Ceremony to Be Held In Celebration Of Armistice Day

At a meeting of representatives of various organizations of the City of McCamey, plans were completed for an Armistice Day program.

There will be a parade starting at 10 o'clock in the morning. The route of march will start on East Fifth Street to Burleson Ave., turning south and proceeding on to the High School football field, where an impressive ceremony will be held.

Organizations who will participate in the activities are: The American Legion, The American Legion Auxiliary, the Veterans of Foreign Wars, The Veterans of Foreign Wars Auxiliary, High School Band, Boy Scouts, Girl Scouts, Cub Scouts, Brownies, and the Upton County Fair Association.

The ceremony to be held at the football field will be of interest to every citizen who attends, something you can't afford to miss.

Old Time Upton County Rancher Dies

Mr. Andrew Pernel Hill, familiarly known as "Perney" Hill among a host of acquaintances, died in a San Angelo hospital on Monday afternoon at 2:30 at the age of 69 years. Mr. Hill, who had been a rancher in Upton County since 1905, had been ill for the past three years.

When Mr. Hill first became ill at the time he suffered a stroke three years ago, he retired from ranching and moved into Rankin where he had improved for himself and wife a very nice home in the north part of town. Two weeks ago Mr. Hill developed a heart ailment and was moved from his home to a San Angelo hospital, after which he developed pneumonia.

Mr. Hill was born at Meridian, Bosque County, July 27, 1877, and after coming to Upton County in 1905, he was associated with the late Sim Weatherby in the ranching business for many years.

Survivors include: the wife, three brothers, Harry of Big Lake, and Duke and Reagan of Rankin; and two sisters, Mrs. Cap Yates of Vinyard and Mrs. E. L. Cutbirth of Abilene.

Funeral services were held at 4 o'clock Tuesday afternoon, Oct. 15, from Robert Massie Chapel, with Rev. Geo. C. Baker officiating. Burial was in Fairmount Cemetery in San Angelo. Masonic services were held at the graveside.

Pallbearers included Theron Weatherby of Big Lake, Clint Shaw, Dunn Lowery, Ralph Daugherty and Hazel Yocham of Rankin, Harper Weatherby of McCamey, and D. R. Speers of San Anelo.

Honorary pallbearers included Pearl Rankin, A. O. Beavers, Frank Boyd, Walter Clendennen, Bill Nix, James Sim Weatherby, Tom Richardson, Ollie Parker, Jim Robbins, Sam Holmes, Boyd Cox, John Christy, Henry Neal, Wayne Coates, J. Wiley Taylor, Walter Harrell, Hamp Carter and Cowboy Brown.

Rankin 4-H Girls Meet on Tuesday

The Rankin girls' 4-H Club met on Tuesday, Oct. 1, for their second meeting of the year.

The business session included plans for a hayride and picnic to be held on Wednesday, Oct. 16, with the boys' 4-H Club to be the invited guests.

Gaddy Is Appointed New Member on Local Board of Trustees

James Gaddy was recently appointed by the Board of Trustees to fill the unexpired term of Ray Boggs on the McCamey School Board of Trustees.

Mrs. Braly Represents McCamey B&PW Club At Dist. Conference

Mrs. S. R. Braly, secretary of the McCamey Business and Professional Women's Club, was a delegate representing the Club at the District Conference of Business and Professional Women's Clubs held at Big Spring Saturday and Sunday, Oct. 12 and 13.

The State President, Mrs. Edna Hoffman, gave the main address at a banquet given in the ballroom of the Settles Hotel Saturday night at 8 o'clock. A carnival followed the banquet. At the breakfast given on Sunday morning in the ball room, Miss Margaret Anderson gave the main address. Following this, the club members attended the services at the First Methodist Church.

A luncheon was given at noon in the ball room. A panel discussion, with Mrs. Potsey Mellon presiding, was given on "The Profile of the Business and Professional Women's Club."

The entire conference was presided over by Mrs. Grace Brown of El Paso, the District Director. Mrs. Eubanks of Big Spring was nominated as the new director.

Approximately 200 delegates attended this District Conference.

Miss Ruby Nell Braly attended the meeting with her mother, Mrs. S. R. Braly. She was extended an invitation from the Colorado City and Big Spring Clubs to speak on her service with the Military Intelligence and travels in South America. Miss Braly was pleased to again see Mrs. Gibbs Sawtell, a former teacher of hers who formerly lived in McCamey.

Mary Ann Workman Entertains Tuesday Night at Her Home

Miss Mary Ann Workman entertained at two tables of bridge in her Rankin home on Tuesday night.

Those enjoying the games and refreshments were:

Misses Clela Lee Burleson, Sara Lee Stephenson, Mary Northcutt, Dorothy Snelling, Clois Baxter, Mae Garner, Mrs. Tom Workman and the hostess.

High score for the evening was held by Clela Lee Burleson.

4-H Boys Attend Dallas State Fair

On Oct. 4 a group of Upton County 4-H Club boys left with County Agent W. O. Adams to attend the Dallas State Fair. Among those going were Ted Yocham, Fields Branch, and James Gambin from the Rankin club, and Bobby Johnson and Roland Conger of the McCamey club. Joe Peoples was to go from the McCamey club but could not be contacted.

The boys were there on Saturday, which was Youth Day, and among other events, saw the judging of 4-H calves and pigs.

The necessary expenses for this trip were paid to the boys by the McCamey Junior Chamber of Commerce and interested McCamey business men. The club appreciates the fact that these people are interested in our County Youth and their worthwhile enterprises.

Plans Being Made for Annual Carnival At Rankin Schools

Plans are going forward for the annual Halloween Carnival under the auspices of the Rankin P. T. A. The carnival this year will be held in the High School Auditorium.

As is customary, each patron of the school is asked to furnish a cake or two pies for the affair. Added attractions are being promised for this year's carnival, which always draws a large crowd and is a big success.

Ranchers Urged To Hear Hammond Radio Talk Thursday Eve.

Thursday evening, Oct. 24, at 7:15, J. Walton Hammond, president, Texas Farm Bureau Federation, Tye, Texas, will speak to the farmers and ranchers and 4,000 assembled Farm Bureau leaders in Texas, according to W. O. Adams, Upton County Agricultural Agent.

Hammond has been president of the Texas Farm Bureau Federation since 1939. He is a member of the board of directors of the American Farm Bureau Federation, and also a member of the National Livestock Committee. Mr. Adams urges every citizen of Upton County interested in the welfare of Texas agriculture to hear this program which will be broadcast over radio station KCRS, Midland, KABC, San Antonio, and KGKL, San Angelo.

Mrs. Logan Leads Discussion At WSC Meeting

The regular monthly meeting, business and social, of the WSC was held at the church Monday with the president, Mrs. Doc Adams, presiding.

A short devotional preceded the business session. In the devotional period, Mrs. Adams read an impressive story taken from "The Reader's Digest," and the subject was "Kindly Light," with the scripture taken from John.

The meeting was turned to Mrs. H. C. Logan, program chairman, who led a round table discussion of the duties of each officer in the society. In this discussion, she read the duties from "The Guide Book."

Officers as follows: President: Mrs. Doc Adams Vice-president: Mrs. H. C. Logan

Secretary: Mrs. J. T. Gibbs Corresponding Secretary: Mrs. D. C. Burch.

Secretary of Christian Social Relations: Mrs. T. L. Fuller. Student Work and Supplies, Mrs. Clark.

Youth Work: Mrs. Randolph Moore. Secretary Spiritual Life: Mrs. C. E. Harris.

Secretary Children's Work: Mrs. S. Reed. Secretary Publications and Literature: Mrs. I. R. Edwards.

Iraan Braves Play McCamey Badgers To a 7 To 7 Tie

The Iraan Braves played the 7-A McCamey Badgers to a rugged 7-7 tie Friday night of last week in as bitter a football battle as was ever waged on local turf. Supporters of both teams are still in a quandary as to which was the best, but the fact remains that both elevens played hard, aggressive, cautious football throughout the spine-tling game. Substitutions were few for both teams, the respective coaches electing to let their boys sweat it out.

While the score on a non-district game is all that counts, Iraan fans point to the fact that their team made 12 first downs to seven for the invaders. Also, they thrill over what might have happened had the second quarter been a minute longer, the end of that period finding the Braves on the McCamey six with second down. Too, Iraanites point out that the Braves got a tough break when the McCamey safety fumbled McCaffin's punt which was recovered by Iraan only to have the ball called back and the locals assessed a penalty for being off-side. Too, Brave followers declare that three 20-yd. penetrations to one for McCamey reveals the superiority of the Indians, but each side made only one touchdown each and the point after.

Iraan received the opening kickoff and proceeded to knock out a couple of first downs before the Badgers halted the drive. McCaffin punted long and high and McCamey took over on the visitors' 17. Short gains by Ham and Gregory failed to make the required ten yards and Ham got off one of his many long punts. The ball see-sawed back and forth during the quarter with no damage done. However, both teams made occasional potential drives only to bog down.

About the middle of the second period, McCamey started a drive from her own 37 yd. line which paid off with seven points. Two short passes from Ham to Wilson and Gregory, a couple of runs by Ham, and another short pass placed the leather on Iraan's 16. Here Ham took a handoff from Gregory and made a nifty run through his own right guard and scored standing up. Try for point was good.

Iraan took the ensuing kickoff and, without relinquishing the ball, marched from its own 33 on three consecutive first downs to the McCamey six where the timer's whistle called a halt. McCaffin displayed powerful drive on this march with Rowe, Whitefield and Cade contributing short gains. McCamey had held firmly on one try from her own six before the period ended.

The Braves came back with lots of drive in the third quarter and constantly threatened to score, only to be thwarted by stout Badger defensive measures. Also, the Badgers put on one drive that carried to the Iraan 40, but the Braves forced a punt and took over on their own 20. From that point, the Braves marched to a touchdown. A long pass, McCaffin to Owens, picked up 30 yds. Smashes at the tough Badger line by McCaffin and Rowe carried down to the McCamey 17. On the last down and needing 9 yds., McCaffin tried desperately to make the distance, but lacked a yard and McCamey took over on downs. On the second play from

scrimmage, Gregory, on a long end sweep, was jarred loose from the ball on his own 21 and Iraan recovered. Rowe and McCaffin got a first down on the 3 yd. line and the Badgers dug in. Two lunges at the line by McCaffin and a tackle thrust by Rowe netted only two yards, but on the fourth smash over his own right guard, McCaffin went over. Whitefield tied the score by kicking the ball squarely between the uprights.

McCamey attempted to surge back, but could not gain. At one juncture, one of Ham's flat passes was almost intercepted by Owens who had a clear field ahead, but the Iraan end dropped the ball. Again, late in the fourth quarter, Fife of Iraan intercepted a long McCamey heave to stop a Badger rally. From that point, the Braves started marching again and the game ended with Iraan in possession on McCamey's 30.

Both teams played sterling defensive football. Blocking on the part of both elevens was spotty, and, at times, poor and there were very few long runs. Ham got off one sparkling gallop in the fourth quarter good for 25 to midfield, but the drive died moments later. McCaffin bulled his way off the tackles for seven.

Work Progressing On Veterans Housing

Work is progressing rapidly on the 20-apartment housing unit for McCamey veterans. At press time Thursday, eight of the total twenty truckloads of building materials have been delivered from Abilene to the McCamey site by the C. J. Simpson Trucking Company of San Antonio. Foundations have been completed for one building and are ten per cent and 30 per cent complete for the remaining two buildings.

E. E. Payne of Corsicana is superintendent of the project for the McKenzie Construction Co. of Abilene. J. S. Anderson of Monahans is project engineer, Willard A. Phillips is serving as carpenter foreman and C. A. Wilson of Abilene is the project time-keeper.

Twenty men are working on the project. Local carpenters employed are Rayburn L. Brown, Hallmark, Hudson and Hill. More carpenters are needed, according to a project official.

Mike Stokes is furnishing the winch trucks being used on the project.

Present estimates call for completion of the units on approximately Dec. 15.

Terminal Leave Bonds Received

McCamey veterans, who have filed their applications for back furlough pay, are now receiving their bonds. The first payments were received through the mail Tuesday.

All veterans who have not filed their applications for this payment due them, are urged to get your application blank from your Veterans County Service Officer, Earl H. Stribling. Any help you may be needing in filling this out can be obtained from him also.

Rev. Estes to Leave Monday To Attend Annual Conference

Rev. J. H. Estes, pastor of the First Methodist Church of McCamey, will leave Monday, Oct. 21, for the Annual Southwest Texas Conference of the Methodist Church, San Antonio, with Bishop Bruce R. Baxter of Portland, Oregon, as the special guest preacher.

Other features of the Annual Conference over which Bishop A. Frank Smith, Houston, will preside, will be: Devotionals each morning at 8:20 o'clock, led by returned chaplains; the third session of an Older Boys' Conference attended by an outstanding youth from each church in the Conference; a special Laymen's service, Thursday night; and a Conference-wide Youth Rally for all young people, to be held Saturday from 2 to 8 p. m., featuring the choirs from Trinity University in San Antonio, and Samuel Houston College in Austin.

It is expected that the largest number of delegates and visitors ever to attend the Southwest Texas Conference will be present in San Antonio, Oct. 23-27. The Conference will close Sunday afternoon, Oct. 27, with the reading of the appointments of the preachers for the new year.

Rev. Estes is completing his fourth year in McCamey and will report 64 new members received this year and that all finances are paid in full, every item of the budget fully met. For the four years, he has received 138 new members, and says, "he has had a very happy pastorate in McCamey."

Others appointed to attend the conference from this church were Lay Delegates A. B. Holley, Alternate Randolph Moore, and Boy Delegate Donald Boggs.

SQUIBS BY JAY

A lot of the local boys and gals developed the galloping jitters on Tuesday afternoon during the eighth and ninth innings of world series play between the Sox and Cards. One local femme cursed her radio each time the Sox appeared headed for a win. Most of the work was done around a radio during the game. When we walked down the street, it seemed that every car and every store had a radio going full blast.

Although the Badgers can lose to the rampant Pecos Eagles by three or four touchdowns, don't bet your house, cat and out-door privy on such an ending. These Badgers have the stuff, if they can rise to the occasion. Then, too, Assistant Coach Milton Bryant became the papa of an eight-pound plus baby girl last Thursday. . . . He may be out there quarterbacking the boys, you never can tell.

Have you looked at Mother Earth recently? Yes? Then you must have noticed the tiny green weeds struggling to break forth into the sun. Let's all tighten our belts and wish a wish that cold weather defers its initial visit until around December 15. Then weeds are good feed.

If the gal who lost a glove last week will stop in at the News office, we'll be glad to return the same. It is brown, fits the left hand and was turned in to us several days ago.

Which reminds us that our batting percentage is 100 percent in the lost and found department. John Fox of the Echo claimed the last item in the grab box when he picked up a brand new shoe, which his datter dropped in the Post Office.

Mr. Gray Blackmon, owner of Blackmon's Garage, was in Alpine attending to business Tuesday night. While there, he saw Wallace Davis, former manager of the Grand Theatre here, who flew him back to Ft. Stockton in his private plane.

Pastor First Baptist Church Here Accepts Pastorate In Leonard

Rev. Maynard R. Rogers, pastor of the First Baptist Church, McCamey, announced to his congregation Sunday, Oct. 13, that he was resigning to accept a call to the pastorate of the First Baptist Church at Leonard, Texas, which is 73 miles northeast of Dallas. Pastor Rogers and family expect to move on Monday, Oct. 21, and take up their new duties on Sunday, Oct. 27.

They urge all their members and friends to come to Sunday School at 9:45 a. m. and the regular Sunday worship service at 11 o'clock, when Rev. Rogers will preach on the subject: "A Simple, Child-like Faith" (Mark 5:21-34). A solo entitled, "God Is A Spirit," will be sung by Miss Mary Nelms.

A record attendance of 50 is sought for the Baptist Training Union at 6:30 p. m., followed by the last service conducted by Pastor Rogers at 7:30 p. m., in which his sermon title will be: "My Last Word Unto You: W-O-R-K" (James 2:20).

The Rogers came to McCamey a little more than two years ago from Abilene, Texas, where Rev. Rogers was attending Hardin-Simmons University. While there he pastored two half-time churches at Wilmett and Eula.

The Home Economics Club of McCamey High School will be special group guests in the morning worship service Sunday.

To Prevent Fire In The Home

- DO NOT'S: 1. Don't leave the children in the home unattended. 2. Don't leave matches within the reach of children. 3. Don't smoke in bed. 4. Don't use gasoline or other inflammable fluids for cleaning in the house. 5. Don't use coins or other metal to "bridge" a burned-out fuse. 6. Don't be an amateur electrician and tamper with the wiring in your house. 7. Don't put hot ashes in wooden boxes or barrels. 8. Don't use kerosene to start or quicken fires. 9. Don't leave electrical appliances unattended with the current turned on. 10. Don't search for, or attempt to repair any gas leaks. Call the gas company. 11. Don't run electrical extension cords under rugs. 12. Don't use candles or matches for illumination in closets and attics. DO'S: 1. Place plenty of ash trays about the house. 2. Have all worn or frayed electrical cords, or defective electrical appliances, repaired or replaced. 3. Keep a metal screen in front of the fireplace. 4. Clean out all combustible rubbish, old papers and trash from your basement, closets or attic. 5. Keep oily rags, paint rags, or oily dust mops in tightly-closed metal cans. 6. Have your furnace cleaned and checked at the end of each heating season. Repair defective flues or pipes. 7. Avoid "forcing" or overheating your furnace in cold weather. 8. If supplementary heaters are necessary, fix them so they can't be moved around or knocked over.

What To Do In Case Of Fire

- BE PREPARED: 1. Learn how to notify the Fire Department. Post the Fire Department telephone number near your telephone. 2. Learn the location of the nearest fire alarm box. Read the directions on it and learn how to send an alarm. 3. See that every responsible member of your family knows how to notify the Fire Department in event of fire. 4. See that your house is equipped with a garden hose and a water bucket. Sometimes a fire extinguisher may be advisable. Have a definite place to keep your hose and buckets so you'll be able to find them quickly in an emergency. 5. Rehearse in your own mind what you would do in event fire were to break out in any part of your house. IF FIRE BREAKS OUT: 1. Start getting every person out of the house immediately. 2. Notify the Fire Department as quickly as possible. Don't let the fire get a head start. 3. After the Fire Department is notified and every occupant is safely evacuated from the house, you can start fighting the fire. 4. If you have given the alarm through a fire alarm box, stay at the box until fire engines arrive so you can direct them to the scene of the fire. The importance of prompt notification of the Fire Department cannot be over-emphasized. Early detection of fire, prompt sounding of an alarm and quick action on the part of the fire fighters are the most important factors in controlling fire.

Building Fire Safety Into Your Home

- Many home owners have adopted one or more of these suggestions to make their homes safer from fire. NEW HOMES: 1. Install firestops in exterior walls and interior partitions at each floor level, ceiling level and at eaves level, including space between joists. (Firestops are wood blocks, brick or plaster placed in the hollow space between studs, to prevent upward travel of fire between the walls). 2. Install non-combustible ceiling in your basement, including the underside of any stairway leading from first floor to second floor. This ceiling may be of cement or gypsum plaster over metal lath or gypsum board. 3. Install a heavy self-closing door at the top of the basement stairs. 4. Install electric lights in all closets and attics used for storage. Thus, under no conditions will it be necessary for you or your family to use candles or matches to find things in your closets. 5. If the garage is attached to the house, it should be separated from the house by a vapor-tight partition of approved construction. The only opening in this wall should be equipped with a heavy self-closing door. When the garage leads into any room containing a furnace, the door should have a sill 8 inches above the garage level. OLD HOMES: 1. If your home is not firestopped, it should be. Call in a carpenter to decide on the best method to do this. 2. A non-combustible basement ceiling, as above, may be advisable. 3. A heavy self-closing door at the top of the basement stairs is also desirable. 4. If possible, provide for self-closing doors for any stairway in the house. 5. Inspect the furnace and flues to see that no part of the heating system is defective, worn or rusted. Have any defect fixed by a competent repairman. 6. Some home owners have had a few automatic sprinkler heads attached to the cold water piping in their basements.

REGIONAL ROUNDUP BY JAMES CARLL

The Marfa Sentinel reports an average of 2.68 inches of rain during September, with the year's total 10.72 inches. Ranchmen in the area reported from 21 to 6.36 inches.

The Sentinel also reports that more than 100 antelope were stored there by hunters, with the largest weighing 83 1-2 pounds.

Two Marfa Mexicans broke into a Marfa package store last week and swiped four cases of whiskey. Shades of Paul Jones!

The Matador Tribune reports heavy rainfall throughout the Plains country, with over 10 inches falling at Matador during September. Lakes in the vicinity of Amarillo are full for the first time in years.

Here in McCamey, approximately 2.02 inches of rain fell over the week end.

Coach Carl Coleman's boys moved the carnival from the rodeo grounds to the football field last Friday night as he used every man on the Pecos squad in a futile attempt to keep the score from running up into the three digit class. It was a dream come true for the smaller boys as the second and third strings played the large majority of the game, and did a fine job of it. Frank Lasater, crack sub for Medanich, showed his stuff with many fine runs as also did E. J. Woods, Arnold Fairley and Dan Blair.

The first string started the game off by receiving the kickoff on their own 20 and G. Sullivan returned it 55 yds. to the Pecos 25. Bob Armstrong went over right tackle for 18 and Medanich finished it up with 7 yds, and the first touchdown with a left end run. Bob Armstrong failed to convert.

Three plays later, Pee Wee Walker intercepted a lateral by Harrell on the Sanderson 19. Two plays later, A. Fairley carried the ball over. Medanich converted.

At this point the Pecos second string took over and Willard Adams kicked off to Thompson on the Sanderson 28 where he was hit by Blair and Scroggins and fumbled, Pecos covers the ball on the Sanderson 29. Fairley tried right end for 9 yds. Lasater went over right guard for 3 and Woods reversed around left end for 17 yds. and a touchdown. Medanich failed to convert.

Later in the first quarter, Harrell passed to Murray for 65 yds. and a touchdown for Sanderson. Thompson passed to Murray for the extra point. Fairley fumbled at the end of the first period and Sanderson covered the ball and plugged their way for a second touchdown, Thompson going over left tackle for the score.

With the score 25 to 14, Medanich came back into the game for one play, ran over center for 80 yds. and touchdown. Armstrong plunged over for the extra point, making the score 32 to 14, where it remained the rest of the first half.

The third play of the second half, D. Hamilton, Pecos tackle, blocked Dishman's punt and covered it on the Sanderson 8. Several plays later, Fairley hit over center for the score. Breen kicked the extra point making the score Pecos 39, Sanderson 14.

Bill Basden kicked off for Pecos and Thompson returned it to his own 42 yd. line. Thompson got loose next play for 60 yds., before being caught from behind by D. Stell, Thompson fumbled and Basden recovered. Sullivan punted out of danger, but Sanderson came back and made it over the next time with Murray going over this time. Thompson passed to Harrell but failed to connect for the extra point, score 39 to 21.

Here, Coach Coleman turned the game into a practice session by sending a different man in every play trying to find a player who can catch a pass. After three incomplete passes, Lasater connected with E. J. Woods for 40 yds. and a touchdown. Breen converted, score 46 to 21, favor of Pecos.

Lasater started the fourth quarter by going over center, breaking loose from the entire Sanderson secondary and running 52 yds. for a touchdown. Breen's kick for extra point was blocked. Breen caught the ball and ran it over for a freak conversion. This made the score, Pecos 53, Sanderson 20, where it remained the rest of the game.

An excellent exhibition of fancy drill by the Pecos band was witnessed by the Pecos first string at the half. Although this

was a much needed breather for the Pecos boys, they will be playing hard football next week against the strong Kermit Yellow-jackets here in the first conference game of the season for both teams.

The Pecos boys may have been confused for a while, when they saw Harrell of Sanderson throw a pass and Harrell catch it, but it was only an identical twin back-field combination, the first seen around here in quite a while.

The starting lineups were as follows:

Table with 2 columns: Sanderson and Pecos. Lists players and positions like Magill, Sanchez, LE, Bumgardner, etc.

For Pecos substitutions, just go to the Kermit game next week, pay 10c for a program and read every boy's name on it.

Statistics for the game were as follows:

Table with 2 columns: Pecos and Sanderson. Lists stats like First Downs, No. Punts, Yds. Gained, etc.

That the State Highway Department is ready to begin construction on 15,851 miles of U. S. Highway 285, Pecos to Ft. Stockton, is seen in the fact that the department is advertising for bids on that project. Grading, the building of drainage structures and asphalt topping are planned.

Bids will be opened at the Austin office Oct. 22, at 9 o'clock, a month earlier than was expected at the district office of the organization here.

Representatives of the contracting company were in Pecos Wednesday to look the proposed project over with the view of entering a bid for its construction.

The project would begin at the Pecos city limit and would extend to the end of the paving, which extends from Ft. Stockton toward this city. The unpaved link between the two cities would be paved by this work.

Engineers have estimated the work will cost about \$415,000.

In the meantime, construction has started on a ten-mile project on Hiway 302—Kermit to Odessa—it is announced this week. The public is warned that the detour between Kermit and Odessa will be poor and that motorists should go by way of Monahans if en route to Kermit rather than from Odessa to Kermit. That project

—with two miles at the south edge of Kermit—is to cost \$181,000.00.

Small crowds were in attendance at the races held in connection with the annual Fall Fair and Festival held in Pecos last week end.

Four races were run daily: sheriff's posse, 30 yd. open race, 300-yard roping and 440-yard open.

Local racing enthusiasts are already talking about next year's races and are hopeful that a starting gate will be added to the local track by that time.

Rains falling almost daily in the Alpine area the past week brought an additional 2.10 inches of moisture, the heaviest fall of the week coming last Sunday night when an even inch was gauged.

A total of .80 inches was recorded here last Friday and .15 inches last Sunday morning. Another .21 inches was gauged on Tuesday and .04 Wednesday.

Most of the tri-county area of Brewster, Jeff Davis and Presidio has received good rains to date. Good grass rains have fallen in most of the country in southeast Brewster but many tanks are still dry.

SHERIFF'S SALE THE STATE OF TEXAS COUNTY OF UPTON, ss

Notice is hereby given that by virtue of a certain Execution issued out of the Honorable County Court at Law of Harris County, Texas, on the 6th day of August, A. D. 1946, by W. D. Miller, Clerk of said Court, for the sum of Three Hundred Fifty and No-100 (\$350.00) Dollars and all costs of suit, under a judgment in favor of Will G. Knox, Receiver of the Southern Underwriters, in a certain cause in said Court No. 51056 and styled Will G. Knox, Receiver of the Southern Underwriters vs. Claude Brazell and placed in my hands for service, I, Geo. Maley, as Sheriff of Upton County, Texas, did on the 10th day of Oct. A. D. 1946, levy upon certain Real Estate situated in Upton County, Texas, described as follows, to-wit:

All of Lots Nos. Four (4) and Five (5) in Block Seven (7), of the Town of McCamey, Upton County, Texas, and levied upon as the property of Claude Brazell and that on the first Tuesday in November, A. D. 1946, the same being the 5th day of November, A. D. 1946, at the Court House door of Upton County, in the city of Rankin, Texas, between the hours of 10 A. M. and 4 P. M., by virtue of said levy and said execution, I will sell said above described Real Estate at public vendue for cash, to the highest bidder, all of the interest of the said Claude Brazell which he now has and had in and to the same on the 26th day of March, A. D. 1946.

And in compliance with law I give this notice by publication in the English Language once a week for three consecutive weeks immediately preceding said day of sale, in the Rankin News, a newspaper published in Upton County, Texas.

Witness my hand on this the 10 day of October, A. D. 1946. GEORGE MALEY, Sheriff, Upton County, Texas.

What Causes Destructive Fires?

HERE ARE SOME OF THE ANSWERS

The big majority of fires in the records of the National Board of Fire Underwriters over a five-year period occur in residences or places where people live—home fires.

Approximately three out of four fires, of known causes, start from four main groups of known causes that involve either carelessness, inattention, or plain accidents. Experts believe that nine out of ten of these fires are preventable by good housekeeping and cautious habits.

Over a ten-year period, involving nearly 3 1-2 million claims, or cases, the Actuarial Bureau of the National Board finds ascertainable causes as follows:

- 1. Careless use of matches and smoking... 29.44
2. Defective electric wiring and appliances, or misuse of man's great servant, electricity... 10.23
3. Causes arising from lack of care, inattention and carelessness in use of cooking and heating stoves, etc... 23.65
4. Carelessness with kerosene lamps, candles, open lights of all kinds; kerosene stoves and misuse of gasoline and other inflammable liquids for cleaning and other dangerous purposes... 11.49

Other causes of fire are: Fire originating off premises, i. e., fire that does not start in a man's property, but from other sources beyond his control... 7.74; Lightning... 6.79; Ignition of hot grease, etc... 3.01; Spontaneous combustion... 1.77; Gas... 1.42; Sparks from combustion... .96; Rubbish and litter... .87; Miscellaneous... .77; Explosions... .76; Friction, sparks from machinery... .73; Fireworks, balloons, etc... .30

Veterans County Service Office News

Application forms for new cars are now available to eligible veterans and may be secured from your Veterans County Service Officer, Earl H. Stribling. New automobiles will be given to veterans under the following conditions:

1. The veteran must have lost one or both feet above the ankle.
2. He must file application with the Veterans Administration.
3. The car must cost no more than \$1,600 including the necessary attachments to aid him in operating the vehicle. He may not pay the difference on a car that costs more than the stated amount.
4. He must pass an examination for a driver's license.
5. The veteran will hold no priority, in other words, after approval has been granted, he will have to wait his turn with the dealer and get his car when his name comes up on the list.

For further information on this, see your County Service Officer. While in Lubbock at the Regional Veterans Administration Office, your Veterans County Service Officer found the biggest reason claims are slow in going through is, the veterans are not giving all the information asked for. You must answer every question on these forms and submit evidence, to back up your statements. The Veterans Administration takes nothing for granted. Those veterans who have filed any kind of claim and have heard nothing on them within six weeks should let your

County Service Officer know about this at once.

Assistance to veterans of Upton County in obtaining surplus government property from War Assets Administration will be given next Tuesday and Wednesday, Oct. 22 and 23, at the Veterans Service Center, basement of the Tom Green County Courthouse.

W. L. Roy Wellborne, field certifying officer of the WAA from Fort Worth, will be available from 9 to 1 and 2 to 5 both days. Veterans desiring certification to exercise their priority buying rights should present a copy of an honorable discharge when making application. Complete data on sales for veterans late in October can be obtained from catalogue listings Wellborne will have for vets to inspect.

Veterans of this county can be certified and participate in a huge site sale which opens at Pantex Ordnance Plant Oct. 28. Quantities of textiles, general hardware, industrial belting, binding materials, fire fighting equipment and other materials are available. Veterans only will be waited on at the sale from Oct. 28 through Nov. 1.

This office was made possible by your county to give veterans and their dependents the quickest possible service.

Letter of Thanks

QUESTIONS AND ANSWERS

Q. I am a disabled veteran taking "on-the-job" training under Public Law No. 16. I am receiving pension and also subsistence allowance. My wife recently had a child. May I get an increase for this child while I am in training?

A. Yes. Send a certified copy of the certificate of birth to the VA. The subsistence allowance will be increased \$10 for your first child and \$7 for each additional child.

Q. Is it permissible for a veteran who is receiving a high rate of disability compensation to seek and obtain employment?

A. Yes. There is no VA objection to such action on his part.

Q. I am a disabled veteran and was injured while taking VA rehabilitation training in a machine shop. The doctor says

my left arm will be permanently crippled. Can I get a pension from the Veterans Administration?

A. Yes. You must apply for it within two years of the date of your injury.

Q. I have been advised that my pension is to be reduced in 60 days. What can I do to prevent this reduction?

A. You may submit evidence to show that the reduction is not warranted and your case will be reviewed. The best evidence would be an affidavit from your doctor describing in detail your disability.

Q. May a pension be paid because of a service-connected disability if the veteran did not serve during war-time?

A. Yes. Certain rates of pension are provided for disability contracted in line of duty during military or naval service in peace time.

So he's

an electric eel, so watt?

All right, then, he r-eel-y isn't an eel at all, if you want to be technical. His name's Electrophorus (Gymnotus) Electricus—Jim for short. He's a South American cousin of the carp and catfish. Maybe Jim does pack a wallop of 600 volts when he's hungry or annoyed (and he has a shocking temper)—BUT—

Can he wash 3 tubs of clothes?

Or tell the correct time for 4 days?

Or light a hundred-watt bulb for 3 hours— for a penny?

You bet he can't. He's not usefully eel-ctrified. Frankly, you'd better flip a switch if you want convenient, dependable electricity—all you need—at low cost.

And speaking of low cost—did you know that the average family is getting twice as much electricity for its money as it did 15 years ago? That's no accident—like Jim and his temperamental voltage. Folks in this company have done a good job under sound business management. That's why your electric service is lower in cost—and higher in efficiency—than ever before.

Now That Fall Is Here . . . BY ROSIE

SUB-DEB "RUSHEES" are rushing around this week being initiated in all sorts of ways since this is "Hell" week. Begging money for their presentation which is to take place at the Thanksgiving dance, if plans develop, kept most of them busy. Some of their punishments included not being able to speak to a boy for a whole day, washing the streets with a toothbrush on Wednesday night, wearing signs around their necks, saluting the Sub-Debs, carrying pecans in teaspoons, and dressing outrageous-

ly. This initiation is to continue through Oct. 22. Rushees taking part are Frances Joyce, Wanda Duncan, Earlene Husted, Anna Lou Wade, Claudyne Brown, Ruby Nell Cook, Molly Fox and Martha Lou Neal.

HONORING Malcolm Ham on his 18th birthday, Jeannine Holmes entertained with a birthday party Saturday night, Oct. 12. "Dagwood" sandwiches were made by Virgie and Bill, Sue and Ward, and Malcolm and Jeannine. Six quarts of milk were

also consumed. Malcolm blew out all the lighted candles on the delicious four-tiered birthday cake, signifying that all their wishes would come true, after which the cake was cut and eaten.

DANCING at the Ace of Clubs in Odessa Saturday night were Nelda and Dumps, Patsy and Charlie, (there's a rumor going around that they are engaged), Nell and Billy, Jackie and Jayne, Mr. and Mrs. Edward Williams, Pappy Rogers, Charlie Cox and Warren Hill.

BROWNIE Troop 8 met Tuesday afternoon at the Little House with Mr. Jimmie Boyd as guest speaker. He brought an interesting and timely talk on "Fire Prevention" which the girls enjoyed very much. Brownie Troop 8 now has 22 members and all were present at this meeting.

THE BAPTIST Young People met Tuesday night, Oct. 15, for choir practice and fellowship. Everyone enjoyed the games sponsored by Lou Weddle and Patsy Coplen. Ice cream and cookies were served by Mrs. Key, Ann, and Peggy to the following: Rev. Rogers, Donald Coplen, Mattie Mae Adams, Tommy Simmons, Era Vaughn Teel, Harold Wynne, Mr. Green, Betty Weddle, Bernice Weddle, Emma Lou Weddle, Nelda West, Mary Torrance, Loretta Russell, Mr. and Mrs. Harris, Mrs. Simmons, Peggy Adams, Peggy Key, Ann Key, Mrs. Key, Mr. and Mrs. Walker, Mrs. Coplen, Patsy and Mary Lou Coplen, Daisy House, and Hollis Yates, who visited during the business meeting.

TWENTY FUTURE Homemaking Girls and their sponsor attended an Area Homemaking meeting in Roscoe Saturday, Oct. 12, from 9 o'clock until 3 o'clock. The girls left Monday bright and early at 4 o'clock in the morning and arrived in Roscoe in time for the meeting. About 400 girls from this area of Texas attended. A report of the McCamey Club was made by Peggy Sue Dossey, President.

Those attending included: Billie DeBusk, Peggy Dossey, Patricia Putnam, Almedia Riley, Emma Lou Weddle, Oneta Fowler, Maxine Lindsey, Billie Jean Nelson, Lyndell Vaughn, Joan Brown, Lorraine Burruss, Maria Carrasco, Shirley Hunt, Margie Lindsey, Vena Gay Thompson, Jay Lea Burroughs, Pauline Hickman, Claudyne Brown, Earlene Husted and Mrs. H. E. Stoker.

RIDING AROUND together were Fred Davis and Virginia Hendrickson over the week end. Fred was home from the University of Texas for the week end, looking very nice in his Midshipman's uniform.

DATING quite often these days are J. W. Box and June Stricklan. Also Doris Jean Robins and Morgan.

PICNICKING Sunday afternoon near the Iran bridge were Ward Gregory and Sue Berry, Betty Moore and Rodney Martin.

"TROUBLES" was the honor guest at a weiner roast on King's Mountain Sunday afternoon, with G. H. and Yvonne being the host and hostess.

AN AFTER-THE-GAME dance was held at the American Legion Hall at Iran last Friday night. Staying for it were members of the McCamey High School Band and Pep Squad.

MRS. ROY BOUCHER and her Den of 17 Cub Scouts went on a short hike Saturday to the old City of Cressett. Lunch was carried and a good time was had by all.

Future Homemakers To Observe Future Homemakers Week

The Future Homemakers of McCamey High School will observe Future Homemakers of Texas Week, Oct. 20-26, as proclaimed by Gov. Coke R. Stevenson recently, with various activities.

This week was set aside by Gov. Stevenson because these groups of young people of America are "Building Today For Tomorrow" through their program of work, serving their homes, community, state and nation.

In observance of this week, the Future Homemaking Department here will attend in a group the Sunday morning services at the First Baptist Church of McCamey. On Tuesday, Oct. 22, they will each bring gifts to wrap to send overseas to some student as a participation with all Future Homemakers to celebrate the World Christmas Festival season. Thursday, Oct. 24, a tea will be given for the mothers and faculty members, at which time they will present a small exhibit.

McCamey Home Dem. Club Has Meeting At Shell Hall October 9

The McCamey Home Demonstration Club met in its regular session Wednesday, Oct. 9, at the Shell Hall, with the club being called to order by Mrs. T. L. Fuller, vice-president. Roll call was answered with a household hint.

The program for the afternoon featured a demonstration by Miss Dorothy Snelling on making bedspreads. She proved to the club that very nice spreads could be made of feed sacks.

Mrs. J. T. Gibbs served coffee and pumpkin pie with Halloween decorations to the following:

Mmes. G. N. Irvine, G. C. Fisher, Wilbur M. Harris, A. B. Holley, W. T. Thomas, T. L. Fuller, J. R. Sumrall, C. C. Roberts, and two visitors, Mrs. Burley McCollum and Mrs. Fox.

The next meeting will be on Wednesday, Oct. 23, at the home of Mrs. J. R. Sumrall.

Bakersfield To Have Hallowe'en Carnival On October 29th

The Bakersfield community will have a Hallowe'en Carnival Tuesday night, Oct. 29, for the purpose of raising \$50 to buy a set of silverware for the community kitchen at the school house.

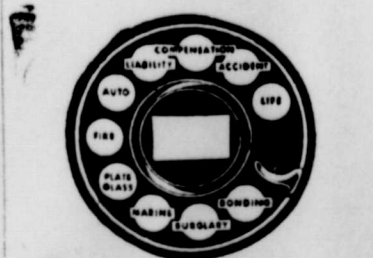

There will be a kitchen where hot dogs, coffee and home made pie will be sold. Various booths with all sorts of amusement for everyone will be open for entertainment.

A student of Bakersfield school will be crowned queen during the night.

Christmas Parcels To Forward Areas Should Be Mailed By Oct. 15

Christmas parcels intended for Naval and Marine Corps personnel in the extreme forward areas should be mailed not later than Oct. 15, to afford probability of delivery before Christmas Day. Parcels for personnel known to be in an area permitting subsequent mailing may be mailed at appropriate dates selected by the sender.

It is important that parcels for overseas be packed in exceptionally strong containers, that the sender follow the postal regulations which prohibits mailing perishables overseas, that the full name, serial number and complete address of the recipient be used, and that all packages containing valuables be insured. Poor packing often results not only in the loss of the one package, but also in damage to other

Friday Round-Up

Cotton turned downward from its peak, but grains climbed up higher and livestock, poultry, eggs, and other farm products remained steady to stronger at most southwest markets last week, USDA's Production and Marketing Administration reported today.

Strong cotton prices last week

almost reached 39c, but later receded, and the close was irregular. Most southwest farmers continued to sell their cotton as soon as it was ginned, but the lower basis caused a slight holding tendency after mid-week. Demand appeared a little less aggressive, but absorbed all offerings.

About 27 per cent of the estimated production of 8,724,000 bales was ginned through September, with quality above a year ago. However, rain in Texas, Oklahoma and New Mexico damaged open cotton and retarded harvest.

Cloudy and wet weather interfered with peanut digging last week. Prices held steady at the loan-support level. Demand for shelled stock was light.

Rice harvest made good progress in Texas, Louisiana and Arkansas last week. Milled rice markets became more active as shipments of new rice increased. Prices held steady at OPA maximum with supplies far below demand. Other grains were in good demand, too, and higher.

Sorghum gained 30c a cwt., corn 5c a bu., oats 4c, wheat 3c and barley 2c.

Scant offerings of feed coupled with urgent demand kept prices firm. Farmers in many instances traded their cotton seed for meal. Hay held steady with demand active for good quality alfalfa.

Southwest fruits and vegetables brought steady to higher prices last week at most shipping points and consumer markets. Colorado reported light haulings of onions and potatoes due to wet fields helped strengthen the prices. Sweet Spanish onions brought 65c to 85c a 50-lb. sack, depending on size, and washed dark Red McClure potatoes \$1.85 to \$1.90 a 100-lb. sack. Louisiana sweet potatoes were up 10c to 20c a bushel over the previous week's close at \$2.50 for U. S. No. 1 Porto Ricans. Even at this price most haulings were going into storage. New Mexico and Arkansas apples held steady.

Demand remained good for the light egg and poultry supplies and prices firm. Dealers reported higher prices were discouraging some buyers. Current receipt eggs ranged from 40c to 60c per dozen. Heavy hens generally brought 27c to 33c a pound except at New Orleans where they ranged from 37c to 41c.

Southwest hog markets received 5,075 head this past week compared to 4,810 of the previous week. All offerings held steady at ceiling.

Small sheep and lamb supplies sold quickly at steady to stronger prices last week at most southwest markets. Medium and good fat lambs brought \$15 to \$16, Ft. Worth; common and medium wooled lambs, \$12.50 to \$15.25, San Antonio; medium and good truckins, \$17 to \$18.50, Denver, and good choice lambs, \$18 to \$19, Oklahoma City.

Mostly stockers and feeders showed up at southwest cattle markets last week. Scant supplies of slaughter cattle held steady, but other classes tended weak. Common and medium steers and yearlings brought \$11.50 to \$14.50, Houston; \$13.50 to \$16, San Antonio, and \$12 to \$17, Fort Worth. Stocker and feeder steers realized \$14.50 to \$16.75, Oklahoma City; \$14 to \$16, Wichita, and \$13 to \$17.50, Denver.

Texas producers sold some fall wools, but demand at Boston slowed down considerably because buyers had bought ahead in anticipation of a rise in resale prices, now postponed until Oct. 14. Buyers resisted Texas mohair at 61c a pound for adult hair, 71c for yearling and 81c for kid hair.

Delta Kappa Gamma Holds Regional Meet In Odessa October 12

Delta Kappa Gamma, a national honorary society for women, held its annual regional meeting Saturday, Oct. 12, in Odessa, with Beta Kappa Chapter acting as hostess.

One hundred and two members of the organization registered. Miss Julia B. Hubbell, Dean of Women at East Texas State Teachers College and Past State President of Delta Kappa Gamma, presided over the meeting.

Interesting and beneficial panel discussions were carried on the group.

Eighteen initiates were received into the Delta Kappa Gamma. Following the business meeting and initiation, a luncheon was served at the First Methodist Church. One hundred four members and guests were served. The seasonal football theme was carried out in the table decorations, the menus, the program and the initiations. The Odessa members of Beta Kappa Chapter presented a most interesting and fitting entertainment.

Six of the seven chapters of Delta Kappa Gamma of this region were represented. Towns represented were Iraan, McCamey, Crane, Wink, Monahans, Pecos, Kermit, Odessa, Midland, Big Spring, Stanton, Lamesa, Denver City, Seminole, Valentine, El Paso and Lenora.

Those attending from McCamey were Miss N. Ethie Egleton and Mrs. M. H. Moorman.

Lum 'n' Abner Re-Live Origin As Pine Ridge Gay Blades

For their sixth film adventure, the popular screen and radio Lum and Abner revert to the Pine Ridge pair's first meeting

in the Arkansas village, and the foundation of their Jot-Em-Down store, in their latest comedy, "Partners In Time," at the Grand Friday and Saturday, Oct. 18-19.

The reason for this turning back of the calendar is Squire Skimp's iniquitous scheme to put the boys out of business. The Squire brings forth a shady client who claims to be the legal heir to the Jot-Em-Down Store property. To refute the claim, Lum and Abner look up old records and reminisce about their experiences in Pine Ridge in 1904

Better Prepared Now Than Ever to Produce
QUALITY BAKED GOODS!

From where I sit... by Joe Marsh

Want a Vacation from Marriage?

Alvin Blake went south on his vacation, for some fishing, and left his Missus to enjoy a vacation from the corn-cob pipe, clothes in a heap, and solos on the harmonica.

First few days, Martha enjoyed it—house neat and quiet, top back on the toothpaste, no morning mess from Alvin's midnight snacks (Al's partial to a bit of cheese and beer at bedtime).

Come the end of the week, she began to fidget; couldn't even read the *Clarion*, it looked so unmissed; didn't have any appetite with no

body to cook for. She was about to wire Al, when he barges home a week ahead of time, and she almost cries for gratitude. ("Felt the same way myself," says Al.)

From where I sit, those differences of habit and opinion—whether they have to do with corn-cob pipes, a glass of beer, or playing the harmonica, seem mighty trivial when you're separated. And they are, too!

Two Wildcats and 23 Field Tests Are Staked Last Week

Oil exploration and development in West Texas took a nose dive last week, locations being staked for only 23 tests—two for wildcats and 23 in fields—in ten counties compared with one for a wildcat and 38 in proven areas the preceding week.

This was the smallest number of starters since the week ending Sept. 4 when 25 locations, including one for a wildcat, were listed in 11 counties.

Totals for the year became 143 locations for wildcats and 1,175 in fields, a grand total of 1,318. This dropped the weekly average from 34.29 to 33.48.

Andrews and Dawson Counties gained a wildcat each last week. Winkler led in field locations with five, Crane and Ector Counties recorded three each, Andrews, Cochran, Crockett, Dawson and Upton two each, and Howard and Ward Counties one each.

Locations for Crane and Upton Counties follow:

CRANE COUNTY

Gulf No. 92 W. N. Waddell, 330 from the south, 1,650 ft. from the west line of sec. 10-B23-phl; 3,500 ft. Waddell field.

Gulf No. 93 W. N. Waddell, 880 from N, 2,200 ft. from E line of sec. 10-B23-psl; 3,500 feet, Waddell field.

UPTON COUNTY

Gulf No. 299 J. T. McElroy, 2-253 ft. from S, 934 ft. from W line of sec. 187-F-CCSD&RGNG; 2,975 ft., McElroy field.

C. E. Marsh, II, No. 7-C R. P. Ricker, 1,650 from NE, 3,630 feet from NW line of sec. 6-R-E. C. Grooms; 3,000 ft., McCamey field.

News Of Interest To The Veterans

The leaders in education, religion, labor, industry and government joined efforts this week to develop and employ the abilities of those who are physically handicapped.

By official proclamation, President Truman set the week of October 6 as "National Employ the Physically Handicapped Week." The nation-wide drive is sponsored by a special committee of which the Veterans Administration is a member.

The committee pointed out that upwards of 300,000 physically handicapped are registered with the U. S. Employment Service. They are looking for suitable jobs.

Of these, about a quarter of a million are disabled war veterans according to VA, well over 100,000 veterans are now in training under Public Law 16. Many of them will be looking for jobs when their training is over.

Besides the disabled veterans, there are many other Americans with physical handicaps who are not holding jobs fully suited to their abilities. They number about 2,500,000, the committee said.

A survey by the Department of Labor shows these important points: Handicapped workers make quick job adjustments; they are equal and often superior to the able-bodied in productivity; their safety records are as good or better than those of fellow workers; they tend to have better records of attendance; they change jobs less frequently.

Hoping to set an example, VA has set up special interviewing units to place physically-handicapped people in VA jobs. VA is now employing well over 10,000 disabled veterans.

All beneficiaries drawing checks from the Veterans Administration were warned this week they will encounter delays in receiving their allotments if they do not notify VA of changes of address. New addresses must be reported to VA over the beneficiary's own signature, or checks will be undeliverable, VA said.

Crane Fields Are Looking Good

Gulf No. 8-E McKnight, scheduled 9,000-foot wildcat in NW Crane County, drillstem tested lower Permian from 6,550-6,515 feet for one hour and recovered 630 feet of drilling mud with no shows. It drilled ahead at 6,715 in lime.

Gulf No. 1-HH University, proposed 10,000-foot wildcat in C NE Crane County, had progressed to 4,460 ft. in lime.

Poage Is Winner In Roping Contest At The Pecos Fair

Walton Poage defeated Lefty Wilkens in an 8-calf matched roping during the Pecos Fair with 19.5 seconds to spare. The total time for Poage was 162.6 to Wilkens' 172.1, however, Wilkens came up with the best time on a single calf with 15.2 seconds. In a jack-pot roping contest, Walton Poage took first in the bracket and N. A. Pitcock took first in the second go-around.

Jim Espy defeated N. A. Pitcock in a 6-calf matched roping and Johnnie Fitzgerald beat Clive Acton. Buddy Neal and Walton Poage took first place in the team tying.

Results of Sunday's events: 8-calf matched roping: Walton Poage, 162.6; Lefty Wilkens, 172.1.

Jack-pot calf roping: First bracket; first, Walton Poage; second, Jim Espy; third, Johnnie Fitzgerald. Second bracket: 1st, N. A. Pitcock; second, Walton Poage; third, Harry Howard.

6-calf matched roping: Jim Espy first with a time of 102.7; N. A. Pitcock, 113.0.

4-calf matched roping: Johnnie Fitzgerald, 54.1; Clive Acton, 68.0.

Forces of Attraction
Make the Tide "Come In" . . .
and OIL-PLATE Your Engine!

EVERYONE knows that tides are caused by the strange force of attraction exerted on the sea by the moon.

Utilizing molecular attraction (basic force that holds things together) Conoco scientists bring America's motorists new and better oils. In fact, a special ingredient of Conoco Nth motor oil is bonded to working surfaces of your engine by an attraction so strong that cylinder walls and other parts are OIL-PLATED.

And because molecular attraction holds Conoco OIL-PLATING up where it belongs . . . prevents it from all draining down to the crankcase, even overnight . . . you get these benefits:

- added protection when your engine starts up
- added protection from corrosive action
- added protection from wear that leads to fouling sludge and carbon
- added smooth, silent miles

That's why to OIL-PLATE now . . . at Your Conoco Mileage Merchant's. Look for the red triangle. Continental Oil Company

THE CHURCH OF CHRIST

Box 283 Phone 192-W McCamey, Texas

All scripture quotations from the American Standard Version. "Whosoever goeth onward and abideth not in the teaching of Christ, hath not God." (2 Jno. 9)

THOU SHALT DIE

"In those days was Hezekiah sick unto death. And Isaiah the Prophet the son of Amoz came to him, and said unto him, Thus saith Jehovah, Set thy house in order, for THOU SHALT DIE, and not live." (2 Kings 20:1). Jeremiah, the son of Hilkiah, said unto Hananiah, "Thus saith Jehovah Behold, I will send thee away from off the face of the earth: This year THOU SHALT DIE." (Jer. 28:16).

These startling words came first unto Hezekiah and afterward to Hananiah, the Prophet. Hezekiah, on hearing these words, was sorely oppressed and wept before Jehovah, making supplication unto God for an extension of time. God granted Hezekiah 15 additional years but "Hananiah the prophet died the same year in the seventh month." (Jer. 28:17).

To a New Testament character God said, "This night is thy soul required of thee." (Lk. 12:20). We never know until death strikes who will be the next victim. The uncertainty of life should cause us no little concern as to whether we are ready to die. All men are under the sentence of death. (Heb. 9:27), yet in the face of such a reality, men live as if they were never going to die. Even 1946 will, beyond a doubt, be the closing year of time on earth for some who read these lines. It may be the writer or it may be you. In view of this pressing truth, would you carefully consider the following questions:

IF THIS WERE YOUR LAST YEAR TO LIVE AND TO PREPARE FOR ETERNITY—

Would you become a CHRISTIAN? God requires you to be nothing but a CHRISTIAN. (Acts 11:26; 1 Pet. 4:16).

Would you remain in an UNSCRIPTURAL church, which is NOT mentioned in the New Testament, when you have every opportunity of being a member of Christ's Church which IS mentioned in the New Testament. (Rom. 16:16; Acts 20:28). God, not I, has consigned all UNSCRIPTURAL churches to the PIT of everlasting shame and torment, for they shall be ROOTED UP! (Matt. 15:13-14). "Except Jehovah build the house, they labor in vain that build it." (Psa. 127:1). God has built ONE house or church and it shall stand for ever. (1 Tim. 3:15; Matt. 16:18).

Would you be satisfied with SPRINKLING for baptism, when the Lord plainly states that we are BURIED WITH HIM IN BAPTISM. (Rom. 6:4; Col. 2:12) and that baptism is a going DOWN into the water and a coming UP out of the water (Acts 8:38-39), and that it takes "MUCH WATER"? (Jno. 3:23).

Would you be satisfied with a baptism which is UNESSENTIAL TO YOUR SALVATION? God plainly states that baptism SAVES. (1 Pet. 3:21). Furthermore, it is the ONLY acts which puts one INTO Christ, where all spiritual blessings are found. (Rom. 6:3; Gal. 3:27; Eph. 1:3).

Could you possibly face your Lord with a clear conscience after telling people that faith ONLY saves, when Jesus says faith ONLY does not save? (Jas. 2:20). "Would you welcome the coming of HIM who said, "He that BELIEVETH shall be SAVED," when you have said, "He that believeth is already saved and is baptized because he has been saved?"

THOU SHALT DIE! Are you prepared? Set your house in order and make it sure as you can for Eternity is never-ending and Hell is a place of unspeakable horror and pain. (Mk. 9:47-48; Rev. 14:10).

"Every plant which My Heavenly Father planted not, shall be rooted up." (Matt. 15:13).

Bridal Shower Honors Recent Bride-Elect

Mrs. Billy Wayne Weinland, formerly Lib James, recent bride-elect of Billy Wayne Weinland, was the honoree at a bridal shower given in the recreation room of the First Christian Church on Monday night, Oct. 14, at 8:00 o'clock.

Hostesses included: Mmes. N. V. Gilliland, Joan Hesley, Faye Bond, G. N. St. John, Ruby Cook, A. S. Andrew and Donald Smith.

The program consisted of a piano duet by Beatrice Wolf and Claudyne Brown, and a solo by Ann Hawkins, "Always."

The room was beautifully decorated with dahlias. Mrs. W. O. Weinland poured coffee and Mrs. A. S. Andrews served cake from a table laid with a maderia cloth, with an antique bowl of pink roses and tall white candles in crystal holders as the centerpiece.

Those attending the shower were as follows: Mmes. J. S. Davis, T. W. Thornton, Johnny Spain, Cad Brewer, W. O. Weinland, H. F. Copeland, R. S. Cope, Howard Stoker, Jack Tilson, Arthur C. Fleming, Leonard Shafer, Dale Keneaster, O. H. Haley, Cahal Clinton, L. N. Cummins, Bury McCollum, and Misses Billie Jean Crow, Ann Hawkins, Beatrice Wolf, and Claudyne Brown.

Those sending gifts were:

Mmes. Wallace Fleming, Wallace Littlejohn, Drex Ash, Blake Brown, J. M. Slaughter, Edith Mclear, T. A. Pauley, H. H. Dosey, J. D. Carter, Jr., John Sides, Bud Fisher, Dewey Jones, Fred Gibson, Doug Reeves, Tom Edwards, W. R. Edwards, Paul Green, Frances Elliott, Olin Smith, M. D. Smith, T. G. Roach, A. Cullins, S. R. Braly, G. Parks, Yale Key, and Mr. Doug Gilliland, and Misses Nell Davis, Marie Edwards, Elizabeth Cope and Frances Shafer.

Out-of-town friends sending gifts were: Mr. J. N. Frierson, Mrs. W. S. Turnbaugh, and Mrs. Amos Jumper.

DOPE SHEET

BY CHUCK

This week the Badgers meet Medianich and Company of Pecos on the home gridiron. We figure it will take better defensive work than the Badgers have shown to date to keep Johnny Medianich and Bob Armstrong from scoring one or two touchdowns apiece, notwithstanding the fact that Pecos and McCamey won over Fort Stockton by identical scores. Pecos rolled over Kermit last Friday by a score of 39-12, while the Badgers were hard-pressed to hold Iraan to a 7-7 tie. Iraan had the best of it in the statistical columns, rolling up 291 yards rushing to McCamey's 136. Wink rested last Friday. Crane, November 8 opponent of the Badgers, lost to Fort Stockton last Friday, 30-12.

McCamey Garden Club Has Harvest Dinner October 9

The McCamey Garden Club held its annual harvest dinner on Wednesday night, Oct. 9, at 7:30 o'clock in the recreational room of the First Christian Church.

Hostesses for the occasion were Mrs. T. L. Fuller, Chairman; Mrs. J. T. Gibbs, and Mrs. Walter Harris. The dinner consisted of dishes produced and harvested by the Garden Club members. Queen's wreath was used as centerpiece for the table.

Following the dinner, Mr. E. M. Owens introduced the guest speaker of the evening, Mr. Henry Ragsdale of San Angelo. Mr. Ragsdale, whose hobby is photography, gave an interesting program on flowers, illustrated with pictures in technicolor. He not only showed flowers in their native growth, but also in flower arrangements. Some beautiful pictures also were shown of moonlight on Lake Nasworthy in San Angelo.

eral lengthy gains, but these were few by either club. Cade of Iraan stopped one McCamey drive by intercepting a long pass in the second quarter and Ham of McCamey was constantly hounded in his pass attempts by Phillips, Herndon, Powell and Ford of the Braves. The Iraan line simply would not let Ham get set to get off accurate long passes. Equally as effective was the Badger line, which played hard, aggressive football.

The largest crowd of the season witnessed the grueling battle.

This week the Braves entertain the Grandfalls Cowboys in the second district game of the season.
