106 Changes Made For Upton Business In 1957

Released today by Mr. Hemphill, district manager of the Dun & Bradstreet office of Dun & Bradstreet, Inc., reflect the business firms in Upton during the past five years. The information was obtained from a physical survey of the Dun & Bradstreet Reference Book for November, 1957. The book lists 134 manufacturers, wholesalers and retailers in this area. The number of listings in 1952 was 39.5 for the period.

EARLY-DAY BUSINESS HOUSE

ONE OF THE FIRST—This old hotel, the first in Rankin and among the first business houses in Upton County, is pictured here—along with someone's choice dog—as it looked almost 50 years ago.

First owned by Mr. and Mrs. H. B. Earnest, later by Mr. and Mrs. W. L. Gotcher and still later by others, the hotel sported a 14x16 kitchen in a tent located behind the building.

This photograph was submitted by Maggie Taylor and represents one of the few early-day scenes of Rankin recorded. Exact location of the old hotel is believed to be presently occupied by Eddie Yocham's Phillips Station.

include some of the service and professional businesses such as barber shops, stock and real estate brokers. Thus the figure for businesses in Upton County would actually be higher than the 187 quoted above.

Mr. Hemphill also added that during the past year 106 changes were made in the Reference Book listings of Upton County businesses, including 37 names added, 28 names deleted, and 41 changes in rating of continuing businesses.

Using the Dun & Bradstreet Reference Book listings as a guide, it is interesting to review what has happened in the three principal Upton County communities during the past five years:

	Nov. '57	Nov. '52	Inc.
McCamey	130	98	32.6
Rankin	48	36	33.3
Midkiff	9	—	—

Robert A. Davis was admitted to the Veteran Hospital at Big Spring last week. He will be there for ten days or two weeks.

Mr. and Mrs. Clint Shaw visited in Houston with her sister during the Christmas holidays.

All-Time High Record Set In '57 By Local Post Office

A new high in receipts, amount of mail handled and other services has been set by the Rankin post office according to Grace Roach, Postmaster.

Receipts for 1957 totaled \$20,034.59 as compared with \$15,502.89 for

UPTON 4-H CLUB OPENS STOCK SHOW

Beginning early this afternoon, some 200 lambs, ewes and fat calves will be on exhibition at the Junior High gymnasium as the annual Upton County 4-H Club Livestock Show gets underway.

Open to the public at no charge, the show will feature almost all of the livestock being fed under the 4-H program by the boys and girls of the county. A number of top quality animals will be on exhibit.

ODESSA SHOW

In the Sandhills Livestock Show last week-end in Odessa, the Upton Club, although failing to take their usual championship spot, did get one lamb into the showing for reserve champion when Corkey Thornton won a second place honor. A number of other lambs were well up in the judging considering that same 300 fat lambs were entered.

Also, Carolyn Branch, entering a fat steer, placed in the sale of the top calves at eleventh place. Steers in the sale averaged some \$450 each.

BASKETBALL TEAM TO PLAY BIG LAKE TOURNEY

Rankin's Red Devil basketballers are expected to have their hands full in their opener in the Big Lake tournament this week as they play the Reagan County B team. One of the largest tournaments in this area, the event will see a host of good teams in action.

Among those favored are the Big Lakers and the McCamey Badgers.

TRI-COUNTY COUNCIL WILL MEET IN RANKIN

The Tri-County Council will meet in Rankin Friday, January 10th, at the Rankin school building at 10:00 a.m.

Lunch will be served at the cafeteria.

Mrs. M. J. Edwards will be the speaker.

All members are urged to attend.

Mr. and Mrs. Walton Harral, Virginia, Linda, Barbara, and Hank Elliott attended the stock show in Odessa last week.

1956 and the previous high of \$17,773.04, chalked up in the "boom year" of 1952. This represents a net gain of \$4,531.70 or 22.6 per cent over last year.

Money orders written in the office totaled \$160,377.03 while \$369.50 in special stamps—including Internal Revenue, savings and migratory bird stamps were sold.

Through the first 25 days of December, 52,330 pieces of mail went through the cancelling machine compared with 45,100 pieces for the same period in 1956—representing an increase of 14 per cent in this phase of the work. This does not include special work such as metered mail, large en-

Elizabeth Rains Announces For County Treasurer

Elizabeth Rains became the first candidate to announce for office in Upton County, subject to action in the Democratic primary, when she gave the following statement to both the Rankin News and the McCamey News:

"I am announcing for re-election as County Treasurer and wish to thank each and everyone for all the help given me in the past and promise to fulfill my duties as county treasurer if permitted to serve you again as your treasurer of Upton County," Mrs. Rains stated.

A resident of Upton since 1928 Mrs. Rains and her family are well known throughout the county.

REPORT REQUIRED ON \$100 WAGES BY JANUARY 31

Did you pay as much as \$100 to a farm or ranch hand during 1957?

Farm and ranch operators who have paid as much as \$100 in cash wages to any of their hands in 1957 must file an employer's tax and information return for agricultural employees by Friday, January 31, 1958. This announcement was made by John R. Robinson of Internal Revenue Service in Odessa, Texas, today.

This tax return for '57 must be filed with the District Director of Internal Revenue at Odessa, accompanied by payment of the social security tax. The annual wage's report, known as Form 943, must give the name, social security number and wages paid every employee whose cash wages amounted to \$100 or more, during 1957.

velopes and letters too thick to be run through the cancelling machine. There were approximately 5 thousand of these.

SAYS THANKS

"Through the fine cooperation of you patrons, in early mailing, the separation of your cards, your consideration and patience, the post office employees were able to handle the tremendous load of Christmas mail better than ever before," Miss Roach had said.

"For all of this, we are exceedingly grateful. We also want to thank the Rankin News for the publicity they gave the post office department each week on the "Mail Early" program. Results showed mailing started several days earlier than last year and the outgoing mail was out of the way before the deluge of incoming mail hit," she explained.

"Again," Grace Roach, concluded, "We, the postal employees, want to say Thank You—you are the most cooperative and best patrons in the world."

School Census Now Underway

Work began this week on taking the annual school census for the Rankin Independent School District, according to Joe Scrivner, superintendent.

This census is taken each year to determine the number of school age children who will be enrolled here in the 1958-59 school term. The count will be used by the State Board of Education to determine the amount of state financial aid which will be given the district in the coming term.

Deadline for registering children is February 1. All children who will be 6 years old before September 1, 1958, and not more than 18 years old by that date are to be counted. Parents who will have children entering school for the first time next fall should contact either Mr. Scrivner or Mrs. Ross Wheeler.

ATTEND WEDDING

Mr. and Mrs. Oscar Pettit and children, Eudora, Oscar C., and Carl, attended the wedding of their nephew, E. H. Rowan, and Miss Betty Bond at the Calvary Baptist Church in Midland last Saturday at 4:00 p.m.

A reception followed at the home of the bride's parents, Mr. and Mrs. Bond.

Henry Scarborough is now at home convalescing with a back ailment.

Business-wise, a report was heard from the secretary-treasurer, a committee appointed to study the insurance needs of the club and the social committee. A vote was taken and approved whereby lockers could be rented by the month from the club.

Following the business session, the entertainment committee composed of Mesdames Ivan Bookout, C. G. Taylor, Nobel Harkrider and Bill Johnson, were hostesses to a 42 party with cake and coffee as refreshments.

Mrs. P. V. Brown won high for the women while Nobel Harkrider was high for the men. Next regularly scheduled meeting of the organization will be Thursday, February 6. All club members are urged to attend.

Mr. and Mrs. L. W. Bishop are the proud parents of a baby boy born in San Angelo at the Shannon Hospital on December 24th, weighing 9 lbs., 7 ozs. He has been named David Keith. The Bishops have a daughter, Janie, three years old.

appear to be worth noting. Un-
 employment—something that has
 just been for lazy folks for almost
 a quarter of a century—is said
 to be rising—rapidly. Jobs and
 businesses that we have today are
 not necessarily assured for tomor-
 row.

Our boys who fiddle with the
 figures tell us that within the next
 ten years, new jobs for a vast
 number of folks are going to have
 to be found. Population figures are
 rushing ahead and more and more
 people will be needing to make the
 necessary means of living.

We can—here and now—do some-
 thing about securing the future
 and keeping what we have gained.
 We can—here and now—do some-
 thing toward protecting our lively-
 hoods—here—in Rankin.

Applying a little thought to the
 following article could produce re-
 sults very easily.

**THEY DON'T GIVE A HOOT
 ABOUT McCAMEY**

Looking back and recalling the

business activity of the people of
 McCamey during the recent Christ-
 mas shopping season we can't keep
 from doing a little calculating
 about what a boom McCamey
 would have enjoyed if all of our
 local citizens had spent all of their
 Christmas money here at home.

Yet we heard one woman, a
 long-time resident of McCamey,
 whose husband makes probably
 \$400 per month as an employee of
 a big taxpaying business-firm, and
 who are parents of two children,
 bragging about the ammount of
 money she had spent in Odessa
 for Christmas. What a pity and
 how unthinking and how ungrate-
 ful!

If everyone had that aspect of
 town loyalty and apprecation of
 a job, her husband would be with-
 out work tomorrow. The man who
 has thousands of dollars invested
 in a building and equipment in
 order to give her husband a job,
 with no more patronage than citi-
 zens of her type are giving him,

would go broke. Other merchants
 in McCamey would fall by the
 wayside. There would be nobody
 to pay taxes. Her children would
 have no school to attend. There
 would be no police or fire protec-
 tion or churches or street lights.

One businessman has estimated
 that probably half of the Christ-
 mas purchases of the people of
 McCamey were not made with the
 local merchants.

There is an old axiom that can
 be juggled a little to read with
 a point here. It would be a good
 test for all of us. "What kind of
 a town would my home town be
 if every citizen patronized it just
 like me?"

And the sad part of the whole
 idea of patronizing the merchants
 of Odessa, Midland, San Angelo
 and elsewhere is that the merch-
 ants there don't give a hoot about
 our community's future. They don't
 invest a nickle here in property
 or pay a penny in taxes. The
 schools here didn't cost them a
 dime. When a fellow around here

**The Rankin (Tex.) News —
 Thursday, January 9, 1958**

loses his house by fire, those mer-
 chants don't donate a red cent.
 When a child in a needy family
 needs money for an operation or
 for food, those business men are
 not contacted.

It is not impertinate to say that
 the home town merchant sets part
 of the example in respect. If the
 money his friends spend with him
 is good enough for him, he in
 turn should spend it back with his
 fellow merchant—buy his car from
 the local dealer, buy his wife's
 dress and suit from the local
 merchant; purchase his television
 set from one of the local dealers
 located in McCamey; even buy
 his printing from the local prin-
 ter who has thousands of dollars
 invested in the community.

Yes, before we load up for a
 shopping spree to another town
 with our locally earned money—or
 mail in an order, we should "Think
 on these things."

**Keep
 Your
 Promise**

Each month, stores review their accounts to ascertain
 which customers keep promises and which do not . . .
 and the matter of keeping promises has a most impor-
 tant bearing on your future credit standing.

Prompt payment of accounts builds a credit record of
 priceless value wherever and whenever credit is needed.

Your credit rating can be like money in the bank if
 you keep it in good standing with your local business
 firms. They are the ones who will make the reports on
 how well you keep your promises.

TALK**

by Kenneth Cochran, Manager

OUR NEW YEAR'S RESOLUTION

New Year—In case I didn't get to wish you one in person.
January 1958 will be the best, most prosperous year ever for
your family.

Folks like to take the beginning of the year to make some
for the future and I have one to offer during this first
1958. Mr. E. M. Clark, our president, wrote it to explain
goals and objectives we try to follow in furnishing your tele-
service and I thought it would make an appropriate New Year's
for us to make and dedicate to our customers.

WE DEFINE OUR OBJECTIVES

OBJECTIVE is to furnish the best possible telephone service
at a reasonable cost—a cost consistent with financial safety and fair
treatment of employees.

Rankings above everything else in this policy. And the only
one that is continually improving. To furnish this ser-
vice we need the best people, the best equipment, the best methods,
and the best management we can develop.

REASONABLE COST has been defined as one that produces an
adequate service at a reasonable public demand. Our equipment, training, and methods
are such that nothing if the cost of service became so high that people
would not buy it.

FINANCIAL SAFETY should not be endangered by setting the
price too low. In the long run, a price that provides profit
enough to undertake new research and development results in
superior service to the public.

TREATMENT OF EMPLOYEES means good pay, good work-
ing conditions, reasonable job security, and opportunity for advance-
ment on merit. It is people—employees—who are the most im-
portant element in the success of any business.

WE ACCEPT THESE RESPONSIBILITIES

TO OUR EMPLOYEES: Provide machines, methods, equipment, dis-
cipline, leadership, job training, incentives to progress, selection for
promotion.

TO THE PUBLIC: More and better service at a reasonable cost.

TO OUR OWNERS: Run business in a sound, profitable manner.

LOOKING AHEAD

CONFIDENCE has long been the keynote of the telephone business.
Business forecasters are anywhere near correct the next 20 years
will show more growth and development than we have ever seen before.

FUTURE can be faced confidently with a policy of equal
treatment for owners, employees, and the public."

You have it. We do our best every day to live up to this
policy and we hope you feel we're succeeding in our efforts to
furnish the best telephone service.

Call by number. It's twice as fast.

In a year's time, a leading magazine tells us,
the average housewife of a family of four
washes 2½ tons of wet clothes and walks 40
miles in hanging them up on the line.

We're glad electric dryers and automatic

of course, this is just one of the many jobs
electricity helps you with each day.
