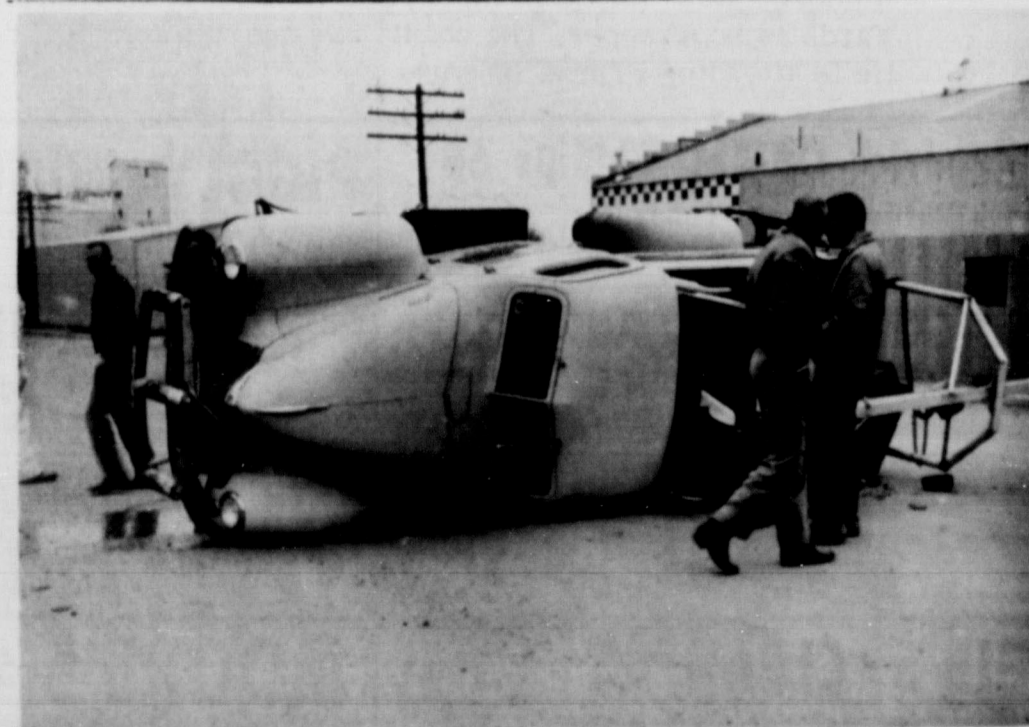

G. W. (Bill) Mayben, formerly of Friona and Muleshoe, Texas, Operating Superintendent of the American Oil Company's, Baltimore, Maryland, refinery has been promoted to Senior Planning Engineer I in the Marketing and Manufacturing Department, General Office, of the American International Oil Company in New York City.

Mayben joined the American Oil Company in 1956, as a Chemical Engineer in the Research and Development Department at Texas City, Texas. He previously worked for Esso

Standard Oil in Baton Rouge, La., and farmed at Bovina, Texas. Bill was promoted to a supervisory position and transferred in 1957 to Baltimore where he became Operating Superintendent in 1959.

Mayben received a BS degree in Chemical Engineering from Texas A&M in 1951, and a degree in Industrial Supervision and Management from John Hopkins University in 1962. He attended school in Friona, served in the Army and is in the Army Reserve.

Bill and his wife, the former Norma Lee Osborn, daughter of the Jesse M. Osborns of Muleshoe, and their three children plan to make their home on West Hills Road, Stamford, Connecticut, about December 1, 1964. Both Bill and Norma have been very active in the Church, Civic and PTA Organizations in the Catonsville, Maryland area where they have made their home since 1959.

FOUR FIRST TEAM

Nine Chieftains Gain All-District Mention

Nine members of the 1964 Friona Chieftain football team were named to the all-district teams chosen by District 3-AA coaches at a meeting Monday at Olton.

Four of the players were named to a first team berth, with the other five gaining second-team status.

Tackle Dale Milner and full-back Doug Dodd were chosen to the first team offense by the coaches. Both were unanimous choices (coaches do not get to vote for their own players).

In addition, Milner was named to the first team defense for the second year in a row. Also on the first team defense were tackle Gene Weatherly and halfback Milton Hargus.

Claiming second team offense honors for Friona were half-back Danny Murphree, tackle Ray Braxton, guard Bob Sims and center Bing Bingham. Named to the second team defense were end Larry Buckley, and line backers Dodd and Sims.

Floydada, district co-champion with Friona, had six players claiming nine spots on the mythical teams, compared to Friona's nine players and 11 spots.

Joining Dodd in the first team offensive backfield were Floydada's Keith Teague at quarterback, and halfbacks Richard Hall of Olton and Pat Hale of Abernathy.

Others on the first team offense were ends Paul Barker of Lockney and Darrell Glover of

Olton, tackle David Lutrick of Floydada, guards Bill Potts of Abernathy, and center Dennis Griffith of Lockney.

Lutrick, Potts and Teague also made the first team defense for Floydada. Others on the defensive team were Mike Brugle of Dimmitt and Don Mitchell of Olton on the line, Olton's Joe Priest, Lockney's Dale Galloway and Dimmitt's Murel Bussey in the backfield.

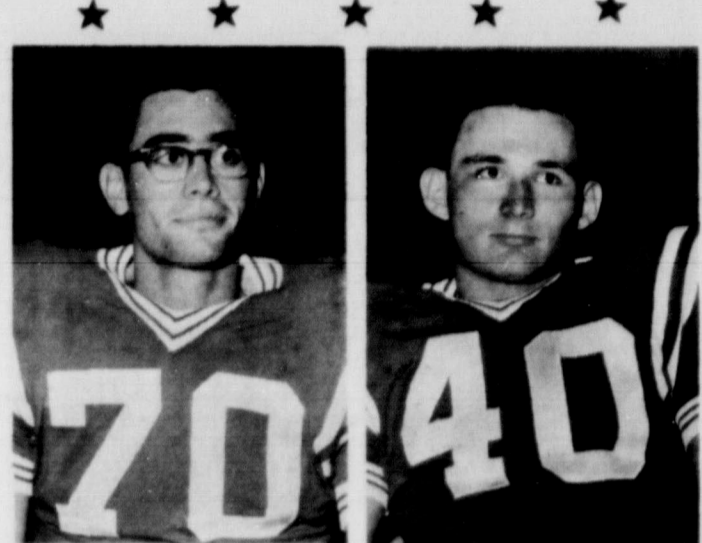

The complete all-district selections were as follows:

POSTMASTER SAYS

Planning Ahead Can Avoid Mailing Rush

A little planning during the Thanksgiving Holiday can help avoid the Christmas rush, Postmaster Wright Williams said today.

Here are some tips that will not only put ZIP into Christmas mailing, but help local postal employees move the record breaking mountain of mail that is expected this Christmas season, the postmaster pointed out:

- 1. Find last year's Christmas mailing list, if you don't find it, or didn't have one, make one up.
2. Check to see that all addresses are correct. The phone book is a good source for local addresses.
3. Wherever possible, add the ZIP Code to the addresses on the list, because ZIP Codes speed your mail, always include the code for your area in return addresses. This is the best way to inform friends, relatives and business associates of the code number for your local area.
4. Determine your list of gift purchases which must be

mated. Such planning allows you to shop early when selections are greatest and you can stock up on mailing materials in advance. Be sure to purchase enough material so that parcels will be packed securely.

The postmaster emphasized that poorly wrapped and loosely packed cartons are a major cause of parcel post damage. He also suggested that the address be written on only one side of the exterior wrapping and that a duplicate address be included inside the carton, in case the outer covering is not secure and comes off.

Williams said that the Post Office Department in Washington is predicting that a record seven billion pieces of mail will move through the postal system during the peak rush just before Christmas.

"The cooperation of all mailers is vital for us to deliver each holiday card, letter and package before Christmas Day. A little planning will make the Christmas rush less hectic for everyone."

AT BAPTIST CHURCH

Union Thanksgiving Services Wednesday

First Baptist Church will be the host church for the Union Thanksgiving Services, to be conducted on Wednesday night, November 25, at 7:30 p.m.

The Rev. Russell McAnally,

pastor of the Friona Methodist Church, will speak on the subject: "The Secret of Thanksgiving."

Rev. Bill Burton, pastor of the host church, will lead the services. Other participating ministers will be: Rev. Jack Armstrong, pastor of the Calvary Baptist Church and the Rev. Paul Mohr, pastor of the Union Congregational Church. Other participating churches in the Union service are: St. Theresa's Catholic Church and the Assembly of God Church. Everyone in Friona and the surrounding area is invited to come with thankful hearts and "Raise the song of harvest home."

Change Given For Drop Box

Postmaster Wright Williams this week pointed out a change in service for the outside drop mail box after 5 p.m.

Pickup of any mail in the outside box except Sundays and holidays after 5 p.m. has been discontinued.

"It will be appreciated if you will mail in the post office any mail that you wish to leave on that day and mail as early as possible in the afternoon so that we will have time to package the mail according to states, cities and zip codes before 5 p.m.," Williams stated.

"Do not mail on the sidewalk box after 5 p.m. except on Sundays and Holidays. And on those days, the collections are made at 5:30 p.m.," he concluded.

UF Drive Hits \$1100

Friona's United Fund reached the \$1100 mark after the first week of solicitations, chairman Wayne Clausen reported on Monday.

Clausen said he was very optimistic about the turn-ins to date, since the number of workers involved in the \$1100 reported amounted to just a small percentage of the entire group. "If everyone does as well as those who have reported, I have no doubts that we shall reach our goal," Clausen said.

The goal for Friona's 1964 United Fund is \$6889. The money collected as of Monday amounted to about 14 per cent of the goal.

Clausen stated that all workers and captains who needed to turn in collections may do so by reaching him at Hurst's Department Store or at his home.

HERE SUNDAY

Large Crowds Attend Baptist 50th Birthday

Friona's First Baptist Church observed its 50th anniversary last Sunday, and registered attendance approaching 1500 for three services during the day.

Some 575 persons attended the Sunday morning service, at which former pastor Russell Pogue, now of Petersburg, was the speaker. Another crowd of near 500 people attended the afternoon service, at which another former pastor, Lt. Col. Clayton Day, was the speaker. A somewhat smaller crowd was on hand Sunday night, when Rev.

Lee Euler was the featured speaker.

Euler, a former member of the church, is now pastor at the Calvary Baptist Church in Albuquerque, N. M.

A third former pastor, Rev. L. A. Sartain of Oklahoma City, attended the afternoon anniversary service.

Some 500 people were guests of the church at a noon meal served at Friona's school cafeteria. Meat for the meal was furnished by A. L. Black.

Given special recognition at

both the morning and afternoon sessions was Mrs. J. B. Harlin, of Hereford, who is the only living charter member of the church.

Out of town guests registering were Rev. and Mrs. Russell Pogue, Ed. Dan and Jim and Lois of Petersburg, Mrs. Jack Roberson of Hereford, Mrs. Clarence Schulz, Hereford, Mr. and Mrs. J. B. Harlin, Hereford, Mr. and Mrs. Calvin Floyd, Connie and Terry, Canyon.

INDIVIDUAL RECORDS

Dodd Finishes With Fabulous Season Marks

by BILL ELLIS
It probably will come as no surprise to followers of Friona High School's football team as to who the top individuals were -- but the season totals they ran up may be surprising.

Final statistics tabulated this week by the Friona Star revealed that senior fullback Doug Dodd led the team in three statistical departments through both season and district play, while senior halfback Danny Murphree led two departments, and was second in three others.

Dodd, who was the real "workhorse" for the Chieftain backfield this year, rolled up some totals which will be real goals for which future Chieftains will aim.

The 5-7, 175-pound block-buster gained 1184 yards for the year, which among other things was eight yards more than ten opponents gained against the Chieftains all year. Proving the "workhorse" label is the fact that Dodd carried the ball 183 times, more than the next two players combined. However, Dodd responded with amazing regularity, compiling a 6.5 yard-per-carry figure for the year.

Dodd's yards rushing figure is probably a record at FHS, along with the scoring figure he compiled, although complete

records are unavailable for many years. At the same time, Friona hasn't compiled an 8-2 season record many years either.

Scoring 113 points, Dodd accounted for points practically every possible way during the year to top that category. He scored 13 touchdowns, kicked 21 extra points, ran one two-point conversion and kicked four field goals in amassing the total offense title as well.

Trailing Dodd in two categories and winning a couple of his own was Murphree. The senior speedster led in punt returns, with a 17.1 yard average on nine returns, and in pass interceptions, with three for 77 yards returned. In addition, Murphree had at least two pass interceptions called back for penalties.

Murphree was the number two ground-gainer with 537 yards, was second in scoring with 36 points and was second-best in kickoff returns with a 16.4 average on six returns.

Junior end Jesse Shirley was the top pass-catcher with seven grabs for 183 yards. Another junior, Gene Weatherly, had the best punting average, 40.8 yards on six kicks. Senior Milton Hargus was the leader for kickoff returns, with a 21.1 yard

RED BARN MANAGER

Higdon Named V-P Of Fertilizer Assn.

Jerry L. Higdon, regional manager of Red Barn Chemicals, Inc., was honored at the annual meeting of the Texas Fertilizer Association at Dallas, Texas.

Higdon, who has for the past year served as Secretary-Treasurer of the association,

was elected to serve as Vice President for 1965.

A trade mart, known as the Southwest Fertilizer Trade Mart, was held for the first time in connection with the association meeting.

The Texas Safety Association reports that firearm accidents around the home take more lives than hunting accidents. Last year, there were 165 persons killed by firearm accidents in Texas -- 88 of these fatalities occurred in the home. Be sure to unload all guns before taking them into the house, if there are children in the home, store guns and ammunition separately -- under lock and key.

Presiding for Red Barn at one of thirty-five Trade Mart exhibits were Carlton Peek of Dallas, and Donald Ford of Houston, retail and materials sales managers respectively for the new Red Barn granular fertilizer plant under construction at Freeport, Texas, and Ross Forbus, manager of Red Barn's insecticide formulating plant at Shreveport, Louisiana.

Other officers elected of the association were James A. Potts of Amarillo, President; and Don Margo of Dallas, Secretary-Treasurer.

AT CONFERENCE, . . . Jerry L. Higdon of Dimmitt (right) is showing George Bragg, Jr. of Muleshoe a sample of ammonium nitrate fertilizer. Higdon was named vice president of the Texas Fertilizer Association. Bragg is immediate past president.

Trustee Meeting "Routine"

A "routine session" was how Superintendent of Schools Alton Farr described Monday night's

school board meeting.

Tax assessor-collector Porter Roberts reported that collections for the month of October stood at \$74,163.03, of which \$395.98 was delinquent taxes. Of the new taxes collected, the figure represented 20.2 per cent of the 1964-65 tax roll.

Farr reported to the board on the standing of the activity, cafeteria, and transportation funds, as well as the general budget.

October bills were approved for payment.

The gross receipts for the three football games in October were reported. They were as follows: Dimmitt -- \$1,040.93; Lockney -- \$1,004.50 and Abernathy -- \$829.60.

Phillip Varner Begins Naval Basic Training

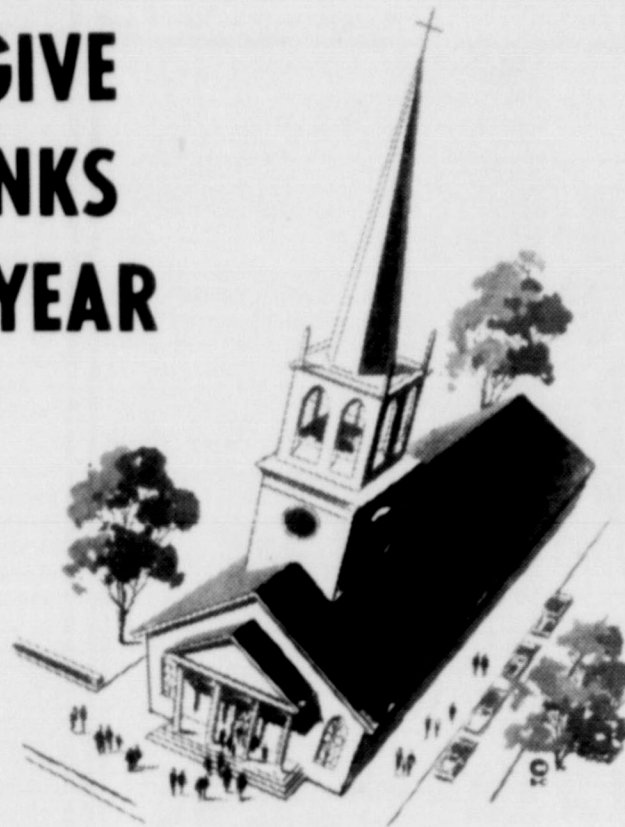

Phillip E. Varner, son of Mr. and Mrs. James R. Varner of Friona began nine weeks of basic training Oct. 21, at the Recruit Training Command, Naval Training Center, San Diego, Calif.

During his early days of training he will receive a series of aptitude examinations to determine which of the Navy's 65 specialty fields he will enter on completion of recruit training.

Physical fitness training, drill, naval customs and courtesies, water survival, first aid, personal hygiene, marlin-spike seamanship and general naval orientation will highlight the first three weeks of his transition from civilian to military life. The large-scale instruction program at Recruit Training Command features both live instructors and closed circuit television.

The center trains 68,000 sailors each year in its Recruit Training and Service School commands.

MR. AND MRS. STEVE GRUNDY

Willene Baxter Becomes Bride Of Steve Grundy

Willene Baxter, daughter of Mr. and Mrs. Oscar Baxter, became the bride of Steve Grundy at 3 p.m. Sunday in the family home on Grand Street. Double ring vows for the couple were read by S.W. Pope, Church of Christ minister of Littlefield.

Tall white baskets filled with blue and white asters formed the background for the ceremony. Arrangements of pink, blue and white carnations in white milk glass vases completed the decorations.

Mrs. Boyd Pipes was her sister's matron-of-honor, Mrs. Troy Young, Bovina, another sister of the bride, was the bridesmatron. Both attendants wore blue dresses and headpieces of blue net topped with pink roses.

Flower girls were Jan and Karen Young, nieces of the bride. They wore identically dresses of blue velveteen with headpieces matching those worn by other bridal attendants.

Boyd Pipes was best man and Troy Young was groomsman. The bride wore a white street

length dress designed with a fitted bodice of lace, nylon net over tulle skirt, wrist length sleeves and scoop neckline. Her veil of illusion fell from a tiara of pearls and teardrops.

For something old she wore a necklace which was a gift from her cousin, Mrs. Don Stubbs. She borrowed pennies, minted in the year of her brother John's and her birth, from her brother and wore one in each shoe. She also wore a blue garter.

She carried a cascade arrangement of white carnations centered with an orchid corsage and tied with white satin and lace streamers tied in love knots atop a white Bible.

Guests were registered by Mrs. Curt Seigrist, Elk City, Okla., aunt of the bride.

The serving table for the reception was covered with a white

cloth and centered with an arrangement of pink, white and blue flowers. The tiered wedding cake was decorated with pink and blue rosebuds and love birds and topped with a miniature bride and groom under an archway which was centered with a wedding bell.

Punch and cake were served by Mrs. Don Stubbs, Mrs. Sterling Graham, also a cousin of the bride, and Gay Wily.

For a wedding trip to Carlsbad and other points of interest in southern New Mexico Mrs. Grundy wore a pink wool suit with white accessories and the corsage lifted from her wedding bouquet.

Mr. and Mrs. Grundy will be at home at 509 Pittsburg, Amarillo. He is stationed at Amarillo Air Force Base. He is a 1961 graduate of Miami Shores High School in Florida and she is a 1963 graduate of Friona High School and attended Draughon's Business College in Amarillo.

Party Honors Six Year Old

Dinky McClellan, daughter of Mr. and Mrs. D.G. McClellan, who was observing her sixth birthday Monday was honored with a party in the home of Mrs. C.M. Phipps.

Guests were Paige Osborn, Tammy Williams, Joy Massey, Brian Johnston, Brian Witten and Sally and Evelyn Sims. Following a game session, directed by Mrs. Phil Phipps, refreshments of cake and punch were served.

Young, Bovina, and Boyd Pipes Jr., both nephews of the bride. They carried the rings atop white satin pillows.

Parents of the bridegroom are Mr. and Mrs. Edwin F. Grundy, Miami Beach, Florida. Mr. and Mrs. Troy Young hosted the rehearsal dinner for the wedding party in their home in Bovina Friday evening.

David Moseleys Visit Relatives

Mr. and Mrs. David Moseley returned late last week after spending ten days visiting relatives in Miller and Pierre, South Dakota and Hooker, Okla.

In Pierre they were guests in the home of Mr. and Mrs. Jimmy Cruse, Linda, Mike, Sheryl, Jim Bob and Neal. They visited in the home of Mr. and Mrs. H.A. Poindexter and children, and made a sight-seeing trip into North Dakota.

On the return trip they visited in the home of Rev. and Mrs.

J.R. Lawson and Beverly at Hooker, Okla. Mrs. Cruse, Mrs. Poindexter and Mrs. Lawson are nieces of the couple.

Baby Girl Born To Billy Raybons

Mr. and Mrs. Billy Raybon became parents of a baby girl at Parmer County Community Hospital at 4 a.m. Wednesday, November 18. She was named Anna Kathleen and weighed 5 lbs. 7 ozs.

Grandparents are Mr. and Mrs. Charles Schaller and Mrs. Neva Raybon, all of Springfield, Colorado. Great-grandparents are Mrs. Laura Bosley and Nat Jones, also of Springfield.

Mrs. Raybon and Anna have been dismissed from the hospital and Mrs. Schaller is visiting in their home. This is the first child for the couple.

Weekend Guests

Mr. and Mrs. Henry Marshall and Mr. and Mrs. Curt Seigrist, all of Elk City, Okla., were weekend guests in the home of Mr. and Mrs. Oscar Baxter.

Mrs. Marshall is Baxter's sister and Seigrist is Mrs. Baxter's sister. They were guests at the Willene Baxter-Steve Grundy Wedding.

Kay Struve, Connie Ray Exchange Wedding Vows

Kay Struve, daughter of Mr. and Mrs. Steve L. Struve of 1215 White Avenue, and Connie Ray, son of Mr. and Mrs. John L. Ray, Route 2, exchanged wedding vows at 7 p.m. Saturday, November 14 at Sixth Street Church of Christ.

The double ring ceremony was read by C. I. Horton before a curved arched candelabra flanked by Woodward's palms centered with an arrangement of pink mums, Emerald palms interspersed with pale pink cathedral tapers and bouquets of pink mums at either end of the arch completed the setting.

Wedding music was presented by a choir composed of a group of students who are members of the Lubbock Christian College A Cappella Chorus. As mothers of the bridal couple were being escorted in the group sang "You'll Never Walk Alone."

As candles were being lighted by Mrs. Jobey Claborn, Weatherford, Okla. and Mrs. Kenneth Frue, Hereford, the wedding chorus sang "Because". The group hummed the Wedding March as the attendants came down the aisles and sang as the bride and her father entered.

Background music for the ceremony was "The Twelfth

MRS. CONNIE RAY

of Never" and the recessional was "I'll Walk Beside You," bridesmaid, and Mrs. Donnie Carol Struve was her sister's Smith, Amarillo and Mrs. maid of honor, Mikle Welch, Ronnie Wood, Lubbock, were the

bridesmaids. Sheila Struve, another sister of the bride, was the junior bridesmaid. Cara Sue Miller, Dimmitt, cousin of the bride was the flower girl and Lynn Welch, another cousin of the bride, was the ring bearer.

Charles Ray was his brother's best man. Ushers were Glen McDowell, Garland, brother-in-law of the groom, Noel Welch, Abilene, cousin of the bride, Ronnie Wood and Mike Ellis.

The bride, escorted and given in marriage by her father, wore a formal gown of white peau de sole. The lifted bodice of reembodyed Belgium lace was designed with a scalloped rounded neckline. A band finished the top with the tiniest bow and fabric rose in the center front.

The slender skirt was like a bell. The bouffant back was enhanced with appliques of the same lace on the peau de sole of the Chapel train. Her only jewelry was a strand of pearls, which were a gift from the groom.

Carrying out tradition, she wore a locket watch which belonged to her maternal great-aunt, the late Mrs. E. O. Welch, for something old. Her pearls were new and for something borrowed and blue she wore a blue garter which belonged to her aunt, Mrs. Jack Miller, Dimmitt.

She carried a cascade arrangement of Pink Sensation roses and miniature ivy.

Feminine bridal attendants wore identically styled dresses of Treasure Blue feathered designed with fitted bodices and full floor length skirts. They carried blush pink glamour roses with satin wrapped stems and natural leaves.

Mrs. Ray wore a gray wool knit suit and corsage of pink cymbidium orchids.

Mrs. Struve chose a blue wool ensemble and wore an ivory

cymbidium corsage. Guests at the wedding were registered by Shelley Brown, Fort Worth, and Jan Welch, cousins of the bride.

For the reception in Fellowship Hall of the church the serving table was covered with white Irish linen cutwork cloth over blue and centered with an arrangement of Fuji chrysanthemums and pink sweet-heart roses.

A three tiered wedding cake decorated with pale pink rosebuds and topped with wedding bells, pink cathedral tapers in silver candelabra and crystal punch bowl completed the table setting.

Punch was served by Monte Sue Welch, cousin of the bride, and Rose Ann Greeson. Reception guests were registered by Mrs. Glen McDowell, Garland, sister of the groom. Others in the houseparty were Linda Carson, Donna Shackelford and Vicki Welch, Abilene, cousin of the bride.

Mr. and Mrs. John L. Ray were hosts at the rehearsal dinner at the Silver Grill in Clovis Friday evening.

Following a wedding trip to Las Vegas, Nevada and points of interest in New Mexico and Arizona, Mr. and Mrs. Ray are at home on a farm west of Friona.

She is a 1961 graduate of Friona High School and former student of Abilene Christian College and West Texas University, and is employed as secretary for Sixth Street Church of Christ.

He is a 1960 graduate of Friona High School and attended West Texas University and Tarleton State College and is engaged in farming.

Mr. and Mrs. John Bengert attended the Golden Wedding Anniversary for parents of a former pupil of Mrs. Merle Washington in Spearman.

The New Brillion Plow Packer

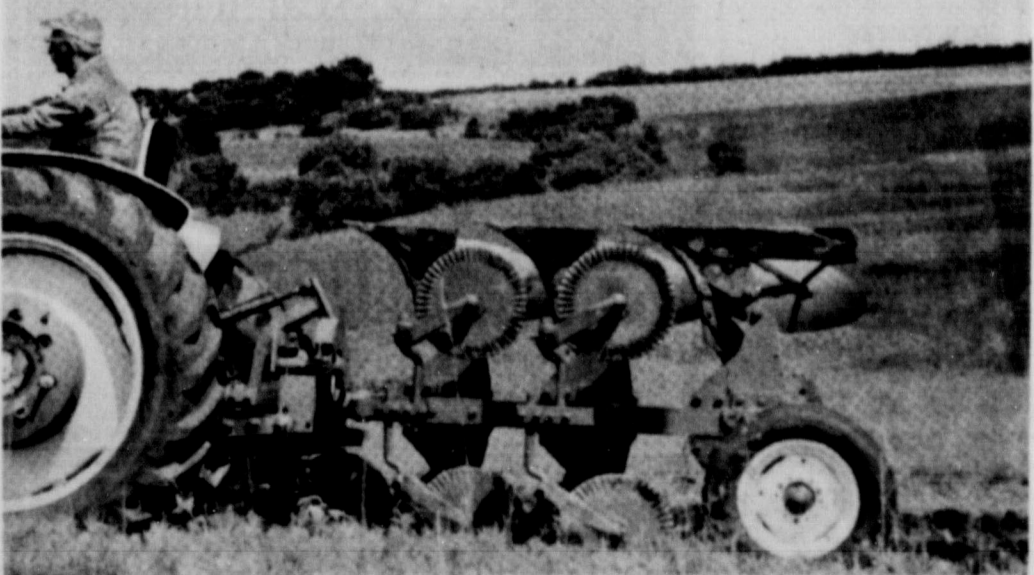

YOU can now save time, labor, fuel costs and get increased yields by using the new Brillion Plow Packer. This Crowfoot Wheel Plow Packer brings you that much closer to "once over" farming that enables you to save up to \$3.00 an acre in labor, time and fuel cost.

It is a well known fact that tillage operations account for two-thirds of the power and labor required to produce field crops. The biggest tillage operation of course is seedbed preparation and this usually includes plowing and then disking, harrowing, dragging and whatever other operations are necessary to get a prepared seedbed. By packing when you plow, you can eliminate many of these field operations because you break up the clods and prevent rapid evaporation.

For specialized plowing jobs...
irrigated fields... hillsides and

MINNEAPOLIS-MOLINE

TW 900 SERIES TWO-WAY SPINNER PLOW

The Minneapolis-Moline Two-Way Spinner Plow is engineered for easy adjustment and operation, simple maintenance and minimum servicing. Being fully tractor mounted, the plow is compact and close coupled, easy to maneuver in tight spots. Hydraulic pivoting of right and left hand bottoms turns all furrows in the same direction to cut non-plowing time, eliminate dead furrows, and to aid soil and water conservation. The new TW900 Series three bottom plows are designed for tractors of 45 hp and up, which are equipped with Category 11 3-point hitch.

News from LAZBUDDIE
 BY MRS. C. A. WATSON

Mrs. Elma Woods, Strathmore, Calif., visited in the home of the Dan Cargiles last week. On Sunday Mr. and Mrs. Cargile accompanied Mrs. Woods to Dickens' for a visit with the Watt Holly family. Mrs. Holly, Mrs. Woods and Mrs. Cargile are sisters.

Wedding vows were exchanged between Miss Ingrid Kathleen Thurman of Austin and Dean Watkins of Lazbuddie at

6:30 p.m. Friday, Oct. 23 in First Christian Church, Lubbock with Rev. Dr. Dudley Strain officiating.

The bride is a graduate of Stephen F. Austin High School, Austin and a former student of Texas Tech. She is employed by Western State Mortgage Co. in Lubbock. Her husband, a graduate of Lazbuddie High School, is a senior at Texas Tech.

Mr. and Mrs. Watkins went to Santa Fe for a wedding trip.

Myrtle Steinbock attended the Art Show in Muleshoe last week. One of her paintings was the door prize.

Mr. and Mrs. Charlie Gustin, Mrs. J. B. Jennings and Elton Page attended funeral services for Nettie Wells, 81, at Jacksboro Friday of last week. Mrs. Wells died at a Bowie hospital Wednesday night.

Special harvest festival services were conducted at Lazbuddie Methodist Church Wednesday through Sunday. Rev. Perry Franz, Hereford and Rev. Frank Perry, Muleshoe, were guest speakers. Rev. Don Davidson spoke at the Wednesday morning breakfast and presented the Sunday morning message. Dinner was served at the church at noon Sunday.

Mr. and Mrs. Dwain Meneff and children, Friona, visited in the Don McDonald home Sunday afternoon.

Mr. and Mrs. C. A. Watson and Leon attended a birthday party for H. I. Bass in Lubbock

Sunday. The Harvey Bass family, Muleshoe, also attended the party. Mr. H. I. Bass is the father of Mrs. Watson and Harvey Bass and was observing his 91st birthday. About one hundred relatives were present for the party and friends and neighbors called in the afternoon. The Watsons also visited in the J. B. Nichols home. Mrs. Nichols is Watson's sister.

Eva Dean Ivy, daughter of Mr. and Mrs. Shanks Ivy, was recently elected vice-president of the Texas Home Economics College chapter at Texas Christian College, Fort Worth. She is a 1961 graduate of Lazbuddie High School.

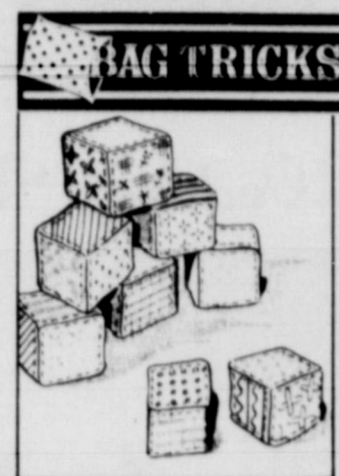

Food Economy Ideas Presented To Group

Mrs. Pete Jesko, former Parmer County Home Demonstration agent, was speaker at the November 5 meeting of Lazbuddie High School.

She presented a number of ideas on ways to buy and prepare foods more economically. Mrs. Chuck Smith was program chairman.

Refreshments were served by Mrs. Janell Smith and Mrs.

Helen Ellis to Mrs. Bonnie Hartly, Mrs. Sue Windham, Mrs. Jo Harmon, Mrs. Louise Engleking, Marilyn Engleking and Pete Jesko.

CALICO BLOCKS—Easy to make and easy to wash, these bouncing baby blocks can be made from cotton feed or flour bags. Cover two-inch foam rubber cubes with bright prints and stitch all around. Blocks are light, machine washable and will bounce off furniture. Make a set of eight for your favorite youngster at Christmas.

Club Announces Bazaar Results

Mrs. Dean Blackburn was winner of a Christmas floral centerpiece given away last Wednesday at Progressive Study Club's Annual Christmas Bazaar.

The Club netted around \$360 at the bazaar. The money will be used to further the Club's various charitable projects, according to Mrs. Falke Barber, bazaar chairman.

Others who assisted with the event were Mmes. John White, Tom Jarboe, Bill Ellis, Ray D. Fleming and Billy Joe Mercer.

Not my will, but thine, be done.—(Luke 22:42).

God's will, for all His children, is good. If we wish for good in our life we should be eager to live in accord with the Divine will—to let God's wishes be done in all that concerns us.

Blessed is he that readeth, and they that hear the words of this prophecy, and keep those things which are written therein: for the time is at hand. (Revelation 1:3.)

During the past two years in my nursing field, I have been through many temptations and hardships. It was so great a burden on me that I almost forgot there was a God. Suddenly, a change came to my mind; instead of studying my lessons one rainy night, I took my Bible and opened it to the book of Revelation. After reading that part of the Bible, I was frightened because I had forgotten God's book which is meant to be everybody's guide.

Accepting the Lord as my Savior, reading the Bible as my guidebook, I have now become very happy. Many changes have come into my life since then. I have overcome the many temptations that confronted me. The Bible is the key to all my doings. My advice is to believe in Jesus and read the Bible every day.

PRAYER: Almighty God, creator and ruler of all heavenly and earthly things, may our worship of Thee have more vitality and our lives encourage others to follow Thee. Lead everybody to read the Bible and spread the good tidings. For Christ's sake. Amen.

THOUGHT FOR THE DAY
 The Bible is my chart in the voyage of life, and Christ the captain of my soul.

Writing in Parade magazine, Lloyd Shearer says that the number-one industry in America is gambling. Its gross annual business runs to an estimated \$50 billion, with \$10 billion of profit.

average on seven returns. For district play only, Dodd led in the same departments, although his "supporting cast" had better totals. Murphree and Snead, who had some good games in district play, actually had better per-carry averages than did Dodd. Five players averaged better than six yards per carry, and the team had a fine 6.2 yard-per-try average in district play.

Hargus also led kickoff returners in district play, helped by an 82-yarder against Dimmitt, and Murphree was the top punt returner, spurred by a 91-yarder at Olton. Jerry Cass' two pass interceptions gave him the lead in that department for district games.

Ray Braxton did all the punting in district, and averaged 38.6 yards on 15 kicks. Shirley and Murphree each had three pass catches. Quarterback Jim Snead hit 40 per cent of his passes for the season (33 of 55) and 33 per cent in district play (11 of 33).

Longest run from scrimmage was Dodd's 78 yard touchdown sprint against Hale Center. He also had a 77-yarder at Sudan. Longest pass play was a 61-yarder. Snead to Ronnie Brookfield, against Farwell.

Longest interception return was 50 yards by Murphree against Plains. Longest punt was Weatherly's 60-yarder against Farwell.

Coach's Former Prodigy Named All-American

Donnie Anderson, Texas Tech flash from Stinnett formerly coached by Friona's Don Light, has been named to the first team All-American by NEA, it was announced the past week.

"We're extremely proud of Donnie's achievements. It has been a real pleasure to have been associated with him. The honor is a recognition of his outstanding ability, and he deserves all his many recognitions," Coach Light said.

Coach Light had Anderson at Stinnett when that team drove to the state semi-finals with a 13-1 record, losing to state champion Albany, 9-6. The previous year, Anderson sparked Stinnett to an 11-2 record through regional, losing in the quarter finals.

Veterans Told Of Requirement

Veterans drawing a non-service connected pension were given a notice that their next check will contain vital material important to their pension.

Loyde Brewer, acting county service officer for the Veterans Administration, pointed out that with the checks which will be received about December 1 will be a machine-punched income tax form.

Names change

for lots of good reasons

For years now our many friends have known our Company as Easter and Paetzold Fertilizer Service. We're grateful that growing numbers of fertilizer users in this area have come to rely on this name for top-quality products and reliable supply.

Not long ago, we took a major step that enables us to provide additional services and a wider range of modern crop production materials. We joined forces with Mid-America's most respected producer of fertilizer and agricultural chemicals—the Spencer Chemical Division of Gulf Oil Corporation.

Now that we're part of the Spencer family we've taken the name, too. We want to be sure our customers know we have the support of Spencer's resources. This means an assured supply of nitrogen fertilizers even in the peak rush season . . . a wider selection of new high-analysis, water soluble mixed fertilizers . . . expanded facilities for blending fertilizer grades tailored to the soils in our area . . . a broad new line of Spencer brand weed and insect killers and the very latest know-how to help get the maximum profit from the use of our products.

From now on when you think of Easter and Paetzold Fertilizer Service, we hope you'll come to recognize our new Spencer name as a symbol of the most complete fertilizer and pesticide service in this area.

SAVING MEANS MORE TO YOU WHEN IT IS WITH A CREDIT UNION

life savings insurance

HERE'S HOW IT WORKS FOR YOU

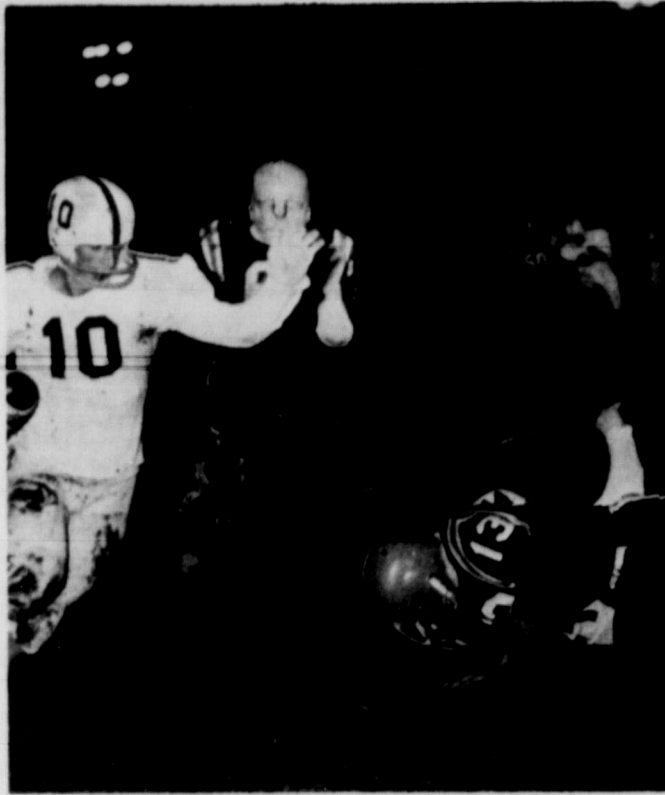

- 1 When you save money in the credit union, it earns life insurance for you.
- 2 There are no applications or physical examinations and you do not pay one cent of individual premiums.
- 3 You must be physically able to perform the usual duties of your livelihood when you deposit the money in your credit union.
- 4 Every penny you save up to \$2,000 earns life insurance.

- 5 You get a dollar of LIFE SAVINGS insurance for each dollar you save before age 55.*
- 6 Your savings deposited between ages 55 and 70 earn life insurance too, in lesser amounts.
- 7 As long as your savings remain in the credit union, your life insurance remains in force.
- 8 If you die, your heirs get your savings plus all the insurance money your savings have earned. In some states you have the privilege of designating a beneficiary to receive your insurance money.

TEAM FIGURES LISTED

Chiefs Compile Margin In Season Statistics

The Friona Chiefs' 1964 football team, despite playing its toughest schedule in years, still rolled up quite a statistical margin over their ten season opponents, according to figures tabulated by Bill Ellis of the Friona Star.

While enroute to their second straight record of 8-2 for the season, dominated the statistics in every department except passing -- and that was only because they forced their opposition to take to the air after throwing up one of the stoutest defenses seen at FHS in many years.

Friona had more first downs for the season, 146-103 than the opposition. The Chiefs more than doubled their opponents in yards gained rushing, 2606-1176. Opponents passed more than did Friona (137 attempts versus 62), and averaged 58.1

yards per game through the air to 47.9 for Friona.

In total offense, Friona averaged 308.5 yards per game, to 173.7 for the opponents. Friona intercepted more passes than did the enemy, 13-6, but lost more fumbles, 23-15. Chieftain punters booted the ball 28 times for a 38.4 average. Opponents were forced to punt on 49 occasions, for a 35.7 average.

Friona even had the most penalties, 51-41, and was penalized 607 yards for 354 for the opposition. The 1964 Chieftains, while they were having more of everything else than did the 1963

team, likewise had more penalties. Last year's team was penalized only 49 times for 429 yards.

In district play only, Friona's defensive records were even better. The Chiefs held five district opponents to just 404 yards on the ground -- an average of 80.0 yards per game, while rolling up 1455 themselves, an average of 291 per contest.

In total offense figures, Friona led their district opponents in yardage by an average of 318-157 per game.

And, while the opponents made more passing yardage, they didn't have a big percentage of completions. District opponents threw 79 passes, completing only 29, an average of 36.7 per cent.

Friona led district opponents with 80 first downs (an average of 16 per game) to 50 (10 per game).

Most first downs for any game for Friona was against Lockney, when the Chiefs got 20. Fewest were the 10 against Dalhart. Friona's best rushing game was against Hale Center, when the Chiefs got 362 yards on the yards on the ground. Lowest game again was Dalhart, when only 101 yards were gained rushing.

Best passing game for Friona was the opener against Farwell, when three passes gained a total of 149 yards. Worst was against Dimmitt, when no passes were completed (only four attempts). Most total yardage was gained in the 34-7 win at Sudan, Friona gained a total of 417 yards in this one.

Abernathy's 16 first downs were the most made by any opponent, while Floydada's five were the least. Hale Center, which allowed the Chieftains their most yards rushing, also racked up the most against Friona of any opponent, 219 (Dalhart had 196). Olton had the least, 71, while Floydada and Dimmitt, also district opponents, got 73. Floydada's 82 total yards (the Whirlwinds had nine yards passing) were the least allowed any team, yet Floydada scored a 7-6 win over the Chiefs.

Longhorns Drop Finale, 30-8

The Lazbuddie Longhorns finished out a disappointing season last Friday by dropping a 30-8 decision to Textline in a contest hampered by freezing weather and cold wind.

As fans retired to their automobiles to watch the game, the underdog Longhorns battled for an 8-8 tie in the second period, but succumbed to the running of Keith Sheets, who scored three times for Textline.

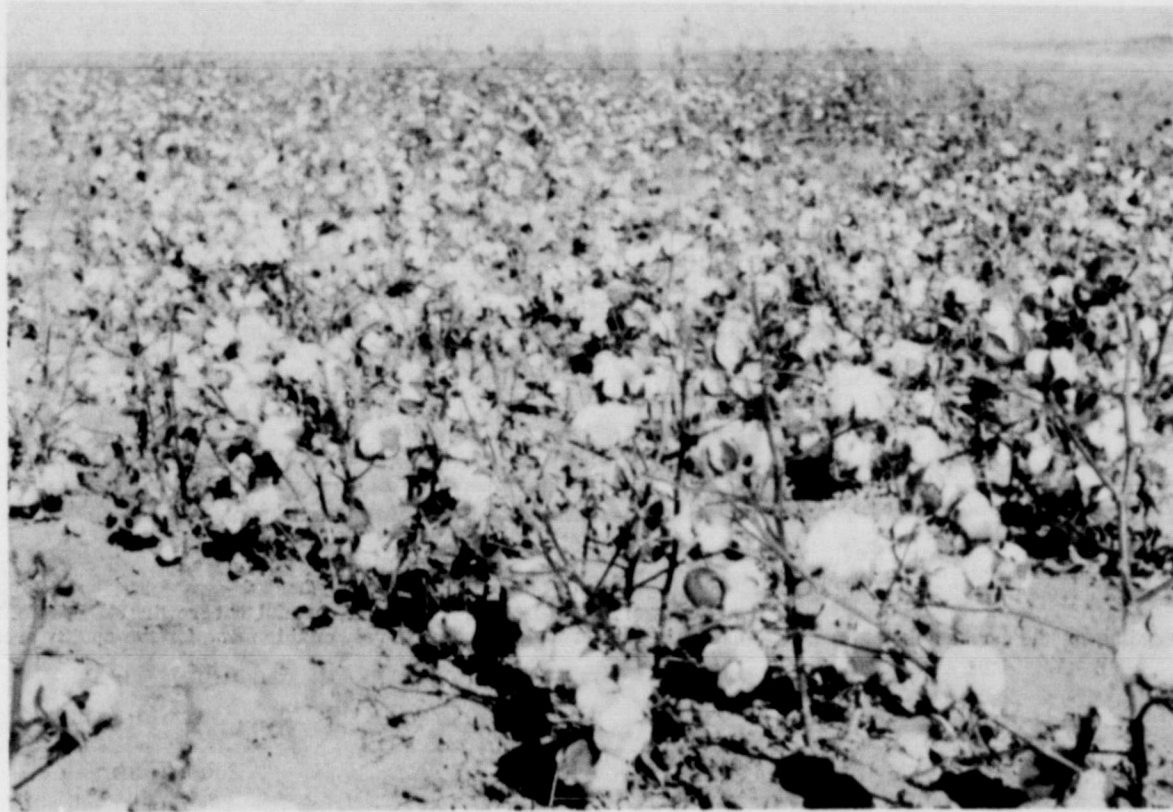

Sheets gave Textline the lead on a three-yard run in the first period. Lazbuddie rallied to tie the count when Mike Tree scored on a three-yard plunge. Lloyd Bradshaw ran the points to make it 8-8.

However, Textline scored again before the half ended for a 14-8 lead, and tacked single TD on the scoreboard in the third and fourth period.

Louis Seaton, Albert Fuller, and Johnny Mitchell were outstanding on defense.

On The Farm In Panmer County

BY JOE VAN ZANDT
County Agent

This week of November 20-26 has been proclaimed as National Farm-City week by President Johnson. Therefore, I would like to bring out a few facts about the interdependence of Agriculture and business.

The value of crude oil production in Texas annually amounts to about \$3 Billion and the value of Agricultural production amounts to about \$2.4 Billion annually.

The value of total agricultural production in Texas amounts to more than either the total manufacturing payroll, the total construction awards or the total retail trade payroll.

About 20 per cent of the people in Texas are engaged in processing and distributing agricultural products. These folks add \$3.9 Billion to the \$2.4 Billion value of raw products produced by farmers and ranchers for a total of \$6.3 Billion.

The farmers of Texas spend the following amounts annually: 301 million dollars for machinery purchased, repairs and maintenance; 119 million dollars for petroleum products; 398 million dollars for seed, feed, plants and fertilizer; 67 million dollars for construction materials; 449 million dollars for hired labor and machine hire; 310 million dollars for livestock purchased and livestock expense; 57 million for miscellaneous crop expense and 147 million dollars for other expense. A total of 1,848 million dollars spent. Farmers keep only 6 million for consumption items.

4-H BANQUET
We thought our Panmer County 4-H members did a real fine job with their Achievement Banquet Saturday night in Bovina. Bobby Redwine was Master of Ceremonies for the event. On the program were: Cheryl Boling, who lead the pledge of allegiance and 4-H motto and pledge, and Dale Blackstone gave the invocation. Janis Billingsley introduced their guests and John Gulley introduced the speaker, Cotton John Smith. The Bovina Junior High stage band furnished some very fine entertainment.

Three Lazbuddie ladies did fine jobs decorating the banquet

room. There were: Mrs. Harvey Blackstone, Mrs. Roy Miller and Mrs. Ralph Broyles. Some of the decorations were furnished by Christi's Flower Shop at Lazbuddie.

This Achievement Banquet was for the 4-H members who were enrolled in 4-H work prior to August of this year. Honored at the banquet were county contest winners and medal award winners. Those receiving medals were judged on the basis of their overall 4-H record book they turned in last July. Members who completed a project during 1964 were awarded year pins also.

The County Contest winners received cash awards this year for the first time. These awards were made possible by business firms over the county and by a group of adult leaders who made the plans and contacts for the donations.

The Bailey County Electric Co-op and Deaf Smith County Electric Co-op were sponsors for the banquet itself.

VENISON SAUSAGE
With the deer hunting season underway, fortunate homemakers may already have a supply of venison on hand. An excellent way to utilize a portion of this supply is to prepare venison sausage.

A suggested recipe for this delicacy includes the following: 30 pounds of cut venison 20 pounds of cut fat pork, about 50-6 per cent lean

1 pound salt
3 ounces black pepper
2 ounces sage, optional
1 ounce red pepper, optional
Sprinkle the seasonings over the meat and then grind it through a coarse chile plate. Next, re-grind the meat through a sausage plate. If the sausage is to be frozen, season only half the total amount.

Wrap the sausage, in sizes needed for a meal, in moisture-vapor-proof freezer paper.

Seasoned sausage can be thawed and cooked immediately, while the unseasoned portion should receive seasoning just before using.

Unseasoned sausage will keep fresh five or six months, while that with seasoning will turn flat and rancid after three months.
