Carter and Boyd Have Rehearsal Luncheon For Ann White

Mrs. Hamp Carter and Mrs. S. Boyd entertained with a rehearsal luncheon honoring the bridal party of Miss Ann White and Lewis Jordan at noon on Wednesday, Aug. 6, at the Boyd home.

Pink sweet peas decorated the dining room and preceding the luncheon the guests enjoyed a musical program provided by Mrs. John Christy, Ann White, Lewis Jordan and Gene St. Clair. The luncheon was served buffet style from the dining table which was centered with a beautiful lace cloth and laid with silver. The menu consisted of fried chicken, hot rolls, green beans, carrots, creamed potatoes, stuffed celery, sliced tomatoes, congealed salad, cake and ice cream.

The guests were seated at small tables placed on the screened porch and the place cards were clever photographs of the bride and groom-to-be, and bore the inscription, "Ann-Lewis, Aug. 6, 1947."

Those present for the lovely luncheon were: Ann White, Lewis Jordan, Mr. and Mrs. R. O. White, Rev. and Mrs. T. K. Anderson, Rev. D. G. Hardt, Mr. and Mrs. John Prude, Mr. and Mrs. W. O. Adams, Christine Yocham, Daphne Snell, John Robert Prude, Kemp Anderson, Mr. and Mrs. John Christy, Mrs. H. M. Smith, Gene St. Clair, Virginia White, and Reba Jean Anderson.

Leaf Gall of Pecans Remedy Is Told

The County Agent has had several reports of leaf gall infestation on walnut and pecan trees in the county. This condition is best described as a cluster of wart-like growths on the leaves. This gall is built by an adult mite after she lays her eggs. After the eggs hatch, the young mites feed within the cell.

There is no control of the mites after the galls have formed on the leaves. Satisfactory control can be obtained, however, by thoroughly spraying the tree with ten pounds wettable sulfur per 100 gallons of water in the early spring when leaves are about half grown. This should be followed in 14 days with an additional treatment.

If you are having this trouble, we advise you to tear this out and refer to it next spring.

Mr. H. D. Shaw has taken over the Marathon Service Station in Rankin.

Soil Conservationists Meet In Rankin

Interested ranchers attended a Soil Conservation meeting in Rankin last Thursday to discuss Range Conservation problems and the possibility of forming a conservation district in this area.

About 85 to 90 per cent of the land area in Texas is in conservation districts and those ranchers and farmers are strong believers in their district.

According to one rancher in the Fort Stockton area, after practicing range conservation, he is marketing more pounds of meat per year by running 100 ewes per section than he formerly did with 150 ewes per section.

Jim O'Harrow, who lives in Schleicher County and has ranching interests in Upton, says, "I live in a Soil Conservation District, and it has proven to be a fine thing. Hope one will be organized in Upton."

Those attending the meeting were H. M. Fitzhugh, County Agent, and John Bedner from Glasscock County, E. O. Nevills, County Agent, and Mr. Stout from Reagan County, and Sam Tanner, Duke Hill, Tommy Johnson, Henry Neal, Hamp Carter and W. O. Adams from Upton.

J. L. Richmond, Soil Conservation Specialist from Fort Stockton, was in charge of the program.

Immediate Dental Treatment Announced By The VA Office

Dental services of the VA regional office at Lubbock announced today that it would immediately authorize dental treatment, at VA expense, for World War II veterans with dental deficiencies who have been out of service less than one year.

VA said that dental difficulties of veterans who were discharged less than a year ago are presumed to be service-connected, and that treatment in most cases can be automatically authorized without reference to the veteran's medical service record. This saves considerable time and gives the veteran the advantage of much quicker dental care.

The veteran should indicate his choice of dentist at the time he makes application for treatment.

Miss Clea Lee Burleson Is Given Bridal Shower In The Wheeler Home On Wednesday

Miss Clea Burleson, whose marriage to Earl VaZrandt of Austin will take place in the Methodist Church at Rankin on Aug. 23, was honored with a bridal shower Wednesday afternoon by Mrs. Elizabeth Rains, Mrs. Tom Workman and Mrs. H. Wheeler in the Wheeler home. The party rooms were beautifully decorated with arrangements of white asters and fever-few.

The honoree was presented a corsage of white gladiola blossoms.

Guests were received in the living room by the hostesses and the many lovely gifts were displayed in a room immediately adjoining. The gifts were displayed on a large table covered with a white drawn-work cloth, centered with a reflector on which stood a miniature bride, groom and minister before a small lighted altar draped with eylet organandy. Miss Burleson and Miss Kathleen Wheeler received the guests in the gift room.

Refreshments of frosted punch, cookies and nuts were served by Misses Reba Lou Rains and Norma Jean Wheeler. The appointments of the serving table in the dining room were both beautiful and unique. The crystal service was flanked by a large reflector on a white Madera banquet cloth, and bore a small church covered with white satin. Its open white satin-covered doors bore the inscription, "Clea and Earl, August 23rd," in gold lettering. The blue transparent windows of the little church reflected the burning lights within and one could see the tiny pulpit flanked by miniature candelabra, before which stood the bride and groom. Draped white ribbon lined the white satin walk from the church, which was landscaped on the reflector with evergreen shrubbery. A little electrically-controlled bell tolled in the church belfry throughout the party hours, and a large number of guests called presenting Miss Burleson many lovely gifts.

Those attending included: Mmes. C. G. Taylor, Ralph Daugherty, Elizabeth Rains, Sam Hicks, Kitty Taylor, Bill Moore, H. Wheeler, Gertrude Rhorick, Harry Howard, Tom Workman, W. W. Allman, Hamp Carter, Clois Baxter, Dunn Lowery, Bob Johnson, Jap Edwards, C. H. Allen, Boyd Cox, Roy Priest, Dave Gentry, Sam Holmes, Omar Warren, Zack Monroe, L. Z. Titworth, Elton Hall, Louise Hudson, O. R. Adams, Geo. Stephenson, John Christy, Tom Mitchell, and Misses Norma Jean Wheeler, Kathleen Wheeler, Joyce Allman, Reba Lou Rains.

Those sending gifts, but not present were Mmes. Mae Black, Russell Miller, Pete Pollard, O. C. Scarborough, Tommy Stephenson, R. L. Bell, Pearl Rankin, R. O. White, Lewis Jordan, Tom Richardson, J. O. Barfield, Bert Kincaid, Paul Crandall, Delbert McEwen, Tommy Workman, W. J. Price, H. D. Shaw, C. J. Holcomb, Clint Shaw, Walton Harral, H. Still, Louise Murchison, A. J. Bushong, Bertha Lyle, E. There has been a rather steady demand for army used and new clothing. Wool overcoats, coats and gloves in sizeable quantities will be offered thru the Grand Prairie office of WAA until Aug. 27. This clothing, which has been used, is stored at Camp Hood, at Killeen, and Ft. Worth QM Depot. The bidding is open to everyone and the clothing will be sold in lots.

White-Jordan Vows Read August Sixth At Rankin M. E. Church

The Rankin Methodist Church was the scene of another lovely wedding when Miss Anna Maude ("Ann") White became the bride of Mr. George Lewis Jordan in a double-ring ceremony performed on her birthday, Aug. 6, at 8 p. m. The altar was draped in white satin, and tall baskets of white gladiolas and fern, white mums and fever few were attractively arranged at the chancel rail. Tall candelabra holding white candles completed the lovely scene.

The ceremony was performed by the Rev. T. K. Anderson of San Saba, assisted by the pastor, Rev. D. G. Hardt. The bride, who was given in marriage by her father, wore a formal, princess-cut gown of white slipper satin with a yoke and short puff sleeves of white lace. Her mitts were also of satin and the lace-trimmed veil of finger-tip length was held by a band of white gardenias. Her only ornament was a single strand of pearls and she carried an orchid colored orchid with white streamers on a white Bible.

For something old, she carried lace handkerchief her mother carried at her graduation; for something new, her gown; for something borrowed, she carried the white Bible of her friend, Helen Ruth Adams; and for something blue, a bow of blue ribbon at the hem of her slip.

Her attendants included Mrs. W. O. Adams, matron of honor, and a recent bride, who wore yellow taffeta with a lavender corsage; and bridesmaids, Miss Christine Yocham, who wore pink net with a blue carnation corsage, and Miss Daphne Snell of Lampasas, who wore blue net with a white carnation corsage. She was also attended by two junior bridesmaids, her cousin, Virginia White, of Santa Anna, who wore aqua taffeta and pink carnations, and Reba Jean Anderson of San Saba, who wore yellow organdie and lavender asters.

John Robert Prude of Ft. Davis was best man while W. O. Adams of Rankin and Kemp Anderson of San Saba were ushers.

Mrs. John Christy was at the organ for the pre-nuptial music, delighting her hearers as always, and Mr. John Prude of Ft. Davis sang, "I Love You Truly," "Oh, Promise Me," and at the close of the ceremony, the "Lord's Prayer." Gene St. Clair of Dallas, accompanied by Mrs. Christy, whistled "Indian Love Call."

Immediately following the ceremony, a reception was held on the lawn at the home of the bride's parents. There Mrs. John Prude presided at the three-tiered wedding cake and Mrs. S. H. Boyd poured punch, while Miss Guila Bettis presided at the bride's book.

Following the reception, the happy young couple left for a short honeymoon in the Davis Mountains. For going-away, the bride wore a dress of black and white printed crepe and black picture hat with black and white accessories and an orchid corsage.

The bride, daughter of Mr. and Mrs. R. O. White of Rankin, has been a student at NTSC for the past three years where she has majored in music, being a member of the Woman's Choir and the Harp Ensemble.

The groom, son of Mrs. Ida Jordan of Oxford, Maine, attended college in Maine, was stationed in Texas and in the Pacific Area during four years of army service, and for the past year has been a student in music at NTS, where he has been a member of the A Capella Choir. They will be at home in Dallas, where they will both attend SMU and the groom will also be assistant director of music at the Oak Cliff Methodist Church.

Out of town guests who attended the wedding included the bride's grandmother, Mrs. H. M. Smith, and cousin, Virginia White of Santa Anna, Rev. and Mrs. T. K. Anderson, Kemp and Reba Jean of San Saba, Mr. and Mrs. John Prude and John Robert of Fort Davis, Miss Daphne Snell of

Girls Hold 4-H Club 3-Day Encampment At Fort Stockton

Thirty-six girls, three sponsors, the H. D. Agent and ten visitors enjoyed the first annual Upton-Reagan County Girls 4-H Club encampment held at Comanche Springs in Ft. Stockton on Aug. 5 to 7.

About half of the girls arrived by car and pick-up at noon Tuesday. Following a picnic lunch, this group busied themselves in pitching camp and arranging a program for the entertainment of the group that night. Later in the afternoon the rest of the group arrived by train and the camp got into full swing. This group, known for the rest of the camp as the "doodlebugs," furnished the program for the second night of camp.

As camp organization the girls divided themselves into four groups and each group selected their leader and song leader. Later the entire group heard campaign speeches and practice song leading from each candidate and selected the general camp director and song leader. This was all done by the girls alone under the supervision of the girls who had attended district camp earlier in the summer. Paula Osburn of McCamey was chosen as general camp director and Patsy Adams of Texon as camp song leader. Other group leaders were Gail Horton, Rankin; Oleta Davis, Big Lake; Susan Rowell, McCamey.

The group song leaders who acted as assistants in the singing were Beverly Farrow, McCamey; Dorothy Owens and Luther Louise Ham of Texon.

The camp day started at 6:30 in the morning with a swim and ended at about 10:30 in the evening with a group of active games enjoyed by the entire group. In between the hours were filled with handcraft, recreation, meal preparation, the business of camp, and among other things, the eating of good camp food. Each group took turns being on "K. P.," assisting the sponsors and agent with the meal preparation and service.

The girls broke camp Thursday afternoon with the request that their next camp be a week instead of three days, and saying that the food was the best they had had on any camp and some of those having attended district camp saying that they had enjoyed this one even more. These were indications to the agent and sponsors that they had had an enjoyable and profitable camp.

At their closing session with the director, the girls had given a rising vote of thanks (amounting to a rousing cheer) to the Pecos County Court and park manager for the use of the campsite, to their sponsors, to those furnishing transportation, and to all who had a part in making the camp a successful one.

Directors for 1948 were elected. These were:

Florence O'Callaghan and Patsy Adams as directors, with Marlene Holmes and Oleta Davis as assistants.

Girls attending from Upton County were: Paula Osburn, Patsy Coplen, Daisy Eileen House, Beverly Farrow, Florence O'Callaghan, Susan Rowell, Barbara Simmons, Laura Fowler, Nancy O'Callaghan, Marcie O'Callaghan, Gail Horton, Pansy Smith, Mona Sue Branch, Marlene Holmes, Mary Beth Shipp, Ann Shaw, Ganelle Black and Mary Alice Bean.

Mr. and Mrs. T. L. Reed of Texon and Mrs. J. R. O'Callaghan of McCamey attended the camp as sponsors. Visitors were Mrs. Jack Wimberly, Mrs. S. W. Phillips and children of Decatur; Mr. Raymond Seigler of Iraan, and Mr. R. R. Thompson of Texon. These all assisted with transportation and spent some time at the camp.

Lampasas, Mrs. Boyd White and daughters, Mrs. J. N. Taylor and Mr. and Mrs. Ralph Treadway of Iraan; Mrs. E. C. Higday of Big Lake, Mr. and Mrs. Russell Miller, Mr. and Mrs. L. C. Scott, Mr. H. L. Adams, Mr. and Mrs. Jack Wimberly, and Mrs. L. R. Sprayberry of Texon, Mrs. N. E. Walcher of Houston, and Mrs. Baldwin of Alpine.

WHAT HAS HAPPENED TO THE DOLLAR?

Labor's drive for ever-increasing wages, without compensatory increases in production, is a tragic example of economic futility.

A pictogram of the United States News vividly demonstrates what has happened to the American dollar. In terms of purchasing power, an income that had a net worth of \$2,500 in 1939 is worth only \$1,535 now. An income that was worth \$4,952, after taxes, in 1939, is worth only \$2,815 now. So it goes, up and down an income scale.

This is not, of course, entirely the result of increased wages. Many other factors, notably taxation and prodigal government spending, must bear their share of responsibility. But it is an obvious fact that the cost of labor represents a very large proportion of almost everything produced in this country.

In the past, we raised wages and lowered prices. We accomplished that because output per man increased along with pay. Since the war, the exact opposite has occurred. Most basic industries report that, while wages are much higher than before, production per man-hour is lower. The consequence of that can be expressed in one word—inflation.

The real interest of labor lies in job security—and in the purchasing power of the dollar. In self-defense, if for no other motive, labor must cooperate with management to get the goods out, to increase production, and to so control prices. Endless wage demands coupled with decreased production per man spell ruin for the American economy. That is the hard truth of the matter.

THE WHIP OF PROGRESS

Most of us think that the "boomtown" days of the oil industry ended many years ago, and that the industry can now take it easy and supply the public's needs with its present facilities.

The truth is that oil is engaged in a tremendous and dramatic race to bring output up to the enormous civilian demand that came after the war.

The geologists and wild-catters are searching for new oil reserves in every corner of this country—and in a long list of foreign countries as well. As rapidly as the necessary materials can be bought, they are sinking new wells and enlarging their refineries. The laboratory technicians are seeking new methods of getting more oil products out of each barrel of crude, and for producing oil from sources which so far have been untouched. Never in history was so much oil needed as now—and never in history was so much knowledge, money and sheer drive given to producing it.

Competition within the industry is extremely keen, both in obtaining supplies of crude and in seeking public favor with ready-to-use products. That in itself is the best guarantee that the demand will be met with a minimum of shortages—and that the price charged will be as low as current costs allow. Oil isn't standing still. The whip of progress is keeping it on the run.

Five Red River Arsenal warehouses containing 200 lots of automotive parts and a variety of other surplus property will be open to the public Monday and Tuesday, Aug. 18-19, for a competitive bid sale. Prospective buyers will find bus transportation for them at the east gate of the Texarkana installation for a tour of all inspection sites. Bids on the lots of automotive supplies, furniture, hardware, bar steel and brass as well as quantities of other materials will be opened at 1 p. m. Tuesday, Aug. 19, and awards will continue to be announced until everything has been sold.

Further information regarding the veterans' sale of 480 automobiles at 17 Texas installations was announced this week by the WAA at Grand Prairie. All of the actual selling will take place at the Grand Prairie sales warehouse immediately following a drawing to be participated in by all veterans present at 1 p. m. Monday, Aug. 25. Honorable discharge copies or other proof of World War II service will qualify the veterans as buyers. Veterans will continue to make their selection from the shiny sedans, station wagons and other vehicles by inspection daily through Aug. 22, and the buying will continue until Aug. 27, with certified veteran dealers scheduled to buy on Aug. 28.

A farm-lige expanse of everything from doll buggies to portable conveyors is greeting visitors to the air conditioned interior of the Grand Prairie WAA plant this week. The three million dollars worth of war supplies on display there for a giant bid sale Aug. 21 and 22 covers an area of 20 acres. Complete lists of the 5,000 items contained in the 1,000 lots will be posted on the lots so that prospective buyers will not have to sort through each of the displays. Getting telephones for those waiting

- Besides a telephone instrument, we need cables and switchboards to furnish telephone service.
- Factories are turning out this complex equipment faster and faster.
- But the need is nation-wide. In the Southwest alone, equipment is needed in 700 cities to serve 235,000 people. There are still shortages and delays, but we are getting our share of what the factories produce and we're putting it in as quickly as we can, in as many places as we can. One thing we do know...if ingenuity and hard work can bring it about, we'll have this job licked one of these days.

A Great Oil Company introduces a Great NEW Oil!

Phillips Research brings you the finest motor oil for your car ever to bear Phillips 66 trade-mark!

When a great oil company brings out a completely new, different motor oil—that's news!

And when that oil company is willing to stake its reputation—to come right out and say, "This is the finest motor oil for your car ever to bear the Phillips 66 trade-mark"—

That's food for thought for every man who owns a car!

This new Phillips 66 Premium Motor Oil is the result of extensive research, conducted over a number of years by Phillips research scientists. It is of the modern detergent (self-cleaning), oxidation-resistant type. Lessons learned in developing heavy duty lubricants for Army tanks and trucks, the experiences of others who have developed detergent-type oils, and demands of engine manufacturers for their higher-speed, higher-pressure engines, have all been taken into consideration.

The base stocks from the Oklahoma fields, which oil men now recognize as among the finest in the world, are another contributing feature of this great new oil.

This new Phillips 66 Premium Motor Oil is now on sale at all Phillips 66 Dealers. We urge you to provide your car with our finer, newer automotive lubricant.

Tuesday, Aug. 19, and awards will continue to be announced until everything has been sold.

Further information regarding the veterans' sale of 480 automobiles at 17 Texas installations was announced this week by the WAA at Grand Prairie. All of the actual selling will take place at the Grand Prairie sales warehouse immediately following a drawing to be participated in by all veterans present at 1 p. m. Monday, Aug. 25. Honorable discharge copies or other proof of World War II service will qualify the veterans as buyers. Veterans will continue to make their selection from the shiny sedans, station wagons and other vehicles by inspection daily through Aug. 22, and the buying will continue until Aug. 27, with certified veteran dealers scheduled to buy on Aug. 28.

A sealed bid sale of automotive truck parts has been announced by WAA and will be offered in a catalogue sale until 11 a. m., Aug. 26, the Grand Prairie WAA office announces. Among the automotive parts are main bearing shells, fuel pump links, suspension springs and top assemblies.

VICTOR B. GILBERT IS THE MAN for CONGRESS

The people of the Sixteenth Congressional District are called upon to select a successor to Rep. Thomason, who has been named to the U. S. District Court Bench. The election will be called by the Governor, and all qualified voters, regardless of political affiliation, may vote, and the high man wins, without a runoff. After much consideration, I am asking to be elevated from my present position as County Judge of El Paso County to that of Congressman, based on my long years of faithful service to the people whom I seek to serve and my qualifications for that high office. In seeking promotion, I do so with a grateful heart for the honor, trust and confidence that has been reposed in me by electing me as county judge of El Paso, but I feel that a much more vital service awaits me in the halls of Congress, where a greater good and more lasting benefit may crown our efforts, as we work together in a larger field.

EXPERIENCE: (there is no substitute for it) My four years as county judge of Callahan County—six years in the State Legislature—ten years with the Interstate Commerce Commission—my present position as County Judge of El Paso County—and other public activities—together with my lifetime residence in the Southwest, amply qualifies me to reflect the true sentiment and views of the men and women who have made this country great. No period in all our National History of more than 160 years has been confronted with graver problems or more decisive issues: the atomic bomb, world confusion and unrest, starving millions, unsigned peace treaties, etc., are some of the issues before our Congress, and their wise and God-fearing solution will determine the future destiny of not only our own country, but of mankind as well.

SOIL CONSERVATION AND FLOOD CONTROL: Tenable as well as ranch lands must be protected from erosion and waste. Since destruction from this source is due from natural causes, its prevention is properly a subject of Federal concern, and should be fully recognized.

COMPULSORY MILITARY TRAINING: I am definitely committed to an efficient Universal Military Training Program, through which the youth of our land may be taught the art of National Defense and Offense and the use of modern weapons and methods. I hate war, for I have seen its horrors, but this country must never be caught in the weakened and unprepared condition it was in on December 7, 1941. Neither do I like insurance, but the prudent man would not be without it.

THE EG-SERVICEMAN: is not a beggar; he only asks an even break in order to regain the slack in society and business he lost by reason of his service. The over a million wounded, disabled and injured veterans are our very own, to keep and care for with tender hands and loving hearts. Being a veteran myself, I speak from experience.

LABOR AND CAPITAL: Without the one there could not be the other. Legislation that does not recognize the rights of each, is very unwise. Greedy management and racketeering labor leaders both must be subdued. Government is an umpire, not a coach.

Help us stamp out this "Black Market."

2. We do NOT

- Sell new cars to dealers.
- Knowingly sell to anyone who buys for resale.
- Require a trade-in to obtain delivery of a new car, but if you do have a car to dispose of, we would appreciate your trading it to us.
- Require you to purchase many accessories you do not need.
- Penalize you by making an unjustified low allowance for the car you trade.

3. What About Delivery?

We assure you that everything is being done to increase production of cars which is limited only by availability of materials. We solicit your patience in the knowledge we are doing our best to speed the process.
