VOLUME 63, NUMBER 31

SANDERSON, TERRELL COUNTY, TEXAS 79848

AUGUST 24, 1972

LISTEN TO LUKE

By Albert:--
Sanderson missed a chance for a doctor last week. It was through no fault of anyone here, just because the doctor decided to close the door until at least February of 1973. If no other doctor is here before that time, then the doctor aforementioned will consider the move again. And we know of no other contacts that have been made with other doctors currently pending.
Any club or organization that is hunting a project could have this as their project and chances are that they will be kept busy for a spell.

Following the rain of Friday, August 11, and subsequent rains, anyone who is interested could have looked around town and seen plainly what rushing water does in the way of eroding. For example, our driveway, which had collected quite a bit of loose gravel and dirt because of various and sundry occurrences, was as slick as a whistle. Sunday when we got home from two days at Bloys Camp Meeting. And in streets over town there were rather large stones washed down by water. In other places there was an accumulation of small gravel -- which we would like to have back in our own driveway -- washed into the streets. It would be difficult to identify those pebbles which were ours, so we will not try to retrieve them.

Another thing that we noticed was the accumulation of small limbs, grass cuttings, etc., in some of the barrow ditches that had accounted for some of the clogged pipes under driveways. It is real fast to dump the grass cuttings in the ditch in front of the house to be carried off by the next rain's run-off, but it is sometimes rather inconvenient for the person whose yard is flooded and covered with these cuttings. The silt lines and debris left in many of the ditches bear out the necessity of trying to prevent logging of drains or inconveniencing our neighbors.

Another of the most important events in the lives of our young people began this week -- the beginning of another school year. In our humble opinion, the person who could motivate students to the highest degree of efforts at learning deserves some kind of medal. The efforts to learn, properly channeled, can lead to the maximum fulfillment in life. We know of no attainment, other than one's personal relationship with God, that is greater than the foundations that should be acquired in the primary and secondary schools. All other attainments -- wealth, position, athletic prowess -- may not be achieved or retained and leave a person so poor as with the lack of knowledge.

School Board Action Monday Night Told

Action of the school board at their regular meeting on Monday night this week included the following:
Accepted the resignations of Mr. and Mrs. Don Ivey who are teaching in Big Lake.
Approved contracts for Mrs. Steve Burleson, Charles Stavley, and Mrs. George T. Burks as teachers in the local system; Mrs. Sid Brooks as a bus driver and high school principal aid, and Mrs. R.M. Hunn as driver on the Cedar Station bus run.
The board also approved revisions of the board policy; and adopted the 1972-73 budget, setting the date of August 30 as the date for the meeting to amend the budget.
The bond fund was invested for 90 days.
Supt. C.B. Card reported that there were no bids received on the tennis court construction project.

Jury Excused For This Term

Ruel Adams, county and district clerk, stated Monday that District Judge George Thurmond had authorized the excusing of the petit jury until they were summoned at the next term of court.
Judge Thurmond had told The Times earlier in the day that the excuse would probably be given to all jurors, but that some checking would have to be done before it would be known for sure if the jurors would be needed.
The grand jury was empaneled Monday by Judge Thurmond and following this procedure, they were excused as there was no official business to be brought before that body, according to Judge Thurmond.
He stated that if there was a need for grand jury action, that Karlos Kothmann, foreman of that body, would be able to call them together.
Judge Thurmond returned to Del Rio following the disposition of all pending business of the 63rd District Court on Monday that was possible.

Summer Reading Program Ended

Certificates were presented to the children who had completed the summer reading program Thursday afternoon in a special program in the Terrell County Public Library. Judge R.S. Wilkinson made the presentation giving a cash award to Patty Gonzales for reading the most books. This is the second consecutive year that she has received the award. Patty is the daughter of Mr. and Mrs. Cuthberto Gonzales.
Punch and cake were served by Mrs. Irvin Robbins, president of Library Friends. Mrs. Eddie Mae Louwien, librarian, was also present.
Twenty-one children participated in the program.

The distribution of tax receipts by the county is as follows: .02¢ to the jury fund; .35 to the road and bridge fund; .15 to the road and bridge fund special account; .46 to the general fund; and .12 to the courthouse and jail fund.

MRS. JORDAN'S SON GETS SR DEGREE IN CHEMISTRY
Mr. and Mrs. Wayne Jordan went to Alpine Friday evening for graduation exercises at Sul Ross State University.
Her son, Dennis Hambrick, received his B.S. Degree in chemistry and plans to do graduate work in that field.

One day in 1946 the traffic in front of the Princess Theatre caused someone to snap the picture shown below. The overcoat indicates that it was in the winter. Shepperd's department store, Blackwelder's Shoe Shop, and Whistler's Drug Store were the businesses from the corner to the theatre. Carlton White loaned us the picture.

That's the way we look at it!

Representatives of the Young People's Chamber of Commerce met with the Board of Trustees of the Terrell County Independent School District Monday night to possibly initiate a survey to determine the interest in a lunch room for school children.

We do not know how much investigation -- if any -- has been done by the board concerning this possibility. We do not know anything ourselves about how much is involved in such a facility -- the amount of federal funds available, the cost to the local taxpayers, if any, or the requirements of personnel.

We will go further and state that we do not know what the YPCC has in mind in making the survey -- if they want a facility for only the students who ride to Sanderson on the buses, if it is for any or all of the local students, if it is only for one meal a day during school, or as some schools have -- two meals a day, or what.

This is all stated to lead up to this!

There has to be some kind of a priority set on local needs, in our way of thinking. For example, there needs to be continual and costly improvements in the local drainage system, we need to consider the amount of tax money that will be necessary to maintain the flood control dams and channels for drainage of those reservoirs, there are many who think that there is a local need for a sewage system, as there is some apparent maximum saturation indicated in some areas; there is definitely a need for black-topping or seal-coating local streets in the near future; there is the possibility of the need of expenditure of a considerable sum of money to get a doctor to come here.

We have not tried to think of all the things we need or could use, nor have we tried to place them in any order of priority by our standards. They are things that come to mind that have been mentioned in the past as possible needs.

It may be that the lunch room should head the list. It may be that it should not. We do not know, and at this stage we do not have an opinion.

But if local taxes are involved -- and we are only presuming that they may be -- we think it's time for everyone to start thinking about priorities.

As we have stated before -- there are only so many tax dollars to be extracted from local taxpayers. We do not know, either, how near we are to that saturation point!

A lot would depend on how you look at it!

We believe that an education in taxes will be received by those who go into this!

SING-ALONG SUNDAY

There will be a sing-along fellowship hour Sunday evening at the First United Methodist Church at 7:30. Members and friends of the church of all ages are invited to attend.

Traffic Accidents For Labor Day Are Predicted

Col. Wilson E. Speir, director of the Texas Department of Public Safety, estimated that statewide traffic accidents over the Labor Day weekend will claim 48 lives.

The Labor Day holiday, as set by the National Safety Council, is a 78-hour period from 6:00 p.m. Friday, September 1, to midnight Monday, September 4.

At the close of the Labor Day period last year, a DPS tabulation showed that 41 persons had died in 34 traffic accidents. Late deaths pushed the toll to 43 persons killed in 36 accidents.

Speir said the DPS and local law enforcement agencies would be taking all possible steps to reduce the holiday death toll. A special "Operation Motorcide" will be in progress over the Labor Day weekend and tabulations of rural and urban fatal wrecks will be reported to the news media of Texas three times daily.

All available DPS patrolmen will be placed on duty throughout the state. They will make full use of radar and breath testing instruments in an effort to curtail the major causes of fatal accidents -- excessive speed and drunk driving.

"Educational and enforcement programs will have an impact, but a great deal of the responsibility for accident reduction rests in the hands of individual Texans. I am appealing to all our citizens to join with us in saving lives by "Driving Friendly" both during the holiday and throughout the remainder of the year," Speir said.

MRS. ROY D. HOLT RETIRES FROM TEACHING

The Hols lived in Sanderson from 1935 to 1942 when he was superintendent of the Terrell County schools.

Smith of Knippa, cousins of the bride; Miss Melinda Bartlett of Houston, Miss Marion Law of San Antonio; Mrs. Frank Schleicher of Austin, Miss Marsha Monroe. Junior bridesmaids were Kathleen Lee of San Antonio and Susan Steelman of Bryan. Cindy Choice of Houston and Traci Golden were flower girls.

Edward Kott of San Antonio served his brother as best man. Groomsmen were William Price Clark, William Clayburne Jr., John Groos, John Holshouser, and Wayne Weber, all of San Antonio; Sidney Francis II of Luling, Gavin Garrett and Frank Schleicher, both of Austin, and Walter N. Armstrong. Pages were Jay Robinson of San Antonio and Jim Houston Evans of Knippa, a cousin of the bride. The ring-bearer was Edward Sweeney Ames of San Antonio.

The reception following the wedding was at the ranch home of the bride's parents. Hurricane lights marked the road from the highway to the ranch where a myriad of lights in the trees, on the fences, along the walks, etc., had converted a large area into a place of beauty with flowers not only growing in the beds, but a ranged in vases, bird cages, pots, etc. The bride's book was in front of the house for the guests to register and the receiving line

formed near there. Tables arranged for varied refreshments and snacks were placed at vantage points in the spacious yard, including also the bride's table and the bridegroom's table.

The bride's table featured a large white confection on one end and coffee in silver service on the other. The bride's cake was two-tiered with yellow and green decorations. Finger-sandwiches and chocolate-pecan clusters were also available.

The chocolate cake on the groom's table was at one end with silver coffee service at the other end, and also had finger-sandwiches for the guests.

One large table near the entrance of the patio featured Mexican food, seafood, dips, snacks, sweets, and beverages.

An orchestra provided music for dancing on the large patio. It was estimated that there were at least 500 guests at the reception.

Mr. and Mrs. Downie, Mrs. Kott, mother of the bridegroom, and her sister, Mrs. R. Rutledge, the newlyweds, and the bride's sister, Mrs. Armstrong, and the bridegroom's brother, Edward Kott, were in the receiving line.

Mrs. Jolly Harkins was in charge of the bride's table, Mrs. J.T. Williams of the groom's table, and Mrs. Bill Bondurant of San Antonio at the punch table. Approximate-

ly 30 friends of the bridal pair assisted in the serving duties.

Mrs. Mary Tyrrell Kott, the bridegroom's mother, was hostess for the rehearsal dinner Friday evening at St. James Hall. The dinner was originally planned in the patio at the Downie headquarters ranch, but inclement weather forced the change in the location of the dinner and dance. Beautiful decorations at the original site had been placed at vantage points in the patio, and some were retrieved before the rain on Friday afternoon and moved to the parish hall. The theme of informality which had been planned originally was magnified due to the confusion created by the rains which made the roads impassable to the ranch headquarters from the highway, stranding many of the guests, much of the food, decorations, and tables for seating the guests.

Mr. and Mrs. Kott are on a wedding trip to Acapulco, Mexico, and upon their return will be at home in Austin where the bride will attend the University of Texas for her senior year. She graduated from Sanderson High School before attending Austin College, Sherman, and the University of Texas.

Mr. Kott received a B.S. Degree in chemical engineering at UT where he was a member of Tau Beta Pi, Omega Chi Epsilon, and Phi Lambda Upsilon fraternities.

bride is the daughter of Mr. and Mrs. Walter G. Downie, Errell County ranchers, and the bridegroom is the son of Mrs. Mary Tyrrell Kott of San Antonio. The art glass window in the sanctuary was the focal point of the beautiful decorations. The cross placed in the center of the window was a triangular arch of wrought iron with 15 tall white candles. On each side was an arrangement of flowers in rainbow colors on a tall pedestal. Similar arrangements of flowers in fine-branched candelabra were in the foreground of the altar space. Tall wrought iron stands, to which were attached nosegays with the flowing and long streamers of ribbon repeating the rainbow colors, were in the outer sanctuary and held green candles. R. S. Wilkinson, organist, played a medley of hymns to the ceremony and "The Lord's Prayer" as a solo. He also played the traditional wedding processional and recessional marches. The bride was escorted to the altar by her father who officiated in marriage. She wore a gown of white silk organza accented with medallion appliques of gold, Cluny, and Guipure lace. The moulded empire bodice was fashioned with an asymmetrical neckline entirely outlined by tiny seed pearls and a fitted wrist-length train. Tiny self-covered buttons accented the back of the gown. The slim side and back-gathered bodice was swept to a wide full-length train. The veil of pure silk illusion extended beyond the length of the train from a bandeau of white silk baby's breath and was enhanced by gathered illusion falling to her shoulders. Saturday morning Mr. and Mrs. Dudley Harrison, Mr. and Mrs. J.T. Williams, and Mr. and Mrs. Herbert Brown were hosts for a breakfast in the Brown home. The members of the Kott-Downie wedding party and out-of-town guests were invited and about 125 were present.

Copper appointments were used for serving. Mrs. Kenneth Andrews, Mrs. Billy Golden, and Miss Barbara Brown assisted in serving.

The menu consisted of turkey hash in tiny tart shells, smoked sausage, cinnamon rolls, cheese biscuits, fresh pineapple, orange juice, and coffee.

Mr. and Mrs. W. G. Downie were hosts for a barbecue at noon on Saturday to honor their daughter, Miss Christine Downie, and her fiancé, Tyrrell Kott, of Austin.

The barbecue was on the Downie headquarters ranch.

About 200 guests enjoyed the visiting and the meal.

Rains of the previous day forced the moving of the barbecue site which had been situated in the shade. Tables and chairs were set up for the comfort of the guests.

The meal consisted of barbecued beef, goat, fresh corn on the cob dipped in butter, squash, red beans, chili, camp bread, cold drinks, and doughnuts.

Culture Club Honors
New Study Subject*

The annual "family night" meeting for the members of the Sanderson Culture Club to inaugurate the new club year was last Thursday evening in the Memorial Park. Hostesses were Mrs. E.E. Harkins Jr and Mrs. C.B. Card.

Additional tables and chairs were provided along with tables and benches in the park for the serving of a picnic supper at 6:30. Fried chicken, barbecued chicken, chicken continental, and chicken tetrazzini, frijole beans, salads, relishes, cakes, cobblers, and iced tea comprised the menu. The invocation was given by Rev. Richard White.

A rocket pinata provided entertainment for the children for several minutes and when they had settled down with their "goodies", the president, Mrs. E.E. Farley, gave her welcome speech and had the members to introduce their guests. Mrs. N.M. Mitchell Jr., vice-president and program chairman, passed out the new yearbooks and gave a short review of the year's program theme "Texas, Our Texas". She then introduced Mrs. Robert Gatlin who used a map of Texas to point out the locations of the 26 nationalities that had settled in Texas and left their influence in many ways on the state. With "The Many Faces of Texas" as her subject, she particularly pointed out the influence of Chinese, Irish, German, Swiss, and other nationalities.

Those attending were Messrs. and Mmes. C.B. Card and children; E.E. Harkins Jr.; G.K. Mitchell and son, Keith Jr.; A.J. Pagitt and children; T.W. McKenzie; N.M. The legislature shall appropriate money to provide an adequate staff, office space, equipment, and supplies for the commission.

(b) The commission shall study the need for constitutional change and shall report its recommendations to the members of the legislature not later than November 1, 1973.

(c) The members of the 63rd Legislature shall be convened as a constitutional convention at noon on the second Tuesday in January, 1974. The convention may provide for the expenses of its members and for the employment of a staff for the convention, and for these purposes may by resolution appropriate money from the general revenue fund of the state treasury. Warrants

(e) The convention, by resolution adopted on the vote of at least two-thirds of its members, may submit for a vote of the qualified electors of this state a new constitution which may contain alternative articles or sections, or may submit revisions of the existing constitution which may contain alternative articles or sections. Each resolution shall specify the date of the election, the form of the ballots, and the method of publicizing the proposals to be voted on. To be adopted, each proposal must receive the favorable vote of the majority of those voting on the proposal.
