LISTEN TO LUKE

By Albert:---

Dad spent his birthday in the hospital in Fort Stockton after a fall last week while being transferred from his wheel chair to a shower chair. Several stitches were required to close a wound over his eye and he received other facial scratches and bruises. The hospitalization was only for observation. He is back in the nursing home with no other ill effects.

Irion County, which includes the town of Mertzon, made the decision recently for redistricting, leaving Terrell County one of the few that has not yet complied with the state law requiring re-alignment of any precinct has fewer than 100 voters. Terrell County has three of the four precincts with fewer than 100 voters.

According to information in the San Angelo Standard-Times Sunday, the precinct boundaries pretty much followed natural boundaries such as streets, highways, rivers. They also have two commissioners in the same precinct and one precinct without a commissioner, according to the story.

Terrell County does not have the natural boundaries that come into Sanderson, such as that many highways, and no rivers, so section lines or just imaginary lines may have to be utilized to denote precinct boundaries.

Redistricting of Terrell County was promised by the time of the next meeting of the commissioners court on November 12.

It is interesting to learn that we are all a part of the human race!

We all, in our deepest thinking, maybe, like to think ourselves different from other people. And in some ways we all are different. And in some ways we are all so much alike that it is almost incredible!

On some particular commodity or service, we proclaim: "I use so-and-so because it is cheaper." But when buying another similar product or service, we say: "I buy from so-and-so because the quality is so much better." Quality is not a consideration in the first instance, and price is no consideration in the second!

The person who is so "price" conscious on a large number of commodities or services, buys another service or commodity that he knows is no better, but higher, because he likes some person more, or dislikes someone intensely!

Or you can swap the price and the quality, swap the seller, and the buyer, and people -- all of us -- do about what we want to do, and then find some way to justify it!

We are all members of the human race - thank God!

But sometimes, some of us try to act like we don't know that everyone else knows it!

Another sign that we are all a part of the human race, is the fact that we are all bothered by the excessive numbers of flies that are sticking to everything.

W. H. Savage ...life-long resident dies

William Henry (Bill) Savage died at noon Friday in a San Angelo hospital where he had been a medical patient for several weeks.

Funeral services were in the First Presbyterian Church of which he was an elder and a long-time member. Rev. David C. Marx, pastor, was in charge of the "Witness to the Resurrection" service in the church. He was assisted by G.K. Mitchell Jr., who read the scripture from the Old Testament. Following Masonic rites at the graveside, with Graham Childress, master of the local lodge, presiding, burial was in Cedar Grove Cemetery. The Janes Funeral Home of Ozona was in charge of the arrangements.

Pallbearers were Sid Harkins, Herman Couch, W.G. Downie, C.C. Mitchell, Jolly Harkins, John T. Williams of Fort Davis, R.S. Wilkinson, and John Burchett.

Mr. Savage was born July 21, 1895, in Eldredge, now Mofeta, and came to Sanderson as a small child with his parents and lived here the remainder of his life. He was married to Sybil McKee on November 1, 1923, and tentative plans had been made for the celebration of their golden wedding anniversary when he became ill.

He was a veteran of World War I, a life member and past master of the local Masonic Lodge, a past commander of the American Legion, served on the board of trustees of the Terrell County schools several years. He retired in 1960 as a passenger conductor after working on the Southern Pacific Railroad for 49 years.

Besides his wife, he is survived by two sons, W.H. Savage Jr. of Richardson and Jack M. Savage of Westminster, Colo.; and 10 grandchildren.

Eagles Edge Marfa 7-0 Last Friday, Homecoming Friday Night Here

The Sanderson Eagles, playing without three of their starting players, edged the Marfa Shorthorns 7-0 there Friday night of last week. Kendall Billings was out with a head injury, Bill Mott had a severe bruise, and Danny Montalvo had an injured ankle. Jimmy Davis was moved from center to the backfield, Kevin Phillips, who had alternated with Mott, had the stellar job, and David Carter, reserve center, saw full-time action there.

Sanderson's lone touchdown was in the second period on a 3-yard plunge by Davis and Mott kicked the extra point. He also did the punting, but was not in the game at other times.

Statistics reported by the coaching staff, Willie Myers, Steve Burleson, and Tommy Gray, included the following: Sanderson led in 1st downs 21-8; net yards 311-115; passing yards by Sanderson were 23, with 3 of 11 completions and Marfa completed 3 of 7 for 36 yards. Each team intercepted 1 pass and Mott's punts were 3 for 35-yard average, with Marfa punting 5 times for 35-yard average. Sanderson was penalized 4 times for 50 yards, and Marfa received 4 penalties for 60 yards.

The Eagles will host the Iraan Braves Friday night in a home-coming fray.

Jr. Eagles Stomp Marfa 34-0 Here

The Sanderson Junior High School Eagles stomped the Marfa Junior Shorthorns here Thursday afternoon of last week. The score was 34-0. It was the second meeting of the teams this year, the first ended 24-21 in favor of Marfa.

Sanderson received the opening kick-off and the run-back to the 1-yard line set up the first touchdown by Oscar Galvan and the try for the extra point was no good. Frankie Flores scored three more in the first half with Galvan kicking all the extra points. Flores ran for 41 yards in the fourth period for the final score with Galvan adding the extra.

Flores had the offensive honors, according to Coach Larry DeVasto, by making 146 yards on 11 carries, and 72 on passing receptions. Sanderson had 13-6 edge on first downs, going 243 yards on the ground and 104 in the air. Marvin Davis was quarterback for the Eagle attack.

The junior high team will play their last game Thursday in Iraan.

Randy Louwien and Bob Murah attended the homecoming at Angelo State University last weekend. The young men are not attending the university this semester.

Thoughts
 From The Living Bible

I will praise you, my God and King, and bless your name each day and forever. Great is Jehovah! Greatly praise him! His greatness is beyond discovery! Let each generation tell its children what glorious things he does. I will meditate about your glory, splendor, majesty and miracles. Your awe-inspiring deeds shall be on every tongue; I will proclaim your greatness. Everyone will tell about how good you are, and sing about your righteousness. Jehovah is kind and merciful, slow to get angry, full of love.

CITIZENSHIP DAY

"The good citizen is the man who, whatever his wealth or his poverty, strives manfully to do his duty to himself, to his family, to his neighbor, to the State; who is incapable of the baseness which manifests itself either in arrogance or in envy, but who while demanding justice for himself is no less scrupulous to do justice to others," said President Theodore Roosevelt.

President Dwight D. Eisenhower put it in another way: "Patriotism means equipped forces and a prepared citizenry. Moral stamina means more energy and more productivity, on the farm and in the factory. Love of liberty means the guarding of every resource that makes freedom possible—from the sanctity of our families and the wealth of our soil to the genius of our scientists. And so each citizen plays an indispensable role."

And one way in which every American adult can publicly demonstrate his citizenship is to register and vote in the November election! This is the fundamental test of a good citizen.
