

Youth Council Aids Community

The Adult Council for Youth met at 8:30 p. m. Wednesday night in the Park Building. Mrs. R. H. Johnson, chairman, presided, and Mrs. W. A. Hudson acted as secretary pro-tem in the absence of Mr. H. Still.

The history and work of the Council since its organization was reviewed. It was organized at the time the Rankin Study Club entered the contest, "Build Freedom With Youth," and Rankin's present youth recreation program has been an outgrowth of the contest activities.

Outstanding among the Council's accomplishments has been the securing of county funds for the youth program. The McCamey and Rankin Councils worked jointly on this and the Commissioners Court set aside \$1,800 for each group to carry on the youth program.

After some deliberation, the Council decided that a summer recreation program for youngsters was the first need they would try to fill and so asked the court to approve the hiring of a summer youth director with half of the funds. Each Scrivner was hired.

At Wednesday night's meeting, the Council voted to set up the remaining \$900 in the youth fund to buy equipment and as an operating fund for the summer program. Shuffle board sets, horseshoes, phonograph records, ping-pong balls and some fastball equipment have been ordered to date.

The court has given the Council permission to have a miniature golf course erected in the City Park. The court will be erected by Mr. Scrivner with volunteer help from the school boys. Materials for the golf course, equipment for the Little League softball games and balls for the fastball league of older boys and men are being ordered from the fund.

It was also decided to include smaller children from 8 to 11 years of age in the program, inasmuch as Mr. Scrivner's morning activities at the old gym included only those from 12 years of age up. As young children have been coming in in increasing numbers, the Council decided on a play day once a week

and Mr. Scrivner was authorized to hire a director for that morning as well as a helper to work with the boys aged 8 to 11 in their Little League.

Scrivner reported that swimming classes will be held for children and youth a little later in the summer.

The present project for the Rankin Adult Council, jointly with the McCamey Youth Council, is the bond issue for Youth Center buildings and colored neighborhood houses for the growing colored population in both towns.

The Rankin Youth Center plans include a games room for ping-pong and other table games, a social hall scaled to fit the needs for teenage parties and a smaller social room to be furnished as a living room with a piano where church and school groups can meet for round-table talk, sing-songs, and committee meetings. A small canteen kitchen office and directors' quarters are also included in the plans.

Also planned for the Rankin Center are a standard size Little League for Girl Scouts and a large room for Boy Scout meetings. A paved patio with an outdoor fireplace would provide a place for skating and picnic parties. In planning the scout unit with the Boy and Girl Scout leaders, the Council recognized the need for scout quarters in Rankin as immediate and urgent.

So, as designed, the Rankin Youth Center would meet the needs of recreation, teamwork, and growth for children from 8 through the college-age group. No stage is planned for the youth center buildings as there are stages available in the community, but a stage is included in the plans for the colored neighborhood houses.

If the bond issue carries, it is understood that the bonds will be retired from 25c of the permanent park fund. In 1951 about 13c of the 25c was used to retire present park improvement bonds. The bond issue carrying part of the remaining 12c in the park improvement fund will be used to retire the bonds without raising that fund's rate.

Summer Story Hours Start For Rankin Kids

"Our American Heritage is the theme for the Upton County Library in Rankin's summer story-hours, which will start Saturday morning, June 21, in the Park Building at 9 a. m. Enrollment in the Summer Readers will take place also Saturday morning. A program of much enjoyment is in store for the Rankin children in this summer's story hours, and it is also a program in which they will learn much about America.

There will be two age groups meeting at the same hour. One group will be made up of children of the ages of five through eight years, and the other ages will be nine through 12. All children of the community will be most cordially welcomed at the story hours.

Rankin girls trained in storytelling last summer will tell stories to the children each Saturday and a nice time is promised to all.

Rankin Youth Activities For June 23 To 28

Monday, June 23—Activity period, High School—for children over 12 only, 9-11 a. m.
Fastball—Water Haulers vs. Sheriff Posse, 8 o'clock, County Park.

Tuesday, June 24—Activity period, 9-11.
Wednesday, June 25—Activity period, 9-11.

Thursday, June 26—Activity period, 9-11.
Recreation Night, Old High School Gym, for boys and girls over 12, 8-10 p. m.

Friday, June 27—Activity period, 9-11.
Fastball, County Park, Recreation Club vs. Butane Burners, 8 p. m.

Saturday, June 28—Youth Dance, Park Building, 8:30 p. m.

Christian Society Organizes Membership Into Two Societies

The Woman's Society of Christian Service organized its membership into two circles at Monday afternoon's meeting.

Mrs. Max Lewis was appointed chairman of Circle No. 1 with Mrs. Hamp Carter as co-chairman. Other members of that circle as drawn were Mrs. Max Schneeman, Mrs. E. D. Yates, Mrs. Will Nix, Mrs. Ted Hogan, Mrs. Walton Herral and Mrs. R. O. White.

Also Mrs. B. B. Brown, Mrs. S. H. Boyd, Mrs. D. S. Anderson, Mrs. Ross Wheeler, Mrs. A. R. Poole, Mrs. E. C. Higday, and Mrs. I. W. Robbins.

Circle No. 1 will meet Monday. Mrs. D. O. McEwen is chairman of Circle No. 2 with Mrs. Don Cochran as co-chairman. Other members are Mrs. Harold Price, Mrs. H. R. Congdan, Mrs. Bruce McGill, Mrs. R. H. Johnson and Mrs. Clint Shaw.

Also Mrs. Linton Clark, Mrs. W. T. Elred, Mrs. M. C. Duer, Mrs. H. M. Roberts, Mrs. Murray McCain, Miss Mattie McDonald, Mrs. W. L. Goodwin, Mrs. Pearl Rankin, Mrs. Tom Workman, and Mrs. Leona Hodges.

Circle No. 2 will meet in the Educational Building at 4 p. m. next Monday.

Also in last Monday's meeting, Mrs. Fred Miller, president, gave a devotional and Rev. Don Cochran finished the study of the Book of Acts.

Miss Nadine Magarell Weds Pic. Patterson

Pfc. Gordon Lee Patterson, son of Mr. and Mrs. B. A. Patterson of Rankin, and Miss Nadine Magarell, daughter of Mr. and Mrs. Kenneth Magarell of National City, Calif., were married at 11:30 a. m. in the Central Christian Church, San Diego, Calif.

Patterson is stationed with the US Marines in San Diego, Calif., at present. He served with the First Marine Division in Korea and returned to the States last July after having been wounded in May, 1951.

Court Adopts Resolution To Complete Farm Road

After a long period of delay, the completion of Farm-To-Market Road 305 appears to be a reality for Upton County residents and people living in the surrounding area.

Last Friday afternoon, the Upton County Commissioners' Court reconvened its regular bi-monthly session, carried over from Monday, and brought the right-of-way issue up for a vote.

Commissioner Tom Trimble of Precinct 3 spearheaded the move by making the motion that a reso-

lution be made to complete the right-of-way for farm road No. 305. This motion was seconded by Commissioner Sam Holmes of Precinct 1. The resolution was adopted.

The Commissioners voted for the resolution as follows: Commissioners Tom Trimble, Sam Holmes, and W. J. Price voting ayes;

Commissioner Joe Conger of Precinct 4 voting nay.

The resolution reads: "Resolved: That the Texas Highway Department be informed that

it is the desire of the Commissioners' Court, as well as the people of Upton County, that the right-of-way of said Farm-To-Market Road be the one that is now generally used, being the route that leaves Farm Market Road 305, passing by the Country Club. That the additional 30 feet that is necessary for the right-of-way by the proposed road be taken off of the west side. It is the further desire of this court to inform the Texas Highway Department that the right-of-way, if taken as the road now exists,

would inconvenience the least number of people, be easier to acquire, and that the expense would not be prohibitive. It is the further wish of this court to inform said Texas State Highway Department that Upton County can furnish free to the Texas State Highway Department the right-of-way as above described, with the additional 30 feet."

And thus this badly needed link between McCamey and the Bakersfield Valley farming district will finally be joined.

The court has had the proposed route under considerable discussion, trying to arrive at a solution as to the most practicable route; also taking into consideration the convenience of the citizens affected; the cost of securing the right-of-way; and the wishes and desires of the people of Upton County.

Girls' 4-H Club Holds Annual Encampment

Twelve counties from District 6 are represented in McCamey at the 4-H Club girls annual encampment in session at the McCamey Park Building this week. The camp started Wednesday morning and will close Friday afternoon. One hundred and eighteen girls registered on Wednesday.

Activities include craft and recreation. Meals were served by the Garden Home Demonstration Club of McCamey.

All Home Demonstration agents from the district are present, including Miss Vida Holt, district agent, and Miss Mildred Harris, assistant State 4-H leader from College Station.

District Demonstration Agents attending are Mrs. Hattie Owens, of Ector and Andrews Counties; Miss Euell Johnson, Culberson and Hudspeth Counties; Mrs. Sally Ferrell, Winkler; Dudley Hambricht, Pecos; Mrs. Mildred Eiland, Martin and Glasscock; Miss Pauline Williams, Midland; Miss Irma Sealy El Paso and Miss Myrna Holman, Upton and Reagan Counties. Adult leaders and 4-H Girls attended from Ward and Reeves Counties. Four-H Girls were attended by their leaders.

Boy Scouts Say Thanks By Cleaning Up Town

To show their appreciation to the merchants and citizens of Rankin for the \$564.10 recently raised in the 1952 finance drive, Rankin Boy Scouts, Troop No. 56, with their scoutmaster, Ted Hogan, are going to conduct a cleanup in Rankin on Monday and Tuesday of next week.

The Scouts are all going to work and are going to clean up as many vacant lots as possible.

Citizens are urged to clean their own lots and premises and have all trash to be hauled off piled in their alleys or at the edge of the street for the pickup.

The Hogan Motor Co. is furnishing a truck and four pickups for hauling the trash. It will be hauled from the business district on Monday, and from the residential district on Tuesday.

Let's everybody cooperate and help the thoughtful Scouts all we can to clean up the town in this most timely project.

Park Bond Election Comes Up Next Week

Saturday, June 28, is the date for the special election to vote on the issuance of park improvement bonds. This is Upton County's chance to get some needed improvements for the Youth Centers in McCamey and Rankin.

The petition, as presented, called for \$275,000 in bonds, becoming due in not more than 20 years and bearing interest at a rate not to exceed 3 per cent per annum.

In the order of precinct number, the voting places in Rankin will be:

Voting Precinct No. 1 at Court House;

Voting Precinct No. 2 at Rankin Park Building;

Voting Precinct No. 3 at Office Building of Plymouth Gasoline Plant.

In McCamey:

Voting Precinct 4 at the McCamey Park Building;

Voting Precinct 5 at the C. W. Brown Pipe and Supply Co.;

Voting Precinct No. 6 at McCamey High School.

Upton County Youth Being Provided For

Plans have been made to broaden the Youth Council-sponsored summer program. Gloves and equipment to outfit two Little League baseball teams for boys, ages 8 to 12, have been ordered. A director is to be hired and daily workouts will be sponsored from now until mid-August. Parents who have boys in this age group and wish their sons to play, should watch the paper for the organizational meet-

ing. Along with this, it is planned to offer games for both boys and girls, ages 8 to 12, one day a week. Further announcements to this effect will be made.

A miniature golf course will be constructed in the city park for youth and adults alike. The park will be open from 8 to 10:30 each night. Five cents per game will be charged to offset miscellaneous expenses involved in the upkeep of the course.

Workmans Score Twice As Grandparents

Mr. and Mrs. Tom Workman became grandparents for the second time this month over a period of seven days.

A baby boy, weighing seven and 14 pounds, was born to Mr. and Mrs. Jimmy Workman in Clinic Hospital in San Angelo Wednesday, June 18.

Mr. and Mrs. Doss Drodody of Big Lake are the maternal grandparents. The baby's home is in Texon, where Mr. and Mrs. D. W. Workman, the grandparents, reside.

Last week another boy was born to the David Workmans of Midland.

Assistant Coach Named At Rankin High School

D. E. Jones, athletic director of Loraine High School, has been named assistant coach at Rankin, effective Aug. 15.

Jones is a graduate of Abilene High School and McMurry College. He is doing graduate work at Hardin-Simmons this summer.

Last year at Loraine, Jones had a 5-5 record in District 5-B football. In basketball, he piloted the team into the district playoffs, winning the western half of District 11-B.

Illegal Fishing Is Up Over Previous Months

AUSTIN.—Fishermen neglecting to obtain the \$1.65 state fishing license were checked in such numbers last month that the arrest report of the Game and Fish Commission showed a sharp increase for the first time in several months.

This was reported by the Director of Law Enforcement for the Commission who said May cases totaled 310 for the total fines and court costs of \$6740.40 compared with 190 cases and fines and costs of \$3470.20 for April.

He explained that all but 92 of the 310 cases in May involved infractions of fishing laws. Arrests for failure to have proper individual licenses totaled 109 but 11 of these were for lacking non-resident permit.

Forty-three cases were based on illegal methods of taking fish, 12 of these for using an electrical device.

Mrs. B. A. Patterson, with her daughter, Ruth and granddaughter, Bunny Carol, have been visiting relatives and friends in Paris and Rusk, Texas, and in Oklahoma.

Brown Appointed To Oil Committee

Mr. C. W. Brown, Independent Oil Operator of McCamey, has been appointed Upton County chairman of the Oil Industry Information Committee. He will administer the American Petroleum Institute information program in this community for 1952-53 and is in charge of plans now in their formative stage for Oil Progress Week, October 22-28, according to an announcement today by Joe T. Dickerson, OIC West Texas Area Chairman.

Mr. Dickerson, who is Vice-President of Shell Oil Company in Midland, said, "In broadening the OIC program in Texas this year we feel fortunate in enlisting Mr. Brown's leadership in the vital McCamey community."

Dickerson explained that Texas has been divided geographically

into 14 OIC areas this year with almost 700 oil and gas men serving on 331 volunteer community committees throughout the state.

Men and women from all segments of the petroleum industry over the nation have been banded together since 1947 as volunteer workers to keep the public informed about their industry.

In commenting upon his appointment as the new community chairman, Brown said that his objective and that of the local committee-men serving with him was:

"To help re-affirm the faith of the American people that their individual interests, as well as those of the nation, are best served, in peace or in war, by competitive, privately-managed oil and gas companies."

New Fastball Loop Schedule Is Set Up

The first half schedule for the newly created Rankin Fastball Circuit has been set as follows:

Friday night, June 20—Butane Burners vs. Sheriff Posse.

Friday night, June 23—Water Haulers vs. Sheriff Posse.

Friday night, June 27—Recreation Club vs. Butane Burners.

Monday night, June 30—Water Haulers vs. Recreation Club.

Wednesday night, July 2—Butane Burners vs. Sheriff Posse.

Monday night, July 7—Water Haulers vs. Sheriff Posse.

Friday night, July 11—Recreation Club vs. Butane Burners.

The first and second place winners of the first half will meet the first and second place winners of the second half for the Loop championship.

Water Haulers Upset Recreation Club 12-10

Box McDonald's Water Haulers won a hard-fought upset victory over Pat Yocham's Recreation Club Tuesday night at the County Park. This was the first loop ball game of the season. The Water Haulers slammed across one run in the first, two in the second and six in the third, to lead 9 to 2 going into the fourth inning.

From there the Recreation Club fought back and pulled up within two points going into the seventh. Snell of the Water Haulers hit the only home run of the night and Brown scored on an error to pull ahead four scores.

The Recreation Club maintained a strong rally in the last half of the seventh but were only able to score two runs, the final score ending 12-10.

PROCLAMATION:

The City of Rankin proclaims Monday and Tuesday, June 23 and 24, as Clean-Up Day.

Trash must be put in a pile and trucks will be around on Tuesday to pick it up.

A. E. IVY, Mayor of Rankin.

NOTICE TO THE CITIZENS OF RANKIN

Garbage will be picked up regularly by the City of Rankin Sanitary Department, and criminal penalties will be imposed after July 1, 1952, for disobedience of City ordinances. These ordinances are an effort to cooperate in the prevention of Polio.

CITY OF RANKIN

MRS. CARROL VERY ILL

 Notice To The Public: Any erroneous reflection upon the character, reputation or standing of any firm, individual or corporation will be gladly corrected upon being called to the attention of the publisher

BEEF PROSPECTS BRIGHT

According to recent government reports, the stage is being set for the largest production of beef the country has ever known.
 Last year, cattle numbers increased by more than 6,000,000 head, and are still rising. The present calf slaughter is the lowest in proportion to the birth rate since the Department of Agriculture began to keep records back in 1924—which means that producers are using more and more calves to build up their breeding herds instead of sending them to market. And this year's calf crop, the forecasters say, will hit a record high of substantially more than 37,000,000 head.
 That augurs well for the future of our beef supply—which is a mighty important matter in a nation of heavy meat-eaters. But, in the long pull, the question of whether we will continue to have an abundance of beef will be answered in large part by the policies pursued by the government. As an example, when it was apparent a year or so ago that OPS intended to force meat prices down to a level which would have practically taken the profit out of producing the animals—even while the producer was left with all of the risks—farmers and ranchers prepared to draw in their horns and narrow their operations. This, of course, would have eventually resulted in meat shortages in the legal market—coupled with a boom in the black market. Happily, however, Congress forced certain changes in OPS orders and regulations, and so the possibility of a crisis was averted.
 No one can gain from policies which undermine production and discourage initiative and risk-taking. That is true whether the commodity involved be beef or anything else. Meat prospects are excellent now. Let us be sure that they stay that way.

THE LAW NOBODY WROTE

The Curry County Times, published at Clovis, N. M., recently ran an editorial pointing to some of the tremendous and expensive administrative problems the price control regulations have imposed on business. At the end it said, "Somehow the threat of inflation and skyrocketing prices sort of fades in comparison with the mess artificially maintained levels have precipitated."
 "Anyhow, we haven't heard anything about the law of supply and demand being repealed. Until it is, we think it is pretty unlikely anyone in Washington can dream up something better."
 Nobody wrote the law of supply and demand, no legislature enacted it, no eager-beaver government people enforce it. It's just a law of nature, and it has governed economies of the world since time began. Every effort to tamper with it or replace it with man-made economic law has created only confusion—and, in some cases—national disasters.
 That law makes it certain that manufacturers will produce the things people want—in the quantity and quality wanted. It also makes it certain that our retail stores, from the smallest one-man shop to the biggest national chain, will stock those articles—and sell them at a price which is held to the lowest practical figure by free competition.
 No one has come up with anything even remotely as successful as the law of supply and demand in centuries. It is not probable that even our present-day deep-thinkers in government will be able to.

GRASS ROOTS OPINION

Marysville, Wash., Globe: "If we are to remain a sovereign state, with sufficient taxable area to support and develop our state as an entity, we must oppose the encroachment of Federal reservations, directly and indirectly. Our great resources can all be developed wisely and well without setting aside areas in the state as Federal reservation, which is the ultimate aim of the proposed CVA, and now CBA."
 Gresham, Ore., Outlook: "It is common knowledge that the amount taken by the Federal government from corporations today is far greater than the amount the corporations are permitted to retain for distribution as dividends and for the maintenance and expansion of plants. How long can industry go on furnishing jobs, absorbing wage increases, and still meet such rapidly rising tax obligations?"
 Scottsville, Ky., News: "Somewhere there must be a limit fixed to both taxes and to foreign aid expenditure. We cannot indefinitely continue raising Federal taxes and giving away money at a constantly increasing rate. For the sake of everyone in this nation, Congress must select limitations and pass laws that will prevent reckless administrations from exceeding those limitations."
 Anaheim, Calif., Bulletin: "Long ago, America rejected the cartel system of Europe, and set about vigilantly to stop the growth of business monopoly wherever it threatened. It is apparent that the monopoly power of labor unions is no less a danger to our national security."

THE LOW DOWN from HICKORY GROVE

Today we will devote some time to 'money'—borrowed money—not gold money. There is no such animal as gold dinero: gold money has gone the way of good old corn liquor at a buck per gallon. And gold for 3000 years—until 20 years ago—was the one, and always, item of value.
 But borrowed money—back to that. Everybody savvies—or should savvy—that anybody could splurge big if money grew on the trees and we had an assistant to pick it. We could all bask, ride far and wide, eat plentiful, dress nifty like a Bureau guy or Bureau dame, as they roam the land telling us simple workers of the beautiful times they see ahead for us if we just keep on, on our merry way, and regular visits down to the income tax office. But even so, the income tax gent finds himself short—so Sambo borrows more, and the high and wide spending keeps people thinking that times are good.
 Times being good on borrowed money—what would Washington and Jefferson think of us. When payup time finally rolls around, we will have a sad and miserable people. We will not be care-free, jaunty and happy as we look back and cogitate on how we all been taken into camp—lost our vest, and almost our shirt—by listening to the strange but sweet palaver of the past 20 years.
 Yours with the low down,
 JO SERRA.
 Major and Mrs. H. A. Mooney and four children were guests in the Murray McCain home last weekend. The Mooneys have just returned to the United States after three years in Japan and were enroute to Washington, D. C. Mrs. Mooney is Mr. McCain's sister.

Chicago Gets Potatoes From Big Texas Crop

Ten Santa Fe R. R. freight cars, loaded with potatoes from the Glen Flora district near Wharton, Texas, and their first crop in several years, are en route today to Chicago as a partial relief to the potato scarcity.

They represent the first crop of potatoes grown in the Wharton area in more than five years. E. C. Whipple, agricultural agent for the Santa Fe Railway, said potato production in the area was halted due to a ruinous onslaught of potato scab. The seeds of the present crop had been treated to avoid fungus spores and also sprayed for insect control and were reported in perfect condition.

"SPECTIN A AIR"

A registrant wrote to Kentucky Local Board No. 7:
"Dear Miz Turner? I got questin-air filed out and send it to you. I aint got no kids but spectin a air at enie minit. Will this put me in 4-F, and my mother has the Tea Bee and she is my pendants. I are also in poor health Doctor sed I should have my indepndens took out, and I am sendin a Doctors subscription for taking lectric fits. I hope you can do sumthin fer me, Yours forever,

Army Day is observed April 6, the date the US entered World War I.

State Health Officer Warns Public Danger Of Food Poisoning

AUSTIN. — Bacteria grow more readily in warm weather and this increases the danger of food poisoning, warns Dr. Geo. W. Cox, State Health Officer. Since modern refrigeration public health has improved. However, cases of food poisoning do occur, in spite of the more healthful measures of storing food.

Sickness from food poisoning usually strikes quickly and explosively, and those who do not eat the infected food escape. Usually in one to four hours after eating contaminated food, victims feel ill. If it is a mild case of poisoning, recovery usually begins in eight to 12 hours, but victims may feel the ill effects for several days.

Another important safeguard to prevent food contamination is that the hands of the person who prepares food be scrupulously clean.

and free from cuts and sores of any kind.

Usual symptoms of food poisoning are diarrhea, nausea, vomiting, abdominal cramps and weakness. Whenever you feel these symptoms, be sure to call your physician. Do not wait, hoping it will wear off; sometimes food poisoning is fatal!

The staphylococcus organism grows best in foods which are slightly fatty, such as fat meats, salads with rich dressings, cream pies, cream puffs, or any food with custard fillings.

So, if anyone in your family takes his lunch to work during the coming hot months, be careful of the foods you put in the lunch, and do not include any of these foods.

President Warren G. Harding was the Honorary President of the National Horseshoe Pitchers' Association.

Association football, or soccer, occupies the same position in Argentina that baseball does in the U. S.

Santa Fe Carloadings Total 22,233

Santa Fe carloadings for week ending June 7, 1952, were 22,233 compared with 23,807 for the same week in 1951. Cars received from connections totaled 10,360 compared with 11,311 for same week in 1951. Total cars moved were 32,593 compared with 35,118 for same week in 1951. Santa Fe handled a total of 34,523 cars in preceding week of this year.

In Paraguay there is a firefly called the railway beetle which flashes a red light at the ends of its body and a green light along the sides.

Not the biggest... but the BEST!

Notice of Election

THE STATE OF TEXAS :
COUNTY OF UPTON :

TO THE RESIDENT, QUALIFIED ELECTORS OF UPTON COUNTY, TEXAS, WHO OWN TAXABLE PROPERTY IN SAID COUNTY AND WHO HAVE DULY RENDERED THE SAME FOR TAXATION:

TAKE NOTICE that an election will be held in Upton County, Texas, on the 28th day of June, 1952, on the proposition and at the places more particularly set forth in the election order passed by the Commissioners' Court of said County on June 9th, 1952, which order is as follows:

"AN ORDER

CALLING AN ELECTION ON THE QUESTION OF THE ISSUANCE OF \$275,000.00 PARK BONDS.

WHEREAS, the Commissioners' Court of Upton County, Texas, deems it advisable to call an election on the proposition hereinafter stated;

BE IT ORDERED, ADJUDGED AND DECREED BY THE COMMISSIONERS' COURT OF UPTON COUNTY, TEXAS:

1. That an election be held in said county on the 28th day of June, 1952, at which the following proposition shall be submitted:

"Shall the Commissioners' Court of Upton County, Texas, be authorized to issue the bonds of said County in the amount of \$275,000.00, to become due and payable serially in not to exceed twenty (20) years from the date thereof, bearing interest at a rate not to exceed Three (3%) per cent per annum, for the purpose of purchasing and improving lands for park purposes, and shall the Commissioners' Court of Upton County, Texas, be authorized to levy, have assessed and collected annually while said bonds or any of them are outstanding a tax on the One Hundred (\$100.00) Dollars valuation of taxable property in said County at a rate sufficient to pay the interest and provide a sinking fund to pay said bonds at maturity."

2. The said election shall be held at the several polling places in Upton County, Texas, and the following named persons are hereby appointed as officers of said election at the several voting precincts, as follows:

In Voting Precinct No. 1 at the Court House in Rankin, Texas, with the following officers:

H. Wheeler, Presiding Judge,
Mrs. Boyd Cox, Judge,
Boyd Cox, Clerk,
Mrs. Jack Smith, Clerk.

In Voting Precinct No. 2 at the Rankin Park Building, in Rankin, Texas, with the following officers:

Mrs. Ted Hogan, Presiding Judge,
D. O. McEwen, Judge,
Mrs. D. O. McEwen, Clerk,
Mrs. Cecil Merriman, Clerk.

In Voting Precinct No. 3 at Office Building of Plymouth Gasoline Plant in Upton County, Texas, with the following officers:

Alvin Bushong, Presiding Judge,
Vernon Black, Judge,
Mrs. C. W. Denton, Clerk,
Mrs. Vernon Black, Clerk.

In Voting Precinct No. 4 at the McCamey Park Building in McCamey, Texas, with the following officers:

A. F. Schnaubert, Presiding Judge,
Dee Locklin, Judge,
Mrs. John Rediger, Clerk,
Mrs. Glynn Glass, Clerk.

In Voting Precinct No. 5 at the C. W. Brown Pipe and Supply Com-

pany in McCamey, Texas, with the following officers:

J. G. Herrington, Presiding Judge,
Mrs. John A. Menefee, Judge,
Mrs. J. G. Herrington, Clerk,
Mrs. I. L. Edwards, Clerk.

In Voting Precinct No. 6 at the McCamey High School in McCamey, Texas, with the following officers:

W. K. Ramsey, Presiding Judge,
J. W. C. Hayes, Judge,
Mrs. Hal Holmes, Clerk,
Mrs. Cleatus H. Brooks, Clerk.

3. The said election shall be held under the provisions of Title 22, Revised Civil Statutes of Texas, 1925, as amended, including the provisions of Article 704, as amended by Chapter 382, passed at the First Called Session of the Forty-Fourth Legislature, and only legally qualified electors who own taxable property in the County and who have duly rendered the same for taxation shall be qualified to vote and all such electors shall vote in the election precinct of their residence.

4. The ballots of said election shall have written or printed thereon the following:

"FOR THE ISSUANCE OF PARK BONDS."

"AGAINST THE ISSUANCE OF PARK BONDS."

Each voter shall mark out with black ink or black pencil one of the above expressions, thus leaving the other as indicating his vote on the proposition.

5. A substantial copy of this order signed by the County Judge and attested by the County Clerk shall serve as proper notice of said election. Notice shall be given in accordance with the provisions of Article 704, Revised Civil Statutes of Texas, 1925, as amended by Chapter 382, passed at the First Called Session of the Forty-Fourth Legislature, supra. The County Judge is authorized and directed to have a copy of said notice posted at the Courthouse door and in each of the election precincts in Upton County, Texas, not less than fifteen (15) days prior to the date fixed for holding said election, and the said election shall be held not less than fifteen (15) days nor more than thirty (30) days from the date of this order. He shall also cause said notice to be published on the same day in each of two successive weeks in a newspaper of general circulation published within Upton County, Texas, the date of the first publication to be not less than fourteen (14) days prior to the date set for said election. Except as otherwise provided in said Article 704, as amended, the manner of holding said election shall be governed by the laws governing general elections.

PASSED AND APPROVED this 9th day of June, 1952.

G. H. FISHER,
County Judge,
Upton County, Texas.

ATTEST:
NANCY K. DAUGHERTY,
County Clerk and Ex-Officio Clerk of the Commissioners' Court Upton County, Texas.

Mrs. Black's Son Hurt

Mrs. G. A. Black, manager of the Yates Hotel, was called to Amarillo Monday due to her son having been seriously injured at work. At the time Mrs. Black received the telephone message, the son was in surgery for amputation of a foot. He had recently been discharged from the Air Force but contemplated going back into the service.

NOTICE OF HEARING ON PETITION TO ORGANIZE UPTON COUNTY WATER CONTROL AND IMPROVEMENT DISTRICT NO. 1.

WHEREAS, the following petition has been filed with the Commissioners Court of Upton County, Texas:

"PETITION OF THE STATE OF TEXAS COUNTY OF UPTON TO THE HONORABLE COMMISSIONERS' COURT OF UPTON COUNTY, TEXAS:

The undersigned petition your Honorable Body to organize a water control and improvement district as follows:

1. The name of said District shall be "Upton County Water Control and Improvement District No. 1."

2. The area of the proposed District is approximately 186,688 acres, and the boundaries thereof shall be as follows:

Beginning at the Northeast corner of Upton County; Thence South with Upton County East line to the South line of Survey 7, Block 4, University Lands;

Thence West to the Southwest corner of Survey 11, Block B, G. C. & S. F. Survey;

Thence North to the Southwest corner of Survey 39, Block B, G. C. & S. F. Survey;

Thence East to the Northeast corner of Survey 19, Block B, H. E. & W. T. Survey;

Thence North to a point in the Northernly line of Survey 50, Block A, Nancy A. Lee Survey;

Thence approximately North 77 degrees East to a point in the Southernly line of Section 11, Block 4 1-2, Certificate 4266, G. C. & S. F. Survey, said point 2440 feet from the Southwest corner of said Survey 11;

Thence approximately North 13 degrees West through said Section 11, and continuing to and with the East line of Throckmorton County School Land to the Northeast corner thereof;

Thence approximately North 77 degrees East to the Southeast corner of Section 48, Block 39, T. & P. R. R. Co. Survey, Twp. 5-S;

Thence approximately North 13 degrees West to a point where the West line of Survey 6, Block 38, T. & P. R. R. Co. Survey, Twp. 5-S, intersects the Upton County North line;

Thence East with the North line of Upton County to the place of beginning.

3. Said District shall be organized under Article XVI, Section 59 of the Constitution, and Chapter 25, Acts of the Thirty-Ninth Legislature, as amended.

4. The purposes for which said District is to be organized is to control, store, preserve and distribute water for domestic and industrial uses, irrigation and for other useful purposes, and to protect, preserve and restore the purity and sanitary condition of waters within the State of Texas.

5. The general nature of the work to be done will be the construction of supply lines, storage tanks, distribution mains, pipelines, fittings, meters, installation of pumping facilities and acquisition of necessary rights-of-way and provide other works essential to furnishing the inhabitants of the District with fresh water for domestic, industrial and commercial use.

6. The work mentioned in the preceding paragraph is necessary in order to provide the citizens of the District with an ample water supply and to protect, preserve and restore the purity and sanitary condition of waters within the State of Texas. The project is feasible because it can be accomplished at a reasonable cost, and the benefits to the land in the District and to the citizens and landowners in the District will greatly exceed the cost.

7. Based upon the information which we have at this time, we estimate the cost of the project at \$1,600,000.00.

8. The organization of the District, as herein prayed, is feasible and practicable, and would benefit all of the land to be included therein, and would be a public benefit and utility.

9. Each of the undersigned owns land within the boundaries of the District as hereinabove defined. The number of holders of title to the lands within said boundaries is more than fifty, and the number of owners of a majority in value of the lands therein as shown by the tax rolls of the County in which the above described lands are situated is more than fifty.

Respectfully submitted"
WHEREAS, said Petition is signed by more than fifty persons who own land within the proposed District as shown by the County tax rolls; and

WHEREAS, after the filing of

said Petition the County Judge of Upton County made an order setting the date of hearing thereof by the Commissioners Court and attached the order to the Petition:

NOW THEREFORE, in accordance with said order, notice is hereby given that a hearing on said petition will be held by the Commissioners' Court of Upton County in the Commissioners' Court Room in Rankin, Texas, on July 7, 1952, at 10:00 o'clock, A. M., for the purpose of hearing and considering said Petition and for the organization and formation of such District for the appointment of directors thereof, for the purpose of making such other and further orders with respect thereto as the facts and law may justify, and for the purpose of considering all matters in connection therewith which may be permitted or required by law.

All persons whose land is included in the proposed District or who would be affected by the creation of such district may appear and contest the creation thereof and may offer testimony to show that such district is or is not necessary, would or would not be a public utility, and would or would not be feasible or practicable.

GIVEN UNDER MY HAND and seal of office this 10 day of June, 1952.

(LS) Nancy K. Daugherty,
County Clerk and Ex-Officio Clerk of the Commissioners' Court, Upton County, Texas.

Mrs. S. M. Owens is visiting indefinitely with her daughter, Mrs. Wilson Barr, Mr. Barr and her granddaughters on their ranch near Crane.

FEMALE HELP WANTED

WANTED—Bookkeeper, professional experience not necessary. Must be able to do typing, keep simple ledgers. Good salary offered. Apply Oliver Jacobsen Co.

FOR RENT—Southeast corner half lot, private modern trailer space. Other space to suit individual needs. Will consider building screened in porch. R. L. Bell, phone 35 or 149.

FOR SALE—2-bedroom home completed 8 months ago. Trees, shrubbery and lawn started. Westlawn Addition, Rankin. Phone 157-W.

JEEP FOR SALE—1947 Willis. Excellent rubber, motor, and transmission in good shape. Equipped with cab. May be driven for trial. \$600.00. See Sam Bright, Box 228, Telephone 91, Iraan, Texas.

**Richardson Chairman
Ram Sale Committee**

The 16th annual Registered Rambouillet Ram Sale in San Angelo this year will have no show connected with the sale. As in previous years, a Stud Ram Selecting Committee of five registered Rambouillet breeders will decide which rams are of stud caliber; but the 1952 sale will see this committee rate the rams as blue, red, or white ribbon studs—No. 1, No. 2, and No. 3 in quality.

Dates for the sale will be July 21, 22 and 23. The rams will be in the barns at the San Angelo Fairgrounds northwest of the city by 8 p. m., Sunday, July 20. The stud ram committee will start to work at 8 a. m. the 21st, and in addition to selection of studs, will pass on pens of three A-B-C rams

(pens that may be split by the buyer if desired). A sifting committee will check all other rams to insure top quality and soundness.

July 22 will be used to lot brand the rams, and consignors will be available to show their rams to interested persons.

The sale will start promptly at 10 a. m. July 23, with Nelson Johnson, well known San Angelo auctioneer, crying the sale.

Approximately 450 top quality rams from some of the nation's leading breeders are expected to be consigned.

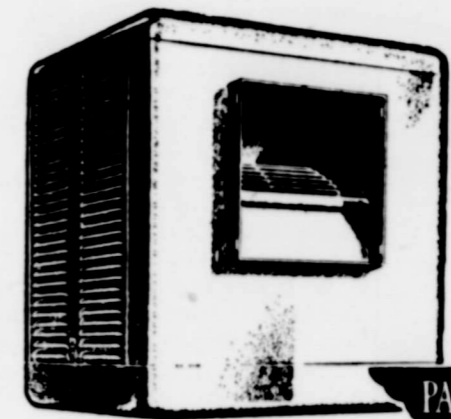

The sale is sponsored by the San Angelo Board of City Development for the American Rambouillet Sheep Breeders Assn. Sale plans and rules are made by BCD management and a ram sale committee of registered Rambouillet breed-

ers. Leo Richardson of Iraan is chairman of the 1952 committee. Other breeders on the committee include John Williams, Eldorado; R. O. Sheffield, San Angelo; Pa. Rose, Jr., Del Rio; Dempster Jones, Ozona; Louis Tongate, Brooksmith; H. C. Noelke, Jr., Sheffield; Miles Pierce, Alpine; Carlton Biersch, Segovia; L. F. Hodges, Sterling City; and Clyde Thate, Burket. Deadline for entries is July 1. Anyone interested in further information about the sale should write the San Angelo Board of City Development, San Angelo, Texas.

North Carolina, with 99.7 per cent native born white inhabitants has the largest percentage of native born white population of any state.

THE CHRYSLER NEW YORKER CONVERTIBLE
(This body style also available in Windsor Deluxe with Spiffy Engine.)
White side-wall tires at extra cost.

ITS ENGINE ADDS MUSCLE TO EVERY DROP OF GAS!

To many owners, the mighty 180 H.P. V-8 engine that powers the Chrysler New Yorker is the most remarkable feature of this remarkable car. It is certainly the most discussed automobile engine in many, many years.

This is the engine with hemispherical combustion chambers... the engine that gets more power out of every drop of gas. And non-premium gas at that!

Actually, it puts you in control of more power than you'll probably ever need use. You'll sense this... together with its unequalled response... the very first yards you drive. It runs smoother, more

quietly, and with less wear than any other engine ever built into an American automobile.

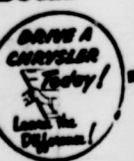

... and it makes driving (both cruising and the short runs) more fun than you have ever known it to be!

But that's not all. Along with this engine there are scores of other reasons, too, for driving a New Yorker before resolving on any new car. Like Full-time Power Steering that makes steering five times easier... and your control five times greater... than in ordinary cars. Like Power Brakes that cut needed pedal pressure by as much as two-thirds.

Like Oriflow shock absorbers that make even bad roads feel "newly paved"... restful chair-high seats... big, wide-opening doors... big windows that let you see more.

It's true... until you drive a Chrysler New Yorker you won't know what you're missing. Why not stop in today?
