QUESTION: How can next year's Maize Days Celebration be improved?

Mrs. Glenn Reeve, Sr.: "Let's have the parade and the barbeque on the same day. I believe we'd have a better crowd for both events if we made one big day of it instead of trying to spread it out."

Mrs. John Fred White: "I think the celebration should be scheduled on a weekend with a home football game. When everyone is hurrying around, getting ready to go out-of-town to the game they tend to lose interest in the Maize Days Celebration."

Rev. Paul Mohr: "Although I have been here for

only two Maize Days Celebrations, I have noticed a tremendous lack of interest on the part of the business concerns of Friona. For any celebration of this kind to be a success, the business community must be behind it enthusiastically. After all, if it weren't for maize, there would be little business to do in Friona. This can be said of the churches and clubs as well."

Granville McFarland: "Perhaps if the Jaycees were to sponsor their Quarterhorse show in conjunction with Maize Days, both events would be improved."

The Journal of the American Medical Association says that there may be an increase in influenza this winter and adds that most people can avoid the disease by proper immunization. The forecast is based on the two to three-year periodicity of the disease. The last major outbreaks were in 1962-63, and on the west coast in 1963-64.

Some 6,000 additional persons will be added to the social security system's 35,000 employees to handle the added responsibilities of the medicare plan.

## Current Comments From . . .

SLATON . . . "God and the soldier we adore in time of danger, not before; the danger passed, and all things righted, God is forgotten and the soldier is slighted."

The above quotation hangs on the wall in Ellis Schmid's office, and we thought it would be very appropriate to publish on Veterans Day. It was written by a British veteran some 250 years ago.

Speedy Neiman In THE SLATON SLATONITE

WELLINGTON . . . When we were in New York in the summer of 1964 attending the World's Fair there were rumblings of discontent and violence that could be observed on the streets and in the subways and the stories in the papers reflected the gravity of the existing conditions.

At the time we wondered what would happen to that seething mass of people if some disaster should occur. We were thinking in terms of a bombing and mass exodus and not of a power failure; but the power failure this week did serve to provide a comparison. The preliminary reports indicate that the people behaved with commendable calm. In times of emergency or disaster people seem to be able to rise to extraordinary heights of endurance and valor in starting contrast to the pattern of everyday life.

Deskin Wells In THE WELLINGTON LEADER

CANADIAN . . . ESTHETICALLY, the new quarters just put in circulation by the U.S. mint are a sorry lot. Their silver plating is pretty thin, their copper inside show through at the edges, and they go "plunk" instead of "plink" when they're dropped into the till.

But economically, they buy just as much as the old-style silver quarters did. We doubt that the average 20th century American citizen is going to pay much attention to the esthetic quality of the quarter.

Nowadays, most people measure the "intrinsic value" of a coin by what it will buy . . . not by its weight in precious metal.

THE CANADIAN RECORD

PERRYTON . . . People who say that federal aid doesn't bring on federal controls will have to look very far to see they are whistling in the dark.

Ralph T. Moore writes in the Oregon Voter: ". . . the key to success in this war on poverty venture will be none other than the self-help and degree of cooperation exerted by those we wish to help. Indeed, this is true of all such ventures just as it is of teaching. The pupil must himself find the will to learn and follow up the efforts in his behalf with all the diligence he can muster. We have not prepared our people too well of late by conditioning them to this purpose. We have preferred to hold the short-cut of the greased palm with the implication of political support."

A case in point is the story about two grade school pupils in Chester, Pa., who were suspended from school for three days a few weeks ago. Their crime? They brought their own lunches instead of paying 35 cents each for school supplied meals.

The school board president explained that the school lunch program is subsidized by the federal government, and for a school to qualify, all the children must participate.

You don't get something for nothing. You let the government feed you and sooner or later the government tells you what and how to eat it.

OCHILTREE COUNTY HERALD

MULESHOE . . . The Medlock Co., in Lubbock, operated by Lubbock City Councilman W.E. Medlock, has bought the last of the old Muleshoe ranch land west of Muleshoe. It was announced this week. Purchase price was not revealed, but the land covered in the transaction was described as "being what was left of the J.D. Leftwich property."

Medlock said the area covers 2500 acres of land, starting at the west edge of Muleshoe and extending west for some three miles.

The old ranch headquarters are included in the transaction.

Medlock told the Journal this week that he will sell off approximately half the land which he has bought. He said he will offer "all or a portion of the 1100 or so acres to the city of Muleshoe first," adding: "It would make an ideal park at the west edge of Muleshoe, and I would like to see the city buy it for that purpose. Being a city commissioner in Lubbock, I realize the importance of parks to a city's development and growth."

The balance of the land will be retained for Medlock and his son, Winfred Medlock, Jr. He plans to revamp the old headquarters buildings, which also include the old Muleshoe Ranch cookhouse which was dedicated this past summer as a state historical site.

"We plan to build a better road to the headquarters, including the shrine," Medlock said, "and doll up" the entire layout. We'll put in an entirely new entrance and a new sign, designating it as the old Muleshoe Ranch."

THE MULESHOE JOURNAL

## On Drinking a Cigar

Held liable for damages, the defendant in a lawsuit angrily demanded that his lawyer seek a new trial.

"The plaintiff deliberately tampered with the jury," he charged, "by treating each juror to an expensive cigar. We have a statute forbidding that sort of thing."

"All our statute forbids," retorted the plaintiff, "is treating the jury to 'food or drink.' Cigars are neither food nor drink. Therefore, I am in the clear."

But the court, taking into consideration the purpose of the statute, decided that "food or drink"

did include cigars. As one judge explained, we can "drink" the wind—so why can't we "drink" a cigar?

That is an extreme case, of course. But it illustrates why the law is not always content with the definitions given in the dictionaries. A dictionary would scarcely define a cigar as something to drink. Yet the court felt that, to fulfill the purpose of this particular statute, it must reach beyond a mere dictionary definition.

Oddly enough, one reason Lawyer Noah Webster wrote his dictionary was that he found Samuel Johnson's dictionary inadequate in its definitions of legal terms. Still, the law constantly finds it necessary to look further for the last word on words.

Suppose, for instance, that somebody sues you for calling him a "crook."

A dictionary will provide the general meaning of that word. But exactly what did you mean when you said it? Did you shout it, in fun, at the empire in a baseball game? Did you growl it, in earnest, at the corporation president in a stockholders' meeting? The difference in meaning is enormous.

The same is true of words you use in making a contract. A dictionary will define "profit" and "approximately" and "guarantee." But the law must discover what those words meant to these particular individuals when they entered into this particular contract.

## Debaters To Compete In WT Tournament

Members of the Friona High School debate team will compete Friday and Saturday in the annual West Texas State University tournament in Canyon.

Debaters from throughout West Texas comprise what is termed "About as tough competition as we face all year," by Mal Manchee, high school debate sponsor. The students will be competing against the "field" of other students from schools ranging from the AA to AAAA classification. Members of the Debate Club going include Dwight Whitaker, Gary Shackelford, Linda Outland, Susie Carmichael, Jim

Bob Jones, David Smith, Wade Coker, Ann Ayers, Crista Evans, Phillip Johnson and Kara Beth Sides.

Besides the debaters, students will also enter contests in informative and persuasive speaking, under the tutelage of Miss Joy Morton.

Those entering informative speaking will be Phillip Johnson and Terri Lynn Wilson. Entering in persuasive speaking are Gary Shackelford, Crista Evans and Ann Ayers.

Also entering will be Linda Outland, Kara Sides, and Howard Rhodes in poetry interpretation and Courtney Owen

An independent insurance agent is a man you can count on

Any way you figure it, you benefit from the continuing, personal service of an independent insurance agent. As independent agents, we are insurance specialists—professionally trained and qualified to analyze your protection needs. We see that you have enough insurance, carefully selected from among several competing companies. We help keep your insurance up-to-date, keep you informed of changes in replacement costs—suggest adjusting your coverage to changes in your personal situation. Because we serve you first, we have your interest at heart. If you have an accident, we are at your side to help you get your claim settled quickly and fairly, without red tape. Rely on us for complete worry-free insurance protection for your car, home, or business. Call... or see us now.

## WITH DOUBLE-STRONG CONSTRUCTION

Chevy pickups for '66 are built strong to stand up to tough jobs. Cabs, for example, have double-wall roof construction, a rigid double-wall cowl and husky framing around door openings. Lower side panels of Fleetside models are also double-walled. Chassis, too, is designed for extra strength. You can get a 6½-, 8-, or 9-ft. body and a big new 250-cu.-in. Six. Or specify a rugged 327-cu.-in. V8. Get a double-strong pickup that's a glutton for work!

# COTTON BOWL FOOTBALL CONTEST

## MEET THE CHIEFS

FRIONA B-TEAM . . . The Friona High School B Team, which compiled a 4-4-1 season record, is shown here. In the back, left to right, are Conrad Armstrong, Ronnie Stevick, Jimmy R. Taylor, Jay Potts, Eddie Wood, Rickey Hurst, Joe Moet and Coach James Anglin. Middle row - David Parsons, Larry Graves, Gary Murphree, Randy

Milloy, Bill Hopewell, Ronnie Altman and John Baxter. Front row -- Bobby Harper, Eddie Barker, Donald Taylor, Charles Bishop, Danny Parker, Jimmy T. Taylor, Ruben DeLeon and Bob Carrothers. Not shown are Jackie Claborn and Ted Renner.

### CONTEST RULES

1. Pick the winners of the 18 games listed in the advertisements on this page. Write the winners in the blanks provided on the official contest blank.
2. Pick the score of the tie-breaker game. This score will be used to break weekly as well as grand prize winners.
3. Bring your entry blank to the Friona Star or Bi-Wize Drug by 5 p.m. on Friday. Entries must be postmarked on Friday to be eligible, if mailed.
4. The leading contestant at the close of 12 weeks will receive two free tickets to the Cotton Bowl Football game, along with \$40 expense money and reservations at the Adolphus Hotel for two nights. Second place winner will receive two tickets to the Sun Bowl game and \$25 expense money. Third place winner gets two season tickets to the Friona Chief games next fall.
5. Only one entry per person.
6. Contestants must be 12 years of age or older.
7. Everyone eligible to enter (sponsors included except employees of the Friona Star and their families).

FINAL DISTRICT GAME

# Chieftains "Get Even" With Winds By 27-0

Everyone knows you're not supposed to harbor a grudge. However, the Friona Chiefs took out their wrath stored up for the past 365 days against the Floydada Whirlwinds in a game here last Friday, and Friona fans, as if they were watching a bull-fight, shouted "O'l'e," in approval.

Floydada, which upset Friona in the final game of the season last year, was beaten into submission by an aroused band of Friona Chieftains, 27-0.

The Whirlwinds were held to as near "nothing" as any team which the Chiefs have beaten since Don Light has been at FHS, while Friona rolled up over 400 total yards.

In fact, Floydada came out with minus 13 yards rushing, and only the Whirlwinds' 29 yards passing allowed the team to finish "out of the hole," with a net yardage of only 16 to show for their night's work.

Floydada had the ball in Friona territory only once during the game, and that was the result of a recovered fumble early in the contest. The Whirlwinds made one of their three first downs to the Friona 19 on this occasion, but after Gene Weatherly threw the Floydada quarterback for a five-yard loss on a passing attempt, the Whirlwinds tried a 40-yard field goal which fell short, and this was their only serious attempt to dent the scoreboard.

Friona, meanwhile, had to overcome an early case of fumbleitis to win its fifth straight game and finish district play with an unbeaten mark.

The Chieftains took the opening kickoff, which Larry Johnson returned to the 28. On the second play, Johnson broke into the secondary, and almost went all the way, being caught from behind at the Floydada 18 after a 48-yard scamper.

However, three plays later Friona fumbled and Floydada pounced on the ball to nip the scoring threat.

Following Floydada's brief flurry with the football, Friona came into possession of the ball at its 32-yard line after a Floydada punt. Johnson and Tom Sherley gave the team a first down at the 42 to set up one of the game's top plays.

Quarterback Lonnie Ellis passed to Travis Graves, who had worked his way into the clear. Graves gathered the ball in at about the Floydada 35, and then faked out two Floydada defenders with excellent moves and went all the way for a touchdown. Sims kicked good, but a penalty nullified the kick and the second try was wide.

Friona's defense, which kept Floydada in the hole all night, shoved the Whirlwinds back to their own 10 after the kickoff. Terry Fite intercepted a pass

at the enemy 35-yard line on Floydada's third play, giving the ball back to Friona in good field position.

It took the Chieftains just three plays to score, with full-back Sherley, who had the best running night of his career, going 40 yards for the touchdown, making several good moves to elude tacklers in the process. Sims booted and it was 13-0.

The Floydada quarterback again was tackled for a big loss following the kickoff, and the Whirlwinds had the ball at their own two. Again on third down, Friona intercepted a pass, and had the ball at the Floydada 19-yard line.

This time it required only two plays to make the scoreboard light up, with Ellis passing to Graves in the end zone for the third time in two games, and Friona had scored three touchdowns within a span of six minutes and 30 seconds. Sims' kick hit the crossbar and bounced back.

The third quarter turned out to be a comedy of errors. The ball changed hands five times on fumbles or pass interceptions. Friona recovered Floydada's fumble on their first play from scrimmage in the second half, and drove to the four-yard line only to run out of gas. A 30-yard field goal on fourth down by Sims fell short.

At one stretch midway through the quarter, the ball changed hands three times in three plays, and four times within five plays, as both teams had trouble hanging onto it long enough to get anything resembling a drive going.

However, early in the final quarter the Chiefs took over on their own 18 and began an 82-yard scoring match, which also used up most of the playing time in the quarter.

Sherley was the workhorse during the drive, carrying the ball eight times and gaining 59 yards in the process. Included in his runs were gains for 14, 12, 19 and 13 yards. The latter set the team up first and goal at the two, and three plays later Ellis, playing safe, rammed it over for the touchdown. The Chieftain quarterback then crossed up the Whirlwinds

TOUCHDOWN RAMBLE . . . Tommy Sherley is shown getting started on what turned out to be a 40-yard touchdown run against Floydada last Friday. On the ground in the center is Floydada defensive back, Thumper Morgan.

END OF LINE . . . Floydada's Joe Christian (25) meets disaster in the form of Bing Bingham (51) who looms over the Floydada halfback. Friona came up with its best defensive performance of the season in blanking Floydada, 27-0 and holding the Whirlwinds to minus 13 yards on the ground.

## THIRD OVERALL

### Bi-District Game Is First For Chieftains In AA Classification

by tossing to his favorite receiver, Graves, for two extra points and a 27-0 score, which turned out to be the final score. Not only was Floydada held to the least number of yards of any season opponent, but Friona's total yardage of 406 was the most the Chieftains have gained this year.

Although Friona's bi-district game against Denver City will be the third such game for Friona since 1952, it marks the first time for the Chieftains to be appearing in the playoffs in the eight years the school has been in the AA classification.

For Coach Don Light, the game will be his third bi-district battle in his eight years as a head coach. At Stimett prior to coming to Friona, his teams went to the semi-finals once and to the quarter-finals another time, so he has yet to lose a bi-district game.

When the Chiefs last advanced to a bi-district game, in 1957, the team was in District 3-A, and when it went to the playoffs in 1952, it was in District 3-B.

The 1957 team lost to Ralls in bi-district at Plainview, 21-12, and the 1952 team lost to

Idalou, 19-0, also at Plainview. This year's team had quite a bit in common with the 1957 eleven, which took a 6-2-1 record into bi-district. That team also started slowly. It lost its first game to Sunray, 12-6, was then tied by Amherst, 12-all, and lost to Happy, 13-12. Standing 0-2-1 after three games, the team suddenly began to roll.

Friona took a 7-6 win over Whiteface, then trampled White Deer, 35-19. This gave the team impetus as it began district play, rolling over Farwell, 18-0, Sudan, 13-6, Springlake, 35-6 and Morton, 12-7.

Although the Chiefs outgained Ralls in total yardage, 269-246, the Chiefs couldn't stop the Jackrabbits who had compiled a 9-1 record prior to bi-district.

Weldon Fairchild was the leading ground-gainer for Friona in that game with 73 yards

gained. Jerry London had 70 and Larry Fairchild 58. Larry Fairchild ran 22 yards for one of Friona's scores and quarterback Leon Massey passed 14 yards to Gary Goetz for the other score.

The 1952 team took a 7-2 record into bi-district, losing only to Springlake (19-13) and Hereford (19-7) in non-district games.

In District 3-B, Friona topped Petersburg, 32-6, Bovina 53-6, Farwell, 38-7 and Anton, 61-33.

Interesting sidelight is that none of the teams met on either the 1952 or 1957 schedule were met by the 1965 Chieftains, with the exception of long-time rival Farwell. The Steers were district opponents both of the other times when Friona went to bi-district, but were met as a non-conference foe for this year.

One other team at FHS was

## Bravo Smokes To Hit Amarillo Market Today

Bravo, the nation's new nicotineless smoke will be introduced to the Amarillo Market, Thursday, November 18, Puzant Torigian, President of Bravo Smokes, Inc., announced in Hereford.

"Our planned introduction to the Amarillo area has been delayed because of production demands in Hereford; where Bravo is manufactured, and requests from all over the nation for samples of our safer smoking product," Torigian said. "We are making every effort to increase production to our plant's full capacity and look forward to supplying the Amarillo market as soon as possible."

Bravo, made from leaves of a variety of lettuce, is 100% nicotine free. The manufacturer claims the first major break through in the research efforts to produce a safe smoke.

## Cub Scouts Visit Star

Mrs. Marvin Jordan and members of the Cub Scout Den she serves as den mother were visitors in the Friona Star office Monday afternoon.

Editor Bill Ellis conducted the group on a tour of the office and outlined procedure of securing a news story or ad and following it from its origin to a completed page ready for the printers.

Boys in the group included Joe Loren Walters, Charles Wilkins, Kenneth Wayne Jordan, John White and Don Spears.

## Frionan's Mother Buried At Texico

Funeral services for Mrs. W.W. Engram, 84, who died at Santa Fe, New Mexico, Monday morning, were conducted from Hamlin Memorial Methodist Church, Farwell, Wednesday afternoon. Burial was in Texico Cemetery.

Survivors, in addition to Edward Engram of the Hub Community, are Mrs. Eunice Lewis, Wichita, Kansas; Mrs. Mattie Boddy, Santa Fe, Mrs. Willie Yoder, Fullerton, Calif., and Wesley Engram, Texico. Also eleven grandchildren and 16 great-grandchildren.

## Bi-District

(Continued from Page 6)

Involved in a playoff in 1944; however, that was for district honors. The 1944 eleven found itself tied with Hereford and Tulla after district play, and because of an odd circumstance concerning "who had beaten who," a playoff was necessary.

Tulla lost out on a coin toss, leaving Hereford and Friona to play on Thanksgiving Day for the title. The Whitefaces, who had beaten Friona earlier in the year, 19-6, came up with a 14-13 win to preserve its record of never having lost to a Friona team -- a record which stands to this day.

## SCHOOL MENU

Monday: barbeque on bun, potato salad, jello salad, cookies, milk.

Tuesday: turkey and dressing, asparagus, cranberry sauce, apple sauce cake, milk.

Wednesday: soup and chili, chocolate cake, milk.

Visitors in the home of Mr. and Mrs. John Bengler this week have been Mr. and Mrs. Loyd Bengler of Woodward, Okla. The men are brothers.

## B-Team Ends Season With Hereford Game

Friona High School's B-team finished its season last Thursday, dropping its second "heartbreaker" to Hereford, 12-0.

The local team lost starting

## Patrol Investigates 14 Accidents

The Texas Highway Patrol investigated 14 accidents on rural highways in Farmer County during the month of October, according to Sergeant W.E. Wells, Highway Patrol Supervisor of this area.

These wrecks accounted for two deaths, nine persons injured and an estimated property damage of \$11,420.

The rural traffic accident summary for the county from January through October of 1965 shows a total of 116 crashes. As a result of these crashes there were four persons killed and 68 injured. The estimated property damage amounted to \$99,411.

November and December are noted as dangerous months in traffic and especially for pedestrians. During the last two months of 1964 in Texas there were 80 pedestrians killed and 726 injured in collisions with motor vehicles. There are many reasons for this: longer hours of darkness, bad weather, pedestrians not visible to drivers, holidays and lack of driver's and pedestrian's concentration.

Mr. and Mrs. I.S. Gray, Sabine Pass, Texas, are visiting in the home of Mr. and Mrs. R.H. Sneed and Mrs. Mrs. Clyde Woodard and Mrs. The Grays, former residents of the Hub community are Mrs. Sneed's parents.

## Vocational Careers Discussed By Duggins

Baker Duggins, school counselor, showed filmstrips and discussed careers as highlight of annual FHA-FFA sweetheart party in the new cafeteria Tuesday evening. Those present were welcomed by Freida Floyd, president of FHA Dusk Chapter.

The party began with a song session directed by Pat Tanna-

hill, Linda Outland, Darla Howell and Sherri Tamahill. Guest entertainers were The Tyrants, a musical group composed of Eldon Long, Eddie Wood, Terry Fite and Johnny Claborn.

Sponsors directing activities were Mrs. Dalton Caffey, Beth Ashberry, David McVey and Benny Pryor.

Entertainment was directed by Cindy Ingram, Sherri Tamahill, Gail McGlothlin and Darla Howell. Susie Carmichael, Karene Milner and Pat Tamahill had charge of serving sandwiches, cookies and ice cream.

Chapter parents present were Mr. and Mrs. Jake Outland, Mr. and Mrs. Dub Ingram, Mr. and Mrs. Louis Welch and Mr. and Mrs. E.G. Phipps.

## 4H Girls Have Cooking Lessons

Unit I of Lazbuddie 4-H Club met Friday afternoon in the home economics building of Lazbuddie High School. The program was the first cooking lesson.

Leaders present were Ann Blackstone, Anna McDonald and Barbara Bush.

Club members attending were Nancy Blackstone, Nancy Bush, Karen Mimms, Kim McDonald, LeAnn Farley, Terri Whalin and Terina Whalin.

Mr. and Mrs. J.A. Hodges, Lubbock, and Mr. and Mrs. Wes Anthony, Dimmitt, visited in the home of Mr. and

Mrs. C.W. Dixon Sunday. Mrs. Hodges and Mrs. Anthony are sisters of Mrs. Dixon.

# On The Farm James Schlenker Is In Farmer County 4-H Gold Star Boy

By JOE VANZANDT  
County Agent

Now is the time to take cuttings from the house plants you set outdoors last spring. Geraniums and coleus can be carried over the winter as small house plants and then used as garden plants again next summer. Be sure to place them where they will receive at least four to six hours of sun daily. Almost every gardener has a few choice plants from which he desires to collect seed and save for use the next season. Storing seed under proper conditions will greatly increase their longevity. Most seeds should be air dried and placed in glass jars with airtight lids or in polyethylene bags and closed securely with rubber bands. The sealed containers should be kept in a refrigerator or cool basement where the temperature will remain constant. Do not store in deep freeze.

### IMPORTANCE OF PHOSPHORUS

The major element phosphorus is required by all plants. With the possible exception of nitrogen, no other element is as critical in the growth of plants as is phosphorus. Analyses of hundreds of soil samples by the Texas A&M University soil testing laboratories reveal that available phosphorus is seldom adequate for crop needs. Phosphorus is an essential element for plant growth and development. It functions in

metabolism and is present in every living cell. As plants mature, most of the phosphorus moves into seeds and fruits. Phosphorus is associated with several vital functions in plants and is responsible for several characteristics of plant growth. Some of the things done by phosphorus are: It determines flowering and fruiting; hastens maturity; increases disease resistance; improves resistance to drought and cold temperatures encourages early spring growth; strengthens stalk and straw; improves seedling vigor; improves forage quality, thus improves animal performance; increases yield; improves palatability of forage and vegetables and balances other plant nutrients.

An impressive list of chores. It pays to follow the soil test recommendation on phosphorus.

### PHEASANTS

With Pheasant season just around the corner, December 1 thru 7, I want to remind farmers to consider leaving a little sorghum stubble. We apparently have a good pheasant crop this year and these beautiful game birds, certainly deserve a little protection from the winter weather ahead.

I encourage you to leave some stubble standing on some land you plan to lay-out next year and wait until spring to shred it.

James Schlenker and Kathryn Gober were among thirty-nine 4-H'ers from 21 Panhandle counties honored at Extension District 1's annual Gold Star Banquet Saturday night (November 13) at the YWCA Building in Amarillo.

Schlenker is the 14 year old son of Mr. and Mrs. Carl Schlenker of Friona. In his four years of club work, James has completed projects in swine, cotton and grain sorghum. He has grown from eleven pigs his first year to seventy-two head this year. He has attended the County 4-H Boys Camp and is also active in school events at Friona where he is a freshman.

Kathryn Gober is the 16 year old daughter of Mr. and Mrs. Webb Gober of Farwell. She has been in 4-H club work for six years and completed projects in food, clothing, home improvement, and Junior Leadership. She was County winner and modeled in District Dress Revue in 1965. Kathryn served as Junior Leader for first year 4-H Clothing members.

The Gold Star award is given annually to the outstanding boy and girl in 4-H club work in a county. It is the highest county 4-H award given by the Texas Agricultural Extension Service.

These Gold Star winners will be honored again at the County 4-H Achievement Banquet Saturday night.

About 90 county 4-H members will be honored at the County 4-H Banquet in Bovina. These members will be receiving County Award medals, year pins and cash awards will be

JAMES SCHLENKER

presented to winners of various contests.

About 180 people are expected to attend the county banquet and dinner which is scheduled to start at 7:30 p.m. in the Bovina School Cafeteria. Speaker at the event will be Bill Clayton, State Representative from Springlake, Dale Blackstone, Lazbuddie 4-H'er will be Master of Ceremonies. Kathryn Gober, James Schlenker, Jan Jamison and Wayne Schueler will also appear on the program. Entertainment will be provided by the Bovina Stage Band. Sponsors for the banquet are the Bailey County and Deaf Smith County Electric Co-operatives.

Mr. and Mrs. Larry Rusk of Fort Hood, Texas, were weekend visitors in the home of Mrs. Rusk's parents, Mr. and Mrs. Sam Rusk.

# At Home In Farmer County

By CRICKET B. TAYLOR  
County HD Agent

4-H Gold Star Boy and Girl, James Schlenker, and Kathryn Gober were present for the Annual Gold Star Banquet held Saturday night in Amarillo. Their parents were also present for the occasion along with the County Extension Agents. It was an inspiration to see boys and girls take charge and assume leadership of such an event.

Plans are shaping up for Farmer County 4-H Achievement Award banquet to be held in Bovina Saturday, November 20, at the school cafeteria, Dale Blackstone, 4-H Council chairman will preside over this meeting, where awards will be given.

Fashion Notes - "Granny" dresses are the rage now among teen - age girls. If you think teen - age girls have been wearing skirts too short, you can stop worrying. Hem lines have dropped to the ankles in the newest teen - age fashion fad, the "Granny Gown." These are cotton shifts with versions of Empire waists, ruffles and lace. With the younger set going back for old fashioned look, who can predict what type of fashion will be popular next?

The hoop skirts may be on its way back. All of this may be only a brief-fling. American girls are not likely to give up their un-restricted freedom of comfort in dress for a very long time. Basic clothes will still be around and pants, too. For lounge wear and party outfits the "granny" styles seem to be most popular. It is indeed a change from pants and slacks. No doubt by the time 4-H'ers start their clothing project this will have gone by and something else will be in fashion.

Food - Holiday preparation for those festive meals is in full swing now. For those lovers of candied pineapple in fruit cakes here is a recipe you may enjoy. Especially if you happen to have more time than money because it is economical and very good too.

THREE DAY CANDIED PINEAPPLE  
1 can (1 lb. 4 oz.) sliced pineapple (approx.)  
1/2 box confectioners sugar (approx.)  
1 3/4 cups granulated sugar  
FIRST DAY: Drain pineapple in colander for 10 minutes. Sprinkle half the granulated sugar in a large skillet. Arrange

the pineapple slices on the sugar in a single layer. Sprinkle the remaining sugar over the slices. Let stand for 24 hours at room temperature.  
SECOND DAY: Bring the sugared fruit to a boil. Cook, at a boil, for 5 minutes. Lower heat and cook on simmer 15 minutes. Turn over the pineapple slices occasionally, watching carefully to make sure they don't scorch. Let stand until the following day.  
THIRD DAY: Pat sides and edges of each slice in sifted confectioners sugar to make a thick coating. Let slices stand on a wire rack for 24 hours. A crusty glaze will form. Store in a loosely covered container. If slices become moist, roll in confectioners sugar. Yield: 10 slices candied pineapple.

## INSTALL LOCK SEAL FORGET IT!

### Lock-Seal is designed to give dependable service.. year after year!

LOCK-SEAL rubber gasket joint irrigation pipe offers many advantages for the farmer, but one thing that LOCK-SEAL users always appreciate is its permanency. Install LOCK-SEAL irrigation pipe and then forget it! It's that dependable! The difference is LOCK-SEAL'S flexible rubber gasket joint. It eliminates expansion, contraction and soil movement problems that may cause trouble for other types of underground pipelines. Over 4000 irrigation farmers have proven that you can count on year after year of trouble-free service when you count on LOCK-SEAL and Gifford-Hill-Western.

## Of Interest To THE WOMEN

50th ANNIVERSARY — Mr. and Mrs. A.W. Anthony will celebrate their Golden Wedding Anniversary this Sunday from 2 to 5 p.m. in their home. Local invitations have been sent out.

WEDDING PLANS ANNOUNCED . . . Mr. and Mrs. Russel Brenzel of Kaukauna, Wisconsin, have announced the engagement and approaching marriage of their daughter, Abbie Gale, to Don Edwin Lewis, son of Mr. and Mrs. Tom Lewis, Friona. Miss Brenzel is a senior designing major at University of Wisconsin. Wedding vows for the couple will be read at 11:00 a.m., Saturday, November 20 at First Episcopal Church in Kaukauna.

BIRTHDAY PARTY — Mrs. Ethel Adams is being presented a birthday gift and cake by members of Girl Scout Troop 238. Linda Hufstickler and Jill Reithmayer were two of the 24 girls present at Grandmother Adams 76th birthday party Monday.

### Club Members Hear Eye Bank Program

Steve Messenger and A.L. Outland presented a program on the Hi-Plains Eye Bank to members of Progressive Study Club last Tuesday evening in the Federated Club House. The men, representing the local Lions Club and the Eye Bank showed a film on restoring sight to the blind, gave a short talk and passed out literature to the members.

Club members answered roll call with "Old Time Remem-

bers." President Mrs. Baker Duggins, conducted a short business session. Mrs. Flake Barber introduced the guest speaker.

Mrs. Lee Spring gave a talk on "Arthritis Facts and Fallacy" in which she told of the different types of arthritis and methods used for relief of the disease.

Mrs. Richard Adkins and Mrs. Phillip Weatherly were hostesses for the evening. They served cake and hot Dr. Pepper to 14 members and five guests. Guests were Mrs. Robert Alexander, Mrs. Norman Nossaman, Mrs. Jerome Erdman and Mr. Messenger and Mr. Outland.

### Baby Girl Born To Bradleys

Mr. and Mrs. Gary Bradley of Lubbock became parents of a baby girl at 11:00 p.m., Thursday, November 4, at West Texas Hospital there.

She was named Sharla Deann and weighed 6 lbs., 11 ozs. She is the first child for the couple.

Grandparents are Mr. and Mrs. C.W. Bradley and Mr. and Mrs. John Bagwell all of Melrose.

Bradley, who is a 1960 graduate of Friona High School, served three years in the United States Armed Forces and is currently attending Texas Tech. He is a pre-med major.

### Annual Dinner To Be Served

Announcement has been made that the annual Thanksgiving Dinner in the Black Community will be served beginning at 1 p.m. in the Community House. Mrs. Bill Carthel and Mrs. George Frye will have charge of the program to be presented in the afternoon. Local talent will be featured.

Host couples will be Mr. and Mrs. Tom Lewellen and Mr. and Mrs. Rosco Ivie.

### MYF Party In Fallwell Home

Mr. and Mrs. Joe Fallwell and Mrs. Flake Barber directed activities at a Methodist Youth Fellowship party in the Fallwell home Saturday evening. Following an evening of fun and fellowship, refreshments of chips, dips, cookies and punch were served.

Guests were Paula Hasenpflug, Randie Kelley, Gayetta Gable, Becky Neill, Donna Jo Parr, Rick Jennings, Mike Taylor, Johnny Bingham, Jeff Price and Donnie Carthel.

Members present were Jenisu Fallwell, Sally Howard, Romalee Rector, Kelly Barber, Jayn Massie, Rhonda Ragsdale, Jane Rushing, Beverly Anthony and Roxann Hall.

Also Sherri Shelton, Kenneth Watkins, Danny Kendrick, Gary Crump, Bill Buchanan, Troy Bass, David Fields, Zane McVey, Joe Bill Jones, Mike Buchanan and James Weatherly.

### Crawford Honored On 88th Birthday Sunday

T.J. Crawford, Friona pioneer, was honored on the occasion of his 88th birthday Sunday when three daughters and a son-in-law used the occasion for a visit.

Crawford continues to convalesce at Parmer County Community Hospital, recovering from a bullet wound he sustained in his right leg almost two months ago.

Visiting Crawford were Mr. and Mrs. A.C. Watson of Tu-

cumcari, N.M., Miss Jean Crawford, Santa Fe, N.M., and Mrs. N.R. Cox, Midland.

Crawford, who came to Friona in 1906, went into the grocery and mercantile business in 1914. He built the brick building at the corner of Sixth and Main, which was his new store in 1927. Crawford retired Jan. 1, 1947.

A member of the school board of trustees several terms, Crawford was secretary of the board at the time the recently dismantled red brick former high school building was built.

### Gloria Brown Is Party Hostess

A pajama party in the home of Mr. and Mrs. Matt Brown Friday was hosted by their daughter, Gloria.

Guests met at the Brown home following the football game for supper, games and a record playing session.

Others present were Susan Floyd, Jayn Massie, Ginger Murphree, Lana Renner and Gay Welch.

### Auxiliary To Meet

Parmer County Community Hospital Auxiliary will meet Thursday afternoon at 3 in the meeting room of the hospital. Mrs. Loyd Shackelford, president, urges all members and prospective members to attend. Anyone desiring to buy rags at a low price is asked to attend the rummage sales on Fridays and Saturdays.

### Scout Troop Honors Grandmother

Dr. Charles Osborn of Fort Worth and Mr. and Mrs. Douglas Whately and son, David of Midland, were weekend guests in the home of Mr. and Mrs. Sloan Osborn. Mrs. Whately is the former Sally Osborn.

Mr. and Mrs. Noel Bengier and son, Eddie, of San Jose, California, have returned to their home after visiting in the homes of Mr. and Mrs. John Bengier, Mr. and Mrs. John Bengier, and Mr. and Mrs. Guy Latta.

Twenty-four members of Girl Scout Troop 238 and their three leaders, Mrs. W.R. Riethmayer, Mrs. Larry Martin, and Mrs. Alton Peak, honored Mrs. Ethel Adams, who was observing her 76th birthday, with a surprise party in her home Monday afternoon.

Mrs. Adams has been grandmother of the troop for several years. She was presented a New Testament with large letters and refreshments of German chocolate cake, ice cream and punch were served.

Troop members present were

Carolyn Martin, Dixie Wilkins, Jill Riethmayer, Ann Hurst, Rhonda Bauer, Vickie Beck, Dean Dickson, Fran Dodd, Denise Frazier, Christine Grant, Brenda Hall, Linda Hufstickler and Kathy King.

Also Mary Martin, Vickie Mingus, Melissa Pruett, Vicky Schueler, Jeanie Thompson, Vickie Ulen, Louise Whaley, Kathy McLean, Trinia Bridgeman, Darla Kelly and Sookie Coronato.

This was the first birthday party Grandmother Adams has ever had.

### How to make a holiday last all year long

"How often do you call Long Distance to friends or members of the family?"

"Well, I expect to make some calls on Thanksgiving and maybe on Christmas."

"Why wait for a holiday or special occasion to call — that's the old fashioned way!"

"How come? Is the phone company having a sale just now?"

"No, not that. New low-cost long distance rates are now in effect all day Sunday and every night after eight — so now for a dollar or less, you can keep in touch more often."

"Say! That's a good idea! Tonight I'll make some important calls I've been putting off."

"Fine! Thanks to new low rates you can call anywhere in continental U. S. \* station-to-station and talk three minutes for \$1.00 or less. This is the big communications bargain — the modern way to keep in touch at all times."

\* Except Alaska.

# Family Get Together Honors L.M. Crow

Seventy-six members of the Crow family and friends were present for a get together in the home of Mr. and Mrs. A. L. Carlton honoring L.M. Crow, who was observing his eighty-fifth birthday Monday. He is hospitalized at Farmer County Community Hospital.

All nine of his children were present. They were Mrs. G.B. Buske, Friona; Mrs. Dudley Robason, Siloam Springs, Ark.; Mrs. W.H. Jones, Friona, W.S. Crow, Hereford; C.S. Crow, Friona; Mrs. Roy Johnson, Odessa; Mrs. A.L. Carlton, Friona; Mrs. W.C. Williams, Washburn, Mo., and Tob Painter, Hereford.

Special guests were Mrs. Clarence Dameron, Wellington, Texas, sister of Crow; Mr. and Mrs. Arthur Crow, Sudan, brother and sister-in-law of the honored man; and Mrs. A.A. Crow, Friona, who is his sister-in-law.

Others present included husbands and wives of the children, Mrs. Lorene Rogers, Wellington, Texas; Mr. and Mrs. Larry Crow, Mr. and Mrs. Gerald Barnett, Vicky, Mike and Mark and Aubrey Lee Carlton, Jerry Don Carlton and Mike Smith all of Lubbock.

Also Mrs. Esther Polk, Mrs. Lillian Spencer, Jack Johnson, and Mr. and Mrs. Wayne Nichols and Charlie, Odessa; Mrs. George Mazzo, Celina and Kevin, Hereford.

Also Curtis Murphree, Mr. and Mrs. Jerry London, M'Lynnda and Micah, Earl Crow, Lyndia Chandler, Charles Jones, Bette Bass, Mr. and Mrs. Ray Murphree, Mr. and Mrs. Calvin Talley, Rex and Pattison, Mr. and Mrs. Jim Norwood, Doug, Becky and Jim, Mr. and Mrs. Boyd Jones, Lisa and Kim.

Also Margie Carlton, Plainview; Mr. and Mrs. Herschel Jones, Rhonda, Roger and Jim, Spearman, and Walter, Milton, David, Donette and Debbie Carlton.

Crow was born November 15, 1880 near Pine Mountain, Arkansas, and moved to Friona from Abernathy in 1926.

The birthday cake, which was taken to the hospital, was white

L.M. CROW

and topped with an arch entwined with blue ribbon and centered with the numerals "85". Scallops in blue framed the word "PAPA". A tray on one side of the bed held an arrangement of fall flowers also lettered with his age.

## Buskes Attend Game At Austin

Mr. and Mrs. G.B. Buske spent last weekend in Austin. They drove to Lubbock then flew to the capital city. While there they attended the Baylor-Texas football game and visited their son, Kim.

They also visited with Pat Burton, who is a freshman student at Baylor University, Waco. She is the daughter of Rev. and Mrs. Bill Burton.

The Buskes attended church services in Austin Sunday morning before boarding a plane for Lubbock.

## Art Show Highlights Study Club Program

A showing of work done by local artists was the highlight of the Thursday evening meeting of New Horizons Junior Study Club at Federated Club House.

Paintings done by Mrs. Bill Wooley, Mrs. Frank A. Spring, Mrs. G.D. Coker, Mrs. Hardy May, Mrs. M.C. Osborn, Mrs. Elmo Dean, Mrs. Glenn E. Reeve Sr., Mrs. Wes Long, and Ben Konis were on display.

## Auburgs At Home Here

Mr. and Mrs. Raymond Auburg are at home in the house formerly occupied by Mr. and Mrs. Dean Blackburn following their recent marriage.

Janis Godbey, whose parents are Mr. and Mrs. Clint Cain of Thackville, Okla., and Raymond Auburg exchanged wedding vows in the home of his parents, Mr. and Mrs. D.M. Auburg Wednesday, November 3 at 8 p.m.

The single ring ceremony was read by Rev. Jake Armstrong, pastor of Calvary Baptist Church.

Mrs. Auburg wore a two piece dressmaker suit of brown and blue with matching accessories. Auburg is an employee of Friona Consumers and his wife is a former employee of Friona Lanes.

as were some done by Dr. Emil Caballero of Canyon. Mrs. Jim Roy Clements presented the devotional.

Guests present were Mrs. Don Powell, Mrs. M.C. Osborn, Mrs. Ray Dean Fleming and Mrs. Elmo Dean.

Refreshments of spice cake topped with whipped cream, coffee and tea were served by Mrs. Robert Neelley and Mrs. Ross Miller, hostesses.

Rumors are such tricky things and get started so easily it seems at times that it isn't really safe to report a story you have heard. Recently an episode that happened to a Lockney resident was told to Jan Fleming by her mother.

Jan repeated it several times and pretty soon she began to hear that the incident had happened to her. For the past several weeks the story has been told with Jan as one of the principal characters.

She has received a number of telephone calls and people have mentioned it to her on the street. Although she appreciates the concern of Friona residents, she is concerned because the story is being twisted until it doesn't even resemble the original story and even the characters have been changed.

Perhaps in the future she will begin each incident she tells with, "THIS DID NOT HAPPEN TO ME. I just happened to hear about it."

If there is a more enthusiastic fisher-woman than Mrs. J. W. McMahan, I haven't heard her express her opinion on the subject of fishing. Last week she accompanied her husband to Falcon Lake and the two of them caught 136 cat fish with rods and reels one day.

"This was the first time I had ever caught fish until I was completely exhausted and had to quit before the fish quit biting," was the way Mrs. McMahan described the five day fishing trip.

Anyone who has the idea that "the younger homemakers of today are less efficient than their grandmothers were in their day" apparently are not acquainted with some of the younger homemakers I am privileged to know.

Mrs. Billy Sifford of the Rhea Community makes beautiful hand made quilts. She pieces or embroiders the blocks, puts them together in an attractive manner and does an unusually neat job quilting them.

Mrs. Burke Hand, who lives east of town, does a lot of sewing for herself, her children and others. She does a wonderful job on any garment or article she attempts in addition to her other homemaking chores and several outside activities.

Many members of Friona Young Homemakers, Jayettes, the Fireman's Auxiliary and other clubs and civic organizations contribute much time and energy to the betterment of the community while doing a good job taking care of their children and homes.

In this column one year ago the fact that we still had flowers blooming in yards all over town was mentioned. Again this year our growing season must be reaching the seventh month mark.

The James Hamiltons have several varieties of flowers blooming in the window box on the west side of their house, there is a beautiful cluster of what we would ordinarily term "house plants" in the corner of the Walter Loveless yard.

Many persons are still eating tomatoes off the vine. Not many people have the problem Mrs. Roy Clements has. She has been picking tomatoes off her rose trellis and has trouble keeping out of the thorns.

Think her husband has decided to remove the roses and turn the backyard into a "tomato patch" next year. Martha isn't wholly in agreement with this idea, but does agree that "something's got to be done."

When Mrs. Joe Johnson attended the National Convention of United Pentecostal Churches in Grand Rapids, Michigan, recently, she expected to see at least two former Friona residents there.

She and Mrs. Mildred Willis of Tucumcari drove to Tulsa, Oklahoma, and picked up Rev. and Mrs. Frank Baber and the four made the trip together.

Other former Frionians attending were Rev. Verdell Thompson of Connecticut. Thompson is the son of Mr. and Mrs. Charley Thompson, Clovis, and grandson of Mrs. Laura Thompson and the late "Sidie" Thompson of Friona.

He grew up here and moved to the East Coast shortly after his graduation from Friona High School. Mrs. Johnson reports that seeing him and visiting with him was one of the highlights of the trip.

Rev. Roy Lee Jones and his wife, the former Bobbie Joe Tedford, of Salina, Kansas, were also there. Jones is the son of W.H. Jones of Friona and also a graduate of Friona High School.

Another slant on business correspondence was taken by a man who has written several books on the subject. He said: "The average letter writer uses ten words to do the work of seven. That may sound hard to believe, but reliable tests have shown that thirty per cent of business letters consist of needless words."

Correspondence of this sort is not of public record. His "horrible examples" presumably were in letters which he received.

He objects to one's saying, "At the present time," and suggests that we say simply, "now." He contends that a single word can replace, "hand

you herewith," "in the near future," "at a later date," "due to the fact that," "in the event that," "at the current writing," "in the amount of," "may or may not," "at your early convenience," "please do not hesitate to."

Also on his black list are such expressions as, "It has come to my attention," "for your information I might explain," "as a matter of fact," "These are old chestnuts, he claims, and should be avoided. But he does not say anything about eliminating," "My dear Sir" or "Yours truly."

Apparently the writer was not familiar with the age of abbreviations. Who would say "for your information," when you would express the same idea. Perhaps this form of abbreviating isn't so common in writing business letters, but it has made

great strides in vocal expressions. Attempting to keep up with some conversations causes us to exercise our mental powers and sometimes we almost lose the thought before we can catch up to the letters used for abbreviations.

Most of us need mental exercises, so perhaps this is good.

It is not what we do in life, but how we do it; it is not what is there to see, but how we react to what we see. Money, or the lack of it, will affect happiness little. What we give to life will by life be given back to us.

Mr. and Mrs. T.G. Hill of Corpus Christi are visiting in the home of Mr. and Mrs. C.J. Horton and daughters, Debbie and Angie. The Hills are Mrs. Horton's parents.

## State Official Visits Lodge

H.W. Fullingim, Deputy Grand Master of the Grand Lodge of Texas, A.F. & A.M., whose home lodge is at Odessa, will be guest speaker at a called meeting of Friona Lodge #1332 A.F. & A.M. scheduled for Monday, November 22, 1965, at the local hall beginning at 8 p.m.

Prior to the tiled meeting, a banquet will be held at the lodge beginning at 7 p.m. with the menu scheduled to be turkey and dressing with all the trimmings.

Kenneth R. Watkins, Worshipful Master of Friona Lodge, cordially invites all master Masons in the area to attend

**Mary Maxwell Is Married**

Westminster Presbyterian Church in Roswell, New Mexico, was the setting October 28, when Mary Maxwell, daughter of Mr. and Mrs. Everett Maxwell of Lazbuddie, Texas, became the bride of James F. Johnson. The bridegroom is the son of Mr. and Mrs. Fred Johnson of Magdalena, New Mexico.

Vows were exchanged in a double ring ceremony, conducted by Paul Dick, church minister.

Traditional wedding selections were played on the organ by Mrs. Ben Eakins of San Antonio, Texas. Mrs. Eakins is a sister of the bridegroom.

The bride was given in marriage by her father.

Mr. and Mrs. Ralph Little of Santa Fe served the couple as matron of honor and best man.

Wynn Eakins, nephew of the bridegroom and David Byrd, served as ushers.

The couple will reside in Roswell. The bride will continue teaching at Del Norte School. The groom is with the New Mexico State Game and Fish Department.

Mrs. Johnson taught 4th grade at Lazbuddie 3 years before going to Roswell.

Her father Everett Maxwell is a teacher at present in Lazbuddie High.

Children have more need of models than of critics.

Too many of us speak twice before we think.

Bad officials are elected by good citizens who do not vote.

"It is a known fact that 50% of the married people in the world are women."

**INJECTING LONGER LIFE IN MOTORS**

A General Electric engineer uses a hypodermic needle to inject oil in demonstrating a new type of motor lubrication system. The new system will permit the redesigned motor to run more than 10,000 hours without re-oiling, thus reducing maintenance and increasing life expectancy.

Capillary action is used in the motor's lubrication system to keep the bearings from running out of oil prematurely by retrieving any oil that may be pumped beyond the bearings.

The 3.4-inch diameter shaded-pole motor is manufactured by G-E's Specialty Motor Department, Fort Wayne, Ind. The optional high quality system, available at a modest price increase, was designed specially for deluxe range hood ventilators, room air conditioners, small furnaces, humidifiers, furnace humidifiers, tape recorders, and other applications with adverse environmental conditions and where re-oiling is more difficult and therefore less frequent.

**LAZBUDDIE NEWS**

By Mrs. C. A. Watson

A baby shower honoring Mrs. Clyde Redwine was held in the home of Mrs. John Agee Thursday, Nov. 11. Hostesses for the shower were Mrs. Agee, Mrs. Ronnie Briggs, Mrs. Charlie Glover, Mrs. Earl Peterson, Mrs. Bert Gordon, Mrs. John Littlefield, Mrs. Clarence Mason, Mrs. Walter Steinbock, Mrs. J. McDonald and Mrs. J.R. Harrison, Sr.

The hostess gift was a high chair and infant seat. Thirty guests registered and many sent gifts. Refreshments of nut bread, spiced tea, coffee and mints were served. The table of pink lace was centered with a miniature white lamb and blue flowers.

Bobby Haynes, nine year old son of Mr. and Mrs. James

Haynes of Dumas passed away Friday, Nov. 12, in a Houston hospital. Bobby was born in Lazbuddie where his parents were teachers in the school system at that time. Mr. and Mrs. Haynes now teach at Dumas.

Young Haynes was flown to a Houston hospital after taking seriously ill at his home several weeks ago. Funeral services were held at Dumas in the First Presbyterian Church Monday afternoon, Nov. 15 with Boxwell Funeral Home in charge. Several from Lazbuddie attended the services.

Mr. and Mrs. Shanks Ivy were in Tipton, Oklahoma, last week to visit her mother, Mrs. T.F. Tipton.

E.L. Mitchell is at St. Jo this week with his mother, Mrs. W.S. Mitchell. She is in serious condition in the hospital there. Mrs. Mitchell was admitted to the hospital a year ago this November and has not been able to be up since.

Eunice Shuping from Kress visited her mother, Mrs. Anne Vaughn Sunday.

Mrs. Duane Darling, Lazbuddie and her daughter, Mrs. Darrell Thompson and son Terry Lynn of Friona are in Hot Springs, Arkansas. Young Terry Lynn is receiving treatments there.

The Lazbuddie Young Homemakers met Nov. 4, 1965 at 3 p.m. in the Lazbuddie home economics building. Mrs. Phyllis Beavers gave a talk and demonstration on flower arrangements. Mrs. Marlene McDonald introduced the speaker. Mrs. Jimmie Briggs served refreshments.

From the Dallas Morning News: "President Johnson has requested help from American doctors for the sick and wounded civilians of strife-torn South Vietnam. The 16 million South Vietnamese have only 200 civilian doctors to treat those who need medical attention. Project Vietnam is getting the help of the American Medical Association in recruiting prospects. Today it is fashionable in some circles to characterize modern doctors as businessmen in white coats, more interested in the health of the patients' bank balances than the health of the patients. . . One might think then, if these were true pictures of the doctor of 1965, that no doctor would be very interested in leaving a lucrative practice to risk his life to attend to the suffering of the victims of a guerilla war. One would be wrong. The director of Project Vietnam told newsmen: 'We had no idea we would get so many inquiries, and almost who inquired have made either oral or written agreements to go.'"

Good Things For...

# THANKSGIVING

As We Pause This Thanksgiving Season To Remember Our Many Blessings, Let Us Not Forget Our Fighting Men Who Are Serving This Country In Viet Nam and Other Isolated Battlefields Across The World.

We Take This Opportunity To Thank You, Our Customers, For Your Loyal Patronage To Our Store. It is a Pleasure To Serve You With The Foods And Products of Our Prosperous County.
