### County Medical Staff Meels On April 20th

The medical staff of the Upton County Hospitals opened their meeting at 8:10 p. m. on the 20th of April, 1954.

The minutes of the last meeting

Dr. Leland E. George, MD, presented a request to be admitted to go along with this idea of free the staff of the Upton County Hospitals. Dr. George is a graduate of the Texas University Medical School, June, 1944, served nine months internship and nine months residency at the Brackenridge Hospital in Austin. He then entered the armed sevices for two years. He had further training of fifteen months in X-ray and radiological diagnosis in the Santa Rosa Hospital in San Antonio, Texas. Dr. George was admitted to the medical staff by unanimous

nent and turn right around and An election of officers was held and the same officers as the previous year were re-elected.

> Dr. James Cooper, President; Dr. James Gossett, Vice President; and Dr. Boyd Nibling, Secretary.

A program was decided upon for emergency coverage of Rankin cheaper than you can. Yes, we and McCamey Hospitals at all admit that. They could also sell times. In McCamey, each Doctor serving a week's period of time. and for Rankin, when Dr. Gossett was gone to be covered by the Mc-Camey physician on call.

HOS

A worship center of a miniature lighted church surrounded twelve candles was featured. After a short business meeting a program on "Why I believe in the Church" was presented with Mrs. Curtis Barbee as leader. Mrs. Willis Farrel gave the de votional, after which the group sang the "Doxology" and pined in a Litany together. After the song "The Church is One Foundation," Mrs. Earl Brooks recited the poem "This is My
