Red Devils Reign As District Champs

One Week Off Awaiting Outcome Of District 6-B

The Red Devils are the District 5-B. That was all but a victory over the Cow-

was never seriously threatened. While their defense was literally "chewing up" the Cowboys, the Devils' offense was wheeling into high style and ripping off touch-down on almost every play in the first period. However, the penalty bug continued to bite the Devils as it has in games past and three of their first four scores were called back due to infractions of the rules.

DEVELOP PASSING

Biggest surprise on offense to the fans and probably to the Cowboys was the Red Devils sudden development of an effective passing attack; something in which they have been considered weak all season. With Welling doing most of the tossing, Chandler, Hodges and Ingram were pulling in some very well executed passes and chalking up good gains. Tommy Hudson continued to work his keeper play effectively which also punished the Cowboys for many yards.

However, it was probably the Red Devil forward wall that took the heart out of the visitors and on several occasions had them looking for 15-20 yards on 4th (Continued To Back Page)

COURT GETS RESIGNATION OF COUNTY SURVEYOR

Upton County Commissioners' Court this week accepted the resignation of W. W. Grief as county surveyor.

In his letter of resignation Mr. Grief told the court: "I hereby tender my resignation as county surveyor of Upton County.

"It is with a great deal of regret that I make this decision, but I feel that it is the only thing that I can do under the circumstances. As you know, I have another business office in Snyder and must, therefore, spend quite a bit of my time there. I have moved my family to Snyder and have now established my legal residence in Scurry County."

At the present time the court has not appointed anyone to fill the position which does not pay any salary.

BAKE SALE

Rebekah Lodge will stage a bake sale Wednesday, November 23, at the post office.

Members are reminded that they should bring either a pie or cake and have it at the post office not later than 10. Time for the sale will be from 10-12 a.m.

COPS AND ROBBERS ACTIVITY PICKS UP

Some fleet footed robber in these parts either doesn't like service stations or is under the misapprehension that they make lots of money. Evidently he found out that he was wrong about the money angle for he also took on a few other miscellaneous business houses while he was in a robbing mood last Friday night.

Beginning in McCamey and working toward San Angelo, thieves entered a total of 6 service stations, one beer joint and attempted to enter at least one other business house. In McCamey they broke into a service station. Then they moved their activities to Rankin where they clipped the drive-in out at the Iraan turn off, broke into Green's Gulf Service Station and attempted to enter Johnsons but were unable to loosen a duct on the roof.

It is estimated that they got around \$30 in cash in Rankin and a few miscellaneous items.

Continuing along Highway 67, they broke into service stations in Big Lake and Barnhart. Again on Saturday night a theft of tires was reported from the Benedum field area.

Law enforcement agencies all along the route are investigating the series of thefts.

Mrs. Ray Boggs is on the sick list this week and confined to her home.

Methodist Plan Special Thanksgiving Services

A special Thanksgiving Service will be held at the Methodist Church Tuesday, Nov. 22, beginning

at 6:00 p.m., according to Rev. Lynn McAden, pastor.

"We extend an invitation to all the churches of the community and everyone in general to come and be with us for this service," the pastor has said. A Thanksgiving supper will be served from 6:00 until 7:30.

Those who cannot be on hand at 6 may come as late as 7 and have sufficient time to eat their supper, according to the minister.

"Bring a basket filled with good foods and bring the entire family and any friends you may wish to invite, and spread your table cloth with those from the other churches in the community and enjoy a good meal together. This is for everyone, those who belong to the churches in Rankin or those who have no church affiliation whatever, but who want to join in this occasion," McAden stated.

A worship service will follow the supper. It will consist of special music, congregational singing, Scripture reading and a Thanksgiving message.

In concluding the invitation, the pastor has said that "this is one season of the year every one can join in an expression of real gratitude to a loving God whose care is about us all every moment of the day. The members of the school faculty and their families are invited as guests to the supper.

URANIUM SITTING HOUSE OPENED IN RANKIN

With the announcement this week by O. C. Scarborough that he has opened a Uranium Sitting House, Rankin has now caught up with numerous other towns in Texas that have reported everything from mild to unbelievable turnouts for this sort of treatment.

Although the operators of Uranium houses have it thoroughly understood that they make no claims as to the healing powers of the dirt, numerous persons who have taken the treatments claim that their health is improved.

Scarborough has said that this is the original Comanche County dirt and that this sitting house will be operated along the same lines as those in other parts of the country.

Located at his home on South Haft just west of Crandell Pipe Yard, the business will be open at all hours with a charge of \$1 per hour.

Texas Tech students who were here attending the homecoming game and visiting their respective parents over the week-end were Bobby Ash, Gentry Holmes, Jimmy Yocham, and Amaryallis Harral.

Congratulations to Coach Kirby and his Rankin Red Devils.

There's little more to say about the game that has not already been said by all concerned. They "ate 'em up."

Since the game, we have heard a lot of people say that never before had they seen such spirit as was displayed by the student body, the ball club and the fans.

Rankinites can well be proud of the Red Devils and of themselves for the fine support given the team.

Whether the Devils get any further or not, they have demonstrated that they are a fine club, one that wants to win and one that will give

their best when it really counts.

Now would be a good time not to get over-confident.

Just to get the record straight, the new barber down at Cunny's Barber Shop is Dub James. Somewhere back down the line we got his name a little mixed up and called him Jones. Since that time, he says everyone has called him Jones.

It's not that James is unhappy about being called Jones—he says it even has its advantages, especially when a bill collector comes around—it's just the fact that he figures there's enough Joneses in town already. He's a pretty nice chap and I think we can make a good Rankinite out of him.

Our good buddy and neighbor out in the back of the News office, one John A. Menefee, is well known in these parts as a very thorough lawyer. He has what is known as a legal mind and is always thinking in terms that only lawyers understand.

John is a free-hearted fellow as well as a very legal lawyer and in giving away an orange last week had the following to say:

"I hereby give, grant, and convey to you all my interest, right, title, and advantage of and in said orange, together with its rind, skin, juice, and pits; and all rights and advantages therein, with full power to bite, suck, or otherwise eat the same, or give away with or without the rind, skin, juice, pulp, or pits; anything hereinbefore or in any other deed or deeds, instrument of any nature or kind whatsoever to the contrary notwithstanding."

It's doubtful that anyone had more fun out of the football game than did the Lions Club cheering section. They say it's good to let your hair down once in a while and even though some of those

Lions didn't have much hair to let down, they certainly whooped it up.

It is said that everyone has a second calling and if that is the case, Lion Cheerleader Jack Marshall should have been in the pep squad these many long years. Although far from as pleasing to look at as the regular cheerleaders for the pep squad, he did manage to get a lot of yelling out of the Lions.

NEWEST BILLY GRAHAM FILM TO BE SHOWN IN CRANE

"Souls In Conflict," the fourth motion picture released by Evangelist Billy Graham, this one filmed against the backdrop of his highly successful London Crusade, will be shown in Crane on Nov. 19 at 7:30 in the high school. All seats are free.

"Souls In Conflict" is a trilogy, a full-length production in color which documents the life stories of an actress, a jet pilot, and a factory worker, as they are influenced by Graham's spiritual messages —

Barbara Harral Crowned As Football Sweetheart For '55

In a very impressive ceremony during halftime activities last Friday night at the homecoming game between Rankin and Grandfalls, Miss Barbara Harral was crowned Football Sweetheart for 1955. Miss Harral, the daughter of Mr. and Mrs. Walton Harral, is a senior and has attended Rankin Public Schools all of her twelve years.

Taking part in the coronation were the Rankin Red Devil Band and the entire football team. Tri-captains Tommy Hudson, Glen Welling and Gene McCain took part in the crowning activities and the presentation of the team's gift of red roses to the queen.

BANQUET WELL ATTENDED

In other homecoming activities, 216 guests ate bar-b-que at the elementary school cafeteria last Friday afternoon. Some 56 ex-students registered, however, it is believed that there were more than this number on hand.

Following the bar-b-que, the pre-game parade formed at the band hall and marched through town and out to the football field. Led by the fire truck carrying the cheerleaders, it also included the Lions Club cheering section with cheerleader Jack Marshall performing, the Red Devil band supplying plenty of good music, numerous floats, etc.

All about the parade route spectators lined the sidewalks and followed the procession to the field. Described as one of the most enthusiastic football crowds ever to gather in Rankin, the entire town

4-H CLUB SHOOT GIVES 36 TURKEYS TO GUNNERS

Straight shooters were on hand in bunches for the annual 4-H Club Turkey Shoot last week-end and walked off with a total of 36 big birds that will decorate dining tables Thanksgiving.

Stiff competition on the skeet shoot brought out the fact that Rankin has a number of good gun-

ners, both men and women. Walton Harral defeated one shooter who was said to have won fourth place in a recent national contest. Peggy Owens-Predy not only was top competitor for the women but also gave some of the men a bad time.

Other skeeters were Bruce McGill, Al Owens, J. B. Pettit and numerous others. On the pistol range, Tommy Workman showed his usual skill and was believed to have been the best shooter.

Jack Skiles, Dub Day, Harold Pettit and a number of others made competition on the .22 rifle range tough. In the shotgun shoot, it was the usual matter of luck rather

apparently was on hand and in a way most of the Red Devils rolled over the Cowboys 23-0 and into the district championship.

than skill that won the turkeys.

As proof that not just the men can do some shooting, the Boyd brothers won five turkeys between them. Several other youngsters showed up the "old folks" at various times.

Dub Day has reported that the shoot was a financial success and that the funds will greatly aid the club work this year. He has also extended his thanks, on behalf of the club, to all who helped stage the event and to all who took part in the shooting.

Miss Esther Clark, student at the University of Texas in Austin, was visiting her parents, Mr. and Mrs. Linton Clark, here over the week-end.

Week-end guests of Mr. and Mrs. Darby Anderson were Mr. and Mrs. Paul Johnson of Lubbock and Mr. and Mrs. Bob Johnson of San Angelo.

Theo Blue, who has recently been discharged from the Army, is now visiting his parents, Mr. and Mrs. T. H. Blue in Crane. He will go to Kerrville within a few days where he will take up teaching duties at Schriener Institute.

Wayne Howell returned this week with two fine bucks which he bagged while hunting in New Mexico. He also reported a very large bear killed by one member of the party.

From where I sit... by Joe Marsh

Seen Monk's "Better Half"?

Monk McCarthy's latest creation has the town talking again. You can see it parked in front of Monk's auto repair shop on Maple.

Remember last year Monk cut two cars in half, and put their front ends together? You couldn't tell if the thing was coming or going. Sure attracted attention.

Now Monk's taken Tog Morgan's old sedan and completely restored one half of it. One side is as good as new, the other looks like—well, Tog's old car. "Sort of a before-and-after demonstra-

tion," Monk told me, "shows folks the kind of work I do."

From where I sit, some of Monk's ideas may look a little wild sometimes... but I wouldn't want to tell him how to run his business any more than I'd like him to tell me what beverage to enjoy. He always keeps a hot pot of tea in his garage—I'd rather have a cold glass of beer—but respect for each other's opinion is "auto"-matic with us both.

MAKE CUT FLOWERS

LAST LONGER

You can make your cut flowers last longer by being sure that the container is clean. If unwashed flower containers are stored, the bacteria present become dormant when the container dries. When water is again added, they become active, multiply and clog the water, conducting tubes of the flower stems.

The remedy? Be sure to scrub containers carefully with brush, soap, and water after using.

is a good time to transplant day-lilies. Because daylilies are easy to grow in many soils and have few enemies, they have been called the busy woman's favorite flower.

The daylily grows best in good garden soil. It is not much affected by cold and if killed to the ground will come out again. They bloom from spring to fall, depending on variety. Among the early blooming are Apricot, Gold Dust, Sovereign and Semper florens. Late spring blooms come from Ophir, Cinnabar and Queen of May. Mid-summer blooming ones are Margaret Perry and Mikado. Late summer varieties are August Pioneer, Hankow and Buttonniere.

When the winter evenings lengthen
And the cold begins to strengthen
Then you start to pile the bedclothes on at night.
As their numbers grow excessive
Then the weight becomes oppressive
And you toss and turn until the morning light,
What you need, friend, I'm emphatic
is a **BLANKET AUTOMATIC**

You'll stay warm and snug and cozy
Life will be a lot more rosy

down. Led by Stephenson and Lewis the line was just as effective on offense as defense and opened holes throughout the game for the backfield.

OPPONENT UNDETERMINED

Just who Rankin will face in bi-district will not be determined until Friday night when Robert Lee and Bronte get together in a game that could throw their district into a three way tie. Should Bronte beat Robert Lee, it will put those two teams plus Hermleigh in a tie for first place.

Should Robert Lee win, they would be the undisputed champions. At the present time, they are undefeated in district play; however, it is said that the Robert Lee-Bronte game will be a grudge affair and is about a toss up as to who may win.

Of the three possible winners in the district, only Robert Lee has played a team which Rankin has also met. Eldorado beat Robert Lee 27-0 early in the season while the Red Devils dropped Eldorado by a 27-7 margin. Again it is pointed out that the Robert Lee loss was early in the season and is not necessarily an indication of their ability.

TOUGH OPPONENT

Most fans feel that it will not make too much difference which team Rankin will have to face.

 Thursday, November

From past experience it is felt that they will all prove to be a tough opposition for the Red Devils. It is felt that they will again have to give it all out to win.
