INDEPENDENT SERVICE

# Electricall

More and more women every day freeze foods ELECTRICALLY and save TIME...save MONEY ... save FOOD! They buy in quantity while prices are low ... and store in the safe, steady cold of an Electric Freezer! They know that food will keep for weeks, ready for use at any time. They also know that my wages for this work are only a few cents a day!

Are YOU getting the best deal for your food dollars? Why not look at the new Electric Food Freezer TODAY?
