Local Races In Upton For August 26 polls in unexpected numbers last Saturday when 1,066 ballots were cast in the July Democratic primary. Most county observers predicted between 800 and 1,000. There are 1.447 poll tax holders

> in the county With all the "scratching" com pleted, tabulations show only two contests left in the county for run-offs on August 26, both in

> W. J. Price, present Commissioner of Precinct 2, faces W. J. 89 votes, James 66, while D. O. accounted for 33 to make the run-

off necessary In the Justice of the Peace chase in the same precinct, Mrs. Murray McCain led the ticket with 84 votes, with Charles C. Campbell entering the run-off with 63 votes. Mrs. Alice Bell

ran third with 38 votes. For the other voters of the county, interest will be centered on the red-hot congressional race between Ken Regan and Paul Moss. Regan led Upton County last Saturday with 564 votes, to 306 for Moss. Hervey received

157 votes in the county. A light turn out in the run-off might easily prove costly to either candidate for an Upton majority. The outcome will depend largely on the work of the forces of the two men to get their supporters 298.77 to the polls.

Joseph McGill, Associate Justice of the Court of Criminal Appeals, received the highest number of votes in Upton County with 1,062, while Mrs. Elizabeth Rains led among the county office holders with 1,059.

In other races last week, Tom Trimble was returned to office, winning over T. A. Pauley by a count of 183 to 106, and Joe Conger overwhelmed Cahal Clinton 308.60 333 to 74 to be re-elected to the 1,800.00 Commissioners post in Precinct 4. In the constable races, Malcolm Reimers was re-elected in precinct 3 over J. M. Meeks, 210 to 1,650.00 73, while S. O. Langford won in precinct 2 with a clear majority over W. E. Yates with 33 and T. polled 95 votes.

Mrs. Ann Poling, 609 Delaware St., Indianapolis, Indiana, who was suffering from deficiencies of Vitamins B., B., Iron, and Niacin, smiles as she pours herself another cup of coffee. Mrs. Poling says life lately is like it used to be years ago . . . "that is, of course, since I've been taking HADACOL." She can't get over what a difference HADACOL has made in her outlook on life. made in her outlook on life.

Mrs. Poling says: "Three months ago a good friend of mine told me about HADACOL—she knew how much stomach distress I have had. Any type of food that was fried or that had acid in it I just couldn't eat. It affected my sleep, too. In fact, I couldn't have been in a worse condition. When I ate what I wanted to I felt miserable and when I didn't eat these things—I didn't have a proper diet and still felt bad. Then, when I started taking HADACOL, I felt better immediately. I've got a bettle in the house now—and a bottle in the house now—and will continue to keep HADACOL from now on. I have told many folks about HADACOL—and they

folks about HADACOL—and they all thank me for telling them about HADACOL. They all have gotten wonderful results from HADACOL like I have. Now I eat anything I want and get a good night's sleep. I can't praise HADACOL enough."

HADACOL enough."

HADACOL Can Help You, Too!

. . . as it has helped thousands of others whose systems lacked Vitamins B., B., Iron and Niacin. Yes, even hundreds of doctors have recommended HADACOL to their patients. The HADACOL formula is so effective for stomache distress, nervousness, insomnia, constipation, aches and pains of neuritis, and a general run-down condition caused by such deficiencies.

Make Up Your Mind

such deficiencies.

Make Up Your Mind

... to give HADACOL a chance to help you, as it has helped countless thousands of others. Remember, there are no substitutes for HADACOL. Always insist on the genuine HADACOL. No risk involved. Buy a bottle of HADACOL, either the trial size, \$1.25, or the large family or hospital size, \$3.50, and if HADACOL does not help you your money will be not help you your money will be refunded.

My Sincere Thanks And Appreciation To The Voters of Precinct 1

for electing me to the office of County Commissioner. I have worked hard to merit your confidence and support, and shall continue to do my best to fill this office in a creditable manner.

Call on me when I can be of service to you.

Sincerely,

Sam Holmes

To The Citizens Of Upton County:

BELIEVE ME, I APPRECIATE THE SUPPORT THAT YOU YOU GAVE ME SATURDAY.

JOHN A. MENEFEE

Greetings from the First Christian Church of McCamey, Texas:

We are announcing a Crusade for Christ which began June 13, 1950, and will reach its climax on August 20, 1950. On this Sunday sixty people will come forward to accept Jesus Christ as their savior. This is our "Day of Decision."

Something now about our church: Our Sunday School classes are unified and adapted to all age levels. We have a "Young Married Couples" class and a Men's class which is open to every man. Won't you come. Our "Christian Youth Fellowship" is active and growing. We also have a nursery to take care of the babies and small children. Make this your church home and come to church Sunday.

God bless you and keep you.

STEPHEN R. AVERY, Minister.

WITH DEEP APPRECIATION, I WISH TO EX-PRESS MY THANKS FOR YOUR VOTE IN THE DEMOCRATIC PRIMARY SATURDAY.

I SHALL ENDEAVOR IN THE FUTURE TO CONDUCT THE AFFAIRS OF THIS OFFICE IN A FAIR AND IMPARTIAL MANNER AS I HAVE STRIVED TO DO IN THE PAST.

G. H. FISHER

COUNTY JUDGE, UPTON COUNTY

BUY MORE U. S. SAVINGS BONDS

THANKS----

I wish to take this means of expressing my deep appreciation to the citizens of Upton County for the confidence shown in me and my able staff during the past two years.

I assure you that I shall continue to fulfill the duties of this office to the best of my ability.

Station Increases Load

The Shell Pipe Line Company's which has been served by West Texas Utilities Company's 12 K. V. substation since 1928, has been reported as increasing its load. Two 400 h.p. pumping units are being added to this station to pump oil to the Humble Station near Big Lake. Before it was enlarged it consisted of three 400 h.p. units on the Cushing line, three 300 h.p. units on the Houston line. Some of these are spare

The demand of the substation now runs a peak of approximately 1100 KW and it is expected to increase to about 1600 KW or For District Attorney, 83rd Disprobably 1700 KW which will fully load the 2000 KVA substation. The Shell's increase in power requirements at this location is making it necessary to extend another 12 KV feeder circuit from the McCamey substa-
