Serving the Interests of Rankin and Upton County

NUMBER 20

RANKIN, UPTON COUNTY, TEXAS

THURSDAY, MAY 19, 1955

Round Meeting May 26

at the Elementorium tonight, 8:30 p.m. The Permian Scouts will gather for their regular meeting.

Present and taking part will be cubs, explorer scouts, and executive.

will head the three groups of scouts in charge of arranging the round table necessary changes to be contacted in time.

ONE NEXT MEETING DATE

installed president of the organization next week. There will be no meeting next week. The organization next week is being made up of the day coming on the number of the day to be out of the day here with her.

JOE POWELL
... new Lion boss

JOE SCRIVNER
... keeper of the record

In installation ceremonies held last Monday night, the Rankin Lions Club installed their officers for the new year which begins on June 1.

Joe Powell will handle the president's duties with Joe Scrivner as his secretary. Others taking office were Ted Hogan, treasurer, Carl (Continued to back page)

Golfers To Gather In Rankin Over Weekend For Second Annual Invitational Tournament

If early week practice is any indication, Rankin will be full of golfers Saturday and Sunday as the 2nd Annual Tournament for the Rankin Golf Club gets underway. All week long, players from neighboring towns have been working out on the local links. An estimated 100-125 players are expected to be on hand at tee off time at 7 a.m. Sunday morning.

A very attractive array of prizes is being offered this year with a GE electric roaster going to the medalist who will be determined in play Saturday.

Flight winners will get a heavy duty wrought iron glider and matching chair for use as lawn or porch furniture.

Runner-up flight winners will be awarded an automatic deluxe deep fryer.

Consolation winners will receive a Wov-N-Wood picnic basket with runner-up consolation winners getting a dozen golf balls.

The club is also sponsoring a drawing for a Turf-Rider golf cart.

Along with the event will be a bar-b-que served on Saturday night to all who have paid their entry fee for the tournament. Dub Day is slated to be in charge of preparing the meal.

Others who will have duties during the tournament will be Dunn Lowery, Ray Boggs and Allen Moore, directors; Grimm Taylor, Floyd Fields and Jack Marshall, rules committee;

Russell Morris, Billy Gray and Henry Scarborough, greens; Dub Day, chairman of awards committee.

Qualifying scores, along with entry fees, may be submitted to T.

L. Stephenson, Dunn Lowery or J. B. Hutchens not later than 7:00 p.m. Saturday.

Last year's event, the first staged by the club, drew 94 entries with Boob Howard of Texon coming off with highest honors. Only four Rankin golfers managed to win places in that meet with Floyd

Fields defeating Dub Day in the second flight, Harold Congdon winning runner-up consolation in the third flight, and Pete Pollard winning runner-up flight winner in the fourth flight.

The public is cordially invited to attend any or all of this meet. There is no charge for spectators.

Sharp-Shooting Youths Warned To Improve Aim

No doubt the current fad of "Davy Crockett" has encouraged all the youngsters in town to drag out their "shootin' irons" and begin practicing up. However, a group of them have one habit that could be very serious and that is using the city sewage disposal property as targets for their practice.

An inspection last week of the sewage property just south of town showed that a large number of bullets had been fired into the small tile building as well as into various pipes, the disposal unit itself, and other property in that area.

This could result in very serious damage.

Within the tile building is housed pumps, switches, fuse boxes, etc., that operate the entire city sewage disposal system. Should one of these be knocked out, and an inspection of the building showed that it was only a miracle that they had not already been destroyed, it would result in a loss of sewage disposal service to Rankin for some time since several of the pumps, switches, etc., would have to be ordered from distant factories.

STIFF PUNISHMENTS

Destruction of property that affects the sanitation of a city is a very serious offense and would carry a severe penalty for those responsible if they were apprehended. City officials found two youths in the area last week with 22 rifles but did not detain them since they did not actually see them doing the shooting. However, "No Trespassing" signs are being prepared and will be erected that will mark the boundaries of the property and proclaim it "Off Limits."

After these signs have been erected, anyone caught in the area without proper permission will be subject to arrest and fine.

Members of the city council have stated that these measures are being taken, not to try to catch anyone violating the law, but rather to discourage their destruction of the property and thus endangering the health standards of the city. Since this is such an important matter, they will take all the steps prescribed by law for those caught destroying the property hereafter, they have stated.

REV. AND MRS. LEE ATTEND METHODIST CONFERENCE

Rev. and Mrs. Ray Lee left Monday for San Antonio where they will attend the annual meeting of the S. W. Texas Methodist Conference. Delegates to the conference from this church are Frank Boyd and Jim Robbins.

Opening activities for the conference will get underway on May 24 and will run through the 27th. On the 27th, appointments will be announced. These will be broadcast over radio station WOAI in San Antonio at approximately 10:15 on the morning of the 27th.

In reviewing some of the activities of the First Methodist Church for the past year, it has been noted that there were 58 additions, collections totalling \$9,144 and an increase in the pastor's salary for next year by \$200 per year.

Also under the sponsorship of this church, a Methodist Church will be started in Midkiff in the early part of June.

First 2 Weeks Program For Youth Activities Set

With registration set for June 6 at the Junior High School gym, the summer youth program will get underway on that date at 9:00 a.m.

For boys and girls between the ages of 6 and 18, a full 8 weeks' program has been arranged. Subject to change, it will be as follows for the next few weeks:

Monday, June 6—9:00-12:00—registration, Junior High Gym, all ages.

Tuesday, June 7—9:00-12:00—games, Jr. High, 10-18 years.

Wednesday, June 8—10:00-12:00—Swimming, swimming pool, 6-9 yrs.

Thursday, June 9—10:00-12:00—swimming, swimming pool, 10-18

years. Friday, June 10—9:00-12:00—games, Jr. High gym, all ages.

Friday, June 10, Youth Council dance at Park Building 8:00-12:00.

Monday, June 13—9:00-12:00—games, Jr. High gym, 6-9 years.

Tuesday, June 14—9:00-12:00—games, Jr. High gym, 10-18 years.

Wednesday, June 15—10:00-12:00—swimming, swimming pool, 6-9 yrs.

Thursday, June 16—10:00-12:00—Swimming, swimming pool, 10-18 years.

Friday, June 17—9:00-12:00—games, Jr. High gym, all ages.

Friday, June 17—6:00-9:00—Sack lunch, City Park, 6-9 years.

Plans Six Holiday Closures For The Year

Holidays have again been designated as legal holidays by the City Council.

For the organization, we have checked the towns and find observing similar holidays, it is not reasonable to have business close in order that some of the dates have been

As in the past, such business as service stations and cafes will probably not observe the entire schedule due to the fact that many of them are depended upon on holidays to be open to service the public.

The ice house and one grocery store have indicated they will be open.

The schedule of closing is as follows:

- Memorial Day, Mon., May 30
- Independence Day, Mon., July 4
- Labor Day, Mon., Sept. 5
- Thanksgiving, Thurs., Nov. 24
- Christmas, Monday, Dec. 26
- New Year's, Mon., Jan 2.

will be next Monday, May 30. This and four others, will be closing up on Mon-

County Home Dem. Agent

ANY BAGWORMS TODAY?

Nope, we don't want any but thought you'd like to get rid of any that might be around your place. This is the time to check and see since it's the best time, in fact, almost the only time, you can get rid of them. Look for them on your arborvitae, Phitzer juniper, and other cedar like plants. They hatch out about now and the young ones can be killed before they also form bags.

The treatment is to spray with 2 teaspoons of 40 percent chlordane in one gallon of water. One tablespoon of either emulsion concentrate toxaphene or of lead arsenate to a gallon of water will also work.

PLANNING TO CAN?

The new one step cold pack method of home canning has been proven both safe and successful for a large number of vegetables. So if you find anything to can this spring or summer give us a ring and we'll give you the new time table. It can be used for lima beans, snap beans, carrots, cream style or whole kernel corn, black-eyed peas, English peas and summer squash—don't you wish we could get hold of all those things to can? If you have a spot you just might raise yourself some pin-tos to can and they're mighty good eating when gathered while young and tender.

MYF AND WSCS OFFICERS INSTALLED FOR YEAR

New officers for the Methodist Youth Fellowship and the Women's Society of Christian Service were installed by Rev. Ray Lee Sunday night, May 22.

Officers for the MYF are Cox Wheeler, president; Barbara Harral, vice-president; Virginia McCammon, secretary-treasurer; Bobby Wheeler, assistant secretary-treasurer;

Commission chairmen include Virginia McCammon and Barbara Harral, Christian Outreach; Bobby Wheeler, Faith; Linda Harral, Citizenship; Herb Hurn and Mr. Bill Cook, Fellowship; Kearney Sue Scudday, witness; Mrs. R. H. Johnson, Mrs. D. S. Anderson and Bill Cook, sponsors.

WSCS officers installed include: Mrs. Tom Workman, president; Mrs. D. O. McEwen, vice-president; Mrs. D. S. Anderson, secretary-treasurer; and Mrs. E. C. Higday, promotion.

Other secretaries include Mrs. Albert McKay, spiritual life; Mrs. Dunn Lowery, missionary education; Mrs. A. B. McGill, Christian social relations; Mrs. Hamp Carter, supplies; Mrs. R. O. White, literature and publications;

Mrs. Walton Harral, status of women; Mrs. Ray Lee, children; Mrs. Herbert Hurn, youth; Mrs. J. L. Clark, student.

Circle chairmen named are Mrs. R. H. Johnson, Linda Circle; Mrs. J. L. Clark, Bible Study Circle.

RODEOS MUST HAVE HORSES—so these six Rankin cowpokes get next to one of the animals as the opening date for the 3rd Annual All Kid Rodeo draws near. Set for June 17 and 18, the show will feature youngsters from all over West Texas and parts of New Mexico. Pictured are Wayne Kenner, Archie Higgins, Mike Collins, Frank Boyd, Jerry Fleetwood and Bud Poage. That's the horse in the middle.

Billy Strait Takes Part In Marine Corps Maneuver

Participating in a special joint air-ground operation at Kaneohe Bay with the 4th Marine Regiment's 3rd Battalion is Pfc. Billy L. Strait, son of Mr. and Mrs. Harold Strait of Rankin, Texas.

The operation, conducted by the 1st Provisional Marine Air-Ground Task Force, is aimed at making every man of the reinforced 4th Marine Regiment familiar with the steps that go into accomplishing an airlift into a combat zone.

Marine Air Croup 13, using a squadron of four engined transport planes from Air Group 25, is indoctrinating the troops in an actual airlift operation in the Hawaiian Islands.

Upon completion of the operation May 28, each of the more than 6,000 men in the regiment will know what is expected of him and his unit in such a move.

Comparatively speaking, the most inexpensive items one ever buys for his home is his furniture.

Most Modern Trucks Your Money Can Buy!

Only new Chevrolet Task-Force trucks bring you all these truly modern features! If you don't get these up-to-the-minute advantages, you're getting an old-fashioned truck—and stand to take a licking at trade-in time!

Fresher air in all kinds of weather. New High-Level ventilation takes in air through louvers at cowl level.

New Overdrive. Optional at extra cost on 1/2-ton models; Hydra-Matic optional on 1/2-, 3/4- and 1-ton models.

New concealed safety step. A safety feature—steps stay clear of ice and mud. Out of sight with doors closed.

Tubeless tires standard on 1/2-ton models. Greater blowout protection — they deflate more slowly if punctured.

Power Brakes standard on 2-ton models. An extra-cost option on all others. Reduce driver effort; add to safety.

Power Steering. Driving's so much easier with turning effort reduced as much as 50%. Available as an extra-cost option.

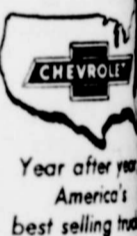

Styling that works for you. In two design treatments —styling that catches the eye, calls attention to your business.

The latest in cab comfort and safety. More durable construction; softer seat action; many new conveniences.

New panoramic windshield. For a broader, safer view of the road. And there's more glass area all around.

New suspension, front and rear. For a smoother ride. Frames are more durable with full parallel side members.

King-size 12-volt electrical system. Count on quicker starts even in cold weather, and still have a husky reserve of power.

Come in and see the most modern trucks for any job ...

**ACT WSCS MEET
RANKIN THURS.**

Meeting of the
Society of Christian Ser-
vants in Rankin Thursday
at First Church for an of-
ficial day.
Mrs. A. B. McGill welcomed the
visitors from Big Lake, Texon, Mc-

Camey and Iraan, following which
she gave the devotional. Mrs. J. L.
Alderdice was organist for the day.

Mrs. A. B. McGill introduced Mrs.
Tom Workman, incoming president
of the local W.S.C.S., and general
chairman of the Thursday meeting.

Committees assisting were:
Luncheon: Mrs. Hamp Carter,
Mrs. Albert McKay and Mrs. J. L.
Alderdice; decorations: Mrs. G. B.
Phenix and Mrs. W. L. Goodwin;

procuring teachers for the various
groups: Mrs. Workman, Mrs. R. O.
White and Mrs. R. H. Johnson;
registrars, Mrs. D. O. McEwen.

Thirty-five women attended the
day's meeting.

Girls are like violinists in that
they like to get the beau on a
string.

No man can pull the wool over
a woman's eyes without using a
mighty good yarn.

Short Snorts

Venue in the future income tax
trial of George B. Parr, political
boss of the Duval County area, has
been transferred to Austin.

Sen. William H. Moore of Bryan
has pending in the Senate a resolu-
tion to investigate Southwest Con-
ference athletic recruiting, follow-
ing accusations against A&M Col-
lege.

A Senate committee struck from
the House-passed "unfair sales"
bill authority for a trade associa-
tion to sue a merchant for selling
goods below cost. Sponsors said
they wanted that proviso because
an individual merchant might hesi-
tate to sue—and give housewives
the idea he was trying to keep them
from buying as cheaply as possible.

Cuts in allowable oil production,
made by the Railroad Commission,
whittled the Senate's prospective
revenue from oil. June allowable
was cut 64,820 barrels daily, and
July 67,219.

The Senate joined the House in
passing Rep. Dolph Briscoe's strin-
gent bill regulating veterans' land
sales and outlawing block deals.
Briscoe's constitutional amendment
replaces the Governor and Attor-
ney General as Veterans Land
Board members. Two appointive
members would serve with the land
commissioner.

GAL NOTICE

Public Auction

situated within the
Rankin, Texas, to be
public auction for
oil and gas develop-
ment by the Commis-
sioners' Court of Upton County,

to the provisions of Ar-
revised Civil Statutes
of the Commissioners' Court
of Upton County, Texas, hereby
for oil and gas de-
velopment, subject to the
provisions of any and all bids, at
Rankin, Texas, at
Court House of Upton
County, on the 16th day of
May, 1955, at 2:00 o'clock P.M.,
the rights in and under
the described tracts of
land to the County of
Upton, Texas, to-wit:

through 26, both
Block 47; Lots 2,
of Block 52; Lots
Block 55; and Lots
12, both inclu-
ed in Block 56; all located in
Rankin Townsite,
Rankin, Upton

County, Texas, according to the
plat thereof recorded in Vol.
10, p. 479, of the Deed Records
of Upton County, Texas.

All of Block No. 124 of the East
Rankin Addition to the City of
Rankin, Upton County, Texas,
according to the plat thereof
recorded in Vol. 18, p. 77, of the
Deed Records of Upton County,
Texas.

The lease shall be paid up and
the term shall be for four (4)
years from the date of the lease,
called "primary term", and as long
thereafter as oil or gas is produced
from the land under said lease. All
of the land described above shall be
bid on as a whole and shall be in-
cluded in one lease.

The lease shall provide that the
royalties to be paid by Lessee are:

(a) On oil, one-sixth (1-6) of
that produced and saved from
said land, the same to be deliv-
ered at the wells or to the credit
of Lessor into the pipe line to
which the wells may be connec-
ted. Lessee may from time to
time purchase any royalty oil
in its possession, paying the
market price therefor prevail-
ing for the field where produc-
ed on the date of purchase; and

(b) On gas, including casing-
head gas or other gaseous sub-
stance produced from said land
and sold or used off the pre-
mises or in the manufacture of
gasoline or other product there-
from, the market value at the
well of one-sixth (1-6) of the
gas so sold or used; provided
that on gas sold at the wells
the royalty shall be one-sixth
(1-6) of the amount realized
from such sale. Where gas
from a gas well is not sold or
used, Lessee may pay as roy-
alty \$100.00 per well per year
and if such payment is being made
it will be considered that gas
is being produced within the
meaning of Paragraph No. 2
of said lease.

Lessee shall have free use of
oil, gas and water from said
land, except water from Lessor's
wells, for oil operations under
said lease, and the royalty on
oil and gas shall be computed
after deducting any so used.
Lessor shall have the privilege
at its risk and expense of using
gas from any gas well on said
land for stoves and inside
lights in the principal dwell-
ing thereon out of any sur-

plus gas not needed for opera-
tions under said lease.

The royalty shall be as provided
in said lease and as above set out,
no more and no less. Competitive
bidding on the lease on said land
shall be confined to the cash bonus
offered over and above the roy-
alties provided in said lease. All
prospective bidders are referred to
the Order of the Commissioners'
Court of Upton County, Texas,
authorizing this Notice for the
exact and detailed terms and pro-
visions of the oil and gas lease
which the Commissioners' Court
of Upton County, Texas, will make,
a copy of the lease which said
Commissioners' Court purposes to
make being included in said Order.
The Commissioners' Court re-
serves the right to reject any and
all bids.

In order to afford protection to
all interests involved against ir-
responsible bidders, the Commis-
sioners' Court may on its own ini-
tiative or upon the request of any
other bidder require any bidder to
submit satisfactory evidence of good
faith that he has the cash on hand
or at his command to comply with
his bid and to furnish whenever
called upon by the Commissioners'

Court during the progress of the
sale authenticated statement of
some solvent member of the Federal
Reserve System to the effect that
the bidder has the means to pur-
chase the lease. All bidders should
come to the sale prepared to make
such showing promptly when called
upon. The Commissioners' Court
will refuse to entertain any bid
from any person who does not
make a showing satisfactory to it
in this respect. The successful bid-
der must announce at the time of
the sale the name of the party to
whom the lease is to be executed.

This notice is issued pursuant to
the Order of the Commissioners'
Court of Upton County, Texas,
made on the 23rd day of May, 1955,
which embodies a copy of the lease
that will be made.

ISSUED this 23rd day of May,
1955.

AUSTIN. — It's amazing how quickly pennies can grow into millions of dollars.

But, it is with pennies that Texas is solving its financial problem.

Big discussion of the week has been the proposed two cent increase in gasoline taxes. Right behind that big topic has been the 1c increase in cigarette taxes and the hike to 1c per bottle (\$1.30 per barrel) in beer taxes.

With these topics before them, the Legislators came back almost to where they started—namely Gov. Allan Shivers' original tax recommendations. Tossed out by the Senators, after many hearings on numerous phases of taxation, were virtually all other tax proposals.

When the tax bill bogged down in

the Senate, Governor Shivers threw in a surprise strategy move.

By message, he told the House and Senate—now working without pay—that if they wanted to end this session, he would call them back in a special session when they could be paid \$25 a day.

Lt. Gov. Ben Ramsey and Speaker Jim Lindsey at once responded that the session could complete the tax chore, unblock the billion and a half dollar appropriation bill, and finish its job.

Filibuster Record Busted

For the third time during the 1955 Legislative session, a new talkathon mark was established by a member of the usually sedate Senate.

This time the speaker was Sen. Kilmer Corbin of Lubbock who took 28 hours, 25 minutes against a state water project financing plan.

Previous holder of the record was Sen. Wayne Wagonseller of Bowie. Before that it was Sen. Jimmie Phillips of Angleton.

Corbin was opposing a committee report on Sen. Dorsey Hardeman's proposed constitutional amendment to the \$100,000,000 water program. He was objecting to the three-cent ad valorem levy.

Governor Shivers had advocated the plan as a key part of his water conservation legislation. The proposal would set up a six-man board, to be appointed by the Governor.

Corbin also contended that the board should be elected, rather than appointed. In objecting to the method of taxation, Corbin said that it would cause dry land farmers to bear the burden of water projects in other districts.

Like the other "billibusters," it was fruitless.

Rain Steals the Show

General rains throughout the state stole the spotlight from the Legislators the past week. I was NEWS — BIG news. Even where there were floods, there were smiles of gratitude for the moisture.

As for the capital city, weathermen here report that Austin already has received more rain this year than it did throughout 1954.

Recent almost statewide rains have changed Texas' crop outlook from "dismal failure" to "fairly good" according to Agricultural Commissioner John C. White. Rain came too late to help the wheat and oats, says White, but benefits to pasturelands were rated "excellent." He pointed out the need for a normal amount of moisture the rest of the year.

Probe in Senate

Lack of information prompted them to approve veterans land deals as a matter of routine. So said two state officials testifying in the Senate phase of the Land Office investigations.

State Comptroller Robert S. Calvert and State Auditor C. H. Cav-

ness were the witnesses.

Canvass showed a form used by Giles to request funds for loans. Bearing the seal of the land board, the form carried no signature other than Giles'.

"Nothing came to us to cause us to have any suspicions," Canvass said, adding that he had assumed the deals had been approved by a majority of the three-member board.

Governor Shivers and Atty. Gen. John Ben Shepperd recently have made affidavits to the effect that they were absent from board meetings on certain dates when the minutes cited that they were present.

The Rankin (Tex.) Thursday, May 24

From San Antonio demanding the maximum attorney's office and a prison term for Giles. A \$30,000 bribe. Also Wynon and Arthur McAntonio, charged with a bribe, would "turn state against Giles."

Just because a good line is no sign on the ball.

I prefer the paved
few rigs.

The Golden Circle Sunday School
Class sponsored a nursery shower
for the new church nursery Thurs-
day evening at 7:30 p.m. at the
Humble Recreation Hall.

Midkiff H. D. Club met twice
this week. Once to turn in funds
raised for club expenses, then on
Thursday at 2:00 p.m. at the Hum-
ble Recreation Hall for a business
session and a program on "How to
be a Good Guest," by Joan Farley.
Refreshments of cokes and cook-
ies were served to 8 members.

Mrs. I. W. Pitman, teacher for
exceptional children, reports a vast
improvement in her pupils and
wishes to express appreciation to
the Rankin school for making this
class possible.

On the sick list this week are
Mr. J. C. Kurtz, Sr., A. C. Benson,
A. T. Stevens, Joe Carroll, and Mrs.

Ara Hubbard.

On vacations are the W. O.
Woodruffs and Judy to Carolina, I.
W. Pitmans and Ronny to Brown-
wood, Mrs. W. L. Case and sons,
Mrs. Wayne Chestnut and children
to Oklamulgee, Oklahoma.

Vacation Bible School begins
June 13 at the Midkiff Baptist
Church.

WMU ladies sponsored a com-
munity supper at the church Tues-
day at 7:30. A good attendance was
reported and a good time was en-
joyed by all.

Families being transferred out of
our community are the W. L. Ma-
sons, Donald Cooleys, Garner We-
vers, J. Shropshire, and G. C. Mit-
chells.

Mr. Dale Garner of Globe, Ari-

zona, visited his parents Monday
and Tuesday of this week. Dale is
a geologist for the Le Gloria Oil
and Gas Co., and his work takes
in quite an extended area. He trav-
els mostly by plane and is likely to
cover several states in one week.

Mrs. W. L. Pate and daughter,
Ann, have returned from a five-
day trip to Austin where they visit-
ed relatives and attended their
family reunion.

1954 TEXAS TRAFFIC SCORE

AUSTIN.—The "other fellow" al-
ways causes traffic accidents. How-
ever, the records show that 1,402
traffic accident victims, 58 percent
of all the people killed in Texas
traffic in 1954, died in accidents
involving only one driver.

Today more than one-fifth of
the fibers used in clothing fabrics
in the United States are man-made.

**CERTIFIED MAIL PLAN
SET IN JUNE**

WASHINGTON. — Inauguration
of certified mail as a regular ser-
vice next month will mean drop-
ping of the present minimum 30c
fee for "no value" registered mail,
the Post Office Department said
Sunday.

This means registry service fees
will start at 40c, covering guaran-
teed indemnity for non-delivery up
to five dollars.

Postmaster General Arthur Sum-
merfield said registered mail ser-
vice will hereafter be registered
to the purposes "originally intend-
ed," that is the safeguarding of
items of value entrusted to the
postal service. The new service
will merely provide proof of deli-
very.

The regular certified service will
be launched in Washington June 6.
The service and the new stamp
will be available at post offices
across the country on June 7.

The certified mail service is
primarily intended for mailed items
having no intrinsic value, but on
which the sender may want to
have proof of delivery. A receipt
showing delivery may be obtained
for an additional charge of 7c.

CARD OF THANKS

We wish to thank everyone for
their prayers and many kindnesses
of cards, letters, flowers, and phone
calls extended to us during the re-
cent serious operation undergone
by Melvin Puckett.

Melvin and Viola Puckett
Mrs. Alpha Puckett

Boogie and Barbara McSpadden
Charles and Barbara Rogers

1954 TEXAS TRAFFIC SCORE

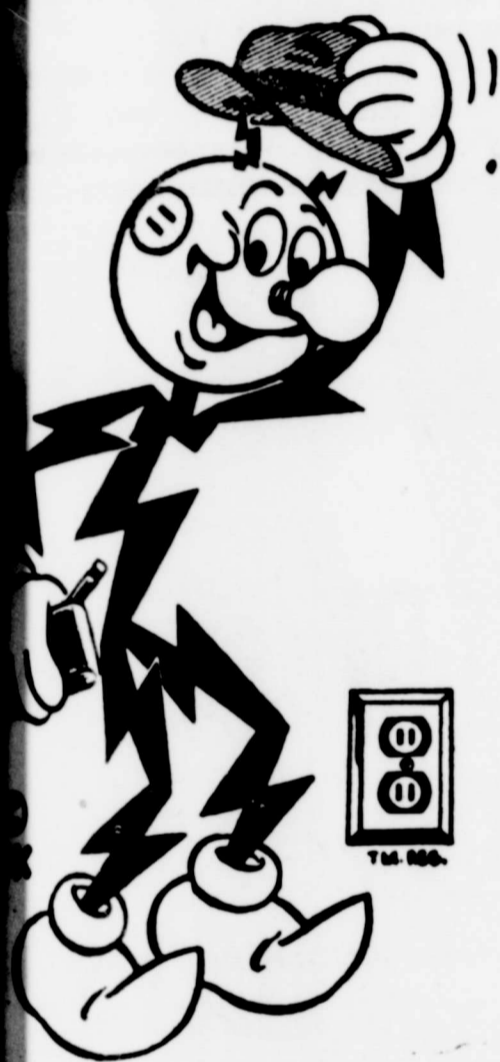

AUSTIN.—The pine box score
of Texas traffic deaths in 1954 was
2,431. This was a 2.7 percent in-
crease over the deaths in 1953 when
2,368 people were killed. (Traffic
facilities in the nation in 1954 de-
creased 5 percent from 38,300 to 36-
360.) During 1954 someone was
killed in a traffic accident every 3
hours and 36 minutes on an aver-
age. Someone was injured every 5
minutes and 7 seconds.

Alkaline solutions and soaps are
not recommended for at-home use
on carpeting because they could
cause a bleeding of colors.

**1954 TRAFFIC DEATHS
TABULATIONS GIVEN**

AUSTIN, May 24.—Col. Homer Garrison, Jr., Director of the Texas Department of Public Safety today released his department's tabulation of motor vehicle traffic accidents for 1954.

In the foreword of a booklet, entitled "The Keys," compiled and prepared by the Statistical Division and the Public Safety Education Section of the DPS, Chief Statistician N. K. Woerner labels the two keys of traffic safety as "Law Observance" and "Motoring Courtesy."

"Many are under the impression," he writes, "that the only key nec-

essary to the operation of a motor vehicle is the ignition key. Nothing could be further from the truth. Anyone can turn on the ignition and press the starter button—a purely mechanical operation.

"The 'Law Observance' and the 'Motoring Courtesy' keys are essential to the efficient operation of your car requiring the exercise of judgement and decision."

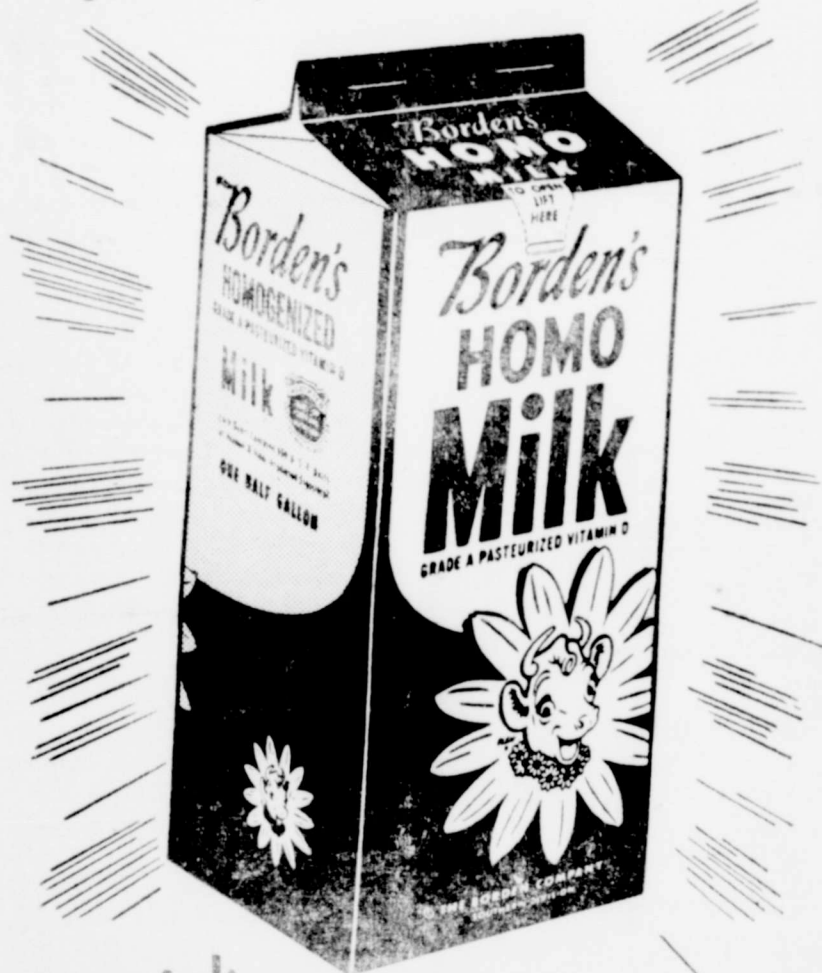

The booklet presents, in chart and graph, "the statistical facts on some of our friends and neighbors who carried only the ignition key on their ring during 1954.

Among the Texas traffic data in-

GIRL SCOUT ASSN. ELECTS OFFICERS AT TUES. MEET

The Rankin Girl Scout Association met in a regular meeting last Tuesday, May 17th. During the business session, the following officers were elected:

Tommy Workman, president; vice president, R. C. Yarbrough; secretary, Mrs. Alvin Bushong; treasurer, John D. Hurst.

Mrs. W. A. Hudson announced that Troop III had given the punch bowl as a gift to the Little House. Mrs. J. R. McSpadden, former leader of this troop, also donated 11 punch cups. The punch bowl, cups and plates are for rent at the Park

YOUTH CHOIR INSTALLS OFFICERS, RENDERS ANNUAL SPRING CONCERT

Following the installation of officers at the Methodist Church last Sunday, the Youth Choir rendered its second annual spring concert of sacred hymns, anthems and solos.

Mrs. J. L. Alderdice, director, was at the organ. Miss Mary Anderson was soloist. Others in the choir were Barbara and Linda Harral,

Building for a sum of \$1.50. If only the bowl is needed, the charge is 75c. Mrs. D. O. McEwen has charge of the renting.

Genevieve Poage, Ruth McGill, Kearney Sue Scudday, Virginia McCammon, Nolan Adams, Herb Hurn Cox and Bob Wheeler.

This choir, the only organized singing group in the church, presented an excellent program and held an attentive audience.

Moisture in the air is a tonic for wool carpeting while excessive dryness can dull its looks.

The warmth of a blanket depends upon the ability of the nap to hold still air between its fibers.

NANCY GARY
former student

Nancy Gary, a former student in Rankin schools, and daughter of Johnnie Ruth Gary of Rankin, was among the honor graduates at Tivy High School in Kerrville this week.

Graduation exercises for the Hill County school were set for May 27.

Among the honors received by Nancy were FFA Sweetheart for Tivy and Hill County District, and "most versatile high school girl."

FRIDAY BRIDAL SHOWER HONORS MRS. J. CONNER

Mrs. J. L. Conner, the former Sylvia Ferguson, was honored with a bridal shower Friday afternoon, May 20, in the home of Mrs. A. A. Morgan.

Hostesses for the evening were Mesdames Lois Weist, Gloria Yarbrough, Jo Ann Woodard and Miss Neva Zoe McSpadden. Others attending were Mesdames L. G. Arledge, Grace Harris, J. W. Kennedy, Lucille Mauldin, Rosco Snell, Janelle Moore, Louella Seals, George Ferguson, Annie Doucette and Misses Sandra and Glenda Kennedy, Diane Deane and Neida Garner.

Out of town guests were Mesdames Mae Ferguson, Ruthie Blackwell and Lois Weist.

Those unable to attend sent gifts. Floral arrangements were of carnations, sweet peas and larkspur. Refreshments were served to the guests by the hostesses with many nice gifts being received by the honoree.

CAR CHECK KEY TO SAFE DRIVING

"Today's inspection is tomorrow's protection."

In these words, Mr. E. C. McFadden of Dallas, vice-president, Employers' Casualty company and president of Texas Safety Association, Inc., summed up the thinking behind the vehicle safety check program which is recommended by the Texas Safety Association, Department of Public Safety and National Safety Council.

"The purpose of this program is to convince every driver in the community that it is extremely important to have his car safety checked periodically," Mr. McFadden said.

He warned that brakes that don't take hold at a crucial moment, a tire blows out as you're rounding a difficult curve, or windshield wipers that don't function properly in a sudden downpour can cause a serious accident.

"The only way you can be sure your car is in safe operating condition," Mr. McFadden said, "is to have it safety checked at regular intervals."

Such checks, he said, should include the 10 items recommended in the vehicle safety check program. They are: brakes, headlights, rear and stop lights, tires, wheel alignment, exhaust system and muffler, windshield wipers, glass, horn and rear-view mirror.

"The most skilled driver in the world can't drive safely in a unsafe car," Mr. McFadden said. He urged all Texas drivers to take no chances, but to have their cars checked as often as necessary.

SPRING INTO SUMMER— Look Your Loveliest

THIS SPRING AND SUMMER, you'll be truly amazed at your intriguing new figure-beauty in Chansonette Dacron by Maidenform. Superbly fashioned with circular stitched cup, Chansonette Dacron, already one of the country's most popular bra styles, is a definite figure-flatterer which rounds and accentuates simultaneously, thanks to a unique spoked-center design... gently moulds and uplifts the bustline into firm, young curves. A wonderful "shaping" bra under your new Spring-into-Summer fashions which definitely require the more-rounded, newly-uplifted bustline-look... Chansonette Dacron washes like a breeze — feels just as cool. Photographed under white-dotted, pure navy taffeta dress by Ceil Chapman. White feather helmet by Mr. John of Mr. John, Inc. Gloves by Dawnelle.

21ST MIDLAND RODEO OPENS THERE JUNE 1

The 21st Annual World Championship Rodeo June 1-5 will officially get underway with a parade at 3:30 p.m. Wednesday, June 1. More than 40 beautifully decorated

floats are already entered, with more expected.

The first rodeo performance of the 1955 show will follow at 8 p.m. that evening.

More than \$12,000.00 in purses and prizes will attract the out-

standing cowboys of the world.

The popular \$2.00 general admission prices will prevail again this year. (Children \$1.00) and reserve seats \$3.00.

An Appeal for 101 Days of Safe Driving

During the summer months—from Memorial Day through Labor Day—highway traffic fatalities are high. So high that the Governors' Conference has endorsed a nation-wide safe driving program during the 101 days between the two holidays.

Only you, the motorist, can make this campaign a success... If you, and every other highway traveler, will resolve to drive at a safe speed, to follow the recommendations of Safety Associations for safe highway driving, literally hundreds of lives will be saved during this summer's travel. One of them may be your own.

Wherever you drive this summer, PLEASE DRIVE SAFELY

Safety Associations recommend that you follow these simple rules for a safe vacation trip:

- Observe all posted speed limits; don't hurry, ever.
- Regulate the speed of your car to highway and traffic conditions.
- Don't drive too long—stop when you're tired.
- Observe all highway caution warnings—slow down for curves, when descending steep hills, etc.
- Don't drink when driving.
- Follow the golden rule of traffic courtesy: give other motorists the same consideration you'd like for them to give you.

HUMBLE OIL & REFINING COMPANY

HUMBLE

by J. B.

heard of a sure-fire way
the streets paved. Some-
made the suggestion that
take all that big, long,
strip over at McCamey
street sizes and pave all
in Rankin. McCamey

It seems that some of the folks
in that neck of the woods had vi-
sions of huge fleets of aircraft
nestling down to land in that fair
city and got up a nice big county
bond issue to build said airport.
Said bond issue passes, on a county-
wide basis, mind you, and said
airport was built and used for al-
most a whole year. Now it stands
very quietly with only an occasional
lame duck coming in for a landing.
The ticket office has been turned
into a dwelling house, about the
only practical use that has been
made of the whole project and the

tax payers are still paying on the
bonds.

Now all this is not too important
probably except for the fact that
a good number of folks over that
way helped defeat a county-wide
paving issue here not long ago and
it would be our bet that had streets
been paved, they would not be quiet
as idle as the McCamey airport.
Just another suggestion on our
part that what we need is a little
cooperation within the county in
order to get things done that will
really be worthwhile to everyone.

reputation or standing of any firm, individual or corporation will be
gladly corrected upon being called to the attention of the publisher.

CARDS OF THANKS \$1.00
One Year (in advance) \$2.50 6 Months (in advance) \$1.50

A fellow down at the drug store
passed on this bit of advice last
week, quote: "Don't worry because
you 'Can't take it with you' In
one place you wouldn't need it, and
in the other you will be too busy
shoveling coal to use it."

That makes a total of 2,005,470,061
that either don't, won't or can't
work, leaving only 501,525 people
in the entire world to do all the
work.

And according to our figures
there are about 501,525 newspaper
editors in the world so you can
readily see who is doing all the
work.

A little article came across our
desk last week that explains a lot
of things we've been wondering
about.

It is entitled "No Wonder You're
Tired" and although it was not
originally made to apply to news-
paper people, we have had no trou-
ble changing that part of it. Here
'tis:

No doubt there is some finger
wagging and "I told you so's" going
on around town, especially out at
the golf course. After going first
class for over \$7,000 the builders
of the Little League ball park fi-
nally decided to economize and put
up a second-hand picket fence.

There are 2,005,971,586 people
in the world. Of these, 327,522,124
are over 65 years of age and can't
work; 354,297,355 are under 21 and
won't work.

Out on the golf range, it has
long been the contention of most
of the stick and swatt boys that
the ball park was going to cost more
in the long run than a first class
golf course would.

412,942,786 are employed by their
federal Governments. (Do they
work?)

As for having the ball park or
the golf course, we'd say let's have
the ball park—the kids deserve the
best place possible to play—but it
is a shame that such a nice field
had to finally wind up with an out-
field fence that looks somewhat
like a cowpen.

252,800,211 are employed by their
State or City. (Of course they don't
work!)

230,471,002 are in the armed forces
(and everybody knows that's just
a big vacation).

102,625,973 are in hospitals and
aren't able to work.

Summer dresses may not have
as many hooks, but they have
plenty of eyes on them.

112,781,832 are bums and refuse
to work.

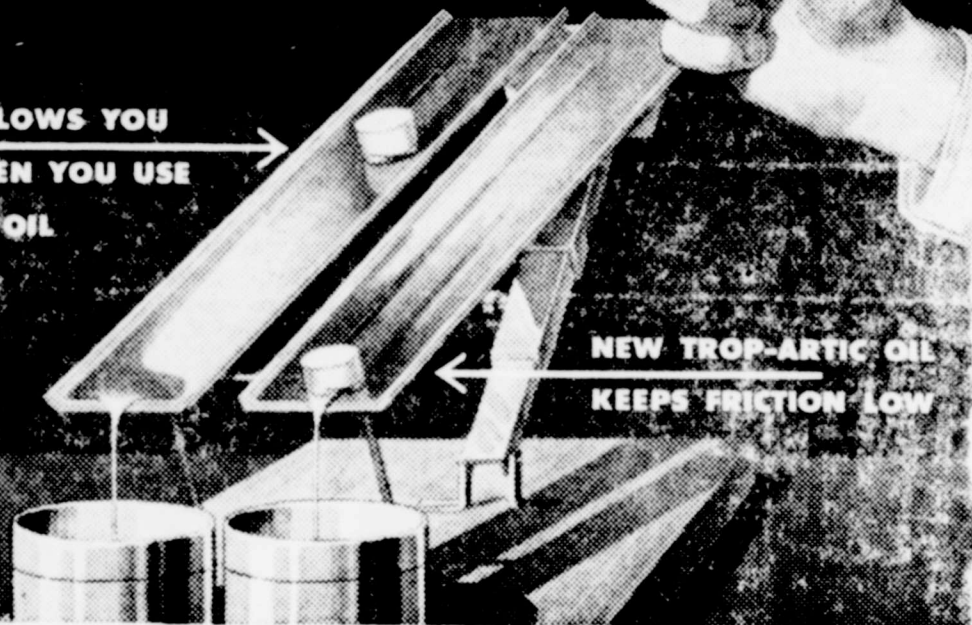

211,998,778 are in jail or behind
the Iron Curtain and can't work.

Less Friction with Trop-Artic Motor Oil!

In the experiment below, the slide on the left is coated with
ordinary motor oil, while the one on the right is coated with
TROP-ARTIC All-Weather Oil. When two steel blocks are
dropped on the two slides at exactly the same time, the one on
the right slips down nearly twice as fast as the one on the left.
The reason is: less friction with TROP-ARTIC oil.

FRICION SLOWS YOU
DOWN WHEN YOU USE
ORDINARY OIL

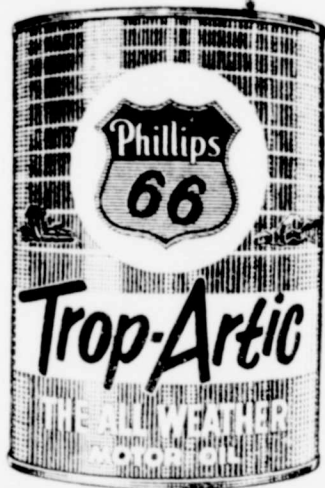

NEW TROP-ARTIC OIL
KEEPS FRICTION LOW

IT'S PERFORMANCE THAT COUNTS!

New Phillips 66 TROP-ARTIC reduces friction far more
effectively than any ordinary oil. By reducing friction, it
extends gasoline mileage. And it can reduce wear, even to
the extent of doubling the life of an engine. It can cut oil
consumption 15% to 45%. It keeps pistons cleaner. New
TROP-ARTIC is the first all-weather type motor oil to
meet the highest standard ever established for automo-
bile motor oils, the Mil-0-2104 Supplement I Test. Get
TROP-ARTIC from your Phillips 66 Dealer.

How to Wash Dishes Quickly and Economically

A new liquid detergent has been designed to take work out of
dishwashing. It requires only a small amount of liquid detergent
for a sinkful of dishes, and so the full 12-oz. can lasts a long time.
The dishes are washed thoroughly, quickly and economically.
Follow these simple directions:

1. Scrape dishes and pile in sink or dishpan.
2. Pour in a little of the new liquid detergent.
3. Turn on the hot water. It suds instantly.
4. In a matter of seconds, the grease is cut and the sticky
dried-on foods soaked off.
5. Rinse thoroughly with hot water.
6. As you let the suds out, rinse the sink—there will
be no dishpan ring or scum.

Note: With can of the new liquid detergent in the bathroom,
all fabrics can be laundered quickly, beautifully and economically.

STILL ANOTHER BOMB MAKES ITS APPEARANCE

LUBBOCK, MAY 24.—Expertness in detecting time bombs is a skill not normally associated with the academic world.

But physicists at Texas Tech are applauding the thesis study of Roger Hall, 28-year-old graduate student from Lubbock, which concerns time bombs.

The explanation is that Hall's time bombs have scientific importance. They can't be seen by the human eye, can't be felt, can't be heard. They exist only in space.

They are nuclear time bombs—known scientifically as "V-Zeros" phenomena that were first observed in 1953 by a team of Polish scientists.

Following a nuclear explosion, the time bomb binds itself to other scattering particles, triggering off a second explosion. Its lifetime is approximately three-billionths of a second.

According to Hall, who will receive his master's degree in physics at commencement exercises later this month, the V-Zero is an excited form of neutron that creates instability in any fragment it joins. Upon exploding, it liberates 175 million electron volts of energy.

The V-Zero, Hall said, is a nuclear rarity, occurring only after explosions at speeds of 125,000 miles per second and upward. In scanning the "track patterns" of some 10,000 nuclear explosions recorded on photographic plates, Hall found only two occurrences of the V-Zero.

BOGGS AND MARSHMAN MANAGE GOLF WINNERS' CIRCLE

Only two Rankin golfers, Boggs and Jack Marshall, the winners' circle in the tournament last week.

Both played in the last flight with Boggs Elmer Madding of Gold flight winner and Marshall to J. K. Peterson of Texas consolation runner-up.

He who feathers his nest honestly should plume his flight.
