VOLUME XXXII—NUMBER 36

RANKIN, UPTON COUNTY, TEXAS

THURSDAY, SEPTEMBER 5, 1957

TRAFFIC HAZARDS DEVELOP IN CITY

As the city has come to the conclusion that just as every cloud has its silver lining—so does every spot cast a shadow or a shadow like.

For good many years now, the city councilmen, and county commissioners, and complaints about unpaved streets.

Most of the streets are paved and a new complaint is being

are making racetracks out of newly topped streets.

Just as there was reason to complain about the unpaved streets, just cause for complaint is the speedsters for they are kicking up the gravel."

With county law enforcement, the city this week has taken the reckless driving to go. Some four dozen signs were ordered this city and will be put soon. In the meantime, the Highway Patrol and McCamey has been endeavoring to "educate" drivers to pay attention to existing signs and to caution in driving.

At intersections will also be for school zone driving.

Now that everyone in Rankin is proud of our new paved streets and that there is a temporary hurry every chance you get, we feel that everyone wants our streets to be safe. We must take all steps to make them safe. Cooperation will do the most for this end," the mayor

Enrollment Reaches New High For Rankin School District

THREE LEADERS OF THE BAND: Pictured are Andra Mitchell, Judy Williams and Carolyn Branch at the recent band clinic held in Alpine and attended by the entire Rankin Red Devil band. The three young ladies will be out in front with the batons and doing the twirling when the Red Devil Bands strike up the fight song Friday night.

PEP RALLY SET FRIDAY AT GYM

A pep rally in the high school gym from 1:25 p.m. to 2:00 p.m. Friday Sept. 6 has been opened to the public. Everyone is invited to be on hand and give out with the old school yells in preparation for the football game in Iraan at 8:00 p.m.

On hand to liven up the rally will be the Red Devil Band, the Pep Squad and the entire student body of Rankin Schools.

School will dismiss at 3:00 p.m. and buses will run at that time.

Rankin Gets First Rain In Over 60 Days

Rankin received .60 inches of rain last Tuesday night according to the weather bureau gauge kept by Fred Welling.

Most of the moisture fell around midnight and was preceded by a brisk wind from the northwest. No damage was reported.

Heavier amounts of moisture were received on ranchland north and southeast of town.

NO TRAFFIC ACCIDENTS REPORTED IN UPTON FOR LONG HOLIDAY WEEK-END

While traffic accidents throughout Texas and the nation were running over estimates for the Labor Day Holidays, Upton County enjoyed an accident free week-end.

Sheriff Gene Eckols reported that no major disturbances occurred in the county. Highway patrolmen at both Big Lake and McCamey were kept busy, however, issuing a few reminders to drivers to reduce their speeds and similar traffic infractions.

Mr. and Mrs. Joe Hood, Joan and Vicki spent the Labor Day Holidays in Kermit with their daughter and son-in-law Mr. and Mrs. Larry Howard.

Grace Roach, Mrs. Hamp Carter, Mrs. Jack Smith, and Mrs. Tom Mitchell spent the Labor Day holidays in Ruidosa.

Enrollment in Rankin Schools is at an all-time high and will climb even higher as more students return from vacation and enter classroom work.

Enrolled in high school are some 154 students with "a few more expected" according to principal H. G. Adams. Enrollment by classes show the following:

Freshmen	57
Sophomores	37
Juniors	36
Seniors	24

At the present time, this enrollment is large enough to put Rankin in Class A in athletic competition. However, requirements as to the number of students in high school for Class A competition is expected to be raised again this year as it has in the past and thus it may be that the school will continue its Class B status.

JUNIOR-ELEMENTARY

Bill Hood, principal of the junior high school stated that he had 135 students registered in the three grades which comprise his department. No breakdown of individual classes had been made at the time this figure was compiled.

In the Elementary school, principal Ed Stewart reported a total of 314 students as of Wednesday morning and "about 25 more to come."

Largest class was the 1st grade which had a total of 71 children getting their first sample of school life.

Other grades were:

Second	62
Third	64
Fourth	50
Fifth	67

Mr. and Mrs. Dave McKelvy spent the Labor Day Holidays in Dallas.

Mr. and Mrs. Jimmy Yocham are spending their vacation in Rankin with their parents.

Mr. and Mrs. Nobel Harkrider and Mrs. Ivan Bookout visited friends and relatives in central Texas over the holidays.

Mr. and Mrs. A. E. Ivy were San Antonio visitors over Labor Day.

Mr. and Mrs. Dunn Lowery were in Rockport for Labor Day.

Red Devils Open Season Against Experienced Iraan

Red Devils, young and old, will go against the Iraan team Friday night in Iraan. This will be the opening 1957 game for both teams. The game has been set for 8:00 p.m.

As a whole, the Rankin Red Devils team will be spotted with players who have had only limited experience in their positions. In almost every position, particularly at the ends, center and quarterback, the Devils will lack depth and experience.

his best year and is almost sure to be an all state prospect.

RED DEVILS YOUNG

Joe Hamilton, James Gray, James Farrow and Bill Lewis will make up the big end of the experience for

the Devils while Leslie Young, Wayne Windham, Bobby McAden, Bobby Bushong, Charles Allen, and Garland Francis will be the newcomers in much of the action.

RANKIN TWO UP

For the past three years, the Red Devils have had the upper hand in the contest with the Braves, winning the last two games and tying a third. This year, however, they are in the underdog role and are expected to have a rough time defending their winning streak against the more experienced Braves.

FOOTBALL TIME

Football time has arrived. On Friday night, the Red Devils will go to Iraan for what will be the opener for both teams. Let's all tag along. In the past three years, the Red Devils have had the upper hand in contests—winning two and splitting one with with a tie. This year there is every indication that the Braves will be out for some scalp taking at the expense of the Red Devils.

Anyone who keeps up with football will know that Rankin has very little chance to win as far as figures on paper go. But, figures on paper do not win ball games and we'll say that the Iraan Braves will have to do more than play on their press clippings to beat the Red Devils.

On more than one occasion in times past, the Devils have won the game by getting the jump on the Braves and running them off their feet. It can happen again.

Support the Red Devils—go to Iraan Friday night. Let's help the boys pull an upset.

FOUR AND STUFF

Along with a number of other Rankin "Golfers?" the editor went down to Del Rio for the Labor Day tournament. After two rounds of play—one with Richard Ortez, and one with Juan Pena, we know a little more Spanish and a lot more about how golf should be played.

In the Latin line we now understand: "dosa", "tres", and "quatro" which is to the golfer what a home run, a touchdown and a field goal, all rolled into one would be to other sports.

THE SUPREMEST

Every year for the past several—September—instead of bringing the month of the Comanche moon which in the late 1800's meant Indians on the warpath—the month brings new controversy over school intergration controversy over school intergration.

And each year more and more words are written, spoken and flung about as to just what should be done and what regulations ought to

be passed. Many things seem to stand out in all the squabbling but one of the largest is the fact that somewhere back down the line the old idea of people earning what they get has just about become a thing of the past.

Now we must have laws that will place everyone in his designated slot—at his designated level in society. And we must—at all costs—see that the minority is equal—if not above—the majority.

At least that would appear to be the thinking of the Supreme Court.

At times it would seem that these boys are not too sure just who they are playing ball for. Since 1945, they have handed down no less than seven rulings that have gone directly in favor of the Communists. On at least four major instances, they have taken the rights of the States to govern themselves away and substituted the opinions of six men.

In at least two instances, they have handed down rulings that have directly defended convicted or known Communist in the cases of Harry Bridges and the Rosenbergs. The crummy Commies get a better

All in all—it almost looks like break in the United States than they do in Russia.

ROUGH—ROUGH

It's back to the sand for just about all the Rankin golfers who went to Del Rio. The sledding was rough.

Dub Day was the only Rankin player to reach the finals and had to settle with a runner-up slot in consolation. Others who went extra holes before getting the elimination flag were Fred prentice, and Jack Marshall. Fred lost his on the 20th hole while Jack was "took out" on the 19th.

Others entered were Grimm Taylor, Ray Boggs, Henry Scarborough and J. B. Hutchens.

LOCAL PLAY

Play on the Rankin course has continued to run heavy and will probably pick up even more this week end. There are still indications that a tournament might pay off and also some sort of club tournament ought to be considered.

Women players are reminded that the Big Lake tournament for women will be coming up soon. All who plan to attend should be sure they have their qualifying scores in on time. Also, you can expect the fairways to be hard and more weedy than ours and the greens will be very fast and hard.

Unregistered bonds which constituted the complete fortune of Mrs. Margaret Everest, a sixty year old widow living with friends, were swept away by the flood waters of Wry Creek sometime during the past week.

The bonds represented the heritage Mr. Everest had left his wife when he died two years ago. They had been kept by Mrs. Everest in a bureau in a high cabinet.
