SANDERSON, TERRELL COUNTY, TEXAS 79848

OCTOBER 12, 1972

LISTEN TO LUKE

By Albert: ---
 We got a news release and noticed other papers that printed the same release from Sul Ross State University about a bicycle race that is being planned between Marfa and Alpine. What we noticed of interest about the story is the fact that "the racers will travel over Paisano Peak (at 5,078 feet) the highest point on the transcontinental rail line between the Gulf and the Pacific!" The story maybe should have said Paisano Pass, as the highway nor railroad went over Paisano Peak the last time we were by the mountain.

This would also give us a chance to reminisce a bit about when we were living in Marfa. There were three of us about 14 years of age and with the little brother of one of the boys decided to ride bicycles from Marfa to Alpine. The only paved road was about 5 miles east from Marfa, that stretch of the highway under the overpass by the railroad from Alpine to Presidio, and from the overpass of the railroad just west of Alpine on into town. About 7 miles - more or less - was paved. And we didn't have spare bikes, either.

We made the trip to Alpine one day and spent the night in a blanket and rode back the next day. On the trip home, we were enjoying the down-hill fun of the pavement west of Paisano Pass and getting all the speed we could and the little brother of one of the bikers broke the right pedal off. We finally found a piece of wire and took turns pulling to pull the little 18" bike and rider on into Marfa and he helped by using his left foot on the down stroke. I would hate to have thought then or now that I would have ridden over Paisano Peak on a bike or train!

For those who are interested in gathering statistics of any kind, it was stated with good authority that Dr. Lockhart had 21 patients Friday night after the football game before he went back to Alpine. He told us before the game that this worked out satisfactorily and there seemed to be a demand for it, that the would come on another evening - probably Mondays - and get there earlier so that it would be more convenient for him

continued to second page

Miss Emma Silvas was crowned as "Miss SHS" for 1972-73 Friday night as the homecoming football game. She was elected by popular vote of the student body of Sanderson High School. She was crowned by Miss Rosalie Kerr, a student at Texas Tech who was the reigning "Miss SHS" and she received a bouquet of flowers from Tomas Lomas, student council president. She is the daughter of Mr. and Mrs. Silvestre Silvas and her father escorted her onto the field

for her introduction. Other nominees for the honor were Misses Sheryl Stewart, Susi Robbins, and Maje Harrison, all seniors in Sanderson High School and all three are cheer leaders. Miss Silvas is editor of the school newspaper, president of the National Honor Society, secretary of the student council and the senior class, treasurer of the Eagle Band, vice-president of Future Teachers of America, and attended Bluebonnet Girls' State last summer.

Free TB Clinic To Be Oct. 17

The Texas State Department of Health, Division of Tuberculosis Control, announces that the tuberculin skin test will be given without charge to Terrell County residents from age 3 months up at the American Legion Hall, here from 4:00 until 8:00 p.m. on Tuesday, October 17.

Purpose of the test is to reveal whether or not exposure to tuberculosis has taken place at any time in the individual's life, and if so, to protect him from tuberculosis with proper follow-up procedures, including chest x-ray.

Those receiving the test on Tuesday will return to the Legion Hall, on Thursday, October 19, to determine whether the test is positive or negative. Qualified medical personnel of the State Health Department's TB Control Division will administer and interpret the tests.

The tests are both painless and accurate, and residents of Terrell County are urged to protect themselves and their families by having all family members tested.

Anyone needing a ride to and from the Legion Hall and the clinic is requested to call Mrs. W.J. Ferguson Jr. at 2518, Charlie Riggins at 2971, or

Eagles Win Over Clint By 28-0; Have Open Date Friday This Week

The Sanderson Eagles had a sluggish offense against the Clint Lions in their opening game of district competition here Friday night of last week, but put together a 28-point scoring spree to win the game while holding their opponents scoreless.

Clint failed to have a real serious scoring threat, while Sanderson worked the ball deeply into the Lions' Den on two or three occasions and lacked the punch to put the ball over the goal line or make a subsequent first down.

Sanderson's first tally was 3:05 short of the first quarter when Kendall Billings, Eagle tailback ran 26 yards for a score. Bill Mott kicked the extra point.

In the second quarter, Jim Cash, halfback, carried over from 5 yards out 5:47 short of the half-time buzzer and Mott's kick was again good. The half ended with a 14-0 score.

In the third quarter, the Eagles made two scores, the first by Cash from inside the 1-yard line, and the second was by the quarterback, Chage Flores, also from inside the 1-yard mark. The PAT follow-

ing the third touchdown was by a kick and was no good, and the final touchdown was followed by a 2-point pass play from Flores to Floyd Watson.

The fourth quarter was scoreless.

Coach Willie Myers stated that he was proud of the effort of some of the younger players who saw quite a bit of action Friday night against Clint. He said they filled their gaps effectively and played a good game, in his opinion.

Statistics stacked up high in favor of the Eagles for Friday night's game. Sanderson led in 1st downs 20-3; in total yards 212 to minus 15; passing yards 95-34; completing 6 of 17 and Clint completed 5 of 20 tries; Sanderson intercepted 2 passes to 1 for Clint and lost 1 fumble while recovering 2 of Clint's. The Eagles were penalized 55 yards in 7 penalties and Clint was penalized 8 times for 54 yards.

Sanderson has an open date Friday night and Coach Myers stated that he hoped that some of the knee problems of some of the players would be improved if not healed by the time the Eagles play Rankin there on October 20. The Red Devils are considered one of the strong teams of the district and the coach wants a tip-top team by the time he takes the team to Rankin.

Tax Statements Mailed Owners Of Property Here

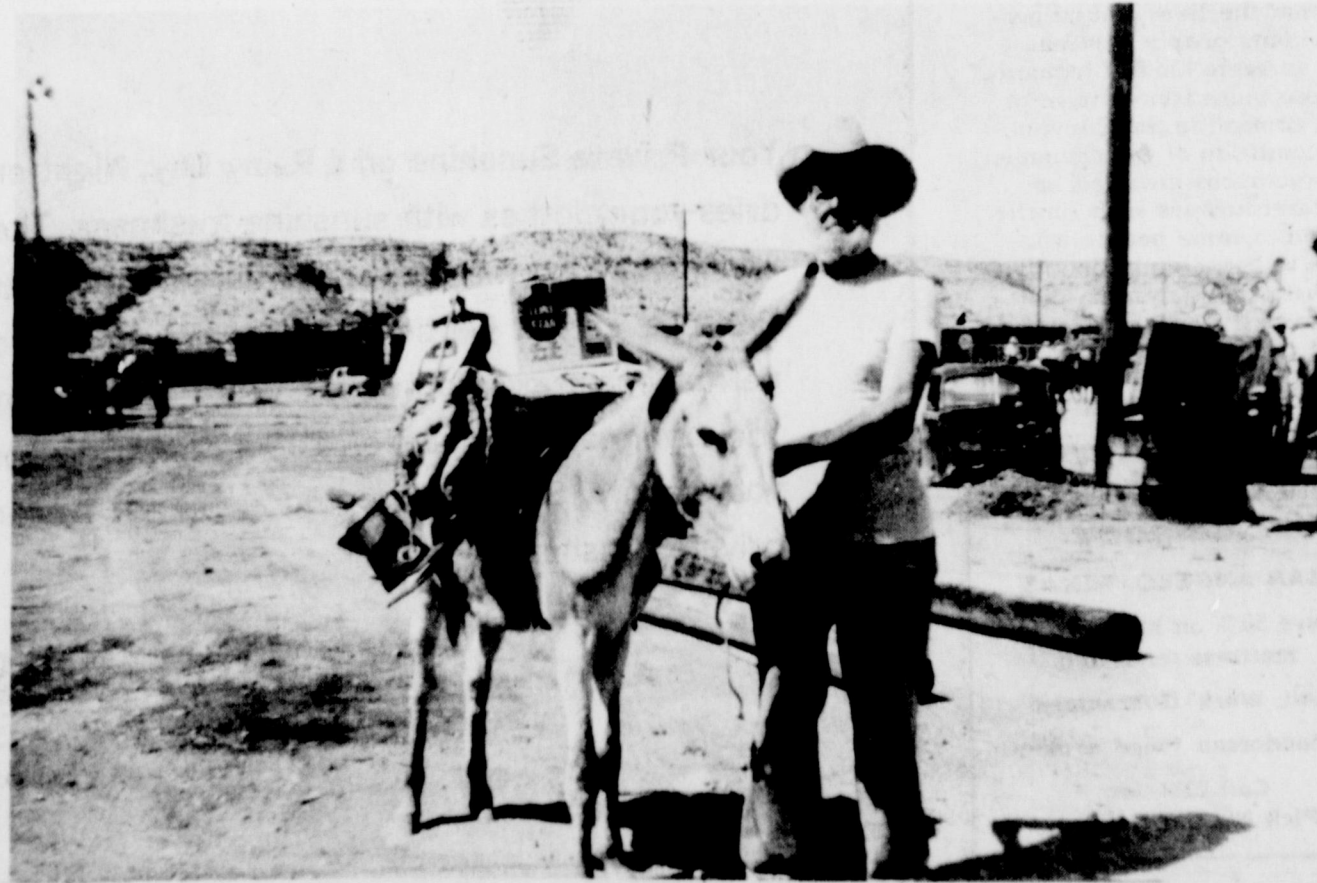

Tax statements for 1973 property taxes were put in the mail last week to property owners of Terrell County.

Those who pay their state and county taxes during October may take advantage of a 3% discount. In November the discount drops to 2% and a 1% discount will be allowed in December.

There is no discount offered for the payment of school taxes.

Mr. and Mrs. Lee Dudley were in Iraan Friday for her to have medical attention.

The picture is not as old as it might appear to be at first, but depicts an old-enough era for reproduction. Herman Pauli, now deceased, is ready for a parade in Sanderson several years ago. His pack saddle and paraphernalia are authentic and Pauli probably had had some experiences close to the authentic. The photo is from the collection owned by Mrs. Carl Davis and formerly the property of her uncle, Ellis "Mac" McDougal. The Times is in serious need of your old pictures for reproduction here and would appreciate the loan of them.

LISTEN TO LUKE

continued from front page and his patients.

It is not long until the time for changing the clocks back to what they should have been all the time! Seems like it's the last Sunday night in October when that takes place. Seems like everyone would get tired of changing their schedule twice a year and write to their Congressmen about changing the time - or else quit griping. Which have you done the most of? If you want to write, try getting a letter to Sen W.E. (Pete) Snelson at 319 N. Colorado St., Midland, Texas; or Rep. Hilary Doran in Del Rio and let them know about it.

Our stock of old pictures for reproducing is running low and we would appreciate any cooperation we might get from our readers and friends in the loan of some of the old photos for the benefit and pleasure of our readers.

This project has been most rewarding in compliments from our readers and it will stop only because we are unable to secure old pictures any more.

If you have some old pictures of people, places, or things that would be of interest to readers of this area, PLEASE let us borrow them.

We read just Sunday about the fact that many college students in San Antonio - and there are probably those in other towns - that are drawing food stamps and selling them for pocket change, etc., etc. And as the story said, regardless of the affluence of their parents, it is a fact that the students do not have an income and thereby qualify.

The wrongs of this fact are dual, at least, to this degree: the system should more clearly specify qualifications; and there should be more pride and/or honesty in people than to always be making an effort to get something for no thing.

The activity of winding up the securing of easements for the dams on the Sanderson Canyon watershed waxes and wanes, like any other activity. The interest of some people does a lot more waxing than waning, however, and grows and grows with the passing of each day.

There is no escaping the fact that the lives and property of many people continue to be in some kind of jeopardy because there is no system of flood control on the Canyon. The condition of the channel of the canyons involved in the watershed are such, in the opinion of some people who claim to have some kind of authoritative reasoning, that any rainfall similar to the one which caused the disaster in 1965 would be more destruc-

tive now than it was then.

And, as we have said before, there is also the fact that each and every rain does more damage to the rangeland, and every day that goes by probably increases the cost of construction, since everything else is growing in cost; and the economic welfare of the town continues to suffer to some degree because of the delay in starting the project and finishing it.

We are expressing concern of many people, we feel, when we say that we would like to see a tremendous burst of interest and determination that would wind up the whole thing and turn it over to the contractors for the work. That's the way we look at it!

TWO HOLIDAYS IN OCTOBER

The month of October has two legal holidays, Columbus Day and Veterans Day. Columbus Day was observed Monday with a holiday for the postoffice and offices at the courthouse.

Monday, October 23, will be observed as Veterans Day taking the place of the former Armistice Day celebrated on November 11 for many years.

The junior high school cheer leaders had a striking pose for the picture for The Times this week. On the bottom row are Rosalinda Lopez, Lali Luevano, and Sallie Babb; Alice Mon-

talvo and Terry Harrell are on the second row, and Selene Farley forms the top of the triangle. Mrs. Tommy Arthur is sponsor of the cheer leaders.

Punt, Pass, Kick Winners to Roswell

The 1st place winners in the local, Punt, Pass, and Kick contest went to Roswell, N.M., last weekend for area competition which was held Saturday. The local contest was sponsored by Dudley Motors and the Young People's Chamber of Commerce and was staged Friday, September 28.

The first place winners in each division 8-13-years old included: Jerry Garza, Leo Munoz, Cato deLeon, Rene Escamilla, Joe Ernest Eckert, and Rocky McDonald. The parents of each boy accompanied them on the trip.

None of the Sanderson youths placed in the contests in Roswell, according to Dudley Harrison, co-sponsor of the event.

JACK RIGGS TO ROPE IN SAN ANGELO FIESTA

The 19th annual roping fiesta will be in San Angelo November 4-5 at the Fairgrounds arena, according to word received last week.

Jack Riggs of Sanderson will be on of 29 top calf ropers on hand for the events; as will Kinney McMullan of Big Lake, and Bud Smith and Jim Bob Altizer, all of whom have participated in local roping events. Altizer will be one of 23 top steer ropers competing also.

Guests of Mr. and Mrs. Irvin Robbins and their daughter, Susi, last weekend were their children, Mrs. Jim Neal, and family of Rankin and Mike Robbins and his wife of Del Rio.

Jr. High Eagles Lose To Iraan There

The Junior High School Eagles lost their first game of the current season in Iraan Thursday afternoon of last week by the score of 10-8. Coach Larry DeVasto stated that it was a good defensive effort by both teams, each held under 100 yards.

Iraan scored all their points in the first half, there was a safety - good for 4 points - and a touchdown, with the try for extra points after the TD failing.

Sanderson's score was in the second half with an 80-yard pass play by Marvin Davis to Bernie Castro with Frankie Flores taking on the 2 points extra for the junior Eagles.

The junior high school team has two wins and one loss for the season and will host the Imperial team Thursday afternoon.

AMONG OUR SUBSCRIBERS

New subscribers to The Times include John F. Pettit, Del Rio; P.M. Vargas, Clarendon; Mrs. Larry Heinatz, San Angelo; Katy Malinauski, Del Rio; Mrs. Marvin Wood, Scottsdale, Ariz.; Mrs. Buddy Dunman, Warsaw, Ind.

Renewals have come from Mrs. Mark Prange and Mrs. Willa Dean Babb, San Antonio.

*Delta Kappa Gamma
Has Regional Meet*

The Delta Kappa Gamma Society met in Pecos Saturday for the annual regional conference, each of the nine chapters of the Western Texas area being well represented and taking part in the program. The theme for the day's work was "Don't Just Stand There! So Something, and Let's Do It Right!"

Beta Iota Chapter was represented by 17 members, of whom Mrs. W.H. Grigsby, Mrs. E.E. Farley, and Mrs. W. H. Savage were a part. Mrs. Grigsby and Mrs. Farley were members of a panel who discussed "International Highlights", a resume of the International convention which they attended in Houston in August.

JNHS ELECTS OFFICERS

The National Junior Honor Society met to elect officers last Friday.

The elected officers are: president, Clay Mitchell; vice-president, Randy Massey; secretary, Margarita Escudero; treasurer, Melba Rivera.

Other members are Johnny Couch, Marla Bell, and Conn Sumrall.

Initiations for new members will be Wednesday October 18, at 8:30 a.m.

The NJHS sponsor is Mrs. Bill O'Rourke.

**Wednesday
Bridge Club**

Mrs. Web Townsend was hostess last week to the Wednesday Bridge Club serving a luncheon at 1:00 o'clock. An arrangement of carnations decorated the dining table.

In the card games, Mrs. Jack Riggs held high score, Mrs. Mark Duncan, second high. Mrs. Tol Murrah was low, and shared slam with Mrs. Worth Odom.

Also present were Mmes. Herbert Brown, W.D. O'Bryant, Jim Kerr, and S.H. Underwood.

Travis Harkins of Sonora was a weekend visitor with his parents, Mr. and Mrs. E.E. Harkins Jr.

Texas Tech students at home for the weekend were Misses Vangie Calzada, Jackie Bob Riggs, and Rosalie Kerr; Ronnie Stewart and James Druse.

**DON'T TAKE RURAL
TEXANS FOR A RIDE...
...AND DON'T TAKE US FOR GRANTED.**

**HERE'S WHAT NIXON IS DOING TO
RURAL AMERICA**

WHEAT SCANDAL - Giant wheat exporters made huge profits at the expense of individual wheat farmers, many in Texas, on Soviet trade.

TAXES - Wall Street Journal says federal laws favor the corporation or investor who farms on the side for a tax write-off.

FARM ISSUES - Under Nixon, parity dropped the lowest since 1933. Nixon held up payments of nearly \$400 million for feed grains in 1970, forcing farmers to borrow at highest interest rates in history.

CONGLOMERATE SCANDALS - Big Business first, the public second - that's the Republican philosophy. Anti-trust suit against ITT dropped at the same time ITT pledged \$400,000 to finance Republican Convention.

Harry S. Truman said, 'The Republicans admire our government so much they want to buy it.'

Let's face it. The Republicans just haven't changed much since the days of our grandfathers. They still favor Big Business over the average working man and woman. And while they're taking us for a ride, they keep telling us what a 'dangerous radical' Senator McGovern is.

That's what they said about Harry S. Truman.

**HERE'S WHAT McGOVERN IS DOING FOR
RURAL AMERICA**

HIS STANDING - George McGovern has been elected time and again as a Democrat from a Republican farm state . . . because they know where he stands.

TAXES - His tax proposal would end the loopholes for tax-loss farming by giant corporations and the wealthy individuals who compete unfairly with family farmers. McGovern's proposal calls for the same tax on capital gains as on earnings.

FARM ISSUES - He sponsored and co-sponsored: Meat Import Limitation Law; Dairy Import Act; Wheat, Feed Grain, and Soybean Emergency Reserve Bill; Rural Development, Rural Job Development, and Rural Telephone Acts; Farm Credit Act; and other pieces of important legislation.

HIS BELIEFS - George McGovern knows that the answers to many of our most pressing problems in America today can be found by developing genuine opportunities for everyone in our small towns and rural areas throughout the country.

Let's not be taken for granted by the Nixon Republicans. Rural America has always fared best under a Democratic administration. If you want to stand up and do something good for rural America, the answer is to help put a Democrat in the White House. We need George McGovern . . . and George McGovern needs us.

RURAL TEXANS NEED A DEMOCRAT.

RURAL TEXANS NEED McGOVERN

pol. adv. paid for by Texas McGovern-Shriver Campaign Committee, Bob Armstrong, and John White, Co-Chairmen, Austin, Tx 78703

Miss Sheryl Stewart was selected as sweetheart of the 1972 Eagle football team by a secret balloting by members of the squad. She was presented at the homecoming game Friday night. Miss Stewart was escorted by her father, T.J. Stewart, onto the field and was one of the nominees for the title of "Miss SHS". She is a senior and a cheer leader, president of the student council and Future Teachers of America, co-editor of the school yearbook, member of the National Honor Society, and attended Bluebonnet Girls' State last summer.

AOA Sorority

The Alpha Theta Alpha Sorority met last Tuesday evening in the Legion Hall with nine members present.

The booth for the Hallowe'en carnival was discussed also the T.B. clinic which will be here on Tuesday, Oct. 17.

The pledges took their test and after passing it will participate in the Ceremony of Jewels on November 4.

Plans were made to take a basket of food to a needy family for Thanksgiving, also for sending a box of personal items to the Big Spring hospital.

The program on "The History of Style" was presented by Mrs. W.R. McDonald and Mrs. W.O. O'Rourke, Mrs. McDonald discussing hair styles from ancient times until the present and Mrs. O'Rourke having wigs of several styles and colors for the members to try on.

Mrs. Steve Young, hostess for the meeting, served cake, muffins, and several varieties of toppings with iced tea for refreshments.

Also present were Mmes. B. A. Pendleton, Zane McDonald, A.N. Farley, Charles Stavley, and J.D. Hogg.

*Presbyterian W.O.C. Supper Planned
Circles Meet On Monday, Tuesday
By U.I.U. Auxiliary*

Mrs. N.M. Mitchell presided at the meeting of Circle I of the Presbyterian Women of the Church in the home of Mrs. E.E. Farley Monday afternoon. She led the opening prayer after the hymn, "Blest Be the Tie" had been sung. For her devotional, she used an article "Why Conservative Churches are Growing" from a church magazine.

Mrs. C.C. Mitchell was the moderator for the Bible study lesson on "The Servant God" from the general study on "The Church - God's Servant People". The Bible passage was Phillipians 1:1-27 and 2:13.

The Mizpah Benediction was recited in unison to close the meeting after a round-table discussion.

Mrs. Farley served cake and iced tea for refreshments, serving from a lace-covered table with a centerpiece of Michaelmas daisies.

Also present were Mmes. R. A. Gatlin, Herman Couch, G. K. Mitchell, A.H. Zuberbuehler, E.F. Pierson, Leola Hill, and W.H. Savage.

Circle II met Tuesday morning at the home of Mrs. F.D. Fisher.

Mrs. N.M. Mitchell Jr. was

The Auxiliary to the United Transportation Union met on Monday afternoon in the Masonic Hall in regular monthly business session.

Plans were made for the participation of the Auxiliary in a supper which the UTU members are giving Wednesday.

After adjournment, the ladies went to the home of Mrs. Marvin Morris where refreshments of pie and coffee were served by Mrs. R.R. McDonald and Mrs. Charles Hornsby.

Also present were Mmes. Gil Martinez, Zane McDonald, Ronnie Hall, Silvestre Silvas, Barry Pendleton, Donald Tulk, Julian Martinez, Mike Connors, Irvin Robbins, J.M. Davis, A.C. Garner, J.D. Hogg, and Reid McClellan.

moderator for the same program as for Circle I.

Members present were Mesdames Charles Stegall, Jolly Harkins, E.E. Harkins Jr., Joe N. Brown, Pinky Carruthers, and J.A. Gilbreath.

Mrs. Fisher served Jell-o cake topped with whipped cream, and tea and coffee to the members present.

Library News

Memorial books have been received as follows:
Mrs. Carlton White:
"Woman in Levis" Bourne
Mrs. Ione Bryan
"My Father's House" Kanhardt
Earl Pierson:
"Remember the Days" Sollitt
Mrs. Eve Whistler:
"Code Five" Slaughter
Cash donations were given in memory of Joe W. Espy and E.F. Pierson, and Mrs. J.F. Cox.

Mrs. D.L. Duke left by train for San Antonio Monday morning where she will have a medical check-up and also visit her son, David Duke Jr., and family.

Annual Staff Named For SHS

Mrs. Ike Billings has named the 72-73 Sanderson High School annual staff. Co-editors this year are Sheryl Stewart and Susi Robbins. Sheryl was one of the co-editors of the annual last year. Janice Carter was named assistant editor; Glenda Shoemaker, business manager; Hanna Sullivan, assistant business manager.

Maje Harrison, Skipper Harris, and Bill Mott will be doing the sports. Photographers for the annual staff are Hudson Kerr, Ikey Billings, and Eddie Ten Eyck. Kendrick Harrell, Peggy Louwien, Sandra Villarreal and Patti Hope will handle the news of the classes and Elaine Brown and Jimmy Davis for the organizations. Activities reports will

be given by Maris Babb and Janet Harrell.

New Arrivals ...

To Mr. and Mrs. Bill Rose Jr. was born their second child and daughter in a Fort Stockton hospital on Thursday, October 5. Her name is Nan and she weighed seven pounds and 10 ounces.

Mr. and Mrs. Philip Hanson and daughter were weekend visitors in Uvalde with his parents, Mr. and Mrs. Adolph Hanson. They took Mrs. Hanson back to San Antonio and she will be an out-patient there for the next two weeks for X-ray treatments.

SP/4 Johnny Mather of Marathon is the champion calf roper of the European Rodeo Association. The son of Mr. and Mrs. Bubba Mather of Marathon, Johnny is stationed at an Army post in Frankfurt, Germany. This picture, by SP/\$ Larry Miller of San Antonio, was taken in Munich Germany. Johnny tied this calf in 12.9.

Sid Slaughter, Area Ranchman, Interred Monday

Sidney E. Slaughter, 67, longtime West Texas ranchman, died Friday afternoon in a San Angelo hospital.

Graveside services were on Monday in San Angelo with burial following.

He was born April 30, 1905, in Webbers Falls, Okla., and came to Texas when his father, W.L. Slaughter, and his uncle, N.D. Blackstone, began to acquire ranch holdings in West Texas. Those holdings included the Ketcham Ranch in Terrell and Pecos counties and the Gray Ranch in Pecos County.

He attended West Texas Military Academy in San Antonio, then returned to Pecos County to go into ranching.

He was married to Augusta Hartgrove July 11, 1928, in San Angelo. He ranched continuously until his retirement about three years ago due to ill health. He had acquired ranches in Brewster and Culberson counties, and was a trustee of the Shannon Estate.

Survivors include his wife; a daughter, Mrs. John E. Foster of Dallas; a son, Lon Slaughter; a brother, William L. Slaughter, and a sister, Mrs. Gordon Nowell, all of San Angelo, and six grandchildren.

STUDENT MINISTER WILL PREACH TO PRESBYTERIANS

John Strange, a senior student at Austin Presbyterian Theological Seminary, will be in Sanderson to preach at the First Presbyterian Church Sunday morning at the regular worship hour - 11:00 a.m. to noon.

His wife will accompany him on the trip.

Mr. and Mrs. Walter Armstrong and daughter, Downie, of San Antonio, were weekend visitors here with her parents, Mr. and Mrs. W.G. Downie.

Brian Montague Dies in Del Rio

Judge Brian Montague of Del Rio, 80-year-old former judge and district attorney of the 63rd judicial district, and attorney of Del Rio, died Thursday morning in a Houston hospital where he had been under treatment. Mrs. Montague was with him at the time of his death.

Judge Montague had been in failing health for some time and had undergone several operations in Houston.

Private funeral services were held in Fort Worth.

A veteran of World War I, Judge Montague attended Second Officers Training School in 1917 at Leon Springs, and was commissioned a second lieutenant. He served overseas and had a highly commendable war record.

He studied at St. Louis College in San Antonio for his pre-law work and received his degree from the University of Texas School of Law in Austin.

He served as district attorney in Alpine in 1924 and he first moved to Del Rio in 1925. He became associated with Cliff Belcher in the firm of Belcher and Montague and shortly thereafter moved to San Angelo. There he was associated with Judge John F. Sutton in the firm of Sutton and Montague.

He returned to Del Rio from San Angelo and in a bitter and close campaign in 1932 he was elected judge of the 63rd Judicial District. He assumed that office in 1933 and continued as district judge until he resigned in November, 1946, to be succeeded by the late Judge Roger H. Thurmond.

Since his retirement from the bench, he has practiced law in Del Rio.

Judge Montague was widely known as a land attorney and as a jurist. He had the reputation of being an eloquent and persuasive speaker and as a raconteur, drawing on his extensive experiences in the courtroom and as an attorney.

Mrs. Eve Whistler Buried Thursday

Rev. Jimmy Wilson, pastor of the First Baptist Church, Alpine, officiated at graveside rites here for Mrs. Eve Whistler last Thursday afternoon when she was buried in Cedar Grove Cemetery. The Sanderson Chapter, Order of Eastern Star, also held graveside rites.

Mrs. Whistler died in her sleep Monday night in a Big Spring hospital where she had been a patient for a week. Janes Funeral Home of Ozona was in charge of arrangements and brought the body to Sanderson Wednesday.

Pallbearers were G.W. Kyle, Irvin Robbins, W.G. Shoemaker, F.G. Grigsby, O.D. Gray, and V.B. Brown of Brackettville.

Out-of-town relatives here for the funeral were her daughters, Mrs. James Thomas, with her husband and children, Kay, Brenda, James, Debbie, Wade, Bobby, and Darcy of Pecos, and Mrs. Brad Ross, with her husband and daughter, Shelly, of El Paso; her sons, Terry Whistler, of Nacogdoches, and Louis Whistler, with his wife and son, Neal, of Austin; her sister, Mrs. Lloyd Mann, and daughter, Rebecca, of Houston; her brother, Phil Avant, with his wife and children, Phyllis and Benjamin, of Monahans; Mr. and Mrs. J.J. Whistler and daughter, Mrs. Jack Babb, of Del Rio; Mr. and Mrs. Jimmy Loden of Adamsville; Mrs. V. B. Brown of Brackettville; Mrs. John Bell and her son and daughter-in-law, Mr. and Mrs. John O. Bell, of Valentine; Mr. and Mrs. R.E. Edwards and daughters, Meg and Sue, of Fort Stockton.

Mrs. Whistler was the widow of the late Clyde Whistler, who with his son, Jack, was killed in a plane crash near Dryden in 1968. They were long-time Sanderson residents.

Miss Gailia Coker of Midland visited with friends here last weekend.

Commissioners Hear Requests Of Citizens

The Terrell County Commissioners' Court had two visitors Monday of this week at their regular meeting. Mrs. E.E. Harkins Jr. appeared on behalf of the Sanderson Culture Club asking for the cooperation of the court in that organization's drive for a clean-up campaign in Sanderson. C.B. Card, school superintendent, appeared to seek cooperation of the court in an effort to more closely control traffic near the schools, particularly when the schools are dismissed for noon and in the afternoon.

The schools gave affirmative action to both pleas, according to County Judge R.S. Wilkinson.

Concerning the request for closer traffic control, Judge Wilkinson stated that Texas Highway Patrolman Tommy Lowrance was called in for advisement and asked to work out some plans for the posting of traffic control and safety devices and also to cooperate in the enforcing of the laws governing the traffic. The danger to school children was pointed out by Mr. Card and an appeal was also made to all drivers to observe extreme caution when driving near the schools during those times when the students are to be crossing the streets or walking in the streets to and from school.

There was also some discus-

sion by the commissioners on the status of the project of securing easements for the flood control project on Sanderson Canyon, and progress is continuing, according to the county judge.

Tennis Courts Being Built

Lewis Thomas of Kimbell Concrete in Fort Stockton was awarded the contract for the construction of two tennis courts and backstops on the school ground west of the existing courts, according to Supt. C.B. Card.

Work began last week in the preparation of the ground for the pouring of concrete which was accomplished this week. The two new courts will be three feet further north than the existing courts and the backstops will be moved back to allow more room between the courts and the backstops.

The construction of the tennis courts was included in the bond issue approved by the voters of the county along with the construction of the new junior high school.

Mr. and Mrs. W.H. Taliaferro left Friday for Fort Worth to visit with friends and relatives.

Mrs. Ruel Adams, who had been a medical patient in a Fort Stockton hospital for 10 days, was taken to Odessa on Wednesday for further tests and examinations.

Hudson Kerr is shown with the female hawk which he has reared from a small chick. The bird is now about five months old and is completely dependent upon the young man for food.

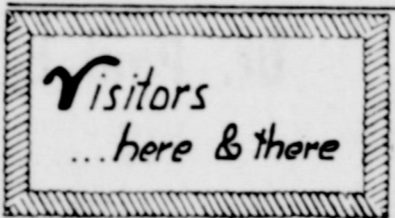

Hudson is a senior in Sanderson High School and the son of Mr. and Mrs. Edward Kerr.

Hudson stated that he got two hawk chicks from a nest on a windmill tower on the Jack Shely ranch. He had gone to the ranch with his father who was working on a pump in a well. Both of the birds developed well and steadily and the male bird left soon after learning to fly. The bird in the picture, a female according to Hudson, has made no effort to leave the premises.

Monday afternoon at the picture-taking session and interview, Hudson wrapped the tow-sack around his arm and picked up a can of dog food and walked into the old well-house. The hawk was on a shed in the lot and immediately flew into the well-house

where he is normally fed. The bird showed no signs of nervousness when Hudson picked her up and she posed willingly. Hudson said that her natural grip on his arm would cause the talons to break the skin if he did not use the burlap.

When eating, the hawk hovers over her food with outspread wings and regularly and frequently gives a shrill call. Hudson said she protects her food very physically. We believed him!

Mrs. Pat Mott took her son, Bill, to Fort Stockton Monday for medical treatment. Mrs. Ben Martin went with them.

Mrs. Lee Blackburn of Big Spring was a weekend visitor with her brother-in-law and sister, Mr. and Mrs. Mark Duncan.

Joe Kerr and his son, Neal

Kerr, of Del Rio, former residents, visited here Monday with Edward Kerr, his brother.

Mrs. Coleman Stadler was brought home Saturday from a Fort Stockton hospital where she had been a medical patient and she continues to make satisfactory recovery.

Mrs. John Sandifer returned home Friday from an Alpine hospital where she had been a medical patient and is convalescing satisfactorily.

Rev. and Mrs. Richard White and Mrs. H.E. Ezelle attended the workshop for Expo '73 in Alpine Saturday.

Rev. and Mrs. Richard White visited with her aunt in Seagoville the first of the week.

Mr. and Mrs. C.J. McAughan of Houston were in Sanderson the first of the week looking

after business interests.

Barbara Turner, daughter of Mr. and Mrs. Jim Turner of Laredo, former residents, is reporter for the Future Homemakers of America chapter there.

Mrs. L.H. Gilbreath received word Tuesday of the death of her oldest brother, Clarence A. Word, of San Antonio. He was a victim of cancer. Funeral services and burial were in that city Thursday and Mrs. Gilbreath went to Odessa to fly from there with another brother and attend the funeral services.

Mr. and Mrs. Charles Stavley were in Las Cruces, New Mexico, for four days last week to attend a seminar and also to look after business matters. Her mother, Mrs. W.M. Siegen

thaler, of Artesia joined them there for a visit.

Miss Diana Logan of Borger was a weekend guest with Miss Rosalie Kerr in the home of her parents, Mr. and Mrs. Edward Kerr. The young ladies are room-mates at Texas Tech University.

Students here from Angelo State University last weekend were Damon Harrison, Randy Louwien, Pat Mott, Lloyd Goldwire, Blain Chriesman, Bob Murrah, and Miss Candace Cooksey.

Bill C. Cooksey, who is residing in Odessa, spent last weekend with his family here.

Mr. and Mrs. Manuel Parada Jr. of Alpine visited here last weekend with their parents, Manuel Parada Sr., and Mrs. Ramona Olivares.

Making It Work!

By Elliot L. Richardson
Secretary of Health,
Education, and Welfare

Something has gone terribly wrong with the way we try to help our fellow Americans. It isn't that we don't care. And it isn't that we don't try. One of the very best things about this country is that we have never lost that willingness to lend a hand when a neighbor is down or hurt and honestly can't help himself.

But more than time separates us from the day when helping out meant rebuilding a man's barn. It's gotten a lot more complicated. The person needing help today might be an isolated old person, without friends or family; or a child in an inner-city slum. His needs are likely to be many and interrelated--things like the wrong kind of food or not being able to read or write, or a crippling disability or alcohol or drugs--all compounded by a sense of complete hopelessness. And these problems can get tangled together in one person like a ball of fishhooks.

It's a situation which crept up on us over the years. As things got more complicated we kept trying to take them apart and make them simple. What happened was that as people's problems became more complex, we began producing specialists in problems but very few specialists in people.

Take HEW, for example: eight of every 10 of the men, women or children who need help from us need more than one kind of help. But we go at the job "program by program." We take people apart and try to make them fit into all the various Titles and Acts of Federal law. This approach has never worked well and today, when awareness of human problems is so acute and when so many potential solutions are at hand, it has become tragically inadequate.

HEW is responsible for more than 270 specialized programs of human assistance administered by dozens of State and local agencies. Human beings get lost in the process, if they can get in it at all.

Today people are demanding a change. Proponents of change include the people in my Department, social service workers, health and education specialists, government leaders, and people in need. They all agree we have to go back to viewing people as whole individuals and treating them in a way which eliminates waste and duplication and still gets the job done.

The problem does not lie entirely or even principally with the professionals who are trying to help. The doctors, the teachers, the social workers who work within the system are frustrated by it, and the better and more caring they are, the more frustrated they are. The problem is the system--the laws, the rules, the regulations, the traditions which have grown up over the years until they have become an impenetrable thicket. It's the system we must change.

I would commend one proposed solution for your consideration. It is a beginning. HEW has sponsored, and the President has introduced, a new law called the Allied Services Act. It would take this approach:

It would help States and local communities pay the costs of developing total and systematic approaches to the delivery of human services.

It would give Governors the authority and the tools to lead the way in building strong State-wide service systems.

It would encourage State and local agencies to develop new approaches for linking up diagnosis, referral, treatment and followup. And it would pull together the front office management of social services to make it more effective and less wasteful.

Specially aimed at HEW's vast array of "pro-

grams," it would allow States which have done the necessary planning to shift up to 25 per cent of HEW funds out of the old narrow specialized channels to match them up with local resources and local needs.

We have learned a lot about how to help our fellow citizens. We have created useful agencies, institutions and programs to work on problems. But to really help people get back to independence we have to get these specialized agencies and programs to work together to treat the whole person.

The Allied Services Act is one proposed solution. It is not the only one or the final

one. But as the Congress, the Federal Government and your State and local governments approach this complicated and important problem in the next few weeks and months, I would hope that all of you as concerned citizens will study the issues involved and insist that we begin the job of repair and reconstruction. It is too important to be left to specialists.

Steve Litton of Angelo State University was a weekend visitor with his mother, Mrs. Gene Litton. He brought Miss Corinne Nielsen, who is an ASU student, and she was a house guest in the Litton home.

Mrs. Irvin Robbins took Mrs. Louise Causey and her guests, Mr. and Mrs. E.R. Black, to Odessa Monday and the visitors left for their home in Moore Park, Mich.

DR. LOCKHART TO BE HERE FRIDAY EVENING

The Times was told that Dr. W.E. Lockhart of Alpine would be at the Trans-Terrell Medical Center Building at 7:00 p.m. Friday to see patients.

Mrs. C.P. Peavy returned home Sunday from Amarillo after taking her aunt, Mrs. Jettie Smith, to her home. Mrs. Smith, a sister of Mrs. J. W. Espy, of Fort Davis had been visiting there, coming for Mr. Espy's funeral.

Tire Registration Is New Law

This fall could be remembered as "the season of the great registration." While millions of young people are registering to vote for the first time, millions of motorists are being reminded to register their new tires.

Recent federal safety regulations require everybody who sells tires to record the name and address of the purchaser, along with the serial number of the tire.

"Once the dealer has this information, he will forward it to the manufacturer," says Ross R. Ormsby, Chairman of the Tire Industry Safety Council. "In the unlikely event a defect is later discovered in similar tires, the owner will be notified by certified mail."

"We urge all motorists to make sure the seller's registration records are accurately completed for the purchaser's own protection," Ormsby added.

"Tire manufacturers are doing their part to make the system work, but we must have the cooperation of tire purchasers, retailers, and everybody else in the chain of distribution."

Tires manufactured before May 22, 1971, some of which are still being sold, do not require registration.

The latest identification number will appear on the tire's sidewall, and would read something like this: DOT CKL9 ABC362.

"DOT" means the tire meets or exceeds Department of Transportation safety standards. "CK" is the code assigned by DOT to the manufacturing plant. "L9" is the tire size, in this case G78-14. "ABC" is a group of up to four symbols, optional with the manufacturer, to identify the brand, construction, design or other significant characteristics of the tire. "362" means the tire was made during the 32nd week of 1972.

David Mitchell and Herman Couch made a business trip to Eldorado Friday.

When people want to know... Four out of five read a newspaper as the "best way to find out" — for everything from political news and convention hoopla to community happenings.

There are still a few of the Terrell County Cookbooks available, \$2.75 each. We will mail one for you for \$3.00. See at The Sanderson Times.

DON'T WEAR OUT YOUR GOOD CAR on all those little daily errands. Cheap transportation and a real good little car -- 1963 Volkswagen. See J.A. Gilbreath at The Times.

"GUIDE TO SNAKES" USEFUL NEW BOOKLET
 "A Guide to Texas Snakes," one of the most popular publications issued by the Texas Memorial Museum at The University of Texas, is now available in its second printing.

The UT booklet explains how to tell the difference between poisonous and non-poisonous snakes and gives a checklist of Texas snakes.

Copies may be obtained for 75 cents each from the Texas Memorial Museum, 24th and Trinity, University of Texas, Austin, Texas 78705.

PERSONALS

Weekend visitors with Mr. and Mrs. Weldon E. Mangum were their son, Wesley Mangum, with his wife and two children and her parents, Mr. and Mrs. Babe Winn, all of El Paso.

Mrs. Olivia Salinas, Mrs. Cutberto Gonzales, and Mrs. Susano Munoz took their mother, Mrs. Jesus Calzada, to Alpine Thursday for a medical check-up.

Mrs. A.A. Shelton has been in a San Antonio hospital for almost two weeks for the treatment of a coronary condition.

Mr. and Mrs. David Mitchell took their son, Michael, to San Angelo last Wednesday for a medical check-up. He is reported much improved.

Mr. and Mrs. W.D. O'Bryant went to Fort Stockton Friday for him to have medical attention.

Mrs. J.R. Blackwelder returned home Friday from a trip to Warsaw, Ind., where she visited with her son-in-law and daughter, Mr. and Mrs. Buddy Dunman. She was gone for almost a month and also visited with her granddaughter, Mrs. Don Lockridge, and her husband and baby in Milford, Ind., and all made several sight-seeing trips to Lake Michigan and Chicago. She made the trip by plane from Midland and visited there with her son-in-law, J.C. Boyd.

Mr. and Mrs. Mark Duncan and Mr. and Mrs. T.W. McKenzie were business visitors in Fort Stockton Friday.

Mr. and Mrs. William Ezelle of Mobile, Ala., visited here last week with his uncle and aunt, Mr. and Mrs. H.E. Ezelle.

Visitors with Mr. and Mrs. Alfred Bendele and her mother, Mrs. Elma Riley, last week were his sister, Mrs. Annie Mae Crane, of Tilden who is county judge of McMullan County and Mrs. Riley's nephew, Claude Garrett, and wife of Carrizo Springs.

Mr. and Mrs. W.E. deVolin of San Angelo visited here last week with her sister, Mrs. Austin Nance, and Mr. Nance.

Attending the 50th wedding anniversary of Mr. and Mrs. Leo Richardson in Iraan Sunday were Messrs. and Mmes. Vic Littleton, Worth Odom, Sid Harkins, and G.K. Mitchell.

Mrs. Elizabeth Freeman and children, Allen and Scotty, visited her mother, Mrs. G.W. Kyle, and Mr. Kyle last week.

She was accompanied by Miss Rhonda Roberson and Shaun and Shannan Edwards who visited their grandparents, Mr. and Mrs. J.A. Gilbreath. They are all from Odessa.

Mr. and Mrs. Pat Frazier of Breckenridge visited with his sister-in-law, Mrs. Tip Frazier for several days last week.

Mr. and Mrs. N.M. Mitchell, Mrs. L.H. Gilbreath, and Mrs. Ben Martin were in Fort Stockton Wednesday.
