Ladies Speak Their Piece On Jury Duty Amendment

In a public opinion poll conducted by the Rankin News this week, a variety of opinions were expressed by Rankin women concerning the question "What do you think of women serving on juries?"

According to County Judge "Bud" Fisher, women will probably be called shortly to serve on juries here in Upton County. The Judge stated that he plans to use two women on his jury commission next week. This commission will select a jury panel that will be used for county court for 6 months beginning in February.

A full interpretation of this law, given by the attorney general, can be found elsewhere in this week's paper. As a whole, the women of Rankin do not seem to be in favor of the recently passed amendment but stated that they would try to serve if called.

Here are a few opinions of women contacted:

MRS. CHARLEY HALE—"I hadn't thought much about it but I guess it would be all right. Under certain circumstances I do think that the jury should be composed of all men; in others, it should be all women. Women are often more broadminded than men. Yes, I would serve if called."

MRS. BOB SCHLAGAL—"I don't like it. I just don't know anything about jury duty—it's a man's job anyway, and we women should not have to do it for them."

MRS. J. L. CLARK—"I don't think much of it. Women have enough to do as it is without having to do jury duty, too—the men ought to relieve them of that duty. I will serve if called but I still think it's a man's job."

MRS. WAYNE HOWELL—"I think it's alright. Most states have women on their juries. I'm not particularly interested in serving but I think it's our duty."

MRS. RUSSELL MORRIS—"I didn't vote for it. It will be awfully inconvenient for women to have to leave their homes and serve on juries but I will try to serve if called."

MRS. IRMA HARKWRITER—"I don't think much of it. It looks like the state and counties are going to be out a lot of money to fix up their facilities for both men and women juries. Married women with small children will be particularly hard hit and will have to leave their children with someone in order to serve."

GERTRUDE HALL—"I voted for it. Women are just as capable as men and have the ability to make good jurors. They'll debate the case better and give it more consideration than men will. J. Edgar Hoover says women make better jurors than men and he always insisted that women serve on the juries."

BETH SHIPP—"I don't know much about it but I do think that in some cases women would not make good jurors. Most women are too soft hearted and could be influenced by a sob-story in the courtroom."

LIONS NOTE

All Lions who missed last week's meeting or who plan to be out-of-town next Monday, are requested to attend a make-up committee meeting at the Highland Cafe at 8:30 p.m. Thursday, Nov. 18.

White cake squares, topped with pink and blue booties, were served with coffee and tea to the twenty-two guests who registered for the afternoon.

Mr. and Mrs. Dunn Lowery and Mr. and Mrs. J. P. Rankin left last Thursday for a two-week's vacation to the state of Florida.

Mrs. Louella Huffman attended the Central Area Permian Basin Hospital Council in Odessa Friday, Nov. 11, but had to return on that day due to an emergency at the Rankin Hospital.

250 TEXAS NATURAL EMPLOYEES ENTERTAINED AT BAR-B-QUE FRIDAY

Perfect weather and a delicious barbecue dinner served by the famous "Chuck Wagon Gang" were combined to give all Texas Natural Gasoline Corporation employees and their families a delightful afternoon Friday, Nov. 11. Five representatives from the home office in Tulsa, Okla., and employees from Texas Natural Gasoline Corporation's Benedum, Pembroke, and Weiner Floyd plants gathered at the Benedum plant site 17 miles northeast of Rankin in a huge tent pitched for the occasion.

Immediately following dinner, Mr. R. H. Snell, superintendent in this area, introduced the president of the company, Mr. John T. Oxley, who presented Messrs. W. E. Crisp, D. S. Morue, W. R. Thorn, F. S. Beckham, G. H. Snell and Glenn Parker with engraved pins for the five years they have been employed by the company. In a brief talk Mr. Oxley made all employees acquainted with the progress that has been made in the past five years and pointed out the ambitions of the company in regard to the people they serve and to the individual employee for the future.

Assisting at the presentation of awards was H. G. Texerbaugh, chief engineer in charge of operations of all Texas Natural Gasoline plants; Jane E. Pfeifer, in charge of gas accounting; H. G. Bartlett, gasoline sales manager, and Elmo Maurer, chief airplane pilot.

THANKSGIVING CLOSING

As a whole, Rankin will be shut down next Thursday, Nov. 25, for Thanksgiving.

School will dismiss Wednesday, Nov. 24, at 2:00 p.m. with buses making their regular runs at that time. Classes will resume on Monday, Nov. 28.

Supt. Alderdice also announced the Christmas holidays as follows: school will dismiss at 2:00 p.m. on Tuesday, Dec. 21, and resume on Monday, Jan. 3, at the regular time.

Mr. and Mrs. Tom Workman spent the week-end in Midland with their son, David, and family. Tom attended the Shrine Ceremonial held in that city Saturday.

Mr. and Mrs. L. G. Bennett and children of Odessa spent Sunday here with her mother, Mrs. S. E. Scott.

were Mrs. Ray Boggs, Mrs. Charley Hale and Mrs. Henry Scarborough.

The last football game of the season for the Rankin Red Devils will get underway here Thursday night at 7:30 against the Odessa Colts, a "B" team from that school. This step-up from the originally scheduled Friday night time is being used in order that Rankin fans who will want to see the McCreary-Fort Stockton tilt on Friday will be able to attend both games.

According to all reports, tickets to the McCreary-Fort Stockton game are going to be very hard to get. Fans wishing to get in should go early if they wish to get a seat.

In last week's game, fans saw Rankin defeated by Bronte in a very good ball game though the win spoiled homecoming for Rankin school. Both teams were about equal in first downs and yards gained with Bronte proving very tough on goal line stands. On two separate occasions they held the Red Devils inside their 5-yard line.

In half time activities, the fathers of all the Rankin players were presented to the fans and received good ovations. Highlight of the mid-game activities was the crowning of Miss Audrey Jean "Nubbin" Murphey as football queen for 1954. Miss Murphey is the daughter of Mr. and Mrs. Carter Murphey and is a senior in Rankin High School. She has been an outstanding student, having participated in many school activities and was on last year's championship girls' basketball team.

Pee Wees Win Over Iran

Rankin's Pee Wee football team, comprised of boys under 100 pounds downed a similar team in Iran last week for the second time by a score of 14-0.

Running up two markers in the first quarter, the Rankin pint sized crew then turned to defense and held the Iran boys to "no first downs" for the entire game. In the third quarter, they trapped an Iranian ballcarrier behind his own goal line and added two more markers to their cause. Two touchdown runs were called back due to penalties.

Standouts for Rankin included Fred Auglair, Wayne Windham, Stanley James and James McDonald on offense and Charles Allen, Larry Simpson, Steve Hodges and Frank Boyd on defense.

This completed the Pee Wee schedule for the year giving them an undefeated record.

Mrs. R. H. Johnson, Jr., and children are here visiting with Mr. and Mrs. R. H. Johnson, Sr. They will leave the last of the week to join her husband who has recently been transferred to Salt Lake City, Utah.

Gospel Meeting Begins Sunday

Beginning November 21, Mr. Bill Gipson of Dallas will hold a Gospel Meeting for the Rankin Church of Christ. Scheduled to run through November 28, services will be held each Sunday at the Rankin Church of Christ located four blocks West of the bank building. Week day services will be held at the Texon Community Church building.

Time for services will be at 7:30 each week day at the Texon location and at 10:30 a.m. and 7:30 p.m. in Rankin.

Mr. Gipson, formerly of Texon, has served the Rankin Church of Christ as minister in the past. He is now minister for the Lancaster St. Church of Christ in Dallas.

With Mr. Gipson during his stay here next week will be his wife and two daughters.

A cordial invitation is extended to the public to attend all of these services.

RECORD NUMBER ON HAND FOR 4-H TURKEY SHOOT

A record number of shooters and spectators turned out for last week-end's 4-H Club Turkey Shoot with some 39 dead shots taking home the prize birds.

Shooters opened fire early Saturday morning and continued at a steady clip all day. At the skeet shoot, which proved the most popular attraction on opening day, some expert skill was displayed by shooters who were banging away so fast they ran out of clay targets about 5:00 p.m.

Sunday afternoon, the shoot opened at 1:00 p.m. with the pistol, 22 rifle and shotgun ranges drawing a large number of shooters.

According to officials of the shoot, the club made enough money to finance their stock show to be held in January. They further expressed their thanks to the folks who took part in the shoot and complimented all shooters on their fine sportsmanship and the fact that the entire affair was orderly and without accident.

Among those winning birds were: W. W. Phillips, Ed Hale, Archie Higgins, Mike Collins, Kenneth Wright, L. B. Jones, Tommie Jones, E. F. Sharp, J. B. Hutchens, Lester Ratliff, A. B. McGill, Vernon Black, Henry Scarborough, John Kellerman, Kenneth Hayes, Bob Schlagal, Doc Gossett, Box McDonald, Fred Prentice, W. D. Poyner, J. B. Pettit, Cleo Havins, Dub Day, W. W. Harral, Mrs. Frank Boyd.

City Commission Explains Tax Valuation

A statement from the city council this week should give Rankin taxpayers a clearer understanding of tax valuations on city property for the coming year.

The council stated that apparently some taxpayers are under the impression that taxes have been raised in the new renditions made for 1955. This is not the case, the commission has explained.

Each year, on or before October 1, a board of equalization is appointed by the council to go over the city tax rolls and equalize the valuation on all city property owners.

This means that the equalization board is to try to determine as nearly as possible the selling price of the property in question. This figure is then divided in half and this is used as a basis for tax value of that particular piece of property.

An example would be the present considered selling price of a business lot on Main Street. These lots are usually considered to be worth \$1600. That would mean their tax valuation would be \$800 with a city tax of \$8 per year. This same system would apply to houses or business property.

When this year's equalization board was appointed by the city council, they were instructed to try to get everyone's taxes as nearly equal as possible. This they tried to do, spending considerable time investigating different property.

The results of their efforts were a raise in the tax valuation of some property, the lowering of others where it was found that one party might be paying more than his property was actually worth.

In some instances, the board found property owners with property valued at \$30,000 being rendered for as little as \$1,200 for tax valuation. To equalize this property with what the majority of property owners were paying, or 1/2 of the estimated worth of the property, the tax valuation had to be raised to \$15,000. This policy was carried out as fairly and as impartially as possible. In several instances, the board lowered valuations on entire blocks when it was felt that the property had declined in value from its original rendition.

TAX RENDITIONS

On looking over the tax rolls for previous years, one finds the following valuation for the past three years:

1952	\$12,156.75
1953	12,776.25
1954	14,389.84

These figures represent the actual amount of money that should have been, or is to be, collected from taxes for the years shown. In the 1954 amount is represented the current valuations under consideration in this article.

Actually the amount collected for taxes is never as high as the renditions due to failure of property owners to pay the taxes as they come due. In 1953, only \$8,486.00 was collected out of the \$12,156.75 that was outstanding. In 1954, \$9,008.75 was collected from the possible \$12,776.25.

An audit made of city books this year showed a total collection of revenue from all sources, taxes, fines, trash, sewer, etc., for 1953 to be \$17,209.22. Expenditures for the same period amounted to \$15,211.53. This left a balance of only \$1,997.69 between actual income and actual expense for 1953.

Mr. and Mrs. H. D. Shaw of Rankin announce the engagement and approaching marriage of their daughter, Jean, to Pfc. Marvin McEwen, son of Mr. and Mrs. D. O. McEwen, also of Rankin. Miss Shaw is employed in the Upton County Clerk's office and Pfc. McEwen is with the Sixth Army, stationed at Fort Huachuca, Arizona. No definite date for the wedding has been set.

RANKIN, TEXAS

Filler by J. B.

This week we would like to take time out to pay a tribute to our Rankin football squad.

We have watched the boys since they began practice early this fall. We have seen every game to date. At times they have looked very good, at others, they never seemed to get going.

There has been criticism of the boys and the coaches. This, we feel is typical of football fans and is to be expected. For our money, Rankin's boys have played a good season. They have not won many and still have a hard one coming up that they may not win, but we still say they should not be criticized.

Football is a rough game, most of the sideline fans who have hollered the loudest just never played a game or at least not like they play it today. There is a lot of difference in the game now than there was 10 or 15 years ago when most of us played. They used to hand one of the backs the ball and everyone made a run toward the goal line or if it was a pass, the idea was to throw the ball as far down field as possible. Each man on defense tried to stop the man in front of him and that was just about the size of the game.

Taint so today. A high school quarterback has to be a regular calculating machine to remember all the things that are to be done in the game. There are literally dozens of options in the T-formation with different assignments for almost every player. In defense, a boy has to remember all sorts of things in order to figure out ahead of time where the play may be run. All in all, football today is just about one of the most complicated games that can be played.

The boys on the Rankin team

have tried all year long. It's easy to play on a winning team—it takes a different sort of person to keep trying when you're not winning—and every one of us know it. These boys have been hard at it ever since school started and have practiced many hours each week. Not many of us would have stayed with it under the circumstances.

We often hear someone say that it's the sport of the game and not who wins or loses and that should be true, yet in today's game the kids must win or they're bums. About all we have to do is look around us and we find that not many of us are big winners in our chosen profession or in life, for that matter. If a score card were kept on us, it would probably look like we were bums.

I say that Rankin has a good bunch of football players and a good coaching staff. I can't think of a game which they lost in which they did not try but were just outplayed, which should be no disgrace. In every game that we can recall, there were more hard tackles and blocks made by the Rankin team than by the opponents, as could be witnessed by the number of lads put out of the game on the opposing teams. They have taken some hard knocks and have gotten little for their efforts—still they are trying and are working hard. That's enough in our book.

Read a little article the other day that should be framed and hung on the wall of every newspaper office. It states the question of "Why is it that the doctor can call on a man's wife in the middle of the night and get paid \$500 for it when if the editor tried the same thing he would get shot?" Now there's food for thought.

ATTORNEY GENERAL EXPLAINS AMENDMENT

By JOHN BEN SHEPPERD

Women on Juries

Questions arising about jury service by women have been widespread. One of them is: Is the amendment self-enacting, or will legislation be necessary to establish the duty and right of women to serve on juries?

During the last fifty years it has been the presumption that all provisions of a Constitution are self-enacting; otherwise the Legislature would have power to ignore them and thereby nullify them. The amendment therefore is self-enacting. After the effective date (November 19), it will be lawful for women to serve on juries in Texas.

If jury commissioners make up lists after the effective date of the amendment and intentionally exclude women, the panel will be subject to challenge, but it appears that the challenge would not be sustained if the reason for omitting them is a lack of adequate facilities to take care of women jurors, or doubt on the part of the jury commissioners as to whether the constitutional amendment was self-enacting—in other words, if there was justifiable reason for omitting them and the omission was not an intentional discrimination simply because they were women. Until counties have had a reasonable time to provide for the necessary facilities, it appears that a failure to include women on the jury panels would not be a valid ground for challenge. If a jury should be challenged for any reason, it appears that only a woman could do it.

Where women are selected for jury service in felony cases, it would be possible for the court to work out an arrangement for lawful separation of the jury at night and at other times. The present statute prohibits separation of the jury in felony cases, unless by permission of the court with the consent of the attorney representing the State and the defendant and in charge of an officer. The law does not require that sleeping quarters be provided in the court house or jail or at any particular

place. If the attorneys agree to the separation, the judge could permit the separation but it would be necessary to provide a woman officer to be in charge of the women. Sleeping quarters could be provided at any place, so long as an officer was in attendance.

Many women have wondered whether their excuses for not being able to serve on juries will be valid, since a person wanting to be excused can claim only those exemptions set out by law. These exemptions were originally outlined with only men in mind, and they exempt, in general, only old people and those engaged in certain occupations. They make no mention of small children or other valid excuses peculiar to women. Until the Legislature makes further exemptions, a woman cannot of right be excused from jury service except for the reasons set out in the statute. However, the judge has a certain amount of discretion in excusing persons from jury service.

WCSB BIBLE STUDY CIRCLE MEETS WEDNESDAY EVE

The Bible Study Circle met at the Methodist Church at 7:30 p.m. Wednesday, with Mrs. J. L. Clark, chairman, conducting the meeting. Mrs. Herbert Hurn presented the study of 1st and 2nd Ezra. Mrs. Bill Nix gave the devotional, 128th Psalm, followed by the Lord's Prayer.

Miss Mattie McDonald and Mrs. R. H. Johnson and those previously mentioned were present.

The next regular meeting date has been postponed because of conflicting with the Thanksgiving holidays, and will be held on the second Wednesday in December.

Granny Drives But Won't "Shift"

Saw Grandma Taylor parking her 1924 Franklin out front the other day. Neat as a pin, radiator and hub caps gleaming—the whole car is as shiny as the day she bought it 30 years ago.

Then I stopped and looked again—for there, hanging on the spare tire was a sign: "This car NOT for sale."

Asked Granny what was going on. "Joe," she says, "it's this craze for old cars. Everybody wants to buy my Franklin. But it has served for years and it's not for sale at any price."

From where I sit, it's strictly the new cars for me—but Grandma Taylor, and others, are certainly welcome to their "old faithfuls." It's simply a question of preference. Same with a choice of beverages. For instance, I like a temperate glass of beer with supper. You may prefer coffee. Fine! The important thing is that we respect each other's choice—and "ride along smoothly" together.
