

**Seniors Will Present
'Pride And Prejudice'**

We must correct slightly a statement we had in last week's paper regarding past district championships won by Friona boys teams.

Bob Roden, now of Littlefield, pointed out that we stated that the 1944-45 Chiefs finished second in the district tournament, an achievement which allowed them to go to the regional meet. Actually, that was apparently the case the previous year, since the '44-'45 team won district outright.

The senior class of Friona High School will present its production of "Pride and Prejudice" in separate performances Friday and Saturday nights at 8 p.m.

"Pride and Prejudice" is the story of the Bennetts, an English family, and their family of five daughters. Mrs. Bennett, played by exchange student Brenda Hawker, who tries to

marry her daughters to every young man who visits the home. Mr. Bennett is played by Dennis Howell, Elizabeth, the independent daughter, is played by Julia Dennis, Jane, the gentle daughter, is portrayed by Sheryl Long, Jeanne Taylor plays the bookish daughter, Mary, Lynn Wilson plays Catherine, the fretful daughter, and Nan Lillard plays Lydia, the flirtatious daughter.

Other characters include Ronnie Brookfield, who plays Mr. Collins, a pompous young clergyman, Larry Buckley, who plays Mr. Bingley, a friendly young man, and Shirley Phipps, who plays Miss Bingley, his haughty sister.

Neel Lyles portrays Mr. Darcy, a proud young man, and Ann Prewett plays Lady Catherine De Bourgh, Darcy's overbearing aunt. Lady Lucas, a neighbor, is played by Pat Burton, and her quiet daughter is Karen Osborn. Jim Snead plays a young police officer, while Doug Dodd is cast as Hill, the Bennett's butler.

The setting for the play is the Bennett home in Hertfordshire, England, around the year 1800.

Student director is Donna Fulks. Stage managers are Chris Tannahill and John Taylor. Mal Manchec and Joy Morton are faculty sponsors.

Other students on the production staff include Danny Murphree, Keith Black, Jim Snead, Milton Hargus, Merylene Masie, Sharon Dean, Natalie Maruffo, Roscoe Parr, Darrell Collier, Linda Davis, Carol Struve, Janice Cunningham, Glenda McClellan, Jonelle Wood, Teto Jennings, Jack Clark, Jerry Cass, Linda Rector, Kay McBroom, Shirley Hutson, Becky Ballis, Janell Daniel and Elizabeth Drager.

Curtain times for both the Friday and Saturday performances is 8 p.m. Admission is \$1 for both reserved seat and general admission tickets.

HOLD YOUR TONGUE. . . Neel Lyles, who plays Mr. Darcy, squares off against his overpowering aunt, played by Ann Prewett, as she interferes with his relationship with Elizabeth Bennett, who is played by Julia Dennis. The scene is from "Pride and Prejudice," to be presented Friday and Saturday by the Friona senior class.

TO BUILD

Jaycees Announce Plans For Community Center

The Friona Junior Chamber of Commerce announced this week plans to begin a drive to finance the building of a community center for Friona.

The organization's Board of Directors met Monday and gave the okay to proceed with the drive after a preliminary investigation by club members showed that there was sufficient

interest to undertake the project.

Plans are to build at least a 40 by 100-foot building, which could be used for everything from youth and community activities to a show barn for the Farmer County Junior Livestock show.

The club plans to have a 32-foot partitioned room at the front of the building, which

would be big enough for small banquets and meetings. It is planned to include kitchen facilities in the building.

The large part of the building would be adequate for conventions, youth activities and could house at least the swine and sheep portion of the annual stock show.

Friona's Jaycees plan to hold various projects to help finance

the cost of the building, but stress that the majority of the money will necessarily come from contributions from the public.

"There will be no financing or borrowing on the entire project," the Jaycees state.

It was pointed out that names and addresses will be taken on all contributors of \$5 or more.

(Continued on Page 6)

Man's Death Probed; Exposure Is Blamed

A.T. Reed, 48, a colored male, died apparently from exposure early Sunday morning in a Friona street. At least three city residents were aware that Reed was lying in the street at Fourth and Prospect, but failed to summon aid in time to help.

Patrolman Travis Clements, who investigated after a call was received by Police Chief Bill Morgan about 8 a.m. Sunday, stated that Reed evidently died between 7:30 and 8 a.m. The officer stated that Lola

Bowling Family...

Four generations of bowlers are depicted in this shot taken while a Friona family prepared to bowl a game at the local lanes. From the left are Sheri Rector, who at six is the youngest of the bunch, Mrs. Lloyd Rector, Lillian McLellan and Mrs. A. H. Boatman, who at 75 is "just beginning" to bowl. The picture was made on the occasion of the first time out for Lillian and Mrs. Boatman. Sheri has bowled for some time, and Betty Louise is an accomplished bowler, serving as instructor at the local bowling establishment.

CHIEFS, SQUAWS

Bi-District Plans Given For Teams

Bi-district playoff plans for the Friona Chieftains were worked out Tuesday night, completing the arrangements for both the Chiefs and Squaws for their playoff games.

The Chiefs will meet Denver City, champions of District 4-AA, at Whiteface next Tuesday night (February 23). Game time is 7:30. The Whiteface gymnasium is said to have a good seating capacity of at least 2,000.

(For those who haven't been to Whiteface, you travel state highway 214 south to Morton, and turn east. It's 77 miles, according to the road map, from Friona.)

The Squaws had scheduled their bi-district match earlier, and it is set for Monday, March 1 at Plainview, starting at 7:30. Slaton is the District 4-AA champion for girls.

For the Chiefs, it's their first bi-district venture since the interscholastic League adopted the bi-district as a first round regional playoff game in the early 1950s.

Coach James Anglin states that Denver City, whom he saw play Tuesday against Morton, will be a formidable opponent. The Mustangs, who are winning district for the third straight year, doesn't have hardly as good a season record as Friona, and their district record of 7-1 was similar to Friona's 9-1 in District 3-AA.

Denver City has at least as much height as Friona, Coach Anglin says, with a couple of boys who may be a little taller than Larry Buckley.

"They are a pressing team, and they like to fast break. They press constantly, and run

(Continued on Page 6)

STREAKS ON LINE

Chiefs, Squaws Play Last Home Contests

The Friona Chieftains and Squaws will play their last home game of the 1964-65 season tomorrow night, and besides offering fans a sure thing as far as good basketball is concerned, there are several side issues at stake.

Starting off the evening at 7 p.m. will be a battle between two of the top-rated girls teams in the state. The high-flying Roosevelt Eagles, unbeaten in 35 games this year, will battle the Squaws.

In the second game of the night, the Chiefs will dip down into class B once again to meet District 6-B champion Anton in a warmup game. Last Monday

the Chiefs edged Anton's bi-district foe, Nazareth, 41-39.

For the side issues, most of them affect the Squaws, although some affect both teams.

First, in all likelihood the games will be the last regularly-scheduled high school games to be played in the present gymnasium, as the new gymnasium is scheduled for completion in time for next season.

Thus, members of each team will be wanting to close out play in the friendly confines of the old gym on a winning note. This probably will be especially true of the senior players.

Next, the Squaws will be out to protect their winning streak at home, which now stands at 21 straight games and stretches over three seasons. The last time the Squaws lost at home was on February 1 of 1963, when Tullia slipped up on the team, 56-55 in a non-conference game. It was the Hornets' only win over the Squaws in five games that year. In their next meeting at the regional tournament, Friona won, 82-80.

Next, the game will mark the first encounter between the Squaws and Roosevelt this year, after considerable discussion of a meeting of the teams in the

Census Reveals 1325 Students

Superintendent of Schools Alton Farr announced this week that the annual census taken in January had counted 1325 students in the school system for 1965-66. Of this number, 122 are first-graders.

Last year's census included 1291 students, of which number 108 were first-graders. The current census was an increase of 31 over last year.

WALKING BLOODBANKS. . . Members of the Friona Junior Chamber of Commerce are cooperating with Farmer County Community Hospital by typing their blood and leaving cards with their names and addresses on file. Club members are, from the left, Roy Young, Glenn Reeve, Jr., and Monte Fowler, shown being told about blood types by Mike Pavalus, lab technician at the hospital. The club plans to make the project a continuous affair.

Owen Receives Insurance Award

Joe Owen, Farm Bureau agency manager for Farmer County, received the District I best fire and casualty agent award at an awards banquet held recently at the Coronado Inn at Amarillo.

Owen is also a member of the Farm Bureau Round Table, and received the Red Coat, which is awarded for life insurance sales. He qualified as a Round Table member for producing in excess of \$500,000 of life insurance during 1964.

Last week we spoke of Friona beating the Amarillo Sandies in the finals of the district tournament in 1936. Pudge Kendrick, an old "Sandie," tried to tell us that good 'ole AHS didn't lose to Friona that year.

However, we're here to state that Uncle John White didn't print rumors in those days, just like we try not to do today. Several fans who followed the team that year remember beating Amarillo, not once, but twice, just like the Friona Star of 1936 says.

We hate to rub it in, Pudge, but the story is that Amarillo was to have returned a home-and-home affair with the Friona boys that year, but after the Chiefs had downed Amarillo 33-20 on the Sandies' home court, they never did get around to returning the game at Friona.

As I have figured, though, all this happened a couple of years before Pudge was a senior at Amarillo, so you can't lay any of it off on him.

At any rate, whether knowingly or unknowingly, he saw the wisdom of being on the winning side, so for several years has been a Friona booster.

Luckily, the two teams don't play each other any more, so the question of loyalty doesn't have to come up.

The Chiefs and Denver City are getting an opportunity to meet this year after all. Many people thought Friona should have had the chance to play the Mustangs in bi-district in football, thinking the Chiefs were better than Floydada despite their 7-6 loss to that team.

Well, Denver City repeated its championship in basketball, and this time Friona prevailed, so next Tuesday the two schools will meet after all, in the indoor sport.

Importance Of Wills Stressed In Lecture

Warren Conner, local attorney, was guest speaker at the Thursday evening meeting of Friona Young Homemakers in the school cafeteria. Topic of his lecture was "The Importance of Wills."

David McVey, vo-ag instructor in Friona High School, outlined plans for organizing a Young Farmers group and asked interested men to contact him for further details.

During the social hour refreshments of pie and coffee were served by the hostesses, Mrs. Jerry London, Mrs. Larry Moyer and Mrs. O'Neil Greeson.

Guests were Mrs. David Edgington, Mrs. Bill Sheehan, Mrs. Stanley Benge and Mrs. Warren Conner.

Others attending were Messrs. and Mesdames Dalton Caffey, B. D. Broyles, Larry Fairchild, V. R. Wilcox, Darrell Thompson, Jimmy Mabry, Harold Balls, Burke Hand, Max Self, Eugene Bandy, Leon Massey, and W. D. Buske.

Also O'Neil Greeson and Jerry London.

Next meeting of this organization will be at 4 p.m., February 18 in the homemaking department of the high school. A report on the state convention will be presented by Mrs. O'Neil Greeson, Mrs. Leon Massey, Mrs. Jimmy Mabry, Mrs. Ted-

dy Fangman and Mrs. Dalton Caffey.

Members of Friona's Future Homemakers of America chapters of America who are working on state degrees will present the program.

Seven Attend Club Meeting

Seven members of Lazbuddie Home Demonstration Club were present for the Monday afternoon meeting in the home of Mrs. Glenn Lust.

A program on household cleaning was presented by Mrs. Everett McBroom and Mrs. Clayton Graef. Highlight of the program was the following statement.

"The easiest way to clean pots and pans is not always the best way. Cleaners containing harsh abrasives may cause pits in aluminum and stainless steel. Josephine's way of cleaning sinks may damage the sink."

Next meeting of this organization will be February 22.

Mr. and Mrs. Bill Stephens and son, Mike, and Karen Temple visited in the home of Mrs. Bob Harper and children in Amarillo Sunday.

Of Interest To THE WOMEN

Pat Floyd Weds Floyd Wilkins

In a double ring ceremony January 30 at 6 p.m. Pat Floyd became the bride of Floyd Wilkins, C. J. Horton, minister of Sixth Street Church of Christ, read the vows before an arrangement of greenery in the reception room of the church. Parents of the couple are Mr. and Mrs. Cecil Floyd, Route 2, Friona and Mr. and Mrs. Joe Wilkins, Olivehurst, Calif.

Attendants were Mrs. Larry Crow, Lubbock, sister of the bride, and Waymon Wilkins, brother of the groom.

The bride wore a street length dress of white velveteen designed with a fitted bodice and bell shaped skirt. She carried a bridal bouquet of pink carnations centered with a corsage of white roses tied with white satin streamers.

Wedding guests were Mr. and Mrs. Cecil Floyd, Mrs. Ethel Adams, grandmother of the groom, Mr. and Mrs. Waymon Wilkins, Larry Wilkins and Neil Floyd all of Friona and Mr. and Mrs. Larry Crow and Carolyn Thomas, Lubbock.

Following a wedding trip to San Antonio and Corpus Christi, Mr. and Mrs. Wilkins are at home at 1209 Washington Street. She is a former employee of Plains Publishers and he is employed by Adams Drilling Company.

Flags Of America Studied At Meeting

At the Wednesday afternoon meeting of Friona Woman's Club at Federated Club House the program topic was "Flags of America."

The quotation around which the program was planned was, "The one flag, the great flag, the flag for you and me. Lay aside all else besides the red, white and blue." Roll call was answered with a point in correct flag etiquette. Those present then repeated

the pledge of allegiance in unison. The Viking flag and Spanish flag were discussed by Mrs. L. F. Lillard, Mrs. A. H. Boatman presented a talk on the pine tree flag and the rattlesnake flag. The first stars and stripes and Old Glory were discussed by Mrs. Joe Moyer. "Can We Wave The Flag Too Much?" was the title of Mrs. O. F. Lange's talk.

During the business session plans were made for the district convention, which will be held here. Mrs. O. F. Lange was elected delegate and Mrs. Carl Maurer was elected alternate. Fourteen members and two

guests, Mrs. Esther Mae Burns, Des Moines, Iowa, and Jana Sue Robertson, Friona, were present.

Valentine Supper Honors Husbands

Members of Woman's Missionary Society of Friona Methodist Church were hostesses at a Valentine supper in Fellowship Hall of the church Saturday evening.

Red and white decorations were used and during the social hour following the supper games were played.

Those attending were Mr. and Mrs. David Moseley, Mr. and Mrs. Jerry London, Mr. and Mrs. Guy Latta, Mr. and Mrs.

A. W. Anthony Sr., Mr. and Mrs. Ernest Anthony, Mr. and Mrs. H. R. Cocanougher, Mr. and Mrs. Kenyth Cass and Mr. and Mrs. James Boyle.

Also Rev. and Mrs. Russell McAnally, Mr. and Mrs. Howard Love, Mr. and Mrs. L. T. Graves, Mr. and Mrs. A. S. Grubbs, Mr. and Mrs. Billy Sides, Mr. and Mrs. Bill Burnam and Mr. and Mrs. Joe Collier.

Also Mr. and Mrs. Earl Hawkins, Mr. and Mrs. Charles Bainum, Mr. and Mrs. H. L. Outland, Mr. and Mrs. Tom Shelton, Mr. and Mrs. Billy Raybon, Mr. and Mrs. George Jones, Mr. and Mrs. Clyde Fields, and Mr. and Mrs. Ernest Tannahill and granddaughter.

Also Mrs. Gladys Bryson, Mrs. D. K. Jackson and Linda Outland.

It's A Girl For Drakes

Mr. and Mrs. Nell Drake became parents of a baby girl at 7:30 p.m. Wednesday at Deaf Smith County Hospital in Hereford. She weighed 6 lbs. 10 ozs. and was named Loretta Joyce.

Grandparents are Mr. and Mrs. Calvin Drake and Mrs. Ollie Hibdon all of Route 1, Friona.

Loretta is the first child for the couple. Her mother is the former Sue Rodgers.

Friona Nurse Wins Trip To Convention

Mrs. Gladys Wilson, who is currently in Dallas taking a course in anesthesia at Baylor University Medical Center, was recently awarded an all expense paid trip to the state A.A.N.A. meeting in Houston in May.

Papers on various anesthesia subjects were written by students and judged by Harris Hospital Anesthesia Department in Fort Worth. Second place, a trip to the A.A.N.A. Institute at Longview, was won by Betty Royce.

"Vasopressors" was the title of the winning paper.

Mrs. Wilson's daughter, Lynn, is a member of Friona High School senior class and attendance at her graduation would conflict with the Houston meeting. To be able to attend her daughter's graduation Mrs. Wilson exchanged trips with Miss Royce.

Mrs. Wilson, the second nurse employed at Farmer County Community Hospital and has been employed there since 1948 with the exception of one year spent in Montana doing obstetrical work.

She will complete her course in July and plans to return to West Texas.

An independent insurance agent appears like magic when you need him

We are pledged to be at your side almost immediately when trouble strikes.

As professionally trained independent insurance agents, we help you take care of all the details. We make sure you're paid promptly and fairly, because we represent only strong, established companies noted for their fast, fair payment of claims.

To get the kind of protection—for your car, home, or business—that spells peace of mind, call us now. Or drop in—soon.

**Dishman--Hale's Seventh-Week-In-Business
CELEBRATION SPECIAL**

"I'm O. D. Dishman, Used Car Manager at Dishman-Hale Chrysler-Plymouth, Inc. new Chrysler-Plymouth Dealer at 324 East First St. in Hereford.

O. D. DISHMAN

We know nobody likes to shop a used-car lot with a high-pressure salesman breathing down his neck.

We don't have any.

We know a lot of people are leery of used cars because many of them look over-used and over-priced.

Ours are clean, bright and thoroughly reconditioned. We can sleep at night after we make a sale. What about prices?

They're not rock bottom. But they're fair. Still, we know that if you can beat our deal you'll go elsewhere. We're not about to let that happen.

Why not let us show you a great used-car lot in action. Take advantage today of our Seventh-Week-In-Business Celebration Special. 99

\$500 off on all '63-'64 models in stock!

Bridal Shower Fetes Mrs. Floyd Wilkins

A miscellaneous shower in the home of Mrs. J.B. Taylor at 401 Oak at 10:00 a.m. Thursday honored Mrs. Floyd Wilkins, the former Pat Floyd. Refreshments of coffee, hot tea and cookies were served. Hostesses, in addition to Mrs. Taylor, were Mesdames L.D. Pope, Bill Woolley, Glen Stevick, James Proctor, Elvin Wilson, L.R. Hand, L.W. Loanman, Eugene Boggess, Johnny Hand and Truett Johnson.

Those attending and sending gifts were Mesdames Roy Beardain, John Hays, C.L. Lillard, Doyle Cummings, Loyd Shackelford, Steve Struve, Louis Welch, J.M. Watson, Bob Wyly, Harrison Gee, J.P. Sims, Ethel Adams, Otis Neel, C.J. Horton, John Blackburn, Raymond Fleming and Ansel Renner.

Also Mesdames Jim Guinn, Pat Fallwell, J.C. Claborn, Eugene Bandy, Ed Boggess, G.E. Reed, David Grimsley, W.M. White, L.R. McClain, Larry Fairchild, J.F. Miller, Nelson Welch, Clifford Crow, Jimmy Norwood, Jack Clark, Paul Daniel, David Carson, Burke Hand, Orville Houser, James Cunningham and W.V. Elmore.

Also Mesdames W.R. Riethmayer, O.L. McMurtrey, L.P. Davis, Dean Blackburn, John Renner, E.B. Bramson, Tommy Tatum, Richard Perkins, Floyd Brookfield, Pearl Howard and Waymon Wilkins.

Also Kay Neel, Weesie Hand, Diana Taylor and Elizabeth Drager.

TO BE MARRIED. . . Ellen Lee Marlene Rowell, daughter of Mrs. Dale Wortham will be married at 8 p. m. Saturday at University Baptist Church in Lubbock to Arthur Gene Thompson, an employee of Adams Drilling Company. Miss Rowell, a former Friona High School student is attending Isbell Powell's University of Hair Dressing, Lubbock.

**"One Small Candle"
Reviewed At Meeting**

Highlight of the program of the Wednesday morning meeting of the Maggie Hamlin Circle of Woman's Society of Christian Service of Friona Methodist Church in the home of Mrs. H. C. Kendrick was a review of "One Small Candle" by Mrs. Russel O'Brian.

This book is the story of the Mayflower's voyage to America.

Mrs. Mack Bainum introduced a new study, "Death of a Myth." The prayer candle was read by Mrs. Dorothy Hough.

Two new members were accepted into the circle. They were Mrs. Tulon White and Mrs. Jim Grimes.

During the social hour refreshments were served to Mesdames O'Brian, Bainum, Hough, White, Grimes, Deon

Awtrey, Earl Hawkins, Joe Collier, Andy Hurst Jr., A. W. Anthony Sr., Clyde Fields, C. M. Phipps and Howard Ford.

**Sherri Brown
Born Thursday**

Mr. and Mrs. Jerry Brown became parents of a baby girl Thursday, February 4, at Parmer County Community Hospital. She was named Sherri Lynn and weighed 8 lbs. 1 oz.

Her grandparents are Mr. and Mrs. R. V. Brown, Levelland, and Mr. and Mrs. Arthur Drake, Friona. Great-grandparents are Mr. and Mrs. R. E. Brown, Levelland, Mr. and Mrs. Dell Dodge, Byers, Colorado and Mrs. A. O. Drake, Friona.

Sherri has a sister, Jana, 2.

**Orientation
Team Visits
Jaycee-ettes**

Visitors at the Friday evening meeting of Friona Jaycee-ettes was the orientation team from the Canyon Jaycee-ette Club. The group met in the community room of Friona State Bank.

Mrs. Jackie Whitley, vice-president of the Canyon organization was first speaker on the program and related the history of the area Jaycee-ette organization.

Mrs. Meade Michael explained qualifications and duties of officers.

Club membership and aims and purposes of the Jaycee-ettes were discussed by Mrs. Charles Russell, state director. Mrs. Richard Pruett, president, spoke on projects and programs.

Refreshments of spudnuts, cold drinks and coffee were served by the hostesses, Mrs. Monte Fowler, Mrs. Cliff Buckner and Mrs. Don McMahan.

Others present were Mrs. Ronald Smiley, Mrs. Glenn E. Reeve Jr., Mrs. Gerald Shavor, Mrs. Bill Dufur, Mrs. Joe A. Walters, Mrs. Veldon Carroll, Mrs. Robert Zetsche and Mrs. Dale Williams.

Next meeting of the Friona Jaycee-ettes will be February 26. At this time new officers will be elected.

**Milners Note
Anniversary**

Mr. and Mrs. Omra Milner, Tulsa, were honored with a reception in observance of their golden wedding anniversary from 3 to 5 p.m., Sunday, February 14.

Host couples for the occasion were the three sons and daughters-in-law of the honored pair. They were Mr. and Mrs. Raymond Milner, Friona; Mr. and Mrs. Kenneth Milner, Jasper, Missouri; and Mr. and Mrs. Harvey Milner, Tulsa.

**Club Meets In
J. Briggs Home**

The Lazbuddie Bridge Club met Friday evening in the home of Mr. and Mrs. Jimmy Briggs. A buffet supper of salads, chips, dips, pie, cake and coffee was served.

Those attending were Mr. and Mrs. Wayne Moore, Mr. and Mrs. Chuck Smith, Mr. and Mrs. Orville Barnett, Mr. and Mrs. Dub Winders, Mr. and Mrs. Larry Kirk, Mr. and Mrs. Joe Moore and Mr. and Mrs. Ted Trieder.

Mr. and Mrs. Ted Trieder won high; Mr. and Mrs. Orville Barnett won low and traveling and Mrs. Chuck Smith, won bingo.

News From LAZBUDDIE
BY MRS. C. A. WATSON

Members of Lazbuddie FHA entertained with a FHA Best Beau Banquet Saturday night Feb. 13 at Pappie's Cafe at Farwell. The Echo Band from Morton entertained with several musical selections. Guest speaker was Walter Bulice from the First Baptist Church in Muleshoe.

Mr. and Mrs. Charlie Walton and son Wes visited friends in Lazbuddie over the weekend. Walton is former coach at Lazbuddie. He now coaches at Irving, Texas.

Mr. and Mrs. Charles Self from Hereford and Mr. and Mrs. Lynn Cox, Friona fered their mother Mrs. Kenneth Cox with a birthday dinner Sunday of last week.

Eugene Houston is home with his parents, Mr. and Mrs. Raymond Houston.

Wesley Barnes and John Addudel went to Plainview Friday to meet the bus and get the Barnes' daughter, Wynell for a weekend visit here with friends and relatives. Wynell is attending college at Hardin-Simmons in Abilene.

Don Watson 1961 graduate of Lazbuddie High was interviewed over channel 10 TV in Amarillo early Monday morning of this week. Don along with other ROTC boys from West Texas State, Canyon were guests on the program. Don is ranked 1st. Lt. in the Sam Houston Rifle drill team from the Canyon college.

Mrs. Darrell Thompson and son Bobby Friona are visiting her parents Mr. and Mrs. Duane Darling this week while Darrel and his father are fishing at Sugar Lake in old Mexico.

Linda Weaver visited over the weekend in Andrews with her sister and family the Bill Hinsons.

Mr. and Mrs. J. B. Wright visited Saturday and Sunday of last week with their daughter and family the Ray Lovejoys.

C. L. Kay from Lubbock Christian College, Lubbock is guest speaker at the Lazbuddie Church of Christ this week. Services are being held at 8:30 a. m. and 7:30 p. m.

An invitational volleyball tournament will be held at Lazbuddie Thursday, Friday and Saturday March 11, 12 and 13 in the Lazbuddie gym. Teams wishing to enter or individual persons wanting to play may write Box B, Lazbuddie, Texas. The event is being sponsored by the Lazbuddie P-TA. The teams consist of both men and women.

Funeral services were held Friday Feb. 12 in the Lazbuddie First Baptist Church for Chris B. Frye 82, long time resident of the Lazbuddie area.

Last Home Game--
(Continued from Page 1)

Wayland Queens' clinic at the beginning of the 1963-64 season. Roosevelt outplayed the Squaws in the game, but Coach Baker Duggins had never counted the clinic games in his season record. Roosevelt, however, felt like it had beaten the Squaws, who went on from that game to win 33 straight through the state finals.

This year the shoe is on the other foot, with Roosevelt having the perfect record, so they will be the team on the spot, although they still may "have it in" for the Squaws.

The Chiefs don't have any grudges against Anton, although they do have a small winning streak on the home floor. Dahlhart is the only team to down the team at home this year, that coming in the first home game of the season when a last-second basket beat the Chiefs, 50-49. Since then, the Friona boys have won seven straight games at home.

The Squaws will continue their warmup schedule on Monday, going to Sundown to play the Roughettes, champions of their district, and then will go to Roosevelt on Thursday, February 25, to return that game.

Duggins Member Of Professional Men's Group

Baker Duggins of Friona was one of 14 men initiated into the Gamma Xi Field Chapter of Phi Delta Kappa in ceremonies at Wyatt's Cafeteria, Amarillo, Texas, Thursday evening, February 11, 1965. Phi Delta Kappa is an international professional fraternity for men in education, organized to promote the ideals of research, service, and leadership. Largest professional organization of its kind in the world, Phi Delta Kappa has nearly 100,000 members in 243 chapters throughout the U. S. and in Canada.

Only men of special professional promise are invited to join Phi Delta Kappa, whose membership includes most of the educational leaders in America.

Duggins is Director of Guidance at Friona.

Officers in the local chapter of Phi Delta Kappa are: President - Kenneth Waugh, Canyon, Texas; Vice President - J. B. Roberts, Canyon, Texas; Secretary - Don Talley, Amarillo, Texas; Treasurer - John A. Jackson, Amarillo, Texas; Historian - Charles M. Sadler, Amarillo, Texas.

Jaycees--

(Continued from Page 1)

so that in the event the plans to build could not be completed, the money will be returned. However, they state in the same breath, the project is being started with every intention of completing it.

The club figures that at least \$10,000 will be needed to build the type of building they envision. Right off the bat they realize that an even larger building could be used, and plan to either add to it at a later date or build it larger if enough money is secured.

It is planned to build the center on the Jaycee rodeo grounds west of the city on U. S. Highway 60. If contributions allow, it is hoped to begin the building by next September. Plans are being completed by architects.

Those wishing to contribute to the fund may make checks payable to the Friona Junior Chamber of Commerce and mail them to the club.

March Of Dimes Drive Hits '631 In Friona

Friona's annual March of Dimes drive neared a climax this week with the contribution of \$301.45 from the Friona school system representing their March of Dimes projects.

This amount, added to the \$67.50 which was contributed on February 4 at the coffee day, and the \$262.31 brought in by the Mothers' March conducted by the Friona Jaycees-ettes, left the total raised at \$631.26, which is already more than was raised in last year's drive.

About all that remains for the drive will be the collection of coin containers which have been in local stores the past month.

Of the school's total, \$140.75 came from the high school's "Chinese cake auction" held last Wednesday. The junior high (fifth through eighth grades) contributed \$83 to the fund, using their contributions as an admission to the exhibition basketball game put on February 10 between the faculty members and the seniors.

Contributions from the first four grades amounted to \$77.70, which came from the coinvelopes distributed to students.

Anyone wishing to contribute to the drive who hasn't already done so may mail their check to Bill Ellis, local fund chairman, in care of the Friona Star.

Checks should be made payable to the Friona March of Dimes.

Missionary To Speak Friday

Mrs. John B. Abbott, missionary serving at Espanola, N. M., will be the speaker at Calvary Baptist Church Friday, Feb. 19 at 4 p. m.

Mrs. Abbott will also show slides of the Abbotts' work with the Spanish people of the Espanola area. Anyone interested is invited to attend. Girls ages 16 and over, are urged to attend.

BI-District--

(Continued from Page 1)

several different kinds of presses," Coach Anglin said.

The Mustangs also have a couple of hefty players which gives them board strength. One is described as about the size of Friona's Gene Weatherly, maybe an inch taller, and another almost that big.

"They have good bench strength, with three boys who come off the bench and do a good job," Anglin says. He added that the Mustangs like to drive the basket, and did so repeatedly against Morton.

"I feel we'll have to be ready to play them, and if we're 'on' we can beat them" Anglin stated.

Admission to both playoff games will be \$1 for adults and 50 cents for students.

JACK SHIRLEY

County Has One Fatal Accident In January

There were seven rural accidents in Parmer County during the month of January, according to Sergeant W. E. Wells, Highway Patrol Supervisor of this area.

From these crashes resulted one death, four persons injured and an estimated property damage loss of \$930. The fatality was Jack Glen Shirley, involved in an accident January 15.

April 15 is the deadline to have your motor vehicle inspected. During the past five and one-half months only 1,800,000 or 40% of the 4,500,000 registered vehicles in Texas have been inspected. This leaves 2,700,000 vehicles to be inspected in approximately

two months. If the number of uninspected vehicles were divided evenly among the 5,200 official inspection stations in Texas each would have approximately 520 vehicles to inspect in about 40 working days, or 13 vehicles per day. The stations in heavily populated areas will have many more than this average number to inspect. In areas where there are only a few stations you may have many miles to travel.

The Sergeant urges motorists to have their vehicles inspected without delay to avoid the inconveniences of waiting lines.

Remember -- no extension of the Safety Inspection deadline, April 15, 1965.

Lazbuddle--

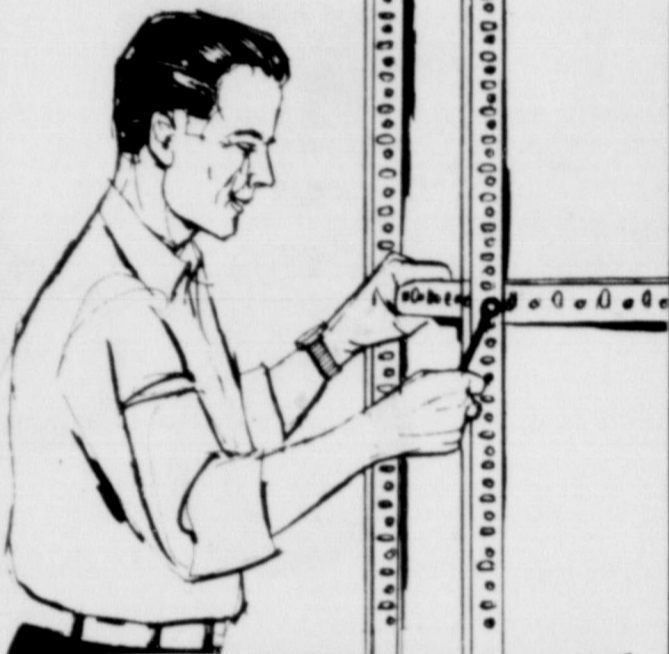

(Continued from page 4)

Rev. Calvin Beach officiated with Claborn Funeral Home of Friona in charge of burial. Interments were in the Bailey Co. Memorial Park. Pallbearers were: Aubrey Jarman; Alton Morris; Sugar Glaze; Clarence Mason; Wesley Barnes and Henry Ivy. Survivors are one son - Douglas Frye, Friona, four daughters, Rubye Taylor, Tulsa; Velma Grisson, Alford, Texas; Lorene Tuckness; Nellie Trotter, Tishomingo, Oklahoma, Lois Miller, Ft. Worth.

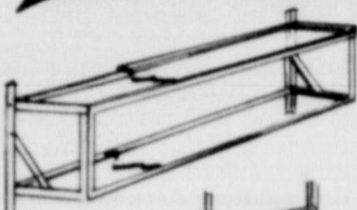

J. H. Clay received word Feb. 4th that his brother, Bill Clay 67 of Quail has passed away that morning in a Memphis hospital. Funeral services were held in Quail Saturday Feb. 6th. Bill Clay had been in bad health for several months.

Springlake Gave Squaws Experience In Pressure

If the Friona Squaws needed experience in pressure-packed finishes, they got it in their game with Springlake here Monday. The Squaws came from a 12-point deficit in the second half to take a 52-48 overtime decision.

The win avenged a 50-38 licking the Tribe had suffered at Springlake last Friday, their fifth loss of the year.

Reserves Cindy Ingram and Janet Rushing responded well to assignments when the pressure was thick, Miss Rushing tied the count at 48-all after Springlake had grabbed the lead in the overtime, and Miss Ingram's two free throws gave the Squaws the lead to stay with 40 seconds left to play.

Meeting Planned

Friona Woman's Country Club Association will have its monthly business meeting and luncheon at the Country Club House Thursday, February 16. Each person attending is to bring a covered dish for the luncheon.

The afternoon will be spent playing bridge and golf.

exhibition, especially at the foul line, that sent the Squaws reeling to the tune of 30-21 at halftime. The home team, meanwhile, couldn't buy a free shot, hitting only one of nine tries.

The Squaws fell 12 points back early in the third quarter, 36-24, before beginning their rally. Teto Jennings and Linda Davis scored baskets to slice the margin to 36-33, and it was Springlake by four points at the quarter's end, 37-33.

Davis' three point play to open the final quarter cut the Springlake lead to one, 37-36, and Jennings' set shot a minute later tied the count at 38-all and ended an uphill battle for Friona.

The Squaws missed opportunities to win the game in regulation play, after Miss Rushing's jump shot had given Friona a 46-44 lead with 1:15 left on the clock.

Friona started a stall, only to lose the ball out of bounds, and Springlake tied the count at 46-all with 20 seconds left. The Squaws worked the ball upcourt for the final shot. Davis passed up a possible layup to give Jennings the opportunity, and her shot bounded away as the buzzer sounded.

Springlake then scored first in the extra three-minute period, but Friona hung on for the win.

The loss left Springlake, District 3-A champion, at 27-5, with three of those losses at the hands of Friona.

In the game at Springlake last Friday, it was a case of nothing going right for Friona, while the Wolverettes could do nothing wrong, especially at the start of the game.

Trailing 6-2 early in the game, Friona called time to regroup. The next thing the team knew, they were trailing 16-2, a 14-point deficit which turned out to be impossible for the team to overcome.

Actually, from the point late in the first quarter until the end of the game, the Squaws were able to outscore the district 3-A champions, 36-34. However, Springlake's quick lead was more than Friona could cope with.

The Wolverettes still had their 14-point advantage at the end of the first quarter, 21-7. They had increased their margin to 15 by halftime, 34-19. The Squaws outscored Springlake, 14-8 in the third quarter, to cut the lead to 42-33.

Friona cut Springlake's lead to eight points early in the fourth quarter, only to see the Wolverettes go into a delay game.

Teto Jennings, holding a 21-point scoring average for the season prior to the contest, managed just 16 points.

What happens when two defensive-minded teams get together? A low-scoring game would be the expected result, and that's exactly what happened here Monday, as the Friona Chiefs edged the Nazareth Swifts, District 5-B champions, 41-39 in a pre-playoff warm-up game.

Nazareth, which saw its eight-game winning streak snapped, was sporting a 36.2 points per game defensive average going into the game, compared to Friona's 42.8 points. The Chiefs scored some five points more than Nazareth's other opponents had averaged, and held the Swifts to about four points below what 20 previous opponents had averaged.

As could be expected in a game like this, both teams sacrificed their scoring averages. Nazareth had been averaging 59.1 points per game going into the contest, so was held to 20 points less than their average by the Chiefs.

Friona scored 17 points less than the 58.3-point average they carried into the fray.

Statistics aside, both teams benefitted from the hard-fought warm-up contest. Except for a brief lead of 7-1 by Friona at the start of the game, it was nip and tuck throughout, with the lead changing hands and neither team able to hold a comfortable margin.

The lead changed hands 12 times during the game, and the score was tied eight times. Danny Murphree gave the Chiefs a lead they were not to relinquish when he hit a set shot with 4:08 to play, but the Chiefs never could crack the game open, and didn't have it in the bag until the buzzer sounded and a last-second shot by Nazareth missed the mark.

The Chiefs had started as if to make a shambles of the game, bolting into a 5-0 lead on baskets by Murphree and Larry Buckley. However, after taking a 7-1 lead with over four minutes left in the opening quarter, the team relaxed its pressing defense, Nazareth went into a zone, and Friona didn't score again until two minutes deep into the next quarter.

By that time, Nazareth had tied the count up 7-7 at the end of the first period, and built their longest lead of the game at 11-7. Murphree's set shot broke the six-minute scoreless spell for Friona, and Jim Snead's jump shot a minute later tied the count at 11-11.

Nazareth took a 12-11 lead, Snead put Friona ahead again at 13-12, and the Swifts rallied for a 16-15 edge. Buckley's jump shot in the last minute gave Friona a 17-16 lead at halftime.

The third period saw the lead swap hands four times and the score tied on five occasions. Fans glancing at the scoreboard saw these results (Friona score listed first): 17-16, 17-18, 19-18, 19-20, 21-20, 21-11; 23-21, 23-11, 25-23, 25-11, 27-25, 27-11, 28-27 and finally 28-11 when the buzzer sounded.

Gene Westerly gave Friona a three point lead to begin the final eight minutes, scoring a lay-in on a fast break after taking the tip from Larry Buckley. Westerly was fouled, and his free throw made it 30-28.

Murphree's jump shot a minute later made it 33-28, but the Chiefs weren't out of the woods. Nazareth tied the game up at 33-33 with five minutes to play. The visitors then went ahead, 34-33 and again at 36-35.

Travis Graves' jump shot with 2:04 gave Friona an important four-point lead at 37-33, but the Chiefs couldn't take advantage of their stalling game. Murphree was fouled

DISTRICT STATISTICS

McColum Edges Teto For Scoring Crown

Dimmitt's Linda McColum edged Friona's Teto Jennings for the District 3-AA scoring title, according to figures compiled this week by Bill Ellis of the Friona Star.

The Dimmitt star, who finished with 23 points against the Squaws after being held to 10 the first three quarters before Merylene Massie fouled out, edged Miss Jennings, 247-244 in the 10-game district schedule.

Jennings had led the district scoring at the mid-point of district play with a 28.2-point scoring average. Miss McColum was second at that time with a 25.6 mark. Both players saw their averages fall slightly for the second half, but McColum was able to outscore her rival, 119-103 in the last five district games to emerge as the district's top scorer.

Floydada's Keith Teague ran away with the scoring title in the boys' division, compiling a 25.7 district scoring average, almost 10 points better than his nearest rival.

Friona's Larry Buckley finished fourth, with a 14.2 average. Dale Milner was eighth with a 12.4 average, and Danny Murphree was ninth with a 12.2 mark, giving the Chiefs three players in the top ten.

The Squaws had the best scoring average in the district, scoring at a 54.8 pace. The team also had the best defensive mark, allowing ten opponents an average of 41.2 points per game.

The Chiefs, who didn't try to run up a lot of points, finished no better than fourth according to points scored, although winning the district title. They did, however, allow the fewest points, an average of 47.5 per game, which was 41 points less (total) than their nearest rival.

AT FRIONA LANES

First "TABY" Tourney Is Here This Weekend

The first TABY (Texas Association of Bowling Youth) tourney ever held in Friona will be unvelled this weekend when local sanctioned youngsters will battle it out for places on teams to represent Friona Lanes in the District Tournament at Lubbock.

With approximately 200 youngsters sanctioned for competition, a good number are expected to turn out to compete for the team positions. These local junior high and high school students are enrolled in various leagues both in school PE programs and in after school open leagues.

This house is eligible to send two high school boys teams, two high school girls teams and two junior high boys and girls teams to the district playoff against other area houses embracing the TABY program. These eight teams, each competing in their class, can advance to the regionals at Odessa by outscoring all competition at Lubbock's QC Bowl next month.

A victory at Odessa would move the teams into the state finals at Houston, where a "never to be forgotten" experience awaits the youngsters. In addition to vying for state titles they will be guests at a major league baseball game in the famous, just opened, domed stadium, will attend a huge banquet in the stadium at which Rev. Bob Richards, former Olympic Champion and now

Wheaties Sports Federation Director will be the principal speaker, and will attend other activities as guests of the state tournament.

All that is required for the local student to participate is that he or she (1) have paid a 50¢ TABY sanction fee to be enrolled, and that he or she will have bowled at least 12 games in competition before February 1st, in TABY sanctioned leagues to earn a 12-game average.

From there on, by entering the tournament at a cost of \$1.15 per event, they can gain a place on one of the teams by selection based on tournament effort, pre-tournament average, availability to make the trips necessary for the playoffs,

and guaranteed passing grades in their schoolwork. The TABY program is endorsed by and set up according to Texas Inter-scholastic League rules so that no youth may be in violation of any article of the TIL.

Those interested should contact Betty Rector, Jean Hartwick or Pat Burnett, local TABY coaches and instructors.

Team, doubles, and singles, in four classifications by averages, both for high school (senior) and junior high (junior) bowlers will be held in the Friday - Saturday tourney, February 19-20.

Parents and other interested adults are invited to come out and root for, support, watch and help keep score in this junior bowling event.

Chieftains--

(Continued from Page 1)

twice while Friona led by four, but missed his shot each time. Nazareth took advantage, and tightened the game up with a basket with 45 seconds left, and after Friona jumped the gun with a shot in the last 10 seconds, had one last chance to tie the score. Only three seconds were left to play as the Swifts called time, and the District 5-B champs couldn't get into good position for their last shot, and it bounced into Gene Weatherly's hands.

Nazareth, which plays Anton in bi-district, had won its district with an 8-0 record. The loss left them at 16-5 for the year, compared to Friona's 21-4.

In a game at Farwell last Saturday involving mostly the reserves, the Fronans topped Farwell, 69-39. Bobby Jordan showed the way with 21 points. Jerry Cass scored 11.

Spring Attends Bankers Meeting

Frank A. Spring, president, Friona State Bank, Friona, has returned from Washington, D. C., where he was among a delegation of country bankers that called on top federal leaders to revive the economy

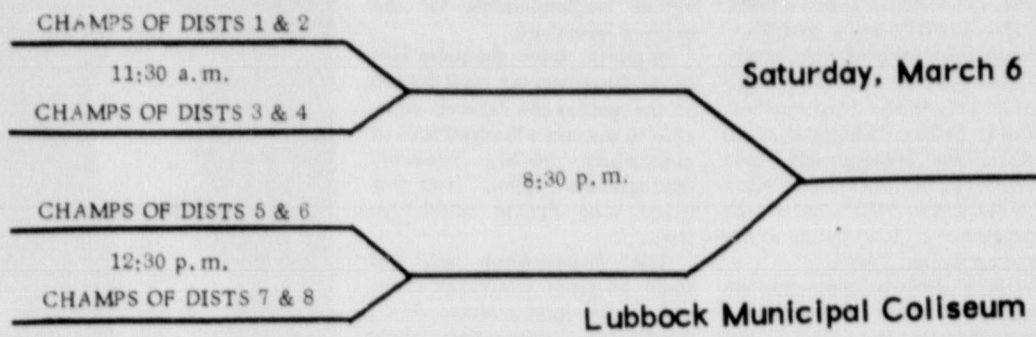

of rural America. The bankers, members of the Agriculture Committee of the Independent Bankers Association, stressed the need for improved farm prices to Vice-President Hubert H. Humphrey,

Members of Congress, Dr. Arthur M. Okun of the Council of Economic Advisers, Director K. A. Randall of the Federal Deposit Insurance Corporation, Horace C. Godfrey, Administrator of the Agricultural Soil

Conservation Service, and Howard Berstch, administrator of the Farmers Home Administration.

At the reception and dinner Thursday night, guest of Spring included Tom Cole, assistant to Sen. John Tower.

Teto, Buckley Pace FHS District Scoring

Teto Jennings and Larry Buckley led the Squaws and Chiefs respectively in scoring during district play, a compilation this week revealed.

Miss Jennings scored 244 points for a 24.4-point average for the 10 games to top the Friona girls team. Buckley scored 142 points to top the Chiefs with a 14.2 average.

Backing Teto up were Linda Jo Davis, with an 11.6 scoring average, Janet Rushing at 8.3, Cindy Ingram at 5.8 and Sheryl Long at 4.8 points per game.

Buckley had good support in district play from Dale Milner at 12.4, Danny Murphree at 12.2, Gene Weatherly at 9.1, Ray Braxton at 5.8 and Travis Graves at 5.5 points per game.

The Squaws scored 67 points, the most for any district or season game, against Olton in a game played here. The 39 points at Floydada were the least they've scored. Abernathy's 60 points (at Abernathy) were the most scored by a district member against the Squaws, while Lockney's 29 were the least.

The Chiefs scored 74 points twice in district play, against both Lockney and Olton, which was the highest output in district play. Abernathy and Dimmitt each scored 63 points, the most against Friona, while Olton's 27 points in a game played here were the least by a district opponent.

Friona Group To Attend Insurance Meet

Mr. and Mrs. Dan Ethridge and Miss Lois Norwood, all of the Ethridge-Spring Agency are among the 250 persons planning to attend the Annual Insurance Seminar of the Texas Association of Insurance Agents scheduled at the Villa Camille Motel in Hunt, Texas February 21-24.

The Three-Day accelerated course will be primarily concerned with insurance innovations and improved efficiency in agency management techniques, all at an advanced level.

The Texas Association of Independent Insurance Agents is one of the oldest and largest trade groups in Texas, and is the largest state association of independent fire, casualty and surety agents in the Nation. The 67 year-old organization has a membership in excess of 12,200 agents and their associates.

Screwworm Meeting Today

The screwworm eradication program in Texas will be the topic of discussion at a meeting of Farmer County Livestock Committee Thursday night.

The meeting will be at 7:30 in Bovina Restaurant, announces Jack McCracken, chairman of the committee.

Joe Van Zandt, county agricultural agent, will be present to discuss the program.

Scouts Have Valentine Party

Ten members of Girl Scout Troop 93 and one leader, Mrs. Walter Cunningham, met at American Legion Hall Thursday afternoon.

Highlight of the meeting was a valentine party. Hostesses were Kelly Barber and Melva Rule. Refreshments of cookies and punch were served with candy hearts for favors.

Girl Scouts present were Janet Mingus, Terri Schueler, Carla Mann, Romalee Rector, Sherry Shelton, Kay Riethmayer, Amelia Sims, Amndrea Wilkins and the hostesses.

Girl Scouts See Film

Members of Girl Scout Troop 268 met Monday afternoon at the American Legion Hall then went to Friona Methodist Church to see an educational film shown by Mrs. Marie Carroll, school nurse.

Hostesses were Cindy Campbell, Patsy McVey and Gay Welch. Leaders present were Mrs. Louis Welch and Mrs. C. L. Vestal Jr.

Other troop members attending were Susie Spring, Susan Floyd, Amy Renner, Deborah Clausen, Esther Smith, Gloria Brown, Nancy Scates, Jonnye Cudd, Linda Perkins, Jayne Masie, Barbara West, Denise Cudd and Sandy Reznik.

Circle Meets For Study

The Mekka Circle of Woman's Society of Christian Service of Friona Methodist Church met at 9 a.m. Wednesday morning in the home of Mrs. A. L. Outland for a mission study.

Program chairman was Mrs. U. S. Akens. The devotional was a flag raising ceremony for new nations. Mrs. Ed White read the scripture and directed the prayer.

Mrs. H. R. Cocanougher presented a talk on "Nations, South of the Sahara." Points of interest concerning Africa were outlined by Mrs. Ralph Shelton and Mrs. Ernest Anthony reported on "India In The Making."

A brief business session was directed by Mrs. H. R. Cocanougher, circle chairman. Roll call was answered with number of visits made.

Others present were Mesdames Bill Burnam, James Shaffer, J. T. Gee, Howard Love, Esther Haws, Kenyth Cass, Floyd Rector, Eugene Ellis, George A. Jones and L. T. Graves.

Next meeting of this circle will be February 24 in the home of Mrs. Floyd Rector for the conclusion of the study, "New Nations." Each member will be expected to ask a question of present an important fact gained from the study.

SPRING THOUGHTS

In spite of cold blustery weather, garden lovers thoughts are beginning to turn to spring. Lawns, shrubs, flowers and pruning as well as vegetable gardening are beginning to fill the minds of these people, as they long for the signs of spring.

LAWNS
At this time there are several things that may be done to the lawn to bring about quick growth. First rake it well to loosen up old sodden debris. This will bring up old dead matted grass and leaves left from winter and fall accumulations. This will allow the warm air and sun to start growing when the blizzards are over. Clip the grass very low—only $\frac{1}{8}$ inch. Set the mower low and go over the lawn. For most grasses a one-half inch cut will do. This will mow off the old discolored foliage and open the sod to the sun which speeds the growth. This can improve appearance of early growth. For regular mowing, after the close clip, the mower is set to cut at least 1 1/2 inches high. The hotter the climate, the higher it should be set.

For further information on lawn care, stop by the County Extension office and pick up a copy of these bulletins, Home Lawns and Modern Pruning Methods.

FIRE HAZARDS IN THE HOME:

Many consumers are not aware that items having foam rubber backing or padding are potential fire hazards.

Potential threats are the padded knees of children's crawlers and the foam rubber backs of many skid-proof rugs. Its best to air dry these items since the foam may build up heat in the dryer and catch on fire if left at high temperature for a long period of time.

If these items are accidentally dried in the dryers, lay them aside to cool away from the rest of the laundry. Folding and stacking with other items will hold in the heat and it may continue to build up in the foam until there are flames from spontaneous combustion.

NEWS

Mrs. T. A. Mills, Food group project leader, in Bovina has been doing double time with two food groups, rather than let the girls drop out. Mrs. Harold Snell of Bovina is helping now and that has meant a great deal to Mrs. Mills. Her food groups are about finished with their guide lessons and are now reviewing nutrition and getting ready for the Favorite Food Show on March 6.

Mrs. H. R. Denny of Bovina, reported on their bedroom project January 11, with the 7 girls

Colorful Relative Of City Woman Dies

Miss Sarah B. Halton, a long-time resident of Colorado City and great-great aunt of Mrs. E. G. Phipps of Friona passed away last week.

The pioneer Ft. Worth resident was 103 at the time of her death. Although a child at the time, she had vivid memories of the widows and children who fled to Texas for safety ahead of the victorious army in the Civil War.

Born in a Tarrant County cabin in 1861, Miss Halton remembered when Fort Worth had

only two stores. Her mother's uncle, Dismar W. Reeves, was with "Deaf" Smith when he destroyed the bridge which entrapped Santa Anna's army at San Jacinto in the Texas Revolution, and her father rode with Zack Taylor into Mexico in 1845.

She had lived with Mr. and Mrs. S. A. Palmer at Colorado City the past 22 years. Other survivors include G. E. Elliott of Knox City, who is the father of Mrs. E. G. Phipps.

Hosts Bowlers

A 13-church bowling tournament featuring men bowlers from the Lutheran churches in the area will be held Sunday afternoon at Friona Lanes.

On Friday and Saturday at the local lanes, a Texas Association of Bowling Youths (TABY) will be held.

Attend Funeral

Mr. and Mrs. E. S. White Sr., Friona, attended funeral services for Mrs. Alice Barnes, 76, Pratt, Kansas, Friday afternoon. They were accompanied by their daughter, Mrs. Roy Campbell, Lubbock.

Mrs. Barnes, a sister of Mrs. White, died from injuries received in an automobile accident several days ago. The Whites and Mrs. Campbell returned home Saturday.

On Dean's List

One of the seventy-four students of South Plains College, Levelland, to be listed on the dean's honor roll for the first semester was Mary Ethel Wilson, Friona.

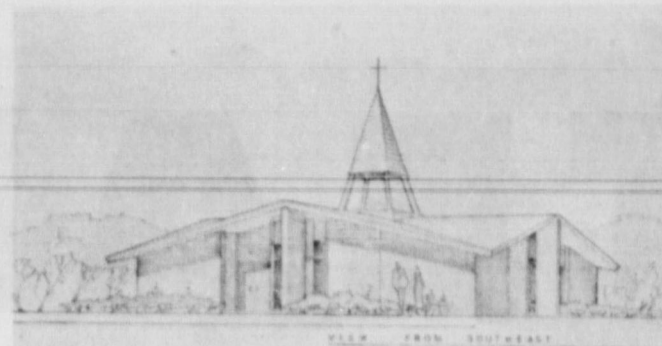

Miss Wilson, a 1964 graduate of Friona High School, is the daughter of Winston Wilson, Route 2, Friona.

Outland Honored

Henry L. (Hank) Outland Jr., son of Mr. and Mrs. H. L. Outland, Sr., Friona, was listed on the dean's honor roll for the semester which just ended at Southwestern State College, Weatherford, Okla.

He is a 1962 graduate of Friona High School and is a sophomore in Southwestern's school of pharmacy.

What Lutherans Teach ---

By Fred Bowersdorf, Pastor

The Bible tells us much about sin. It does this because we are involved. Sin has done something to us, and we have to do something about it.

What is sin? The Bible gives a number of definitions. Sin is breaking God's Law, doing things like cursing, stealing, lust, etc. "For sin is the transgression of the law," 1 Jo. 3, 4.

Sin is also not doing something, e.g., not feeding a hungry person, not clothing a naked person, etc. "Therefore to him that knoweth to do good and doeth it not, to him it is sin," James 4, 17. On the judgment day, Jesus will issue words of condemnation along this same line, against those who DID NOT do certain things.

Sin is a lack of faith. "For whatsoever is not of faith is sin," Romans 14, 23. So whenever faith is not displayed in our actions, that is sin.

Sin is a state in which death, which is the absence of God's life, rules. "I was shapen in

iniquity, and in sin did my mother conceive me," PS. 51, 5. "The wages of sin is death" Rom. 6, 23. "Wherefore as by one man sin entered the world, and death by sin; and so death passed upon all men, for that all have sinned," Rom. 6, 12.

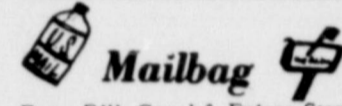

Everybody - men, women, and children - are sinners. "There is none that doeth good, no, not one" Rom. 3, 12 "For all have sinned and come short of the glory of God," Rom. 3, 23 "And were by nature the children of wrath, even as others," Eph. 3, 3 The reason we were children of wrath is because we are and were sinners.

The sin problem is solved in two ways: 1) By forgiveness thru the shed blood of Christ, based upon repentance for sins and faith in Christ, 2) By the living Christ setting us free from its power and living His life in us thru the Holy Spirit. (See Phil. 4, 13 and Gal. 2, 20). Next week we shall go into greater detail on solving sin thru Christ.

Attend Meeting

Three employees of Red Barn Chemicals, Roy Young, Gary Ward and Gaylon Rhodes, attended the 12th annual Agricultural Chemicals Conference at Lubbock Wednesday, February 10.

The one-day conference was conducted on the Texas Tech campus.

Dear Bill, Carol & Friona Staff:

We, the Friona Young Homemakers extend our thanks for your help in publicizing our recent chili supper.

Your help was invaluable in making it a success.
Young Homemakers

Chris B. Frye Buried

Funeral services for Chris Ballard Frye, 82, who died at Plains Memorial Hospital in Muleshoe Wednesday night, were conducted from Lazbuddie Baptist Church at 2 p.m. Friday, February 12.

Officiating minister was Rev. Calvin Beech, pastor of the church.

Frye, who moved to the Friona area in 1953, was a former resident of Alvord, Texas.

Survivors include a son, Douglas, Friona; five daugh-

ters, Mrs. Ruby Taylor, Tulsa, Mrs. Velma Grisson, Alvord, Mrs. Lorene Tuckness, Sunset, Texas, Mrs. Lois Miller, Fort Worth, and Mrs. Nellie Trotter, Tishomingo, Okla; 14 grandchildren and one great-grandchild.

Pallbearers were Aubrey Jarman, Alton Morris, Sugar Glaze, Clarence R. Mason, Wesley Barnes and Henry Ivy. Burial was in Bailey County Memorial Park, Muleshoe, under direction of Claborn Funeral Home.

Members Needed

Five members of Friona Home Demonstration Club met Friday afternoon in the home of

Mrs. Bill Morgan. The need for new members was discussed. Anyone desiring to be-

come a member of the club is asked to contact Mrs. Earl Drake.

Refreshments were served to Mrs. Earl Drake, Mrs. Ralph Taylor, Mrs. Ray White and Mrs. T. A. Sherley.

Stop weeds and grass
in cotton and soybeans
all summer long with Treflan®

Treflan — the weatherproof weed control

Stops grass and weeds from planting until harvest. One application of Treflan at planting stops weeds all season.

Works whether the weather is wet or dry. Unlike other cotton herbicides, Treflan doesn't need rain to make it work.

Stops more than 25 kinds of grass and weeds . . . including Johnsongrass (from seed), crabgrasses, barnyardgrass (watergrass), pigweed, carelessweed and many others that cause most of your severe problems.

Won't leach away. Treflan stays put in the soil. Heavy rains or irrigation won't wash it away. Shallow cultivation won't interfere with weed control—may actually improve it.

Easy to measure and mix. Treflan is already a liquid—it mixes easily with water and stays mixed. (Treflan®—trifluralin, Elanco)

AVERAGE COST PER ACRE

One of the most interesting things about working in a newspaper office is that things never stay the same very long. It seems that publishers and editors are constantly working to produce a paper that will better serve the community and to conduct affairs in the office to increase efficiency to the customers.

The latest change that has been made by our publisher, Joe Osborn, and editor, Bill Ellis, is to divide the duties of two members of our staff. In the past Pete Mace has been serving as advertising manager and circulation manager.

Mrs. Waneen Ragsdale, a former employee of the Bovina Blade, Muleshoe Journal and Lubbock Avalanche Journal, has been employed to serve in the capacity of circulation manager and bookkeeper.

Although my name has appeared on the masthead as society editor, I have been doing the bookkeeping, so in addition to assuming part of the duties formerly performed by Mace, Mrs. Ragsdale will also be assuming part of my former responsibilities.

For the past few years Mrs. Ragsdale and her husband, Mack and three daughters, Patti, Rhonda and Alesia have been living on a farm in the Hub community, but have recently moved into the house vacated by the Paul Jeskos when they moved to Mount Pleasant.

The addition of Mrs. Ragsdale to the Star staff will be a definite improvement in the service we are able to provide for our customers and advertisers.

.....

A recent report in two of our area daily newspapers indicated that we were about to lose two of our long time residents. It was erroneously reported that Mr. and Mrs. Joe B. Douglas Sr. were moving away from Friona. Like most good rumors this one had a starting point. Here is the way it got started. Joe and Jessie recently sold their home in town to Mr. and Mrs. I. T. Graves Jr. and are planning to move to their farm south of Black in the near future. As usual, it is almost necessary for one family to make a move before anyone else can move.

As soon as Don and Lavon Reeve can move into their new home west of town on Farm to Market Road 1731, Betty and J. B. Douglas Jr., who are presently living on the Douglas farm, will move into the Fleming apartment being vacated by the Reeves.

Then Jessie and Joe can move to the farm and the Graves family can move into the Douglas home on Summit Street west of the high school building.

.....

Who wants a pup or two or three? We have some very pretty ones that we would like to find homes for. They are old enough to wean and are at a lovable age. Our phone number is 295-3412.

.....

Everyone who enjoys seeing local young people perform should attend the senior play, *Pride and Prejudice*, which is being presented Friday evening and Saturday evening in the auditorium.

A lot of work has been put into the play and members of the class want everyone in the area to attend. Tickets may be purchased from class members or at the door.

.....

I'm sure it was no surprise to anyone to read in the Lubbock Avalanche Journal one day last week that Diana Taylor, a freshman at Lubbock Christian College, has been selected to be the accompanist for the production of "The Mikado."

Diana, whose parents are Mr. and Mrs. J. B. Taylor, is an accomplished musician and a very fine young person. Congratulations, Diana! We are all proud of you.

Good exercises to avoid for

Mrs. Black Presents Housecleaning Agents

"Housecleaning Agents" was the topic of study at the Thursday afternoon meeting of Hub Home Demonstration Club Meeting in the Community Building. Mrs. A. L. Black, president of the club, presented the program.

Roll call was answered with a desirable trait in another person.

A member of the finance committee gave a report on results of the recent dinner served at the Hub Community sale. Members were pleased with the report.

Mrs. Black, hostess, served refreshments to Mrs. Cricket Taylor, county agent, Mrs. G. W. Fleming, Mrs. T. I. Burleson, Mrs. Wes Long, Mrs. Jack Shirley, Mrs. W. E. Stringer, Mrs. Albert Cannon and Vicky, Mrs. Leroy Johnson and Mrs. M. T. Hukill.

Guest Reviews

"Grandma's Cookin'"

Karen Osborn, president of the Dusk chapter, presided at the business session of Tuesday morning's Future Homemakers of America meeting in the homemaking department.

Plans were made for the Area I Convention, which is to be held in Lubbock March 20 and a deadline for turning in earned points was set.

Committees were selected to make plans for the sweetheart party which will be held in the near future.

Mrs. Joe Talley, who was introduced by Frieda Floyd, vice-president, reviewed "Grandma's Cookin'."

Circle Meets In Ed Clark Home

The Kolwvvia Circle of Women's Missionary Society of Friona Methodist Church met Wednesday in the home of Mrs. Ed Clark with 17 members present. Mrs. Jerry London, circle chairman, presided over a brief business session.

Mrs. Bob Owen and Mrs. Truitt Reid were program leaders. Program theme was a continuation of the study, "The Nation and the Kingdom." The prayer calendar was read by Mrs. J. H. Boyle.

Scripture reading was by Mrs. Danny Smith and Mrs. Bill Stewart directed the prayer. A film entitled "Africa Is Waiting," was shown. Mrs. Guy Latta gave a report. The meeting was closed by a prayer led by Mrs. Truitt Reid.

Others attending the meeting were Mesdames Richard London, E. H. Bradshaw, Russell McAnally, David Moseley, Dick Rockey, Garland Freeman, Estis Bass, A. S. Grubbs and Charlene Harper.

Party Planned For Cub Scouts

A birthday party in honor of the cub scouts will be observed by Cut Scout Pack 56 Tuesday, February 23 at 7 p.m. at the school cafeteria. All cubs and their parents and families will meet at this time for a pot luck dinner in observation of the fifty-fifth birthday of scouting.

There will be a program by the Scouts and the history of cub scouting will be one of the interesting features revealed. Decorations will depict men whose influence has been great in the scouting movement.

Mrs. Esther Mae Burns, Des Moines, Iowa, is visiting in the home of her sisters, Mrs. Mabelle Hartwell, Mrs. Ralph Wilson and Mrs. Cordie Potts.

CAN YOU AFFORD TO USE A HERBICIDE ON COTTON THIS YEAR?

PROMETRYNE[®]

HERBICIDE

U.S. Patent No. 2,909,420

YES ..

If You Use Prometryne - - Control Weeds For **\$1³⁵** An Acre.

Come By And Let Us Help You Plan Your Herbicide Program For The Coming Season.

Friona 247-2566 Lazbuddie

CHEMICAL WEED CONTROL IN COTTON

Prometryne 80W herbicide, another outstanding Geigy weed killer, has been accepted for labeling by the United States Department of Agriculture for weed control in cotton. It is an extremely versatile herbicide which can form the basis of your weed control program, or it can supplement other weed control practices, depending on weed infestations and cultural practices. Prometryne may be used as a preemergence application at planting time, as a directed postemergence spray, or as a lay-by treatment.

Prometryne, the newest member of the growing family of triazine herbicides, offers cotton producers a new and valuable production tool. Prometryne 80W is a wettable powder formulation containing 80% active ingredient. Extensive research, including tests conducted by state and federal experiment stations over the past three years, has demonstrated its combined safety to cotton and effective control of most annual broadleaf weeds and grasses in cotton. Prometryne 80W is a finely ground wettable powder that can be easily applied with most farm sprayers. The product is noncorrosive to equipment, nonflammable, and low in toxicity to humans and animals.

HOW DOES PROMETRYNE WORK?

When applied as a preemergence treatment, Prometryne is absorbed by the roots of germinating weeds, and weeds die soon after emergence. Prometryne does not produce phytohormonal effects in susceptible weeds, but causes chlorosis which results in death of the weeds. For maximum effectiveness, rainfall or overhead irrigation is needed following preemergence application of Prometryne to carry the herbicide to the weed root zone. Furrow irrigation will not activate the herbicide.

Applied as a postemergence treatment, Prometryne gives

outstanding weed kill by foliar contact action. This application may also control subsequent germinating weeds.

WHY USE PROMETRYNE?

Prometryne is an extremely versatile herbicide. When used in a complete weed control program, it can be applied preemergence at planting time, as a directed post-emergence application or as a lay-by treatment. It may be applied as a single application or in a program which includes all three applications - preemergence, post-emergence and lay-by. Thus it is adaptable to individual cultural practices and weed problems.

An effective Prometryne weed control program will control most annual broadleaf weeds and grasses for the entire season - resulting in higher yielding, higher quality cotton. It is especially effective on broadleaf weeds, including such hard-to-control species as annual morning-glory and pigweed or carelesseed (*Amaranthus* sp.). It also controls most annual grasses. It is not effective on deep rooted perennials such as Johnsongrass and nutgrass. Prometryne may be used on a wide range of soil types, including light sandy soils.

Prometryne is safe to cotton. Its use does not cause chemical residues in the cotton seed when used according to label directions. It is safe to handle and is not irritating to humans and animals. No unusual safety precautions are necessary when handling or applying the product.

Prometryne offers cotton growers flexibility in timing and method of application to fit their individual weed problems and cultural practices. When applied according to directions, either preemergence, postemergence, or as lay-by, it will control annual broadleaf weeds and grasses such as pigweed or carelesseed, Florida pusley, smartweed, annual morningglory, ragweed, Brachiaria, crabgrass and goosegrass.

On The Farm In Parmer County

By JOE VAN ZANDT
County Agent

USDA POTATO GUIDES

USDA recommends a 7% reduction during 1965 in the acreage of both fall and late summer crops of potatoes and a 2% reduction in acreage for early summer potatoes. These acreage guides, with normal growing conditions, would provide production 6% greater than last year.

HERBICIDES

If you weren't at Hub Monday of last week, you missed a good program on Chemical Weed Control. We know there is a lot of interest in herbicides this year as there were 160 in attendance at Hub. We have mimeographed sheets that list Dr. Wiese's recommendations for chemical weed control in cotton and grain sorghum. If you don't have a copy, write the County Agent, Box 285, Farwell for your copy. Every farmer using herbicides needs to read what Dr. Wiese has to say. His information is reliable and is based on research done in the Texas Panhandle.

CATTLE SITUATION

Cattle slaughter continues to exceed year earlier figures by wide margins. Continued cattle slaughter over 500,000 head per week would indicate liquidation in overall cattle number in '65. Whether this happens depends on moisture and grass conditions and optimism of producers.

Prospects are for about the same fed cattle marketings the rest of this winter as a year ago, but as lighter weights.

The length of time on feed continues shorter than 1963 and early 1964. This is due to placement on feed at heavier weights and marketing at lighter weights.

The demand for beef appears strong and this should keep prices near present levels.

SORGHUM CONFERENCE

The Fourth Biennial Grain Sorghum Research and Utilization Conference is scheduled for February 25-26 in Amarillo. The purpose of the meetings is to get together those doing production, marketing and utili-

zation research on grain sorghum.

The meeting, conducted in the Holiday Inn West, is open to any and all interested in attending. However, most of the information presented will be of a technical nature. The future of our grain sorghum may certainly be affected by some of the information presented and it is good to know people are working to improve our grain sorghum position.

TESTED YOUR SOIL?

Has every field you farm had a soil test in the last two years? If not, get some soil samples today. You can't afford to pass up this good management practice this year. Our margin of profit is getting too narrow. Come by the County Agents office in Farwell for complete information and materials you will need.

RALLIES: Although nothing is likely to really match last year's feat, when Texas Tech overcame a 19-point halftime deficit to nudge champion Texas A&M by two points, the current Red Raiders still don't let anyone leave before the game is over. Ahead by 10 over Texas A&M in the second half, the Raiders fell behind by six before winning by six in overtime at College Station. Tech trailed Southern Methodist by 10 in the first half but won by 10 at Dallas. Another generation of never-say-die players apparently is coming along, however, judging from the Texas Tech-West Texas State freshman contest at Canyon. Charlie Lynch's Picadors trailed the Calves by 15 points in the second half, won by 21, 91-70. A pickup of 36 points. Game preparation can be overdone, believes Texas Tech forward Norman Reuther.

Heading for the airport after the Red Raiders had taken Texas Tech's first victory over Texas A&M at College Station since 1958, assistant coach Charlie Lynch warned:

"Southern Methodist is our next game, and we've got to start getting mentally ready to play."

Pleadingly, Reuther asked, "But, Coach, can we eat first?"
