## County Inks Contract Hiring Architect On Repair Job

County has hired a new architect to submit designs on repair work to be done on the Rankin and county jail.

A contract between the Commissioners Court and LeRoy Crockett, Odessa architect, was completed recently and the employees of the county have begun preliminary surveys and designs on the proposed work. Previously, the county had employed Fred Buford, a Dallas architect, but was not satisfied with his submitted plans for the remodeling work.

## RECEIPTS INCREASES

For the last postal quarter, Rankin gained in every department for the Rankin office, with local postmaster included this week.

From June 20 through August 18 amounted to \$5383.15 or \$647.00 above the same period last year which totaled \$4736.15. This brought total receipts for the year since January 1, 1957 to \$115,000.00.

Receipts were \$2,310.84 above the same period last year at this time when \$1,021 had been registered. Receipts gain continue through the end of the year—during the largest volume of mail handled by the postal department—the current year will be the highest in money ever registered by the Rankin post office.

Each said that most of the mail was in first class mail letters, post cards, etc. Increases usually indicate an increase in population in any area and an unusually large gain in the local office has registered this year.

Crockett is a well-known architect in the Odessa area, having planned a number of the larger business houses in that city and is presently constructing a 2½ million dollar school building for the Odessa district. He also was architect on the largest commercial building in Odessa.

At the present time, he is said to be preparing preliminary plans to submit to the court which would include remodeling of the lower floor of the present building and the construction of a three-sided addition to ground floor of the present structure.

At the same time, it is understood that Crockett will make sketches and estimates on the construction of an annex to the present building. It is assumed that one of these two plans will be decided upon by the court once all facts and figures are made available to them by the new architect.

Plans for remodeling work on the county jail are also said to be underway. Crockett will handle this work in connection with the courthouse remodeling.

No definite date or time has been set for any of the work to begin.

Mr. and Mrs. Charles Hale and children have returned to their home in Bloomfield, New Mexico. Mrs. Hale and children visited relatives here while Charles and his father, Charley Hale, were on an elk hunt.

## Congressman Rutherford To Visit In Rankin Tuesday

COMING TO RANKIN—Congressman J. T. Rutherford is shown with the "mobile office" he will take throughout 16 of the 19 counties he represents during the week beginning Monday, October 28th. Congressman Rutherford will be in Rankin with the traveling office at about 11:30 a.m. on Tuesday, October 29th, and will speak at a luncheon in his honor at noon at the Highland Cafe. Congressman Rutherford looks forward to seeing many local residents during his stop here.

### TEACHERS TO MEET MONDAY

School teachers and school board officials from throughout Region 8 will gather in Rankin Monday night, October 28 for a school topics session.

A large attendance is expected.

### 4-H CLUB ANNUAL TURKEY SHOOT TO BE HELD NOV. 9-10

The Upton County 4-H Club will hold their annual Thanksgiving Turkey Shoot on Saturday and Sunday, November 9-10.

Plans for the affair were well underway this week. It will be carried out along the same lines as those of past years which have become very popular with the gunners of the area. As put on by the 4-H Club, anyone, whether skilled in shooting or not, has an opportunity to win a turkey since numerous events are held that are open to restricted groups such as those who have never won a turkey in skeet shooting or shooting for teen agers and women.

Money derived from the shoot is used each year to stage the club's county livestock show in January. Each year in the past, the shoot has drawn large attendance from over the area with some 30 to 35 turkeys being given away for the two-day event.

Mr. and Mrs. Charlie Green of Uvalde, former residents of Rankin, were visiting here last week.

Rankin will be the official Congressional District office of Congressman J. T. Rutherford on Tuesday, October 29th.

Rutherford, traveling in a mobile trailerhouse unit, will roll into Rankin at approximately 11:30 a.m. and will greet local residents at a downtown parking site to be roped off in front of the bank. Local officials will also be on hand to greet Congressman Rutherford, and to welcome him to Rankin.

### LUNCHEON SCHEDULED

Shortly after 12 noon, a luncheon in Rutherford's honor, to be attended by local businessmen and officials, will be held in the Highland Cafe.

The visit here is part of a week-long tour Rutherford is making with the "rolling office" into 16 of the 19 counties he represents, during the week beginning October 28th. A few days later, he will go into the other three counties, which are in the El Paso area.

### WILL MEET THE PUBLIC

Rutherford said he looks forward to seeing many Rankin area residents during his stop here. "I have a lot of ground to cover and must maintain my schedule," he said, "but I will be happy to talk over any problems the people may have or to discuss issues and legislation with them. Or, if they want to do a little West Texas-style visiting, I'll be available for that, too."

The Congressman will have numerous Government publications and materials of interest on display in the mobile office, and will distribute them upon request.

Congressman Rutherford always tours the District by automobile during the adjournment periods of Congress, but has never before brought along a mobile office. "In fact," he says, "to my knowledge this is the first time it has been done, and it will be the first time Rankin has been the Congressional headquarters of the 16th District." He said many people cannot go to their Congressional office in Washington, "so I decided to bring the office to them."

Larry King, former West Texas newsman who now heads Rutherford's Washington staff, will also be on the tour.

### TO HAVE ESCORT

Arrangements have been made for the Sheriff's office to meet Rutherford's mobile unit at the county line and escort him to the downtown parking site in Rankin. Congressman Rutherford's week-long tour will cover 776 miles, through 16 counties and 23 towns.

## Devils Open District Play In Van Horn--

## Football Play To Resume Three Rankin Teams

Schedule of football is set to resume with all three teams at Van Horn schools due to see action this week.

Varsity, it's the opening play when the Red Devils travel to Van Horn to try to defeat the champion Eagle team. The Van Horn team is far neither the Van Horn nor the local aggregation. The local aggregation is too impressive and the conference play with records.

At one time or another both teams with the Van Horn team having had considerable

trouble at the beginning of the season while the Red Devils had their worst number of cases in just recent weeks.

This year's Van Horn team is not as strong as the squad that rapped Rankin here last year but is still rated as a slight favorite over the Devils. Over the past two weeks, Coach Don Leach has had considerable trouble getting enough players together to hold workouts and though the situation is somewhat improved at this time, is still in doubt about the physical condition of several of his starters.

Gametime in Van Horn will be at 7:30 p.m.

### "B" AND JUNIOR GAMES

Also set for action this week are the "B" and Junior High teams. Crane will host the "B" boys in an encounter on October 24.

Action for the Junior High team is also slated for the 24th at which time they will play the Juniors from Crane in a contest to be held here in Rankin at 7:00 p.m.

Both games are open to the public at no charge.

#### WET STUFF

For a country that is supposed to be drier than a horned frog's tonsils, these parts are fast losing their reputation along that line what with an estimated 5 inches of rain since the first of September.

All of which has put some mighty big smiles on folks faces. It is even said that Ed Guy Branch has quit borrowing money from his kids and has been known to have picked up the tab on the coffee table on at least two different occasions.

It's wonderful what a little moisture can do.

One thing for sure, though, and that is that the Russians don't pay much attention to West Texas. If they did, they'd be making propaganda hay out of the fact that it never rained here "till they got their own private moon circling the earth. We don't really believe that their Sputnik had anything to do with it raining but nevertheless we'll have to admit that there is considerable coincidence in the fact that it has rained in Rankin and that their launching of the space-moon was the first event of its kind since men quit dragging women off to caves by the hair of their heads.

We also read somewhere that it is not just the matter of knowing how to launch a moon that keeps the United States from sticking its own private satellite into outer space but rather, that as yet, they haven't figured out how to get an enlisted man out there with it to keep the darned thing shined.

#### FOOTBALL FOLLIES

This week the Red Devils are scheduled to resume their football

playing which has been interrupted for the past two weeks due to sickness and open dates. They are to go to Van Horn and open their district play against the defending champions.

Most Rankin fans and school officials for the past week have looked about as happy as Marshal Dillon as he walks through his boot hill in "Gunsmoke" as they consider the future for the Rankin varsity. At one time recently, practice was down to only about a dozen boys plus the fact that only on one occasion has the team ever been at full strength through the season, thus far.

There can be no denying it — things just don't look too good for the Devils at this time. Their sickness, plus the fact that they must make a 200 mile trip to Van Horn and play in a higher altitude, gives all the odds to the Eagles.

And rather than have it said that we make "home-town picks," we must call 'em like we see 'em and say that Van Horn is due to win. This doesn't mean that we don't think the Devils have a chance. They haven't played a game this year in which they actually were heavily favored but they have won two and made pretty fair showing in the others.

Added to this is the matter of this being one that counts. All the rest of the play was held just to get ready for district and, this is it.

Go get those Eagles, Rankin.

#### A CHANGE NEEDED

While on the matter of Van Horn, there is a definite need to do something about Rankin or Van Horn participating in District 5-B. Students who go out for athletic events have a right to expect support from their hometown. Fans who support a team have a right to be able to attend all the contests.

To travel to Van Horn and back, a distance of almost 400 miles to see a two-hour football game is just asking too much. Either Rankin should join a district closer to home or Van Horn should be moved into

The Rankin (Tex.) News  
Thursday, October 24

another. They're worthy and good competition and stuff but the distance is too great to justify coming to athletic events with them.

Dick Lewis, Jimmy Le and Debs Gamblin, and Holmes, students at Sullege, spent the week-end in.

Mr. and Mrs. Tyson family of Sherwood spent with Mrs. Dave Gentry and Mrs. Sam Holmes.

**Sale Reaches \$84,274 Upeon Savings Bond**

Sales of E and H Savings Bonds in Texas for September were \$14,626,577. This represents an increase over August sales of more than one million dollars, Mr. Nathan Adams, Chairman and Mr. Ed Gossett, Co-Chairman of the State Savings Bonds Committee announced today.

Sales in Upton County amounted to \$84,274.00 for the nine month period, which was 63.1 per cent of the 1957 goal, according to Dunn Lowery, Chairman of Upton County.

"I am sure that if every citizen of Upton County will buy an extra Savings Bond during 1957 our county will reach its goal. There is no safer investment than U. S. Savings Bonds, since both the principal and interest are fully guaranteed by our Government," Chairman Dunn Lowery concluded.
