TIME CHANGED

Time for the opening kick-off
between the Rankin Red Devils and
the Odessa B has been moved up
to 7:30 at Red Devil Stadium.

This leaves the Devils with a 4-3
won, lost record as they again this
week face one of a number of big,

rough teams that are on their
schedule this year.

Reports received in Rankin in-
dicated that the Odessa B is com-
posed of a heavier than average
group of boys that also possess con-
siderable speed and running abil-
ity along with good passing and re-
ceiving.

Undeafated so far this season,
the Odessa B club has met such
teams as Stanton A. Andrews B,
Pecos B and is said to have beaten
their Sophomore companions a
number of scrimmage games. Ran-
kin defeated the same Sophomores
34-20 here on September 22. This
is also expected to be an added in-
centive for the B team to try and
get revenge on the Red Devils.

Following this game, the Rankin
team will take a week off in prepara-
tion for their district opener in
Van Horn on November 4. Should
they manage to defeat Van Horn,
they will still be faced with the
task of getting past Grandfalls on
the 11 of November in order to
win their district.

JUNIOR HIGH SPANKS

BIG LAKE BY 14-7

For the second time in a row
the Rankin Junior High team under
coach Mike Hughes came off the
field with plenty of feathers from
the Big Lake Owl Junior High. In
a previous game in Big Lake, they
handed the junior club a 9-0 shut-
out.

Both clubs displayed so good
running in their backfields with
Rankin taking a 14-0 lead before
the Reagan County boys could cross
over into pay dirt. Line play was
good for the most part; however,

BEER SELLERS FACE LICENSE LOSS UNLESS PERMITS PAID BY 25th

An order by the State Liquor
Control Board and the City of
Rankin has given beer selling es-
tablishments in Rankin until Tues-
day, October 25, to pay all permits
or face loss of licenses and possible
filing of charges.

An ordinance by the City, back-
ed by the state board, requires a
payment of \$12.50 for beer selling
permits by places such as cafes
and drive-ins and \$5.00 for "off
premises" places such as grocery
stores, etc.

Notices have been mailed to all
places selling beer within the city
and according to the liquor control
board, all who have not paid by
the 25th will have their licenses re-
voked and may also have to face
charges of selling beverages without
licenses.

BOARD OF EQUALIZATION MEETS AT CITY HALL

According to Mayor A. E. Ivy,
the board of equalization for the
City of Rankin will be in session
on Saturday, October 22, to hear
anyone who wishes to appear be-
fore them concerning their taxes
in the city.

Meeting at 9:00 a.m. at the city
hall, this year's board is composed
of Ed Guy Branch, Floyd Everett
and Dwayne Schnaubert. All tax
valuations on property within the
city limits have been set by this
group and those who have had
their valuations changed in any
way from what they were rendered
by the individual or concern has
been notified to appear before the
board on Saturday.

defense. Neither team seemed to
be able to do much with their
passing.

The Juniors were scheduled to
journey to Sanderson Wednesday,
Oct. 19, for a game with their Jun-
ior High.

Annual Spook Show Readied

Plans for the annual Parent-
Teacher Association's Annual Hal-
lowe'en Carnival to be held in the
Junior High School auditorium Fri-
day night, Oct. 28, are progressing
nicely, according to Alvin Bushong,
chairman.

Committee chairmen have been
appointed for the various commit-
tees as follows:

Parade committee, Allen Moore;
concessions committee, Jack Skiles;
coronation committee, Miss Carolyn
Hopkins; finance committee, John
D. Hurst.

The Halowe'en festivities will be-
gin promptly at 5:30 p.m. with a
parade forming at the Junior High
School and proceeding through
downtown Rankin. The following
prizes will be awarded:

- Float, first prize, \$5.00
- Float, second prize, \$3.00
- Individual boy, \$2.00
- Individual girl, \$2.00

Immediately following the parade
the Junior High School building
will open to a variety of Hallowe'en
activities. Sandwiches, hot dogs,
pies, cakes, and drinks of all kinds
will be for sale by the classes, as
well as sideshows of all kinds.

Crowning of the Halowe'en Queen
will be held in the high school aud-
itorium beginning at 8:30 o'clock.

The Queen will be selected from
the high school; Duchesses and a
Princess will be selected from the
Junior High and the elementary
schools. The winner will be based
on the class that turns in the
most money to the P.-T. A., the
same as in previous years.

Duchesses and their escorts are
as follows:

- First Grade (Miss Reed), Toni
Shaffer and D. E. Moore
- First Grade (Mrs. McCammon),
Janice Sue Cockrell and Gerald
Ray Urbanek

annual Scout fund raising cam-
paign set for Tuesday, October 25th
in Rankin.

Captains named include Ray
Boggs, Preston Patton, A. B. Mie-
nelle, Alvin Bushong, Dell Coolede,
Shurley Mason and A. E. Ivy. Act-
ing as heads of the various com-
mittees will be Allen Moore, pros-
pects and ratings; Johnny Hurst,
auditor; Frank Boyd, special gifts;
and L. D. Sipes, arrangements.

Meeting at the Highland Cafe at
6:30 a.m. Tuesday morning, the
group, along with others they have
chosen to assist them, will have an
early breakfast and make final ar-
rangements for the drive.

At the present time scoutmaster
Billy Gray and his charges are en-
gaged in a vigorous program of
scouting and are laying plans for
enlarging their activities in the
future as well as seeking to enlist
more boys in the work. Funds from
this drive will be used, along with
those collected by the other troops
in this area, to enlarge their pro-
gram and to better their leadership.

BLUE OPERATED ON

Dan Blue, former resident of
Rankin who was injured in an oil
field accident some two weeks ago,
is reported to have undergone sur-
gery in the Medical Center Hospi-
tal in Odessa this week.

A skin graft from each leg was
used to try to repair damages to
his left arm and hand which was
severely injured when caught in
the fan of an industrial engine.

He is in room 224 and is expected
to be confined for some two weeks.

Lions To Sell Light Bulbs Monday

Every housewife would be doing
herself and the Rankin Lions Club
a favor by having \$2.00 on hand
next Monday evening. At that time
the Lions will stage their light bulb
sale in which they will offer 10
assorted light bulbs for only \$2.00.
It has been pointed out that these
are first-rate bulbs and that the
price is less than they could ordi-
narily be purchased for.

Beginning at about 5:00 p.m. the
club will divide itself into two
groups and will be in contest to

see which group can sell the most
bulbs. Dr. J. D. Gossett and Henry
Scarborough will each head one of
the groups as captain.

With Upton Street being the di-
viding line, the town is split into
an east and a west zone with Gos-
sett having the west side. Members
of his team will be L. D. Sipes,
Bruce McGill, Ed Stewart, Lynn
McAden, J. B. Pettit, E. B. Blood-
worth, Joe Simpson, Fred Welling,
Jack Marshall, Joe Scrivner, Jack
Skiles, A. E. Ivy, O. R. Adams, Wal-

ton Harral, Rev. Shannon and J.
L. Manery.

On the east side and under Scar-
borough's direction will be Dub Day,
J. B. Hutchens, James Lain, Fred
Prentice, Pete Pollard, Joe Powell,
J. B. Lair, R. L. Bell, Allen Moore,
Jay Lane, Preston Patton, Tommy
Workman, H. G. Adams, Ray
Boggs, Lynn Mathews, Johnny
Hurst and Jimmy James.

This group will meet at the Wool
House and pick up their bulbs for
the Monday evening sale.

Have you ever longed for the thrills, excitement and glamour of being a newspaper reporter? Do you ever imagine yourself dashing after the fire truck and getting a big scoop on the fire at the U.S. mint? Do you desire to interview the president and quote the governor?

If so, please apply at the Rankin News and we'll see what can be done.

Of course, there are a few other minor details other than the reporting end of the business that must be taken care of. The floor has to be swept, the trash burned, the machines oiled, the errand run, the bills paid and the creditors stalled off.

Sometimes you will have three places to be at one time—sometimes there are only two. Now and then you will pull a few boners like the

time we married off Angus Preddy when he wasn't even engaged.

But through it all and in it all you can remember that "Blessed is he that runneth around in circles, for he shall become a wheel."

Three cheers for the Red Devils. It just seems that the odds are against a team when they go against the coach's former charges but the jinks didn't hold true last Friday night at Eldorado.

It's beginning to look like we have something in this year's version of the Rankin Red Devils.

We hear that one of the district judges has been on an inspection tour of the court house. It wasn't learned just what he thought of the building but it would be our guess that he is in agreement that some remodeling would not hurt the

place.

Once again it looks like the Upton County 4-H Club is going to deck the halls with ribbons. We wouldn't know for sure but it would seem that some of the surrounding clubs are getting mighty tired of seeing the Upton boys and girls taking top honors year after year. But we all like it.

Again last week we heard compliments on the fine spirit shown by various groups and organizations in Rankin and Upton County. Our in-laws from Slaton were visiting us last week and happened to catch a bit of the Rankin Red Devil band as they made one of their frequent passes through town. They were very complimentary on the band and said that it was as good a high school group as they had seen.

Guests From 5-State Area to Be Honored At Prison Rodeo Sunday, Oct. 30.

Estimated 15,000 Boy Scouts from Texas, New Mexico, Oklahoma and Arkansas will be honored guests with Sunday performance of the 24th annual Texas Prison Rodeo in Huntsville Oct. 30. The Reverend Edward Bell of St. Clement's Episcopal Church, a regional minister of El Paso, will deliver a short sermon prior to opening of the rodeo. Shown with Reverend Campbell, Cub Scout Preston Hillin, and Boy Scout Edgo, both of El Paso.

GUESTS TO BE HONORED AT PRISON RODEO

Unusual highlights of performance of the 24th Texas Prison Rodeo here Oct. 30, will be the appearance of an estimated 15,000 Boy Scouts, Cub Scouts, and their leaders, guests from a five-state

arrangement was made by Ed. Rockdale, a member of the board and chairman of the committee. He also is on the national executive board of the Boy Scouts of America and Region IX, which embraces New Mexico, Oklahoma, and Arkansas. Rockdale is advising Scout leaders of the rodeo management to have the entire east stand reserved for the \$100-a-dollar prison stand. Scouts, who can enter through Gates 5, 6, and 7, Coffield said will facilitate the group. A highlight of the program is a short prayer service

Neither you nor your bankbook may be ready for Christmas yet, but it is fast approaching. In fact the time is already here to send parcels to members of the Armed Forces overseas.

And to be sure that your packages produce the Merry Christmas you intend for friends and relatives overseas, the postal authorities have come forward with the rules that apply to such mailing.

Time to mail such packages is right now, before Nov. 15, if not sooner. Postal officials explain that packages mailed after Nov. 15 will be delivered, but the chances they

far more costly.

The courts have held that a golfer has a legal obligation to exercise care to prevent injury to others. Before hitting, it is a player's duty to give a "timely warning" to persons he knows are in line or to close to the line, of intended flight of the ball. Therefore, a healthy yell of "fore" is of far more importance than most golfers realize.

The courts have recognized that the average golfer cannot control the direction or destination of his ball. They have therefore held that a golfer assumes the risk that he might be hit by a ball which is sliced or hooked into the fairway of which he is playing. A golfer injured by such a hit could not recover for his injuries.

Courts have also held that if it is impossible to anticipate that a fellow golfer might be injured by a shot, there is no liability. A situation such as this might arise when a ball is hit at right angles to the intended line of flight as would happen if the ball were hit off either the toe or shank of the club.

A person standing at right angles to the person hitting is in a position of relative safety, and it is not possible for the hitter to anticipate his ball will take such a line of flight.

Generally, to avoid the legal hazards of golf for injury to others, study the rules and customs of the U. S. Golfers Association. Above all be courteous on the course. Give the players in front of you a fighting chance to get out of the range of the ball. Wait until other players are completely out of line or have left the green which is your objective, before you hit. If there is anyone in line of your shot always yell "fore" before you hit.

Insurance is available from many companies at a relative low cost to protect you from liability and provide anyone you might injure with the necessary funds to secure a proper medical treatment.

Legal hazards are the costly ones, and common sense and a study of the USGA rules and customs will help you avoid them.

We're Pleased To Announce

That three new advertisers have joined the regular users of The Rankin News and will carry regular advertising each week.

BOGGS GROCERY & MARKET will advertise their week-end specials each week. They feature a very good stock of famous brand items such as Sun Spun, Libby's, Kurer's, Hormel, Peyton, and many others that have come to mean top quality foods. They always have on hand fresh vegetables and meats. They will welcome your patronage.

FIRST STATE BANK is an institution that has operated in Rankin and served customers of this area satisfactorily for many years. Even though they have been in business for a long time, they probably have numerous services, avail-

able to you, that you do not know about. Each week they will point out some of the advantages that can be yours by doing your banking business with them.

LOWERY & WORKMAN INSURANCE AGENCY will be giving you tips each week on how to best place your insurance dollar. Many changes in insurance policies and procedure take place from time to time and they will be keeping you posted on all these that will be of advantage to you.

These merchants and business firms, along with our regular advertisers, make it possible for you to have a hometown newspaper. Your patronage and support to firms such as these will be appreciated by all concerned.

RELIC OF INDIAN WARS

Treasured reminder of yesteryear is the Bastion, Nanaimo, Vancouver Island.

The Bastion was built by employees of the Hudson's Bay Company, whose proud boast was that they would allow themselves to be drawn naked along the huge mortised logs they shaved with their axes and wager that not a splinter would enter their body.

The three-storeyed Bastion's lower compartment served as a jail, the centre area as gunroom housing the six-pound cannonades that hurtled shot towards attacking Indians, whilst the wives and children of the few white settlers were rushed to the sanctuary of the uppermost section.

Now on the threshold of its second century after repeated and unsuccessful early sieges by war-faring Indians, the much photographed old Bastion has become a precious milestone in the history of British Columbia. The British Columbia Government Travel Bureau, Victoria, B.C., has recently issued a new coloured brochure on this Pacific Playground.

MMES. WOLFRUM, LOCKLIN ATTEND TRI-COUNTY MEET

Mmes. G. E. Wolfrum and Dee Locklin of McCamey attended the Tri-County Council of Parents and Teachers in Fort Stockton on Oct. 14. The Council is made up of Pecos, Upton and Crane Counties.

The group met in the First Christian Church for the program. The invocation was given by Robert Hooks, pastor of the First Christian Church in Ft. Stockton. James Huckaby, Superintendent of Ft. Stockton schools, gave the welcome address. After the business meeting, luncheon was served in the school cafeteria. The afternoon session included a musical program, parliamentary pointers by Mrs. W. A. Kay, and announcements. The January meeting will be held in

MAULDIN ADDS WEAR TO BOOT

Louis Mauldin, operator of the post office north of the post office, has added a complete line of men's wear to services offered by that concern.

Featuring a good selection of western shirts, the firm has added popular brands of leather hats, coats, etc. They also have hand made boots and work of all kinds.

Safety factors for offset the danger resulting from increased horsepower. Manufacturers ought to equip cars that won't attain or put wings on them.

Be a good Scout!

The Boy Scouts need your help.

They want you to contribute in the Scout campaign for funds so that every boy, 8 to 18, can join the Scouts and participate fully in their activities.

You'll never invest a better dollar: your contribution to the Scouts today is an investment in tomorrow's better Texas. Give to the Scouts — as generously as you can.

Building tomorrow's better Texas

The Boy Scouts develop boys morally, mentally, and physically. Scouts learn the manly virtues: patriotism, respect for religion, truth, honor, courtesy, helpfulness.

Scouting cultivates the love of freedom, the spirit of enterprise, and the pride of individual accomplishment that America stands for.

Today's Scouts will surely build tomorrow's better Texas.

ANOTHER GULF FIRST!

New Super-Refined Gas-Oil Team

gives you **more miles per gallon . . . more miles per quart**

This lamp is burning the "DIRTY-BURNING TAIL-END" of gasoline which GULF refines out

This lamp is burning NEW SUPER REFINED GULF NO-NOX, the clean-burning super-fuel

Gulf No-Nox burns clean. Here's proof: Note the black deposit on plate at left, caused by the "dirty-burning tail-end" of gasoline—the part which Gulf refines out in making new NO-NOX. But see how clean new NO-NOX leaves the plate at right. Now—in your own car, see how new NO-NOX can give you *more miles per gallon in the kind of short-trip, stop-and-go driving you do most.*

Gulfpride Select works clean. Here's why: Most conventional oils are refined only to the stage shown in A. But New Gulfpride Select is further refined by the Alchlor Process—removing up to 15% more of the carbon-formers, in B . . . C contains the new super-refined oil that gives you *more miles per quart* because it has natural viscosity (body)—contains no artificial thickeners that break down in service.

Together they give you thousands of extra miles of new-car performance . . . new-engine economy

Gulf now brings you not just a gasoline . . . not just an oil . . . but a great new gasoline and a great new motor oil which, working together, boost each other's efficiency.

This new Gas-Oil Team will help your car retain all the horsepower you paid for—

help you enjoy thousands of extra miles of new-car performance.

Now that fall changeover time is here, switch to Gulf's great new Gas-Oil Team to get more miles per gallon—more miles per quart . . . plus complete engine protection.

PONTIAC OFFERS NEW FOUR-DOOR HARDTOP FOR 1956 — Exciting news in Pontiac's beautiful new line of 1956 automobiles is the Star Chief Custom Four-Door Catalina Sedan. The fleet, luxurious model, finished in custom colors with matching leather and nylon fabric interiors, rides on a road-leveling 124 inch wheelbase. Its new, larger 227 h.p. Strato-Streak V-8 engine and the revolutionary new Strato-Flight Hydra-Matic transmission makes the car the smoothest handling, most powerful ever produced by Pontiac. In 1956, Pontiac offers the popular four-door hardtop sedan in all series.

**HALE AND TITSWORTH
IN NEW SHOP BUILDING**

Charley Hale and L. Z. Titsworth opened for business in their recently completed shop this week on the corner of Grand and 8th streets.

With better arranged equipment and office space, Hale, who specializes in automotive repairs, and Titsworth, who handles the welding and radiator repairs for the concern, expect to be able to serve their customers better in their new location.

An underlying reason why many parents fail in their attempts to control their children may be deduced from this statement by a mother: "I spank my little daughter every time I hear her swear, but it looks like in spite of hell I can't do a damn thing with her."

* Being a column devoted entirely to local duffers

As colder weather draws nearer, Rankin duffers seem to be trying harder to play more golf and to shoot better scores. This has resulted in some rather strange situations with some of the golfers shooting good scores and some of the golfers not doing so well.

It has also been reported to have caused several of the members to see snakes and other objects on or near the tee boxes that have forced them to damage their clubs while trying to do away with the critters. After laying par for three holes, studying the next tee shot very carefully, judging the wind, calling "fore," and checking his form, one shooter is reported to have then took his Sunday cut at the ball and clear missed the fool thing. We quote him as follows: "The --*?!!%-%--**\$%!!!" Unquote.

Over on the serious side, work on the club house is still coming along with most golfers just now beginning to realize the size of the task and to get an idea of how nice the club will be when finished.

Electric lines were erected Monday and it should not be too long before the place can be lighted up. **TO GRACE ROACH**

Announcing the Fabulous '56 Pontiac

THE STAR CHIEF 4-DOOR CATALINA

Introducing A BIG AND VITAL
GENERAL MOTORS
"AUTOMOTIVE FIRST"!

A new Strato-Flight Hydra-Matic—coupled with Pontiac's 227-H.P. Strato-Streak V-8—results in performance so new and dramatic it must be experienced to be believed!

 With all that's newest in glamour—and all that's greatest in "go"—the fabulous '56 Pontiac, now on display, awaits your hands on the wheel.

And when you drive it, you will get the biggest thrill in all your motoring experience—because this car is really loaded!

The big and vital General Motors "First", which heads its long list of look-ahead features, couples the two most advanced high-performance developments in the industry:

1. An all-new, big-bore Strato-Streak V-8 engine that puts 227 blazing horsepower at your toe-tip.

2. A completely new Strato-Flight Hydra-Matic* that delivers this terrific "go" with a smooth surge of power at any speed.

You now sweep from take-off to top performance with the ease of a sailplane.

You slow down for traffic, speed up for passing, or gun for a high hill with the changing pressure of your toe on the accelerator the only sign of effort.

You may have had it smooth before—but never like this! It literally must be experienced to be believed.

That's plenty—but there's much more to make this a date to be long remembered.

There's smart, new beauty and luxury for America's most distinctive car. There's the safety of big brakes and road-hugging length . . . the security of a smooth new ride and sure-footed cornering.

There are many, many other things which mark this beauty as the glamorous pattern for tomorrow's cars. But come in and see for yourself. Take a long look at the six luxurious new Four-door and Two-door Catalina hardtops. Sample the results of its fabulous General Motors "First".

Sure as you enjoy thrilling action, here's your next car!

*Optional at extra cost.

Tex. — Texas public
will get state aid this year
integrated or segregated.

Right of both to state aid was upheld last week by the Texas Supreme Court. It says the U. S. Supreme Court decision overturns Texas' school segregation laws but does not force immediate integration.

Apparently the court action removed need for a special session of the legislature.

Litigation originated in Big Spring. Suit was brought by the Texas Citizens Council in district court to prevent payment of state funds to mixed schools. High court judges, in effect, upheld District Judge Charlie N. Sullivan's ruling that portions of state law requiring segregation are unconstitutional.

Gov. Allan Shivers was quick to point out that neither the state nor U. S. courts set a deadline for desegregation, but both leave it to

local school authorities. Atty. Gen. John Ben Sheppard, who had sided with the Citizens Council, merely said the decision "settles the law in Texas on a statewide basis." He added that timing will be a "district-by-district matter."

Texas Farm Income Down
Texas farm income for the first eight months of the year dropped six per cent below 1954.

Decreases in prices of 10 of the 19 major farm commodities account for the slump, said the University of Texas Bureau of Business Research.

Drilling Methods on Display

Thousands of persons are learning how an oil well is drilled at this spectacular exhibit along the lake front in downtown Chicago. It is a National Supply rig, for 10,000 to 16,000-foot drilling, that is demonstrated in action many times daily by an oil field crew. Visitors get a close-up of the operations from an observation platform, reached by an escalator, that surrounds the derrick platform.

The big rig, which includes a 140-foot derrick, is demonstrated with a diesel-electric power plant introduced by the Electro-Motive Division of General Motors. It is one of the outstanding exhibits at the General Motors Powerama, a gigantic free show that continues until and including September 25.

A National Supply trailer-mounted rig, for 2,000 to 4,000-foot drilling, is being demonstrated by the Detroit Diesel Division of General Motors. The 97-foot mast of this rig can be seen in the background of the picture.
