RANKIN, UPTON COUNTY, TEXAS

FRIDAY, JUNE 6, 1952

Upton County Second In Permian Basin Drilling

Drilling activity in the Permian Basin areas of West Texas and east New Mexico, while still below the 1951 figure, was down the month of May, according to the semi-monthly Reed Bit Co. survey. The national oil workers strike and the unsettled steel situation have been principal causes of the drop in activity.

Upton dropped to second place, with a loss of 13 from 99 to 86. Midland County lost two to Lea County, N. M., was still with 116 rigs in spite of losses during the last two weeks.

Other areas showing drops were Andrews, Ector, Reagan, Scurry, and Yoakum. The Spraberry Trend, where 188 rigs were drilling on May 10, showed 168 on May 25.

The ten counties with the highest counts as indicated in the May 25 Reed Survey are:

County	May 25	May 10
Lea	116	121
Midland	87	89
Upton	86	99
Ector	39	36
Reagan	39	46
Glasscock	28	28
Gaines	27	28
Scurry	25	33
Andrews	23	31
Pecos	17	13

Tracy Starred In "Martin Kane" Role

Lee Tracy, famed actor of stage, screen and television, is heading for another milestone in assuming the starring role in the "Martin Kane, Eye" television and radio series.

One of the best mystery shows on air, and seen in every television station in the country, "Martin Kane" will give Lee Tracy an opportunity to show his easy-going, sharp-witted, and with concealed dynamite character which has endeared him to millions of stage and screen lovers. The program is seen over the NBC-TV network Thursdays, 10:00 p. (EDT), and is heard on radio over the same network at 4:30 p.m. (EDT) every Sunday.

Funeral Services Held For McCamey Tuesday

Funeral services for Frank Johnson, 81, died in the Cooper Hospital Sunday morning, June 1, following a lingering illness. He was born December 24, 1870.

Mr. Johnson had lived in McCamey for the past 26 years and was employed by the City of McCamey. Services were held in McCamey Tuesday afternoon at 2:30 o'clock from the First Methodist Church, with Rev. G. A. Rowell, pastor of the East Side Baptist Church, officiating.

Burial was in the McCamey Cemetery beside his wife who died in 1945.

Funeral Services Held For Mrs. Bean In Artesia, New Mexico

Funeral services for Mrs. O. C. Bean, who died in Artesia at her home May 19, were held Wednesday, May 21, from St. Anthony's Church, Artesia.

Mrs. Bean is a former McCamey resident, having moved to Artesia in 1936.

Mrs. Bean was born Sept. 16, 1896, in Halton, Pa., the daughter of Mr. and Mrs. James Dunn. She married Orville Clark Bean Dec. 23, 1913. Two children born to the couple survive their mother. They are Bina Ann and Margaret Bean.

Survivors include four brothers, Joe Dunn, Washington, Pa.; Perry Dunn, Portland Mills, Pa.; Albert Dunn, Washington, Pa.; and Elmer Dunn, Cannonsburg, Pa.; and four sisters, Mrs. Harvey Larson, Derby, N. Y.; Mrs. Virgel Kiernan, Silver Creek, N. Y.; Mrs. John Hilton, Buffalo, N. Y.; and Mrs. Daisy Betts of Sinclairville, N. Y.

Funeral Services Held For Mrs. Bean In Artesia, New Mexico

Mr. and Mrs. C. D. Wright are the parents of a baby girl born Saturday night, May 31 in the Crane Memorial Hospital. She weighed six pounds, 2 1/2 ounces, and has been named Cynthia Gail.

Funeral Services Held For Mrs. Bean In Artesia, New Mexico

Mr. and Mrs. T. L. Sebolt are the parents of a baby girl born Thursday morning, May 29, in the Cooper Hospital. She weighed five pounds, seven ounces and has been named Ellen Amelia.

Funeral Services Held For Mrs. Bean In Artesia, New Mexico

Mr. and Mrs. C. D. Wright are the parents of a baby girl born Saturday night, May 31 in the Crane Memorial Hospital. She weighed six pounds, 2 1/2 ounces, and has been named Cynthia Gail.

Possible Candidate

RED OAK, IOWA—Mrs. H. C. Houghton (above), retiring national president of the General Federation of Women's Clubs, is quoted as saying she has been approached as a possible Republican candidate for Vice President. The leading club woman also said she had been asked to serve as either an ambassador or cabinet officer in the event of a G.O.P. victory in the November elections.

Summer Recreation Now In Full Swing

Rankin's Summer Recreation program got underway on Wednesday with Coach Joe Scrivner full-time director of all activities. A meeting was held in the morning at the high school building for all young people over 12 years of age, and fastball teams were to be organized Wednesday night for the fastball league. All ball games will be played on the newly lighted county ball field.

Ted Hogan is organizing a little-league of ball players for youngsters under 12.

A well-rounded program of athletic games and social activities is on the agenda, and a schedule calendar will be printed in The Rankin News every week, giving a full schedule of events.

Below is the schedule for the week of June 9-14:

- MONDAY, JUNE 9: Activity Period 9-11 a. m. High School.
- TUESDAY, JUNE 10: Activity Period 9-11 a. m. High School. Softball Game 8:15 p. m. County Field.
- WEDNESDAY, JUNE 11: Activity Period 9-11 a. m. High School.
- THURSDAY, JUNE 12: Activity Period 9-11 a. m. High School. Recreation Night, Old High School Gym, 8-10:30 p. m.
- FRIDAY, JUNE 13: Activity Period 9-11 a. m. High School. Softball Game, County Park at 8 p. m.
- SATURDAY, JUNE 14: Canteen Dance, Park Building, 8 p. m.

Draft Calls Rising To 1,251 For July

State Selective Service headquarters is scheduled to mail pre-induction and induction draft calls Friday calling for the examination of 2,580 men and the induction of 1,250 men in July.

This bears out a prediction of Brig. Gen. P. L. Wakefield, State Selective Service director, earlier this spring that draft calls would begin to rise in the summer and be heavier next fall.

The June call, announced about two weeks ago, was for only 384 men. The number of men receiving the pre-induction physical and mental examination in June will be 2,160.

The July induction call for 1,251 men in July is the Texas share of a national quota of 33,000. The induction call in July, 1951, was only 367.

The July call will be filled with men 20 years old and older. Gen. Wakefield said Texas has only about 300 examined and acceptable men 21 years old or older. The remainder of the quota will have to come from the 20 year old group.

Local boards will not be able to induct any man below the age of 20 with the exception of delinquents and volunteers.

As of the end of April, Texas had inducted 38,658 men since the beginning of the conflict in Korea. More than 91,000 men were given pre-induction examinations during the same period.

Rankin OES Officers Hold Installation

Officers of Rankin Chapter Order of the Eastern Star for the year 1952-53 were installed on Monday night at a regular meeting. Installed were:

Mrs. Tom Hogan, Worthy Matron; Ted Hogan, Worthy Patron; Mrs. Abner Pool, Associate Matron; Abner Pool, Associate Patron; Mrs. Forrest Smith, Conductress; Neva Rae Taylor, Associate Conductress; Miss Maggie Taylor, Secretary; Mrs. Hamilton Still, Treasurer; Mrs. C. J. Holcomb, Marshall; Mrs. Walton Harral, Chaplain; Mrs. Tom Workman, Organist; Mrs. Little, Ada; Mrs. Morris Ledger, Ruth; Mrs. Grace Zachary, Esther; Mrs. W. A. Hudson, Martha; Mrs. Maude Frazier, Electa; Mrs. Joe T. McComie, Jr., Warder; Mrs. R. D. McSpadden, Sentinel.

Mrs. Birdie Bosworth of Crane was installing officer, Miss Myrna Holman, installing marshal, and Mrs. Harry Cowden of Crane, installing organist.

Green and white, chosen colors of the incoming worthy matron, and white daisies were used in decoration and carried out in the color scheme in the cake and frosted punch served at the close of the meeting.

Guests were present from chapters in Big Lake, Midland, Crane and Iraan.

Shirley Sue Hamilton Is Stricken With Polio

Shirley Sue Hamilton, 8 year old daughter of Mr. and Mrs. Herman Hamilton, was taken to the Clinic Hospital in San Angelo last Thursday, where she is a polio patient. She is reported as "doing satisfactorily" by Mr. and Mrs. Hamilton, who are staying in San Angelo with her. Effects of the disease so far have appeared only in the lower limbs.

The Hamiltons had returned on Tuesday from Florida, where they had been called two weeks previously by the death of Mr. Hamilton's sister. Shirley was ill when they reached home.

W. J. COWAN AT HOME

W. J. Cowan, who has been hospitalized in San Angelo recently due to a badly fractured leg, has been brought home to Rankin.

Food For Rebellious Communist Prisoners

KOJE ISLAND, KOREA—A U. S. Army truck is backed up to a gate of Compound 76 to deliver food to the rebellious Communist prisoners, some of whom may be seen behind the wire in left background. Truck does not enter the Compound, but unloads supplies at the gate. They are carried inside by the prisoners who do their own cooking.

Coats Motor Company Closes Repair Shop

Ray Coats announced that the Coats Motor Company in Rankin have closed their repair department. They will continue to operate the service station distributing Standard of Texas Chevron Products.

They also will continue the dealership of GMC trucks, Pontiac, and Cadillac automobiles, giving liberal trade-ins on cars and trucks. C. H. Brooks is the manager.

Brownie Troop 5 Hold Fly-Up Ceremony

Brownie Troop No. 5 met in the Park Building recently for their fly-up ceremony.

Those receiving scout pins and wings from their leader, Mrs. Carl Keyes, were: Linda Sharp, Sandra Kay Cowan, Nina Gayle Pettit, Carleia Keys, Lillie Mae Clark, Nancy Carol Howard, Charlene West.

Parents attending were Mrs. J. B. Pettit and Mrs. W. A. Sharp.

Nina Gayle Pettit served cakes and cookies to the group.

Braun Arrested On Swindling Charge

James M. Braun was arrested in San Angelo Tuesday on a warrant sworn out by the Upton County Sheriff's department.

Braun was charged in the warrant with swindling by purchasing property upon the credit of another person.

Bond was set in the amount of \$1,000, which was made.

Plenty Of Jobs Open, Says Odessa Office

With the coming of summer, job opportunities continued to increase in Odessa, stated T. J. Teter, manager of the local Texas Employment Commission. There continues to be a demand for skilled workers, however, numerous unskilled openings are received daily. During the month of May there were 892 job openings in the office, with 767 people being placed in suitable employment. This compares with 723 job placements the previous month.

At the present time the office has openings for diesel and heavy duty mechanics, electricians, welders, machinists, warehousemen, stenographers, clerk-typists, male bookkeepers and waitresses. The numerous orders for laborers and domestic help, which are received daily, are filled from traffic contacting the office.

There is a large number of summer workers, both students and teachers, who are contacting the office daily, seeking summer work, and any employers who could use these people are urged to contact the office. A great many of these people depend on summer employment in order to return to schools in the fall. For the very best selection of any qualified workers available, Teter urges employers to contact the local office of the Employment Commission.

The moth is thought to be unable to see or hear.

In the US a green buoy marks a sunken wreck.

Funeral Services Held For Mrs. Bean In Artesia, New Mexico

Funeral services for Mrs. O. C. Bean, who died in Artesia at her home May 19, were held Wednesday, May 21, from St. Anthony's Church, Artesia.

Mrs. Bean is a former McCamey resident, having moved to Artesia in 1936.

Mrs. Bean was born Sept. 16, 1896, in Halton, Pa., the daughter of Mr. and Mrs. James Dunn. She married Orville Clark Bean Dec. 23, 1913. Two children born to the couple survive their mother. They are Bina Ann and Margaret Bean.

Survivors include four brothers, Joe Dunn, Washington, Pa.; Perry Dunn, Portland Mills, Pa.; Albert Dunn, Washington, Pa.; and Elmer Dunn, Cannonsburg, Pa.; and four sisters, Mrs. Harvey Larson, Derby, N. Y.; Mrs. Virgel Kiernan, Silver Creek, N. Y.; Mrs. John Hilton, Buffalo, N. Y.; and Mrs. Daisy Betts of Sinclairville, N. Y.

Congratulations

Mr. and Mrs. T. L. Sebolt are the parents of a baby girl born Thursday morning, May 29, in the Cooper Hospital. She weighed five pounds, seven ounces and has been named Ellen Amelia.

Mr. and Mrs. C. D. Wright are the parents of a baby girl born Saturday night, May 31 in the Crane Memorial Hospital. She weighed six pounds, 2 1/2 ounces, and has been named Cynthia Gail.

THE CHRYSLER IMPERIAL 6-PASSENGER SEDAN

YOU'LL FIND IT EVEN BETTER THAN YOU'VE HEARD!..

It's been many years since a new car has caused as much talk as today's Chrysler Imperial has. What you may not realize is how long it's been since a car gave so many reasons for excited talk as this one.

May we invite you to drive and test the best and most worth-owning engine on the road today? (Chrysler's magnificent new 180 H.P. FirePower V-8.)

May we invite you to handle the easiest and safest steering wheel in existence at the moment? (Chrysler's full-time Power Steering.)

May we invite you to try out brakes which require as little as one-third the usual foot-pressure, and still stop you in many feet less than other cars do? (Chrysler Power Brakes.)

May we invite you to sit on the most comfortable seat cushions, and enjoy the fullest window vision you can find? May we invite you to ride on the rough-road miracle of the Oriflow shock absorbers which only Chrysler-built cars have?

May we invite you to drive a Chrysler Imperial... and learn how much you'd miss, and deeply regret, if you bought another car today without knowing this one first?

We... and Imperial by Chrysler... are at your service, any time.

COMMUNIST MEDICINE

In a recent editorial, the Washington Post said, "In considering the various proposals before Congress to give government medicine to various segments of the population, we have to keep in mind where such laws lead . . . Our Federal planners are jumping the British stage and movement straight to Federally financed medicine, a la Russia."

The Post then described the experience of a doctor who worked in the Soviet Union for 17 years and is now in the United States. In the average Russian community, he said, patients have no choice of physician—a bureau controls all medical practice and people are assigned to a given clinic. The clinics are further divided into districts each of which has a doctor and a nurse who are supposed to serve 2,000 to 3,000 inhabitants. During his office hours, the doctor is able to give about five minutes to each patient, because of the crowd. On house calls he can spare about ten minutes. Hospitals are jammed. One result of this kind of political medical care is that the tuberculosis death rate in Russia is six times higher than in the U. S.

You can say that conditions would be entirely different here, even under the Administration's compulsory Federal health insurance scheme. But the fact is—and history has demonstrated it over and over again—that a little bit of socialism, a little bit of dictatorship, always leads to more and more. There is one thing the typical bureaucrat can't get enough of—and that is power over the people.

No major nation can enjoy health standards as high as the United States. In none is better or more comprehensive medical care available to the masses of the people. This is the achievement of free medicine working in a free country. Will we be blind enough to let the politicians force socialized medicine down our throats.

First Church Of Christ, Scientist, Hold Annual Meeting In Boston

BOSTON.—Spiritual understanding alone can pierce today's corruption in government and world confusion and lead mankind to lasting safety and security, the Christian Science Board of Directors said June 2.

About 7,500 Christian Scientists from throughout the world heard the Directors' special message at the annual meeting of The Mother Church, The First Church of Christ, Scientist, in Boston, Mass.

The directors said that human ingenuity alone will never solve mankind's deepest problems. But they added that the means for right adjustments are spiritual and are immediately available.

"Not numbers nor human might, but Truth—spiritual understanding

—is the power that will mold the world's destiny," they declared.

Named president of The Mother Church for the coming year was Lt. Col. Robert Ellis Key of London, England, Associate Editor of the Christian Science religious periodicals.

Relief totaling some \$200,000 was voluntarily contributed by Christian Scientists to aid sufferers in the Kansas-Missouri Valley flood. R. G. Watson, treasurer of The Mother Church, announced.

In another field, the Christian Science Camp Welfare department disclosed that more than 300 Camp Welfare workers were ministering to hospitalized veterans and members of the armed forces. In addition, 13 Christian Science chaplains—three of them in Korea—were on active duty with troops for a vacation visit.

UNDULANT FEVER NOW IN SEASON

AUSTIN. — This is the season when an increase of undulant fever may be expected, according to Dr. Geo. W. Cox, State Health Officer.

An undulant fever patient suffers from chilly sensations, or severe shaking chills, sweats, and high fever. The patient loses in weight and becomes weak. If the illness is of a mild type, a person may find it hard to remain in bed, but if he tries to keep on with his work, he finds he has not sufficient energy.

Symptoms often continue for a number of weeks before recovery occurs. Fortunately undulant fever has a low death rate. Body temperatures may reach a higher mark each day than the day before for some time, and then gradually return to normal over a period of several days. Fever may be absent for some days and come back again in the same way as before, registering higher each day and then gradually going lower. The patient's temperature chart will resemble smooth waves of undulations. The appearance of the temperature curve in typical cases has given this disease the name undulant fever.

Undulant fever is one of the infectious diseases known to be transmitted from animals to human beings. In hogs and cows, the germ produces a great economic loss because it causes contagious abortion. When this same germ invades the human body, the resulting disease is undulant fever. Prevention is dependent upon eradication of the disease in farm animals, careful pasteurization of all dairy products, and avoidance of direct contact with all infected animals.

Private Aid Increasing

Direct private US investments abroad increased from \$8.6 billion in 1946 to \$13.6 billion in 1950. The US Chamber of Commerce says that most of the increases were in Canada and Latin American nations which received little or no US government aid, and that the main reason for the increases is that the investment environment in these nations is sufficiently favorable so that the returns are large enough to justify the risks.

THE STATE OF TEXAS

TO: Barbara Delores Jones
GREETING:

You are commanded to appear and answer the Plaintiff's Petition at or before 10:00 o'clock A. M., on the first Monday after the expiration of 42 days from the date of issuance of this Citation, the same being the 7th day of July, A. D., 1952, at or before 10:00 o'clock A. M., before the Honorable 112th District Court of Upton County, at the Court House in Rankin, Texas.

Said Plaintiff's Petition was filed on the 2nd day of February, A. D. 1952, the file number of said suit being No. 802.

The names of the parties in said suit are: Alvie Lee Jones, as Plaintiff, and Barbara Delores Jones, as Defendant.

The nature of said suit being substantially as follows, to-wit: Suit for Divorce.

Plaintiff alleges the following: 1. That he is and has been for a period of twelve months next prior to filing the petition herein, an actual bona fide inhabitant of the State of Texas, and has resided in the said County of Upton for at least six months next preceding the filing of this suit. 2. That on or about the 30th day of June, 1951, in McCamey, Upton County, Texas, Plaintiff was lawfully married to Defendant; that they continued to live together until on about the 10th day of September, 1951, since which time they have not lived together as husband and wife. 3. Plaintiff alleges that during the time she

and Defendant lived together as aforesaid, he was kind and affectionate to her and forever mindful of his duties as a husband, but Defendant, unmindful of her duties and obligations of her marital vows, began a course of unkind, harsh, cruel and tyrannical treatment toward Plaintiff, without cause or provocation whatever on the part of this Plaintiff. 4. Plaintiff further alleges that Defendant's actions and conduct toward him generally are of such a nature as to render their further living together insupportable, the premises considered. 5. Plaintiff alleges that there are no children born of this marriage and no property. 6. Plaintiff alleges that Defendant's name before marriage was Barbara Delores Anderson.

WHEREFORE, Plaintiff prays the Court that Defendant be cited to appear and answer herein and for judgment dissolving said marriage relations, for costs of suit, and for such other and further relief, special and general in law and in equity, as he may be justly entitled, and that Defendant's name before marriage be restored to her. If this Citation is not served within 90 days after the date of its issuance, it shall be returned unserved.

Issued this 20th day of May, A. D., 1952.
Given under my hand and seal of said Court, at office in Rankin, Texas, this 20th day of May, A. D., 1952.
Nancy K. Daugherty,
Clerk, District Court,
Upton County, Texas.
By Sarah Lee Vardy, Deputy.

BASS OUTPUT ON INCREASE

AUSTIN. — The Chief Aquatic Biologist of the Texas Game and Fish Commission reported that the 1952 bass spawn production spurted in mid-May after a bad early season showing.

He blamed cold weather for loss of eggs in several hatcheries and said the experience seemed to point up the importance of the temperature control regulator being tried out at San Marcos Fish Hatchery.

But the Chief said plans are being made to assign aquatic biologists to the hatchery staffs next season to try to determine if dietary deficiencies in brood bass are partly to blame.

He said normal early spawn production was reported by only two of the 11 state hatcheries in operation—those at Brownsville and Jasper. The two hatcheries temporarily suspended are Cisco and Medina. Water shortages closed both this year as well as last.

FACTS ABOUT TEXAS THAT ALL PEOPLE SHOULD KNOW
Texas is known as the Lone Star State because of the single star in its flag. The state motto is "Friendship," and the state song is "Texas, Our Texas." The state flower is the bluebonnet and state bird is Mockingbird.
The area of Texas is 267,339 square miles, of which 3,695 are water. Texas now embraces more than 8 per cent of the area of continental United States.

"COOL SUMMER COMFORT"
yes, Sir! We'll install
PARAMOUNT Air Cooler
right away!

There's a size and a model to fit your needs and your budget.

...they give "Twice as Much Cool Air"

With exclusive "No-Clog" filter screens — screens that actually eliminate clogging by preventing the accumulation of dust, dirt, and mineral deposits — Paramount Air Coolers give "twice as much cool air." This summer keep your office, store or home a pleasant place to work, shop, or live . . . with cool mountain-fresh washed air. Yes, this summer you, too, can enjoy the cooling comfort of a Paramount Air Cooler.
