SUCCESSOR TO UPTON COUNTY JOURNAL

VOLUME 20—NUMBER 45

RANKIN, UPTON COUNTY, TEXAS

FRIDAY, OCTOBER 25, 1945

SAN ANTONIO, TEXAS (Special)—General Jonathan M. Wainwright, Fourth Army Commander and Army advisor for the Texas USO Campaign, visits a USO Show ward performance on its tour of Brooks General Hospital at San Antonio, Texas.
In the picture above are Helene Denizan, USO performer of Lemhurst, Long Island, N. Y., General Wainwright, Vernon R. Rogers, Rt. 1, Sadler, Texas, and a friend.
General Wainwright, the hero of Bataan, congratulated members of the USO Camp Show "Breezing Along" on the "Perfectly wonderful job" USO is doing for the morale of the men in hospitals. He said "USO all over the world has rendered inestimable service to our armed forces. Hostilities have ceased but the USO must carry on."
Referring to the Texas drive to raise its \$800,000 quota of the \$19,000,000 necessary to carry on USO activities in 1947, General Wainwright said "May your campaign be a huge success."
USO activities scheduled to continue through 1947 include 135 USO Camp Shows playing Army, Navy, and VA hospitals and overseas bases, 400 clubs in the United States and in the Pacific areas where the Army and Navy have requested them and hundreds of USO Traveler's Aid Lounges in the United States.

Downtown Sunday School Class Begun At Rankin Sunday

A downtown Sunday School Class for men was organized on Sunday morning in the Masonic Lodge reception room on Main Street under the auspices of the Methodist and Baptist churches. Refreshments of cake and coffee greeted the men at ten o'clock. Twelve were present for this initial meeting and the class organization includes the following officers:
President—C. G. Taylor
First Vice President—A. J. Mitchell.
Second Vice President—Pete Pollard.
Third Vice President—Eddie Yoeham.
Secretary and Treasurer—J. D. Hurst.
Business places ordinarily open on Sunday morning closed for the Sunday School hour and it is hoped and expected that the class will steadily increase in number.

Rankin Baptist Church Choir Re-organized

The choir of the First Baptist Church was re-organized this past week under the direction of Mrs. Tom Workman. Twenty-one reported for choir practice at the church on Tuesday night with 18 in their places at the church hour Sunday morning.

Rankinites Return From Big Game Hunt

Messrs. C. G. Taylor, J. Lane and H. F. Neal, all of Rankin, have returned from a big game hunt in the State of Colorado. In company with a group from Fort Stockton, they were successful in bagging deer, elk and a bear on the hunt.

Denver Cityites Visit Powells In Rankin

Mr. and Mrs. C. C. Parks and two children of Denver City, Texas, have been guests this week in the home of Mrs. Parks' parents, Mr. and Mrs. J. W. Powell, in Rankin. Mr. Parks, who is employed by the Shell Oil Co., is being transferred to Seymour, Texas, to which place the family is moving.

Dr. and Mrs. J. C. Bredehoff have returned from Temple, where Mrs. Bredehoff, who has been ill for some time, was taken for treatment.

RANKIN PERSONALS

Earl Hood of the Harlan Hotel left Monday night for a visit with relatives in Memphis, Tenn., and points in Mississippi. He expects to be gone two or three weeks.

Among the ill in Rankin at this time are Mr. A. J. Bushong, Mr. A. F. Eades, Mrs. J. C. Bredehoff and the baby daughter of Mr. and Mrs. Wesley Reddin. Mrs. Stanley Eddins remains ill in the Shannon Hospital, San Angelo.

Attending the Southwest Texas Conference of the Methodist Church in San Antonio this week are Rev. D. G. Hardt, Mrs. R. O. White, Delegate, and Fields Edwin Branch, Youth Delegate. The party left Wednesday for the Conference.

Mr. John Bennett of Ft. Stockton was a business visitor in Rankin Monday.

Mr. and Mrs. Jim Perryman and son, Jimmy, spent the week end in Fort Worth. Mr. Perryman is with the Geotechnical crew of Dallas now working out of Rankin.

Mrs. R. L. Herring, Mrs. Dorothy Ferrell and son, Lonnie, of Rankin have returned from a two weeks' visit in Port Neches, Texas.

R. D. McSpadden of Rankin, who was taken suddenly ill in Weatherford three weeks ago and underwent surgery there, has been returned to his home and is recuperating nicely.

Mary Alice Bell and Leslie Smith of Rankin attended the homecoming activities at Texas Tech last week end, including the Tech-Baylor football game which ended with a score of Tech 13, Baylor 0.

Golf Tournament To Be Held at McCamey

A golf club tournament will be held at the McCamey Country Club Saturday and Sunday, Oct. 26-27. The entry fee will be \$1. Entries are asked to post their qualifying score by Saturday afternoon in order that they can be matched and start play early Sunday. Prizes will be awarded.

CARD OF THANKS

We wish to thank everyone who was so kind and thoughtful at the recent death of our loved one. May God bless each of you.

Mrs. L. R. Knight and family.

SQUIBS BY JAY

GIRLS, PLEASE NOTE! When visiting a bachelor's abode with mother, do not become too inquisitive. You are quite likely to find anything from a tube of Ipana to a life-size model of the Queen Elizabeth stashed away in the dern place.

For instance, this writer was poking around in the dresser-drawer—always open—of a local popular young bachelor the other afternoon. Attracted by the numerous items crammed into the drawer, the writer decided to catalog them. An itemized list appears below:

- Copy of "Tombstone"
- Wrist watch
- 3 handkerchiefs
- Two packs of Camels
- 3 boxes of penny matches
- Bar of Lava soap
- Empty peanut can
- Bottle of "Field and Stream" shaving lotion.
- 1 calling card
- Empty imitation leather cigarette case.
- Bottle of Jergen's Lotion.
- Razor
- Coca-Cola bottle top
- 3 pencils
- Fountain pen
- Bottle opener
- Empty "Thin Gillette Blade" package.
- Snapshot
- Bank Statement, thin
- Box of Pine Tree matches
- Pearl-handled knife
- Empty card-holder
- Pair of scissors
- Finger splint
- Flashlight, weak battery
- Can of "Mennen Talcum for Men."
- Check book, extra thin
- 2 address books, one thick and one thin.
- Clothespin
- Empty toothbrush case
- Bundle of twine
- Dresser-drawer handle, unattached.

McCamey-Pecos Game Aired Over KIUN

The Badger-Pecos Eagle game, which Pecos won 51-18, was broadcast over radio station KIUN, Pecos. Jack Hawkins, part owner of the station, handled the play-by-play account of the game from the Badger press box, with Don Brooks handling commercials and color.
J. D. Bull, former Pecos Eagle football player, covered the game for the Pecos Enterprise.

Doughnuts—Mrs. Tommy Stephenson and Mrs. Alvin Bushong.

As previously announced, each patron is asked to furnish either a cake or two pies for the affair. A very special assortment of prizes will be on the bingo table this year and there promises to be plenty of entertainment for everyone.

This year's carnival will be held in the High School Auditorium.

Badgers Unable To Stop Medanich And Armstrong Thrusts

The Pecos Eagles, sparked by two amazing backs, John Medanich and Bob Armstrong, ran over our own Badgers here last Friday night by a lop-sided score of 51-18. A capacity crowd, stunned by the offensive power of the title-bound Eagles, drew some solace from the fact that the Badgers never stopped fighting and scored three touchdowns against the team this writer believes to be the best in the district.

Fecos started the scoring early in the first period when Medanich crashed over from the 1-yard stripe. It took just four plays—the first four Pecos ran off—to rack up the touchdown. Taking the ball on the McCamey 47, they coupled two offside penalties against the Badgers, 3 36-yard dash by Medanich to the 1-yard stripe and a Medanich plunge through the center of the line for the tally.

Pecos' second score came a few minutes later when the Eagles fell on a Badger fumble on the McCamey 38. It took just one play. Armstrong faked into the center of the line, lateraled back to Medanich, who faded swiftly back and to his own left, then tossed a bullet pass to Breen, standing on the goal line, for the marker.

Another Badger fumble, taken by Pecos on the Badger 25, was turned into Pecos' third tally in just two plays. Bob Armstrong crashed the center of the Badger line for 11 yards and a first down on the McCamey 11. Medanich then passed to Ervin for the touchdown.

In the second quarter, Medanich unleashed a terrific run around the Badger left end from the McCamey 45, romping into the end zone with hardly a hand being laid on him.

An intercepted pass set up Pecos' next score. Bob Armstrong snagged a Ham pass on the Badger 44. Medanich immediately toted the mail to the 23, where he was stopped by Bob Ruble. McCamey received an off-side to the 18, then Medanich carried to the 6. Armstrong bulled through the middle of the line for the score.

A Pecos fumble gave McCamey its scoring chance late in the second stanza, the Badgers taking over on the Eagle 15. A 5-yd. offside penalty against Pecos placed the oval on the 10. Ruble rammed for 5. Ham tossed to Wilson for the touchdown.

Rankin W. S. C. S. Hears Book Review By Mrs. Pollard

"My Indian Family" was presented in a book review by Mrs. Pete Pollard at the regular meeting of the Women's Society for Christian Service at the Rankin Methodist Church on Monday afternoon.

The review, which was given in a most excellent presentation by Mrs. Pollard, was in keeping with the society's current study on India.

Mrs. John Christy played Indian music on the organ in keeping with the program.

A number of ladies were guests of the society on this occasion.

Members of Rankin Chapter Attend Grand Chapter of O. E. S.

Seven members of Rankin Chapter are attending Grand Chapter, Order of the Eastern Star, in Houston this week. Leaving San Angelo by train Sunday night for Houston for the session were Mmes. J. W. Robbins, Randolph Moore, Clint Shaw, Walton Harral, C. J. Holcomb, W. A. Hudson and Miss Maggie Taylor.

DALLAS, TEXAS (Special)—Governor-Nominate Beauford Jester, center, introduces Col. Carl Phinney, Texas USO Campaign chairman, and Paul Griffith, right, newly elected national commander of the American Legion. L. A. Stuart, District Legion Commander, is seated at the left.
Commander Griffith, honor guest at American Legion Day at the State Fair of Texas, congratulated Col. Phinney on the "brilliant job" USO has been doing. "Morale is as important in peace as in war and we still have more than 100,000 Texans in service and in hospitals who need USO services next year," Governor-Nominate Jester said, pledging his support to the drive, led by Gov. Coke Stevenson, Texas USO general chairman, to raise the Texas USO quota of \$800,000.

Final Go-Round!

The final USO drive is on. Upton County's quota is only \$560. I believe that this quota can be filled in a single day—on a strictly volunteer basis.

The objectives of USO for 1947 are outlined in other editorial copy in this issue, so I will not take up your time with duplication.

Rather, I ask that each subscriber to The NEWS read these editorials, then—if you feel that your contribution will go to a worthwhile cause—mail your check to Rankin Chairman Andy Mitchell if you live in the Rankin area, or to General Chairman Cuthbert Carll if you live in the McCamey area.

The names of all who donate to this worthy cause, with the amount, will be published in the November 2 issue of the NEWS.

The aid of Upton schools, clergy and clubs is solicited. Due credit will be given each organization contributing. Thank you all.

James Carll.

Let's Pay This Debt

BY LINDSLEY F. KIMBALL

President United Service Organizations, Inc.

Throughout the years of war the dreams of every American were directed toward the day when he would once again live in a peaceful world. Service man and civilian, each had his private hopes, but they all depended on a state of peace. Well, V-J Day is behind us. Germany and Japan have surrendered. We are certainly not at war. But are we at peace? Can we consider ourselves at peace as long as we must maintain our armed forces by conscription of our young men? Can we consider the world stabilized as long as it is necessary to maintain armies thousands of miles from our shores? It seems unlikely. For the million and more men who still serve us, the war is NOT over.

Our present Army . . . in common with the other branches of the service . . . is a mixture of men with vastly different military and civilian backgrounds. Today's services are composed of combat veterans, old-timers, and neophytes, who are just beginning the long road to military maturity.

There have been two major factors which have added to the complexity of USO's task of providing a home away from home for the service man. First, during the war the emphasis was always on the service man. Whenever you went to a movie, picked up a newspaper or magazine, listened to the radio, you were confronted with the heroic deeds of our men all over the world. Now the day of heroic deeds is past and there are new activities to capture the interest of a fickle public. This has led to an unfortunate apathy to the problems of the man in service. Where sight of a uniform once evoked admiration, it now, more often than not, calls for a smile and an attitude of "that kid's lucky . . . he missed the shooting."

Second, USO's task of providing for the man in service has been complicated by the complexity of the group with which it deals. Service clubs near veterans hospitals have entirely different problems from those near training camps. On the one hand, they deal with physically, and sometimes spiritually, handicapped men; on the other hand, with the very young group which constitute our services today. The same dual nature of the problem of working for the service man carries over into every USO activity. Camp Shows, railroad lounges, service clubs—all have been faced with the problems of serving a new, a different Army from any that existed before. An "interim" Army.

Remember that a large part of our present military strength . . . that strength so necessary to our country's safety . . . depends on men who are serving America involuntarily . . . willingly, yes . . . but still not of their own free will. They are paying the debt of service every American owes to his country. We must not fail to pay the debt we owe these men.

What's Left To Do—How USO Will Do It

The unfinished task of the USO is part of the unfinished task of winning the war—of safeguarding the fruits of victory so that peace can be made secure.

For maintaining essential services to the 2,000,000 or more who will be the U. S. forces in 1947 USO must carry on.

USO HAS THREE MAJOR OBLIGATIONS TO MEET IN 1947:

1. To serve those veterans of the war who will not yet have been released from hospitals and military service by the end of 1946.
2. To provide interim activities for the peacetime armed forces, until some permanent plan for morale services for the enlarged Army and Navy has been completed.
3. To accomplish its own orderly demobilization at such a tempo that it does not add to the general confusion, but remains a steadying influence during the transition to permanent peace.

USO OPERATIONS IN 1947 WILL INCLUDE:

- 350-400 USO Clubs in the United States for hospitalized veterans, troops in training and families of service men.
- Station Lounges, Travelers Aid Services and Clubs at transportation points for troops in transit, men on leave, and relatives of the service men en route to military establishments.
- Overseas Clubs in the Philippines, Hawaii, Alaska, Canal Zone, Puerto Rico, the Antilles, Newfoundland and Labrador.
- Camp Shows entertainment for service men as well as veterans in hospitals.

Let's Vote for This Amendment

(Texas Legion News)

Texas Legionnaires should all go to the polls on Thursday, Nov. 7, and by their votes assure the passage of a proposed constitutional amendment which will create a Veterans' Land Board which is designed to give 10,000 Texas veterans farms and ranches.

This amendment has twice received the backing of the American Legion, at the Fort Worth War Conference in 1945 and at the recent state convention in Galveston. Since our organization is the leading one dedicated to veterans' activities, it behooves us all to make a special effort to get out and vote for its passage.

And it will require a special effort. It will be voted upon two days following the general election the first Tuesday in November. A clerical slip-up made it necessary to hold a separate election two days later than the general election.

Land Commissioner Bascom Giles, who is sponsoring the bill, has asked the Texas Legion News to bring before Texas Legislatures the urgency of getting out the vote on Nov. 7.

Highlights of the amendment are that it was passed unanimously by the house and senate of the last legislature; that the board will be composed of the governor, attorney general and general land commissioner; that such board is given authority in concurrence with the legislature to issue bonds up to \$25,000,000 for the purchase of additional land from the federal government, individual and other state agencies located in every sector of the state; that bonds bearing three per cent interest will be sold to other state departments carrying heavy surplus funds now un-invested, thus ELIMINATING THE NECESSITY OF ANY ADDITIONAL TAXES.

It should be pointed out that under the amendment veterans would NOT be required to "homestead" or live upon their land. They also would not be prohibited from selling their equity.

It is planned that farms ranging from 50 acres to ranches up to 2500 acres be purchased by the veterans, thus providing a wide variety of crop and livestock production in various parts of Texas. Each veteran would be limited to a maximum purchase of \$5,000. His bid and check would be accompanied with a photostatic copy of his discharge. The entire purchase routine is planned to be dressed down to the simplest possible form with a minimum of usual red tape.

Only Texas veterans will be allowed to enter bids. The land would be sold either for all cash or for as low as one tenth down payment with notes to run for 40 years bearing four per cent interest per annum. Finally the veteran purchaser retains a seven-eighth mineral fee on sulphur and fifteen-sixteenth on oil and gas.

In this amendment, Texas is proposing to do something tangible for its own veterans. Many are anxious to enter the ranching and farming business on a modest scale. Commissioner Giles has received more than 3,000 inquiries from men and women veterans.

We urge every post commander to bring this matter to the attention of his members and do everything in his power to get out a vote Thursday, Nov. 7, to assure passage of this amendment.

REGIONAL ROUNDUP

BY JAMES CARLL

E. Hall, ranchman, was re-elected as district supervisor, subdivision No. 3, Upper Pecos soil conservation district, Oct. 1, 1946. The election was held at Mentone.

There are five supervisors who are the governing body for the district. They are Neil Thompson, chairman of the board, Pecos; Walter Burkholder, secretary, Barstow; Jim Waddell, Kermit; Alva Carpenter, Grandfalls, and E. Hall, Mentone.

Mr. Thompson has entered into a farmer - district co-operative agreement on his south pump irrigated farm after discussing the plan with a technician assisting the district.

Mr. Thompson has started installing an improved irrigation system on his farm so as to plant winter legumes on that part of the farm that was in cantaloupes this summer. Two varieties of winter legumes will be inoculated and planted this fall and plowed under next spring so as to incorporate badly needed organic matter in the soil and improve soil texture and tilth. The two varieties of winter legume are Dixie Wonder and Peas and Sour Clover, Melilotus indica. If seed are available Mr. Thompson is planning on planting half of this area in summer legume and plow them under before planting this part of his farm to cantaloupes. He states that his planned rotation on cantaloupe land will be cantaloupes followed with a winter legume plowed under the following spring and within 30 days plant a summer legume to be plowed under in the fall after maximum growth is secured and which will then be followed with an early spring planting of cantaloupes.

Jack Camp, cooperater with the Upper Pecos district, who operates a ranch 3 miles east of Orla, has been deferring a 25 section pasture for 8 years.

Recently Mr. Camp and a ranch technician of the Soil Conservation Service, went over Mr. Camp's ranch to observe the improvement the vegetation had made. Mr. Camp pointed out that eight years ago the Black Grama grass was in very poor condition lacking in vigor as well as a small amount scattered over the ranch. Now the black grama grass over much of the area has improved in vigor as well as increased. It was particularly noticed where a good vigorous stand of black grama was found and the seed stalks were allowed to grow and come in contact with the soil, new plants had formed. This is the main way black grama grass increases. It has been found where black grama grass is heavily utilized, where all the seed stalks are clipped each year, very little increase will be expected.

Mr. Camp has selected a small area, which he plans to fence so as to exclude livestock and rabbits. Over a period of years he can observe the changes that take place in the vegetation when not grazed by livestock or rabbits.

Four hundred forty-nine hunters bagged a total of 389 antelopes during the third open season on the animals in the West-of-the-Pecos country, Capt. Ray Williams of the State Game Dept. said this week.

Either the nimrods were better hunters or the hunting was better in Brewster County this year than elsewhere, as only nine of the 125 were unsuccessful, Capt. Williams reported.

On hunt No. 2, Presidia and Jeff Davis Counties, a total of 238 hunters bagged 196 antelopes and on hunt No. 3, Hudspeth and Culberson counties, 86 hunters brought in a total of 77.

The suit in district court which is expected to settle the dispute between Wink and Kermit schools over 100 sections of taxable lands in the SE part of the county, will be heard in November.

The suit brought by Wink Independent School District names the County School Board and the Kermit Independent School District as defendants.

Wink is attempting to recover 100 sections of land awarded this school district in January by the County School Board when a division was made of all outlying lands in the county and placed in one or the other of the independent districts.

A change in personnel of the County School Board came about and they rescinded the January action and took the 100 sections from the Wink district and placed it in Kermit's, two months later.

Wink claims the first allotment was a legal act and therefore the lands could not be detached from its district. The Kermit school is not contesting the Wink suit but attorneys have been hired by some of the ranch landowners in the disputed area who do not want their lands in the Wink district.

Judge C. C. Olsen has been disqualified to hear the case since he had previous connections to parties in the suit. Judge H. O. Metcalf of Marfa will exchange benches with Judge Olsen and will hear the case. Judge Olsen had granted leave to file the suit in the nature of quo warranto and the defendants had been cited. Since Judge Olsen's disqualification the defendants challenged it and the petition struck out. Judge Metcalf, however, upheld Olsen's action and granted the filing of the suit in a like manner and the defendants will again be cited.

Much interest is being manifested in the outcome of the suit, especially by the Wink school interests, who have need for the taxes to be derived from this 100 sections of land, much of which has oil production and is potentially very valuable.

The first of a number of roping events will be staged in the new roping arena recently built by the Wink Roping Club, will be held Sunday afternoon, Oct. 27th, at 2 o'clock.

The area is located just east of town on the Monahans Highway.

Matches have been slated between Houston Overturf of Odessa and Wayne Bryant, Jal; Earl Duncan of Odessa and Jiggs Dinwiddie of Jal; and Jess Hensley of Wink and Sam Beckman of Jal.

In addition there will be jackpot calf roping and jackpot ribbon roping.

An increasing interest is being shown in these roping shows all over the country, and a large crowd is expected in Wink to inaugurate the first of a series to be staged here.

The Pecos County Commissioners Court Monday ordered a county-wide bond election in the amount of \$100,000 to provide for purchase of land for park purposes and for park construction and improvements; \$50,000 would be allocated to Iraan for construction of a community building and an equal amount for park improvement in Iraan, Ft. Stockton and Imperial.

These improvements were set up in the county budget last August, and the original plan was to issue permanent improvement warrants payable over a term of ten years, but since there is a special park statute, bond attorneys decided that bonds for park improvements should be issued under the provisions of this statute, which provides for the levying of a tax not to exceed 10c on the \$100 valuation for the purchase of land and park improvements, and that the proposition be submitted to a vote of property taxpayers.

The county hospital, for which \$300,000 in bonds has been voted, and the proposed Museum building for Fort Stockton to cost \$50,000 will be built as originally planned as soon as conditions will permit.

A request from the Ft. Stockton PTA for appointment of a county nurse was considered by the court but action was deferred until the first of the year. The court realizes the value of a good registered nurse and the request will no doubt be granted, reports Judge H. H. Butz.

A petition with more than 200 signatures was filed by W. G. Murray, Commissioner of Precinct, asking for a \$150,000 road bond issue, for road improvement in his precinct. Action on this was deferred until the November meeting of the court.

Two committees from Iraan appeared before the court, one asking for an appropriation for the completion of the Iraan Airport, the other for an appropriation for a hall for the Veterans of Foreign Wars. Both requests are being considered by the court.

Roy Murray of McCamey recently spent ten days visiting his son, Bob, who is a freshman in Morenci High School, Morenci, Ariz. Bob plays the trumpet in the Tiger Band of Morenci High, and also is studying manual training.

State Health Officer Discusses Duties Of State Health Dept.

AUSTIN, Tex.—Dr. Geo. W. Cox, State Health Officer, was recently asked to give the duties of the Texas State Department of Health in contrast with those of the general practitioner of medicine.

He stated, "The Health Department is charged with protecting the public health. This it does by education of the people as to how they may secure protection against disease, such as vaccination against smallpox and typhoid fever and immunization against diphtheria; by investigation of sources of outbreaks of disease; by quarantine and isolation of those ill with communicable disease; by the prevention of the spread of disease; inspection of water supplies; by advocating the production and use of safe milk and to prevent threatened outbreaks of communicable diseases.

"People will become ill and accidents will happen. The cure of sickness and the repair of accidents comes within the scope of the duties of the practitioner of medicine and surgery. The general practitioner of medicine is also engaged in preventive medicine when he advises mothers to have their children protected against diphtheria and smallpox or the family as a whole immunized against typhoid fever before planning travel, such as cross country trips."

The general practitioner and the Health Department alike believe that it is better to remain healthy than it is to get well after becoming ill, but the Department is engaged in control and prevention of disease as it affects the general population of a community or state. The field of treatment and cure of those ill belongs solely to the general practitioner of medicine.

Campaign Launched For Good Roads Amendment

AUSTIN, Tex., Oct. 14—(Spcl.)—An important step toward establishing a sound financial policy to provide for the farm-to-market roads and primary highway needs of Texas was taken here tonight (Monday) when the state's road leaders launched a campaign on behalf of the Good Roads Amendment to the Constitution.

Approximately 500 advocates for better roads for Texas heard Governor-Nominee Beauford Jester, Lt. Gov.-Nominee Allan Shivers, Congressman O. C. Fisher, San Angelo, State Representative Neveille Colson, Navasota, and John S. Redditt, Chairman of the State Highway Commission, address the huge kick-off rally and urge the adoption of the Good Roads measure in the Nov. 5 general election.

Col. Ike Ashburn, Houston, served as master of ceremonies and introduced the speakers and other outstanding personalities present.

Jester, whose campaign platform stressed more and better roads, declared, "We face a critical need for more farm-to-market roads, a need we propose to meet. The roads Texas needs cannot all be built in a day. And if they were all built today it would not be long before the normal growth of Texas and the obsolescence of our road system would require still more roads.

"We must," the Governor-Nominee asserted, "recognize the fact that road building is a continuous, never-ending operation which must be planned and financed on a long-range basis if our road system is to approach the minimum needs of a growing Texas."

Jester said that Texas cannot realize the greatest value from

its road funds until revenues are established and agencies can effectively plan more than a year ahead.

"The Good Roads Amendment," he asserted, "has been proposed—not in the spirit of distrust of some future Legislature's motives in diverting road funds to some purpose other than roads—but rather in the spirit of trusting the people by giving them the opportunity to vote on the disposition of their own road user taxes, and to assure that the financial policies the people shall approve by their vote will not be changed without their full knowledge and consent."

Author of the Good Roads Amendment, State Representative Neveille Colson told the gathering that schools and roads are of paramount importance to Texas. The only woman in the history of the House of Representatives to successfully sponsor an amendment to the State Constitution, Mrs. Colson declared that the Amendment not only will advance Texas in roads but also in the cause of public education.

"Transportation is the key to a successful rural school program but Texas cannot have an adequate school program until we construct an adequate road system," the Representative from Grimes and Montgomery Counties charged. "In my studied opinion, roads and schools go hand in hand and head the list of the peoples' needs."

Lt.-Gov.-Nominee Allan Shivers, sponsor of the measure in the Senate, recalled, "During the war, mobility on the home front meant mobility on the battlefield. War added to the road deficiencies at home. Construction virtually stopped. To meet the needs of postwar traffic is a huge job—and this traffic is mounting faster than roads can be built to serve it. I am convinced that Texas will never have a well-planned system of paved state

Santa Fe Ry. Offers Awards To Future Farmers Of America

The selection of winners of the Future Farmers of America Educational awards offered annually by the Santa Fe Railway as an aid to farm development was announced today by R. L. Barron, state supervisor of vocational education for Texas.

Those receiving the awards are G. H. Harfst, Jr., Keesey Kimball, Joe T. Lane, students, and E. E. Turner, vocational leader, Alpine; W. A. Messer, Jr., Belton; Charles Fehler, Jr., Clifton; Raymond McNutt, Coleman; Jean Easley, Jasper; Bert Gibbs, Justin; Alton Brazell and Clarence Oswald, Lubbock; Doyle Curry, Ropesville; Dwane Jones, Spring Lake; Charles Upton, Tokio; and James Hancock, Timpson, Texas.

The awards, provided each year by the Santa Fe through F. G. Gurley, president, permit an all-expense-paid attendance at the annual F. F. A. Congress to be held in Kansas City, Oct. 21 through 24. It also permits the delegates to attend the Royal American Livestock Show, held that week.

The purpose of the Santa Fe's

offer, as stressed by Pres. Gurley, is to encourage better agricultural practices in its territory, the company feeling that what the boys see and learn at Kansas City is a valuable part of their education. Each year brings a new crop of winners, who are selected on the basis of actual achievement in farm and livestock projects.

Since most of its 12 states participate in the award offer, the Santa Fe expects to have at least 50 winners in Kansas City this year, and on the morning of Oct. 23, the entire group and a similar

number of agricultural leaders will be breakfast guests of the company at the Muchleback Hotel.

and roads unless we establish a sound, permanent financial policy."
Congressman O. C. Fisher, San Angelo, member of the House Roads Committee, explained the effect of the amendment upon Federal Aid apportionments for Texas. "Congress has written into the Federal Aid Acts a penalty for those states which divert these funds to non-road purposes. Passage of the Good Roads Amendment will guarantee that Texas will never be subjected to this penalty."

Chairman of the Highway Commission, John S. Redditt, warned that the welfare of Texas demands a sound rural economy. "High on the list of measures that must be taken to nurture a sound rural economy is a better system of farm-to-market roads," he said. "By stabilizing road finances, this amendment will be the greatest forward step of our generation toward the development of an adequate road system for Texas."

Among the other dignitaries who participated in the program were Sid Calliavert, president, County Judges and Commissioners, Bun Raley, Rural Letter Carriers' Association, Mayor Joe Jenkins, Amarillo, president, League of Texas Municipalities, George Butler, chairman, Board of Insurance Commissioners, Senator Pat Bullock, chairman, Senate Education Committee, Harold Gaulttrapp, Master, Texas State Grange, and J. E. McDonald, Agriculture Commissioner.

Save Those Leaves

BY W. O. ADAMS
County Agent

This fall when the leaves begin to fall from your trees, don't follow the normal practice of raking and burning them. They make good fertilizer and soil humus—something badly needed in the yards and gardens of Upton County. Leaves contain a high percentage of nitrogen which is one of the highest priced fertilizer components in commercial mixtures.

A good practice of disposing of leaves, grass cuttings and vegetable stalks is to plow or spade them into the soil. Or you can make a compost pile with a layer of leaves, hay, etc., then a layer of barnyard fertilizer if available, then follow up with additional layers of each. Keep this pile moist and turn it every week or ten days until well rotted. Next spring you will have a rich substance for use in preparing your flower beds and vegetable garden.

Mr. and Mrs. M. D. Stacy announce the arrival of a baby girl born Saturday morning, Oct. 19, weighing 8 1-2 pounds. The baby has been named Betty Karen.

Now That Fall Is Here BY ROSIE

A COKE PARTY honoring the Sub-Debs and Rushees during Rushee initiation week was given by Erlene Bone in her home recently. Plans were made for the presentation dance for the Rushees. Records were played and refreshments of cokes, potato chips, cheese chips, and cookies were served to Patsy George, Lelysle Harris, Wanda Duncan, Anna Lou Wade, Molly Fox, Frances Joyce, Georgia Mae Brown, Ginger Culwell and Claudyne Brown.

BUYING DRINKS and eats during the game Friday night was everyone on the seniors at the concession stand. Rodney Martin seemed to be head barker for them.

A COFFEE was given by Ginger Culwell in her home Saturday morning in honor of the Rushees during their initiation. Business was discussed and coffee, coco, and cookies were served to Miss Crescenze Hinde, Mrs. C. Gilbreath, the Sub-Deb sponsors; Lelysle, Molly, Anna Lou, Martha Lou, Claudyne, Erlene, Husted, Erlene Bone and Gene McKenzie, an out-of-town guest from Abilene.

A DANCE AT the Canteen was held after the game between the Badgers and the Eagles Friday night. Some of the couples were: Anna Lou and Whit; Molly and Joe Allen; Gene McKenzie and Tom Rowell; Shirley Perry and George Barfield; Erlene and Curtis; Sue Berry and Ward Gregory (outings in on little brother); Virginia and Bill; Patsy George and Charlie Young; Connie Rae and Johnny, and Myrna and Don.

SKATING Saturday afternoon were Molly, Guy, Kenneth, Kenzo, Clyde, Anna Lou, Erlene and Curtis.

TOGETHER Saturday night were Patsy George and Charlie Young and Dumps Williams and Nelda Stacy.

THE 4-H CLUB BOYS met on Tuesday in the high school auditorium. A discussion was held on sheep, sheep shows, and on having a party. They hope to have a lot of sheep shows this year and a swell organization. Nineteen members were present and four new members joined the club.

GETTING APPLAUSE at the half at the Badger-Eagle game Friday night was the Badger Band doing their formations. Thanks to Band Director John S. Buchanan, McCamey High School has a band that can be bragged about.

OFF TO THE GAME between San Angelo and Odessa tonight, are Josie Schnaubert and Roy Lee Bell, and Peggy Sue Dossey and Jack Garner.

A MEETING of the McCamey 4-H Club Girls was held Tuesday in the high school chemistry lab. The meeting was called to order by the president. A discussion was held about selling refreshments at the horse races on Nov. 10, and committees were appointed to see about getting the refreshments to sell. Plans were also made to have a party. There were eight members present at this meeting.

DATING Saturday night, also Sunday, were Curtis and Erlene, Molly and Guy, Kenzo and Kenneth, Whit and Anna Lou. Some of them made some explorations at Dripping Springs.

NELL BROWN spent Friday through Sunday in Abilene visiting her former roommates, Millie and Louise Powers, Peggy Ware and Beth Warfield, also Odell Young. While there she and Mr. Young attended the Abilene-Lubbock football game and a get-together of "the gang" at Phantom Hill Lake.

Friday Round-Up

Livestock and feed went up as cotton, grain, eggs and poultry went down last week while most vegetables, rice, peanuts, butter and milk held steady at southwest markets, USDA's Production and Marketing Administration reported today.

Cotton tumbled about \$25 a bale last week. The trade associated this drop with speculation regarding decontrol of cotton textile prices and uncertainty as to outlook for sales of cotton textiles. Also, reasonable heavy movement of the crop into trade channels may partly explain the break.

Hog prices took one of the biggest jumps on record last week when ceilings came off and soared \$8 to \$10, but later declined \$2 to \$4 a cwt. as receipts increased. Friday's quotations for good and choice butchers stood at \$22 a cwt., San Antonio; \$22.25 at Oklahoma City; \$22.50 to \$23, Fort Worth; \$23 to \$23.50, Denver; and \$23, Wichita. Higher prices brought out 16,050 hogs at six southwest markets compared to 7,545 for the corresponding week last year and 4,850 for the previous week.

Decontrol of meat brought a rush of cattle to market last week. Receipts at six southwest terminals totaled 90,400 compared to 82,000 for the corresponding week last year and 55,375 for the previous week. Cattle advanced \$2 to \$4 a cwt. at southwest markets in contrast to gains of \$5 to \$10 at midwest markets. Friday's prices quoted here were down from the week's peak. Houston sold common and medium steers and yearlings at \$13 to \$15 a cwt. and good beef cows \$12 to \$13.50. Medium and good cows brought \$12 to \$16, San Antonio and Ft. Worth; good cows \$15 to \$16.50, Wichita, and \$16.50, Denver.

Southwest sheep and lamb markets reported advances of 50c to \$5 a cwt. on lambs and 50c to \$1.50 on ewes. Common and medium lambs brought \$13 to \$15.50, San Antonio; medium and

good fat lambs \$17.50 to \$21, Ft. Worth; and good choice lambs \$22 to \$23, Oklahoma City, and \$22 Denver.

Trading in domestic wools was nil last week. Prices were up 3 to 5 per cent under the new schedule.

Most grain prices started down grade last week. Sorghums and corn lost the most ground. However, feed markets were unsettled as a result of the end of price control and restrictions on the use of by-products and mixed feeds.

Southwest eggs and poultry markets felt the impact of meat decontrol. Demand sagged and prices dropped about 2c a dozen on eggs and about 3c a pound on fryers and hens.

Pecos Eagles Scalp Badgers Here, 51-18

(Continued from page 1)

Pecos began pouring sauce on its cake of first-half touchdowns early in the third quarter. This time it took just four plays to hit the pay zone. McCamey kicked off to Pecos, with Sullivan taking the ball on the Pecos 19 and racing to his own 32 before Boggs stopped him. Medanich made 5 to the 37. Armstrong makes first down on the 44. Armstrong rams center to the 49. Medanich then made one of the cutest runs of the night as he ghosted through the entire McCamey team to score, making the tally sheet read 38-6. The

try for conversion was good. Score 39-6.

Another Pecos back, Ervin, entered the elect circle of Pecos ground gainers on the next scoring thrust. Pecos, taking the pill on its own 40, sprung Armstrong loose to the McCamey 48. Ervin then rambled to the McCamey 14. Medanich to the 7, Armstrong to 4, Sullivan to the 3, Medanich through to touchdown.

McCamey now generated a touchdown drive with the aid of a 15-yard penalty for unnecessary roughness against the Eagles. Taking over on their own 28, the Badgers scored in 10 plays. Ruble no gain, Ruble 1, Ruble to Wilson for first down on 45, Ham to Ramzy on Pecos 43, Pauley through center to 35,

Pauley no gain, Pauley to 30, Pecos penalized from own 19 to 4 for unnecessary roughness, Pauley to Wilson no good, Pauley to Wilson over center for touchdown.

Pecos scored its final touchdown when Woods intercepted a McCamey pass on his own 35. It took just one play. The alert, hard-charging Pecos line sprung Armstrong loose and the fleet Pecos Eagle flew straight thru the entire Badger team for 65 yards and the score.

The Badgers, never giving up, came right back to rack up its third and final score. Following the kickoff, the Badgers started from their own 6. Pauley to Wilson to Ruble gained to the 29. A pass gained to the 40. Pass no good. Pauley to Ruble over

center to 46. Pauley to Gregory to the Pecos 24. Pauley to Wilson for the touchdown. This last pass was almost intercepted twice. Falling into a cluster of McCamey and Pecos players, it bounced high into the air, almost dropped into the hands of an eager Eagle, bounced into the air again, dropped, bounced, then dropped smack into the arms of an eager Badger, Bill Wilson, who glued onto the oval and streaked over the goal line. The game ended seconds later.

J. V. Davis, Dale Williamson for the Badgers on defense, while Pauley, Ruble, Wilson and Gregory sparked the offense, altho Gregory's pass-catching was spotty. Ham played good ball while in the game, but was benched at half-time with a bad ankle and played only a few minutes in the second half.

Statistical averages were definitely in Pecos' favor.

Mrs. Gibson Attends V. F. W. Convention In Odessa Sunday

Mrs. Aileen Jo Gibson, President of the local VFW Auxiliary to the Young-McCollum Post 5071, attended a District Convention for the VFW Sunday, October 20, in Odessa.

A joint meeting was held in the morning, with a chuck wagon dinner following at noon. A closed meeting for the VFW and the Auxiliary was held in the afternoon, which included a school of instruction. The meeting was called to order by Margaret Barnett who introduced the Department President, Beth Ker-ton, who presided over the meeting. The presidents from the different counties were asked to take the stations. Each president left the meeting with a feeling of deep satisfaction from the aid that had been so readily given by the Department President.

Prin. McGuire Attends Convention In Austin

Mr. Gerald McGuire, Principal of the McCamey High School, attended the two-day convention of the American Association of Secondary School Principals held in Austin on Oct. 14-15.

He made the trip with Principals Brady Nix of Crane, Tommy Thompson of Kermit, and Roger Cundiff of Monahans.

THE STATE OF TEXAS

TO: J. D. BURKS, GREETING:

You are commanded to appear and answer the Plaintiff's petition at or before 10 o'clock A. M. on the first Monday after the expiration of 42 days from the date of issuance of this Citation, the same being Monday, the 9th day of December, A. D. 1946, at or before 10 o'clock A. M. before the Honorable 112th District Court of Upton County, at the Court House in Rankin, Texas.

Said Plaintiff's petition was filed on the 26 day of June, A. D. 1946. The file number of said suit being No. 483.

The names of the parties in said suit are Flo Jean Burks, as Plaintiff, and J. D. Burks as Defendant.

The nature of said suit being substantially as follows, to-wit: Plaintiff alleges that this is a suit for divorce. That she is now and has been for a period of twelve months prior to filing the petition herein an actual bona-fide inhabitant of the State of Texas, and has resided in said County of Upton for at least six months preceding the filing of this suit.

Plaintiff alleges that a short time after their said marriage that Defendant unmindful of the duties and obligations of his marital vows, began a course of unkind, harsh, cruel and tyrannical treatment toward Plaintiff and applied to her the vilest and most opprobrious epithets, without cause or provocation whatever on the part of this Plaintiff. That Defendant's actions and conduct toward her generally are of such a nature as to render their further living together as husband and wife insupportable.

Plaintiff asks for judgment dissolving the bonds of matrimony. That there is no community property and no children.

Issued this the 18th day of October, A. D. 1946.

Given under my hand and seal of said Court, at office in Rankin, Texas, this the 18th day of October, A. D. 1946.

Ralph H. Daugherty, Clerk, 112th District Court, 45-3t Upton County, Texas. By Helen Ruth Boyd, Deputy.

Iraan Braves Defeat Grandfalls Cowboys With Little Effort

The Iraan Braves won an easy 40-0 victory in the second district football game of the season, taking the Grandfalls Cowboys in tow with little effort. The Grandfalls boys played hard football, but were outmanned by the superior Iraan squad and could make little headway offensively. Coaches Covin and Lowrance used reserves liberally throughout the contest in order to give the youngsters valuable game experience and to save the regulars for three tough games which lie immediately ahead.

Six touchdowns and two successful conversions tell the story. There were many sparkling runs by Brave halfbacks. Perhaps the longest run of the game was unreelied by Capt. McFaddin who galloped 45 yds. on a tackle sally to pay dirt. Before the evening was over, McFaddin had scored three touchdowns, Rowe two, Whitefield one, and Fife one. Whitefield scored on a manner seldom seen. Following one of the Iraan touchdowns, Iraan kicked off to Grandfalls. The ball hit about the ten yard line and bounded over the goal line. The Grandfalls players allowed the ball to remain there, making no effort to recover the leather. Whitefield came charging down and fell on the ball for six additional points for the locals.

As has been noted, Iraan coaches used reserves during about half the game. Of these lads, S. Cox, Yates, McMillian and Burns comprised the backfield. While the reserves were unable to score on their own steam, they battled the Cowboys on even terms, each team succeeding in pushing the other around considerably, but neither being able to score. McCarver, Miller, Dempsey, and Meynig were especially effective for the reserves in line play. Every man on the Iraan squad saw service.

Friday night, the Big Lake Owls invade Brave field. The Owls are no longer in District 5-B, having withdrawn and entered District 8-B. However, a good game is in prospect, since the Iraan-Big Lake rivalry is of long standing. Following that game, which is the last home game of the season, Iraan invades Crne and Fort Stockton to close out the season.

The Iraan lineup follows:
Ends—Owens and Ford
Tackles—Clinton and Powell
Guards—Phillips and Herndon
Center—Fife
Backs—McFaddin, (c), Rowe, Cade, Whitefield.

Substitutes: Meynig, McMillian, D. Martin, S. Cox, Dempsey, McCarver, Watson, Yates, Miller, Hesson, Burns, Stanton, Kimbrough, B. Cox, Hull, Huddleston, Levere, Caldwell, Cooney, King.

PANTHERS SHOW SPLENDID FORM FRIDAY NIGHT IN TROUNCING CRANE, 30-13

A vicious blocking Fort Stockton Panther eleven won its second district game here Friday night, Oct. 11, running roughshod over Crane 30 to 13, in a thrills-packed struggle before an estimated 2500 fans.

Showing no trace of being crippled with the absence of two star backs, the Panthers scored in every period except the fourth to completely outclass the Golden Cranes.

The Panthers got their first scoring chance of the evening early in the opening stanza, when Guard Wayne White, who played a magnificent game throughout the evening, recovered a Crane fumble on the Crane 12 yd. line. With the Crane line holding the Panthers for no gain, the ball went over on downs and Crane punted to the 40. From there the Panthers worked down to the 20 and Dorbandt Barton, who scored three of the Panther touchdowns, went around his right end for the first score of the game. Jack Corder's kick was low.

Crane got back into the game, having drawn blood on a nice run by Billy Henderson, going 59 yds. for the score. Bonner's kick for the extra point put the Crane forces out in front momentarily.

On the kickoff following the Crane score, Barton, behind fine downfield blocking, returned the ball 51 yds. to the 38. A series of plays worked the ball down to the 5. R. Reeves took the ball on a reverse and side and were penalized 5 yds. for the second

Cranes Bow To Marfa 14-27 On El Ave Field Friday Night, Oct. 18

In a game featuring long, exciting runs, and a few penalties, the Marfa Shorthorns downed the Golden Cranes here on El Ave Field Friday night.

Scoreless at the half, Henderson of Crane started the ball rolling early in the third quarter with a 23-yd. run for a touchdown. Bonner kicked the goal, making Crane 7, Marfa 0.

Shortly thereafter Toombs of Marfa got loose for 57 yards and a touchdown. They kicked goal, thus tying the score.

The quarter wasn't much older when Mathis of Crane passed to Pettit for 27 yards and a touchdown. Bonner again converted, making the score, Crane 14, Marfa 7.

Toombs, Marfa's shifty back, got loose for 65 yards, placing the Shorthorns in a position to score, which they did a few plays later on a pass. The goal was good and the score was now 14-14.

From there on it was Marfa's ball game when Toombs ran 35 yards for a touchdown only to have it called back on a clipping penalty. Nothing daunted, Marfa came right back and ran another 35 yards. The extra point was good. Then late in the game, Marfa scored again on a pass, making the score, Marfa 27 and Crane 14.

The kick for point was blocked and Red Simon, Crane's burly center, to be on the safe side, scooped the ball up and ran it over Marfa's goal line. Even if it was called back, all agreed that it was a spectacular run.

score. An attempted pass failed for extra point.

The Panthers' next scoring march started on a screen pass from Barton to Reeves, good for 28 yds. and carrying to the Crane 3. Barton slanted off tackle for the score. Corder's kick was good but the Panthers were off side and were penalized 5 yds. and Corder's next try was short.

Stockton recovered the Crane kickoff on the Crane 49 and started another touchdown march. Barton sprinted around his left end for 32 yds. and down to the Crane 16. Reeves on a reverse covered the remaining 16 yds. to notch touchdown No. 4. Corder's kick was low. Score at the half was 24 to 7.

Both teams' last scores came in the third quarter with Crane using a passing attack that carried 55 yds. Mathis cracked over from the 1 yd. line. Bonner's kick was wide.

BOYS AND GIRLS IN 4-H CLUBS are doing a grand job... they are learning how to be better farmers and homemakers through extension courses and practical experience.

County agents report that young members of 4-H Clubs are using Reddy Kilowatt to provide clean, cool and comfortable living quarters for their meat animals.

The cost of electric power to increase and assure better production on farms is low—and the small investment in electric help means considerable in increased income at the market.

Reddy Kilowatt and the 4-H Club boys and girls are planning tomorrow's farm management as a more promising vocation for trained men and women.

Pecos Eagles Defeat Kermit Yellow Jackets

Pecos high school's Eagles covered themselves with glory and won their first Dist. 7-A conference game when they defeated Kermit high school's Yellow Jackets in a contest staged at Rotary field in Pecos Friday night, Oct. 11. Final score of the game, played before a capacity crowd was 39 to 12.

While Bob Armstrong, John Medanich, Bob Ervin, Roy Breen and Grady Sullivan were in the limelight more than other Pecos players, the other Eagles turned in excellent work during the contest.

The first quarter went scoreless but Pecos made three touchdowns in the second period and three in the third. Kermit scored one in the third and one in the fourth.

Pecos' first touchdown was a 55 yd. run by Armstrong, the second was on a play that saw Armstrong pass to Breen who sent a lateral to Sullivan and with some 40 yds. of distance covered, the third score was a 68-yd. run by Armstrong with Breen converting. Armstrong made Pecos touchdown No. 4 in a dash over center for 69 yds. and with Medanich making the extra point by a line buck, Pecos touchdown No. 5 saw Armstrong lateral to Ervin to Medanich who passed to Breen for 35 yds. and then Medanich kicked the extra point, and Eagle score No. 6 was a 60-yd. run by Armstrong over center.

Thompson of Kermit scored early in the third. The score was set up by a pass from Thompson to Hubbard. In the last minute of play, Smith of Kermit climaxed a Yellow Jacket 40-yd. drive by diving four yards for a touchdown.

More telephone service than ever...

FOR MORE PEOPLE THAN EVER...

We've put in more than 190,000 telephones in Texas in the first nine months of this year—nearly twice as many as we connected in the first nine months of 1940.

We're handling a million and a half more local calls a day than a year ago.

And 13 per cent more long distance calls. (Nearly twice as many as before the war.)

Putting in all those telephones and taking care of all those extra calls—regardless of shortages of materials—is one of the biggest jobs the telephone company has ever done.

Best part is that service has remained good on most calls despite heavier-than-ever volumes.

There are some delays but we're working on them—just as we're working hard to serve people waiting for telephones. Service will be better than ever, for everyone, as soon as new equipment can be made and installed.

SO... IT WASN'T LOADED!

It's the same old story many times a year... the firearm that wasn't loaded. Children not even in their teens... people your own age... older people... all who forgot the first principles of safety at an unthinking moment.

Firearms, like so many of man's useful products, are made to serve... they protect the home, provide enjoyment for the hunter, bring game to the table. Yet, when wrongly and unthinkingly used, they create havoc and tragedy.

Natural Gas is also a useful product to man... Natural Gas brings warmth, hot food, hot water, refrigeration and air-conditioning to make life more enjoyable. Yet, when used unthinkingly, it creates a hazard... a hazard that need not exist.

For many years, the rubber hose connection was thought to be safe. Today, we know that it is not... rubber deteriorates with age, causing leaks; rubber is porous and unsafe.

That is why we urge you to enjoy your Natural Gas with SAFETY... replace rubber hose connections today with METAL TUBING. The cost is so little... the safety so great.

from the SAFETY NOTEBOOK

Rubber Hose is UNSAFE!

- Rubber hose is easily disconnected by someone tripping over it!
- Rubber hose is inflammable!
- Rubber hose connections are easily loosened by children!
- Rubber hose deteriorates quickly causing leaks and loose connections.

From where I sit... by Joe Marsh

On Playing the Fiddle Badly

A favorite recreation in our town is getting together in one or another's home making music. There's a guitar at the piano; a guitar; a harmonica; and Molly Birtles ever sharp!

What can't the best music in the world. In fact, nobody even in a bad. But to criticize.

Because the harmony in many is like each other's, many who joy the simple, how can we

—with nothing more exciting than old songs, and a glass of moderate beer or cider.

From where I sit, it's a heap more important to be a poor fiddle player, than not to play at all. More important to be a part of the American scene—with its community music, home entertainment, friendly glass of beer—than to hold out for professional perfection. (Besides, I like to play the fiddle—even badly!)

All scripture quotations from the American Standard Version.

"Whoever goeth onward and abideth not in the teaching of Christ hath not God." (2 Jno. 9)

THE IMPORTANCE OF THE CHURCH

"IN CHRIST"

To even the casual reader the above diagram will show clearly that the church of our Lord is extremely important. The church is spoken of as the BODY of Christ, (Eph. 1:22; Col. 1:18); the BRIDE of Christ, (Eph. 5:23-32; Jno. 3:29-30); the HOUSE of God, (1 Tim. 3:15) the HOUSEHOLD or FAMILY of God, (Eph. 2:19; Eph. 3:14) and the CHURCH, (Eph. 1:22). Many times in the scriptures they are used interchangeably.

Paul says that SALVATION is IN CHRIST, but to be IN CHRIST is to be in His BODY and to be in His BODY is to be in His CHURCH, for Church Body are one and the same. He again states that REDEMPTION is IN Christ, but as before, to be IN Christ is to be IN His Body and Body and Church are the same thing. Likewise all blessings above mentioned are found IN Christ and NOT ONE SPIRITUAL BLESSING is found OUT of Christ, His BODY, His CHURCH!

How then does one enter INTO Christ? We are "BAPTIZED INTO CHRIST." (Rom. 6:3; Gal. 3:27). Yet baptism that is not preceded by Faith, Repentance, Confession, is worthless. Faith is UNTO, going toward, RIGHTEOUSNESS, (Rom. 10:10). Repentance is UNTO, going toward, LIFE. (Acts 11:18). Confession is UNTO, going toward, SALVATION. (Rom. 10:10). Not ONE passage in the whole New Testament states, or even infers, that one Believes INTO Christ, Repents INTO Christ, Confesses INTO Christ, but it is ALWAYS "Baptized INTO Christ." (Rom. 6:3). That means that not ONE spiritual blessing can be received until one has been BAPTIZED INTO Christ, where all these spiritual blessings are found. No wonder the Lord said, "He that believeth and is baptized shall be SAVED;" (Mk. 16:16). No wonder Peter said that BAPTISM saves. (1 Pet. 3:21). Friends, don't be misled by those who say that you can be saved outside the church, or that you are saved before you are baptized. You can no more be saved outside the church of the Lord than Noah could have been saved outside of the Ark, which God told him to prepare. How tremendously it cost the Lord to establish His church (Acts 20:28). Can you think for a moment that He will save you and you not in it? He will save His BODY, the Church, and nothing else. (Eph. 5:23). "Every plant which My Heavenly Father planted not, shall be rooted up." (Matt. 15:13).
