Track Is The Sport At Rankin High School This year RHS again has a few

boys out for track, very few. Some of us would appreciate it very much if some of the other boys would come out.

The boys now out are Billy Zachary, running 440 yard dash; Paul "Foots" Johnson, running the 880 yard distance, and Elbert Eckols is running the 200 yard low hurdles and broad jumping. All of these boys have possibilities in district this year. All of them are sophomores in RHS and are working hard.
